The Honorable James Justice
Governor of the State of West Virginia
1900 Kanawha Boulevard East
Charleston, West Virginia 25305

Dear Governor Justice:

Presented herein is *the Annual Report for the West Virginia Board of Examiners for Speech-Language Pathology and Audiology* for fiscal years 2017 and 2018.

The Board's mission is safeguarding the public health by assuring and maintaining the academic & clinical requirement and qualifications of professional, provisional and assistant Speech-Language Pathologists and Audiologists. The goal of this agency will be to maintain competent and professionally prepared licensed Speech-Language Pathologists and Audiologists in the great State of West Virginia.

The Board is charged with the enforcement and administration of the provisions set forth in Chapter 30, Article 32 of the West Virginia Code relating to the licensure and regulation of Speech-Language Pathologists and Audiologists. The Board has seen an increase of complaints over the past 3 ½ years with eight (8) complaints from 2014 - June 30, 2017 vs. 6 total valid complaints over the previous eight (8) years.

The Board consists of five members appointed by the governor; two (2) members being Speech-Language Pathologists, two (2) members being Doctors of Audiology and one (1) citizen member. The current Board President is Erin Browning, Speech-Language Pathologist. Each member may serve two (2) three year terms or until successors have been appointed by the governor.

There has been a significant licensure increase in two specific settings for FY 2015 - FY 2018. The two settings are public school Speech-Language Pathologists and Speech-Language Pathologists providing services via telepractice. The majority of the speech pathologists providing therapy by telepractice are providing services to public schools.

The Honorable James Justice
August 17, 2018
Page 2

The use of telepractice, especially in rural states like WV, is definitely on the rise. Even though, the number of licensed telepractice practitioners is a small percentage of our total licensee base, there was a 33% increase in telepractice licensure for FY 2018.

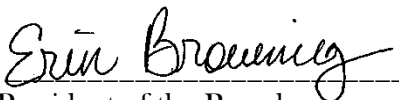

On November 25, 2014, the US Dept. of Health and Human Services approved a revision to the WV State Plan for providing and billing Medicaid services to students in the schools with an effective date of July 1, 2014. The revision states, "Qualified providers must meet the requirement in 42 CFR §440.110 and be licensed by the WV Board of Examiners of Speech, Language Pathology, and Audiology." This policy revision has added approximately 100 school based Speech-Language Pathologists to the licensee total over the last 3 years.

Sincerely,

Erin Browning, M.A., CCC-SLP
Speech-Language Pathologist,
President of the Board

Name: Vanessa Marie McCullough

The Board found Ms. McCullough to be in violation of WV Code and WV Code Rules by practicing without a Provisional SLP License from January 17, 2011 through January 6, 2012.

Ms. McCullough is in violation of WV Code §§30-32-17 (b)(4), (b)(9) and (b)(13), and WV Code Rule §§29-5-2.6.a.1 and 2.7.b.2

Some leniency was given to Ms. McCullough for the following reasons:

- Information received from her SLP supervisor was incorrect. The supervisor, who is licensed in PA and WV, thought a Clinical Fellow worked under the supervisor's license. This is true in PA but a provisional license is required in WV. Even though, the Board found fault with Ms. McCullough, they felt the biggest part of the culpability was the supervisor's.
- Ms. McCullough completed her Clinical Fellowship Year and received her CCC from ASHA. Because she received her CCC, per our Law and Rules her professional license was granted on January 9, 2012.

Disciplinary Action: February 29, 2012 – Consent Decree Signed

2. Two (2) hours of Ethics continuing education prior to license renewal in December, 2014
3. Letter of reprimand for the licensee's file.
4. Write an article for the WV Board of Examiner's newsletter pertaining to this violation but not necessarily specific to this situation.

After failure of Judge Burnside entering the Final Order, the Board entered a Writ of Mandamus with the Supreme Court on May 11, 2017 to compel Judge Burnside to issue a Final Order and enable the Board to appeal the adverse ruling. Case #46 – Not Reportable to NPDB – Dismissed with Concerns February 22, 2017

Complainant: Lara Ann Hartzell, PT – WV Birth to Three

Nature of Complaint: Providing Services outside the scope of practice of Speech-Language Pathology.

Name: Stacy Bastin, SLP-0710

Alleged Violations: Evaluating and providing services directly related to Physical Therapy & Occupational Therapy to children in the WV Birth to Three program.

Response to complaint notification received from Respondent's attorney June 13, 2016. The Board did decide an investigation would be necessary to gather more information. The Subpoena for Activity Notes for Ms. Bastin's patients was denied by WV Birth to Three on July 25, 2016. The denial was based on privacy issues and Federal Regulations.

Patient files received from Ms. Bastin's attorney were reviewed by the Administrative Services Manager. Redacted files were sent to (3) Consultants hired by the Board; (1) Speech Pathologist, (1) Occupational Therapist & (1) Infant Toddler Developmental Specialist for review with instructions to verify if Ms. Bastin was working outside her scope of practice in the Birth to Three multidisciplinary

team approach. All three consultants contract to WV Birth to Three and are familiar with the Birth to Three processes.

All three consultants had concerns but could not come to definitive decision because the files and information included in the patient files was incomplete, at best. Ms. Bastin is a very poor record keeper but that was not part of the original complaint.

Based on our attorney's recommendation, the Board voted to dismiss the case with concerns of no consultation with the appropriate team member (physical therapist or occupational therapist) before employing the use of assistive devices. The documents reviewed will also be submitted to WV Birth to Three for their review.

The Board voted to dismiss the complaint on February 22, 2017. The dismissal letter was mailed on March 7, 2017. The documents reviewed will be submitted to WV Birth to Three for their review.

