Dear Governor Tomblin:

Pursuant to W.Va. Code §30-1-12, the West Virginia Board of Accountancy is hereby submitting its Annual Report for the preceding fiscal periods ending June 30, 2009 and June 30, 2010.

THE BOARD

This Board is charged with the administration and enforcement of the provisions of the West Virginia Accountancy Law, Chapter 30, Article 9 governing Certified Public Accountants and Registered Public Accountants as last amended and re-enacted March 7, 2008, by the West Virginia Legislature [H.B. 4494] in its 2008 regular session. The re-enacted Accountancy law made provisions for cross-border mobility among Certified Public Accountant firms and practitioners from substantially equivalent states, changes in firm ownership requirements and changes to the educational requirement to sit for the Uniform Certified Public Accountant Examination.

Agency-Approved *Board Rules and Rules of Professional Conduct* (1CSR1) were considered by and passed the 2009 Legislative session and became effective May 15, 2009. These *Rules* were proposed as a result of changes to the Accountancy Law (W.Va. §30-9) last amended and re-enacted at the 2008 regular session and effective June 5, 2008. The Final Rule adds definitions, modifies requirements and application procedures for examination and certification, includes an ethics course requirement for examination as well as continuing professional education, details reciprocal certificate requirements, reduces accounting corporation firm ownership requirements from sixty percent to a simple majority, clarifies Peer Review requirements, and increases various certification, authorization and firm permit fees.

Upon recommendation by the Legislative Auditor in its 2006 Performance Review, the West Virginia Board of Accountancy was continued until July 1, 2017 per Senate Bill 171, House Bill 2423 and approval by Governor Manchin's signature on March 13, 2007.

The West Virginia Board of Accountancy consists of seven members, appointed for terms of three years by the Governor with the consent of the Senate. Five members must

be Certified Public Accountants, one member must be a Public Accountant so long as twenty five or more public accountants are registered by the Board (if fewer than twenty five public accountants then the member may be either a public accountant or a certified public accountant), and one member must be a citizen member who is a resident of this State, who is not licensed under the provisions of this article and who also is not a bookkeeper, enrolled agent or a person who provides or offers to provide to the public any bookkeeping, tax preparation, financial advisory or insurance services.

The following persons have served as Members of the Board for the periods covered by this Report.

For the periods beginning July 1, 2009 through June 30, 2010:

The Accountancy Law requires that all fees and other moneys, except administrative fines, received by the Board must be deposited in a Special Revenue Fund at the Office of the West Virginia State Treasurer and the expenses of the Board office are disbursed from and charged to this Fund. Schedules of these receipts and disbursements for the fiscal years ended June 30, 2009 and June 30, 2010 are included in the report and marked Exhibit "A". The West Virginia Board of Accountancy underwent a legislative post audit of the collection and deposit of revenues for the period July 1, 2006 through June 30, 2008. The audit was conducted in accordance with auditing standards generally accepted in the United States and *Government Auditing Standards* issued by the U.S. Comptroller General. The only exception noted was the failure to make timely deposits as required by Chapter 12, Article 2, Section 2 of the West Virginia Code, as amended. The Board has agreed to fully comply with the above-referenced section of the Code.

EXAMINATION FOR CERTIFICATE OF CERTIFIED PUBLIC ACCOUNTANT

In April 2004, the Board implemented the computer-based American Institute of Certified Public Accountant (AICPA) examination given in four separate windows throughout the year. Questions are prepared by the Board of Examiners and uniformly graded either electronically and/or by professional graders who do not know the identity of the candidates. Grading costs for the computer-based exam are paid by the candidate directly to the National Association of State Board of Accountancy (NASBA). Subjects covered by the uniform examination are Business Environment and Concepts (BEC), Auditing (AUD), Regulation (REG), and Financial Accounting & Reporting (FAR).

Candidates may sit for the required Test Sections individually and in any order and are required to attain a score greater than or equal to 75 in each examination subject before he or she will be declared to have passed the examination. Credit for any Test Sections passed are valid for eighteen months from the actual date the candidate sat for and passed that Test Section. Candidates must pass all four Test Sections of the Uniform CPA Examination within a rolling eighteen-month period, which begins on the date that the first Test Section passed is taken or lose credit for any Test Sections passed outside the 18-month period.

Other Exhibits included in this report for licensure/examination activities performed by the Board of Accountancy for the periods ending June 30, 2009 and June 30, 2010 are:
