November 8, 2012

The Honorable Earl Ray Tomblin  
Governor, State of West Virginia  
State Capitol Building  
1900 Kanawha Boulevard, East  
Charleston, WV 25305

Dear Governor Tomblin:

On behalf of the West Virginia State Board of Registration for Professional Engineers, we congratulate you as you begin your tenure as Chief Executive of this great state. We are pleased to provide you with our agencies' Annual Report for FY 2012. This report is hereby submitted in compliance with mandates of the statutory requirements of W.Va. Code §30-1-12(b).

In order to safeguard life, health and property and to promote the public welfare, the practice of engineering in this state is declared to be subject to regulation in the public interest. The PE Board is charged with the administration and enforcement of the provisions of W.Va. Code §30-13 governing the practice of professional engineering. Contained within is a certified Board report covering fiscal years 2011-2012, including required documentation of agendas, minutes, receipts, disbursements, rosters and a listing of filed complaints. As always, most of the information contained within this report, as well as other relevant applicant and examinee information, is readily accessible 24 hours a day, 7 days a week, via our website at [www.wvpebd.org](http://www.wvpebd.org).

In closing, please recognize that the WV State Board of Registration for Professional Engineers continues to strive to provide superior service to the engineering students, the engineering professionals, and the citizens of our great state! Should you have any comments or questions, please do not hesitate to contact our office.

Sincerely,

Lesley L. Rosier-Tabor, P.E.  
Executive Director

cc: Jeffrey V. Kessler, President of the Senate  
Richard Thompson, Speaker of the House of Delegates  
Darrell Holmes, Clerk of the Senate  
Gregory M. Gray, Clerk of the House of Delegates  
Natalie E. Tennant, Secretary of State  
DeAnnia Spelock, Resources Manager of Legislative Library  
Joe Gieger, Interim Director of Archives and History  
Lanette Anderson, Secretary of the WV Licensing Board Association

# REGISTRATION SUMMARY

## REGISTRATION REPORTING SUMMARY

### July 1, 2010 – June 30, 2011

#### Individuals \*\*

New Professional Engineer Registrations Granted (by exam or comity) = 519  
Active Professional Engineers (new by exam or comity + renewals) = 7291  
Retired Professional Engineers = 299

#### Companies \*\*

Certificates of Authorizations Granted to Companies (by application or renewal) = 2622

### July 1, 2011 – June 30, 2012

#### Individuals \*

New Professional Engineer Registrations Granted (by exam or comity) = 551  
Active Professional Engineers (new by exam or comity + renewals) = 7469  
Retired Professional Engineers = 319

#### Companies \*

Certificates of Authorizations Granted to Companies (by application or renewal) = 2815

\* *Active, Retired, and COA numbers reported reflect Roster values after the end of the FY 2011 renewal (per query 10/26/2011). New PE Registrations granted calculated through July 1, 2011.*

\*\* *Active, Retired, and COA numbers reported reflect Roster values after the end of the FY 2012 renewal (per query 10/15/2012). New PE Registrations granted calculated through July 1, 2012.*

# RECEIPTS & DISBURSEMENTS

All revenue utilized by the WV State Board of Registration for Professional Engineers is generated in the Fee Table outlined below:

Fundamentals of Engineering Exam (FE or Engineering Intern Exam)	
Application Fee	(\$25.00)
Examination Fee	(\$55.00) As charged by NCEES
TOTAL COST to sit for 1st time FE Exam or to file full new application package if last was over 2 years old (one check to be included in application package) <span style="float: right;">\$80.00</span>	
Re-application Fee	(\$20.00)
Re-examination Fee	(\$55.00) As charged by NCEES
TOTAL COST to sit for repeat FE Exam if last full new application package was received less than 2 years ago (one check to be included in application package) <span style="float: right;">\$75.00</span>	
Professional Engineer Exam (PE Exam)	
Application Fee	(\$80.00)
Examination Fee	(\$165.00) As charged by NCEES
Structural Specialty Exams	As charged by NCEES (CALL FOR DETAILS)
TOTAL COST to sit for 1st time PE Exam or to file full new application package if last was over 2 years old (one check to be included in application package) <span style="float: right;">\$245.00</span>	
Re-application Fee	(\$40.00)
Re-examination Fee	(\$165.00) As charged by NCEES
TOTAL COST to sit for repeat PE Exam if last full new application package was received less than 2 years ago (one check to be included in application package) <span style="float: right;">\$205.00</span>	
Comity / Reciprocity - Professional Engineer	
Comity/Reciprocity Application Fee	\$150.00
Reinstatement - Professional Engineer	
Reinstatement Application Fee	\$125.00
Annual Renewal Fee***	
Professional Engineer	\$40.00
Professional Engineer - Retired	\$25.00
COA for Sole Proprietor with no employees	\$0.00
COA for Firm with three or fewer Professional Engineers*	\$50.00

COA for Firm with four or more Professional Engineers*	\$300.00
<b>Certificate of Authorization - Company COA</b>	
<b>FIRST APPLICATION</b>	
COA Application Fee for Sole Proprietor with no employees	\$0.00
COA Application Fee for Firm with three or fewer Professional Engineers*	\$100.00
COA Application Fee for Firm with four or more Professional Engineers*	\$150.00
<b>REINSTATEMENT APPLICATION</b>	
COA Reinstatement Application Fee for Sole Proprietor with no employees	\$0.00
COA Reinstatement Application Fee for Firm with three or fewer Professional Engineers*	\$200.00
COA Reinstatement Application Fee for Firm with four or more Professional Engineers*	\$600.00
<b>Miscellaneous</b>	
PE or COA Roster**	\$25.00
Seal Registration Fee	\$25.00
Replacement Certificates	\$25.00
Return Check Fee	\$25.00

\* Regardless of the P.E. 's state of registration or licensure.

\*\* Available for free download on the Board web site.

\*\*\* Late Fees - A renewal fee (PE, Retired or COA) postmarked after July 1 is considered late, and the Board shall assess the registrant a penalty in the amount of twenty-five percent (25%) of the fee per month of delay for up to 90 days. A renewal postmarked after October 1 will be rejected and returned, and the registration or COA will be void without hearing.

## 2011 FISCAL YEAR FINANCIAL REPORT

# COMPLAINTS FILED

## Complaints Filed in FY 2011

July 1, 2010 through June 30, 2011

**Case Number:** C2011-1  
Darrell Buttrick  
American Council of Engineering Companies  
Charleston, WV

**Allegation:** Violating rules of professional responsibility.  
[W. Va. R. 7-1-12.5(c)]

**Resolution:** Complaint dismissed. Case closed 11/10/10.

**Case Number:** C2011-2  
Chander P. Nangia  
Houston, TX

**Violation:** Three counts providing misinformation to the Board [§30-13-21(a)(12)]

**Resolution:** Consent Order signed. Civil penalties of \$1500 paid. Case closed 3/26/11.

**Case Number:** C2011-3  
Joseph A. Chek  
Weirton, WV

**Allegation:** Knowingly made false statements, engaged in dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud or harm the public and failed to represent themselves before the public in an objective and truthful manner. [§30-13-21(a)(7), §30-13-21(a)(11) and W. Va. R.7-1-12.2(c)]

**Resolution:** Complaint dismissed. Case closed 2/8/11.

**Case Number:** C2011-4  
Amanda M. Engle  
Columbus, OH

**Allegation:** Practicing engineering in West Virginia without an engineering license. [§30-13-2]

**Resolution:** Complaint dismissed. Case closed 11/22/10.

**Case Number:** C2011-5  
E. L. Robinson Engineering Co.  
Charleston, WV

**Allegation:** Committed an act of misconduct in the practice of engineering. [§30-13-21(a)(2)]

**Resolution:** Complaint dismissed. Case closed 11/9/10.

**Case Number:** C2011-6  
Azimuth, Inc.  
Morgantown, WV

**Violation:** Practicing engineering in West Virginia without an engineering license and Certificate of Authorization. [§30-13-2 and §30-13-17(a)]

**Resolution:** Consent Order signed. Civil penalties of \$500 paid. Case closed 4/25/11.

**Case Number:** C2011-7  
SAH Design Group, Inc.  
Annandale, VA.

**Violation:** Practicing engineering in West Virginia without a Certificate of Authorization. [§30-13-17(a)]

**Resolution:** Consent Order signed. Civil penalty of \$250 paid. Case closed 5/31/11.

**Case Number:** C2011-8  
Tapan Baksi  
Gilbert, WV

**Allegation:** Violating rules of professional responsibility. [W. Va. R.7-1-12-.4(c, d, e & f)]

**Resolution:** Complaint dismissed. Case closed 9/26/11.

**Case Number:** C2011-9  
Charles G. Evans  
Allison Park, PA

**Violation:** Provided misinformation to the Board. [§30-13-21(a)(12)]

**Resolution:** Consent Order signed. Registrant surrendered his license. Civil penalty of \$250 paid. Case closed 9/1/11.

**Case Number:** C2011-10  
Keystone Mining Services, LLC  
Pittsburgh, PA

**Violation:** Practicing engineering in West Virginia without a Certificate of Authorization. [§30-13-17(a)]

**Resolution:** Consent Order signed. Civil penalties of \$5000 paid. Case closed 9/27/11.

**Case Number:** C2011-11  
Thurman W. Whisner  
Great Cacapon, WV

**Violation:** Professional negligence and misuse of seal. [§30-13-21(a)(2 & 10)].

**Resolution:** Consent Order signed. Reprimand plus civil penalty of \$500 paid. Case closed 8/31/11.

## Complaints Filed in FY 2012

July 1, 2011 through June 30, 2012

- Case Number:** C2012-01  
Robert S. Krabill  
Morgantown, WV
- Violation:** Two counts misuse of seal and violations of the Rules of Professional Responsibility relating to sealing a document that did not conform to accepted engineering standards and undertaking an assignment outside of his areas of education, experience and/or competence. [§30-13-21(a)(4) & (10), W. Va. R. 7-1-12.2(b), 7-1-12.3(b) and 7-1-12.4(a) & (b)]
- Resolution:** Consent Order signed. Civil penalties of \$2000 paid. Case closed 8/6/2012.
- 
- Case Number:** C2012-02  
Richard A. Sicker  
Dublin, OH
- Violation:** Practicing engineering in West Virginia without an engineering license and Certificate of Authorization. [§30-13-2 and §30-13-17(a)]
- Resolution:** Consent Order signed. Civil penalties of \$500 paid. Case closed 12/13/11.
- 
- Case Number:** C2012-03  
Earnest M. McCarty  
Ashton, WV
- Allegation:** Engaged in conduct likely to deceive the public. [§30-13-21(a)(11)]
- Resolution:** Complaint withdrawn and case dismissed. Case closed 9/27/11.
- 
- Case Number:** C2012-04  
J.L. Arnold/J. L. Arnold Engineering, Inc.
- Violation:** Practicing engineering in West Virginia without an engineering license and Certificate of Authorization. [§30-13-2 and §30-13-17(a)]
- Resolution:** Civil penalties of \$1000 and administrative costs of \$500 assessed. Collection is in progress.
- 
- Case Number:** C2012-05  
Michael F. Salley  
Forty Fort, PA
- Violation:** Practicing engineering in West Virginia without a Certificate of Authorization. [§30-13-17(a)]
- Resolution:** Consent Order signed. Civil penalty of \$250 paid. Case closed 2/27/12.

**Case Number:** C2012-06  
James J. Havrilla, Norman Baron and Utility Engineers, PC  
Drums, PA  
**Allegation:** Professional misconduct and ethics violations [§30-13-21(a)(2) & (4) W. Va. R. 7-1-12.2(d)]  
**Resolution:** Complaint dismissed as to Norman Baron and Utility Engineers, PC. Complaint as to James Havrilla on hold until issue is resolved in one of the states where actions leading to complaint occurred.

**Case Number:** C2012-07  
O'Brien & Gere Engineers/Edward M. Halley  
Syracuse, NY  
**Allegation:** Negligence and engaging in unethical conduct. [§30-13-21(a)(2 & 11)]  
**Resolution:** Case on hold pending resolution of related civil action, which was basis for complaint.

**Case Number:** C2012-08  
BIS TEPSCO  
Grand Prairie, TX  
**Violation:** Practicing engineering in West Virginia without a Certificate of Authorization. [§30-13-17(a)]  
**Resolution:** Consent Order signed. Civil penalty of \$250 paid. Case closed 5/24/12.

**Case Number:** C2012-09  
William L. Toney  
Lewisburg, WV  
**Violation:** Failure to conform to accepted engineering standards and failure to include all relevant and pertinent information in a report. [§30-13-21(a)(2) & (4)] W.Va. R. 7-1-12.3(b) & (d)]  
**Resolution:** Pending as of July 1, 2012.

**Case Number:** C2012-10  
George E. Pigott  
White Hall, WV  
**Allegation:** Committed an act of misconduct and engaged in conduct likely to deceive the public. [§30-13-21(a)(2) & (11)]  
**Resolution:** Case on hold pending outcome of Board of Surveyors complaint.

**Case Number:** C2012-11  
Robert J. Race/Race Engineering & Associates  
Eagan, MN  
**Violation:** Practicing engineering in West Virginia without an engineering license and Certificate of Authorization. [§30-13-2 and §30-13-17(a)]  
**Resolution:** Consent Order signed. Civil penalties of \$500 paid. Complaint closed 6/18/12.

**Case Number:** C2012-12  
Kevin D. Branscum  
Painted Post, NY

**Violation:** Practicing engineering in West Virginia without a Certificate of Authorization and practicing outside of area of education and/or experience [§30-13-17(a), W. Va. R. 7-1-12.3(b) & 7-1-12.4(a)]

**Resolution:** Pending as of July 1, 2012.

**Case Number:** C2012-13  
James Roberts  
Lexington, KY

**Allegation:** Aiding and abetting the unlicensed practice of engineering and presenting final documents to a client without a seal. [§30-13-21(a)(8) & §30-13-16(c)]

**Resolution:** Complaint dismissed.

**Case Number:** C2012-14  
Pat Edwardson / Basement Systems

**Allegation:** Co-owner misrepresented as being a WV Professional Engineer and unprofessional conduct likely to deceive the public. [§30-13-21(a)(11), §30-13-3(e) & §30-13-21(a)(11)]

**Resolution:** Pending as of July 1, 2012.

# **ROSTER OF WV PROFESSIONAL ENGINEERS**

### Roster Download

Select the Roster you wish to download:

*Information last updated on October 26, 2011.*

<b>Professional Engineers</b>	
<b>Retired Engineers</b>	
<b>Authorized Companies (COA holders)</b>	

As noted in the Search Disclaimer below, Rosters and on-line verification files are typically updated every 60-90 days. However, the next Roster update is scheduled for mid-January 2012, immediately following our 2012 renewal season.

As of the date of this posting, our required continuing education audit is underway and finalizing of address and company changes are being made from the 2011 renewal season.

Should you have a question regarding the accuracy or validity of a PE license or a COA, simply contact our office.

*Information last updated on October 26, 2011.*

<b>Professional Engineers</b>	
<b>Retired Engineers</b>	
<b>Authorized Companies (COA holders)</b>	

As noted in the Search Disclaimer below, Rosters and on-line verification files are typically updated every 60-90 days. However, the next Roster update is scheduled for mid-January 2012, immediately following our 2012 renewal season. As of the date of this posting, our required continuing education audit is underway and finalizing of address and company changes are being made from the 2011 renewal season. Should you have a question regarding the accuracy or validity of a PE license or a COA, simply contact our office.

Select the Roster you wish to download:

*Information last updated on October 26, 2011.*

<b>Professional Engineers</b>	
<b>Retired Engineers</b>	
<b>Authorized Companies (COA holders)</b>	

As noted in the Search Disclaimer below, Rosters and on-line verification files are typically updated every 60-90 days. However, the next Roster update is scheduled for mid-January 2012, immediately following our 2012 renewal season.

As of the date of this posting, our required continuing education audit is underway and finalizing of address and company changes are being made from the 2011 renewal season.

Should you have a question regarding the accuracy or validity of a PE license or a COA, simply contact our office.

## Board Agendas & Minutes

Board meetings are typically held the third Tuesday of every other month at the Board office in Charleston, West Virginia. All meetings are open to the public, however we ask that persons wishing to bring matters for the Board's consideration submit written notification or request to be placed on the agenda at least 14 days prior to the scheduled meeting. This request should be addressed to the attention of Lesley L. Rosier, PE, Executive Director at [info@wvpebd.org](mailto:info@wvpebd.org).

**General Session Minutes**  
**State Board of Registration for Professional Engineers**  
**July 19, 2011**

The State Board of Registration for Professional Engineers met in their offices at 300 Capitol Street in Charleston, WV on Tuesday, July 19, 2011. Those present for all or part of the meeting were:

Edward L. Robinson	President
William E. Pierson	Vice-President
Bhajan S. Saluja	Secretary
Richard E. Plymale, Jr.	Member
Leonard J. Timms	Member
Lesley L. Rosier-Tabor	Executive Director
Don W. Johnson	Board Investigator
Debra L. Hamilton	Legal Counsel

The meeting was called to order at 9:10 AM. The Board meeting minutes for May 17, 2011 (both executive and general session) were reviewed. A motion to approve the minutes as submitted was made by Mr. Timms, seconded by Mr. Pierson. Motion carried.

The Board budget summaries for May and June 2011 were received and reviewed. The year-end FY 2011 revenue and expenditure chart and summaries were also reviewed. The detailed purchasing card expenditures were also received and reviewed. A motion to approve the current expenditures and purchasing card transactions was made by Mr. Pierson, seconded by Mr. Plymale. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments. Ms. Rosier discussed her participation in recent events and presentations made by her to various groups since the last Board meeting. She also reviewed the office's schedule of upcoming activities. A motion was made by Mr. Timms, seconded by Mr. Plymale, to approve attendance and travel for staff activities outlined in the Executive Director's report and updated 2011 calendar of events. Motion carried.

The final results from the April exams were discussed. The overall PE pass rate remained at 50%, with the first-time taker pass rate at 52%. The overall FE pass rate was 53.6%, with the first-time taker pass rate at 56.9%.

The annual renewal process continues. Nearly 90% of the PE registrants and COA holders renewed before the June 30<sup>th</sup> deadline resulting in well over \$500k collected in June including \$45k being collected on the June 30<sup>th</sup> deadline date alone.

Mr. Timms moved to enter into Executive Session at 9:40 AM, seconded by Mr. Saluja. Motion carried. Mr. Robinson recused himself and exited the room during the discussion of inquiry I2011-14.

At the conclusion of the Executive Session, Mr. Timms moved to enter into General Session with a second by Mr. Pierson. Motion carried and the Board then took the following actions:

1. A motion was made by Mr. Pierson, seconded by Mr. Timms, to continue the probationary period in complaint C2009-12 until C2011-08 has been resolved or until further action of the Board. Motion carried. (With regard to C2011-08, the Board directed counsel to remind Respondent of the opportunity for an informal conference with the Board, to which Complainant would be invited to participate and which might help the Board better understand the issues involved.)
2. Mr. Timms moved that inquiry I2011-17 be received and filed as a Board-initiated complaint. Motion was seconded by Mr. Pierson and carried.
3. Mr. Pierson moved that inquiry I2012-01 be received and filed as a Board-initiated complaint. Motion was seconded by Mr. Timms and carried.

Based on a motion by Mr. Plymale, seconded by Mr. Pierson, the Board took the following actions on Special Cases for Board Action:

1. Kenneth D. Fennell's request for comity was approved.
2. Richard A. Hall's request for comity was approved.
3. Nirmal Khadka's request for comity was approved.
4. Carl V. Deicas' request for reinstatement was approved.

Mr. Timms reported on his recent activities as the NCEES President. A few key items of interest included:

1. NCEES is proposing the addition of a standing committee on education to address all of the pending items such as the Masters or Equivalent, CBT, NCEES Foreign Degree Evaluations, etc. If the membership approves the creation of the committee, Mr. Timms has asked to be the liaison.
2. The Alternate Pathways to Licensure Task Force has come up with a 6-year program that includes structured learning and an approved mentoring process. The system will require a clearinghouse to oversee the program. The Task Force will present their recommendations to Council for consideration in August.
3. NCEES and Pearson Vue are moving full speed ahead on the conversion of the FE and FS exams to Computer Based Testing with a target date of the first offering being early 2014.

Mr. Pierson commented on his NCEES activities. He will be at NCEES the first week of August for a FE exam committee meeting and review of the PAKS study.

Ms. Rosier discussed NCEES committee appointments which included herself on EPP, Mr. Johnson on Law Enforcement and Mr. Pierson on his continued EPE duties.

Ms. Rosier reviewed the Northeast Zone meeting minutes for the benefit of those not attending. Skip Harclerode of Maryland has been elected the new Northeast Zone Vice-President.

The NCEES Annual Meeting is scheduled for August 24-27 in Providence, Rhode Island. Board members attending include Mr. Saluja, Mr. Timms and Mr. Plymale along with staff members Ms. Rosier, Ms. Rubenstein and Mr. Johnson. Ms. Hamilton was authorized to attend the Law Enforcement section if her schedule permits. Copies of the conference materials have been requested for the attendees.

Ms. Rosier reported that the NCEES contract for exam administration was approved through the Attorney General's office and a signed copy was returned to NCEES. It is now a multi-year contract and reflects the reduced exam fees which benefit smaller states such as West Virginia.

Ms. Rosier reviewed the status of the CBT Taskforce. NCEES held a webinar on July 12<sup>th</sup> as a means for communicating the status to all Boards. The proposed NCEES CBT FE exam registration system requires that exam candidates pay for the exam by credit card at the time of registration. This eliminates the Board's ability to waive any fees for first time WV student examinees or subsidize the costs of the exam administration. After discussion, Mr. Timms agreed to take the concern back to NCEES to see if this can't be addressed during the registration and payment process.

The new 16-hour structural exam and score reporting format was discussed. We had one WV exam candidate who sat for both days of the April structural exams.

The policy for addressing repeat exam takers was discussed. Of the 5 candidates who interviewed with the Board prior to being allowed to sit for the April exams, 2 passed, 1 failed and 2 were absent. The Board discussed the effectiveness of the policy and directed Ms. Rosier to revise the policy for repeat takers of an exam. Tentatively the Board would require future examinees to submit an Educational Plan of Study to the Board after 3 failures. They would be required to interview with the Board after 4 failures. They would sit out of the exam process for 1 year after 5 failures and they would not be allowed to sit for any exams in WV after 6 failures.

The Board requested Ms. Rosier contact the two exam interviewees who passed the exam and see what they did differently before taking the exam this time and what they deemed most helpful. It was also suggested that the information gained during her discussions with the successful candidates be used as a teaching point during future interviews and possibly result in a 2012 article for the newsletter.

The re-write of the Engineering Practice Act for submission to the legislature in 2012 was discussed. Staff and AG counsel will work to have a draft re-write ready for review at the September Board meeting. The Board discussed changing to 2 year renewals rather than every year. This will require a legislative change in the way excess funds can be swept from accounts.

Ms. Rosier reviewed the annual report submitted to BRIM addressing Loss Control, Safety and Risk Management. The Board had no changes or additions.

The proposed 2011-2012 WV Engineering Education Summit was discussed. Mr. Pierson sent a letter to the Deans of the engineering programs at all of the WV colleges and universities who have 4-year ABET EAC/TAC programs. Initial response and interest in having the summit has been positive.

Mr. Pierson discussed the possibility of holding the Summit in conjunction with one of the annual Engineering Articulation meetings already being held twice every year. The ETAC meetings already have the major players in engineering education there. Mr. Pierson will revisit the issue with the Deans and ask for additional input.

The Board elected Officers for the upcoming year:

- Mr. Robinson was re-elected Board President
- Mr. Pierson was re-elected Vice President
- Mr. Saluja was re-elected Secretary.

Their terms will begin on September 27, 2011.

The request to address the Board, which was on this meeting's agenda, was rescheduled to the next meeting of the Board. The two hearings, for which this meeting would recess, were settled as the hearings were about to commence. Since only one court reporter appearance fee was incurred, the Board will absorb that cost rather than assess it as an administrative cost.

The next Board meeting is scheduled for Monday, September 27, 2011. The meeting will take place in the Board offices at 300 Capitol Street in Charleston, WV.

Upon motion by Mr. Timms, seconded by Mr. Saluja, the meeting adjourned at 2:15 p.m. The Board members will be compensated one day per diem plus travel expenses.

**General Session Minutes**  
**State Board of Registration for Professional Engineers**  
**September 20, 2011**

The State Board of Registration for Professional Engineers met in their offices at 300 Capitol Street in Charleston, WV on Tuesday, September 20, 2011. Those present for all or part of the meeting were:

Edward L. Robinson	President
William E. Pierson	Vice-President
Bhajan S. Saluja	Secretary
Richard E. Plymale, Jr.	Member
Leonard J. Timms	Member (by phone)
Lesley L. Rosier-Tabor	Executive Director
Don W. Johnson	Board Investigator
Debra L. Hamilton	Legal Counsel

The meeting was called to order at 9:10 AM. The Board meeting minutes for July 19, 2011 (both executive and general session) were reviewed. A motion to approve the minutes as submitted was made by Mr. Plymale, seconded by Mr. Saluja. Motion carried.

The Board budget summaries for July and August 2011 were received and reviewed. The detailed purchasing card expenditures were also received and reviewed. A motion to approve the current expenditures and purchasing card transactions was made by Mr. Pierson, seconded by Mr. Plymale. Motion carried. Ms. Rosier also discussed the recommended server specifications and estimated cost outlined by our IT professionals. A motion to approve up to \$10,000 for a new server and any related software and peripherals was made by Mr. Plymale, seconded by Mr. Saluja. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments. Ms. Rosier discussed her participation in recent events and presentations made by her to various groups since the last Board meeting. She also reviewed the office's schedule of upcoming activities. A motion was made by Mr. Timms, seconded by Mr. Plymale, to approve attendance and travel for Board member and staff activities outlined in the Executive Director's report and updated 2011 calendar of events, as well as Counsel's attendance at FARB's Attorneys Certification seminar. Motion carried.

Ms. Rosier reported that a Bluefield State University student contacted the office to register for the FE exam. The student was informed that he was not registered in an ABET approved program and would not be eligible to sit for the exam. The student was very upset and said that no one had informed him of this until now. Ms. Rosier reported that this problem was not limited to Bluefield State. The Board discussed this in detail and requested that several things be done to address this problem:

1. Develop a draft letter to the WV colleges and universities involved outlining the problem and ask for their assistance in addressing the problem.
2. Develop a draft letter to high school counselors outlining this problem and providing information on accredited and non-accredited engineering baccalaureate programs in our state.
3. Develop a publicity program to address the problem:

- Expand the distribution of the newsletter to include legislators and the Higher Education Committee. Include public pieces in the newsletter.
- Run a full page ad in the February engineering section of the Charleston newspaper. The article should focus on the importance of engineering licensure and our charge of protecting the health, safety and welfare of the public.

The upcoming October 2011 FE and PE exam plans were discussed. For repeat takers, the educational plans of study were reviewed but no exam candidate interviews were required for this administration.

The annual renewal process continues. As of September 15, and with two weeks remaining, there were 263 PEs, 21 Retired and 115 COAs who have not renewed. A final courtesy reminder will be sent out via email prior to the end of the renewal period. The internal PDH audit preparation is in progress. Audit letters will be mailed by mid-October.

The WV Auditor's office is encouraging Board member participation in the annual Auditor's Office Training session. President Robinson agreed to attend, in addition to three staff members and possibly counsel.

Mr. Timms moved to enter into Executive Session at 10:15 AM, seconded by Mr. Pierson. Motion carried.

The Board recessed the meeting in Executive Session at 11:00 AM for an informal meeting on Inquiry I2011-14. Ms. Hamilton was directed to send an e-mail to the meeting participants summarizing the results.

After completion of the informal meeting, the Board reconvened the meeting in Executive Session at 11:45AM.

At the conclusion of the Executive Session, Mr. Pierson moved to enter into General Session with a second by Mr. Plymale. Motion carried and the Board then took the following actions:

1. The Board reviewed and accepted the presentation schedule on complaint C2010-19. At least one Board member will attend each presentation.
2. Mr. Pierson moved that complaint C2011-08 be dismissed. Motion was seconded by Mr. Timms and carried.
3. Mr. Pierson moved to accept Complainant's request to withdraw complaint C2012-03. Motion was seconded by Mr. Saluja and carried.
4. Mr. Timms moved that inquiry I2012-04 be received and filed as a Board-initiated complaint. Motion was seconded by Mr. Pierson and carried.

There were no cases for Special Consideration.

Personnel Issues: Andrea Null began work as a temporary administrative assistant on September 12<sup>th</sup>.

The Emergency Rules recently enacted by the WV DEP relating to the horizontal drilling of Marcellus shale were discussed. In light of the problems encountered in the Gulf of Mexico last

summer, the Board is concerned about the lack of involvement of professional engineers in these regulations. The Board authorized staff to provide input to the WV DEP on the proposed standards.

Mr. Timms reported on his recent activities as the NCEES President. A few key items of interest included:

1. The Alternate Pathways to Licensure motion was voted down at the Annual NCEES meeting. The Master's or Equivalent educational requirement continues on schedule for 2020 implementation in the Model Law.
2. An amendment to the Model Law was passed at the Annual NCEES meeting requiring a PE to be in responsible charge of the engineering design of buildings, structures, products, machines, processes and systems that affect the public's health, safety and welfare. This amendment is aimed at the industrial exemption that exists in many states.
3. CBT implementation for the FE exam is on schedule for 2014. Current projections are for the FE exam to increase to \$250 and the PE exam costs to be increased to \$250.
4. Joe mentioned a PDH clearinghouse and that it wasn't clear whether NCEES or one or more states would be getting it set up.

Ms. Rosier reported that NCEES has issued a call for nominations for national awards. Nominations need to be in by January 31, 2012.

Exam administration observers were identified for the upcoming exams. Ms. Rosier will notify NCEES of which Board member and staff members plan to participate.

Ms. Rosier will contact the two successful exam interviewees who passed the April 2011 exam. As repeat examinees who submitted multiple Educational Plans of Study as well as interviewed with the Board, the Board is interested in highlighting their experiences in their upcoming 2012 newsletter. The information gained will also be used by the Board as a possible teaching point during future interviews.

The re-write of the Engineering Practice Act for submission to the legislature in 2012 was discussed. Staff and AG counsel will work to have a draft re-write ready for review by year's end.

The proposed 2011-2012 WV Engineering Education Summit was discussed. There appears to be limited interest in pursuing this at the present time.

The hearing scheduled for this date was settled the day before the hearing, so no court reporter appearance fee was incurred.

The next Board meeting has been re-scheduled for Thursday, November 17, 2011. The meeting will take place at a conference room in the MU Memorial Student Center on the Marshall University campus in Huntington, WV.

Board staff was contacted regarding the Secretary of State's interpretation of state law regarding a private investigator (PI) license to perform certain types of work, some of which it was contended should be performed by PEs. W. Va. Code 30-18-1. Staff directed the inquiry to counsel, who confirmed that the Secretary of State did not make an exception for PEs. Until

the Board receives further information or a specific situation presents itself, the Board declined to get involved in this issue.

Upon motion by Mr. Timms, seconded by Mr. Pierson, the meeting adjourned at 2:00 p.m. The Board members will be compensated one day per diem plus travel expenses.

