The Honorable James Justice  
Governor of the State of West Virginia  
1900 Kanawha Boulevard East  
Charleston, West Virginia 25305

Dear Governor Justice:

Presented herein is *the Annual Report for the West Virginia Board of Examiners for Speech-Language Pathology and Audiology for fiscal years 2018 and 2019.*

The Board's mission is safeguarding the public health by assuring and maintaining the academic & clinical requirements and qualifications of professional, provisional and assistant Speech-Language Pathologists and Audiologists. The goal of this agency will be to maintain competent and professionally prepared licensed Speech-Language Pathologists and Audiologists in the great State of West Virginia.

The Board is charged with the enforcement and administration of the provisions set forth in Chapter 30, Article 32 of the West Virginia Code and the West Virginia Code Rule CSR29 Series 1 - 5 relating to the licensure and regulation of Speech-Language Pathologists and Audiologists. All complaints received are included in the Complaint Log on pages 26 - 45 of this report.

The Board consists of five members appointed by the governor; two (2) members being Speech-Language Pathologists, two (2) members being Doctors of Audiology and one (1) citizen member. The current Board President is Erin Browning, Speech-Language Pathologist. Each member may serve two (2) three year terms or until successors have been appointed by the governor.

There has been a significant licensure increase in two specific settings for over the past several years. The two settings are public school Speech-Language Pathologists and Speech-Language Pathologists providing services via telepractice. The majority of the speech pathologists providing therapy by telepractice are providing services to public school students.

The utilization of telepractice, especially in rural states like WV, is definitely on the rise. Even though, the number of licensed telepractice practitioners is a small percentage of our total licensee base, there was a 33% increase in telepractice licensure for FY 2018 and the numbers have continued to increase through FY 2019.

The Honorable James Justice  
December 12, 2019

The Board voted during the May 23, 2019 meeting to update all license application and renewal processes to an online web based application. This software will make all the processes less cumbersome for the licensee, as well as the Board staff. There have been no upgrades to the processes since the initial database was installed in 2004. The software will also incorporate online license verification, as well as implementing random audits of continuing education requirements. The software is scheduled to be online by June or July, 2020.

The final draft of the Audiology and Speech-Language Pathology Interstate Compact (ASLP-IC) was approved by the Project Advisory Group on March 31, 2019. The ASLP-IC becomes operational once 10 states enact legislation and enter the compact. West Virginia is slated as one of the first 10 states for legislative approval and the Board is actively involved in meetings with legislators to advance the compact legislation in 2020 providing consumers with increased access to services even in the most rural areas of WV and granting military spouses the ability to move from state to state with one license.

Our Board has been active this year in many ways safeguarding the public health of our consumers in WV accessing speech pathology and audiology services.

Sincerely,

Erin Browning, M.A., CCC-SLP  
Speech-Language Pathologist,  
President of the Board

Name of Licensee: Rene' Donley, Audiologist

Nature of Complaint: Fraudulent information documented in his records. Patient claims he has been previously diagnosed with vertigo by other doctors and is trying to get VA Disability Compensation. The diagnosis of vertigo is not in Mr. Mordecai's VA medical records and he is claiming Dr. Donley purposely falsified his records. The examination was a "Compensation and Pension Evaluation" – not a medical examination but an administrative evaluation requested by VA, Huntington, WV and standard VA protocol must be followed.

The case against Dr. Rene' Donley was dismissed. The Board is without jurisdiction to decide matters concerning VA compensation and pension evaluation rules, regulations and procedures.

Case #32: - Reported to NPDB 08/06/2010

Some leniency was given to Ms. Hitt for the following reasons:

- Completed her Clinical Fellowship Year in the Kanawha County, WV school system; WV licensure is not a requirement in the school system
- Even though, she advised her employer that she did not have a professional license and was waiting for her CCC and would then apply, the employer told her she could see patients and they would have a licensed SLP co-sign her evaluations, treatments, etc.

Some leniency was given to Ms. McCullough for the following reasons:

- Information received from her SLP supervisor was incorrect. The supervisor, who is licensed in PA and WV, thought a Clinical Fellow worked under the supervisor's license. This is true in PA but a provisional license is required in WV. Even though, the Board found fault with Ms. McCullough, they felt the biggest part of the culpability was the supervisor's.

