

WEST VIRGINIA BLUE BOOK

1960

Compiled and Edited by
J. HOWARD MYERS, Clerk of the Senate

JARRETT PRINTING COMPANY, CHARLESTON, W. VA.

Foreword

May I express my utmost and sincere appreciation to each and all of the contributors who have made this 1960 Blue Book possible. I can think of no agency, Federal, State or County, that has not been completely cooperative in furnishing material. Particularly helpful were the many County Clerks of our State.

My thanks also to the State Road Commission for the Highway Map used in this edition.

Lack of space prevents the inclusion of much material that I should like to use in the Blue Book each year. Anticipating your need for various tables that have been compiled in former years and used in earlier editions, I have indicated in the index in which issue they may be found.

It is hoped that this 1960 Edition of the Blue Book will serve your needs and at least partially meet the high standard of former Editors.

Sincerely,

J. HOWARD MYERS.

December 1, 1960.

DEPARTMENT OF EMPLOYMENT SECURITY

F. DUANE HILL, Director

State Office Building No. 2, 112 California Avenue

Salary of Director: \$9,000.00 per year. Appointed by Governor, by and with advice and consent of Senate. Term: Six years, subject to will and pleasure of Governor.

Advisory Council: \$25 per day for each day actually served in discharge of duties, also necessary expenses. Six members appointed by Governor, by and with advice and consent of Senate. Term: Six years, subject to will and pleasure of Governor. Two members represent employer interests, two employee interests and two the interest of the general public. Meets first Monday in January, April, July and October. Limit of 30 days' service in any year.

Board of Review: \$7,000.00 per year each. Three members appointed by Governor, with advice and consent of Senate. Term: Six years. Nonpartisan. Governor designates chairman.

Purpose is to promote social and economic security by reducing, as far as possible, the hazards of unemployment. Through compulsory system of unemployment reserves, it provides measures of security to families of unemployed persons and guards against menace to health, morals and welfare arising from unemployment. To fulfill these purposes the Department pays weekly unemployment benefits to workers who are unemployed due to lack of work and who are in the labor market. The funds for payment of benefits are derived from a payroll tax paid by West Virginia employers under the terms of the Social Security Act.

Council serves as advisory body to Director. Board of Review hears and determines disputed claims, appoints examiners, organizes appeal tribunals and exercises such additional powers as may be necessary for the proper conduct of a system of administrative review of disputed claims.

Salary of Superintendent: \$8,000 per year. Appointed by Governor, by and with advice and consent of the Senate.

Board of Commissioners: \$10 per diem for days actually served in discharge of duties and expenses, consists of two members, bipartisan, appointed by the Governor, by and with consent of the Senate for a term of two years.

The Department of Public Safety is a state police department with state-wide general police power, created in 1919 to preserve the peace, protect life and property, prevent crime and apprehend criminals. With at least one detachment in each county and a fleet of two-way radio equipped vehicles, the state police handle a large share of the investigation of major crime and apprehension of dangerous criminals, and take primary responsibility for patrolling the highways, enforcing the traffic laws and preventing motor vehicle accidents, besides many miscellaneous services in the public interest, including duty at the scene of emergencies, riots or disaster.

The Board of Commissioners hears charges filed against any officer or member of the department, including the Superintendent, or appeals of charges filed against officers or members with the Superintendent if the Superintendent fails to suspend or dismiss any officer or member after such charges are filed.

RULES OF THE SENATE

(Fifty-fourth Legislature)

Presiding Officer

1. The President of the Senate may appoint a *President pro Tempore*, who during the absence of the President, shall preside and perform all the duties of the President. The President having taken the chair and a quorum being present, the Journal of the preceding day shall be read, to the end that any mistake may be corrected that may have been made in the entries.

2. The presiding officer of the Senate may call a member to the chair who shall exercise his functions for the time being, but no member by virtue of such appointment, shall preside for a longer period than three days.

3. The presiding officer of the Senate shall have the regulation of such parts of the Capitol and of its passage as are, or may be, set apart for the use of the Senate, its officers and committees.

Admittance to Senate Chamber

4. No person except members of the House of Delegates, former members of the West Virginia Legislature, duly accredited representatives of the press, radio and television, and legislative attaches engaged in the proper discharge of their duties, shall be admitted within the Senate chamber while the Senate is in session. All introduction of guests shall be made in recess of the Senate. The rear or east balcony of the Senate chamber shall be reserved for guests of the members of the Senate, and admission thereto shall be by pass signed by the President of the Senate and the member seeking admission of said guest. No person, not a member of the Senate, shall, while within the chamber when the Senate is in session, seek in any manner whatsoever to influence the vote or opinion of any senator on any subject of legislative consideration, under penalty of disbarment from the chamber for the remainder of the legislative session. No attache of the Senate shall, at any time, engage in such activity, under penalty of immediate dismissal by the Committee on Rules.

Duties of the Clerk—Official Journal

5. The Journal of the Senate shall be daily drawn up by the Clerk and shall be read the succeeding day. It shall be printed under the supervision of the Clerk and delivered to the members without delay. After the printed Journal has been approved and fully marked for corrections, the type from which it was printed shall be changed in accordance therewith, and from the type so corrected shall be printed the number of copies required by law for the regular bound volumes of the Journal. In addition thereto ten copies shall be printed on 6 x 9 heavy weight bond paper, with a certificate at the end thereof signed by the President and Clerk of the Senate certifying that the same is the official Journal of the Senate. They shall be bound in flexible binding and bear the imprint on the back, "Official Journal of the Senate of West Virginia", with designation of regular or extra session and the year. After being signed by the proper officers, two of these copies shall be retained in the office of the Clerk, one copy shall be lodged in the office of the Governor, one with the Secretary of State, one with the Department of Archives and History, and one with the Clerk of the House of Delegates.

6. The Clerk of the Senate shall not suffer any records or papers to be taken from the table, or out of his custody, by any person except a chairman of a committee; but he may deliver any bill or paper, directed to be printed, to the printer of the Senate, or to any member of the Senate, on taking his receipt for the same.

7. The Clerks of the Senate and House of Delegates may interchange messages between the hours of adjournment and that of meeting on the following day, so that said message may be read immediately after the usual order of the day.

Powers of the Senate Over Its Members

8. A majority of the Senators shall be necessary to proceed to business; two members may adjourn, and three members may order a call of the Senate, send for absentees, and make any order for their censure or discharge. On a call of the Senate, the doors shall not be closed against any member until his name shall have been twice called.

9. In case a less number than a quorum of the Senate shall convene, they are hereby authorized to send the Sergeant-at-Arms, or any other person or persons by them authorized, for any and all absent members as the majority of such members shall agree, at the expense of such absent members, respectively, unless such excuse for non-attendance shall be made as the Senate, when a quorum is convened, shall judge sufficient; and, in that case, the expense shall be paid out of the contingent fund. And this rule shall apply, as well to the first convention of the Senate at the legal time of meeting, as to each day of the session, after the hour has arrived to which the Senate stood adjourned.

10. No Senator shall be taken into custody by the Sergeant-at-Arms, on any question of complaint of breach of privilege, until the matter is examined by the Committee on Privileges and Elections, and reported to the Senate, unless by order of the President of the Senate.

11. The Senate may punish its own members for disorderly behavior, and with the concurrence of two thirds of the members elected thereto, expel a member, but not twice for the same offense.—(Const., art. 6, sec. 25.)

12. The Senate may punish by imprisonment, any person not a member, for disrespectful behavior in its presence; for obstructing any of its officers in the discharge of their duties, or for any assault, threat or abuse of any member for words spoken in debate; but such imprisonment shall not extend beyond the termination of the session.—(Const., art. 6, sec. 26.)

Privileges of Members

13. Every member, when speaking, shall stand in his own place, and address the President; and when he has finished, take his seat.

14. Every member within the Senate chamber, when a question is put, shall vote unless he is immediately and particularly interested therein, or the Senate excuse him. All motions to excuse a member from voting must be made before the Senate divides or before the call of the yeas and nays is commenced, and it shall be decided without debate, except that the member making the motion may briefly state the reason why, in his opinion, it ought to be adopted.

15. If a member be called to order, for words spoken in debate, the person calling him to order shall repeat the words excepted to, and they shall be taken down in writing at the Clerk's table; and no member shall be held to answer, or be subject to the censure of the Senate for words spoken in debate, if any member has spoken, or other business has intervened after the words spoken and before exceptions to them have been taken.

Roll Calls

16. No member of the Senate, or other person except the Clerk and his assistants, shall visit or remain by the Clerk's table while the yeas and nays are being called or counted.

17. No member shall speak more than twice upon the same subject, without leave of the Senate; nor more than once until every member choosing to speak shall have spoken.

18. While the President is reporting or putting a question, none shall entertain private discourse, read, stand up, walk into, out of, or across the Senate Chamber.

19. No question shall be debated until it has been propounded by the Chair, and then the mover shall have the right to explain his views, in preference to any other member.

20. While the President is putting the question, any member who has not spoken before to the matter may speak to the question before the negative is put.

21. During any debate, any Senator, though he has spoken to the matter, may arise and speak to the orders of the Senate, if they be transgressed, in case the President does not; but if the President stands up at any time, he is first to be heard.

Absence Without Leave

22. If any member of the Senate absent himself from the service thereof without leave, except in case of his sickness or other unavoidable cause which may prevent his attendance, the Senate may by order or resolution, direct his absence to be entered on the Journal.

Absence With Leave

23. No member of the Senate shall absent himself from its service without leave first obtained.

31. The Committee of the Whole shall consider and report on such subjects as may be committed to it by the Senate. The rules of the Senate shall be observed in the Committee of the Whole, so far as they are applicable, except the rule limiting the time of speaking, concerning the previous question, and taking the yeas and nays. The proceedings in the Committee of the Whole shall not be recorded on the Journal of the Senate, except so far as reported to the Senate by the chairman of the committee.

 - IV. To receive reports from Select Committees.
 - V. To receive bills, resolutions, motions and petitions.

 - VII. Senate and House bills on third reading.
 - VIII. Senate and House bills on second reading.
 - IX. Senate and House bills on first reading.
 - X. Miscellaneous business.

Introduction of Bills

33. Each bill shall be prepared in triplicate, signed by the member or members (not to exceed two) by whom it is to be introduced and be filed with the Clerk not later than two o'clock P. M. of the legislative day next preceding its introduction. The original copy shall be the official bill for the use of the Clerk, committees and for the permanent files; the second for printing or copying; and the third for the use of the press and the public.

Each bill shall be numbered, edited and corrected as to form by the Clerk and reported by him to the Senate on the next legislative day, under the fifth order of business. In case of urgency, on motion for leave agreed to by a majority of the members present, if a quorum, a member may introduce a bill from the floor.

Bills to Be Read on Three Separate Days

34. All bills originating in the Senate shall be read on three separate days, unless in case of urgency, by a vote of four fifths of the members present, taken by yeas and nays, on each bill, this rule may be dispensed with.—(Const., art. 6, sec. 29.)

Title of Bills

35. In the title of all bills to amend chapters or sections of the Code, or acts passed since the Code was adopted, the several committees to whom they are referred, or by whom they originated, shall insert the subject matter of the chapter.

36. All engrossed bills shall be fully and distinctly read when put upon their passage.—(Const., art. 6, sec. 29.)

Consideration of Bills

37. All bills or business originating in the Senate, shall be considered in the order in which they are introduced and all bills and resolutions received from the House of Delegates shall be introduced in the order in which they are received, unless in either case the Senate otherwise directs.

Resolutions to Lie on Table

38. All resolutions, when introduced, shall lie on the table at least one day.

Appropriation Bills

39. Bills making appropriations for the pay of members and officers of the Legislature, and for salaries for officers of the government, shall contain no provision on any other subject.—(Const. art. 6, sec. 42.)

Reference to Committees

40. All bills passed by and reported from the House of Delegates shall be read by their titles and referred to the appropriate committees unless the Senate otherwise directs. They shall then be proceeded with in the same manner as Senate bills. All bills introduced on leave shall be read by their titles and referred to the appropriate committee without printing, and shall be treated in committee as resolutions of inquiry; and if the committee report a bill different from one introduced such bill shall be received and treated by the Senate as the original bill, and shall be read a first time and printed, unless in any of the aforesaid cases the Senate shall direct otherwise.

41. On each reading of the bill the Clerk shall state whether it is the first, second or third reading of such bill.

42. On the demand of any two members when a bill is being read for amendment, it shall be read section by section, and when the amendments which may be moved shall be disposed of, the question, unless the Senate otherwise order, shall be taken on ordering the bill to be engrossed and read the third time. If a bill should be ordered to its engrossment and third reading and amendments thereto have been made, the type from which the bill was originally printed shall be changed to conform to the amendments. The bill shall then be re-printed, and shall be the engrossed bill. If no amendments are made the bill as originally printed may be ordered to its third reading and shall become the engrossed bill. All Senate bills so ordered shall be jacketed, endorsed with their number, title, by whom introduced, and if the bill is finally passed, the date of its passage and the signature of the Clerk. If a bill should be passed by the House and returned to the Senate without amendments, or if amended, and the amendments should be agreed to, it shall then be turned over to the Joint Committee on Enrolled Bills. In the case of House bill on second reading if the same be amended, the amendment or amendments shall be noted in full in typewriting on slips of paper, and attached to the bill at the proper place by the Clerk before the bill is returned to the House, and all amendments shall appear in the Senate Journal.

43. When a bill or resolution of the House of Delegates is passed or rejected by the Senate, the fact of its passage or rejection, with the bill or resolution, shall be communicated to the House of Delegates.

Messages

44. Messages may be introduced in any stage of business except when a question is being put by the presiding officer, while the yeas and nays are being called by the Clerk, or while the ballots are being counted.

Passage of Bills and Joint Resolutions

45. When a bill or joint resolution is put upon its passage, the President shall propound the question, "Shall the bill (or joint resolution, as the case may be) pass?" On the passage of every bill or joint resolution the vote shall be taken by yeas and nays, and be entered on the Journal. When the bill is on the second reading, and the question is upon striking out, the President shall propound the question: "Shall these words be stricken out?"

Motions

46. When a question is pending, no motion shall be received but to adjourn, to lay on the table, for the previous question, to postpone the question to a different day, to commit, to amend, or to postpone indefinitely, which several motions shall have precedence in the order in which they are herein arranged.

47. On the first reading of a bill, a motion to reject the bill shall be in order.

Adverse Report by Committee

48. If a committee shall have reported adversely to a bill, the President, immediately after the report of said committee is read shall put the question: "Shall the bill be rejected?", which question shall have precedence over all motions, except a motion to adjourn.

Reconsideration of Vote

49. The question being once determined must stand as the judgment of the Senate, and cannot during the session be drawn again into debate unless reconsidered, and it shall be in order to reconsider any vote only within two legislative days next after the one upon which such vote was taken. A motion to reconsider shall be in order only when made by a Senator who voted with the prevailing side, and when the vote was not taken by yeas and nays all Senators will be conclusively presumed to have voted with the prevailing side.

50. When motions are made for reference of the same subject to a select committee, and to a standing committee, the question in reference to the standing committee shall be first put.

Division of the Question

51. If the question in debate contains several points, any member may have the same divided; but on motion to strike out and insert, it shall not be in order to move for a division of the question, but the rejection of a motion to strike out and insert one proposition shall not prevent a motion to strike out and insert a different proposition; nor prevent a subsequent motion to simply strike out; nor shall the rejection of a motion simply to strike out prevent a subsequent motion to strike out and insert.

52. In filling the blanks, the largest sum and longest time shall be first put.

Previous Question

53. There shall be a motion for the previous question, which being ordered by a majority of the members present, if a quorum, shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been asked and ordered. The previous question may be asked and ordered upon a single motion, a series of motions, or may be made to embrace and authorize motions and amendments and include the bill to its engrossment and third reading and then, on renewal and second of said motion, to its passage or rejection. It shall be in order pending a motion for or after the previous question shall have been ordered on its passage, for the President to entertain and submit a motion to commit with or without instructions to a standing or select committee; and a motion to lay upon the table shall be in order on the second and third reading of a bill.

A call of the Senate shall not be in order after the previous question is ordered, unless it shall appear upon an actual count by the President that a quorum is not present.

All incidental questions of order arising after a motion is made for the previous question, and pending such motion, shall be decided, whether on appeal or otherwise, without debate.

Yeas and Nays

54. When the yeas and nays are ordered, or a call of the Senate is directed, the names of the members shall be called in alphabetical order; excepting, however, the name of the President, which shall be called last.

55. The yeas and nays on any question shall, at the desire of one tenth of the members present, be entered on the Journal and any member may enter

any protest on the Journal upon the determination of any question. After the yeas and nays shall have been taken, and before they are counted or entered on the Journal, the Clerk shall read over the names of those who voted in the affirmative and those who voted in the negative, at which time any member shall have the right to correct any mistake committed in enrolling his name.

56. When a bill or joint resolution passed by the Senate shall be amended by the House of Delegates, the question of agreeing to the bill or joint resolution, as amended, shall be again voted on by yeas and nays in the Senate, and the result entered upon its Journal. In all such cases the affirmative vote of a majority of all the members elected to the Senate shall be necessary.—(Const., art. 6, sec. 31.)

57. In all election of officers which may take place in the Senate the vote of a majority of all the members elected to the Senate shall be necessary.

58. In all elections of officers which may take place in the Senate the vote shall be *viva voce*, and be entered upon the Journal.—(Const., art. 6, sec. 44.)