**General Session Minutes**  
**State Board of Registration for Professional Engineers**  
**November 17, 2011**

The State Board of Registration for Professional Engineers met at the MU Memorial Student Center on the Marshall University campus in Huntington, WV on Thursday November 17, 2011. Those present for all or part of the meeting were:

Edward L. Robinson	President
William E. Pierson	Vice-President
Bhajan S. Saluja	Secretary
Richard E. Plymale, Jr.	Member
Leonard J. Timms	Member
Lesley L. Rosier-Tabor	Executive Director
Don W. Johnson	Board Investigator
Debra L. Hamilton	Legal Counsel (By phone)

The meeting was called to order at 9:10 AM. The Board meeting minutes for September 20, 2011 (both executive and general session) were reviewed and corrected. A motion to approve the minutes as amended was made by Mr. Timms, seconded by Mr. Saluja. Motion carried.

The Board budget summaries for September and October 2011 were received and reviewed. The detailed purchasing card expenditures were also received and reviewed. A motion to approve the current expenditures and purchasing card transactions was made by Mr. Pierson, seconded by Mr. Saluja. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments. Ms. Rosier discussed her participation in recent events and presentations made by her and Mr. Johnson to various groups since the last Board meeting. She also reviewed the office's schedule of upcoming activities. A motion was made by Mr. Timms, seconded by Mr. Plymale, to approve attendance and travel for Board member and staff activities outlined in the Executive Director's report and updated 2011-2012 calendar of events. Motion carried.

The October exam administration was discussed. For the first time the PE exam was offered in Morgantown. Approximately 45% of examinees took the exam there. This is being done on a trial basis. Cost effectiveness of this will be evaluated after 2 exam administrations. All plans of study submitted by FE and PE candidates were approved but no interviews were required with the Board. There were no exam absences for the PE exam in Morgantown and only 2 in Charleston. There were 30 absences on the FE exam, 21 in Morgantown and 9 in Charleston, some of which had obtained first-time examinee student fee waivers.

Ms. Rosier discussed the possible policy revisions for addressing repeat exam takers. Given the implementation of the new computer-based testing (CBT) process in the next few years, Ms. Rosier recommended waiting on the details from NCEES with respect to any new Model Rules and procedures for how the new application and registration process will take place. It is the Board's understanding that it may be necessary to approve an applicant for up to 3 exam windows in a one-year period without the need for re-applying until the following year. Given the uncertainty of the new application needs, the Board tabled further discussion of any changes to the current repeat taker policies until these CBT decisions are made.

Ms. Rosier reported that NCEES contacted the Board office stating they had exhausted ideas of how they could accommodate the FE fee waivers currently being offered by this Board once the FE exam moved to computer-based testing. The primary problem is that all fees with the exception of the application fee will be collected by NCEES and paid at the time an applicant registers on the NCEES website for their exam order and seat assignment. There will no longer be two specific exam administrations and therefore NCEES will no longer bill the Board twice a year for such. According to NCEES, tracking and invoicing for this would be an “accounting nightmare”. The Board asked Ms. Rosier to continue to dialogue with NCEES while exploring new legislative language that could allow for the Board to continue offering the FE fee waivers to first-time examinees who are currently enrolled and eligible students.

The annual renewal process is complete. There were a total of 7289 PE renewals, 2562 COA renewals and 279 Retired renewals. Lapsed notices were mailed on October 6<sup>th</sup> to those failing to respond to the renewal. There were 155 PEs, 20 Retired and 91 COAs who received lapsed notices. The PDH Continuing Education Audit is in progress. Most audit notifications were mailed on October 19<sup>th</sup> with a response due in 30 days. Letters of invalidation will be sent no later than the first week of December to all those who do not pass the audit. Due to the new questions on the form regarding COAs, a courtesy correspondence and questionnaire will be sent to those with confusing or incomplete responses after the PDH audit is complete.

Ms. Rosier asked for volunteers to submit articles for the upcoming newsletter. Mr. Timms and Mr. Pierson volunteered. The articles need to be received prior to December 31<sup>st</sup> in order to meet the desired printing schedule.

Mr. Timms reported on his recent activities as NCEES Past-President.

1. Many foreign countries continue to be interested in using the NCEES FE and PE exams for educational assessment purposes. Most recently, Iran was denied use of the FE exam since there is no US Consulate in that country.
2. The fees have been set for computer based testing. The fee will be \$250 for the FE and \$350 for the PE exam, both of which include the exam administration.
3. California's exams are now administered by ELSSES. There were no major problems to report with the October 2011 administration.

As scheduled on the agenda at their request, representatives interested in exploring the possibility of forming a Professional Geologist Board in WV met with the Board to hear members' input.

NCEES has issued a 2012 Call for Awards Nominations. Nominations need to be submitted by January 31, 2012.

The Northeast Zone has requested nominations for the 2011-2012 NCEES Northeast Zone Distinguished Service Awards. Nominations are due by March 1, 2012.

The NCEES Standards Task Force and the NCEES Structural Exam Committee proposed revisions to the standard covering the Model Law Structural Engineer which must be approved by the NCEES membership prior to final adoption and submission for the ANSI Standard. Mr. Timms made a motion that the WV P.E. Board approve the revisions be as submitted. The motion was seconded by Mr. Plymale and carried. The Board requested that Ms. Rosier notify NCEES of the Board's action.

The re-write of the Engineering Practice Act for submission to the legislature in 2012 was discussed. Staff and AG counsel will work to have a draft re-write ready for the Board to review as soon as possible.

Ms. Rosier reminded Board members of the WV State Licensing Board's Auditors Training scheduled for November 30<sup>th</sup> and December 1<sup>st</sup>. The Auditor is requesting that Board members attend as well and have adjusted the schedule to include an evening session to accommodate Board member attendance. Mr. Robinson has agreed to attend on behalf of this Board, in addition to Board Administrator Rubenstein, Ms. Rosier, Mr. Johnson, and our counsel, Ms. Hamilton.

The Board discussed participation in the 2012 WV EXPO. The Board plans to continue to have an exhibitor booth, to place a one-page ad in the EXPO program to serve the engineering community's need for a professional development hour reporting form, and to conduct a 1-2 hour seminar on engineering licensure in conjunction with participate in a joint session with the WV Society of Professional Engineers honoring our successful 2011 WV PE examinees. A motion was made by Mr. Timms, seconded by Mr. Plymale to approve the expenditures for EXPO. Motion carried.

The upcoming 2012 calendar was reviewed. The Board decided to re-schedule the meeting at WVU with the faculty from January to November due to the potential of inclement weather. The May meeting was also rescheduled due to schedule conflicts. Ms. Rosier will post these meeting dates on the Board's website and with the WV Secretary of State's office to comply with the Open Meetings Act.

Copies of the Annual Report were circulated prior to and during the Board meeting. There were no revisions to the Report. A motion was made by Mr. Timms, seconded by Mr. Pierson, to approve and submit the Annual Report. Motion carried. Ms. Rosier will make the appropriate paper copies and electronic CDs and distribute to the necessary parties no later than the end of December.

Mr. Timms moved to enter into Executive Session at 11:15 AM, seconded by Mr. Pierson. Motion carried.

The Board recessed the Executive Session at 11:45 am for a luncheon meeting with the Marshall Engineering Chair, William Pierson, along with members of the engineering faculty, to discuss issues of interest and importance to both groups.

The Executive Session resumed at 12:45 pm, immediately following the luncheon meeting. At the conclusion of the Executive Session, Mr. Timms moved to enter into general session with a second by Mr. Plymale. Motion carried and the Board took the following actions:

1. A closure letter was requested by the respondent on complaint C2010-19. There being no objection, the Board directed Ms. Hamilton to assist staff in drafting a letter for the President's signature.
2. A motion was made by Mr. Timms, seconded by Mr. Plymale, to issue a Notice of Non-Compliance with Consent Order and Order to Show Cause to the respondent in complaint C2009-12 and his counsel.
3. A motion was made by Mr. Timms, seconded by Mr. Plymale, to schedule complaint C2012-4 for hearing at the January Board meeting. Motion carried.

4. Mr. Timms moved that inquiry I2011-16 be received and filed as a Board-initiated complaint. Motion was seconded by Mr. Pierson and carried.
5. Although not initiating disciplinary action, the Board directed Ms. Hamilton to draft a letter to the firm and its EIRC in inquiry I2012-05 reminding them of the importance of fully completing the reinstatement process prior to practicing or offering to practice engineering.
6. Mr. Pierson moved that inquiry I2012-06 be received and filed as a Board-initiated complaint. Motion was seconded by Mr. Saluja and carried.

Based on a motion by Mr. Timms, seconded by Mr. Pierson, the Board took the following actions on Special Cases for Board Action:

1. Kate E. Candillo's request for comity was not approved or denied, but rather held in abeyance until such time she can obtain an NCEES educational evaluation of her non-ABET accredited degrees. Ms. Rosier is to contact Ms. Candillo to discuss the Board's decision and inform her that once the NCEES educational evaluation is received, the Board will review her file in its entirety at their next official Board meeting to determine what educational deficiencies are present and a course of action to allow them to be made up in order to qualify for WV PE licensure.
2. Charles Howard's request for comity application was approved.

The next Board meeting is scheduled for Tuesday, January 24, 2011. The meeting will take place in the Board offices at 300 Capitol Street in Charleston, WV.

Upon motion by Mr. Timms, seconded by Mr. Pierson, the meeting adjourned at 1:30 p.m. The Board members will be compensated one day per diem plus travel expenses.

**General Session Minutes  
State Board of Registration for Professional Engineers  
January 24, 2012**

The State Board of Registration for Professional Engineers met in their offices at 300 Capitol Street in Charleston, WV on Tuesday, January 24, 2012. Those present for all or part of the meeting were:

Edward L. Robinson	President
William E. Pierson	Vice-President
Bhajan S. Saluja	Secretary
Richard E. Plymale, Jr.	Member
Leonard J. Timms	Member
Lesley L. Rosier-Tabor	Executive Director
Don W. Johnson	Board Investigator
Debra L. Hamilton	Legal Counsel

The meeting was called to order at 9:00 AM and the agenda was rearranged to accommodate staff schedules. The Board meeting minutes for November 17, 2011 (both executive and general session) were reviewed. A motion to approve the minutes was made by Mr. Pierson, seconded by Mr. Saluja. Motion carried.

It was announced to the Board that its President, as the Board's presiding officer, granted Respondent's written motion to continue the hearing scheduled for this date on the ORDER TO SHOW CAUSE complaint C2009-12 on Respondent's promise to appear on March 20, 2012. The Board was also advised that the hearing on Complaint C2012-04 will be re-noticed at the request of Respondent's recently acquired counsel, who will appear at 11:00 AM for an informal conference.

Mr. Timms moved to enter into Executive Session at 9:10 AM, seconded by Mr. Plymale. Motion carried. The meeting recessed at 11 AM for the informal conference on C2012-04, during which Mr. Robinson recused himself and exited the room, after which a lunch break was taken. The Executive Session resumed at 12:45 PM. At the conclusion of the Executive Session, Mr. Timms moved to enter into general session with a second by Mr. Pierson. Motion carried and the Board took the following actions:

1. Upon motion by Mr. Timms, seconded by Mr. Pierson, the Board agreed to send a letter to the WV DOH regarding issues that arose in connection with complaint C-2012-04.
2. Mr. Timms moved that complaint C2012-05 be scheduled for hearing at the March Board meeting unless resolved. Motion was seconded by Mr. Pierson and carried.
3. Upon motion by Mr. Saluja, seconded by Mr. Timms, the Board moved to dismiss Respondent #1 and the Respondent Firm on jurisdictional grounds in complaint C2012-06 and, upon Complainant's approval, to stay the complaint as to Respondent #2 until a licensing board with more direct ties to the allegations has acted on the complaint.

4. Mr. Timms made a motion that complaint C2012-07 be stayed until the respondent's appeal is heard in the WV Supreme Court. Motion was seconded by Mr. Saluja and carried.
5. The Board had no objection to the staff holding the filing of the complaint on inquiry I2011-16 pending review of information received after the November Board meeting.
6. Mr. Pierson made a motion that inquiry I2012-06 be received and filed as a Board-initiated complaint. Motion was seconded by Mr. Plymale and carried.

Based on a motion by Mr. Pierson, seconded by Mr. Saluja, the Board took the following actions on Special Cases for Board Action:

1. Kate E. Candillo's request for reconsideration of her comity file was approved after the Board reviewed her NCEES Credentials Evaluation.

The Board budget summaries for November and December 2011 were received and reviewed. The detailed purchasing card expenditures were also received and reviewed. A motion to approve the current expenditures and purchasing card transactions was made by Mr. Plymale, seconded by Mr. Timms. Motion carried. Ms. Rosier discussed the difficulty she has had getting the server replaced. A motion was made by Mr. Timms, seconded by Mr. Saluja to proceed with the direct purchase of the new server, software and peripherals. Motion carried. Ms. Rosier also reported that the Board room projector system had failed and a quick review by our IT contractor indicated the 10-year-old unit likely needed replaced. Ms. Rosier will schedule an appointment with the original vendor who installed the system to verify its demise. A motion was made by Mr. Pierson, seconded by Mr. Saluja, to purchase and install a new system if necessary. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments. Ms. Rosier discussed her participation in recent events and presentations made by her and Mr. Johnson to various groups since the last Board meeting. She also reviewed the office's schedule of upcoming activities. A motion was made by Mr. Timms, seconded by Mr. Saluja, to approve attendance and travel for Board member and staff activities outlined in the Executive Director's report and updated 2012 calendar of events. Motion carried.

The October exam results were discussed. The pass rate on the PE exam for first-time takers was 63.6%. For repeat takers the pass rate was 28%. The overall pass rate was 50.7%. The pass rate on the FE exam for first-time takers was 58.3%. For repeat takers the pass rate was 33.3%. The overall pass rate was 51.8%.

The PDH audit was finalized the first week of December. There were no license invalidations as a result of the audit. However, five (5) firms had their COA invalidated due to EIRC issues. A courtesy correspondence and questionnaire is being sent to those registrants with confusing or incomplete COA responses on their renewal forms. A copy of the correspondence was provided for Board comment. The mailing should go out in early February. The Personalized Status Reports are also being prepared to be mailed in conjunction with the 2012 PE Board newsletter in late February.

Ms. Rosier noted that the newsletter is going to print this week and called for all final comments from the Board, staff and counsel.

The upcoming 2012 calendar was reviewed. Ms. Rosier reminded the Board that the May meeting had been moved to Thursday, May 24<sup>th</sup> and that all 2012 meeting dates have been properly noticed and posted via the WV Secretary of State's website.

Mr. Timms reported on his recent activities as NCEES Past-President which included:

- The CBT implementation schedule has been moved back and implementation is now scheduled for 2014. It appears that the Fundamentals of Surveying (FS) exam may be implemented first.
- Mr. Timms was the keynote speaker for a joint Northern Branch meeting for ASCE, WVSPE and AACE. Two particular items of interest during the meeting discussions involved the notion of most undergraduate programs being pushed toward a 120-hour degree requirement.

Mr. Pierson reported on his upcoming NCEES meeting in Clemson. The new FE exam specifications being prepared for CBT will reduce the breadth and depth of the exams. There will be a limited number of cross discipline questions. The effect of this proposed change is unknown.

Ms. Rosier reminded the Board to complete their NCEES committee preference surveys. Electronic responses are due by February 14<sup>th</sup>.

The NCEES Northeast Zone meeting is scheduled for May 3-5, 2012. Information is now available and registration begins on January 31<sup>st</sup>.

The Board discussed at length the use of the NCEES Credential Evaluation service to evaluate not-ABET-accredited U.S. degrees. The Board decided to continue to evaluate exam and comity applications in the same manner as in the past but asked that Mr. Timms discuss the various credential evaluation issues with the NCEES Board of Directors at their upcoming February meeting.

The details of the NCEES Institutional Exam Reports were discussed. As it is now, accurate reporting of exam statistics to the individual schools depends on the student who is entering the data to provide correct and current information regarding his/her educational history. The Board asked Ms. Rosier to continue to follow up with NCEES to see what can be done to improve the reporting since NCEES clearly markets the FE exam not only for purposes of licensure, but as a program assessment tool for colleges and universities throughout the US and the world, and they have a duty to provide the most reliable information.

