The Honorable James Justice
Governor of the State of West Virginia
1900 Kanawha Boulevard East
Charleston, West Virginia 25305

Presented herewith is the Annual Report for the West Virginia Board of Examiners for Speech-Language Pathology and Audiology (herein after the "Board") relevant to fiscal year 2021 through 2022. The Board's mission is the safeguarding of public health by the assuring the maintenance of academic and clinical requirements and qualifications of professional, provisional, and assistant Speech-Language Pathologists and Audiologists serving the people of the Great State of West Virginia.

The Board is charged with the administration and enforcement of provisions set forth in West Virginia Code and West Virginia Rule CRS29 Series 1-5 relating to the licensure and regulation of Speech-Language Pathologists and Audiologists. A roster of all complaints received is herewith in the "Complaint Log" on pages 28-48 of this report.

The Board Consists of 5 members appointed by the Governor: two members licensed as Speech-Language Pathologists (Erin Leigh-Ann Browning and Vickie Pullins), two members licensed as Audiologists (Michael J. Zagarella and Vernon N. Mullins), and one citizen member Joe E. Richards). Dr. Mullins is currently serving as Chairman and President of the Board. Each member may serve two (2) three (3) year terms or until successors have been appointed by the governor.

A major project for the Board this year and next concerns the passage of HB-4333 whereby the Board of Hearing Aid Dealers was set to be terminated as June 30,2023. That bill assigned the administration and enforcement of licensed hearing aid dealers serving West Virginia consumers to the Board of Examiners for Speech-Language Pathology and Audiology.

Honorable James Justice

The Board authorized a committee of three Board members plus one licensed audiologist and one licensed hearing aid dealer. That committee was charged with gathering ideas and forming concepts for effective administration of hearing aid dealers within the Board's code section and such that the incorporation of the hearing aid dealers would be in harmony with the Board and more importantly with the consumers of West Virginia. The result of the Board's efforts was approved in a regular Board meeting on October 26, 2022 to be prepared for presentation to the Legislature in November of 2022 for consideration during the 2023 Legislative session. Rules and Fee Schedules are to be considered for the hearing aid dealers and then submitted to the Secretary of State on July 1, 2023 as an Emergency Rule with an effective date of July 30, 2023.

The Board has also actively followed the progress of the Interstate Compact for Speech-Language Pathology and Audiology (ASLP-IC) with two of our members, Dr. Michael Zagarella, and Ms. Vickie Pullins serving, on the compact Rules Committee. West Virginia was the first state to agree to the compact as approved by the West Virginia Legislature in 2020. Ten member states were required to activate. There are now 23 member states. Speech Pathology and Audiology professionals licensed in member states will be able to apply to the compact for licensure reciprocity among the member states. The member states licensure boards will be so notified and the law and rules of the member state in which the patient is served shall apply to the practitioner. The compact should be implemented during year 2023.

Current roster

Current roster of member states: West Virginia, Louisiana, Oklahoma, Colorado, Nebraska, Utah, Ohio, Kentucky, Kansas, Idaho, Iowa, Missouri, Indiana, Tennessee, Mississippi, South Carolina, Wyoming, Alabama, Georgia, North Carolina, Maryland, New Hampshire, and Delaware. Montana's legislature is in process of considering the compact.

The examination was a "Compensation and Pension Evaluation" – not a medical examination but an administrative evaluation requested by VA, Huntington, WV and standard VA protocol must be followed.

The case against Dr. Rene' Donley was dismissed. The Board is without jurisdiction to decide matters concerning VA compensation and pension evaluation rules, regulations, and procedures.

Some leniency was given to Ms. Hitt for the following reasons:

- Completed her Clinical Fellowship Year in the Kanawha County, WV school system; WV licensure is not a requirement in the school system
- Even though, she advised her employer that she did not have a professional license and was waiting for her CCC and would then apply, the employer told her she could see patients and they would have a licensed SLP co-sign her evaluations, treatments, etc.

