Subject: Data on the NAACP Congressional Plan

This is to inform you that I had noticed that, on August 24th, the NAACP had provided the congressional map plan to your committee, but it does not include any data.

So I was willing to compile it for your committee.

Here is the result:

	North District	South District
Population	888,548	905,168
Variance	-8,310	+8,310
Percent	49.54%	50.46%
Variance	-0.26%	+0.26%
Counties	29	26

However, if we could move the County of Braxton with a population of 12,447 from the South District to the North District, Below could be the result.

	North District	South District
Population	900,995	892,721
Variance	+4,137	-4,137
Percent	50.23%	49.77%
Variance	+0.23%	-0.23%
Counties	30	25

Many thanks for considering my request.