The re-write of the Engineering Practice Act for submission to the legislature in 2012 was discussed. Staff and AG counsel were unable to have the draft re-write ready for the Board to review in enough time to submit this year. The act will have to be revised in 2013 to comply with NCEES CBT changes.

Discussions regarding the composition of licensing boards took place, and it was reported that many Chapter 30 Boards, when their legislation is amended, have been required to add at least one citizen member. The Board's preferences will be discussed and included in the legislation being drafted by the Board.

The Board discussed the upcoming 2012 WV EXPO. The Board plans to continue to have an exhibitor booth and to conduct a 1.5 - 2 hour seminar on engineering licensure in conjunction with a joint session with the WV Society of Professional Engineers honoring our successful 2011 WV FE and PE examinees.

Ms. Rosier discussed a recommendation from the September Board meeting to run an ad in the Engineering Outlook Section of the Charleston newspapers focusing on the importance of engineering licensure and our charge to protect the health, safety and welfare of the public. The Board affirmed its desire to run an article and accompanying ad that would outline the acceptable ABET-approved programs offered at each of the WV colleges and universities. Ms. Rosier will immediately develop and place the ad prior to the February 9<sup>th</sup> deadline so it can be published in late February during National Engineers Week.

Ms. Rosier discussed a recent advisory opinion from the Ethics Commission. The commission found that the Executive Director of a Chapter 30 Board may not serve as an officer or employee of a professional association relating to the profession which the Board regulates. The opinion on whether or not a Board member could serve as an officer in a professional society was not as clear. The commission says that the Board member's priority is to the public and that when a conflict arises between the Chapter 30 Board's position on legislation and that of the Association, the Association officer must give his loyalty to the Board. In addition, the opinion states that when a Board member is speaking or lobbying on an organization's behalf and the Board has not taken a position, should clearly identify himself as speaking as an Association officer on the Association's behalf.

Ms. Rosier commented on the recent meeting of the Association of Licensing Boards that she and Ms. Rubenstein attended. The Association was considering a request for an Attorney General's ruling on a number of items. The major item affecting this Board is §30-1-10 which states that "[w]hen the special fund of any board accumulates to an amount which exceeds twice the annual budget of the board or ten thousand dollars, whichever is greater, the excess amount shall be transferred by the state treasurer to the state general revenue fund." As the law is currently written, this limits this Board's ability to go to full biennial renewals as the first year of implementation would see quite an excess in deposits that would be swept while the following year would have no renewal revenue and leave the Board with little to operate on. The other item of interest being discussed by the Association was the Department of Personnel's FTE fees. A number of Boards have refused to pay these fees since they currently receive no services from the DOP.

The Board recessed the meeting in General Session at 2:45 PM to conduct exam interviews. The General Session resumed at 4:05 PM, immediately following the exam interviews. The Board members briefly discussed the outcome of their exam candidate interviews and were then reminded that the next Board meeting is scheduled for Tuesday, March 20, 2012. The meeting will take place in the Board offices at 300 Capitol Street in Charleston, WV.

Upon motion by Mr. Pierson, seconded by Mr. Saluja, the meeting adjourned at 4:30 p.m. The Board members will be compensated one day per diem plus travel expenses.

**General Session Minutes**  
**State Board of Registration for Professional Engineers**  
**March 20, 2012**

The State Board of Registration for Professional Engineers met in their offices at 300 Capitol Street in Charleston, WV on Tuesday, March 20, 2012. Those present for all or part of the meeting were:

William E. Pierson	Vice-President
Bhajan S. Saluja	Secretary
Richard E. Plymale, Jr.	Member
Leonard J. Timms	Member
Lesley L. Rosier-Tabor	Executive Director
Don W. Johnson	Board Investigator
Debra L. Hamilton	Legal Counsel

Vice-President Pierson conducted the meeting in the absence of the President. The meeting was called to order at 9:00 AM. The Board meeting minutes for January 24, 2012 (both executive and general session) were reviewed. A motion to approve the minutes as amended was made by Mr. Plymale, seconded by Mr. Timms. Motion carried.

The Board budget summaries for January and February 2012 were received and reviewed. The detailed purchasing card expenditures were also received and reviewed, in addition to the new 5-year lease agreement for our office space. The WV Real Estate Division (WVRED) negotiates new leases and addendums to extend leases for state agencies. The WVRED recommended that the Board accept the 10% increase proposed by the owner. The Board concurred. A motion to approve the current expenditures, purchasing card transactions, as well as the new lease addendum, was made by Mr. Timms, seconded by Mr. Plymale. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments. Ms. Rosier discussed her participation in recent events and presentations made by her to various groups since the last Board meeting. She also reviewed the office's schedule of upcoming activities. A motion was made by Mr. Timms, seconded by Mr. Saluja, to approve attendance and travel for Board member and staff activities outlined in the Executive Director's report and updated 2012 calendar of events. Motion carried.

The April exam preparation was discussed. A total of 61 PE examinees have registered with NCEES, one taking the Structural 2 exam, for a total to 62 exams. One PE applicant interview was conducted. A total of 273 FE examinees were approved by the Board (143 in Morgantown, 130 Charleston) with 8 FE applicant interviews being conducted. Ms. Rosier and Ms. Davis will monitor the Charleston exams. Mr. Timms and Ms. Rubenstein will monitor the Morgantown exams.

Ms. Rosier reminded the Board of the upcoming NCEES Northeast Zone meeting from May 3-5, 2012 in Dover, DE. Currently Mr. Timms, Ms. Rosier and Mr. Johnson will be attending. The other Board members need to notify Ms. Rosier before April 2<sup>nd</sup> so that she can register them.

The Board discussed the recent trend in allowing NCEES to approve examination applications for candidates who meet the basic requirements for licensure. The Board took no action as they decided this important task must remain the responsibility of our WV PE Board members and Executive staff.

A courtesy correspondence and questionnaire are being prepared for those registrants with confusing or incomplete COA responses on their renewal forms. The upcoming 2012-13 renewal form and on-line renewal will be revised to capture a clearer picture of the engineering work being performed by the individual and under what company structure/authorization.

Personalized Status Reports and newsletters were mailed in late February to over 11,000 registrants and stakeholders. Ms. Rosier reminded all in attendance that articles are already being prepared and collected for the 2013 edition of the newsletter.

Mr. Timms moved to enter into Executive Session at 9:40 AM, seconded by Mr. Plymale. Motion carried. The meeting recessed during the Executive Session for lunch at 12:15 PM and then for a show cause hearing on Complaint C2009-12. See Record of Hearing. The Board reconvened the meeting in Executive Session at 3:00 PM.

At the conclusion of the Executive Session, Mr. Timms moved to enter into general session with a second by Mr. Saluja. Motion carried and the Board took the following actions:

1. Mr. Timms moved that complaint C2012-04 be scheduled for hearing at the March Board meeting unless resolved. Motion was seconded by Mr. Saluja and carried.
2. Mr. Timms moved to authorize staff to hire a third party engineer to review the engineering performed on complaint C2012-09. Motion was seconded by Mr. Saluja and carried.
3. Mr. Timms made a motion that inquiry I2012-10 be received and filed as a Board-initiated complaint. Motion was seconded by Mr. Plymale and carried.
4. Mr. Saluja made a motion that inquiry I2012-12 be received and filed as a Board-initiated complaint. Motion was seconded by Mr. Plymale and carried. A letter will be sent to the subsidiary company (I2012-11).
5. Mr. Plymale made a motion that inquiry I2012-14 be received and filed as a Board-initiated complaint. Motion was seconded by Mr. Saluja and carried.
6. Mr. Timms made a motion to authorize staff to find a suitable ethics course for the exam applicant involved in inquiry I2012-18 which, if agreed to by the applicant, would be reduced to writing. Motion was seconded by Mr. Saluja and carried.

Based on a motion by Mr. Timms, seconded by Mr. Saluja, the Board took the following actions on Special Cases for Board Action:

1. Jessica R. Knight's request for comity was approved.
2. Krupakaran Kolandaivelu's request for comity was approved.
3. William S. Shiderly's request for comity was denied. The Board will reconsider his comity application upon successful completion of a NCEES credentials review and/or obtaining additional education to meet the WV Engineering Law educational requirements.

Personnel Matter: The Board approved the hiring of Anna Rubenstein as a summer intern.

Mr. Timms reported on his recent activities as NCEES Past-President which included:

- The accuracy of reporting data on FE examination provided to EAC schools was discussed at the NCEES Board meeting. NCEES will be working to revise the EMS

system to obtain more information from the examinee candidates in an attempt to make the Institutional Reports a more reliable assessment tool.

- The NCEES Board also voted to amend the NCEES Engineering Education Standard to provide for an option that NCEES will conduct reviews on non-ABET programs only at the expressed request of an NCEES Member Board and that the evaluation will duly note the circumstances under which the evaluation was completed in the event the evaluation is ever transmitted to another Member Board. In addition, the NCEES President added a charge to the new Education Committee next year to conduct a full review of the standard and provide comment.
- The launch of CBT is still on schedule for January 2014.
- Jordan, Katar and Kuwait are being considered as potential NCEES exam sites and Turkey and UAE are now approved exam sites.
- Mr. Pierson has been appointed as the NCEES alternate to the ABET Board.

Mr. Pierson reported that he will be at NCEES in Clemson April 13<sup>th</sup> and 14<sup>th</sup> to work on the FE Exam and CBT related matters.

Ms. Rosier reported that she met separately with representatives from WVU and WVU Tech to discuss the shortcomings they have been experiencing with using the FE as an assessment tool for their programs. Both schools are interested in pursuing improvements with the Institutional Reports and were intrigued by what the new CBT testing statistics may reveal in 2014.

The re-write of the Engineering Practice Act for submission to the legislature in 2013 was discussed. Ms. Hamilton has begun discussions with the legislative staff regarding our game plan, the new required format and initial proposed changes. The Board requested that a draft be available for review at the May Board meeting.

The Board discussed the upcoming 2012 WV EXPO. Over the next two days, the Board and staff will set-up the Board's new exhibitor display booth and conduct a 2-hour seminar on engineering licensure in conjunction with a joint session with the WV Society of Professional Engineers honoring our successful 2011 WV FE and PE examinees. Mr. Timms and Ms. Hamilton will be the main presenters during the seminar portion. Mr. Pierson will be one of the presenters honoring our successful examinees.

Ms. Rosier discussed the ad that the Board ran in the Engineering Outlook Section of the Charleston newspapers focusing on the importance of engineering licensure and our charge to protect the health, safety and welfare of the public. The ad and associated article covered almost a full page. The ad outlined the acceptable ABET-approved programs offered at each of the WV colleges and universities in an effort to educate the public and our stakeholders on the educational paths to licensure in this state.

The next Board meeting is scheduled for Thursday, May 24, 2012. The meeting will take place in the Board offices at 300 Capitol Street in Charleston, WV.

Upon motion by Mr. Timms, seconded by Mr. Plymale, the meeting adjourned at 4:15 p.m. The Board members will be compensated one day per diem plus travel expenses.

**General Session Minutes**  
**State Board of Registration for Professional Engineers**  
**May 25, 2012**

The State Board of Registration for Professional Engineers met in their offices at 300 Capitol Street in Charleston, WV on Friday, May 25, 2012. Those present for all or part of the meeting were:

Edward L. Robinson	President
William E. Pierson	Vice-President
Bhajan S. Saluja	Secretary
Leonard J. Timms	Member
Lesley L. Rosier-Tabor	Executive Director
Don W. Johnson	Board Investigator
Debra L. Hamilton	Legal Counsel

The meeting was called to order at 9:05 AM. The agenda was re-arranged to accommodate Board member's schedules. The Board meeting minutes for March 20, 2012 (both executive and general session) were reviewed. A motion to approve the minutes as amended was made by Mr. Timms, seconded by Mr. Pierson. Motion carried.

The Board budget summaries for March and April 2012 were received and reviewed. The detailed purchasing card expenditures were also received and reviewed. A motion to approve the current expenditures and purchasing card transactions was made by Mr. Pierson, seconded by Mr. Timms. Motion carried.

The projected FY 2013 Budget and Expenditure Schedule was received and reviewed. A motion to approve the FY 2013 Budget and Expenditure Schedule as submitted was made by Mr. Saluja, seconded by Mr. Timms. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments. Ms. Rosier discussed her participation in recent events and presentations made by her to various groups since the last Board meeting. She also reviewed the office's schedule of upcoming activities. A motion was made by Mr. Timms, seconded by Mr. Saluja, to approve attendance and travel for Board member and staff activities outlined in the Executive Director's report and updated 2012 calendar of events, including the addition of Ms. Rubenstein's and Mr. Johnson's attendance at the NCEES Annual Meeting and Mr. Johnson and Ms. Rosier to attend the CLEAR Conference. Motion carried.

The April exam results were discussed. The FE exam results have been received. The overall pass rate was 47.8% (55.1% for first-time takers and 20.8% for repeat takers.) There were 8 interviews conducted prior to taking the exam, two of whom passed. There were 45 absences, 32 in Morgantown and 13 in Charleston. The PE exam results have not been received. A total of 61 PE examinees registered with NCEES, one taking the Structural 2 exam, for a total of 62 exams. One PE applicant interview was conducted. There were 5 absences, 1 in Morgantown and 4 in Charleston.

Ms. Rosier reminded the Board of the upcoming NCEES Annual Meeting August 22-25, 2012 in St. Louis, MO. Pre-registration is required prior to the next Board meeting and Board members were asked to notify Ms. Rosier before July 1<sup>st</sup> if they plan to attend so they can be registered.

The schedule on changes to the WV Engineering Law was discussed in detail. Ms. Hamilton and Board staff are working on a draft of the proposed law for review by the Board. Distinctions between the proposed law and the NCEES Model Law are being identified. A legislative re-write work session for the Board and staff is tentatively scheduled for June 26<sup>th</sup>.

Mr. Timms presented some suggestions to consider for the WV Engineering Law related to the educational changes involving the Model Law Master's degree or equivalent educational criteria. If implemented, these requirements would take effect no earlier than 2020.

Mr. Timms reported on his recent activities as NCEES Past-President which included:

- Computer Based Testing (CBT) is still on schedule to launch in January 2014.
- No major issues or motions voiced at any of the various NCEES Zone meetings.
- Support for the Master's or equivalent continues to grow.

The Northeast Zone meeting in Dover, DE was discussed. Ms. Rosier briefly reviewed the content of the Member Board Administrators agenda. No major issues were raised during the various sessions.

The details of CBT for the FE exam were discussed, specifically the issue of allowing candidates to apply directly to NCEES for application to sit for the FE exam. This procedure would eliminate the FE exam pre-approval process currently being conducted by this Board. The Board concluded that since many other states are already using this procedure, and many more are scheduled to during the CBT transition, this Board will likely incorporate this procedure in legislative changes proposed for 2013. Given the fact that candidates will now be able to sign up to sit for the exam any day of the week at any approved Pearson Vue location in any state, candidates will be able to "shop around" and find the path of least resistance and cost. Given the reality that passing the FE exam is only one step of many in the licensure process and does not permit an individual to practice engineering in any way, the Board was willing to entertain such a change to long-standing procedure. If an FE exam candidate passes the exam but does not have the correct educational credentials or qualifying references, they cannot become an Engineer Intern and most certainly they can never become a PE.

The 2012-2013 annual renewal is in progress. A number of problems occurred involving the low bid printer and mailing vendor who produced the tri-fold renewal mailers and wallet cards. The details of the problems were discussed, which included but were not limited to the following: renewal notices were mailed out to our licensees more than one week prior to schedule, the online renewal system was not ready resulting in the WVSTO IT group having to scurry around and bring the system on-line early, there were a number of errors in the printing of the addresses including truncated addresses, missing cities and states, etc. Initially the representative from the printer was not responsive to our concerns and the impact their action had on the renewal process. In addition, this time-sensitive print job was not completed in full as of the date of the Board meeting, which was already 14 days after the required deadline. A complaint will be filed with the WV Purchasing Division outlining the problems encountered by using the required low-bid vendor and recommending that they be removed from future opportunities. In addition, unless significantly discounted beyond the given 3% per day contractual penalty for being late, Ms. Rosier indicated she planned to dispute the invoice for the unprofessional service and unexpected amount of additional work imposed on Board staff. The Board fully supported this approach.

