The examination was a Compensation and Pension Evaluation – not a medical examination but an administrative evaluation requested by VA, Huntington, WV and standard VA protocol must be followed.

The case against Dr. Rene' Donley was dismissed. The Board is without jurisdiction to decide matters concerning VA compensation and pension evaluation rules, regulations and procedures.

Case #32: - Reported to NPDB 08/06/2010

Some leniency was given to Ms. Hitt for the following reasons:

- Completed her Clinical Fellowship Year in the Kanawha County, WV school system; WV licensure is not a requirement in the school system
- Even though, she advised her employer that she did not have a professional license and was waiting for her CCC and would then apply, the employer told her she could see patients and they would have a licensed SLP co-sign her evaluations, treatments, etc.

Nature of Complaint: Unlicensed Provisional (CFY) practice

The Board found Ms. McCullough to be in violation of WV Code and WV Code Rules by practicing without a Provisional SLP License from January 17, 2011 through January 6, 2012.

Some leniency was given to Ms. MCCullough for the following reasons:

- Information received from her SLP supervisor was incorrect. The supervisor, who is licensed in PA and WV, thought a Clinical Fellow worked under the supervisor's license. This is true in PA but a provisional license is required in WV. Even though, the Board found fault with Ms. McCullough, they felt the biggest part of the culpability was the supervisor's.
- Ms. McCullough completed her Clinical Fellowship Year and received her CCC from ASHA. Because she received her CCC, per our Law and Rules her professional license was granted on January 9, 2012.

Disciplinary Action: February 29, 2012 – Consent Decree Signed