Some leniency was given to Ms. McCullough for the following reasons:

- Information received from her SLP supervisor was incorrect. The supervisor, who is licensed in PA and WV, thought a Clinical Fellow worked under the supervisor's license. This is true in PA but a provisional license is required in WV. Even though, the Board found fault with Ms. McCullough, they felt the biggest part of the culpability was the supervisor's.

- Letter of reprimand for the licensee's file.
- Write an article for the WV Board of Examiner's newsletter pertaining to this violation but not necessarily specific to this situation.

The licensee declined and requested a hearing. The case was heard before an Administrative Law Judge on December 9, 2014 at the Board office. The decision, dated April 10, 2015, sustained the Board's findings, and denied any objections or defenses by the Respondent (licensee).

The ALJ's decision was appealed to the Harrison County Circuit Court. The hearing on the appeal was heard on February 9, 2017. During the hearing, the Judge noticed the Complaint & Notice of Hearing was signed by Patricia Nesbitt, Administrative Services Manager and Vickie Pullins did not recuse herself during the Board meeting discussing the adoption of the ALJ's recommendation. Ms. Pullins seconded the motion to adopt the recommended order.

On May 8, 2017, the Final Order of the Board was vacated and remanded to permit the Board to amend the Complaint with proper signatures, so the Board may retry the case in its entirety, if it chooses to do so.

During the July 14, 2017 Board Meeting, the Board voted to retry the case. Vickie Pullins recused herself and was not in the room during the discussions and the vote. Case #46 – Not Reportable to NPDB – Dismissed with Concerns February 22, 2017

Complainant: Lara Ann Hartzell, PT – WV Birth to Three

Nature of Complaint: Providing Services outside the scope of practice of Speech-Language Pathology.

Name: Stacy Bastin, SLP-0710

Alleged Violations: Evaluating and providing services directly related to Physical Therapy & Occupational Therapy to children in the WV Birth to Three program.

Response to complaint notification received from Respondent's attorney June 13, 2016. The Board did decide an investigation would be necessary to gather more information. The Subpoena for Activity Notes for Ms. Bastin's patients was denied by WV Birth to Three on July 25, 2016. The denial was based on privacy issues and Federal Regulations.

Patient files received from Ms. Bastin's attorney were reviewed by the Administrative Services Manager. Redacted files were sent to (3) Consultants hired by the Board; (1) Speech Pathologist, (1) Occupational Therapist & (1) Infant Toddler Developmental Specialist for review with instructions to verify if Ms. Bastin

was working outside her scope of practice in the Birth to Three multidisciplinary team approach. All three consultants contract to WV Birth to Three and are familiar with the Birth to Three processes.

All three consultants had concerns but could not come to definitive decision because the files and information included in the patient files was incomplete, at best. Ms. Bastin is a very poor record keeper but that was not part of the original complaint.

Based on our attorney's recommendation, the Board voted to dismiss the case with concerns of no consultation with the appropriate team member (physical therapist or occupational therapist) before employing the use of assistive devices. The documents reviewed will also be submitted to WV Birth to Three for their review.

The Board voted to dismiss the complaint on February 22, 2017. The dismissal letter was mailed on March 7, 2017. The documents reviewed will be submitted to WV Birth to Three for their review.

Case #48 – Not Reportable to NPDB – Dismissed – May 3, 2017

Complainant: Ms. Delores Czap

Nature of Complaint: Two separate issues – same complaint number. Initial complaint referenced charge to fix hearing aids and the fee would have been covered by her Ohio Medicaid card but she was not given the correct information re: whether the Audiologist was a Medicaid provider.

Name: Deborah Albaugh, A-0271

The response was received from the Audiologist on May 3, 2017 and provided:

- Signed repair authorizations by Ms. Czap for each repair in question
- Ms. Czap made regular payments for each repair she authorized
- Copies of the most recent insurance/Medicare cards provided by the Ms. Czap when she checked in on the visits. No Medicaid card was provided.
- Ms. Albaugh is not a participating provider of Medicaid.

Ms. Albaugh practices in West Virginia and Pennsylvania. If she was a Medicaid provider, Ms. Czap is an Ohio resident with Ohio Medicaid.