Ms. Rosier noted that Board staff worked diligently to manually prepare and reprint renewal mailers and wallet cards to correct the printer errors. She was happy to report that from the standpoint of the licensee, there were minimal issues with the renewal process since it went live online.

The Board recessed at 11:00am for an informal conference regarding Complaint C2012-13.

Mr. Timms moved to enter into Executive Session at 11:30 AM, seconded by Mr. Saluja. Motion carried.

At the conclusion of the Executive Session Mr. Pierson moved to enter into general session with a second by Mr. Timms. Motion carried and the Board took the following actions:

1. Mr. Timms moved that complaint C2010-12 be scheduled for hearing at the September Board meeting unless resolved. Motion was seconded by Mr. Pierson and carried.
2. Upon motion by Mr. Timms, seconded by Mr. Pierson, the Board agreed to dismiss complaint C2012-13. Motion carried. As a result of this complaint, the Board directed staff to research the impact of allowing wholly owned subsidiaries filing joint tax returns to be treated as a satellite branch office/company not requiring a separate COA vs. current Board policy of having a separate COA for all entities operating under separate FEIN numbers.
3. The Board staff was directed to put a permanent notice in the file of the EI involved in inquiry I2012-24 relating to his felony convictions.

There were no Special Cases for Board Action.

Mr. Timms made a motion to approve a \$3000 merit increase for the Executive Director with the remaining budgeted pool of \$8000 to be distributed to Board staff at her direction. The raises are to be effective July 1, 2012. Mr. Saluja seconded and the motion carried.

The excessive number of documents being sent to the Board for review, as well as the hundreds of pages included in their Board meeting books, was discussed at length. Several Boards, both state and nationally, have moved to electronic format for their meetings. Such a change would require the purchase of notebook computers or I-Pads for use by the Board members and staff to more efficiently communicate before, during and after the Board meetings. Mr. Timms made a motion directing staff to purchase eight (8) I-Pads for the use of Board and staff members who are required to prepare for and attend the Board meetings. Motion was seconded by Mr. Pierson and carried.

The next Board meeting is scheduled for Monday, July 16, 2012. The meeting will take place in the Board offices at 300 Capitol Street in Charleston, WV.

Upon motion by Mr. Timms, seconded by Mr. Pierson, the meeting adjourned at 2:30 p.m. The Board members will be compensated one day per diem plus travel expenses.

- Adjourn

**General Session Minutes**  
**State Board of Registration for Professional Engineers**  
**June 26, 2012**

The State Board of Registration for Professional Engineers met in their offices at 300 Capitol Street in Charleston, WV on Tuesday June 26, 2012. Those present for all or part of the meeting were:

Edward L. Robinson	President
William E. Pierson	Vice-President
Bhajan S. Saluja	Secretary
Richard E. Plymale	Member
Leonard J. Timms	Member
Lesley L. Rosier-Tabor	Executive Director
Don W. Johnson	Board Investigator
Debra L. Hamilton	Legal Counsel

The meeting was called to order at 10:00 AM. The Board meeting minutes for May 25, 2012 (both executive and general session) were reviewed. A motion to approve the minutes as submitted was made by Mr. Pierson, seconded by Mr. Timms. Motion carried.

Mr. Pierson moved to enter into Executive Session at 10:05 AM, seconded by Mr. Saluja. Motion carried.

At the conclusion of the Executive Session Mr. Timms moved to enter into general session with a second by Mr. Saluja. Motion carried and the Board took the following actions:

1. A motion was made by Mr. Timms to enforce the consent order in complaint C2009-12 by permanently revoking the complainant's license. The motion was seconded by Mr. Saluja and carried. Ms. Hamilton will prepare the appropriate notice.

The Board directed Ms. Hamilton to notify the West Virginia Office of Miners' Health, Safety and Training, the West Virginia Department of Environmental Protection, the West Virginia Surveyors Board and any other affected parties about the license revocation.

Ms. Rosier reminded the Board of the upcoming NCEES Annual Meeting August 22-25, 2012 in St. Louis, MO. Pre-registration is required prior to the next Board meeting. Currently Board members Pierson, Plymale, and Timms along with staff members Rosier, Johnson and Rubenstein and Board counsel Hamilton are attending. Mr. Saluja will make his own travel arrangements if he is able to attend.

The Board discussed the effect that the Educational Plan of Study (EPOS) requirement and subsequent exam candidate interviews with the Board are having on examination pass rates. With only three remaining FE examination administrations prior to NCEES moving to Computer Based Testing in January 2014, the Board discussed the need to continue to require the EPOS submissions and interviews for FE exam candidates. Mr. Saluja made a motion that, effective immediately, the EPOS submissions to continue to be required but Board interviews be discontinued for FE examination candidates, noting that in January 2014, it is the Board's understanding that FE exam applicants will be able to apply directly through NCEES and not necessarily require prior Board approval. The motion was seconded by Mr. Timms and carried.

A follow-up discussion ensued regarding the PE exam application approval process. Mr. Saluja made a motion that, effective with the April 2013 exam administration (meaning those applying by the January 2013 deadline), the PE examination candidate will continue to be required to submit an acceptable EPOS after three failed attempts before being approved to sit for the PE exam the fourth time. Upon a fourth failure, the PE exam applicant will have to submit an additional acceptable EPOS and interview with the Board before being approved to sit for the PE exam the fifth time. If the candidate does not pass on the fifth or any future attempt, the Board automatically will require the PE exam applicant to sit out for a minimum of one year before reapplying for approval to retake the exam.

Ms. Rosier updated the Board on the resolution of the problems our agency encountered with the low bid vendor for our 2012 renewal printing needs. The provider has agreed to not pursue payment from the Board for the printing costs. All invoiced mailing costs for postage were paid immediately less the cost of the approximately 500 mailers that were returned due to gross printing errors and had to be reformatted and re-sent at the agency's expense (time and postage). Ms. Rosier will be complying with Board direction from the May 2012 meeting in the next few weeks by filing a Vendor Performance Report with the WV Purchasing Division outlining the problems encountered by using the required low-bid vendor and the resolution of the matter.

The motion made at the May Board meeting to purchase eight (8) I-Pads for use by Board and staff was discussed for staff clarification. After discussion regarding logistics, service, existing technology, and list-serve results of the experiences of other engineering licensing boards moving to electronic meetings, Timms moved to amend their previous motion to purchase eight (8) notebook computers instead of the I-Pads. The motion to amend was seconded by Pierson and carried. The notebooks will not only have a USB port but also larger viewing screens to better suit the needs of the Board. The notebooks will be serviced and maintained at the Board office but are available for use outside the office by Board members and staff. Wi-fi internet service is available at the agency office and all Board meeting information will be posted on an FTP site and made available for review by the Board prior to the meeting. The paper notebooks will no longer be used.

The Contractor Licensing Board's position of when the monitoring of and involvement in construction work by a PE would require a contractor's license was discussed. Ms. Hamilton communicated to the AG attorney for the Department of Labor that the Board members would like to attend a future meeting of the Contractor Licensing Board to discuss the issue if the conclusion reached in Mr. Woodrum's letter of June 7, 2012 is not clarified by them internally.

Ms. Rosier reported that the required annual BRIM Safety Meeting was held with staff on June 21, 2012. The Board was presented with a copy of the submission (safety meeting minutes, attendance sheet, annual survey results, etc) to be submitted to BRIM following the Board meeting.

The Board and staff spent the remaining 5+ hours of the meeting reviewing the details of the proposed legislative changes to the WV Engineering statute (Article 13). Charles Roskovensky, counsel for the House of Delegates Committee on Government Organization, joined the meeting at 2:45 PM to discuss a recommended timeline and schedule as well as address questions of the Board regarding the new format, specific provisions and the legislative process. The Board staff will work with Mr. Roskovensky to develop a schedule of events and actions required to keep the proposal moving forward.

The next Board meeting is scheduled for Monday, July 16, 2012. The meeting will take place in the Board offices at 300 Capitol Street in Charleston, WV.

Upon motion by Mr. Timms, seconded by Mr. Saluja, the meeting adjourned at 4:00 p.m. The Board members will be compensated one day per diem plus travel expenses.

## Message from the Executive Director

### *Discipline for One Becomes a Lesson for Many*

Lesley L. Rosier-Tabor, PE

As everyone reading this is likely aware, the principles of our engineering work are an interesting mixture of the application of scientific knowledge, ethical rules and professionalism, all of which guide the engineering practice as well as that of other learned professions.

I have elected to take this opportunity to use my newsletter spot to reflect on a very unique situation our Board members found themselves in during 2011. I would also like to credit our Board Investigator, with assistance of our Legal Counsel, with preparation of much of the following material, which was submitted for consideration in the NCEES Licensure Exchange publication.

Let me begin to share with you a creative resolution reached by the WV State Board of Registration for Professional Engineers (hereinafter the “Board”) and one of our licensees. The registrant was dissatisfied with his current position and sought to change jobs. Unable to find employment in the surrounding area, he chose to start his own consulting firm, which would be competing with his current employer. There was no employment contract and no non-compete agreement. The engineer was concerned that his employer would not give the clients copies of their files if they chose to follow him to his new firm. The engineer copied the files.

The employer became aware that the engineer was leaving and immediately terminated him. The employer suspected the engineer had copied the files and requested that he return them. The engineer immediately returned the files. The employer filed criminal charges against the engineer for theft of proprietary information under the West Virginia Computer Crime and Abuse Act. There were two charges, each of which carried a one-year prison term plus potential monetary penalties.

In addition to the complaint filed with this Board, the employer also filed charges

against the engineer with Boards in other states and with another WV board where the engineer was licensed.

At the time, no one had been prosecuted under the newly enacted WV Computer Crime and Abuse Act and there were legal questions inasmuch as the engineer had free access to the files in question during his employment and had even prepared some of the files. The prosecuting attorney chose to not pursue the case and all criminal charges were dropped.

The Board staff investigated the case. The engineer readily admitted he had copied the files. The Board met with the engineer and his attorney at the engineer’s request. The Board found a repentant engineer who obviously wanted to keep his PE license and not face civil penalties which could potentially put him out of business.

Since there were no health and safety issues involved in this case the Board chose to seek a different approach in negotiating the terms of the Consent Order. The Board decided to offer the individual the opportunity to participate in Board ethics presentations in lieu of a monetary fine or license suspension. This option not only assisted the engineer, but provided a unique educational training tool to bring to the WV engineering colleges and university classrooms.

To resolve the complaint the engineer agreed to participate in four Board ethics presentations chosen from a list prepared by the Board. The list included four of the five engineering and engineering technology schools in the state and the Annual Engineering EXPO. The engineer’s presentation would be the main attraction at each.

One of our Board members is a university professor. He tailored a Senior Design homework assignment focusing on a hypothetical example of an engineer involved in a similar situation to what happened

in our case. The students turned in their assignments and then heard the real life story. The impact was much greater when the students put a face with the story.

The engineer spoke from talking points approved by the Board. He admitted what he did was wrong and why, answered questions candidly and made an impression on the students when he asked if they had ever been arrested, fingerprinted and photographed. He talked about the uncertainty of going to jail and the potential of losing his license and his livelihood. He spoke about this hanging over his head for over a year and about the profound influence it has had on his life. He made a real impression on the students and professors as well.

As it turned out, all five of the WV engineering and engineering technology schools asked that he come and speak to their seniors. The engineer readily agreed to travel to the fifth campus even though he was only bound by consent order to participate in four presentations. He has since said that this helped him deal mentally with the situation he found himself in and was pleased with the opportunity to participate. Due to the sincere delivery of his presentation, we firmly believe that the experience will have a lasting impact on those engineering students who had the opportunity to participate and we hope they will incorporate these important lessons as they go forward within the profession.

The positive resolution of this serious matter furthers the Board’s understanding of what is important in deciding upon appropriate disciplinary action. The Board often looks to the instructive points that can be made through its disciplinary actions including the details in Board Orders and Consent Orders. However, to actually utilize teaching as the discipline itself turned a serious ethics violation into a positive experience for many in our WV engineering community.

# Board Updates

## *Timms Passes the Gavel*

Important matters being discussed with newly appointed Vice President Harclerode and President Elect Dinkins

Timms conducting business during his final hours as NCEES President

President Timms by day, father and grandfather otherwise!

Leonard J. Timms, Jr., PE, and WV PE Board member and former President, recently completed his term as the first West Virginian to serve as President of the National Council of Examiners for Engineering and Surveying (NCEES). Mr. Timms was succeeded by Dale Jans, PE, of the South Dakota Board who began his term as 2011–12 NCEES president at the conclusion of the NCEES annual meeting, held August 24–27 in Providence, Rhode Island.

As outgoing NCEES President, Mr. Timms will remain on the NCEES Board of Directors as immediate past president and complete his 5th and final year of fulfilling his NCEES Board of Director's responsibilities.

*Congratulations, Joe, on a job well done!*

## *Another Engineer In Training?*

Perhaps, given his mom is a longtime, dedicated staff member of the WV State Board of Registration for Professional Engineers!

Alex and Tara Smith are the extraordinarily proud parents of a baby boy, Leighton Alexander. Interestingly, he made his debut as our office was busy conducting our March 22nd, 2011 Board meeting. He weighed in at 7 pounds 4 ounces and was 21 ½ inches long. The photos shown here were taken at 6 months of age on their family beach vacation where he proudly sports his West Virginia onesie. Let's Gooooo Mountaineers!

*Welcome to the world Leighton!*

## *WV PE Board Member Appointment Updates*

(LEFT TO RIGHT) Leonard Timms, Jr., Edward Robinson, Bhajan Saluja, Richard Plymale, Jr. and William Pierson

Under Governor Earl Ray Tomblin, and since the last newsletter publication, there have been no changes in new appointments or reappointments to the WV State Board of Registration for Professional Engineers:

- Mr. Leonard J. Timms, Jr.  
New term expires June 30, 2015
- Mr. Edward Robinson  
New term expires June 30, 2014
- Dr. William E. Pierson  
New term expires June 30, 2013
- Mr. Richard E. Plymale, Jr.  
Term expires June 30, 2012
- Mr. Bhajan S. Saluja  
Term expires June 30, 2011  
(continues service until successor is appointed or reappointment is made per WV Code 30-13-4)

## *2011-2012 Board Member Election Results*

- Mr. Edward Robinson,  
Board President
- Dr. William E. Pierson,  
Board Vice-President
- Mr. Bhajan S. Saluja,  
Board Secretary

## Investigator's Corner

Don Johnson, PE, Board Investigator

Our number of registrants continues to grow. People seem to be lining up to do engineering work in the state. We currently have about 7,300 PEs registered in West Virginia and about 2,500 engineering companies that hold Certificates of Authorization (COA) to practice engineering in our state. The majority are out-of-state registrants. Hopefully this is a positive sign for WV and the country as a whole. Overall the number of complaints is down. Our largest problem continues to be practicing or offering to practice engineering without a license and/or COA.

### The Annual Continuing Education Audit:

We continue to monitor registrants who report they have completed a large number of Professional Development Hours (PDH) in one day. A lot of our registrants tell us that they sign up for several online courses one day, review the material over several days or even weeks and then complete all of the exams in one day. While this is acceptable, there were instances where the registrants reported they completed the courses in less time than they were given credit for. Remember, you can only claim the amount of time it took you to actually complete the activity up to the maximum stated by the course provider and you can avoid an audit by listing the actual start and completion dates.

If you find instances where online course material, or any course material for that matter, is lacking either in duration or content, please let us know. If we get several responses regarding a particular provider we will contact the course provider and see what is happening.

We had a problem reappear this year. Some of the online course providers list their course credits in continuing education **hours**. Several of our registrants interpreted these as

continuing education units (CEUs), which count as 10 PDHs, and claimed 10 PDHs for each of the continuing education **hours**. Needless to say, these registrants wound up rushing around taking additional courses. The tip-off should have been when you were getting 10 hours credit for something you completed in a whole lot less time.