Executive Session

59. When nominations shall be made in writing by the Governor to the Senate, a future day shall be assigned, unless the Senate unanimously direct otherwise, for taking them into consideration.

60. When acting on the nominations of the Governor, the Senate shall be cleared of all persons except the Clerk, his assistants, the Sergeant-at-Arms and Doorkeeper, and all such officers shall be sworn to secrecy.

61. All confidential communications made by the Governor to the Senate and all proceedings thereon, shall be by the members thereof kept secret until the Senate shall, by unanimous affirmative vote of the members present, remove the injunction of secrecy. When an executive session of the Senate has been dissolved, the result of its action upon any executive nomination considered therein shall be forthwith certified to the Governor in a formal communication signed by the President and attested by the Clerk.

62. All information and remarks touching the character or qualification of any person nominated by the Governor to office shall be kept secret. The legislative proceedings and the executive proceedings of the Senate shall be kept and recorded in separate books.

Constitutional Amendment

63. When an amendment to be proposed to the Constitution is under consideration, the concurrence of two thirds of the members elected to the Senate shall not be requisite to decide any question for amendments, or extending to the merits, being short of the final question.

Adjournment

64. When the Senate adjourns each day, it shall stand adjourned to 2 o'clock P. M., the next day, unless the Senate otherwise direct.

65. When the Senate adjourns each day, every member shall keep his seat until the President leaves the Chair.

Parliamentary Practice

66. In all cases not provided for by the Rules of the Senate or the Joint Rules of the Senate and House of Delegates, the Senate shall be governed by the practice in the House of Representatives of the United States.

Suspension of Rule

67. No standing rule or order of the Senate shall be rescinded without one day's notice being given of the motion therefor and no rule shall be suspended except by a vote of two thirds of all the members of the Senate present.

Withdrawal of Bills from Committee

68. Any bill, resolution or business may, by a vote of the majority of the members present, be withdrawn from the committee to which it had been referred or be taken from the table, and placed upon the regular or special calendar of the Senate in such order of business as the Senate may direct.

No person who has been, or hereafter shall be convicted of bribery, perjury, or other infamous crimes shall be eligible to a seat in the Legislature. No person who may have collected or been entrusted with public money, whether State, county, township, district or other municipal organization, shall be eligible to the Legislature, or to any office of honor, trust, or profit in this State, until he shall have duly accounted for and paid over such money according to law. (Const., Art. VI, Sec. 14.)

No Senator or Delegate, during the time for which he shall have been elected, shall be elected or appointed to any civil office of profit under this State, which has been created, or the emoluments of which have been increased during such term, except offices to be filled by election by the people. Nor shall any member of the Legislature be interested, directly or indirectly, in any contract with the State, or any county thereof, authorized by any law passed during the term for which he shall have been elected. (Const., Art. VI, Sec. 15.)

Oaths

Members of the House of Delegates, before they enter upon their duties, shall take and subscribe to the following oaths or affirmation: "I do solemnly swear (or affirm) that I will support the Constitution of the United States, and the Constitution of the State of West Virginia, and faithfully discharge the duties of Delegate according to the best of my ability, and that I will not accept or receive, directly, or indirectly, any money or other valuable thing, from any corporation, company, or person, for any vote or influence I may give or withhold as Delegate, on any bill, resolution or appropriation, or for any act I may do or perform as Delegate." These oaths shall be administered in the hall of the house to which the member is elected, by a Judge of the Supreme Court of Appeals, or of a Circuit Court, or by any other person authorized by law to administer an oath; and the Secretary of State shall receive and file said oaths subscribed by each member; and no other oath or declaration shall be required as a qualification. Any member who shall refuse to take the oath herein prescribed, shall forfeit his seat; and any member who shall be convicted of having violated the oath last above required to be taken, shall forfeit his seat and be disqualified thereafter from holding any office of profit or trust in this State. (Const., Art. VI, Sec. 16.)

No other allowance or emolument than that by this section provided shall directly or indirectly be made or paid to the members of either house for postage, stationery, newspapers, or any other purpose whatsoever.—(Const., Art. VI, Sec. 33.)

Members salaries are paid on the third Wednesday in January of each year.

Resignation and Filling of Vacancies

Resignations of members of the House should be made to the Speaker, Governor and chairman of the executive committee of the party of which the member belongs in the county from which he was elected.

Vacancies in the House are filled by an appointment by the Governor, in each instance from a list of three qualified persons submitted by the county party executive committee. (Ch. 3, Art. 10, Sec. 6 of the Code.)

Organization of the House

The Legislature shall assemble at the seat of government on the second Wednesday of January in each odd-numbered year. While neither the constitution or statutes sets the hour for convening, the custom has been for each house to convene at twelve o'clock noon. The constitution says, "The oldest Delegate present shall call the House to Order at the beginning of each new House of Delegates, and preside over it until the Speaker thereof shall have been chosen and taken his seat." (Const., Art. VI, Sec. 35.) Custom has made it the duty of the Clerk of the previous House to call the House to order and call the oldest Delegate present to the chair.

The session is then opened with prayer, following which the Clerk reads a list of the members as certified by the Secretary of State, and all notices of contested elections. The roll is then called to ascertain those present. The next step in the organization is the administering of the oath of office to the members.

With the conclusion of the above formalities the House is ready to proceed to the election of a Speaker. After this election, the election of other officers, i.e., Clerk, Sergeant-at-Arms and Doorkeeper shall be the next order of business. The election of officers shall be by *viva voce* vote.

It is then in order to provide by resolution for the adoption of rules to govern the procedure of the House and for informing the Senate that the House is organized. Upon being likewise informed of the organization of the Senate both houses, by resolution, shall raise a joint committee to visit upon the Governor to inform him that they are organized and that they are in readiness to hear his biennial message.

However, at the session of the Legislature following each general election at which a governor, and other state officials are elected; immediately following the organization of the two houses, they shall meet in joint assembly in the hall of the House of Delegates, when the Speaker, before proceeding to any other busi-

ness, shall open and publish the election returns in the presence of a majority of each house of the Legislature.—(Const., Art. VII, Sec. 3.)

The message of the Governor is usually delivered in person by the Governor before both Houses of the Legislature, assembled in joint assembly. When the Governor desires to deliver his message to the joint assembly, it shall be proper to provide by resolution for the convening of a joint session of the two houses.

25. Every member present when a question is put, or when his name is called, shall vote unless he is immediately and particularly interested therein, or the House excuses him. A motion to excuse a member from voting must be made before the House divides, or before the call of the yeas and nays is commenced, and it shall be decided without debate, except that the member making the motion may briefly state the reason therefor.

Members Shall Be in Place When Voting

26. While the yeas and nays are being taken every member shall be in his seat, and during the session of the House no person other than a member shall occupy the chair of a member.

Quorum

In case a number less than a quorum of the House shall convene, they are hereby authorized to send the Sergeant-at-Arms, or any other person or persons by them authorized, for any and all absent members as the majority of such members shall agree, at the expense of such absent members, respectively, unless such excuse for nonattendance shall be made as the House, when a quorum is convened, shall judge sufficient; and, in that case, the expense shall be paid out of the contingent fund of the House. This rule shall apply to the first meeting of the House, at the legal time of meeting, as well as to each day of the session after the hour has arrived to which the House stood adjourned.

The House of Delegates may punish, by imprisonment, any person not a member, for disrespectful behavior in its presence; for obstructing any of its proceedings, or any of its officers in the discharge of his duties, or for any assault, threat or abuse of any member for words spoken in debate; but such imprisonment shall not extend beyond the termination of the session.—(Const., Art. 6, Sec. 25.)

ORDER AND DECORUM IN DEBATE

Recognition and Decorum

32. When a member is about to speak in debate or deliver any matter to the House, he shall rise in his place and respectfully address the presiding officer as "MR. SPEAKER," and, upon being recognized, shall proceed, confining himself to the question under debate, avoiding all personalities and indecorous or disrespectful language.

When a member arises and addresses the Chair, the Speaker may recognize him by name; but no member in debate shall designate another by name.

Recognition by the Chair

33. When two or more members shall rise at the same time, the Speaker shall name the one who is to speak first, and his decision shall be final and not open to debate or appeal. However, in all other cases the members who shall rise first and address the Chair shall be first recognized.

Mover of Question to Have Preference in Debate

34. No question shall be debated until it has been propounded by the Speaker, and then the mover of the question shall have the right to open and close the debate thereon.

Member Out of Order

35. When any member, in speaking or otherwise, transgresses the rules of the House, the Speaker shall, or any member may, call him to order; in which case the member so called to order shall immediately sit down, but may be permitted, with leave of the House, to explain; and the House shall, if appealed to, decide the case, but without debate. If there be no appeal, the decision of the Chair shall be submitted to; if the decision be in favor of the member so called to order, he is at liberty to proceed; if the decision be against him, and the case requires it, he shall be liable to the censure of the House, or such other punishment as the House may properly impose.

Calling to Order for Words Spoken in Debate

36. If a member be called to order for words spoken in debate, the person calling him to order shall repeat the words excepted to and they shall be taken down at the Clerk's table. And no member shall be held to answer, or be subjected to the censure of the House, for words spoken in debate, if any other member has spoken or other business has intervened after the words were spoken and before the exception to them was taken.

Decorum During Debate

37. While the Speaker is putting the question, ascertaining the result, or addressing the House, no one shall walk out of or across the House; and when a member is speaking, no one shall engage in conversation or pass between him and the Speaker.

Limitation on Debate

38. No member shall speak except in his place, and not more than twice on a question, except by leave of the House. And if a question be pending at the time of an adjournment and is renewed on the succeeding day, no member who shall have spoken twice on the preceding day shall be permitted again to speak without leave of the House. The House by majority vote may limit debate on any question.

Members Not To Be Disturbed While Speaking

39. No one shall disturb or interrupt a member who is speaking, without his permission, except to call to order if he be transgressing the rules.

Speaking Before Negative Is Put

40. When the Speaker is putting the question, any member who has not spoken before to the matter may speak to the question before the negative is put.

PUTTING QUESTIONS AND VOTING

Putting Question; Division

41. All questions shall be put distinctly in this form, to-wit: "*As many as are in favor* [as the question may be] say '*aye*,'" and after the affirmative vote is expressed, "*As many as are opposed say 'No'.*" If the Speaker be in doubt as to the result, or if a division is called for by any member, the House shall divide. Those in the affirmative of the question shall first rise from their seats and be counted, and afterward those in the negative. The count may be made by the Speaker, or, if he so directs, by the Clerk, or two members, one from each side, to be named for that purpose by the Speaker. When the result is ascertained the Speaker shall rise and state the decision of the House. Such vote shall not be printed in the Journal unless the yeas and nays are called for by not less than nine members of the House prior to the announcement of the decision by the Speaker.

Yeas and Nays

42. On the passage of every bill and joint resolution, and when the yeas and nays on any question are called for by one-tenth of those present, the Speaker shall direct a yea and nay vote to be taken, and every member present shall vote, unless excused. On all roll-calls, when the voting machine is not used, before the result is announced, the Clerk shall read to the House the names of those who voted in the affirmative or in the negative, whichever is the smaller number, and announce the names of those absent and not voting, at which time any member may correct a mistake committed in taking down his vote. The result shall then be announced, and the yeas and nays entered on the Journal, but if the House so orders, the announcement of the result and the entry of the yeas and nays upon the Journal may be postponed to the succeeding day, with liberty to absent members at any time before the result is announced by the Speaker, to appear and vote "Aye" or "No," in the presence of the House; and any member may, in the presence of the House, change his vote before the result is announced. The Journal shall also show those absent and not voting.

When the yeas and nays are called for by a member on any question, the Speaker shall hold this demand in abeyance until debate has closed upon the question under consideration, or until the previous question has been moved and sustained, and if sustained by one-tenth of the members present, the yeas and nays shall be taken.

Upon calls of the House, in taking the yeas and nays, the names of the members shall be called alphabetically, except the name of the Speaker shall be called last.

Pairs

43. Members may pair on any question by filing a signed statement of the same with the Clerk, who shall read the same to the House before the vote is taken. A blank form of pair for use of members shall be provided by the Clerk. No pair shall be recognized unless made in person by the member signing the same, nor unless one or both of the parties thereto are absent.

Division of Question

44. Any member may call for a division of any question before the vote thereon is taken, if it comprehend propositions in substance so distinct that, one being taken away, a substantive proposition will remain for the decision of the House, but the member calling for the division of a question shall state in what manner he proposes it shall be divided. A motion to strike out and insert shall be deemed indivisible, but a motion to strike out being lost, shall preclude neither amendment nor motion to strike out and insert.

Calling of Yeas and Nays

45. No member or any person shall visit or remain by the Clerk's table while the yeas and nays are being called.

Tie Vote Loses Question

46. In all cases when the House is equally divided, the question shall be lost.

Verification of Vote

47. When a question upon which the yeas and nays have been taken has prevailed or failed by not more than five votes, the Speaker may, upon request of five members, order a verification of the vote. During such verification, no member shall change his vote unless it was erroneously recorded, nor may any member not having voted cast a vote. A verification must be called for immediately after a vote is announced and before any other business has intervened.

Explanation of Vote

48. No member shall be allowed to make any explanation of his vote during the taking of the yeas and nays; but after the roll has been called and the vote announced, any member may explain his vote and the explanation shall be recorded in the Journal if he requests it. The Speaker may limit the time allowed members for explaining votes.

When Members Not to Vote

49. Any member who has a personal or private interest in any measure or bill proposed or pending before the House shall disclose the fact and not vote thereon.

Voting by Machine

49-a. A voting machine may be used in taking the yeas and nays on any question, for quorum calls and for determining the result when a division is demanded. When a vote is to be taken on the voting machine the Speaker shall announce the question to be voted upon and direct the Clerk to prepare the machine. The Clerk shall then sound the gong which shall be notice to all members to vote. After reasonable time has been given all members to vote the Speaker shall ask the question, "Have all members voted?" vote himself, if the vote being taken is upon a question on which he is required to vote, and then direct the Clerk to close the machine and ascertain the result. As soon as this is done, the Clerk shall hand the record of the vote to the Speaker and he shall promptly announce the result. No vote may be changed after it has been recorded.

No member shall vote for another member, nor shall any person not a member cast a vote for a member. In addition to such penalties as may be prescribed by law, any member who shall vote or attempt to vote for another member may be expelled as a member of the House or punished in such other manner as the House may determine. If a person not a member shall vote or attempt to vote for any member, he shall be barred from the floor of the House for the remainder of the session and may be further punished in such manner as the House may deem proper, in addition to such punishment as may be prescribed by law.

All other rules governing voting and the taking of the yeas and nays, insofar as applicable, shall apply to taking votes by means of the voting machine.

MOTIONS

Stating the Question

50. When a motion is made, it shall be stated by the Speaker; or, being in writing, it shall be passed to the desk and read aloud by the Clerk before debate.

Form of Motion

51. Every motion, except subsidiary or incidental motions, shall be reduced to writing, if the Speaker or any member desires it; but this exception shall not apply to motions to amend.

Withdrawal of Motions

52. After a motion is stated by the Speaker or read by the Clerk, it is deemed to be in possession of the House, but may be withdrawn at any time before a decision or amendment, unless the previous question has been ordered, in which case it can only be withdrawn by leave of the House.

Order and Precedence of Motions

53. When a question is under debate, no motion shall be received except:

1. To adjourn.
2. To lay on the table.

3. For the previous question.
4. To postpone to a day certain.
5. To go into a Committee of the Whole on the pending question immediately.
6. To commit to a Committee of the Whole.
7. To commit to a Standing Committee.
8. To commit to a Select Committee.
9. To amend.
10. To postpone indefinitely.

These several motions shall have precedence in the order in which they are arranged. A motion to strike out the enacting clause of a bill shall have precedence of another motion to amend; and if carried, the bill is rejected.

Motion to Adjourn

54. A motion to adjourn shall always be in order, except when the House is voting, or while a member is addressing the House, or when no business has been transacted since the motion to adjourn has been defeated.

Motions Not Debatable

55. The following motions shall be decided without debate, and shall not be amended:

1. To adjourn.
2. To fix the time to which the House shall adjourn.
3. To lay on the table.
4. For the previous question.
5. To suspend the constitutional rule requiring bills to be read on three separate days.
6. To recess.

Motions Not in Order

56. No motion directing the appropriation or payment of money shall be in order.

Effect of Indefinite Postponement

57. When a question is postponed indefinitely it shall not be again acted on during the session.

Motion to Reconsider

58. A motion to reconsider any question may be made by any member who voted with the majority, or in case of a tie vote, by any member. This motion shall be made on the same or next succeeding legislative day of the House. Such a motion, if seconded, shall take precedence of all other questions, except the consideration of a conference report or a motion to adjourn, and unless by motion postponed until some future time shall be acted upon at once. A motion to reconsider shall not be withdrawn without leave of the House, and if the House decides to reconsider, any member may thereafter call the subject up for consideration. A motion to reconsider a question, having been put and lost, shall not be renewed.

Debate on Motions to Reconsider

59. Debate shall be allowed on a motion to reconsider only when the question which it is proposed to reconsider is debatable. Where debate upon a motion to reconsider is in order, no member shall speak more than once nor for a longer period than three minutes.

Reconsideration of Question Requiring More Than Majority Vote

60. When a majority of members present vote in the affirmative on any question, but the question be lost because it is one in which the concurrence of a greater number than a majority of a quorum is necessary to an affirmative decision, any member may move for a reconsideration.