The Board voted to dismiss the complaint on May 3, 2017 for lack of just cause. A letter was sent to Ms. Czap re: the dismissal of the complaint. Ms. Czap called after receiving the letter and could not understand why because her hearing aids were under warranty at the time of the repairs. The Administrative Services Manager explained the warranty issue was not in the initial written complaint received.

A letter was received on July 5, from Ms. Czap re: paying for repairs to her hearing aids when they were still under warranty. After doing a little research to find the manufacturer of the hearing aids, the Administrative Services Manager spoke with the manufacturer and found the following:

- Hearing aids were purchased May, 2011 with the Peace of Mind warranty. The standard warranty is two (2) years. The Peace of Mind warranty adds one additional year for a total of three (3) years.
- The Peace of Mind was in effect until June 13, 2014.
- The hearing aids were sent for repair in December, 2015 (out of warranty) and August, 2016 (out of warranty)

A letter with the above information was sent to Ms. Czap on July 24, 2017 The original dismissal of the case remains May 3, 2017.

Patty Nesbitt presented financial reports for FY ending 2019 and FY 2020 through August 31, 2019. The cash balance for FY ending 2019 was \$277, 160.48. The cash balance for FY 2020 through August 31, 2019 was \$266,416.79. The total expenses for FY ending 2019 were \$114,444.39. The total expenses for FY 2020 through August 31, 2019 were \$23,096.87. Joe Richards made a motion to accept the financial reports as presented. Vickie Pullins seconded the motion. Motion carried.

Vern Mullins made a motion to go into Executive Session. Joe Richards seconded the motion. Executive session began at 5:09 PM.

Joe Richards made a motion at 6:10 PM to end Executive Session. Vern Mullins seconded the motion. Motion carried.

Complaint #52 – Vickie Pullins made a motion that a letter be sent to Ms. Gallaher as a result of information received from the probation supervisor. The Board is extending the probationary period until December 1, 2019, at which time all conditions of her Consent Agreement must be met. Joe Richard seconded the motion. Motion carried.

Complaint #54 – Vickie Pullins made a motion to issue a Statement of Charges, as well as a Consent Agreement. The Consent Agreement will include a reprimand, the requirement of three (3) hours of continuing education in Ethics/Professional Responsibility, three (3) hours of continuing education in Billing Practices and the reimbursement of the Board’s legal fees and costs. Joe Richards seconded the motion. Motion carried.

OLD BUSINESS

Interstate Compact – The Board’s position on the Interstate Compact was discussed. Vickie Pullins presented a summary of the information from the ASLP-IC Legislative Summit in Washington, DC on August 19th & 20th.

The WV Audiology Assn. Conference is the last week of October. Vern Mullins and Mike Zagarella will discuss with the attendees for their feedback and report back to the Board. The Board’s position was tabled until the next Board Meeting.

Rule 29-1 & 29-4 Modification Status – Patty Nesbitt reported 29-1 was originally on the Interim Committee Schedule for September but because 29-4 modification is currently out for public comment, 29-1 was pulled from September’s agenda so the Legislative Rules Committee can review both modifications at the same time. Public Comment ends for 29-4 on Friday, September 20, 2019.

Regulatory Software – Patty Nesbitt reported the board has a purchase order for the InLumon regulatory software. InLumon will not begin “building” our software package until November 1, 2019.

NEW BUSINESS

Patty Nesbitt reported, that based on information brought to the Board office’s attention by an applicant after completing a Postgraduate Professional Experience, the Board can no longer require 10 hours of continuing education while holding a provisional license for completion of the Professional Experience. The requirement is not stated in Rule 29-1 so it cannot be required by the Board.

The wv.gov email accounts have become very cumbersome for the Board Members because they use them so rarely. When the accounts are not accessed on a regular basis, passwords are deleted, accounts are locked because of non-use., etc. After researching a secure encrypted service, Patty Nesbitt recommended the Board Members set up email accounts with ProtonMail. Instructions for setting up an account will be sent to the Board Members.

