The examination was a "Compensation and Pension Evaluation" – not a medical examination but an administrative evaluation requested by VA, Huntington, WV and standard VA protocol must be followed.

The case against Dr. Rene' Donley was dismissed. The Board is without jurisdiction to decide matters concerning VA compensation and pension evaluation rules, regulations and procedures.

She had forged license documents and ASHA certification cards since January 4, 2002 when her provisional license expired. She did not apply or receive a professional license to practice Speech-Language Pathology in the State of WV.

Disciplinary Action: Since Ms. Bosley was practicing without a valid license, the WV Board does not have jurisdiction. A Cease and Desist letter was sent to Ms. Bosley on June 25, 2010 and all documents relating to the case were turned over to the WV State Police for investigation. U.S. Attorney's Office prosecuted. Plea agreement reached – sentenced on April 27, 2012. 5 Years Probation - \$240,000 in restitution to Genesis Rehabilitation Corp. @ \$50 per month.

Some leniency was given to Ms. Hitt for the following reasons:

- Completed her Clinical Fellowship Year in the Kanawha County, WV school system; WV licensure is not a requirement in the school system
- Even though, she advised her employer that she did not have a professional license and was waiting for her CCC and would then apply, the employer told her she could

see patients and they would have a licensed SLP co-sign her evaluations, treatments, etc.

Disciplinary Action: August 26, 2011 – Consent Decree Signed

License # SLP-1281 – Letter of Reprimand valid for one (1) year and will be expunged after the designated timeframe has expired. The following additional requirements also apply:

Case #36 – Reported to NPDB 03/22/2012

Complainant: WV Board of Speech and Audiology

Nature of Complaint: Unlicensed Provisional (CFY) practice

Name: Vanessa Marie McCullough

The Board found Ms. McCullough to be in violation of WV Code and WV Code Rules by practicing without a Provisional SLP License from January 17, 2011 through January 6, 2012.

Ms. McCullough is in violation of WV Code §§30-32-17 (b)(4), (b)(9) and (b)(13), and WV Code Rule §§29-5-2.6.a.1 and 2.7.b.2

Some leniency was given to Ms. McCullough for the following reasons:

- Information received from her SLP supervisor was incorrect. The supervisor, who is licensed in PA and WV, thought a Clinical Fellow worked under the supervisor's license. This is true in PA but a provisional license is required in WV. Even though, the Board found fault with Ms. McCullough, they felt the biggest part of the culpability was the supervisor's.
- Ms. McCullough completed her Clinical Fellowship Year and received her CCC from ASHA. Because she received her CCC, per our Law and Rules her professional license was granted on January 9, 2012.

Disciplinary Action: February 29, 2012 – Consent Decree Signed

License # SLP-1358 –

- Letter of Reprimand valid for one (1) year, to be expunged after the designated timeframe has expired. The following additional requirements also apply:
- Complete a Board approved Ethics Seminar/Course in addition to the twenty (20) Continuing Education Requirements for license renewal in 2012. Completion of the course will be completed within ninety (90) days.
- Write an article regarding experiences with the West Virginia licensing process; to include the importance of knowing the Legislative Laws and Rules that regulate the Speech-Language Pathology professional and the likely repercussions if ignored.

The Board decided to speak with Ms. Thomas for clarification on the documented time(s) for therapy logs vs. toileting logs. Ms. Thomas will be approved for a Speech-Language Pathology license.

Series 2 (29-2)	Mike Zagarella
Series 3 (29-3)	Joe Richards
Series 4 (29-4)	Joe Richards
Series 5 (29-5)	Mike Zagarella

All questions will be multiple choice with 4 choices per question. “Rough questions” are to be complete for finalization by Thanksgiving.

The issue of the exemption language for public school speech-language pathologists and audiologists not being included in the amended and reenacted WV Code 30-32 and what action the Board will take was discussed. Jennifer Greenlief, Asst. Attorney General, confirmed the Board’s conclusion that without the exemption, all unlicensed SLPs and AUDs in public schools are working illegally.

An emergency rule will be filed with the Secretary of State’s office for an Educational Speech Pathology License to Practice Exclusively in Public Schools. (ESPL) Proof of being employed by the public school system on or before September 1, 2013 will be required to apply for the ESPL. Licensure will be required on or before December 31, 2013. Specific qualifications will be outlined in the rule. The rule will be sent to Jennifer Greenlief for review prior to submission to the Secretary of State.