Effect of Motion to Table

61. A motion to lay on the table shall only have the effect of disposing of the matter temporarily, and may be taken from the table at any time after the eighth order of business has been passed.

Motion Must Be Germane

62. No motion on a subject different from that under consideration shall be admitted under color of amendment.

Previous Question

63. When any question is before the House, any member being in order and having the floor may move the previous question, but such motion to be put must be sustained by being seconded by ten members. The question being moved, the Speaker shall say, "*Is the motion sustained?*" and those favoring the motion shall rise. If a sufficient number arise, the previous question shall be thereby seconded, and the question shall then be put in this form, "*Shall the main question be now put?*" If this question be decided in the affirmative by a majority of the members voting, a quorum being present, it shall have the effect of cutting off all debate and bringing the House to a direct vote upon the immediate question or questions upon which it has been asked and ordered, except when the motion applies to the main question, the member in charge of the measure under consideration, shall have five minutes to close the discussion before the vote is taken; and when the motion applies to an amendment the person proposing the amendment shall have three minutes to close the discussion on the amendment. Should the previous question be decided in the negative, the House shall proceed with the matter before it as though the previous question had not been moved.

When a member moves the previous question he shall specifically state in his motion whether it shall apply to the main question and the amendments or to the amendment or amendments only.

The previous question shall not be admitted in the Committee of the Whole.

Upon any bill there may be a motion to dispense with the Constitutional rule, in order that the bill may be read twice or three times on the same day, and upon the first or second reading of any bill there may be a motion to dispense with the constitutional rule in order that the bill may, upon such reading, be read by its title: *Provided*, That in all cases there shall be three readings on each bill, and that an engrossed bill shall be fully and distinctly read. (See Const., Art. 6, Sec. 29.)

103. The first reading of a bill shall be for information; and if opposition be made to it, the question shall be, "*Shall the bill be rejected?*" If no opposition be made, or if the question to reject be lost, it shall be regarded as ordered to its second reading, unless the House otherwise specially directs. The bill shall then be reprinted and shall be the engrossed bill, and shall be designated as such. (Const., Art. 14, Sec. 2). When a proposed amendment to the Constitution is under consideration, the vote of a majority of the members present shall be sufficient to decide an amendment thereto or any collateral or incidental questions thereto short of the final question.

[NOTE: Joint resolutions are used only for amendments to the State Constitution and to ratify amendments to the Federal Constitution. Such resolutions do not have to be submitted to the Governor for his approval.]

(2) *Concurrent Resolutions*: Concurrent resolutions shall be used for the purpose of expressing the sentiments of the Legislature, for authorizing expenditures incidental to the sessions and business of the Legislature, for agreeing upon adjournments beyond the constitutional limitation, for creating special joint committee, for raising a joint assembly and other interior and incidental purposes of legislation, and such other purposes as the Legislature may deem proper. The adoption of such resolutions must be concurred in by both houses.

(3) *House Resolutions*: These simple resolutions shall be used for expressing the will or order of the House on matters in which the concurrence of the Senate is not necessary. 109. All resolutions to be introduced in the House shall be filed with the Clerk not later than two hours prior to the convening of the session at which they are to be introduced. They shall be presented in triplicate and copies shall be for the same purpose as that of bills. When the proper order of business is reached, the Clerk shall proceed in the same manner as if they were introduced from the floor. This rule does not deny a member the right to introduce a resolution from the floor in case of urgency. The different classes of resolutions shall be numbered by the Clerk and entered in full in the Journal.

Action on Resolutions

110. All joint resolutions shall be referred to the appropriate committee, and when any other resolution is presented, containing no reference of the subject thereto to a committee, it shall lie over for one day, to come up under the ninth order of business unless a majority of the House orders otherwise.

PETITIONS

111. All petitions, remonstrances, memorials and other papers addressed to the House shall be filed by the member with the Clerk prior to the convening of the

House. When in the regular order of business the time is reached for presenting petitions or any such papers, the Clerk shall read a list of those on file, giving the member's name presenting same and a brief resume of the contents thereof, and the same shall be referred to the committee of the member's selection unless otherwise ordered by the House. Each member, upon filing any such petition, remonstrance or other paper, shall endorse thereon his name, and if not so endorsed it shall not be received. 115. Amendments shall be read by the Clerk and stated by the Speaker before being acted upon.

116. A motion to amend by striking out the enacting clause of a bill shall have precedence over another motion to amend, and, if carried, the bill or resolution is rejected.

Amendment to an Amendment

117. A motion to amend a pending amendment may be received, but until it is disposed of no other motion to amend will be in order. But pending such amendment, a motion to amend in the nature of a substitute, and a motion to amend that substitute, may be received, but shall not be voted upon until the original matter is perfected.

Amendment to Have Precedence Over Substitute

118. If a substitute for a bill or resolution be offered, a motion to amend the original bill or resolution shall have precedence.

Motion to Amend to Have Precedence Over One to Strike Out

119. If a motion be made to strike out part of a bill or resolution, a motion to amend the part proposed to be stricken out shall have precedence.

Filling Blanks

120. In filling blanks, the largest sum and longest time proposed shall be first put, and the question shall be put on names in the order they were nominated.

No Amendment by Way of Rider

121. No amendment by way of rider shall be received to any bill after engrossment.

Agreeing to Senate Amendments

122. When a House bill or House joint resolution shall be amended by the Senate, the question on agreeing to the bill or resolution as amended shall be again voted on by yeas and nays, and the result entered on the Journal, and in such a case the affirmative vote of a majority of the members elected to the House shall be necessary. (Const., Art. 7, Sec. 31.)

Amendment by Section

123. If a bill is being considered section by section, only amendments to the section under consideration shall be in order. After all sections have been considered separately, the whole bill shall be open for amendment except that an amendment seeking to strike out matter previously inserted and containing substantially no new proposition shall not be in order.

Amending Titles

124. After the passage of a bill or joint resolution, amendments to its title may be offered when the title is read for approval.

Amendments to Senate Bills

125. Any Senate bill or resolution may be amended in the same manner as a House bill or resolution. If a Senate bill or resolution is amended the same shall be noted by the Clerk on the jacket containing the same before it is reported to the Senate.

After the reading of a Senate amendment to a House bill or resolution the question shall be, "*Will the House concur in the Senate Amendment?*" But it shall be in order to move that the House concur in the Senate amendment with an amendment: or that the House refuse to concur and ask the Senate to recede.

If the Senate shall refuse to concur in a House amendment to a Senate bill or resolution, the following motions shall be in order and shall be privileged in the order named: *First*, That the House recede; *Second*, That the House insist and ask for a committee of conference; *Third*, That the House adhere.

128. The Clerk of the House, under the direction of the Speaker, shall keep a full and correct Journal of the proceedings.

Approval and Correction

129. When the Journal has been read to the end that any mistake made in the entry may be corrected, if no objection is made, it shall stand approved; but if objection be made, the first question of the House shall be to dispose of the same, and when such objections are disposed of and the Journal corrected, as the House may order, it shall stand as approved.

Printing Official Copies

130. After the printed Journal has been approved and fully marked for correction, the type from which it was printed shall be changed in accordance therewith. From the type so corrected shall be printed the number of copies required by law for the regular bound volumes of the Journal, which shall be properly indexed. In addition the to six copies shall be printed on 6 x 9 heavy weight bond paper, with a certificate at the end thereof, certifying that the same is the official Journal of the House and the same shall be signed by the Speaker and Clerk. Such printed Journal shall be the official record of the House. They

After being signed by the proper officers, two of these copies shall be retained in the office of the Clerk, and one copy shall be lodged in the office of the Governor, one with the Secretary of State, one with the Department of Archives and History, and one with the Clerk of the Senate.

Rescinding or Amending Rules

133. All propositions to amend or rescind any standing rule or order of the House shall be by resolution and be at once referred, without debate, to the Committee on Rules, and shall be reported therefrom within two days. Any such resolution may be adopted by a majority vote, a quorum being present.

[NOTE: The power to make its rules of procedure is given the House under Sec. 24, Art. 6 of the Constitution.]

Suspension of Rules

134. These rules shall not be suspended, except by a vote of at least two-thirds of the members present. Unless there be a unanimous consent for the suspension of rules, the vote shall be determined by yeas and nays.

[NOTE: The motion to suspend the rules is usually preceded by a member requesting unanimous consent of the House to do a particular thing. If no one objects the House is deemed to assent, and what is desired is allowed accordingly. If objection is made, then the member may move that the rules be suspended for the specific purpose or object he has in view. A motion to lay on the table may not be applied to a motion to suspend the rules. (Hind's Precedents, Sec. 5405.)]

Manual and Rules

135. On any question of order or parliamentary practice where the rules of the House or the joint rules of the House and Senate are silent or inexplicit, *Jefferson's Manual* and the *Digest of the Rules and Practices of the House of Representatives of the United States Congress* shall be considered as authority.

[NOTE: Jefferson's Manual was prepared by Thomas Jefferson for his own guidance as President of the United States Senate in the years he was Vice President, from 1797 to 1801. The House of Representatives, in 1837, by rule which still exists, provided that the provisions of the Manual should "govern the House in all cases to which they are applicable and in which they are not inconsistent with the standing rules and orders of the House." The Manual is regarded by English parliamentarians as the best statement of what the law of Parliament was at the time Jefferson wrote it. (House Manual and Digest), 70th Congress, 1st Sess., Sec. 278.]

Oaths

142. The Speaker or Clerk shall have authority to administer any oaths required by the business of the House.

Janitors

143. The janitors appointed for or assigned to the house shall, under direction of the Speaker, have care of the House chamber, committee rooms and halls of the House and keep the same in a neat and proper condition at all times.

JOINT RULES OF THE SENATE AND HOUSE OF DELEGATES

Joint Assembly

1. Whenever there shall be a joint assembly of the two houses, a brief account of the proceedings shall be entered upon the Journal of each house, except in the joint assembly for counting votes for state officers.

[NOTE: It is the custom to hold joint assemblies in the House Chamber and they are presided over by the Speaker. In such sessions the Clerk of the House acts as Clerk, assisted by the Clerk of the Senate. The President of the Senate is given a seat to the right of the Speaker and seats are arranged for the members of the Senate.]

Joint Assembly to Open and Publish Election Returns

2. As soon as the Senate, being organized, is informed that the House of Delegates is ready to proceed, as provided by section three of article seven of the Constitution, to open and publish the returns of the elections for state officers, the Senate, preceded by its President and other officers, shall repair in a body to the hall of the House of Delegates. Upon their arrival the Sergeant-at-Arms of the House of Delegates shall announce the presence of the Senate. The President of the Senate shall then address the Speaker of the House, stating that a majority of the Senate has assembled in the hall of the House of Delegates to be present at the opening and publishing of the returns of the elections for state officers, held on the day of The Speaker of the House of Delegates shall invite the President of the Senate to a seat upon his right, and the other members of the Senate and officers thereof to take seats assigned to them; and after announcing that a majority of the House of Delegates is present, shall then open and publish the returns of said election, proceeding by counties in alphabetical order, the Clerks of the two houses each taking down the returns as announced by the Speaker, to be entered upon the Journal of the House, and when completed and tabulated the Speaker shall announce the votes received by each person voted for, for each of said offices, and those receiving the largest number of votes shall be by him declared duly elected; and the Senate shall then return to its hall, and if any two or more candidates for any of said offices have an equal and the highest number of votes for the same office, the two houses shall immediately proceed to choose one of such persons for said office by a joint vote, as provided by Section 3 of Article VII of the Constitution.

Disagreement and Conference

3. Whenever a measure of one house is amended in the other and the house in which it originated shall refuse to concur in the amendment, the house amending the measure may either insist or recede therefrom. But when a measure originating in one house is amended in the other, the house in which it originated may amend such amendment and a motion therefor shall take precedence of a motion to concur. If said house refuses to concur, the other house may either recede from or insist upon its amendment, and a motion to recede shall take precedence of a motion to insist. The motion to lay on the table or to postpone indefinitely shall not be in order in respect to the motion to recede from or to insist.

A motion to recede having failed shall be equivalent to the adoption of a motion to insist and shall be so entered upon the Journal. A motion to insist being decided in the negative, shall be equivalent to the adoption of a motion to recede and shall be so entered upon the Journal. If the motion to insist prevails, the house so insisting shall request a committee of conference on the subject of disagreement, and shall appoint a committee therefor. The other house may thereupon appoint such committee. Unless a different number is agreed upon, such conference committee shall consist of five members from each house.

Such committee shall consider and report upon only the subject matter of the amendment or amendments which were in disagreement, with necessary conse-

quential changes. The committee shall meet at a convenient time, to be agreed upon by their chairmen, and having conferred freely, shall report to their respective houses the result of the conference. In case of agreement, the report shall be first made, with the papers referred accompanying it, to the house which refused to concur, and there acted upon; and such action, with the papers referred, shall be immediately reported by the clerk to the other house. In case of disagreement, the papers shall remain with the house in which the measure originated. If an agreement is reached, the report shall be made and signed in duplicate by at least a majority of the conferees from each house, one of the duplicates being retained by the conferees of each house.

Messages Between the Houses

4. When a message is sent by one house to the other, it shall be announced at the door of the house to which it is sent, by the Doorkeeper thereof, if it be in session, and then be respectfully communicated to the presiding officer by the person by whom it may be sent, but no message shall be received during a call of the roll. But the clerk of one house may communicate a message to the clerk of the other after adjournment, and any message so sent shall be received by the house to which it is sent whenever it may be in session.

Introduction of Bills

5. No bill, other than an appropriation bill, shall be introduced in either house after the fiftieth day of a regular session held in odd-numbered years unless permission to introduce the bill be given by a concurrent resolution, setting out the title of the bill, and adopted by a two-thirds vote of all the members of each house present and voting.

During regular sessions held in even-numbered years, no bill, other than the annual budget bill and bills coming within the purview of a proclamation issued by the Governor in accordance with the provisions of section twenty-two, article six, of the State Constitution, shall be filed for introduction or be introduced in either house unless permission to introduce the bill be given by a concurrent resolution, setting out the title of the bill and adopted by a two-thirds vote of all the members elected to each house.

When permission is requested to introduce a bill under the provisions hereof, triplicate copies of such bill shall accompany the resolution when filed for introduction or introduced.

One House to Notify Other of Rejection of Bill

6. When a bill or resolution passed in one house is rejected in the other, notice thereof shall be sent to the house in which the same shall have been passed.

Record of Bills

7. The clerks of the two houses shall keep separate records or registers, in which shall be recorded every action taken by the Senate and House on each bill and resolution.

Clerks to Endorse Bills

8. The clerks of the two houses shall endorse on each bill a statement of any action taken by their respective bodies.

Notice to Be in Writing

9. Notice to either house of the action of the other shall be in writing, signed by the clerk of the house giving such notice.

Each House to Have Control of Own Printing

10. Each house may order the printing of bills, resolutions, reports, and other documents without the consent of the other.

Joint Committees

11. Joint standing committees of the Senate and House shall be appointed as follows:

(1) *Joint Committee on Enrolled Bills*—To consist of five members from each house.

(2) *Committee on Joint Rules*—To consist of the presiding officers and two members of each house, to be appointed by the presiding officers.

(3) *Joint Committee on Government and Finance*—The Joint Committee on Government and Finance shall consist of five members of the Senate and five members of the House of Delegates, of which not more than three of each house shall be members of the same political party; four of the members of the Senate committee shall be appointed by the President of the Senate and four of the members of the House committee shall be appointed by the Speaker of the House. The President of the Senate and the Speaker of the House shall be *ex officio* members of the committee and co-chairmen thereof. The committee shall begin its work as soon as practicable after the adjournment *sine die* of the regular session of the Legislature.

It shall be the duty of the committee to study and survey generally matters of government and finance and to make a report on its studies and findings, its expenditures and such recommendations as it may deem proper, to succeeding extraordinary and regular sessions of the Legislature; and such committee is hereby vested with power and authority to employ technical and clerical assistance, compel the attendance and testimony of witnesses, the production of books, records, documents and other papers, and shall be vested with and authorized to exercise all powers and authority granted such committees by the statutes and Constitution of the State of West Virginia. The offices of the committee shall be maintained at the capitol building in Charleston, West Virginia.

The expenses of the committee shall be paid from the contingent fund of the Senate and contingent fund of the House of Delegates in equal amounts. The members of the committee shall receive no remuneration for their services, other than actual expenses incurred in the discharge of their duties hereunder as approved by the committee.

(4) Such other joint committees as may be provided for by concurrent resolution. A bill or resolution referred to a joint committee may be recalled from such committee by the house in which it originated.

Engrossed Bills to Be Filed With Clerk of House

12. All engrossed bills passed by, and joint and concurrent resolutions adopted by, both houses shall be filed with the Clerk of the House to be kept with the rolls of the Legislature and to be used by him in printing and publishing the acts of the Legislature.

Joint Committee on Enrolled Bills

13. The Joint Committee on Enrolled Bills shall consist of five members of the Senate and five members of the House of Delegates, to be appointed by the presiding officer of each house, whose duty it shall be to compare carefully all bills and joint resolutions passed by both houses, with the enrollment thereof, and to correct any errors or omissions they may discover and to make reports to their respective houses from time to time, of the correctly enrolled bills or joint resolutions. It shall be in order for the Joint Committee on Enrolled Bills to report at any time.