A question from an unlicensed school speech pathologist, regarding the requirement for completing billing information for Medicaid services provided, was received by the Board office. Since the SLP is unlicensed, they are considered a SSLPA by the Dept. of Education and cannot bill Medicaid. Vickie Pullins spoke to LeeAnn Brammer regarding the issue. All unbillable services provided are totaled at the end of the year for a cost settlement. Medicaid then reimburses the Dept. of Education for those services.

A request was received to share expenses for Keith Fisher, Board Attorney, to attend the FARB Regulatory Law Seminar in St. Louis, MO the first week of October. Mike Zagarella made a motion to contribute a maximum of \$500 toward travel and registration expenses. Vickie Pullins seconded the motion. Motion carried.

Erin Browning summarized the accomplishments of the WVU summer intern, Natalie Thorpe. Overall, it was a positive experience for all involved.

Vickie Pullins made a motion to adjourn. The next tentative meeting date is December 4, 2019. Joe Richards seconded the motion. Meeting adjourned at 7:15 PM.

Respectfully submitted,

President Erin Browning called the meeting to order at 5:00 PM.

The minutes of the September 18, 2019 meeting were presented. Vickie Pullins made a motion to accept the minutes as presented. Vernon Mullins seconded the motion. Motion carried.

Patty Nesbitt reviewed the final edits made by Senate Attorney, Cindy Dellinger, to the Rules 29-1 & 29-4. Vickie Pullins made a motion to accept the Rules revisions. Vernon Mullins seconded the motion. Motion carried.

Erin Browning led a discussion on a Board concensus for information provided to licensees when questions arise regarding their scope of practice. After a lengthy discussion, some members felt the Board and the Board office cannot determine what is or is not in a clinician's scope of practice. They can, however, provide a copy of or refer the clinician to WV Code §30-32-13. Scope of practice for Speech-Language Pathology or WV Code §30-32-14. Scope of practice for Audiology. It is the clinician's professional responsibility to know their scope of practice and, in most cases, an employment issue.

Patty Nesbitt received a request from a licensee who applied and received her provisional license in September 2019. She had medical issues related to a pregnancy and was not able to work so she requested her license effective date be changed to a February, 2020 date when she is does begin working. 29-1-15.5.2.a. Speech Pathologists with a provisional license while completing a postgraduate professional experience/clinical fellowship year.

The Secretary of State will post the suspension on their website under the Administrative Law Department. The information will also be sent to all licensees via email and posted on the Board website.

Joe Richards made a motion to adjourn. Vern Mullins seconded the motion. Meeting adjourned at 5:21 PM.

West Virginia Board of Examiners for Speech-Language Pathology and Audiology

April 8, 2020

Time: 5:00 PM
Location: Emergency Board Meeting via Video Conference from Remote Sites

Present: Board President, Erin Browning
Board Secretary, Vickie Pullins
Board Member, Dr. Michael Zagarella
Board Member, Dr. Vernon Mullins
Citizen Member, Joe Richards
Keith Fisher, Assistant Attorney General – Board Attorney
Patty Nesbitt, Executive Director

President Erin Browning called the meeting to order at 5:00 PM.

The Board discussed the pros and cons of opening up the practice of telepractice across state lines to licensed providers in their home state. Keith Fisher explained the option of requesting an Executive Order from the Governor to suspend the current limitation of five days specified in our Code. The five day period in a calendar year allows licensed speech pathologists and audiologists from other states to provide services in West Virginia without applying for a license. The providers must, however, register with the Board.

Vickie Pullins made a motion to allow out of state licensees to provide telepractice services throughout the period of the pandemic as long as they register with our Board office.

Mike Zagarella stipulated the motion should include providing telepractice services to existing patients only and throughout the state of emergency instead of the pandemic. Vickie Pullins amended her motion to allow out of state licensees to provide telepractice services to existing patients through the duration of the state of emergency. Because the statute does not stipulate “existing patients/clients”, it will probably not be possible to stipulate the same in the Executive Order.

