INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Roane County Committee on Aging, Inc.
Spencer, West Virginia

We have audited the accompanying statements of financial position of Roane County Committee on Aging, Inc. (a nonprofit organization) as of September 30, 2010, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Roane County Committee on Aging, Inc. as of September 30, 2010, and the changes in its net assets and its cash flows for the year then ended, in conformity with auditing standards generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated June 20, 2011, on our consideration of Roane County Committee on Aging, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2010**

Note 1. Summary of Significant Accounting Policies

Basis of Accounting – The Roane County Committee on Aging, Inc. (RCCOA) uses the cash basis of accounting for all recording purposes during the year. The Committee converts to the full accrual basis of accounting for reporting purposes. Basis of accounting refers to the timing of the recognition of transactions. For the cash basis of accounting, costs are paid and revenues are recognized only when received. The full accrual basis accrues costs when incurred without regard to when those costs are paid; revenue is recognized when earned without regard to when it's received. These financial statements are presented in accordance with the recommendations of the American Institute of Certified Public Accountants in its industry guide, *Audits of Certain Nonprofit Organizations*.

Income Taxes – RCCOA is a nonprofit organization and is exempt from federal and state income taxes under section 501(c)(3) of the Internal Revenue Code.

Inventory – Inventories, such as raw food, fruit, frozen meals, and office supplies are expensed in the period in which they are purchased.

Accounting Estimates – In preparing financial statements in conformity with generally accepted accounting principle, management must make estimates based on future events that effect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, as of the date of the financial statements, and revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2. Significant Concentrations of Credit Risk

The Committee's accounts receivable at September 30, 2010, consist primarily of billings to the West Virginia Department of Health and Human Services for home health care services and to the West Virginia Bureau of Senior Services via the Metro Area Agency on Aging for Title III program services.

The bank deposits were insured by the FDIC at September 30, 2010. Deposits in any one bank did not exceed the \$ 250,000 FDIC limit.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED SEPTEMBER 30, 2006**

Note 3. Property, Plant and Equipment (continued)

RCCOA capitalizes all purchases or other acquisitions of property, plant, and equipment with an estimated useful life of at least five years and a basis of at least \$ 1,000. Other fixed assets are expensed in the year of purchase. Vehicles and office equipment are depreciated over five years. The useful life of building renovations is estimated at thirty years. Construction work-in-progress is capitalized, but not depreciated, until the renovations are completed and placed into service.

Assets' estimated useful lives are as follows:

Office Furniture, Fixtures, and Equipment	5-10 years
Vehicles	5 years
Buildings and Renovations	10-30 years

Note 4. Note Payable

The Committee has a \$ 20,000 line of credit note with Traders Bank. The interest rate is 7% and the note is unsecured. The outstanding balance at September 30, 2010 was \$ 20,000.

Note 5. Retirement Benefits

The Committee provides no retirement plan or other deferred compensation plan to its employees.

Note 6. Compensated Absences

RCCOA has reported accrued leave expenses in accordance with generally accepted accounting principles.

**ROANE COUNTY COMMITTEE ON AGING, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED SEPTEMBER 30, 2010**

Note 7. Contingent Liabilities

In the normal course of operations, the Committee receives grant funds from various Federal and State agencies. The grant programs are subject to audit by agents of the granting authority, the purpose of which is to ensure compliance with conditions relevant to the grant. Any liability for reimbursement which may arise as the result of these audits is not believed to be material.

The Center participates in the West Virginia Public Employees Insurance Agency (PEIA) for health insurance. The Committee does not provide post retirement health benefits. However, PEIA shows a liability of \$ 143,995 at September 30, 2010 for post retirement benefits. The center does not expect to have to pay this liability.

Note 8. Subsequent Events

Management has evaluated subsequent events through June 20, 2011 the date on which the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Roane County Committee on Aging, Inc.
Spencer, West Virginia

We have audited the financial statements of Roane County Committee on Aging, Inc. (a nonprofit organization) as of and for the year ended September 30, 2010, and have issued our report thereon dated June 20, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United State of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Roane County Committee on Aging, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Roane County Committee on Aging, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

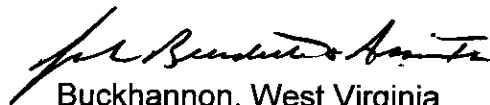

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designated to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Roane County Committee on Aging, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain other matters that we reported to management of Roane County Committee on Aging, Inc. in a separate letter dated June 20, 2011.

This report is intended solely for the information and use of the audit committee, management, others within the organization and federal awarding agencies and pass-thru entities and is not intended to be and should not be used by anyone other than these specified parties.

MANAGEMENT LETTER

To the Board of Directors
and Senior Management
Roane County Committee on Aging, Inc.
Spencer, West Virginia

In planning and performing our audit of the financial statements of Roane County Committee on Aging, Inc. for the year ended September 30, 2010, in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, we considered the Organization's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

However, during our audit we became aware of some matters that are opportunities for strengthening internal controls and operating efficiency. The memorandum that accompanies this letter summarizes our comments and suggestions regarding those matters. A separate letter dated June 20, 2011 contains our communication of significant deficiencies or material weaknesses in the Organization's internal control. This letter does not affect our report dated June 20, 2011, on the financial statements of Roane County Committee on Aging, Inc.

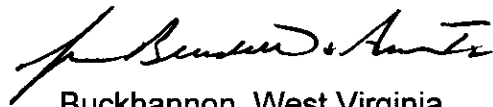

We will review the status of these comments during our next audit engagement. We have already discussed these comments and suggestions with various Organization personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations. Our comments are summarized as follows:

Organizational Structure

The size of the Organization's accounting and administrative staff precludes certain internal controls that would be preferred if the office staff were large enough to provide optimum segregation of duties. This situation dictates that the Board of Directors remain involved in the financial affairs of the Organization to provide oversight and independent review functions.

We wish to thank the Executive Director and his staff for their support and assistance during our audit.

This report is intended solely for the information and use of management, Board of Directors, and others within the Organization and is not intended to be and should not be used by anyone other than these specified parties.