A number of registrants who were audited did not provide the log of activities requested in the audit letter. For next year we are considering returning those audits and requiring a re-submission. Some also just sent the log and no supporting information on the activities claimed. We had to contact each of them and they had to provide the additional information. As far as supporting information, we prefer certificates or documents from the course provider but will accept other records if necessary. (Please do not send the course text, the entire technical paper, etc.)

Of course, avoiding the audit is still the best thing. You can reduce your chances by completely and accurately filling out the form and answering all of the questions. If you have questions about your renewal or don't understand something, calling us prior to submitting your renewal is easier on both of us.

In an attempt to reduce the number of people getting audited for COA issues, we changed the language on the renewal form. The good news is the previous problem with listing yourself as John Doe, PE or self employed was greatly reduced. Unfortunately, this change created even more problems. We separated the questionable renewals into two categories, PDH audits and those with COA irregularities. We had 358 in the PDH audit category. For the first time in at least ten years, all of the PDH audits were successfully completed and there were no invalidations. Due to the new questions on the form

regarding COAs, a courtesy correspondence and follow-up questionnaire was sent to those with confusing or incomplete responses.

During this year's audit we encountered a number of companies practicing or offering to practice engineering in WV without a COA. Remember, if you are offering engineering services in WV, either directly or indirectly (through an engineered product, for a specific end use or a product requiring an engineer's seal to sell it) then you need to be licensed as a WV PE and you or your company needs to have a COA. Examples of this include metal buildings, building trusses, pre-manufactured concrete building elements and other similar items. There are likely many additional items that fall into this category that we will come across in the future.

### The Practice of Engineering:

*(This section was borrowed and edited to reflect WV Engineering Law with permission from the Alabama PE Board)*

The Board office receives numerous calls and other communications from individuals regarding practicing or offering to practice engineering. Often the individual makes the statement, "I don't have to seal anything," which seems to imply that the offering of engineering only occurs when a document must have a Professional Engineer's seal.

The West Virginia Engineering Law, §30-13-3(e), states that the "Practice of engineering" means "any service or creative work, the adequate performance of which requires engineering education, training and experience in the application of special knowledge of the mathematical, physical and engineering sciences to such services or creative work as consultation, investigation, evaluation, planning and design of engineering works and systems; planning the

use of land and water; teaching of advanced engineering subjects, engineering surveys and studies; and the review of construction for the purpose of assuring compliance with drawings and specifications any of which embraces such services or work, either public or private, in connection with any utilities, structures, buildings, machines, equipment, processes, work systems, projects and industrial or consumer products or equipment of a mechanical, electrical, hydraulic, pneumatic or thermal nature, insofar as they involve safeguarding life, health or property, and including such other professional services as may be necessary to the planning, progress and completion of any engineering services. Engineering

*Just because a project may not require the creation of a sealed document doesn't alleviate the requirement that engineering services must be provided by appropriately licensed engineers.*

surveys include all survey activities required to support the sound conception, planning, design, construction, maintenance and operation of engineered projects.”

While the sealing of many documents is required by law, the placement of the seal on the document is not where the practice or offer to practice engineering begins. Just because a project may not require the creation of a sealed document doesn't alleviate the requirement that engineering services must be provided by appropriately licensed engineers.

While we are discussing seals, we had an interesting question come up for the first time in my tenure here. When reviewing a set of plans, is it adequate for the individual building components only to be sealed and not the entire structure? I would say NO. Approving the individual components does not address the integrity of the overall

structure. For example, just because the main metal building support beams are adequate does not mean that the purlin size and spacing is adequate for the beam spacing and thickness of roof panels being used. Someone has to check and approve the overall structure and take responsibility for protecting the public.

In investigating complaints we found that some Building Code Officials and other inspector's review the same plans repeatedly, correcting deficiencies in the engineer's submissions. One engineer even told me it was the code official/ inspector's job to do that. While compliance with the appropriate code may be the official/inspector's responsibility,

it is not their job to correct an engineer's work. More importantly, it may result in a complaint against the engineer. Code officials and inspectors who are encountering this problem with a specific engineer's submissions are invited to contact me.

#### **Things worth repeating:**

As we have said in the past, keeping your Board record up to date is important. If your address changes without our knowledge, obviously you will not receive the necessary official correspondence such as renewal notices and audit notices. Failure to respond to either of these can result in your license lapsing or being invalidated. Reinstatement involves an application package, references, an additional fee and can be a hassle. This could potentially lead to a case of unlicensed practice if the person does not realize his/her license has lapsed or been invalidated and

he/she continues to practice or offer to practice engineering in WV.

WV does not treat a license invalidation as a disciplinary action. It does not get reported to NCEES and does not affect Model Law Status for those registered with NCEES but the license invalidation DOES appear in the Board's newsletter. As a cautionary note, this is not true of all states. Failure to respond to an audit or responding late to an audit can result in disciplinary actions in those states.

Failure to report a change in employers can also be problematic, especially if you are the Engineer in Responsible Charge (EIRC) for the company. First, since you are listed as the EIRC, you could wind up having to explain your previous employer's actions should a problem occur. Of more concern, you could be held responsible for poor engineering that you did not perform. A PE, as well as the company, has 30 days to notify the Board should a change of EIRC occur.

#### **Remember:**

When in doubt, give a shout! Our goal is to be proactive, not reactive, and Board staff members are here to help answer your questions before they develop into issues that must be brought to the attention of the Board.

# Counsel's Column

## Settlement of a Complaint

Debra L. Hamilton, Board Counsel and Deputy Attorney General

One often hears phrases like “I settled for the less expensive one” or “I can’t understand why he would settle for that job” but “settling” does not always mean you are accepting something less. When it comes to resolving a disciplinary action, a settlement gives you much more control over the disciplinary action to be taken against you. In other words, you are a part of the resolution of a complaint against you, you have a say in the outcome.

The settlement document is a Consent Order, and the Respondent can be actively involved in the negotiation and finalization. That involvement extends to all aspects of the agreement: the findings that give rise to the disciplinary action, the specific parts of West Virginia engineering law that have been violated (to which an admission is required), the terms of resolution, and even how any of the above are worded. The alternative is a Board Order where, after deliberation, the Board determines everything.

Of course, like the admission, some terms in a Consent Order may be non-negotiable. But to give you an understanding of the process (based on usual circumstances — and there are bound to be unusual circumstances) — and somewhat against my own advice — I have decided to share the process with you:

1. The Board or its attorney (yours truly) or the respondent (or Respondent’s counsel) brings up the possibility of settlement when there has been sufficient fact-finding to attempt to resolve the complaint. (For the rest of this article, I am just going to use “Respondent” but keep in mind that anyone that is the subject of a Board complaint has the right to be represented by an attorney.)
2. The Board’s counsel discusses with staff the various aspects of the Complaint and possible settlement, because there is no point in working with the Respondent on a settlement if the staff is not going to recommend the settlement to the Board. The Board staff, primarily the Executive Director and Board Investigator, wants any recommendation to be brought before the Board be fair, uniform and consistent with past Board actions. I have been

Board Counsel for many years, and I know that if the staff isn’t happy with the proposal based on any one of the factors noted above, the Board will likely reject it, and I don’t like to waste my time. Keep in mind, though the Board always has the power to refuse a settlement. Nothing is final until the signature of the Board President is on the document. There is a lot of language about this in the proposed Consent Order so that everyone will realize it is not a done deal until the deal is done.

3. Board counsel drafts a proposed consent order, sometimes talking with the Respondent during the process to get additional information. This draft is provided for comment and possible revision first to Board staff and then to the Respondent. This may be a very quick process or one that has several back and forths or for some other reason may take several weeks.
4. The proposed Consent Order is presented to the Board only after the Respondent has signed and dated the document. While the Board at times is asked for direction, Board action is usually not required. Instead, the signed Consent Order is presented to the Board President, who is authorized to sign and finalize the document on behalf of the Board, and then the resolution is reported to the Board at its next regularly scheduled meeting. This allows for a more prompt resolution, since sometimes things can get resolved right after a Board meeting and there won’t be another one for a month or two. If the Board President has any questions or concerns regarding the Consent Order, he may choose to bring those to the Board’s attention for input prior to signing the Consent Order.

The Board absorbs much of the administrative costs that are part of the disciplinary process, but if the Respondent reneges or keeps making new requests or demands or otherwise adds a lot of time and expense to the negotiating process, that may be reflected in the amount of administrative costs included in the Consent Order.

At a recent conference of regulatory boards which I attended, I learned that some licensing boards impose additional costs if the matter is settled at the last minute

because the Respondent dragged his or her feet, forcing the Board to incur a lot of costs preparing for a disciplinary hearing. The West Virginia PE Board would have to give a lot of thought to something like this, because sometimes the matter settles even during the hearing through no fault of either party. But sometimes it does feel like the Respondent is waiting until the last minute to resolve the matter for no good reason, and it makes sense to have some kind of incentive for settlement before the Board has noticed and prepared for a hearing and paid for the presence of a court reporter.

The West Virginia PE Board places much importance on consistency, with due regard to variations based on specific circumstances since no two fact situations are exactly alike. Board members and staff are willing to think outside the box in accepting settlement terms, and sometimes it is an idea of the Respondent that gets us to yes. There is a lot of flexibility in the process, because the parties are not bound by the allegations in the Complaint — although the findings will in some way reflect the facts on which the Complaint was based. For instance, a complaint alleging negligence or incompetence might result in a consent order that finds a violation of the professional engineers’ Rules of Professional Responsibility because they practiced outside their education or experience.

There is no way to take the sting out of disciplinary action, but that is not the purpose of the discipline. So long as the public is protected, there is compliance with West Virginia engineering law, and the Respondent has a new awareness of what must be done to be in good standing and have the privilege of practicing engineering in West Virginia, then we have all done our job.

## Board Disciplinary Actions

In meeting its mission of safeguarding life, health and property, and to promote the public welfare, the WV Board actively enforces the statutes and rules that fall within its jurisdiction. Below is a summary of formal complaints that resulted in disciplinary action since the 2011 newsletter. Numerous other investigations were conducted, some resulting in formal complaints which are still pending; some dismissed because the charges were unsubstantiated or considered trivial; and some closed after acceptable corrective action or warning.

The actions below were either a result of a formal hearing resulting in a Board Order or an informal settlement resulting in a Consent Order. These orders are public records. If you are interested in knowing more about the nature of the complaint, you may request a copy of any order pursuant to the State's Freedom of Information Act. All Final Orders are also posted on the Board website.

All civil penalties are made payable to the State of West Virginia and are deposited in the state's general fund. Administrative costs are made payable to the WV PE Board and are retained by the Board to offset costs incurred in the investigation and complaint resolution efforts. Administrative costs may be waived if the complaint is resolved with a minimum of expense, including staff time.

Disclaimer: Every effort has been made to ensure that the enforcement information is correct; however this information should not be relied upon without verification from the Board office or website. It should be noted that the names of companies and individuals listed may be similar to the names of parties who have not had enforcement actions taken against them. Should you have any specific questions regarding the disciplinary actions noted above, please contact the Board office.

# TOP 10 *Mistakes Made By Our Registrants*

Admittedly not as entertaining as the recurring Late Night with David Letterman segments, this “Top Ten List” is an important one...one that could help you avoid similar mistakes which would jeopardize your professional engineering registration.

10. Practice or use of the title on an expired, suspended, invalidated or inactive PE license or company COA.
9. Failure to truthfully respond to all questions on applications and renewals.
8. Failure to respond to Board requests in a timely manner.
7. Practice outside of one’s area of expertise and competence.
6. Sealing design documents or engineering reports that were not prepared by the registrant or under the registrant’s direct supervision and control.
5. Failure of the company or engineer to update the Board within 30 days of a change or loss of their engineer in responsible charge.
4. Misrepresentation of the number of continuing education hours earned at the time of renewal.
3. Failure to maintain three years of proper documentation of continuing education activities for auditing purposes.
2. Failure to notify the Board of address or employment changes within thirty (30) days.
1. Failure to read and be familiar with the WV Engineering Law.

Last but certainly not least, the #1 item trumps all others listed and is considered the most important for obvious reasons. All registrants sign a statement on their annual renewal form certifying that they have read and understand the Laws, Rules and Regulations of the WV Board of Registration for Professional Engineers. The laws and rules can be amended so registrants are advised to review them on a regular basis. They are available in a printer-friendly PDF format on our website or via the WV Secretary of State’s website. BE PROACTIVE! Most problems can be avoided by simply abiding by the law. If you cannot remember the last time you read through the engineering law, there is no time better than today!

*The WV PE Board top ten list is similar to that published by the Tennessee Board in 2011. Our personal modifications and reprint was with the permission from John Cothron, TN Board Executive Director.*

## About Complaints

All complaints and violations become a public record and are reported to the National Council of Examiners for Engineering and Surveying and shared with all other US jurisdictions. In addition, the final consent orders are posted on our website for a minimum of three years and permanently within our Board records. Copies can be requested at any time and will be granted under the WV State statute on public records, known as the Freedom of Information Act. This statute was enacted for the express purpose of providing full and complete information to all persons about the workings of government and the acts of those who represent them as public officials and employees, so that the people may be informed and retain control.

## A Snapshot of Our Complaint Log (6/2003 – 1/2012)

No COA.....	40	Plan stamping/Misuse of Seal .....	4

## NCEES Chooses Pearson VUE for FE, FS Exam Delivery

NCEES has selected electronic testing company Pearson VUE for computer-based delivery of the Fundamentals of Engineering and Fundamentals of Surveying exams, known as CBT.

The NCEES Board of Directors voted to approve the electronic testing company at its February 2011 meeting. The first CBT exams will likely be released in mid-2013 and delivered through Pearson VUE's owned-and-operated network of Pearson Professional Centers and other select locations as determined by NCEES.

The FE and FS exams are the first step in the process of becoming a licensed professional engineer or professional surveyor. More than 50,000 examinees currently take these exams each year. The state licensing boards that compose NCEES voted in August 2010 to begin administering the two exams via computer-based testing at the earliest feasible date. The decision followed a prolonged study by a special task force convened to research the issue.

"We've been interested in CBT for a long time but knew that to transition such a large program successfully, we had to choose the right partner," said Jerry Carter, executive director of NCEES. "Pearson VUE has taken a very collaborative approach to the process—asking questions to make sure they are addressing our unique needs and guiding us through the process so we can maximize the security, test development,

and candidate service benefits that will be possible as a result of this transition."

"There is much work to be done, but we're both committed to an end product that will not only add new layers of security to protect the licensure process and the public it serves, but will also offer greater candidate convenience and provide more uniformity in testing conditions," Carter added.

Pearson VUE is a global leader in computer-based testing, with the world's most comprehensive and secure network of testing centers across 165 countries. It provides testing services for academic, government, and professional testing programs, including licensure exams for the National Council of State Boards of Nursing and the National Association of Boards of Pharmacy, as well as the Graduate Management Admissions Test (GMAT). Pearson VUE is part of Pearson PLC, the largest commercial testing company and education publisher in the world.

"In engineering and surveying, precision is key. NCEES exam candidates value accuracy and efficiency, so we're honored that NCEES has placed its trust in Pearson VUE to deliver on that expectation," said Robert Whelan, president and CEO of Pearson VUE. "We're committed to exceeding their requirements and validating that they made the right decision in choosing Pearson VUE for CBT."

## 2012 Approved Calculator List Announced

To protect the integrity of its exams, NCEES limits the types of calculators one can bring to the exam room. NCEES has approved the following list of calculators for use in the April and October 2012 exam administrations:

- **Casio:** All **fx-115** models. Any Casio calculator must contain fx-115 in its model name.
- **Hewlett-Packard:** The **HP33s** and **HP 35s** models, but no others.
- **Texas Instruments:** All **TI-30X** and **TI-36X** models. Any Texas Instruments calculator must contain either **TI-30X** or **TI-36X** in its model name.