At the same time, she also signed an amendment to the settlement agreement to dismiss the complaint against Ms. Thomas with the Board of Examiners. She signed the amendment with prejudice.

- Two (2) hours of Ethics continuing education prior to license renewal in December, 2014
- Letter of reprimand for the licensee's file.
- Write an article for the WV Board of Examiner's newsletter pertaining to this violation but not necessarily specific to this situation.

The licensee declined and requested a hearing. The case was heard before an Administrative Law Judge on December 9, 2014 at the Board office. The decision, dated April 10, 2015, sustained the Board's findings and denied any objections or defenses by the Respondent (licensee).

An appeal was filed on June 4, 2015. The hearing for the appeal is scheduled for November 30, 2015 and rescheduled for January 4, 2016. The matter was argued before Raleigh County Circuit Court Judge Robert A. Burnside, Jr.

After failure of Judge Burnside entering the Final Order, the Board entered a Writ of Mandamus with the Supreme Court on May 11, 2017 to compel Judge Burnside to issue a Final Order and enable the Board to appeal the adverse ruling. The Board voted to appeal the Circuit Court's decision to the Supreme Court during the July 14, 2017 Board Meeting. Vickie Pullins recused herself and left the meeting during the discussion and vote. The Petitioner's Brief (Board) was filed with the Supreme Court on September 27, 2017.

Case #46 – Not Reportable to NPDB – Dismissed with Concerns February 22, 2017

Complainant: Lara Ann Hartzell, PT – WV Birth to Three

Nature of Complaint: Providing Services outside the scope of practice of Speech-Language Pathology.

Name: Stacy Bastin, SLP-0710

Alleged Violations: Evaluating and providing services directly related to Physical Therapy & Occupational Therapy to children in the WV Birth to Three program.

Response to complaint notification received from Respondent's attorney June 13, 2016. The Board did decide an investigation would be necessary to gather more information. The Subpoena for Activity Notes for Ms. Bastin's patients was denied by WV Birth to Three on July 25, 2016. The denial was based on privacy issues and Federal Regulations.

Patient files received from Ms. Bastin's attorney were reviewed by the Administrative Services Manager. Redacted files were sent to (3) Consultants hired by the Board; (1) Speech Pathologist, (1) Occupational Therapist & (1) Infant Toddler Developmental Specialist for review with instructions to verify if Ms. Bastin was working outside her scope of practice in the Birth to Three multidisciplinary team approach. All three consultants contract to WV Birth to Three and are familiar with the Birth to Three processes.

All three consultants had concerns but could not come to definitive decision because the files and information included in the patient files was incomplete, at best. Ms. Bastin is a very poor record keeper but that was not part of the original complaint.

Based on our attorney's recommendation, the Board voted to dismiss the case with concerns of no consultation with the appropriate team member (physical therapist or occupational therapist) before employing the use of assistive devices. The documents reviewed will also be submitted to WV Birth to Three for their review.

The Board voted to dismiss the complaint on February 22, 2017. The dismissal letter was mailed on March 7, 2017. The documents reviewed will be submitted to WV Birth to Three for their review.

Case #48 – Not Reportable to NPDB – Dismissed – May 3, 2017

Complainant: Ms. Delores Czap

Nature of Complaint: Two separate issues – same complaint number. Initial complaint referenced charge to fix hearing aids and the fee would have been covered by her Ohio Medicaid card but she was not given the correct information re: whether the Audiologist was a Medicaid provider.

Name: Deborah Albaugh, A-0271

The response was received from the Audiologist on May 3, 2017 and provided:

- Signed repair authorizations by Ms. Czap for each repair in question
- Ms. Czap made regular payments for each repair she authorized
- Copies of the most recent insurance/Medicare cards provided by the Ms. Czap when she checked in on the visits. No Medicaid card was provided.

Ms. Albaugh practices in West Virginia and Pennsylvania. If she was a Medicaid provider, Ms. Czap is an Ohio resident with Ohio Medicaid.

The Board voted to dismiss the complaint on May 3, 2017 for lack of just cause. A letter was sent to Ms. Czap re: the dismissal of the complaint. Ms. Czap called after receiving the letter and could not understand why because her hearing aids were under warranty at the time of the repairs. The

Administrative Services Manager explained the warranty issue was not in the initial written complaint received.