Vickie Pullins amended the motion to allow practitioners to provide telepractice services in WV during the duration of the state of emergency if they hold a license in their home state. They must also register with the Board. Mike Zagarella seconded the motion. Vernon Mullins and Joe Richards abstained. Motion carried with 3 yeas.

Keith Fisher will write the letter to the Governor requesting an Executive Order per the above motion.

The board had a lengthy discussion regarding the license requirement for public school speech pathologists providing telepractice because of the COVID-19 pandemic. Vickie Pullins made a motion to suspend the application fee of \$100 through June 30th for any public school speech pathologist who meets

the requirements for licensure. The license fee will be reduced to \$50 so continuity of services to the students of WV can continue. Mike Zagarella seconded the motion. Four members voted yes. Joe Richards voted no. Motion carried. Patty Nesbitt will prepare an emergency rule for submission to the Secretary of State's office.

Vernon Mullins made a motion to adjourn. Vickie Pullins seconded the motion. The meeting adjourned at 6:37 PM

Patty Nesbitt also reported there are currently 41 Speech-Language Pathologists with current out of state licenses registered to provide telepractice therapy services during the COVID-19 state of emergency, per the Governor's Executive Order 26-20.

The Interstate Compact progress was discussed. There are currently 6 states that have passed legislation for the compact. A total of 10 states are required for the compact to be operational.

The cancelled airline ticket purchased for Vickie Pullins travel to the NCSB meeting in March was discussed. The meeting was cancelled because of COVID but the travel agency (National Travel) will not refund the ticket because it was cancelled by the traveler and not the airline. It is possible to use the ticket up to December 31, 2021. Vickie Pullins is going to reach out to American Airlines for a refund. The issue was tabled until the next meeting.

The Umbrella Board assessment request was briefly discussed. The final document was accepted by the Board and will be submitted to the Joint Committee on Government Organization.

NEW BUSINESS

Vern Mullins wanted to reiterate, in case the request is made, that the Board members agree that extensions, etc., will not be granted, due to COVID-19, for the license renewal continuing education requirement. Even though in person sessions were cancelled there are many opportunities online. All members agreed.

An Audiology licensee contacted the Board regarding programming hearing aids virtually/online. She had been ask by her employer to program the hearing aids that are sold online using online hearing tests. She does not feel it is in the best interest of the patient and wanted to know if the Board could provide any information to help her case. The Board's WV Code & Code Rules do not state anything specific that relates to this issue. The Board made the decision to respond to her with a letter stating, based on the information she provided, fitting hearing aids virtually does violate our law and rules. Michael Zagarella will write the letter for the Board President's signature.

Patty Nesbitt reviewed the Purchasing Audit. This year's audit produced a 92% with (1) infraction. All purchases for statewide contract items from the Office Depot require an ADO (Agency Delivery Order) which was not completed.

Vickie Pullins seconded the motion. Motion carried.

CE Audit – Vickie Pullins made a motion that the licensees who responded to the CE Audit but fell short by a few hours will be offered a Consent Agreement for a letter of reprimand, a \$75 late fee and notation that the non-compliance is mandated to be reported to the National Practitioners Database. It will also be noted that any CEs completed in 2021 for the audit cannot be used for the licensing period 2021-2022.

Those that did not comply will be sent an email requiring submission of their CEs within five days and will be followed up with a Consent Agreement with the same terms as above.

The University is collaborating with the WV Dept of Education on the program. Patty Nesbitt will respond to the letter with the Board response.

NEW BUSINESS

Emergency Rule §29-1 - The proposed Emergency Rule mandated by HB 2024 passed by the Legislature and signed by the Governor on 04/09/2021 was discussed. The schedule of fees and continuing education requirements for registration of Interstate Telepractice Practitioners were discussed.

Vern Mullins made a motion that the schedule of fees and continuing education requirements for the interstate telepractice registrants be the same as the WV SLP & AUD licensees. Vickie Pullins seconded the motion. Motion carried.