Printing Enrolled Bills

14. After a bill has been passed by both houses, the type from which it was originally printed shall be corrected as to any typographical errors that may

not previously have been corrected and to include any amendments that may have been made by either house since the last printing of the bill. After the type has been so corrected, two hundred copies of the bill shall be printed (except charter bills, of which only twenty-five of each shall be printed). Twelve of these copies shall be on seven and one-fourth by ten bond paper, twenty-pound basis of at least fifty per cent rag content for the use of the Joint Committee on Enrolled Bills, one of which copies, when properly authenticated, shall become the Enrolled Bill, and the remainder shall be on twenty-pound basis, sulphite bond paper. From these copies all judges shall be furnished enrolled bills as provided for in section fourteen, article one, chapter four of the code.

Authentication of Enrolled Bills

15. Enrolled bills shall be authenticated by the signature of the chairman of the House Committee and the chairman of the Senate Committee, composing such Joint Committee on Enrolled Bills, but in the absence of such chairman another member of the committee may act in his stead; and they shall require all bills and joint resolutions before such authentication to be free from interlineations or erasures and destroy any previous enrollment containing any interlineations or erasures. A certificate, showing in which house the bill originated and when it takes effect, signed by the clerks of the two houses, shall be endorsed on the bill. After enrolled bills and joint resolutions are authenticated as aforesaid, they shall be signed by the Speaker of the House and by the President of the Senate.

Presenting Bills to Governor

16. After a bill shall have thus been signed in each house, it shall be presented by the said committee to the Governor, for his approval. The said committee shall report the day of presentation to the Governor, which time shall be entered on the Journal of each house.

Record of Enrolled Bills

17. It shall be the duty of the Committee on Enrolled Bills to keep a record book of all bills presented to the Governor for his approval. The title and number of each bill presented to the Governor shall be entered in this book, and when a bill is presented to him, the date presented and the signature of the Governor, showing receipt of same, shall be entered at the side of each title.

Action of Governor on Bills

18. Every bill disapproved by the Governor shall be returned by him to the house in which it originated, with his objections thereto, unless the Legislature shall, by its adjournment, prevent its return, in which case it shall be filed in the office of the Secretary of State within five days after said adjournment.

Every bill approved by the Governor shall, within five days after it is presented to him, be filed in the office of the Secretary of State and the fact of said approval communicated by the Governor to the house in which said bill originated.

Every bill which shall be neither approved nor disapproved by the Governor shall immediately, after the expiration of five days from the time it is presented to him, be filed in the office of the Secretary of State, who shall forthwith engross thereon a certificate to the following effect: "I certify that the foregoing act, having been presented to the Governor for his approval, and not having been returned by him to the house of the Legislature in which it originated within the time prescribed by the Constitution of the State, has become a law without his approval", and shall date and sign the same. The Governor shall notify the house in which the bill originated of each bill becoming a law without his approval.

Upon each bill returned to either house of the Legislature with the objections of the Governor, the Clerks of the Senate and House of Delegates shall engross

the action, if any, of their respective houses on the reconsideration and passage of said bill, and sign the same.

Joint Meetings of Committees

19. Whenever any bill has been referred by the Senate to one of its standing committees, and the same or like bill has been referred by the House to one of its committees, the chairmen of the respective committees, when in their judgment the interest of legislation or the expedition of business will be better served thereby, may arrange for a joint meeting of their committees for the consideration of such bill. All joint committee meetings shall be presided over by the chairman of the Senate committee.

What Shall Be Printed in the Journal

20. The following shall always be printed in the Journal of each house:

- (a) Messages from the Governor and messages from the other house, the titles of all bills and the title and text of all resolutions.
- (b) Every vote taken by yeas and nays in each house; and a brief statement of the contents of each petition, memorial, or paper presented to each house.
- (c) A true and accurate account of the proceedings of each house.

Manner of Printing the Journal and Bills

21. In printing the daily Journal of the proceedings of each house there shall be printed at the top of each page, except the first, the date of the Journal; and on the last page of each day's Journal, shall be printed the calendar for the next day.

At the top of the first page of each bill, preceding the title and number thereof, there shall be printed the name of the person by whom, or the committee by which, it was introduced and the date of introduction; and at the top of each page, except the first, shall be printed the number of the bill.

Use of Legislative Halls and Offices

22. Permission to use, other than for statutory purposes, either legislative chamber or offices used by the two houses, may be granted by the President of the Senate or Speaker of the House, as the case may be. During legislative sessions, the Speaker of the House and the President of the Senate shall have power to regulate the use of the halls and stairways of the parts of the capitol building used by their respective houses, for any purpose whatsoever.

Resolutions

23. Resolutions requiring concurrent action may originate in either house, and shall be of two kinds, namely:

Joint Resolutions: These resolutions shall be used for proposing amendments to the State Constitution and for ratifying amendments to the Federal Constitution. Joint resolutions shall be adopted as provided in section two, article fourteen of the Constitution.

Concurrent Resolutions: Such resolutions shall be used for all purposes not covered by joint resolution as defined above.

Suspension of Joint Rules

24. No Joint Rule shall be suspended, except by a two-thirds vote of each house; and unless there be unanimous consent, such vote shall be taken by yeas and nays.

THE WEST VIRGINIA STATE BAR (Integrated)

Offices: State Capitol—Telephone DI 6-8414

Created by the Supreme Court of Appeals under its inherent rule-making power as authorized by Chapter 44, Acts of the Legislature, 1945. The court adopted and promulgated a definition of the practice of law; a code of professional ethics, a code of judicial ethics and a constitution and by-laws for the government of the State Bar, effective May 1, 1947. Its membership consists of all persons lawfully admitted to the practice of law in West Virginia. No person can practice law in the State of West Virginia unless he is a member in good standing of The West Virginia State Bar. There are two classes of membership—active and inactive. The annual active membership fee is now \$15.00 for members who have been admitted to practice for more than five years, and \$10.00 for members who have been admitted to practice for not more than five years.

The objects of the State Bar are to protect the interests of the public; to advance the administration of justice and the science of jurisprudence; to improve the relations between the public and the Bench and the Bar; to uphold and elevate the standards of honor, integrity, competency and courtesy in the legal profession; and to encourage cordial relations among its members. It is its declared purpose to give effect to pertinent rules of the Supreme Court of Appeals, and to perform the functions expressed in its Constitution and By-Laws. A

*Appointed by the Supreme Court of Appeals.

principal duty of the State Bar is to uphold the standards of professional ethics and to diligently and vigilantly investigate and prosecute violations of these standards.

CONSTITUTIONAL

Declaration of Independence

United States Constitution

Constitution of West Virginia

THE DECLARATION OF INDEPENDENCE

MADE BY THE ORIGINAL THIRTEEN STATES IN CONGRESS
AT PHILADELPHIA

UNANIMOUSLY ADOPTED JULY 4, 1776

When, in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume, among the Powers of the earth, the separate and equal station to which the laws of nature and of nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident; that all men are created equal, that they are endowed by their creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that whenever any form of government becomes destructive of these ends, it is the right of the people to alter or to abolish it, and to institute new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their safety and happiness. Prudence, indeed, will dictate that governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, it is their duty, to throw off such government, and to provide new guards for their future security.—Such has been the patient sufferance of these colonies; and such is now the necessity which constrains them to alter their former systems of government. The history of the present king of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute tyranny over these States. To prove this, let facts be submitted to a candid world.

He has refused his assent to laws the most wholesome and necessary for the public good.

He has forbidden his governors to pass laws of immediate and pressing importance, unless suspended in their operation till his assent should be obtained; and when so suspended, he has utterly neglected to attend to them.

He has refused to pass other laws for the accommodation of large districts of people, unless those people would relinquish the right of representation in the legislature, a right inestimable to them and formidable to tyrants only.

He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public records, for the sole purpose of fatiguing them into compliance with his measures.

He has dissolved representative houses repeatedly, for opposing, with manly firmness, his invasions on the rights of the people.

He has refused, for a long time after such dissolutions, to cause others to be elected; whereby the legislative powers, incapable of annihilation, have returned to the people at large for their exercise; the State remaining, in the meantime, exposed to all the dangers of invasion from without, and convulsions within.

He has endeavored to prevent the population of these States; for that purpose obstructing the laws for naturalization of foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new appropriations of lands.

He has obstructed the administration of justice, by refusing his assent to laws for establishing judiciary powers.

He has made judges dependent on his will alone for the tenure of their offices, and the amount and payment of their salaries.

He has erected a multitude of new offices, and sent hither swarms of officers to harass our people and eat out their substance.

He has kept among us, in times of peace, standing armies without the consent of our legislatures.

He has affected to render the military independent of and superior to the civil power.

He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his assent to their acts of pretended legislation:

For quartering large bodies of armed troops among us:

For protecting them, by a mock trial, from punishment for any murders which they should commit on the inhabitants of these States:

For cutting off our trade with all parts of the world:

For imposing taxes on us without our consent:

For depriving us, in many cases, of the benefits of trial by jury:

For transporting us beyond seas to be tried for pretended offenses:

For abolishing the free system of English laws in a neighboring province, establishing therein an arbitrary government, and enlarging its boundaries, so as to render it at once an example and fit instrument for introducing the same absolute rule into these colonies:

For taking away our charters, abolishing our most valuable laws, and altering fundamentally the forms of our government:

For suspending our own legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever.

He has abdicated government here, by declaring us out of his protection, and waging war against us.

He has plundered our seas, ravaged our coasts, burnt our towns, and destroyed the lives of our people.

He is, at this time, transporting large armies of foreign mercenaries to complete the works of death, desolation and tyranny, already begun, with circumstances of cruelty and perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the head of a civilized nation.

He has constrained our fellow-citizens, taken captive on the high seas, to bear arms against their country, to become the executioners of their friends and brethren, or to fall themselves by their hands.

He has excited domestic insurrections amongst us, and has endeavored to bring on the inhabitants of our frontiers, the merciless Indian savages, whose known rule of warfare is an undistinguished destruction of all ages, sexes, and conditions.

In every stage of these oppressions we have petitioned for redress in the most humble terms. Our repeated petitions have been answered only by repeated injury. A prince, whose character, is thus marked by every act which may define a tyrant, is unfit to be the ruler of a free people.

Nor have we been wanting in attention to our British brethren. We have warned them, from time to time, of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity which denounces our separation, and holds them, as we hold the rest of mankind enemies in war, in peace friends.

We, therefore, the Representatives of the United States of America, in general Congress assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the name, and by authority of the good people of these colonies, solemnly publish and declare, That these United Colonies are and of right ought to be, free and independent States: that they are absolved from all allegiance to the British crown, and that all political connection between them and the State of Great Britain is, and ought to be totally dissolved; and that, as free and independent States, they have full power to levy war, conclude peace, contract alliances, establish commerce, and to do all other acts and things which independent States may of right do. And for the support of this declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, our fortunes, and our sacred honor.

Chapter 22, Acts of the West Virginia Legislature, Regular Session, 1933, provided that the delegates elected to such convention should meet on the 28th day after their election to pass upon the question of whether or not the proposed amendment should be ratified. This would make the date of ratification of the amendment July 25, 1933.

The 21st amendment was declared in a proclamation of the Acting Secretary of State, dated December 5, 1933, to have been ratified by 36 of the 48 States. By his proclamation of December 5, 1933, the President proclaimed that the 18th amendment to the Constitution was repealed on December 5, 1933.

ARTICLE I

Relations to the Government of the United States

1. The State of West Virginia is, and shall remain, one of the United States of America. The Constitution of the United States of America, and the laws and treaties made in pursuance thereof, shall be the supreme law of the land.

Internal Government and Police

2. The Government of the United States is a government of enumerated powers, and all powers not delegated to it, nor inhibited to the States, are reserved to the States or to the people thereof. Among the powers so reserved by the States is the exclusive regulation of their own internal government and police; and it is the high and solemn duty of the several departments of government, created by this Constitution, to guard and protect the people of this State from all encroachments upon the rights so reserved.

Continuity of Constitutional Operation

3. The provisions of the Constitution of the United States, and of this State, are operative alike in a period of war as in time of peace, and any departure therefrom, or violation thereof, under the plea of necessity, or any other plea, is subversive of good government, and tends to anarchy and despotism.

Representatives to Congress

4. For the election of representatives to congress, the State shall be divided into districts, corresponding in number with the representatives to which it may be entitled; which districts shall be formed of contiguous counties, and be compact. Each district shall contain, as nearly as may be, an equal number of population, to be determined according to the rule prescribed in the Constitution of the United States.

ARTICLE II

The State

1. The territory of the following counties, formerly parts of the Commonwealth of Virginia, shall constitute and form the State of West Virginia, viz:

The counties of Barbour, Berkeley, Boone, Braxton, Brooke, Cabell, Calhoun, Clay, Doddridge, Fayette, Gilmer, Grant, Greenbrier, Hampshire, Hancock, Hardy, Harrison, Jackson, Jefferson, Kanawha, Lewis, Lincoln, Logan, Marion, Marshall, Mason, McDowell, Mercer, Mineral, Monongalia, Monroe, Morgan, Nicholas, Ohio, Pendleton, Pleasants, Pocahontas, Preston, Putnam, Raleigh, Randolph, Ritchie, Roane, Summers, Taylor, Tucker, Tyler, Upshur, Wayne, Webster, Wetzel, Wirt, Wood and Wyoming. The State of West Virginia includes the bed, bank and shores of the Ohio River, and so much of the Big Sandy River as was formerly included in the Commonwealth of Virginia; and all territorial rights and property in, and jurisdiction over the same, heretofore reserved by, and vested in, the Commonwealth of Virginia, are vested in and shall hereafter be exercised by the State of West Virginia. And such parts of the said beds, banks and shores as lie opposite, and adjoining the several counties of this State, shall form parts of said several counties respectively.

[All of the territory of West Virginia was taken from the Commonwealth of Virginia and in the first constitution forty-four of the above-named counties were designated as forming the State of West Virginia, and in addition the counties of Berkeley, Hampshire, Hardy, Jefferson, Morgan and Pendleton were to be admitted should the constitution be adopted by a vote of the people of the districts comprising the counties. The districts adopted the constitution and these six counties became a part of the State.

The remaining five counties were created by acts of the Legislature as follows: Mineral County, from Hampshire County, on February 1, 1866; Grant County, from Hardy County, on February 14, 1866; Lincoln County from parts of Cabell, Putnam, Kanawha and Boone Counties, on February 23, 1867; Summers County, from parts of Greenbrier, Monroe, Mercer and Fayette Counties, on February 27, 1871; and Mingo County, from Logan County, on February 23, 1895.]

Powers of Government in Citizens

2. The powers of government reside in all the citizens of the State, and can be rightfully exercised only in accordance with their will and appointment.

Requisites of Citizenship

3. All persons residing in this State, born, or naturalized in the United States, and subject to the jurisdiction thereof, shall be citizens of this State.

Equal Representation

4. Every citizen shall be entitled to equal representation in the government, and, in all apportionments of representation, equality of numbers of those entitled thereto, shall as far as practicable, be preserved.

Provisions Regarding Property

5. No distinction shall be made between resident aliens and citizens as to the acquisition, tenure, disposition or descent of property.

Treason, What Constitutes—Penalty

6. Treason against the State shall consist only in levying war against it, or in adhering to its enemies, giving them aid and comfort. No person shall be convicted of treason, unless on the testimony of two witnesses to the same overt act,

or on confession in open court. Treason shall be punished according to the character of the acts committed, by the infliction of one, or more, of the penalties of death, imprisonment or fine, as may be prescribed by law.

"Montani Semper Liberi"—State Seal

7. The present seal of the State, with its motto "*Montani Semper Liberi*", shall be the great seal of the State of West Virginia, and shall be kept by the Secretary of State, to be used by him officially, as directed by law.

Writs, Commissions, Official Bonds—Indictments

8. Writs, grants and commissions, issued under the authority of this State, shall run in the name of, and official bonds shall be made payable to the State of West Virginia. Indictments shall conclude, "Against the peace and dignity of the State".

ARTICLE III

Bill of Rights

1. All men are, by nature, equally free and independent, and have certain inherent rights, of which, when they enter into a state of society, they cannot, by any compact, deprive or divest their posterity, namely: The enjoyment of life and liberty, with the means of acquiring and possessing property, and of pursuing and obtaining happiness and safety.

Magistrates Servants of People

2. All power is vested in, and consequently derived from, the people. Magistrates are their trustees and servants, and at all times amenable to them.

Rights Reserved to People

3. Government is instituted for the common benefit, protection and security of the people, nation or community. Of all its various forms, that is the best, which is capable of producing the greatest degree of happiness and safety, and is most effectually secured against the danger of maladministration; and when any government shall be found inadequate or contrary to these purposes, a majority of the community has an indubitable, inalienable and indefeasible right to reform, alter or abolish it in such manner as shall be judged most conducive to the public weal.

Writ of Habeas Corpus

4. The privilege of the writ of *habeas corpus* shall not be suspended. No person shall be held to answer for treason, felony or other crime, not cognizable by a justice, unless on presentment or indictment of a grand jury. No bill of attainder, *ex-post facto* law, or law impairing the obligation of a contract, shall be passed.

Excessive Bail Not Required

5. Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishment inflicted. Penalties shall be proportioned to the character and degree of the offense. No person shall be transported out of, or forced to leave the State for any offense committed within the same; nor shall any person, in any criminal case, be compelled to be a witness against himself, or be twice put in jeopardy of life or liberty for the same offense.