Name: Deborah Albaugh, A-0271

The response was received from the Audiologist on May 3, 2017 and provided:

- Signed repair authorizations by Ms. Czap for each repair in question

The Board voted to dismiss the complaint on May 3, 2017 for lack of just cause. A letter was sent to Ms. Czap re: the dismissal of the complaint. Ms. Czap called after receiving the letter and could not understand why because her hearing aids were under warranty at the time of the repairs. The Administrative Services Manager explained the warranty issue was not in the initial written complaint received.

A letter was received on July 5, from Ms. Czap re: paying for repairs to her hearing aids when they were still under warranty. After doing a little research to find the manufacturer of the hearing aids, the Administrative Services Manager spoke with the manufacturer and found the following:

- Hearing aids were purchased May, 2011 with the Peace of Mind warranty. The standard warranty is two (2) years. The Peace of Mind warranty adds one additional year for a total of three (3) years.
- The Peace of Mind was in effect until June 13, 2014.

Buckhannon, WV 26201

Present: Board President, Erin Browning
Board Secretary, Vickie Pullins
Board Member, Dr. Michael Zagarella
Board Member, Dr. Vernon Mullins
Citizen Member, Joe E. Richards
Administrative Services Mgr., Patricia Nesbitt – from Board Office

The meeting was called to order at 5:30 PM by the Board President, Erin Browning.

Shane Hall at CE Broker was scheduled for a presentation of their continuing education online tracking systems. He was unable to attend due to a family obligation.

Vickie Pullins made a motion to accept the minutes of the September 6, 2017 meeting as presented. Vern Mullins seconded the motion. Minutes were accepted as presented.

Patty Nesbitt presented the Cash Balance and PCard Reports. The Cash Balance as of September 30, 2017 was \$222,837.82(attached). Patty Nesbitt presented the PCard purchases for September (October Payment), including travel expenses on the Ghost Travel Card. Joe Richards made a motion to accept the Financial Report. Mike Zagarella seconded the motion. Joe Richards made a motion to accept the PCard Report as presented. Erin Browning seconded the motion. Motions carried.

OLD BUSINESS

The purchase or lease of a new copier was discussed at the February 22, 2017 meeting. The state did not, however have a statewide contract in place at that time. Komax, in Charleston was recently awarded the statewide contract so Patty Nesbitt presented the costs for both leasing and purchasing a new copier. After a discussion, Vern Mullins made a motion to lease a new copier for 4 years. (48 months). Vickie Pullins seconded the motion. Motion carried.

Patty will check with the State regarding the requirements and paperwork to donate the “existing” copier to a 503C, non-profit or charitable organization. She will report back to the Board at the next Board meeting.

Patty Nesbitt provided an update on the issue of the Audiologist taxonomy code being used by a Hearing Instrument Specialist/Registered Nurse in conjunction with her NPI number. After waiting a few weeks for the change to take place on the NPI Registry website, Patty called and ask for specific instructions for changing the code so she could relay them to the Hearing Aid Dealers Board. The change was pending because it was not “submitted.” Hopefully, the change will be in effect before the next Board Meeting.

The decision to allow Lisa Bosley’s application for a provisional license was discussed. The Board Office received a phone call prompting the discussion. Mike Zagarella made a motion that in light of recent information obtained by the Board from Genesis Healthcare and in the event Lisa Bosley actually applies for a provisional license, the Board would need to verify that she has met her court mandated obligations before approving a provisional license. Erin Browning seconded the motion. Motion carried with 4 voting Yay. Joe Richards Abstained.

COMPLAINTS

Patty Nesbitt gave updates as follows:

Elissa Lindsay – Kelli Talbott filed our brief with the Supreme Court and was forwarded to the Board Members. E. Lindsay’s attorney will file her brief and we (Kelli Talbott) will have until Dec., 4th to file our reply.

The Board has been assigned a new attorney by the Attorney General’s office. She is in the process of reviewing the Juliane Bearden case. Once she is finished, we can then schedule a new hearing.

The Letter of Reprimand for Barbara Cox’s file is complete and in her file.

Patty is still waiting for the subpoenaed information for Compliant #51.

NEW BUSINESS

The Board had a brief discussion of the Board’s Annual Report. The report is complete and ready for submission to the Legislature.

As mentioned above, the Board was assigned a new attorney from the AG’s office. The Board has been without full representation since Greg Foster left the AG’s office mid-August to take a position with the Medical Board. The Board’s attorney’s name is Celeste Weber-Barber.

Since the Board has had many attorneys over the last several years which leads to a lack of continuity and consistency, especially when there are ongoing complaints. A question was raised about the possibility of retaining outside counsel. Joe Richards and Erin Browning will do a little research and report back to the Board.

Attendance at the FARB Forum in San Diego, CA was discussed. The cost will be approximately \$2,400 per person. Joe made a motion to send Erin Browning and Vickie Pullins to the conference. Mike Zagarella seconded the motion. Motion carried with 3 voting Yay. Vern Mullins voted Nay.

Implementation of online license verification was discussed. The Board members will research a few state websites, as well as WV Board websites that utilize online verification. A decision was tabled for further discussion at the next Board Meeting.

Attendance of all for the mandatory Auditor's Board Training on November 29th was confirmed.

Erin Browning made a motion to adjourn. Vernon Mullins seconded the motion. Meeting adjourned at 6:57 PM.

OLD BUSINESS

One of the biggest takeaways was to "think and develop some strategies to tell the story of the good we are doing for consumers, protection for the public rather than focusing on regulation of the licensees.

Erin thanked the Board for funding the expenses and approving her attendance to the conference.
