The Honorable Mitch Carmichael, Chair  
The Honorable Tim Armstead, Chair  
Joint Committee on Government and Finance  
1900 Kanawha Boulevard, East  
Charleston, West Virginia 25305

President Carmichael and Speaker Armstead:

Enclosed is a compilation of receipts and expenditures from the Landfill Closure Assistance Program Fund (LCAP) for fiscal year 2019, as required by WV Code 22-16-12(h). During the fiscal year, \$8,894,370 was deposited into the fund and \$6,642,543 was expended.

The LCAP was established to provide landfill closure assistance to owners/permittees of landfills that were required to cease operations pursuant to certain statutory closure deadlines for non-composite lined facilities. As funds are available, the program designs and constructs all closure related activities to provide sufficient leachate management, sediment and erosion control, gas management, groundwater monitoring, and a final cover cap on non-composite lined landfills. The program began with 28 landfills. Four landfills have been added to the original inventory by the Legislative process, including two in the 2014 Legislative session. There are 7 landfills left to be closed.

Should you have any questions or require additional information, please contact me at (304) 926-0440 ext. 41209.

Sincerely,

Catherine Guynn  
LCAP Program Manager