Unreasonable Search and Seizures Prohibited

6. The rights of the citizens to be secure in their houses, persons, papers and effects, against unreasonable searches and seizures, shall not be violated. No warrant shall issue except upon probable cause, supported by oath or affirmation, particularly describing the place to be searched, or the person or thing to be seized.

Freedom of Speech and Press Guaranteed

7. No law abridging the freedom of speech, or of the press, shall be passed; but the Legislature may, by suitable penalties, restrain the publication or sale of obscene books, papers, or pictures, and provide for the punishment of libel, and

defamation of character, and for the recovery, in civil actions, by the aggrieved party, of suitable damages for such libel, or defamation.

Relating to Civil Suits for Libel

8. In prosecutions and civil suits for libel, the truth may be given in evidence; and if it shall appear to the jury, that the matter charged as libelous is true, and was published with good motives, and for justifiable ends, the verdict shall be for the defendant.

Private Property, How Taken

9. Private property shall not be taken or damaged for public use, without just compensation; nor shall the same be taken by any company, incorporated for the purposes of internal improvement, until just compensation shall have been paid, or secured to be paid, to the owner; and when private property shall be taken, or damaged for public use, or for the use of such corporation, the compensation to the owner shall be ascertained in such manner as may be prescribed by general law: *Provided*, That when required by either of the parties, such compensation shall be ascertained by an impartial jury of twelve freeholders.

Safeguards for Life, Liberty and Property

10. No person shall be deprived of life, liberty, or property, without due process of law, and the judgment of his peers.

Political Tests Condemned

11. Political tests, requiring persons, as a prerequisite to the enjoyment of their civil and political rights, to purge themselves by their own oaths, of past alleged offenses, are repugnant to the principles of free government, and are cruel and oppressive. No religious or political test oath shall be required as a prerequisite or qualification to vote, serve as a juror, sit e. plead, appeal, or pursue any profession or employment. Nor shall any person be deprived by law, of any right, or privilege, because of any act done prior to the passage of such law.

Military Subordinate to Civil Power

12. Standing armies, in time of peace, should be avoided as dangerous to liberty. The military shall be subordinate to the civil power; and no citizen unless engaged in the military service of the State, shall be tried or punished by any military court for any offense that is cognizable by the civil courts of the State. No soldier shall, in time of peace, be quartered in any house, without the consent of the owner; nor in time of war, except in the manner to be prescribed by law.

Right of Jury Trial

13. In suits at common law, where the value in controversy exceeds twenty dollars exclusive of interest and costs, the right of trial by jury, if required by either party, shall be preserved; and in such suit before a justice a jury may consist of six persons. No fact tried by a jury shall be otherwise re-examined in any case than according to the rules of the common law.

[The amendment of this section was proposed by joint resolution of March 7, 1879, Acts 1879, p. 182, and adopted at the next election. Prior to being amended, the section read as follows: "In suits at common law, where the value in controversy, exclusive of interest and costs, exceeds twenty dollars, the right of trial by a jury of twelve men, if required by either party, shall be preserved; except that in appeals from judgments of justices, a jury of a less number may be authorized by law; but in trials of civil cases before a justice no jury shall be allowed and no fact tried by a jury shall in any case, be otherwise re-examined than according to the rules of common law."

The amendment as set forth above was proposed by joint resolution of March 7, 1879, and was adopted at the general election in 1880. Vote on the amendment: For ratification, 56,482; Against ratification, 34,073; Majority, 22,409. Acts 1879, page 182.]

In all such trials, the accused shall be fully and plainly informed of the character and cause of the accusation, and be confronted with the witness against him, and shall have the assistance of counsel, and a reasonable time to prepare for his defense; and there shall be awarded to him compulsory process for obtaining witnesses in his favor.

Religious Freedom Guaranteed

15. No man shall be compelled to frequent or support any religious worship, place or ministry whatsoever; nor shall any man be enforced, restrained, molested or burthened, in his body or goods, or otherwise suffer, on account of his religious opinions or belief, but all men shall be free to profess, and, by argument, to maintain their opinions in matters of religion; and the same shall, in no wise, affect, diminish or enlarge their civil capacities; and the Legislature shall not perscribe any religious test whatever, or confer any peculiar privileges or advantages on any sect or denomination, or pass any law requiring or authorizing any religious society, or the people of any district within this State, to levy on themselves, or others, any tax for the erection or repair of any house for public worship, or for the support of any church or ministry, but it shall be left free for every person to select his religious instructor, and to make for his support such private contracts as he shall please.

[This section was proposed by House Joint Resolution No. 2, Acts, Regular Session 1955, p. 571, and ratified at the General Election November 6, 1956. Vote on the amendment: For Ratification, 327,113; Against ratification, 202,002; Majority, 125,111.]

Voter Not Subject to Arrest on Civil Process

3. No voter, during the continuance of an election at which he is entitled to vote, or during the time necessary and convenient for going to and returning from the same, shall be subject to arrest upon civil process, or be compelled to attend any court, or judicial proceeding, as suitor, juror or witness; or to work upon the public roads; or, except in time of war or public danger, to render military service.

Persons Entitled to Hold Office—Age Requirements

4. No person, except citizens entitled to vote, shall be elected or appointed to any state, county or municipal office; but the Governor and Judges must have attained the age of thirty, and the Attorney General and Senators the age of twenty-five years, at the beginning of their respective terms of service; and must have been citizens of the State for five years next preceding their election or appointment, or be citizens at the time this Constitution goes into operation.

Oath or Affirmation to Support the Constitution

5. Every person elected or appointed to any office, before proceeding to exercise the authority, or discharge the duties thereof, shall make oath or affirmation that he will support the Constitution of the United States and the Constitution of this State, and that he will faithfully discharge the duties of his said office to the best of his skill and judgment; and no other oath, declaration, or test shall be required as a qualification, unless herein otherwise provided.

Provisions for Removal of Officials

6. All officers elected or appointed under this Constitution, may, unless in cases herein otherwise provided for, be removed from office for official misconduct, incompetence, neglect of duty, or gross immorality, in such manner as may be prescribed by general laws, and unless so removed they shall continue to discharge the duties of their respective offices until their successors are elected, or appointed and qualified.

Elections to fill vacancies, shall be for the unexpired term. When vacancies occur prior to any general election, they shall be filled by appointments, in such manner as may be prescribed herein, or by general law, which appointments shall expire at such time after the next general election as the person so elected to fill such vacancy shall be qualified.

[The amendment of this section was proposed by joint resolution of February 21, 1883, Acts 1883, p. 137, and ratified at the next election. The original section provided that the general election should be held on "the second Tuesday of October," and the change was made in order that the election of State officers would fall on the same day as the presidential election. As a consequential amendment the term of office of members of the Legislature was made to begin on the first day of December instead of the first day of November, as in the original article.]

Further Provisions Regarding State's Officers and Agents

8. The Legislature, in cases not provided for in this Constitution, shall prescribe, by general laws, the terms of office, powers, duties and compensation of all public officers and agents, and the manner in which they shall be elected, appointed and removed.

Impeachment of Officials

9. Any officer of the State may be impeached for maladministration, corruption, incompetency, gross immorality, neglect of duty, or any high crime or misdemeanor. The House of Delegates shall have the sole power of impeachment. The Senate shall have the sole power to try impeachments and no person shall be convicted without the concurrence of two thirds of the members elected thereto. When sitting as a court of impeachment, the President of the Supreme Court of Appeals, or, if from any cause it be improper for him to act, then any other judge of that court, to be designated by it, shall preside; and the Senators shall be on oath or affirmation, to do justice according to law and evidence. Any citizen of this State, who shall, after the adoption of this Constitution, either in, or out of the State fight a duel with deadly weapons, or send or accept a challenge so to do, or who shall act as a second or knowingly aid or assist in such duel, shall, ever thereafter, be incapable of holding any office of honor, trust or profit in this State.

Safeguards for Ballots

11. The Legislature shall prescribe the manner of conducting and making returns of elections, and of determining contested elections; and shall pass such laws as may be necessary and proper to prevent intimidation, disorder or violence at the polls, and corruption or fraud in voting, counting the vote, ascertaining or declaring the result, or fraud in any manner upon the ballot.

Registration Laws Provided For

12. The Legislature shall enact proper laws for the registration of all qualified voters of this State.

[The amendment of this section was proposed by joint resolution of February 22, 1901, Acts 1901, p. 472, and adopted at the next election. The original section read as follows: "No citizen shall ever be denied or refused the right or privilege of voting at an election, because his name is not, or has not been registered or listed as a qualified voter."]

ARTICLE V

Division of Powers

1. The Legislative, Executive and Judicial Departments shall be separate and distinct, so that neither shall exercise the powers properly belonging to either of the others; nor shall any person exercise the powers of more than one of them at the same time, except that justices of the peace shall be eligible to the Legislature.

ARTICLE VI

Legislature

1. The legislative power shall be vested in a Senate and House of Delegates. The style of their Acts shall be, "Be it enacted by the Legislature of West Virginia."

Composition of Senate and House of Delegates

2. The Senate shall be composed of twenty-four, and the House of Delegates of sixty-five members subject to be increased according to the provisions hereinafter contained.

[The Senate is now composed of thirty-two, and the House of Delegates of one hundred members.]

Senators and Delegates—Term of Office

3. Senators shall be elected for the term of four years, and Delegates for the term of two years. The Senators first elected, shall divide themselves into two classes, one Senator from every district being assigned to each class; and of these classes, the first to be designated by lot in such manner as the Senate may determine, shall hold their seats for two years and the second for four years, so that after the first election, one half of the Senators shall be elected biennially.

Division of State Into Senatorial Districts

4. For the election of Senators, the State shall be divided into twelve Senatorial districts, which number shall not be diminished, but may be increased as hereinafter provided. Every district shall elect two Senators, but, where the district is composed of more than one county, both shall not be chosen from the same county. The districts shall be compact, formed of contiguous territory, bounded by county lines, and, as nearly as practicable, equal in population, to be ascertained by the census of the United States. After every such census, the Legislature shall alter the Senatorial Districts, so far as may be necessary to make them conform to the foregoing provision.

[There are now sixteen senatorial districts, as provided by Acts of 1937, ch. 128.]

Senatorial Districts Designated

5. Until the Senatorial Districts shall be altered by the Legislature as herein prescribed, the counties of Hancock, Brooke and Ohio, shall constitute the first Senatorial District; Marshall, Wetzel and Marion, the second; Ritchie, Doddridge, Harrison, Gilmer and Calhoun, the third; Tyler, Pleasants, Wood and Wirt, the fourth; Jackson, Mason, Putnam and Roane, the fifth; Kanawha, Clay, Nicholas, Braxton and Webster, the sixth; Cabell, Wayne, Lincoln, Boone, Logan, Wyoming, McDowell and Mercer, the seventh; Monroe, Greenbrier, Summers, Pocahontas, Fayette and Raleigh, the eighth; Lewis, Randolph, Upshur, Barbour, Taylor and Tucker, the ninth; Preston and Monongalia, the tenth; Hampshire, Mineral, Hardy, Grant and Pendleton, the eleventh, Berkeley, Morgan and Jefferson, the twelfth.

[By the provisions of the reapportionment act of 1937, (Acts 1937, ch. 128) the number of Senatorial Districts was increased to sixteen, the number of Senators to thirty-two, and the counties rearranged in the various districts.]

Provision for Delegate Representation

6. For the election of Delegates, every county containing a population of less than three fifths of the ratio of representation for the House of Delegates, shall at each apportionment, be attached to some contiguous county or counties, to form a delegate District.

[By the provisions of the Acts of 1901, ch. 10, the House of Delegates consisted of eighty-six members, each county having at least one member. From 1916 to 1952, the House of Delegates consisted of ninety-four members. The House of Delegates now consists of one hundred members. See ch. 166, p. 666, Acts of the Legislature, 1951, Regular Session.]

After Census, Delegate Apportionment

7. After every census the Delegates shall be apportioned as follows: The ratio of representation for the House of Delegates shall be ascertained by dividing the whole population of the State by the number of which the House is to consist and rejecting the fraction of a unit, if any, resulting from such division. Dividing the population of every delegate District, and of every county not in-

cluded in a Delegate District, by the ratio thus ascertained, there shall be assigned to each a number of Delegates equal to the quotient obtained by this division, excluding the fractional remainder. The additional Delegates necessary to make up the number of which the House is to consist, shall then be assigned to those Delegate Districts, and counties not included in a Delegate District, which would otherwise have the largest fractions unrepresented; but every Delegate District and county not included in a Delegate District, shall be entitled to at least one Delegate.

Designation of Delegate Districts

8. Until a new apportionment shall be declared, the counties of Pleasants and Wood shall form the first Delegate District, and elect three Delegates; Ritchie and Calhoun, the second, and elect two Delegates; Barbour, Harrison and Taylor the third, and elect one Delegate; Randolph and Tucker, the fourth, and elect one Delegate; Nicholas, Clay and Webster, the fifth, and elect one Delegate; McDowell and Wyoming, the sixth, and elect one Delegate.

[There are now no Delegate Districts, each county having at least one member.]

Further Apportionments

9. Until a new apportionment shall be declared, the apportionment of Delegates to the counties not included in Delegate Districts, and to Barbour, Harrison and Taylor counties, embraced in such district, shall be as follows:

To Barbour, Boone, Braxton, Brooke, Cabell, Doddridge, Fayette, Hampshire, Hancock, Jackson, Lewis, Logan, Greenbrier, Monroe, Mercer, Mineral, Morgan, Grant, Hardy, Lincoln, Pendleton, Putnam, Roane, Gilmer, Taylor, Tyler, Upshur, Wayne, Wetzell, Wirt, Pocahontas, Summers and Raleigh counties one Delegate each.

To Berkeley, Harrison, Jefferson, Marion, Marshall, Mason, Monongalia and Preston counties, two Delegates each.

To Kanawha County, three Delegates.

To Ohio County, four Delegates.

[Many changes have been made in this apportionment. Kanawha County, the largest in population, now has eleven delegates. For the present apportionment, see chapter 166, Acts of the Legislature, 1951, Regular Session.]

Arrangement of Senatorial and Delegate Districts

10. The arrangement of the Senatorial and Delegate Districts, and apportionment of Delegates, shall hereafter be declared by law, as soon as possible after each succeeding census, taken by authority of the United States. When so declared they shall apply to the first general election for members of the Legislature, to be thereafter held, and shall continue in force unchanged, until such Districts shall be altered, and Delegates apportioned, under the succeeding census.

Additional Territory May Be Admitted Into State

11. Additional territory may be admitted into, and become part of this State, with the consent of the Legislature and a majority of the qualified voters of the State, voting on the question. And in such case provision shall be made by law for the representation thereof in the Senate and House of Delegates, in conformity with the principles set forth in this Constitution. And the number of members of which each house of the Legislature is to consist, shall thereafter be increased by the representation assigned to such additional territory.

Senators and Delegates Required to Be Residents of District

12. No person shall be a Senator or Delegate who has not for one year next preceding his election, been a resident within the District or County from which he is elected; and if a Senator or Delegate remove from the District or County for which he was elected, his seat shall be thereby vacated.

Eligibility to Seat in Legislature

13. No person holding a lucrative office under this State, the United States, or any foreign government; no member of Congress; no person who is a salaried

officer of any railroad company, or who is sheriff, constable, or clerk of any court of record, shall be eligible to a seat in the Legislature.

Bribery Conviction Forfeits Eligibility

14. No person who has been, or hereafter shall be convicted of bribery, perjury, or other infamous crime, shall be eligible to a seat in the Legislature. No person who may have collected or been entrusted with public money, whether State, county, township, district, or other municipal organization, shall be eligible to the Legislature, or to any office of honor, trust, or profit in this State, until he shall have duly accounted for and paid over such money according to law.

Senators and Delegates Not to Hold Civil Office for Profit

15. No Senator or Delegate, during the term for which he shall have been elected, shall be elected or appointed to any civil office of profit under this State, which has been created, or the emoluments of which have been increased during such term, except offices to be filled by election by the people. Nor shall any member of the Legislature be interested, directly or indirectly, in any contract with the State, or any county thereof, authorized by any law passed during the term for which he shall have been elected.

Oath of Senators and Delegates

16. Members of the Legislature, before they enter upon their duties, shall take and subscribe the following oath or affirmation: "I do solemnly swear (or affirm) that I will support the Constitution of the United States, and the Constitution of the State of West Virginia, and faithfully discharge the duties of Senator (or Delegate) according to the best of my ability"; and they shall also take this further oath, to wit: "I will not accept or receive, directly or indirectly, any money or other valuable thing, from any corporation, company, or person for any vote or influence I may give or withhold, as Senator (or Delegate), on any bill, resolution, or appropriation, or for any act I may do or perform as Senator (or Delegate)." These oaths shall be administered in the hall of the house to which the member is elected, by a Judge of the Supreme Court of Appeals, or of a Circuit Court, or by any other person authorized by law to administer an oath; and the Secretary of State shall record and file said oaths subscribed by each member; and no other oath or declaration shall be required as a qualification. Any member who shall refuse to take the oath herein prescribed, shall forfeit his seat; and any member who shall be convicted of having violated the oath last above required to be taken, shall forfeit his seat and be disqualified thereafter from holding any office of profit or trust in this State.

Members of Legislature Privileged from Civil Arrest

17. Members of the Legislature shall, in all cases except treason, felony, and breach of the peace, be privileged from arrest during the session, and for ten days before and after the same; and for words spoken in debate, or any report, motion or proposition made in either house, a member shall not be questioned in any other place.