A letter was received on July 5, from Ms. Czap re: paying for repairs to her hearing aids when they were still under warranty. After doing a little research to find the manufacturer of the hearing aids, the Administrative Services Manager spoke with the manufacturer and found the following:

- Hearing aids were purchased May, 2011 with the Peace of Mind warranty. The standard warranty is two (2) years. The Peace of Mind warranty adds one additional year for a total of three (3) years.
- The Peace of Mind was in effect until June 13, 2014.
- The hearing aids were sent for repair in December, 2015 (out of warranty) and August, 2016 (out of warranty)

A letter with the above information was sent to Ms. Czap on July 24, 2017 The original dismissal of the case remains May 3, 2017.

The meeting was called to order at 5:30 PM by the Board President, Erin Browning.

Shane Hall at CE Broker was scheduled for a presentation of their continuing education online tracking systems. He was unable to attend due to a family obligation.

Vickie Pullins made a motion to accept the minutes of the September 6, 2017 meeting as presented. Vern Mullins seconded the motion. Minutes were accepted as presented.

Mike Zagarella seconded the motion. Joe Richards made a motion to accept the PCard Report as presented. Erin Browning seconded the motion. Motions carried.

### OLD BUSINESS

The purchase or lease of a new copier was discussed at the February 22, 2017 meeting. The state did not, however have a statewide contract in place at that time. Komax, in Charleston was recently awarded the statewide contract so Patty Nesbitt presented the costs for both leasing and purchasing a new copier. After a discussion, Vern Mullins made a motion to lease a new copier for 4 years. (48 months). Vickie Pullins seconded the motion. Motion carried.

Patty will check with the State regarding the requirements and paperwork to donate the “existing” copier to a 503C, non-profit or charitable organization. She will report back to the Board at the next Board meeting.

Patty Nesbitt provided an update on the issue of the Audiologist taxonomy code being used by a Hearing Instrument Specialist/Registered Nurse in conjunction with her NPI number. After waiting a few weeks for the change to take place on the NPI Registry website, Patty called and ask for specific instructions for changing the code so she could relay them to the Hearing Aid Dealers Board. The change was pending because it was not “submitted.” Hopefully, the change will be in effect before the next Board Meeting.

The decision to allow Lisa Bosley’s application for a provisional license was discussed. The Board Office received a phone call prompting the discussion. Mike Zagarella made a motion that in light of recent information obtained by the Board from Genesis Healthcare and in the event Lisa Bosley actually applies for a provisional license, the Board would need to verify that she has met her court mandated obligations before approving a provisional license. Erin Browning seconded the motion. Motion carried with 4 voting Yay. Joe Richards Abstained.

### COMPLAINTS

Patty Nesbitt gave updates as follows:

Elissa Lindsay – Kelli Talbott filed our brief with the Supreme Court and was forwarded to the Board Members. E. Lindsay’s attorney will file her brief and we (Kelli Talbott) will have until Dec., 4<sup>th</sup> to file our reply.

The Board has been assigned a new attorney by the Attorney General’s office. She is in the process of reviewing the Juliane Bearden case. Once she is finished, we can then schedule a new hearing.

The Letter of Reprimand for Barbara Cox’s file is complete and in her file.

Patty is still waiting for the subpoenaed information for Compliant #51.

### NEW BUSINESS

The Board had a brief discussion of the Board’s Annual Report. The report is complete and ready for submission to the Legislature.

As mentioned above, the Board was assigned a new attorney from the AG’s office. The Board has been without full representation since Greg Foster left the AG’s office mid-August to take a position with the Medical Board. The Board’s attorney’s name is Celeste Weber-Barber.

Since the Board has had many attorneys over the last several years which leads to a lack of continuity and consistency, especially when there are ongoing complaints. A question was raised about the possibility of retaining outside counsel. Joe Richards and Erin Browning will do a little research and report back to the Board.

Attendance at the FARB Forum in San Diego, CA was discussed. The cost will be approximately \$2,400 per person. Joe made a motion to send Erin Browning and Vickie Pullins to the conference. Mike Zagarella seconded the motion. Motion carried with 3 voting Yay. Vern Mullins voted Nay.

Implementation of online license verification was discussed. The Board members will research a few state websites, as well as WV Board websites that utilize online verification. A decision was tabled for further discussion at the next Board Meeting.