Calculators not included within the above descriptions are not permitted in the exam room. Examinees possessing unapproved calculators during the administration of an exam are subject to dismissal from the exam site.

# NCEES

advancing licensure for  
engineers and surveyors

*The NCEES pages contain an overview of recent news releases received from the National Council of Examiners for Engineering and Surveying (NCEES), as well as NCEES Licensure Exchange, concerning items that may be of interest to our engineering community. Some of these articles may have been adapted to fit the space allocated. For more information on any of these updates, or to review the full news releases, simply visit the NCEES website at [www.ncees.org](http://www.ncees.org).*

## About NCEES

NCEES (the National Council of Examiners for Engineering and Surveying) is a national nonprofit organization dedicated to advancing professional licensure for engineers and surveyors. It develops, administers, and scores the examinations used for engineering and surveying licensure in the United States. It also facilitates professional mobility and promotes uniformity of the U.S. licensure processes through services for its member licensing boards and licensees. These services include the records program, study materials, credentials evaluations, exam administration, and more. NCEES is headquartered in Clemson, SC.

Learn more at NCEES website at [www.ncees.org](http://www.ncees.org).

## *My NCEES Presidency and Final Thoughts*

**L. Joseph Timms, PE, F.ASCE, Immediate Past President, NCEES**

For the last four and one-half years it has been my honor and privilege to serve on the National Board of the National Council of Examiners for Engineering and Surveying (NCEES). During this time, I have had the opportunity to observe the Engineering and Surveying professions and have developed two thoughts that I would like to share with you.

First, I have had the good fortune to serve and observe the quality and dedication of the people who make up the committees of NCEES and those who give of their time to develop our exams for licensure. I have also met with a number of great people affiliated with the Accreditation Board for Engineering and Technology (ABET), the National Society of Professional Engineers (NSPE) and the various engineering professional society boards such as ASCE, ASME, IEEE, etc. **What has impressed me the most is that these people have taken their time to volunteer and to give back to their profession by sharing their experience and knowledge.**

Speaking for NCEES, if you would like to share in this experience, there is an opportunity to serve on the exam committees. There is a volunteer application form on NCEES' website. You may be in academia, in industry, in consulting or in government — all are welcomed. Bill Pierson, PE, who is also on our West Virginian State Board, has been working on the exams for over 20 years and he can attest to the value of this experience.

The second item is a concern. As you know, the number of hours that our engineering students are required to take for a degree is steadily decreasing. Thirty years ago it required about 145 hours to graduate, now the national average is 128 hours. (And at one of our state schools it is 124 for a mechanical engineering degree and the pressure is on to reduce it and all others even further.) Included in the requirements is a number of non-engineering courses. My concern is this ... **what is going to be the impact on the health, safety and welfare of the public?**

Additionally I have a concern that our **engineers will not be competitive in the marketplace.** During my time on the NCEES Board, I have had the opportunity to observe a number of nations that put great emphasis on the public safety element of engineering. They still require a greater number of hours for graduation than we do in this country and in the state of West Virginia. (England and Ireland also require a Masters degree for licensure). Additionally, foreign engineers are required to keep up their knowledge awareness through an accumulation of Professional Development Hours (PDH). While we do the same in most states in this country, our requirements are less stringent. For example, I am working on a committee of about 20 nations and the average PDH requirement is 45 hours — WV's is 15 hours. ABET is now doing a lot of accreditation visits to schools in other nations and NCEES is offering the FE and FS to overseas sites.

*I believe it is time that we wake up our legislators and educators in this country or we will not be able to provide competitive world-quality engineering either here or overseas.*

**L. Joseph Timms, PE, F.ASCE**  
*Immediate Past President, NCEES*  
*Member of the West Virginia State Board of Registration for Professional Engineers*

## NCEES Committees and Voting – How Does WV Weigh In?

The WV Board members and staff are often queried regarding the Model Law, Model Rules and just how this whole NCEES / WV PE Board interaction process works. In addition to Mr. Timms serving as the NCEES President over the last year as well as on the Board of Directors as NCEES President Elect and prior years as the NE Zone Vice-President, each and every WV PE Board member and lead staff have the opportunity to participate in national committees and task forces, as well as be one of 69 votes to determine the direction of engineering licensure in the United States. Here is just a glimpse at how the Committees and Voting works at the national level.

### Committees and Task Forces

NCEES has several standing committees that meet throughout the year to address Council business and licensure issues. These committees' duties are described in the Bylaws. The president appoints members to the committees each year.

Apart from the standing committees, the president has the authority to create special committees and task forces with limited terms to address timely issues as needed.

### Standing Committees

- Advisory Committee on Council Activities
- Awards
- Examination Audit
- Examination Policy and Procedure
- Examinations for Professional Engineers
- Examinations for Professional Surveyors
- Finances
- Law Enforcement
- Nominations
- Uniform Procedures & Legislative Guidelines

### Task Forces and Special Committees for 2011-12 Fiscal Year

- Computer-Based Testing Implementation Task Force
- Education Task Force
- Leadership Task Force
- Member Board Administrators Task Force
- Public Outreach/Communications Task Force
- Special Committee on Bylaws

### Voting

NCEES is composed of 69 member licensing boards from each U.S. state, the District of Columbia, Guam, Puerto Rico, and the U.S. Virgin Islands. These member boards (the Council) attend an annual business meeting each August to vote on motions and resolutions presented by NCEES committees, task forces, zones, the Board of Directors, and individual boards. NCEES member boards also vote to fill open spaces on the Board of Directors. Most items voted on by the Council require a simple majority; changes to the Council's Bylaws require a two-thirds majority.

## A High Stakes Situation

Stakes are always high for examinees as well as NCEES. Here is a snapshot of exam irregularities resulting in dismissal or exam invalidation during the April 2011 exam administrations.

- Failure to stop writing at end of exam: ..... 6
- Cell phone violations: ..... 5
- Calculator violations: ..... 4
- Possession of digital media player: ..... 3
- Writing out of the exam book: ..... 1

(from NCEES Exam Administration Services sites)

# NCEES

advancing licensure for engineers and surveyors

## Attention Examinees - The NCEES Examinee Management System

NCEES will continue to use the Examinee Management System to register all NCEES examinees.

- Registration for the April 2012 exams will be open **December 15, 2011-February 23, 2012**. All examinees must be registered in the NCEES Examinee Management System by February 23, 2012 so that Board approvals and cancellations can be completed by early March 2012.
- Examinees will log into the NCEES Website, obtain a unique ID number, and register for the exam they intend to take. For the PE Civil, PE Mechanical, Structural Engineering, and Fundamentals of Engineering exams, examinees must also select an afternoon module when they register.

## NCEES Exam Offerings Outside the United States

Visit the NCEES website, [www.ncees.org](http://www.ncees.org), to review the information about international locations, exam offerings, and scheduled exam administrations.

- Canada (Alberta)
- Egypt
- Japan
- South Korea
- Saudi Arabia

## Notable Council Actions from the August 2011 Annual Meeting

### New Exam Pricing Model - One Step Closer to CBT

At its 90th annual meeting, held August 2011 in Providence, Rhode Island, the member licensing boards of NCEES approved a new pricing model for NCEES exams that will go into effect when the Fundamentals of Engineering and Fundamentals of Surveying exams shift to computer-based testing (CBT) in January 2014.

The new pricing model, which features an all-inclusive fee for the FE and FS that covers the exam itself and administration costs, was a key step in the transition from paper-and-pencil toward computer-based administration. The final paper-and-pencil administration of the FE and FS exams, which are taken by nearly 50,000 examinees throughout the United States and in several foreign locations each year, will take place in October 2013.

### Alternate Pathway for Education Voted Down

Among other actions taken at the 2011 annual meeting was a decision by the member boards against adopting an alternate pathway toward fulfilling the Model Law 2020 education requirement for engineering licensure. This alternate pathway would have allowed candidates seeking a PE license to fulfill the education requirement via a combination of approved continuing education coursework, additional experience, and mentoring.

The Model Law 2020 requirement, which is set to go into effect in 2020 but is nonbinding in any state that does not incorporate it into its laws, calls for candidates seeking a PE license to complete an engineering master's degree or its equivalent. Currently, the *Model Law* requires PE candidates to complete an accredited engineering bachelor's degree.

### Proposed Amendment Takes Aim at Industrial Exemption

NCEES member boards expressed their support for strengthening licensure's protections by applying them toward engineered products and systems. They approved charging the Committee on Uniform Procedures and Legislative Guidelines with amending the *Model Law* to require responsible charge of a licensed engineer over the engineering design of buildings, structures, products, machines, processes, and systems that affect the public's health, safety, and welfare. The proposed amendment is a response to provisions in many state laws, known as industrial exemptions, that exempt firms that manufacture products from requiring a PE to oversee their design.

## Exam Day Tidbit

ACCEPTABLE IDs are current, government-issued identification that include name, date of birth, signature, a recent and recognizable photo, and an expiration date. An ID with no expiration date cannot be used.

### Did you know?

EXAMINEES who are dismissed by a proctor from the morning session of the exam for improper conduct or possession of inappropriate materials/calculators cannot be admitted to the afternoon session.

## Notice of Recent and Future Changes to NCEES Exams and Supporting Material

### October 2011 Administration

Changes to the October 2011 exams were first reported to member boards and testing services in October 2010. In the October 2011 exam administration, NCEES implemented changes to the following PE exams:

The **PE Control Systems** exam has revised specifications.

The **PE Civil-Geotechnical** afternoon module has revised specifications. Several topic areas have been reorganized. No knowledge areas were added or deleted; they were simply reorganized to provide clarity during item development.

The specifications for both are posted online at [ncees.org](http://ncees.org). If you have any questions about these changes or require additional information, please contact NCEES Examination Services.

### April 2012 Administration

In the April 2012 exam administration, no changes will be made to NCEES examinations.

NCEES publishes revised design standards for the PE Civil-Structural and the 16-hour Structural Engineering exams online on their website at least 6 months before the exam.

### October 2012 Administration

In the October 2012 exam administration, NCEES will implement changes to the following Principles and Practice of Engineering (PE) exams.

The **PE Fire Protection** exam has revised specifications.

The **PE Nuclear** exam has revised specifications.

The specifications for both are posted online at [ncees.org](http://ncees.org). If you have any questions about these changes or require additional information, please contact NCEES Examination Services.

## Congratulations to Our Successful 2011 PE Examinees

The following is a list of examinees who successfully passed the NCEES Principles and Practice of Engineering Exam in West Virginia during the April and October 2011 exam administrations. The WV PE Board salutes these individuals on their professional accomplishments to date and wishes them continued success in their professional engineering careers.

### APRIL 2011 PASS

Karen M. Benner	Travis W. Knighton	Amy M. Robinson Grass
Stephen P. Bowers	Ran Liu	Nathan W. Scarborough
Matthew G. Bucek	Trevor L. Lloyd	John D. Shelton
Rex E. Compston	Dohn E. Lough	Mark L. Skidmore
Jason R. Dingess	John W. Matlock	Darrell A. Smith
Kevin D. Dunigan	Kevin A. McDonald	Derek S. Spurlock
Christopher D. Forinash	Dustin L. McIntyre	Ryan S. Townsend
Jinbo Hou	Fredric B. Mills	Michael J. White
David C. Hoy	Deran M. Pursoo	Robert C. Williams
Spencer L. Kimble		

### OCTOBER 2011 PASS

Firas Abdelahad	Nicholas C. Hornbeck	Beth E. Schrayshuen
Triana Ambarsari	Russell L. Lamont	Brian C. Shimek
Kevin E. Baker	Yu-Yi Liao	Jason E. Smith
Kimberly A. Banyai	Cade A. Mason	Cheryl L. Spellman
Jeffrey J. Boyles	Sean J. McQuerrey	Raymond A. Strother II
Daniel A. Brayack	Brandon C. Merriman	Hanjing Tian
Hugh M. Costello	Dille R. Neupane	Matthew C. Valenti
Richard P. Cyfers II	Justin T. Peaslee	Joseph M. Vance
Joseph D. Davis	Travis M. Petri	Jonathan P. Walker
Sean C. Farrell	Kevin M. Rakes	Bradley A. Watts
Quanzhong Gu	Murali Ravi	Adam D. Wriston
David J. Hilliard	Ezra R. Schoolcraft	

WV PE Board Members Edward Robinson and William Pierson, joined by WVSPE President David Weaver, shown with some of our successful 2010 FE Examinees (top) and PE Examinees (bottom) attending the 2011 WV PE Board Seminar at EXPO

## WV EXPO 2012

The 33rd Annual WV Construction & Design Exposition  
Charleston Civic Center, Charleston, WV  
Wednesday, March 21, 2012 - Thursday, March 22, 2012

**SEMINAR/MEETING TITLE:**  
**PE Licensure and Successful Exam Candidate Recognition**

**DATE OF SEMINAR:**  
**Wednesday, March 21, 2012**

**LENGTH OF SEMINAR:**  
**2 hours**

**CONTINUING EDUCATION UNITS:**  
**2 PDHs**

[www.wvexpo.com](http://www.wvexpo.com)

Once again, the WV PE Board will be providing a valuable continuing education opportunity free of charge at the upcoming WV Construction & Design Exposition (WV EXPO). Details are noted on the left.

Join us for an interactive discussion where attendees have the opportunity to discuss current WV PE Board activities and initiatives with the PE Board members and staff. Participants will also have the opportunity to hear from the National NCEES Past-President, WV native and current PE Board member Leonard Timms, PE, who will provide updates on his past year of activity and initiatives.

Anticipated topics include discussion on the value of the PE license, ethical dilemmas, complaint resolutions and current NCEES issues as well as future exam changes.

In addition, the WV PE Board and staff will again join forces with the WV Society of Professional Engineers to honor those students and professionals who successfully passed the 2011 NCEES Principles and Practice of Engineering Exam or the Fundamentals of Engineering Exam in West Virginia. If you are among this elite group, a formal invitation will be mailed to your primary address of record in February 2012.

# 2011 WV Licensee Status Report and Audit Outcome

The following is a numerical summary of registered individuals and firms as of January 2012. The results take into account all new licensees as well as those participating in the annual renewal process.

- » Active PEs - ..... 7421
- » Retired PEs - ..... 298
- » Active COAs - ..... 2679

### Lapsed Status Summary for 2011 Renewal Season

- » PEs who failed to renew ..... 155
- » Retired PEs who failed to renew ... 20
- » COAs which failed to renew ..... 91

To view or download a complete roster of the Active PE licensees, Company Certificates of Authorizations (COAs), and Retired PEs, simply visit our website. You may also access the online verification search to determine if a particular individual and/or company is authorized to practice or even offer to provide engineering services in WV. However, as noted in the site disclaimer, users should be cautioned that the current search mechanism is only updated every 60-90 days. All submitted address changes and new licensees, as well as any recent action by the Board changing the status of a licensee, will not appear immediately.

For specific questions regarding information found (or not found) in your search, please do not hesitate to contact the Board office for the most up-to-date information maintained in our secure, in-house database.

**Lapsed PE Licenses** – The following individuals did not respond to the 2011 Active PE renewal and therefore their licenses lapsed as of September 30, 2011.

Former registrants whose PE licenses or COAs have lapsed, those which were made inactive at the request of the PE or firm, or those invalidated for reasons noted above must be reinstated prior to practicing or offering to provide engineering services in WV. To be reinstated, PEs or firms shall supply a complete reinstatement application package to the Board along with payment of appropriate reinstatement fees. For complete details on the reinstatement process, please visit our website for all application materials and relevant fees.

**Note:** Individuals or companies listed may have already begun or completed the reinstatement process to bring a lapsed, inactive or invalidated or suspended license into good standing. Again, visit our website for details or contact the Board office for the most current information or with any specific questions.

**Invalidated COA Licenses** – The following companies’ Certificates of Authorizations were invalidated as of December 2011 for failure to name an Active WV PE in responsible charge as required by WV Code.

WV COA #	Name
C02818-00	Conewago Enterprises, Inc.