***Time of Assembly of Legislature**

Regular sessions of the Legislature shall commence on the second Wednesday of January of each year. Notwithstanding any other provisions of the Constitution, the board of public works

*[This section originally read as follows: "No session of the Legislature, after the first, shall continue longer than forty-five days, without the concurrence of two thirds of the members elected to each house."

Under Senate Joint Resolution No. 3, adopted February 12, 1919 (acts 1919, p. 498), and ratified at the general election in November, 1920, it was amended to read: "All sessions of the Legislature, other than extraordinary sessions, shall continue in session for a period not exceeding fifteen days, from date of convening, during which time no bills shall be passed or rejected, unless the same shall be necessary to provide for a public emergency, shall be specially recommended by the Governor and passed by a vote of four fifths of the members elected to each house; whereupon, a recess of both houses must be taken until the Wednesday after the second Monday of March following. 24. A majority of the members elected to each house of the Legislature shall constitute a quorum. But a smaller number may adjourn from day to day, and shall be authorized to compel the attendance of absent members, as each house may provide. Each house shall determine the rules of its proceedings and be the judge of the elections, returns and qualifications of its own members. The Senate shall choose, from its own body, a President; and the House of Delegates, from its own body, a Speaker. Each house shall appoint its own officers, and remove them at pleasure. The oldest Delegate present shall call the House to order at the opening of each new House of Delegates, and preside over it until the Speaker thereof shall have been chosen and has taken his seat. The oldest member of the Senate present at the commencement of each regular session thereof shall call the Senate to order, and preside over the same until a President of the Senate shall have been chosen and has taken his seat.

Authority to Punish Members

25. Each house may punish its own members for disorderly behavior, and with the concurrence of two thirds of the members elected thereto, expel a member but not twice for the same offense.

Provisions for Undisturbed Transaction of Business

26. Each house shall have power to provide for its own safety and the undisturbed transaction of its business, and may punish, by imprisonment, any person not a member, for disrespectful behavior in its presence; for obstructing any of its proceedings, or any of its officers in the discharge of his duties, or for any assault, threat or abuse of a member, for words spoken in debate. But such imprisonment shall not extend beyond the termination of the session, and shall not prevent the punishment of any offense, by the ordinary course of law.

Accounting for State Monies

27. Laws shall be enacted and enforced, by suitable provisions and penalties, requiring sheriffs, and all other officers, whether State, county, district or municipal, who shall collect or receive, or whose official duty it is, or shall be, to collect, receive, hold or pay out any money belonging to, or which is, or shall be, for the use of the State or of any county, district, or municipal corporation, to make annual account and settlement therefor. Such settlement, when made, shall be subject to exceptions, and take such direction, and have only such force and effect, as may be provided by law; but in all cases such settlement shall be recorded, and be open to the examination of the people at such convenient place or places as may be appointed by law.

Origination of Bills

28. Bills and resolutions may originate in either house, but may be passed, amended or rejected by the other.

Requirement for Reading of Bills

29. No bill shall become a law until it has been fully and distinctly read, on three different days, in each house, unless in case of urgency, by a vote of four fifths of the members present, taken by yeas and nays on each bill, this rule may be dispensed with: *Provided*, in all cases, that an engrossed bill shall be fully and distinctly read in each house.

Acts to Embrace But One Object—Time of Effect

30. No act hereafter passed shall embrace more than one object, and that shall be expressed in the title. But if any object shall be embraced in an act which is not so expressed, the act shall be void only as to so much thereof as shall not be so expressed, and no law shall be revived, or amended, by reference to its title only; but the law revived, or the section amended, shall be inserted at large, in the new act. And no act of the Legislature, except such as may be passed at the first session under the Constitution, shall take

effect until the expiration of ninety days after its passage, unless the Legislature shall by a vote of two thirds of the members elected to each house, taken by yeas and nays, otherwise direct.

How Bills May Be Amended

31. When a bill or joint resolution, passed by one house, shall be amended by the other, the question on agreeing to the bill, or joint resolution, as amended, shall be again voted on, by yeas and nays, in the house by which it was originally passed, and the result entered upon its journals; in all such cases, the affirmative vote of a majority of all the members elected to such house shall be necessary.

"Majority" Defined

32. Whenever the words, "a majority of the members elected to either House of the Legislature", or words of like import, are used in this Constitution, they shall be construed to mean a majority of the whole number of members to which each house is, at the time, entitled, under the apportionment of representation, established by the provisions of this Constitution.

*Compensation of Members

33. Each member of the Legislature shall receive for his services the sum of one thousand five hundred dollars a year, and expenses for one round trip in connection with any session, at the rate of ten cents a mile traveled in going to and returning from the seat of government by the most direct route: *Provided*, That if party caucuses are held in advance of the date of the assembly of the Legislature in odd-numbered years for the purpose of selecting candidates for officers of the two houses, expenses for travel at the rate herein fixed shall be allowed each member for one round trip in connection with attending such caucus. The Speaker of the House of Delegates and the President of the Senate shall each receive an additional compensation of five dollars a day for each day served as presiding officer. No other allowance or emolument than that by this section provided shall directly or indirectly be made or paid to the members of either house for postage, stationery, newspapers, or any other purpose whatever. Notwithstanding any other provision of the Constitution, the compensation herein provided for shall be paid to each member of the Legislature on and after the adoption of this amendment.

Distribution of Laws and Journals Provided for—Contracts for Printing

34. The Legislature shall provide by law that the fuel, stationery and printing paper, furnished for the use of the State; the copying, printing, binding and distributing the laws and journals; and all other printing ordered by the Legislature, shall be let by contract to the lowest responsible bidder, bidding under a maximum price to be fixed by the Legislature; and no member or officer thereof, or officer of the State, shall be interested, directly or indirectly, in such contract, but all such contracts shall be subject to the approval of the Governor, and in case of his disapproval of any such contract, there shall be a reletting of the same in such manner as may be prescribed by law.

First: Within ten days after the convening of the Legislature, unless such time shall be extended by the Legislature for the sessions at which the budget is to be submitted, the board of public works, which shall consist of the Governor, Secretary of State, Auditor, Treasurer, Attorney General, Superintendent of Free Schools and Commissioner of Agriculture, shall submit to the Legislature, *two budgets, one for each of the ensuing fiscal years: Each budget shall contain a complete plan of proposed expenditures and estimated revenues for the particular fiscal year to which it relates; and shall show the estimated surplus or deficit of revenues at the end of such year. Accompanying each budget shall be a statement showing: (1) The revenues and expenditures for each of the two fiscal years next preceding; (2) the current assets, liabilities, reserves and surplus or deficit of the State; (3) the debts and funds of the State; (4) an estimate of the State's financial condition as of the beginning and end of each of the fiscal years covered by the two budgets above provided; (5) any explanation the board of public works may desire to make as to the important features of any budget and any suggestion as to methods for the reduction or increase of the State's revenue.

Second: Each budget shall be divided into two parts, and the first part shall be designated "Governmental Appropriations" and shall embrace an itemized estimate of the appropriations: (1) For the Legislature as certified to the board of public works in the manner hereinafter provided; (2) for the executive department; (3) for the judiciary department, as provided by law, certified to the Governor by the Auditor; (4) to pay and discharge the principal and interest of any debt of the State of West Virginia hereafter created in conformity with the Constitution and all laws enacted in pursuance thereof; (5) for the salaries payable by the State under the Constitution and laws of the State; (6) for the aid of public schools in conformity with the laws of the State; (7) for such other purposes as are set forth in the Constitution and laws made in pursuance thereof.

Third: The second part shall be designated "General Appropriations", and shall include all other estimates of appropriations.

The board of public works shall deliver to the presiding officer of each house the budgets and a bill for all the proposed appropriations of the budgets clearly itemized and classified; and the presiding officer of each house shall promptly cause said bill to be introduced therein, and such bill shall be known as the "Budget Bill". The board of public works may, before final action thereon by the Legislature, amend or supplement either of said budgets to correct an oversight or in case of an emergency, with the consent of the Legislature by delivering such an amendment or supplement to the presiding officer of both houses; and such amendment or supplement shall thereby become a part of said budget bill as an addition to the items of said bill or as a modification of or a substitute for any item of said bill such amendment or supplement may affect.

The Legislature shall not amend the budget bill so as to create a deficit but may amend the bill by increasing or diminishing the items therein relating to the Legislature, and by increasing the items therein relating to the judiciary, but except as hereinbefore specified, may not alter the said bill except to strike out or reduce items therein: *Provided, however,* That the salary or compensation of any public officer shall not be increased or diminished during his term of office; and such bill when and as passed by both houses shall be a law immediately without further action by the Governor.

Each supplementary appropriation bill shall be presented to the Governor of the State as provided in section fourteen of article seven of the Constitution and thereafter all the provisions of said section shall apply.

Nothing in this amendment shall be construed as preventing the Legislature from passing in time of war an appropriation bill to provide for the payment of any obligation of the State of West Virginia within the protection of section ten of article one of the Constitution of the United States.

Sub-Section D—General Provisions

First: If the "Budget Bill" shall not have been finally acted upon by the Legislature three days before the expiration of its regular session, the Governor may, and it shall be his duty to issue a proclamation extending the session for such further period as may, in his judgment, be necessary for the passage of such bill; but no other matter than such bill shall be considered during such extended session except a provision for the cost thereof.

Second: The board of public works for the purpose of making up its budgets shall have the power, and it shall be its duty, to require from the proper State officials, including herein all executive departments, all executive and administrative officers, bureaus, boards, commissions and agencies expending or supervising the expenditure of, and all institutions applying for state monies and appropriations, such itemized estimates and other information, in such form and at such times as said board shall direct. After such public hearings it may, in its discretion, revise all estimates except those for the legislative and judiciary departments, and for the public schools as provided by law.

Third: The Legislature may, from time to time, enact such laws, not inconsistent with this section, as may be necessary and proper to carry out its provisions.

Fourth: In the event of any inconsistency between any of the provisions of this section and any of the other provisions of the Constitution, except amendments thereto heretofore made and ratified by the people, the provisions of this section shall prevail. But nothing herein shall be construed as preventing the Governor

[This section—added to Article VI—was authorized to be submitted by Senate Joint Resolution No. 1, adopted May 23, 1917 (Acts 1917, p. 69, ex. sess.) and was ratified by a vote of the people at the general election held on the fifth day of November, 1918, as an amendment to the Constitution known as "The Budget Amendment." Under Senate Joint Resolution No. 1 (Acts, Regular Session, 1957, p. 837), and ratified at the general election November 4, 1958, the section was again amended to read as given in the text. Vote on the amendment: For ratification, 230,879; Against ratification, 206,201; Majority, 24,678.]

Such a bonus shall also be paid to any disabled veteran, otherwise qualified, who was discharged within ninety days after entering the services because of a service-connected disability. The amount of such bonus shall be calculated on the basis of ten dollars for each month, or major fraction thereof, served within the territorial limits of the forty-eight states and the District of Columbia, and fifteen dollars for each month, or major fraction thereof, served outside such limits, but such amount shall in no case exceed three hundred dollars for those who served only within the territorial limits specified above, and four hundred dollars for those who served outside such limits. (2) The funding or refunding of all or any part of the bonds heretofore issued pursuant to said veterans bonus amendment of one thousand nine hundred fifty. Said bonds issued pursuant to said veterans bonus amendment of one thousand nine hundred fifty, may be so funded or refunded either on the maturity date of said bonds or on any date on which said bonds are callable prior to maturity, and if any of said bonds have not matured or are not then callable prior to maturity, the Legislature may nevertheless provide at any time for the issuance of refunding bonds to fund or refund such bonds on the dates when said bonds mature or on any date on which said bonds are callable prior to maturity, and for the investment or reinvestment of the proceeds of such refunding bonds in direct obligations of the United States of America until the date or dates upon which such bonds issued pursuant to said veterans bonus amendment of one thousand nine hundred fifty mature or are callable prior to maturity.

payment of the principal of and interest on such bonds until such principal of and interest on such bonds is finally paid and discharged, and any of the covenants, agreements or provisions in the acts of the Legislature levying such taxes or charges shall be enforceable in any court of competent jurisdiction by any of the holders of said bonds. U. S. ARMY ENGINEER DISTRICT, HUNTINGTON CORPS OF ENGINEERS

502 Eighth Street, Huntington 1, West Virginia

The U. S. Army Engineer District, Huntington, West Virginia, Corps of Engineers, has a two-fold mission in the State of West Virginia, including civil works and military construction responsibility.

Congress has delegated to the Corps of Engineers responsibility for the development, construction, operation and maintenance of navigation facilities, flood control structures, and related improvements.

The Civil Works Program of the Corps of Engineers is divided on the basis of watershed drainage areas. The Ohio River drainage basin includes all of West Virginia except the eastern Panhandle, which is in the Potomac River Basin. The Huntington District of the Ohio River Division encompasses that part of the Ohio River Basin in West Virginia downstream from Capatina in Marshall County. The Pittsburgh District encompasses the upstream remainder of the Ohio River Basin including the Basin of the Monongahela River. The Potomac River Basin is included in the Washington District of the North Atlantic Division.

Nineteen of the forty-six navigation dams on the Ohio River border the State of West Virginia. Extensions of the Ohio River Navigation system include three high lift dams on the Kanawha River and four navigation structures on the Monongahela River.

Improvement of the navigation facilities includes construction of modern high lift structures to replace existing obsolete dams.

Those navigation structures now under construction on the Ohio River are: Greenup Locks and Dam, Greenup, Kentucky, which will replace existing Locks and Dams 27, 28, 29 and 30; New Cumberland Locks and Dam, New Cumberland, West Virginia, which will replace existing Locks and Dams 7, 8, and 9; Pike Is-

land Locks and Dam, Wheeling, West Virginia, which will replace existing Locks and Dams 10 and 11; Markland Locks and Dam, Markland, Indiana, which will replace existing Locks and Dams 35, 36, 37, 38 and 39; and Captain Anthony Meldahl Locks and Dam, Chilo, Ohio, which will replace existing Locks and Dams 31, 32, 33 and 34. Reconstruction of the locks is now under way for the improvement of Locks and Dam 41, Louisville, Kentucky. West Virginia will benefit from the construction of these modern navigation improvements on the Ohio River. Construction of Hildebrand Locks and Dam on the Monongahela River is completed as is the raising of Dam 8.

Flood control reservoirs within the State constructed by the Corps of Engineers are Bluestone Reservoir on New River near Hinton, and Tygart Reservoir on Tygart River near Grafton. Sutton Dam and Reservoir on the Elk River near Sutton, is virtually complete, and Summersville Dam and Reservoir on Gauley River is under construction.

Floodwalls completed by the Corps of Engineers in West Virginia, are located at Parkersburg, Point Pleasant, Huntington, Ceredo-Kenova and Elkins. An additional floodwall is under construction at the present for the protection of Ridgeley, West Virginia, and Cumberland, Maryland, on the North Branch of the Potomac. It is planned to award a contract for the construction of a local protection project at Williamson, West Virginia, on Tug Fork, late in the summer of 1960. A channel improvement project has been initiated on Brush Creek at Princeton, West Virginia, and a similar one is in the pre-construction stage on Meadow River at East Rainelle. Several completed channel improvement projects have reduced or alleviated flood damage along the smaller tributaries of the main rivers within the State.

UNITED STATES MARINE CORPS

United States Marine Corps activities in West Virginia include five organized reserve companies with a total authorized strength of 899 officers and men, and a regular Marine Corps recruiting station in South Charleston with sub-offices located in nine major West Virginia cities.

All of the state's present Marine reserve units were organized during and after the Korean conflict. There were two Marine Reserve companies in the

state prior to Korea. Both were activated after hostilities broke out there in June 1950.

Each reserve unit has a staff of regular Marine officers and enlisted men to instruct, support, and advise. This staff is called the Inspector-Instructor staff.

Marine reserve units are an active part in any community. They are always ready for parades, color guards, funeral details, and other civic functions where military personnel can be of service.

The annual "Toys for Tots" campaign is one of the proudest achievements of each Reserve unit. The Marine reserves collect, repair and distribute toys to thousands of children in West Virginia, and the total for the nation last year was in excess of 5,000,000 toys.

FEDERAL REFORMATORY FOR WOMEN

Alderson

Warden: Nina Kinsella

Associate Warden: Eleanor H. Holleran

Business Manager: Kelcy E. Garner

Superintendent of Industries: Virginia W. McLaughlin

The Federal Reformatory for Women is situated in the foothills of the Allegheny Mountains in Summers and Monroe Counties. It was established by Act of Congress June 7, 1924, and the buildings and grounds have a value in excess of \$2,000,000. It was designed to take care of all women Federal sentenced prisoners in the United States and the insular possessions and has a capacity of 600. There are fifteen buildings housing inmates, a hospital, administration building, a garment factory, laundry, vocational shops building, school building and auditorium, home economics department, cannery, storehouse, shops and an extensive farm with modern dairy and truck gardens. The Enabling Act specified that each inmate should be given training that would fit her to be self-supporting on her return to society, and the entire program of the institution is based upon this plan for rehabilitation. An intelligent and sincere attempt is made to supplant the old-time theory of punishment with a program of cleanli-

ness, industry and education in citizenship. Classification and casework are highly developed to provide for adequate training within the institution and proper placement in jobs after release.