If and when the emergency rule is approved, letters will be sent to the County Superintendents of Schools, Director of Special Education and County Directors of Special Education with licensure requirements, fees, etc., and instructions on how to apply.

The application fee will be waived and the initial license fee will be \$100 for anyone who applies for a speech-language pathology license and is currently working in the schools. The application fee will be waived and the initial license fee will be \$75 for anyone who applies for an ESPL license and is currently working in the schools. These fees are applicable only to currently unlicensed SLPs employed by the schools.

Renewal fees for a two year ESPL will be \$125. The current renewal fee for a professional will remain \$175.

Patty Nesbitt reported on information received from the Privacy Office re: a request for email addresses being included on the rosters of SLPs and/or AUDs. It is currently the policy of the Board to include only License #, Full Name, Address, City, State & Zip. According to information received from the WV Privacy Office, email addresses are not considered personal identifiable information (PII). Any information the Board has on file (database), other than PII, is considered public information. In the future, if email addresses are requested, they will be provided.

Emergency Board Meeting by Conference Call

Time: 4:00 PM
Location: Board Office via Conference Call
99 Edmiston Way, Suite 214
Buckhannon, WV 26201

Present: Board President, Michael Zagarella
Board Secretary, Vickie Pullins
Board Member, Vernon Mullins
Board Member, Erin Ball
Board Citizen Member, Joe E. Richards
Administrative Services Mgr., Patricia Nesbitt
Jennifer Greenlief, Assistant Attorney General – Board Attorney

The meeting was called to order at 4:03 PM by the Board President, Michael Zagarella.

The emergency meeting was called to discuss the status of the Emergency Rule submitted to Secretary of State's office for licensure of school speech-language pathologists. The Secretary of State's office would like the Board to withdraw the Rule, in lieu of their denial.

Jennifer Greenlief explained the specific criteria the Secretary of State has to determine if an emergency exists and if the legal authority for the Rule is in the Code. In the case of the Board's emergency rule, there is no doubt an emergency exists because there are approximately 250 speech-language pathologists working in the schools without a license and the exemption for schools no longer exists. The Board does not, however, have the statutory authority for the rule.

The Board must decide if they will withdraw the emergency rule and, also, what the next step should be. Jennifer Greenlief feels there are a few options, with the first two not really options at all.

1. Do nothing – opens the Board up to litigation
2. Send cease and desist letters to all Speech-Language Pathologists currently practicing without a license.
3. Work through the legal office of the Governor for a solution and see if there is a possibility of working with the Legislature with the backing of the Governor's legal counsel.

After consulting with the Attorney's General Chief Counsel, Dan Greear, they (Jennifer Greenlief & Dan Greear) have an appointment with Peter Markham, General Counsel to the Governor, October 22nd at 1:30 PM. The appointment is set pending the Board's approval. If the Board agrees to the meeting with Peter Markham, Vickie Pullins said she would like Patty Nesbitt to attend.

Vickie Pullins reiterated to Jennifer Greenlief, that the Board's position is to not introduce the exemption back into the law.

Vickie Pullins voted to keep the Emergency Rule in place with the Secretary of State's office and not withdraw the rule, as requested. Joe Richards seconded the motion. Motion carried. The Secretary of State will be required to deny the Emergency Rule.

Patty Nesbitt will attend the meeting with Jennifer Greenlief and Dan Greear tomorrow, October 22nd at Peter Markham's office. The meeting is set for 1:30 PM.

Vickie Pullins made a motion to adjourn. Joe Richards seconded the motion. Meeting adjourned at 4:45 PM.

Board Meeting

Time: 11:00 AM
Location: Board Office

Second Floor Conference Room
Buckhannon, WV 26201

Present: Michael Zagarella, Board President
Vickie Pullins, Board Secretary
Vernon Mullins, Board Member
Erin Ball, Board Member
Joe Richards, Citizen Member
Patty Nesbitt, Administrative Services Manager

The meeting was called to order at 11:06 AM by the Board President, Michael Zagarella.

The two newly appointed Board Members, Vernon Mullins & Erin Ball each gave a short biographical synopsis of their academic and professional experience.