Vickie Pullins made a motion to delete the limitation of telepractice services provided by provisional licensees. The limitation of telepractice services by Speech Pathology or Audiology Assistants remains as originally stated in §29-1. Erin Browning seconded the motion. Motion carried.

Interstate Compact Board of Directors – After a brief discussion, Joe Richards made a motion to nominate Vickie Pullins and Mike Zagarella to represent WV on the Interstate Compact Board of Directors. Vern Mullins seconded the motion. Motion carried.

Marshall University SLPA Program – The Board discussed the letter received from Pamela Holland, MA, CCC-S/BCS-S, Chair of the Dept. of Communication Disorders, regarding Marshall University's new Speech-Language Pathology Assistant Program. The University is collaborating with the WV Dept of Education on the program. Assistants provide services in public school and since the WV does not have universal licensure and Board does not have jurisdiction in the school system, there is no reason to change our requirement to include certification for an Assistant. Patty Nesbitt will respond to the letter with the Board response.

Regulatory Software – Patty Nesbitt is revisiting the implementation of a regulatory software system and reviewed a presentation with Thentia. Information from other state boards, as well as WV boards who have the software in place will be collected and reviewed by the Board for a final decision.

Vern Mullins made a motion to adjourn. Joe Richards seconded the motion. The meeting adjourned at 7:21 PM.

Executive Director, Patricia Nesbitt – Board Office

President Vernon Mullins called the meeting to order at 5:00PM.

Michael Zagarella introduced Gregg Thornton, Executive Director of the Ohio Speech and Hearing Professionals Board. Because there is a possibility the WV legislature will consolidate the Hearing Aid Dealers and Fitters Board with Speech-Pathology and Audiology during the current legislative session, Gregg Thornton was asked to provide information on Ohio's experiences before, during and after their consolidation in 2018. The information provided was important and very helpful to the Board members and are very appreciative of the information Mr. Thornton provided.

President Mullins requested a motion to move Old Business Item #1 to the end of the meeting. Vickie Pullins made the motion. Motion carried. Item #1 will be heard at the end of the meeting.

Patty Nesbitt requested the approval of minutes for the January 11, 2022 meeting be tabled because of omissions and required corrections. Joe Richard made a motion to table the minutes to a future meeting. Motion carried.

The Finance Report and PCard Expense Report were presented. Vickie Pullins made a motion to approve the Financial report as presented and the PCard Expense report as amended. Joe Richards seconded the motion. Motion carried.

Vickie Pullins gave an update on the FARB, Federal Assn. of Regulatory Boards, conference. Some of the topics covered were websites and the ease of applying for a license, frequently ask questions page, and a consumer Bill of Rights.

Diversity, Diversity, Diversity was a hot topic throughout the conference. Board members also need to “show up” at Association meetings, Universities, etc. For a small Board in a small State, Vickie came away from the conference feeling WV is and has been doing some very good things and are ahead of many much larger states with policies and procedures.

Patty Nesbitt discussed the possible upcoming issue with the copier we are currently leasing. The lease expires on February 28, 2022 but the State has not awarded a new contract so there are currently no copiers available on a statewide contract. If the issue is no resolved within the next week or so, Mike Zagarella made a motion to allow Patty Nesbitt to lease a copier off contract. Vickie Pullins seconded the motion. Motion carried.

Patty Nesbitt discussed the issues with printing of licenses with signatures of Vernon Mullins as President and Vickie Pullins as Secretary of the Board. A waiver has been received from Correctional Industries so we can go elsewhere to have the licenses printed. It does look as if the Board will still buy the parchment cardstock from Correctional Industries because it is not available elsewhere. We are hopeful it will all be finalized by the end of February.

Patty Nesbitt discussed the purchase and installation of new regulatory software. It will be most likely be after the first of the year 2023.

Patty Nesbitt summarized the Legislative bills introduced this session with references to Chapter 30 Boards.

Vickie Pullins recused herself and left the meeting before going into Executive Session.

Joe Richards made a motion to go into Executive Session. Mike Zagarella seconded the motion. Executive session began at 6:08 PM