GOVERNOR'S COMMITTEE

On Employment of the Physically Handicapped

Office of Executive Secretary, Room 615, State Office Building

112 California Avenue, Charleston 5

The Governor's Committee is affiliated with the President's Committee on Employment of the Physically Handicapped, and promotes programs in the interest of handicapped persons seeking employment opportunities within the state.

Federal, State and private agencies, whose activities are coordinated in serving handicapped persons and disabled veterans, cooperate fully in effecting programs such as "National Employ the Physically Handicapped Week," High School Essay Contests (pertaining to the handicapped); Awards of Merit and Outstanding Service; Physicians' awards; Handicapped Employer Awards, high school poster contests; and community planning for handicapped groups.

Participating actively are the following agencies: Veterans Administration, Department of Veterans Affairs, organized labor, Division Vocational Rehabilitation, Department Employment Security, State Executive Department, veterans organizations, and the Veterans Employment Service.

The Committee Chairman serves at the will and pleasure of the Governor, Individual members recommended by local community committees are either reappointed or newly appointed each year by the Chief Executive.

West Virginia has one of the largest state committees in the nation and its members are representative of Federal, State and municipal government, industry, labor, civic, veterans, fraternal, medical, ministerial, women, and other groups throughout the state.

The committee is a non-dues paying organization and at times when finances are necessary for contest prizes the required amounts are secured from generous employers who have been responsible for so many successful programs.

Congress has determined that the first full week in each October shall be observed as "National Employ the Physically Handicapped Week" throughout the Nation. This week's observance is intended to be a reminder to those employers who remain reluctant in employing handicapped workers. National, state and local media of press, radio and television have carried the message of the handicapped in an excellent coverage of the various programs.

WEST VIRGINIA CHILDREN'S HOME

Elkins

Superintendent: Guy H. Bambrick. Financial Secretary: Betty Lou Bambrick. Children: 53.

The West Virginia Children's Home, located in Elkins, was established by an act of the Legislature in 1899 and formally opened in 1911. In 1935 an additional unit was built to the two-story brick structure located on the 20-acre tract of land, located on Heavner Avenue. The purpose of the Home is to provide for orphaned and neglected children, between the ages of 6 to 14 years, although they can remain here until they are 21 years of age. Children are admitted to the Home either by a Court order or the Department of Public Assistance to be kept, maintained, educated and trained until they can return to their former homes or placed in foster homes. In addition to the 20 acres of the Home campus, the institution owns 10 acres of farm land located on Leading Creek and 117 acres, known as the Darby Memorial Farm, situated at the head of Woolwine Hollow. This acreage furnishes vegetables and grazing for beef cattle and grain for hogs. At the present time a two-room school is operated on the Home Campus by the Board of Education where the children attend until they complete the 7th grade, then they complete their education in the Junior and Senior High School in the city of Elkins. The Home provides all school supplies and other educational aids in keeping with the best educational standards. Religious training is provided by the local churches, and the children attend Church and Sunday school of their choice. They also take part in the various Youth activities provided by the local churches. The boys and girls belong to the Girl Scouts, Boy Scouts, and Cub Scouts, which provides many activities the year around. The Home Campus is provided with modern playground equipment, including an open air swimming pool.

WEST VIRGINIA TRAINING SCHOOL

St. Marys

Superintendent: Colin A. Anderson, M.D. Resident Children: 400.

The West Virginia Training School is located three miles north of St. Marys on State Route 2. It was established in 1921 by an act of the Legislature. The property consists of 694 acres, part of which is under cultivation. The school is operated for the purpose of providing complete care for the mentally deficient and retarded child. Medical and psychiatric care is offered along with training in the school room. Classes of an educational and vocational nature are held regularly. A new Home Economics Classroom has recently been opened where girls receive full-time instruction in running a normal house. It is recognized that some children will continue to need the protection of a structured environment indefinitely. This is true not because they are "hopeless" or "useless", but because their potential abilities can be utilized and recognized only by those specially trained to understand their problems. Located on these grounds are an Administration Building, a Children's Cottage Ward, one large Dormitory Building and a Staff Apartment Building of twenty-seven rooms. It has a staff of 120 people. A complete new water system has been installed.

CORRECTIONAL

WEST VIRGINIA FORESTRY CAMP FOR BOYS

Davis

*Superintendent: Alex Joe Parks, Jr. Financial Secretary: Mrs. Ruth Deahl.
Enrollment: 86.*

The West Virginia Forestry Camp for Boys is located at Davis, Tucker County, one mile west of Route 32. It was authorized by an act of the Legislature in 1955 and established in 1956. It houses youthful male offenders between the ages of sixteen and twenty-one who have been convicted of or pleaded guilty to a criminal offense, other than a capital offense, and who in the opinion of the committing court, is amenable to discipline other than in close confinement. It is strictly an honor camp and offers a work program of outdoor activity conducted in cooperation with the West Virginia Conservation Commission in the upkeep and general maintenance of the Blackwater Falls State Park.

The Camp consists of four frame buildings, two occupied by resident supervisors, one serves as an office and one as a shower room. There are five steel clad frame army type buildings which include two dormitories, a commissary, a kitchen and dining hall and a laundry. The foundation is laid for another building to be used as a combination doctor and dentist office and class room. The erection will be completed as soon as weather conditions permit. In the summer of 1959 the Camp area and Basketball Court were black topped.

A movie projector is provided for showing 16 MM films each week and on all holidays. These are shown in the dining room where church services are held each Sunday morning. There is a physical education director and a psychology instructor in charge of education, which offers limited rehabilitation along these lines.

WEST VIRGINIA INDUSTRIAL HOME FOR GIRLS

Industrial

Superintendent: Emma Houchins. Business Manager: Elizabeth Allen. Capacity: 200. Enrollment: 151.

West Virginia Industrial Home for Girls is located one mile west of Salem, on U. S. Route 50. It was established by an act of the Legislature on February 18, 1897, and formally opened May 5, 1899. It is built on a 72-acre tract of which 38 acres were donated by the citizens of Salem.

From Jones Cottage, the first building, the plant has grown to include the following: Silver Hall Cottage in 1914; Sutton Cottage in 1928; Ava Stanard Cottage in 1942; McCullough Cottage built in 1905, is being replaced by a new modern cottage which will house fifty girls when completed. The Administration Building also built in 1942, includes offices and visiting rooms on the first floor. Living quarters for the Superintendent, Business Manager and Social Worker, together with guest suite comprise the second floor. The plant also includes the school building erected in 1915, which is called the Johnston School, with a very modern gymnasium completed in 1951. A large four-temperature storage building was completed in 1953. The Home also has its own clinic.

The girls receive standard elementary and accredited first class high school training in the very fine and well planned school program. Classes are offered from the first grade through the twelfth grade. The school is under the close supervision of the State Department of Education. The high school has operated as a first class high school since 1937. Some of the courses offered are food, clothing, nutrition, home planning, English, journalism, library training, mathematics, business training, art, music, physical education, history, civics, sociology, biology and geography. To date 307 girls have been graduated from high school and 749 from eighth grade. The school building includes a well equipped practice kitchen. A Hot-lunch Program under the direction of the Home Economics Department at the school was instituted in September 1958. The school affords a year-round recreational program (softball, badminton, shuffle board, roller skating, basketball, ballet dancing, etc.) All girls are members of the Harrison County Junior Red Cross Chapter. They take an active part in making many things such as tray mats, stuffed animals and dolls, tray favors, water glass collars, Christmas baskets, etc., to be sent to Veterans Hospitals, orphanages, overseas and homes for the aged. The school also has a well stocked library, auditorium with seating capacity of 270, and a movie projector for showing 16 MM films, film strip projector and screen.

The girls receive domestic training by actual practice in the cottages where they live. They also receive religious training with chapel services conducted by a minister each Sunday. A program of rehabilitation is being carried out through the carefully planned work of the school, the dormitories in which the girls live, and the administration of the institution.

WEST VIRGINIA INDUSTRIAL SCHOOL FOR BOYS**Grafton**

Superintendent: Richard L. Young. Business Manager: E. L. Frum. Enrollment: 273.

The West Virginia Industrial School for Boys is located at Pruntytown, three miles west of Grafton on U. S. Route 50. It was established by an Act of the Legislature in 1889 and formally opened July 21, 1891. In addition to the principal buildings, which are located on the main campus consisting of approximately 55 acres, the school owns and operates a farm of approximately 1,900 acres on which are located a considerable number of farm buildings. The boys work on the farm during the farming season at which time emphasis is placed on the training value of such a program, directed toward improving work habits and maintaining discipline standards. At the present time, a new dairy herd has been established and a modern pasteurization plant has been installed for processing dairy products. The school also has an approved herd of Hereford beef cattle, as well as a hog farm and poultry farm.

The school is now in the process of setting up a vocational rehabilitation training program. Due to a recent increase in budget funds the school will be able to provide four certified vocational instructors for full time vocational instruction in the fields of industrial arts, printing, simple mechanics, welding and plumbing. In addition to this, there are training units in shoe repairing and baking. The school also maintains the following units in which the boys receive a certain amount of training: Painting, plumbing, printing, laundering, woodwork, canning, auto mechanics and carpentry. The academic school is operated on approved state standards and contains grades one through ten. In compliance with the state law, those under sixteen years of age are required to attend academic school for a term of nine months each year. A well planned recreation and physical education program operates under the supervision of competent men. Football, basketball (indoor and outdoor), baseball, softball, volleyball and horseshoe pitching form the backbone of this program.

A Social Service Department classifies each boy upon his reception, presents him for parole and/or discharge at the proper time and maintains liaison between County and State Authorities. In most instances, the boys are placed in cottages according to their age or size or both. An Honor System has been established as a stimulant to good behavior and achievement for the boys and it is working well. There is a 4-H Club and arrangements have made it possible for the forming of a Boy Scout Troop. A Drum and Bugle Corps, consisting of approximately 40 boys, is in operation and appears at many parades and festivals throughout the year. A full-time Chaplain, especially trained for this work, offers instruction in religious education in the academic school and holds weekly religious services for the boys.

PENAL

WEST VIRGINIA PENITENTIARY

Moundsville

Warden: D. E. Adams. Business Manager: John Rector.

As of January 1, 1960, the inmate population of the West Virginia Penitentiary was 1,806. There are 140 inmates housed at Camp Fairchance which is near the institution on the institution farm. These men are employed in the operation of the farm, mine, rock quarry, etc.

There are 388 inmates employed in Industry producing paint, tobacco, soap, clothing, license plates, mattresses and the print shop.

At the present time, a tire recapping plant is being installed. The primary purpose of this plant is to train men to make a livelihood when they leave the institution. In addition, it will help to reduce idleness and produce recapped tires for the state, county and city governments at lower cost.

All the commodities manufactured at the institution are for sale to state agencies, county and city governments. Prison produced goods are never sold on the open market, nor out of the state.

In 1959, the prison farm produced 53,000 gallons of canned vegetables. In addition, the farm produces fresh vegetables for immediate use.

The Penitentiary is located on a ten-acre plot of ground with six acres enclosed by a 24 foot high cut stone wall. There are 1,224 cells in use and 160 new cells that will be ready by July 1, 1960.

The office section between south hall and new hall is now nearing completion. It will be in use by July 1, 1960. In this new section, the institution will be provided a modern visiting facility for the inmates with good conduct records.

MEDIUM SECURITY PRISON**Huttonsville**

Warden: Howard Perine. Business Manager: James L. English. Inmates: 600.

The Medium Security Prison is located on a farm near Huttonsville and is 18 miles south of Elkins on U. S. Routes 219 and 250. It was established by an act of the Legislature in 1937 and was designed to relieve over-crowding at the West Virginia Penitentiary and at the same time aid in the rehabilitation of prisoners. The majority of the inmates are employed in general farm work but many are employed in other vocational trades. They are quartered in modernly equipped dormitories in which there are no cells. The farm consists of 5,000 acres of which approximately 2,000 acres are suitable for cultivation and pasture. The farm products produced are in excess of the needs of the institution and are sold to other state institutions. Much of the foods grown on the farm is canned in the very modern equipped cannery. The 1947 session of the Legislature separated the Medium Security Prison Farm from the West Virginia Penitentiary and established it as a separate institution. All provisions of the law applicable to the Penitentiary are in effect, except that criminal proceedings against inmates of this institution are brought in the Circuit Court of Randolph County.

WEST VIRGINIA STATE PRISON FOR WOMEN

Pence Springs

Superintendent: Mrs. Evelyn J. Smithson. Financial Secretary: Mrs. Margaret R. Boone. Capacity: 60 Inmates. Present population: 52.

The West Virginia State Prison for Women was established by an Act of the West Virginia Legislature in 1947. Prior to that time women who were sentenced in West Virginia were housed in one wing of the State Penitentiary at Moundsville. The Prison is located at Pence Springs, Summers County, on Route No. 3 fifteen miles east of the city of Hinton.

The Prison is situated on a 205.6 acre tract of land which consists of well kept grounds, fifty acres of fertile farm land and several acres of woodland. The main building is well suited for its present use. It is a large three story red brick with full sized basement and attic. The first floor has a spacious living room, staff and inmate dining rooms, kitchen, business offices, commissary, quarantine unit and storage rooms. The second and third floors consist of inmate rooms, hospital unit, security unit, and officers quarters. The basement has a large room which is used for sewing and crafts and other sections which are used for laundry, walk-in-freezer, photography room, storage rooms, coal bins and furnace room, and quarters for the male officers on duty. Near the main building is the Chapel and assembly room. The assembly room is furnished with an electric organ and eighty individual chairs. In the basement is a well equipped cannery for the mass production of canned and frozen foods. Outside the security fence is the Superintendent's four-room cottage and a Duplex which has a furnished apartment for the Financial Secretary and an apartment for guests of the institution. There is also a garage, storage and farm equipment building and piggery on the grounds.

The farm supplies the institution with fresh vegetables in the summer and canned and frozen vegetables for winter. The sewing and craft department is used for vocational training. Many garments are made for institutional use and classes are taught in weaving. Rugs are woven for inmate rooms, as well as many pieces of linen and upholstery material. The inmates are taught the art of cooking and serving through the food service and the laundry assignments prepares many girls for work in home or commercial laundries.

A complete program of rehabilitation is provided in the institution. A religious program is carried out with visiting ministers coming each week. Several interested Church and laymen groups have visited the institution and conducted services. The Sunday School conducted by the inmates is well attended.

ANDREW S. ROWAN MEMORIAL HOME

Sweet Springs

Superintendent: John D. Lee, M.D. Business Manager: H. D. Copeland.

The Andrew S. Rowan Memorial Home for aged men and women was established by an act of the Legislature in 1945 and opened to guests July 1, of the same year.

This Institution is located at Sweet Springs, Monroe County, in the heart of the Blue Grass Section, on State Route No. 3, midway between Union and White Sulphur Springs.

There are many historical facts and traditions connected with the buildings and grounds. The oldest and largest building was completed in 1833 and is of the Thomas Jefferson design and named in his honor. A ninety-six bed annexation to this building has recently been completed. There are six hundred ninety acres including two hundred twenty-five of farm and pasture lands and approximately thirty buildings. The dormitory used for men is now undergoing quite extensive repairs and alterations. A sprinkler system is being installed in most of the buildings even though some of the buildings are already fire proof. An excellent herd of registered Holstein cows is kept on the farm which supplies the guests with a bountiful supply of milk. The recently installed milk plant is one of the best to be found in this county.

Guests are admitted through the Department of Public Assistance or by transfer from other State Institutions and must have attained the age of sixty-five years.

BARBOURVILLE STATE HOSPITAL

(Mental)

Barbourville

Superintendent: Charles E. Hamner, M.D. Physicians: Raymond H. Curry, M.D., and W. D. Bourn, M.D. Business Manager: John Queen. Number of Patients: 397.

The Barbourville State Hospital, located at Barbourville, Cabell County, and reached by U. S. Route 60, was opened January 20, 1942. The hospital was originally called Barbourville Unit of Weston State Hospital. The 1947 Legislature changed the name to Barbourville Unit of Huntington State Hospital, and the 1949 Legislature, established it as Barbourville State Hospital. The State in 1941 purchased 23.76 acres of land and the two buildings which were formerly used as dormitories for Morris Harvey College, and patients were moved into the hospital as soon as each section was reconditioned and equipped. On August 1, 1942, the hospital had a population of 270 patients, its capacity at that time. Additional space has been provided through renovation of one of the buildings until the hospital had facilities for 315 patients. The 1947 Legislature made an appropriation for an Administration Building and a Storage Building. These two buildings have been completed and are now in use. The 1949 Legislature made an additional appropriation for construction of a modern laundry building and for renovation of the old buildings, and upon completion of the renovation and the additional space provided by the removal of the administrative offices from one of the dormitories to the new Administration Building, it has a capacity of 402 beds.

The 1957 Legislature appropriated \$100,000 for construction and furnishing of a Male Employees Dormitory.

BERKELEY SPRINGS SANITARIUM

Berkeley Springs

Superintendent: Eston D. Vanosdale.

Berkeley Springs Sanitarium is located in the City of Berkeley Springs. It offers baths and swimming pools which utilize the warm and medicinal waters of Berkeley Springs. Histories of colonists mentioned the qualities of the water as early as 1736, and prior to that, American Indians, who were subject to rheumatism knew of its medical qualities and called it the "healing waters." It was the first health and pleasure resort in the colonies. The temperature of the spring water is 74.3 degrees and is invariable, and is helpful in the treatment of rheumatism, gout, diabetes, and skin diseases. The springs have been expanded to include a modern open air swimming pool with modern dressing facilities and sunbathing, and an additional new bath house which has Roman Baths and all other types of baths for year-round use. The new bath house also has a solarium or sun deck, which is modern and meets present day requirements. The sanitarium has no facilities for housing patients, but for those who visit Berkeley Springs for baths, there are adequate hotel and boarding house facilities.