Vernon Mullins is a Doctor of Audiology and has provided services in Logan, WV for the past 35 years.

Erin Ball, Speech-Language Pathologist, has 12 years clinical experience with health care facilities and also teaches Continuing Education classes throughout the United States. She resides in Pocahontas County, WV.

Both Dr. Mullins and Erin Ball were appointed to the Board by Governor Earl Ray Tomblin on September 26, 2013.

The minutes of the August 24, 2013 meeting and the October 21, 2013 emergency conference call meeting were read. Vickie Pullins made a motion the minutes of both meetings be approved. Joe Richard seconded the motion. Motion carried.

The financial report through October 2013 was submitted for review. The cash balance as of October 31, 2013 was \$213,289.37. (copy attached) Patty Nesbitt stated the 2014 PFY Expenditures of \$58,118.46 included \$25,116.83 swept by the Treasurer's office to General Revenue. It was also stated, the Budget request for fiscal year 2015, is approximately

\$137,000. Joe made a motion the financial report be approved. Vickie seconded the motion. Motion carried.

OLD BUSINESS

The Board had a general discussion regarding several public school Speech-Language Pathology Assistants' issues and, depending on the status of the public school exemption in Code §30-32, what the implications and/or procedures are -

- Mercer County Speech-Language Pathology Assistants are working on a WV Dept. of Education permit while completing a Master's degree through an online program with the University of Cincinnati. The University is requiring the Clinical Practicum supervisors working in Mercer County to hold a state Speech-Language Pathology license. The Assistants will work on a WVDOE permit as a Speech-Language Pathologist while completing the Master's program but must be registered as an Assistant by the licensed Speech Pathologist. This requirement is in Code 30-32 and Legislative Rule 29-2.
- A licensed Speech Pathologist is going to begin working on a part-time basis in the Tucker County school system specifically to supervise 2 or 3 Assistants. It is the Board's opinion, based on our Code and Rules, the Assistants must be registered by the supervising Speech Pathologist.

A copy of the letter from the ASHA President (copy attached) sent to Peter Markham, Governor's General Counsel, was given to the Board for review. The letter directly relates to the October 22, 2013 meeting with Peter Markham, attended by Jennifer Greenlief, Assistant Attorney General, Dan Greear, Attorney General Chief Counsel and Patty Nesbitt, to discuss the possibilities of a solution to the Board's code issue. This meeting was arranged by the Attorney General's office as discussed by Jennifer Greenlief, as stated in the Board Meeting minutes of October 21, 2013, after the Sec'y of State could not approve the emergency rule to grandfather Speech-Language Pathologists with an Educational Speech-Language Pathology license. Even though, the Sec'y of State acknowledged the "Emergency", the rule was denied because the Board does not have statutory authority to create a new set of qualifications for licensure.

The jurisprudence exam questions formulated by the Board Members were reviewed. The exam will be an online test on the Board's website. Patty Nesbitt will assemble all the questions and also submit information to Jason Philabaun at the Treasurer's office to build the exam on our website. The exam must be ready for use on July 1, 2014 for all new licensee applicants.

NEW BUSINESS

The Board Office received a telephone call questioning whether an Au.D. student can be licensed as a provisional during an externship. The Board members agreed an Au.D. student cannot be licensed because they have not completed a "terminal degree" as stated in Legislative Rule §29-1-13.11.

Mike Zagarella received a letter with questions raised by a licensed Audiologist regarding the education qualifications for an Audiology Assistant were discussed. Since there are no academic institutions in West Virginia with an Assistants program, the recruitment to fill a need is very difficult so the Audiologist felt a rule(s) change was required. Mike Zagarella will contact the Audiologist in writing to explain the legislative approval procedures to change a rule and also suggest a hearing aid fitter's license might be the answer since an Audiology Assistant is not allowed to administer diagnostic testing.

The Board reviewed an application from an applicant with a Master's degree in Speech Pathology and Audiology from the University of Mysore, India. After a review of the transcript and clinical practicum hours, the Board would like a Credential Evaluation Analysis to compare India vs. US Master's requirements. Direct contact from a Board Member may also be required. No decision was reached.

Vern Mullins made a motion to adjourn
Joe Richards seconded the motion.