Attendance of all for the mandatory Auditor's Board Training on November 29<sup>th</sup> was confirmed.

Erin Browning made a motion to adjourn. Vernon Mullins seconded the motion. Meeting adjourned at 6:57 PM.

Respectfully submitted,

Online license verification was discussed and tabled during the October 18, 2017 meeting. After additional discussion, Vickie Pullins made a motion to implement online verification. Joe Richards seconded the motion. Motion carried.

It has come to the Board's attention that Lisa Bosley has not continued to pay restitution to Genesis Rehabilitation per the Court Order from the US Federal Court issued in 2012. If a license application is received from Ms. Bosley, the Board will revisit the issue.

Patty Nesbitt reported the issue of the Hearing Instrument Specialist using an Audiologist taxonomy code in her NPI profile has been corrected.

The Board discussed further whether or not the Board can report a dismissed complaint to the ASHA Board of Ethics.

When the Board approved the lease of a new copier, the possibility of donating the existing copier was brought up. Patty Nesbitt reported that donation is no longer an option because of all the information stored in a digital copier. The copier must be sent to Surplus Properties.

### **OLD BUSINESS**

Legislative Updates – Patty Nesbitt reported of the numerous bills introduced during the 2019 Legislative Session, the only bill approved by both houses and signed by the Governor was SB 396. The applicable rule change required to Rule 29-1 for low income applicants/licensee and military families and veterans specified in SB396 are included with the CE audit changes approved by the Board during the February 19<sup>th</sup> meeting.

Rule 29-1 Modifications – The modifications to Rule 29-1 were reviewed and discussed. Vickie Pullins made a motion to approve the modifications. After further discussion, Joe Richards seconded the motion. Motion carried.

Board Meeting Minutes  
April 4, 2019

WVU Intern – Vickie Pullins reached out to the Department Chair, Jayne Brandel regarding the expected wage for an intern. Vickie Pullins reported, per Jayne Brandel, they thought a fair wage would be \$10 per hour. After a discussion on the weekly maximum number of hours and what duties the intern would be allowed to perform in the office, the Board decided it was up to the Executive Director whether or not it was feasible to hire an intern for 20 hours a week. If the Executive Director decides it is feasible, she may go forward with required paperwork and the interviewing process.

Public Outreach – Erin Browning discussed the importance of reaching out to consumers to articulate the mission of the Board of Examiners. She is waiting for a call back from a graphic designer at the Treasurer’s office for an approximate cost to develop a brochure. She also discussed the idea of a Facebook page. She will do further research and report back to the board so decisions can be made.

**NEW BUSINESS**

Staff Salary – Erin Browning presented a list of 2018 salaries for WV Chapter 30 Boards. Since the Executive Director had not had a salary increase since 2014, she felt, based on the work load and a comparison to similar size boards, an increase was justified. Joe Richards made a motion to increase the Executive Director’s salary to \$61,500 per year. Vickie Pullins seconded the motion. Motion carried.

License Renewal – Patty Nesbitt reviewed the license renewal report with the Board. During the last license renewal (license expiration 12/31/2018) there were:

SLP Renewals	850
AUD Renewals	143
Dual Licensee Renewals	3
<b>Total Renewal</b>	<b>996</b>
New Licensees as of 03/31/2019	20
Provisional Licensees	60
Registered Assistants	8
<b>Total</b>	<b>1,084</b>

Regulatory Technology – Thentia Regulatory Technology presented their software via Zoom the last week of March to Patty Nesbitt, Joe Richards & Vickie Pullins. The proposed fee from Thentia is \$830 per month for 5 years with a renewal after 5 years. All the functions of the Board would be online, including applications, renewals, uploading of documents, online verifications, complaints and would also include a new website. The Board’s current database is not web based, so new applications and, more importantly, license renewals are completed in 4-5 separate steps. The Board requested that Patty Nesbitt have discussions with other similar size boards to see what direction they are planning in the near future. The Board requested a breakdown of time required to process applications & renewals with current methods.

NCSB Sponsorship – A sponsorship of the September 2019 NCSB conference in San Antonio was discussed. Mike Zagarella made a motion to provide a \$1500 sponsorship for the conference. Joe Richards seconded the motion. Motion carried.