At no time in the more than two hundred and twenty-five years of resort history, which included patronage of George Washington and Lord Fairfax, were the famous springs so well equipped to treat patients or accommodate the vacationist, as they are today.

The purpose of the institution at present is rapid service surgical rehabilitation.

HOPEMONT SANITARIUM

(Tuberculosis)

Hopemont

Superintendent: Charles E. Smith, M.D. Business Manager: H. C. Holsinger.

Other units of the sanitarium consist of residences, nurses' home, main dining hall, post office and laundry.

HUNTINGTON STATE HOSPITAL

(Mental)

Huntington

Superintendent (Acting): Edith Cserny, M.D. Business Manager: J. V. Pinney. Total Number of Patients: 1,300.

Huntington State Hospital, located in the City of Huntington, was established in 1897 by an act of the Legislature as a Home for Incurables. The name of the institution was changed in 1901 to the West Virginia Asylum and in 1916 to Huntington State Hospital.

The hospital is devoted to the treatment of the mental illness in adults. The hospital receives both voluntary and legally committed patients, and the prevailing types of treatment are administered. Individuals are also evaluated for the Courts.

The physical plant includes six ward buildings for patients, two of these being original buildings, one new building for 192 patients that will be completed this year; an administration building; two buildings used for quarters for employees (one of these being the original administration building), residence for the superintendent; three residences for physicians a short distance from the hospital grounds; power house; laundry; building for occupational therapy and recreation; main kitchen; shops for maintenance in the basement of one ward building. Medical-surgical services for the hospital were recently transferred to one of the new ward buildings as part of a general move to house all bed and non-ambulatory patients in fire-resistant buildings.

The U. S. Public Health Service, in cooperation with the hospital, opened a three-chair dental service in 1958 to give patients complete dental care. This is a research project, predominantly financed by federal funds, to ascertain the needs, cost, and results of dental care in the chronically ill.

A hospital farm, consisting of 698 acres plus other leased lands, is located on the Guyandotte River a mile southeast of Barboursville, and is served by State Route 10. The farm is devoted to providing poultry, eggs, pork and milk to the hospital. A registered herd of Holstein milk cows is maintained.

LAKIN STATE HOSPITAL

(Mental)

Lakin

Superintendent: M. Mitchell Bateman, M.D. Business Manager: G. E. Chamberlain, Jr. Number of patients: 502.

This institution is located in Mason County, nine miles north of Point Pleasant on State Route 62. It was founded by an act of the Legislature in 1919 and was opened in 1926 for the reception and treatment of Negroes suffering from mental and nervous disorders; however, the hospital staff and patient population have been integrated since 1954. Presently, the institution is the district hospital for Jackson, Mason, Putnam and Wood Counties.

There are two main buildings of three stories each, one housing male and the other female patients. Other fireproof structures include a two-story office building, a cannery, a dietary and office building completed in 1959, two modern dormitories, heating plant, duplex for physicians and a medical center which is presently being used for short term in-hospital study diagnosis and treatment as well as some out-patient services. In addition, there are on the immediate hospital grounds, six frame reconditioned structures in which certain allied functions of the hospital such as laundry, recreational hall and work shops are conducted.

The hospital is a member of the Mental Hospital Institute of the American Psychiatric Association and in 1952 received the Hospital of the Year Award. For nine years, 1951-1959, inclusive, a Psychiatric Aide of the hospital has been cited for excellency in the care of mentally handicapped patients.

Significant strides along the lines of reorganization and reform have been made. This has resulted from the interest and coordinated efforts of higher calibre workers and has been reflected in more scientific treatment and general rehabilitation programs, reduced mortality and a large and consistent release of improved patients to their homes and occupations.

Persistent attempts have been and are still being followed through to secure and maintain community understanding, support and interest. Consultation services, where possible, volunteer services, and participation in community civic activities have proved most effective in morale building and have tended to enhance more wholesome hospital-community relations.

Some of the therapies used at the hospital are: recreational, occupational, educational, music, and somatic therapies. Both group and some individual psychotherapy is being introduced as much as available personnel will allow. In addition, there is full utilization of the tranquilizing drugs in the total effort to make the facility a treatment hospital rather than an institution of custodial care.

PINECREST SANITARIUM**(Tuberculosis)****Beckley**

Superintendent: H. S. Edwards, M.D. Business Manager: Emmett S. Pugh, Jr.

The hospital is approved by the Joint Commission on Accreditation of Hospitals. Various departments of the hospital fulfill the standard requirements of this organization.

Patients admitted to Pinecrest Sanitarium are assigned to individual physicians who carry out therapeutic procedures that are recommended by the entire staff. In this manner, the patient is given the benefit of consultation by the entire medical staff. The Pinecrest staff is composed of a Superintendent, Assistant Superintendent, two Thoracic Surgeons, five full-time physicians, two X-ray technicians and two laboratory technicians, with ample office employees.

Huntington

Superintendent: Gregory W. Whiting, Sr. Business Manager: Frances Joyce.

The West Virginia Home for Aged and Infirm Colored Men and Women, Huntington, was until recently located at McKendree, Fayette County, and was established by an act of the Legislature in 1923. The institution is now being housed in the buildings formerly occupied by the West Virginia Colored Children's Home and the West Virginia Industrial Home for Colored Girls. Although the two groups of buildings are widely separated, portions of the population are housed in each building.

WESTON STATE HOSPITAL

(Mental)

Weston

Superintendent: (Vacancy). Business Manager: Ralph N. Steele. Patients: 2,300.

The Weston State Hospital is located in the City of Weston. It is the oldest state institution in West Virginia, authorized on March 22, 1858, by an act of the Virginia Assembly. There was considerable delay in the construction of the hospital due to the Civil War, and the first patients were received on October 22, 1864. The hospital has grown from an initial capacity of 35 patients to 2,325.

The hospital is maintained and equipped to provide adequate treatment for all types of mental and nervous illness, both voluntary and court committee; in addition, all mentally ill tubercular patients in the entire state are cared for in a specially constructed building. A surgical section has been added whereby all types of tubercular surgery are provided. In addition, a modern specially constructed building has been erected to take care of all criminally insane in the State. A 107-bed neuropsychiatric clinic building is in operation and the hospital is equipped to provide various types of treatment, including psychotherapy, occupational and recreational therapies and electro-shock therapy. The facilities consist of laboratory, X-ray, social services and psychology departments. A personnel building has been constructed and two other buildings constructed to house patients which replace old buildings which have outlived their usefulness. The staff includes a chiropodist, beautician and barber. On May 20, 1955, a section of the male wards was designated as the West Virginia Soldiers' Home and is administered by the medical hospital staff, all war veterans being admitted here for treatment.

A registered herd of Holstein cows is maintained, thus providing the hospital with an adequate supply of high grade milk, processed in a modern pasteurized plant fully approved by the State Board of Health.

The building and outlying farms occupy some 600 acres of land in Lewis County. The hospital grounds are large and spacious with many shade trees and provide excellent recreational facilities for the patients.

MILITARY

WEST VIRGINIA NATIONAL GUARD

(Corrected to July 1, 1960)

CECIL H. UNDERWOOD, *Governor*
Commander-in-Chief

WILLIAM E. BLAKE, *Brigadier General*
The Adjutant General

The West Virginia National Guard is authorized and governed by Article I, Chapter 15, of the West Virginia Code and is constituted as both State and Federal force by authority of the National Defense Act approved June 3, 1916, as amended to January 1, 1945, inclusive. The National Guard is a reserve component of the Army of the United States and is composed of officers and enlisted men who volunteer for duty and are qualified in accordance with Federal and State regulations governing same. In time of peace, the National Guard is a State force, controlled by the Adjutant General as a principal military representative of the Commander-in-Chief. The Adjutant General issues, in the name of the Governor, all orders to the National Guard, disburses funds appropriated by the State Legislature for this purpose and acts as Chief of Staff for the Commander-in-Chief. In the event of war, insurrection, rebellion, invasion, tumult or a case of imminent danger of said events, or in the event of public disaster, the Governor has the power to order the West Virginia National Guard or any part thereof, into the active service of the State and to cause them to perform such duty as he shall deem proper. The National Guard is equipped and paid by the Federal Government, but must meet certain organizational and training standards to qualify for Federal-recognition. When Congress declares a national emergency and authorizes the use of armed forces requiring troops in excess of those in the Regular Army, the President of the United States may order the National Guard into the active military service of the United States. Initial enlistments in the National Guard are for a period of three years with reenlistments authorized for either one or three years.

Salem—Harrison County

(Magisterial District: Tenmile).

It was originally New Salem, so named because the settlers who established the town came in a body from Salem, New Jersey. They arrived in the spring of 1792. Two years later, in 1794, it was incorporated.

The first civilized habitation on the land now occupied by the City of Salem was a hunter's camp established by Nicholas Carpenter in 1785 who used it for a hunting and trapping center. He also used it for a sort of crude hotel for himself and his men who drove cattle from Clarksburg to the Ohio River at Marietta which was the nearest market.

Samuel Fitz Randolph purchased the property on which the village was founded in 1790. Mr. Randolph had started with a caravan of pioneer settlers from Salem, New Jersey, who crossed the mountains in 1789 and made their first stop at Woodbridge-

town, Pennsylvania. Mr. Randolph, a number of Davises, some Maxsons, and others came on to what is now Salem, after a two and one-half year trek from the sea coast.

Salem was the first settlement of Seventh Day Baptists west of the mountains. It is now the home of Salem College, founded in 1888, and the Industrial Home for Girls established in 1898. Glass has been a major industry. The Baltimore & Ohio Railroad and the George Washington Highway and state highway Route No. 23 pass through it. County seat. Settled in 1769 by Ebenezer Zane and followers. Name derived from Indian word, "Wheelin," which name was used for years prior to the Zane settlement to designate the creek which bisects the city. In 1793 the existence of Wheeling as a town became evident when Zane divided

the settlement into lots, but Wheeling was not incorporated as a town until 1806.

Although the peace treaty with the Indians was still in effect when Zane settled here, he and his followers immediately built a fort, which they called "Fort Henry." Here was fought in September, 1782, the last battle of the American Revolution.

Seneca Rock, a 1,000-foot mountain of gleaming quartzite, lifts its crest high above the valley floor. Legend has it that Snowbird, daughter of a Seneca chief, grew up in the shadow of the rocks and learned to climb it. Of all the Seneca, she alone could reach the summit. When the time came for her to marry, she agreed to choose from among her seven suitors the one who could follow her to the top of the crag. All essayed the task, but only one survived. The summit is now reached by a footpath.

Harewood, near Charles Town, West Virginia, home of Samuel Washington, and first of the Washington homes to be built in Jefferson County. Lafayette was a visitor here, and the beautiful mantel still intact in the panelled drawing room is one of two sent by General Lafayette to General Washington. The matching mantel is at Mount Vernon.

The drawing room was also the site of the marriage of Dolly Payne Todd and James Madison. It is said that Madison's wedding was a very gay affair, with Light-Horse Harry Lee, Madison's good friend, dashing up on his horse in time for the ceremony.

RESERVATION OF CABINS IN STATE PARKS AND FORESTS

Official forms for rental of cabins in parks and forests may be obtained by written or personal application to the Conservation Commission, Division of State Parks, State Office Building No. 1, Charleston, West Virginia. These forms must be returned to the Division of State Parks, properly filled in, together with check or money order for the full amount of the rental, plus tax, before applications can be processed.

Applications are listed strictly in order of their receipt, regardless of identities of the applicants—in other words, cabins are rented upon a "first come, first served" basis. No applications are accepted until January 15, and no out-of-state applications are processed until February 15.

Overnight lodging is obtainable upon request to Cacapon Lodge at Cacapon State Park, Berkeley Springs; Blackwater Lodge, Blackwater Falls State Park, Davis; Mont Chateau, RFD 6, Morgantown; and limited lodging is available at Babcock and Watoga State Parks by contacting the park superintendent at either of these parks. Forest Service

Monongahela National Forest

Headquarters: Elkins

Monongahela National Forest was proclaimed by President Woodrow Wilson on April 28, 1920, under the Weeks Law. This law of 1911 provides for the cooperation by states with the United States, and the protection of watersheds of navigable streams. (a) In West Virginia, the national forest was established for flood protection in the Ohio and Potomac River valleys. It is one of a system of nearly 150 national forests and the only national forest wholly in West Virginia. The Clark-McNary Act of June 7, 1924, broadened the objectives to provide for reforestation and production of timber. Hunting, fishing and other forms of recreation are encouraged.

The public forest is dedicated to the protection, development, and management of all its resources for the greatest good to the greatest number.

Within the proclaimed boundary there are 1,641,981 acres of which 805,668 acres are owned by the United States. Directly in charge of the national forest is the Forest Supervisor. In the national forest are six ranger districts, each in charge of a district ranger.

Counties in the National Forest, and their current acreage in National Forest ownership are:

Grant	14,126	Pocahontas	277,037
Greenbrier	98,939	Preston	3,891
Nicholas	23,434	Randolph	170,454
Pendleton	60,181	Tucker	92,962
	Webster.....		64,697

The public forest is administered in cooperation with several conservation agencies, including the West Virginia Conservation Commission. By law, twenty-five per cent of receipts from the sale of timber and other products and use fees is returned to the nine national forest counties for schools (80%) and roads (20%).

At Parsons is one of the largest forest tree nurseries east of the Mississippi River. It is used by the West Virginia Conservation Commission.

FERNOW EXPERIMENTAL STATION

Research Center Leader: George R. Trimble, Jr..... Elkins

3,640 acres of forest dedicated to research in growing and logging hardwood timber. Experiments are conducted in frequency and amount of cutting and their effect on water production, future timber and financial returns, also to illustrate good techniques of equipment and road location.

ANALYSIS OF RECEIPTS AND EXPENDITURES

Department of Finance and Administration
Henry L. Ash, Commissioner

SECTION I—SUMMARY

Revenues collected for the operation of state government are deposited into various funds as provided by statute and the constitution. Many of these funds are dedicated for specific purposes and are carried in separate accounts and expended only for the purposes authorized by law. These include the General School Fund, State Road Fund, Federal Funds and various others designated as Special Revenue Funds. Approximately 60% of all revenues collected during the 1959-60 fiscal years is within this group of dedicated funds. All revenues not dedicated for specific purposes are deposited into the General Revenue Fund from which the Legislature makes appropriations for the operation of the various departments, schools and institutions.

Total revenues collected for the fiscal year ended June 30, 1960, amounted to 293 million dollars as compared to 254 million for the previous fiscal year, an increase of some 39 million dollars. Of this increase the largest amount, 17 million dollars, is reflected in the State Road Fund, 10 million in Federal Funds, 9.9 million in the General Revenue Fund, 1.3 in Special Revenue Funds and .8 in the General School Fund.

The 17 million dollar increase in the State Road Fund is the result, primarily, of increased gasoline tax (4.8 million), license tax (6.5 million) and the remainder from various other sources including a 4 million increase in Toll Bridge Receipts. The 17 million dollar increase in the State Road Fund plus a 9.3 increase in Federal Funds shows a total increase of funds for road purposes of approximately 26.3 million dollars.

The 9.9 million dollar increase in the General Revenue Fund is a result of a 4.4 million increase in Gross Sales Tax, 1.2 million in Consumers Sales Tax, 1.5 million in Insurance Tax and the remainder from various other sources including .7 million from Racing Fees, .9 million from Liquor Profits and .7 million from state college tuition and registration fees.

The 1.3 million dollar increase in Special Revenue Funds may be attributed, in part, to an increase in fees authorized for the Public Service Commission by the Legislature and other smaller increases in various funds.

The 830 thousand dollar increase in the General School Fund resulted from various sources dedicated to this fund including a 206 thousand dollar increase in fines, 204 thousand in Cigarette Tax, 192 thousand in Store Tax and Fees and General License Tax, 53 thousand in Capitation Tax and 176 thousand from miscellaneous sources.

From the foregoing summation of revenues one could conclude that the state economy was somewhat better during the fiscal year 1959-60 when compared to that of 1958-59. Since the major revenue sources fluctuate with the economy the reflection of the increased revenues is a clear indication of this conclusion.

SECTION II

SUMMARY

The expenditures shown in this section are itemized to show total expenditures by function of state government without regard to the fund from which paid. Intra-fund and inter-fund transfers are eliminated so as to reflect actual operating costs.

All expenditures from appropriated accounts shown in this report include those for the 30 day period (July, 1960) as well as those from July 1, 1959 to June 30, 1960.

Total expenditures for the appropriation year 1959-60 amounted to 289 million dollars compared to 262 million for the previous year, an increase of some 27.6 million dollars. Of this increase approximately 28.4 million was for highway purposes, 4.7 million for education, 2.4 for health and welfare and .5 for other functions while expenditures for capital outlay decreased some 8.1 million dollars and for bonded debt purposes a decrease of .3 was shown.

As shown in this section the major portion, or approximately 40% of the state dollar was expended for highway purposes. Expenditures for education were second accounting for 30% and those for health and welfare 19%. The remaining 11% covers all other costs of state government including capital outlay, veterans bonus bonds, operations of the legislative, judicial and executive branches.