OLD BUSINESS

Patty Nesbitt presented an overview of the entrance conference for the review of the Sunrise Report of January, 2013. The March 6, 2014 meeting was attended by Vickie Pullins and Patty Nesbitt from the Board, as well as, John Sylvia, Brian Armentrout and Brandon Burton of the Legislative Performance and Research Division. (PERD) The continuing education issue was discussed, as well as, Speech-Pathology Assistants and other issues. PERD has requested a legal opinion from an unbiased Legislative Review attorney regarding the issue of whether or not the exemption for public school speech-language pathologists still exists in our law. The target date for completion of the review is October or November. The Board will receive a draft of the review for a written response prior to the presentation of the review report to the Joint Committee on Government Organization.

Patty Nesbitt presented an update on the implementation of the jurisprudence exam. The software for and the set-up of the exam by Jason Philabaun at the Treasurer's Office, is complete. Patty Nesbitt sent a template for an exam completion certificate was sent to Jason so licensees can print and send with their initial application. Mike Zagarella suggested adding box to the database that can be checked to further verify the examination requirement has been met.

The issue of speech-language pathologists continuing to work with a provisional license after completion of their post graduate professional experience and receipt of their ASHA CCC was discussed. Supervision is required for a provisional license and there is not a process to track whether or not that is happening. Because WV Code §30-32-11.(a) states, "The Board may issue a provision license to an applicant who is in the process of obtaining postgraduate professional experience.....", a Speech-Language Pathology license should be required when the provisional licensee receives CCC or when the WV Board of Examiners approves the application for licensure by reviewing all the provisional PPE documentation. Because this seems to be a confusing issue for the provisional licensee, the requirement should be on the application and/or in memo form with the provisional license renewal.

EXECUTIVE SESSION

Joe Richards made a motion the Board continue in Executive Session at 8:02 PM to discuss complaint #40. Vernon Mullins seconded the motion. Complaint #40 and Joseph Garcia's Consent Decree non-compliance (Complaint #37) was discussed. A motion was made by Joe Richards to end the Executive Session at 8:21 PM. Vernon Mullins seconded the motion. Motion carried.

Complaint #37 - Joseph Garcia Consent Decree Non-Compliance – Mr. Garcia was non-compliant with the submission of quarterly Self-Supervision Report Forms to the Board. As specified in the Consent Decree, non-compliance will result in immediate suspension of his license. A certified letter will be sent to Joseph Garcia suspending his license effective March 20, 2014. The letter will also outline his options for a response if he cares to do so.

Complaint #40 – Vickie Pullins, Secretary of the WV Board of Examiners filed complaint #40. She is recused from any discussions and/or decisions regarding this complaint. Board Secretary, Vickie Pullins (called in after Complaint #40 discussion)
Greg Foster, Asst. Attorney General – Board Counsel
Administrative Services Mgr., Patricia Nesbitt

The meeting was called to order at 5:30 PM by the Board President, Michael Zagarella.

The minutes of the May 15, 2014 Board Meeting were read. Joe Richards made a motion the minutes be accepted and approved. Erin Ball seconded the motion. Motion carried.

The financial report for July 31, 2014 was submitted for review. (copy attached). The cash balance as of July 31, 2014 is \$163,852.93. Mike Zagarella made a motion the financial report be accepted as presented. Erin Ball seconded the motion. Motion carried.

OLD BUSINESS

Complaint #40 was discussed. The Board was notified in writing by the licensee's legal counsel; the settlement agreement offered by the Board would not be accepted. A hearing was also requested. Greg Foster, Board Counsel, had previously advised the Board, the licensee would accept a settlement only if the six (6) month probation and letter of reprimand were taken off the table. All Board Members agreed the Board's settlement agreement was more than fair and the complaint would proceed to a hearing. Based on Greg Foster's recommendation, the Board agreed to contract an Administrative Law Judge to hear the case.

Joe Richards made a motion to notify the licensee and her counsel in writing, the Board's decision to reject her proposed disciplinary actions for a settlement agreement and the complaint will be heard by an Administrative Law Judge. Vern Mullins seconded the motion. Motion carried.

NEW BUSINESS

Complaint #41 was discussed out of order from the agenda so Greg Foster could participate and offer advice. After a short discussion, it was determined additional information is required, i.e., patient daily notes, for the Board to decide if there is probable cause to pursue.

