When an exam candidate has completed the ARE Exam and stated WV as their state of registration their initial application to practice architecture is then submitted to the board to be registered.

Architects Registered 1171

In State 106

Out of State 1065

Renewals Processed 991

Late Renewals Processed 124

Reinstatements Processed 23

Formal Complaints Filed: 3 inquiries were submitted to the board to be investigated for unlicensed practice of architecture or referring to services offered as architectural when they were not registered by the board.

The assistant Attorney General for the board along with the board members investigated inquiries. One inquiry was mailed a letter from the AG of Cease and Desist the use of the person for architecture services as he was not a registered architecture.

The 2<sup>nd</sup> inquiry was found not to be in violation of the practice of architecture by their services or name of their firm. They clearly stated they rendered drafting and drawing services only and not architectural services.

The 3<sup>rd</sup> inquiry removed the word architect/architecture from the title of his firm at the request of the Board's Cease and Desist Letter.

Inquiries were not formally filed as complaints and therefore were not formal complaints to be filed with the board office.