Patty Nesbitt will call for the “daily note” information. Patty Nesbitt will also try to locate the Gentiva employee who signed the complaint but is no longer employed by Gentiva.

The complaint was tabled for the collection of additional information.

OLD BUSINESS

Patty Nesbitt discussed the PERD Sunrise Review report presented to the Joint Committee on Government Organization in Bridgeport earlier today, 08/27/2014. The report recommends licensure not be a requirement for SLPs and AUDs working in the public school system and also recommends the legislature “add back” the exemption in the law for the same.

It was also reported that the SLPAs currently attending the distance learning program with the University of Cincinnati did not have the required supervision because (1) they are supervised through the University’s clinical practicum and (2) they work under a WV Dept. of Education waiver as Speech-Language Pathologists while completing their Master’s Degree. The University of Cincinnati took their lead re: supervision from Marshall University and WVU because their clinical practicum supervisors are not required to hold state license. Vickie Pullins will follow up to confirm that information.

Patty Nesbitt reported the Jurisprudence Exam seems to be working fine. At this point, only a small number of active licensees have taken the quiz.

Patty Nesbitt reported, as recommended by the Legislative Review, the following has been added to the Board’s licensee database:

- Jurisprudence Exam – yes or no
- License Denied – yes & space for reason for denial
- ASHA CCC – yes or no
- Reciprocity – yes or no
- Education Level – Associates, Bachelors, Masters or Doctorate
- College/University – Space for Name

An Audiology Assistant worked without a renewed registration from January 1, 2014 – June 20, 2014. She is no longer associated with the Audiologist. Mike Zagarella will write a letter to the Audiologist explaining the registration and renewal process for future reference.

An inquiry was received from Pamela Holland at Marshall University regarding the number of required Audiology hours for a Speech-Language Pathology as written in the Board’s legislative rules. Currently, the legislative rules required 30 hours in two areas. Marshall requires 20 Audiology hours for Speech-

Language Pathology. The discussion was tabled until the Board Members have an opportunity to research the discrepancy and a solution.

The members discussed the sponsorship for the National Conference. Vickie made a motion to send a \$1500 sponsorship to the National Assn. for the Salt Lake City Conference in October. Vern seconded the motion. Motion carried.

The Board discussed the nominees for the National Assn. Board of Director vacancies. The board will cast a vote for Mike Zagarella and Glen Haguespack, Louisiana.

A telephone call was placed to Ashley Hall, Gentiva Home Health, for the purpose of gathering information regarding Complaint #41. Gentiva Home Health filed a complaint against a Speech-Language Pathologist claiming she falsified Daily Notes for therapy services not provided and then deleted at least one patient Daily Note when questioned re: whether the therapy was provided.

The complaint was discussed after the telephone call with Ashley Hall ended. It was decided additional information would be required to move forward with the complaint. OLD BUSINESS

The provisional license application submitted by an India Master's Program graduate was discussed. The Board agreed additional information is required before a decision can be made. The applicant must:

- Submit a foreign credentials evaluation from a credentialing agency approved by ASHA. The evaluation submitted with the application will not be accepted.
- Show proof of a WV address
- Submit the name of her clinical fellowship supervisor

Once all has been submitted, the Board will ask that she meet with the Board before a decision is made.

The Board discussed the request from Joseph Garcia for license reinstatement. Mr. Garcia (complaint #37) was in violation of one requirement of the Consent Decree effective May 7, 2012. After a discussion, the Board agreed Mr. Garcia's license would be reinstated with the following stipulations:

- No supervision of provisional licensees and/or assistants for a period of one year beginning 01/01/2015
- Submission of Self-Supervision Quarterly Reports for 1 year.

A discrepancy in Audiology clinical practicum hour requirements stated in our Legislative Rule for a Speech-Language Pathologist vs. Marshall's Speech-Language Pathology curriculum was brought to the Board's attention. The Board's Legislative Rule requires 30 hours in Audiology of the required 400 clock hours. The same is true of Audiology in the reverse. Marshall University requires 20 of the 400 clock hours in Audiology for completion of the Speech Pathology practicum.

The issue will be finalized at the Board meeting held at the WVSHA spring conference.