## Address Changes and Employment Updates

It is the responsibility of the licensee or certificate holder to notify the Board of any change in information previously submitted to the Board, such as name change, change of address or phone numbers, change of employer, or change of PE in responsible charge for a firm. This information should be provided within 30 days of when the change occurs to ensure proper delivery of licensure correspondence and uninterrupted Board service.

Please visit the Board’s website at [www.wvpebd.org](http://www.wvpebd.org) to submit your personal changes with a click of your mouse by using the online “Change of Address” form or simply email the new information to [info@wvpebd.org](mailto:info@wvpebd.org).

# Renewal is Just Around the Corner and You Must Know Your COA Number this Year - Personal COA and/or Employer!

The WV State Board of Registration for Professional Engineers will be adding to and clarifying a few of the Certificate of Authorization (COA) questions during the next annual renewal cycle. You will be required to respond to a number of questions regarding your personal company COA (if applicable) and/or your employer's COA before you can progress to the next page of the online renewal process.

West Virginia Engineering Law, specifically WV Code §30-13-17 and WV Rule §7-1-11.2, requires you and/or your employer to have a Certificate of Authorization (COA) issued by our agency to practice or to even offer to provide engineering in this state. Our Board has taken disciplinary action against firms practicing or offering to provide engineering services without the required COA, and therefore we are attempting

to be proactive in educating our licensees regarding the need for a COA.

The Board must fully understand your current situation and is hopeful that the additional COA questions and clarification will assist you in providing the most accurate data possible. BEFORE STARTING THE ONLINE RENEWAL, gather your COA number(s) in addition to your continuing education information to allow you quick and easy access during your data entry. If you do not know where to begin to find your COA number, here are some helpful tips:

1. Visit our website and use the Licensure Verification - Authorized Company lookup feature
2. Ask your employer's Record Engineer In Responsible Charge for this important information

3. Contact our office by phone or email to inquire about the status of your employer's COA

If you are not practicing engineering and/or think you do not require a COA, personally or through your current employer, you will be required to enter a statement on the renewal screen explaining your special circumstances and basic reason for licensure or an explanation of your exempt status.

## Calendar of Events - 2012

January	14	FE & PE Application Deadline for April 2012 Exam Administrations
	24	Board Meeting - WV PE Board Office, Charleston, WV, FE/PE Exam Candidate Interviews
February	8	NCEES Member Board Administrator Meeting, Atlanta, GA
	19-25	National Engineers E-Week - various Board activities and speaking engagements
March	20	Board Meeting - WV PE Board Office, Charleston, WV
	21-22	33rd Annual WV EXPO and Continuing Education Seminars, Charleston, WV
April	13	PE Exam, Charleston and Morgantown, WV
	14	FE Exam, Charleston and Morgantown, WV
May	3-6	NCEES Northeast Zone Meeting, Dover, DE
	24	Board Meeting - WV PE Board Office, Charleston, WV
July	17	Board Meeting - WV PE Board Office, Charleston, WV
	28	FE & PE Application Deadline for October 2012 Exam Administrations
August	7	FE/PE Exam Candidate Interviews, Charleston, WV
	21-25	NCEES Annual Meeting, St. Louis, MO
September	18	Board Meeting - WV PE Board Office, Charleston, WV
October	26	PE Exam, Charleston, WV
	27	FE Exam, Charleston and Morgantown, WV
November	13	Board Meeting - West Virginia University, Morgantown, WV (tentative)

## RED FLAGS

Watch out for these issues:

- Architectural sheets sealed by an engineer
- Engineering sheets sealed by an architect
- Plans sealed by an unlicensed architect or engineer
- Plans sealed by an engineer of an unauthorized firm (one without a COA)
- Incomplete documents sealed without a disclaimer
- Plans that have not been sealed, signed (dated) by the licensee(s)
- Prototypical, standard plans that do not bear the seal of the WV licensee and disclaimer
- Seals that appear to be cut and pasted
- Contact person is not the licensee or it is difficult to contact the licensee
- Plans, details, letters, reports, etc. do not appear to apply to the project
- Plans have numerous or serious code violations
- Non-dated revisions
- Revisions or changes missing seal, signature (date)
- Plans which do not list the name of the architect or engineer involved and the name of his/her firm

## What to do?

- Question the professional as to circumstances and qualifications
- Get the issue corrected
- Reject the documents
- Contact the appropriate licensing board
- File a complaint with the appropriate licensing board

## Engineering Addendum:

### Are the services of a registered professional engineer required for single family residential structures?

Single family residences do not normally require the design services of professional (structural) engineers except for some large custom-designed homes where the owner requests the services or the spans are too large for typical code-specified framing to work. Generally the only times a structural engineer will become involved in a single family residence are as follows:

- Where there is a problem with the foundation or framing of the house, such as storm damage, soil movements, or unusual deflections and damages in the architectural finishes.
- When an existing house is being sold and the mortgage company is looking for someone to identify and describe the various structural movements and damages that have occurred in the structure, as well as provide some recommendations of what should be done to eliminate the problems.
- When the design of the house involves a structural system which is outside of the typical structural framing and foundation systems specified in the residential building code or when the building code requires engineering services.

## Whom may I contact?

**West Virginia Board of Architects**  
P.O. Box 9125, Huntington, WV 25704-0125  
(304) 528-5825 [www.wvbrdarch.org](http://www.wvbrdarch.org)

**West Virginia State Board of Registration for Professional Engineers**  
300 Capitol Street, Suite 910, Charleston, WV 25301  
(304) 558-3554 [www.wvpebd.org](http://www.wvpebd.org)

## Relevant Codes

### What is the current building code reference?

Neither board is responsible for regulating or enforcing building code compliance. Interested parties should contact the WV State Fire Marshal or their local code official for details.

### What WV laws govern the Architect and Professional Engineers boards?

§30-12 et seq. – WV State Registration Law for Architects  
§2-1 et seq. – Legislative Rule for Architects  
§2-2 et seq. – Procedural Rule for Architects

§30-13 et seq. – WV State Registration Law for Professional Engineers  
§7-1 et seq. – Legislative Rule for Prof. Engineers  
§7-2 et seq. – Procedural Rule for Prof. Engineers

300 Capitol Street, Suite 910  
Charleston, West Virginia 25301  
[www.wvpebd.org](http://www.wvpebd.org)

West Virginia State Board of Registration  
for Professional Engineers

# the professional use of seals

Requirements regarding the practice of architecture and engineering in West Virginia

## Which type of licensee must prepare and seal plans?

### Can architects prepare and seal engineering plans?

**Ⓐ** Although incidental engineering is allowed, architects generally should not seal electrical, mechanical, plumbing, civil or structural engineering drawings.

### Can engineers prepare and seal architectural plans?

**Ⓐ** Although incidental architecture is allowed engineers should not represent their work as architecture and should not seal drawings identified as architectural.

### Are companies employing these licensed professionals required to be registered by their respective Boards prior to providing, or even offering, professional services on projects in WV?

**Ⓐ** No.

**Ⓔ** Yes, a valid Certificate of Authorization (COA) must be obtained from the PE Board.

### How can one verify that an architect, engineer, or engineering company is currently licensed and eligible to offer professional services in WV?

**Ⓐ** Both Boards have a website which allows online licensure verification. West Virginia engineers are not licensed by discipline but as professional engineers. Seals shall not reference an engineer's branch or discipline.

**Ⓐ** Visit [www.wvbrdarch.org](http://www.wvbrdarch.org) or call 304-528-5825

**Ⓔ** Visit [www.wvpebd.org](http://www.wvpebd.org) or call 304-558-3554

## Are there special requirements regarding the seals?

### Can a licensee use an electronic seal?

**Ⓐ** Electronic seals are permitted, but electronic signatures are not permitted. The signature must be an original, handwritten signature.

**Ⓔ** Electronic seals and signatures are allowed. Facsimile signatures are not allowed.

### Can a licensee seal another licensed designer's standard (prototypical) plans?

**Ⓐ** No, they must be sealed by a West Virginia licensed architect or engineer who is in responsible charge of the preparation of the documents.

### Can an individual licensed in another jurisdiction engage in temporary practice before obtaining a license here?

**Ⓐ** No

### Security of seal – can someone else use an individual's seal?

**Ⓐ** No.

### Must professional corporations use corporate seals on plans?

**Ⓐ** No.

### Must the licensee seal, sign and date each sheet of original drawings issued for bidding, permitting or construction?

**Ⓐ** They must sign and seal the index page. The date is not required.

**Ⓔ** They must sign, seal and date the first sheet or title sheet of the appropriate sections.

### Must the licensee seal, sign and date the index page identifying each set of specifications or technical submissions?

**Ⓐ** The architect is required to sign and seal all technical work prepared by him/her. No date is required.

**Ⓔ** The engineer is required to sign, seal and date all technical work prepared by him/her.

### What structures may be exempt in the licensing laws from the architect's and engineer's requirements and/or may be prepared by others?

**Ⓐ** There are limited exemptions in the architect's law to permit a person who is not registered as an architect to design and supervise the erection or alteration of the following:

1. A detached single family dwelling and any incidental sheds, storage buildings and garages;
2. A multifamily residential structure not in excess of three stories excluding any basement area;
3. Farm buildings, including barns, silos, sheds or housing for farm equipment and machinery, livestock, poultry or storage, if such structures are designed to be occupied by no more than ten persons;
4. Any alteration, renovation or remodeling of a building, if such alteration, renovation or remodeling does not affect the structural or other safety features of the building or if the work contemplated by the design does not require the issuance of a permit under any applicable code;
5. Pre-engineered buildings, including mobile classrooms purchased by county school boards, and;
6. A commercial structure which contains not more than 7,600 square feet and is only one story, excluding any basement area.

**Ⓔ** There are no provisions in West Virginia law for professional engineers to exempt any work.

### Plans for oneself?

**Ⓐ** Not exempt except for aforementioned limitations.

**Ⓔ** Not exempt.

### Plans for changes to previously exempt structures?

**Ⓐ** Exempt, if finished structure would still qualify for its original exemption.

**Ⓔ** Not exempt.

### Plans for changes to nonexempt structures?

**Ⓐ** Exempt if changes:

- Do not alter or affect the structural system.
- Do not change access or exit patterns.
- Do not change live or dead loads.

**Ⓔ** Not exempt.

### Plans for alterations or up-fitting of a shell or unfinished structure?

**Ⓐ** Not exempt.

### Shop drawings?

**Ⓐ** Exempt.

**Ⓔ** Not exempt.

### Are church plans exempt?

**Ⓐ** No.

## What types of documents require a seal?

### Must a licensee seal all plans prepared for bidding, permitting or construction?

**Ⓐ** Yes.

### Are specifications required to be sealed?

**Ⓐ** Yes.

### Must a licensee seal plans prepared for exempt projects?

**Ⓐ** Yes.

**Ⓔ** Yes. (There are no exemptions in the engineering law.)

### Are change orders, technical submissions or drawings accompanying or related to change orders required to be sealed?

**Ⓐ** Yes, if the changes, technical submissions or drawings were of a type that must be prepared by a licensee.

### Are addenda and field changes required to be sealed?

**Ⓐ** Yes, if the documents, technical submissions or drawings can only be lawfully prepared by a licensee.

### Are "record drawings (as built)" required to be sealed?

**Ⓐ** Yes, when prepared by the architect or engineer.

## What kinds of documents do not require a seal?

### Must licensees seal presentation documents (renderings used to communicate conceptual information only) not a part of a set of drawings?

**Ⓐ** Not required to be sealed or signed.

### Can a licensee seal sheets or pages prepared by licensed professional consultants?

**Ⓐ** Yes, in certain cases where portions of the work were prepared by licensed professionals under the direct supervision of the architect. The architect may also sign or seal those portions of professional work if the architect has reviewed them and coordinated their preparation.

**Ⓔ** No.

## Under what circumstances are licensees limited from sealing certain documents?

### Can a licensee seal a professional opinion letter or report concerning whether plans that he/she did not prepare comply with the building code?

**Ⓐ** Yes.

### Can a licensee seal a document that was not prepared by the licensee or under his/her direct control?

**Ⓐ** No.

## Proper seals

Architect and engineer seals properly signed, sealed and dated:

Architect

Engineer

Acceptable disclaimers include:

- Preliminary – Do Not Use for Construction
- Progress Drawings – Do Not Use for Construction
- Final Drawing – For Review Purposes Only

## *Engineer's Creed*

*As a professional engineer, I dedicate my professional knowledge and skill to the advancement and betterment of human welfare. I pledge to give the utmost of performance, to participate in none but honest enterprise, to live and work according to the laws of man and the highest standards of professional conduct, to place service before profit, honor and understanding of the profession before personal advantage, and the public welfare above all other considerations. In humility and with need for divine guidance, I make this pledge.*

## *Members of the Board*

**Edward L. Robinson, PE, PS**  
Board President  
Cross Lanes, Kanawha County  
Term expires June 30, 2014

**William E. Pierson, PhD, PE**  
Board Vice President  
Scott Depot, Putnam County  
Term expires June 30, 2013

**Bhajan S. Saluja, PE**  
Board Secretary  
Charleston, Kanawha County  
Term expires June 30, 2011

Term expires June 30, 2015

## *Introduction*

*Laws which prescribe licensure and regulate the practice of professions are enacted under the police powers of this State and are primarily for the protection of the public, which naturally includes the protection of fellow employees whether on public or private property. The Laws, Rules, and Regulations concerning the practice of the profession of engineering, as published herein, are intended for the guidance of public officials whose responsibility affects engineering; for persons who seek licensure to practice professional engineering and for all others that they may be made fully acquainted with the meaning and intent of the Laws, Rules, and Regulations for Professional Engineers.*

*It is hoped that the information contained herein will be helpful in understanding the substantive and procedural aspects of the Statutory Law and the Rules and Regulations under which the Board endeavors to carry out its responsibilities.*

STATUTE AS ENACTED IN 1992,  
AS AMENDED BY THE WV STATE LEGISLATURE IN 2004  
CHAPTER 30, ARTICLE 13, OF THE WEST VIRGINIA CODE

**§30-13-1. Legislative findings; intent.**

The Legislature hereby determines the need to regulate the practice of engineering; to provide for the registration of qualified persons as professional engineers and the certification of engineer interns; to define the terms “engineer”, “professional engineer”, “engineer intern” and “practice of engineering”; to create a state board of registration for professional engineers and provide for the appointment and compensation of its members; to fix the term of members of the board and define its powers and duties; to set forth the minimum qualifications and other requirements for registration as an engineer and certification as an engineer intern; to establish registration fees with expiration and renewal requirements; to impose certain duties upon the state and political subdivisions thereof in connection with public works; and to provide for the enforcement of this article and penalties for its violation.

**§30-13-2. General provisions.**

In order to safeguard life, health and property and to promote the public welfare, the practice of engineering in this state is hereby declared to be subject to regulation in the public interest. It is unlawful for any person to practice or to offer to practice engineering in this state, as defined in the provisions of this article, or to use in connection with his or her name or otherwise assume or advertise any title or description tending to convey the impression that he or she is a registered or licensed engineer, unless the person has been duly registered or exempted under the provisions of this article. Engineering is hereby declared a learned profession and its practitioners are held accountable to the state and the public by professional standards in keeping with the ethics and practice of other learned professions in this state. The practice of engineering is a privilege granted by the state.

**§30-13-3. Definitions.**

Unless the context in which used clearly requires a different meaning as used in this article:

(a) “Board” means the West Virginia state board of registration for professional engineers as provided for in this article.

(b) “Consulting engineer” means a professional engineer whose principal occupation is the independent practice of engineering; whose livelihood is obtained by offering engineering services to the public; who serves clients as an independent fiduciary; who is devoid of public, commercial and product affiliation that might tend to infer a conflict of interest; and who is cognizant of their public and legal responsibilities and is capable of discharging them.

(c) “Engineer” means a person who is qualified to practice engineering by reason of special knowledge and use of the mathematical, physical and engineering sciences and the principles and methods of engineering analysis and design, acquired by engineering education and engineering experience.

(d) “Engineer intern” means a person who has qualified for, taken and has passed an examination in the fundamental engineering subjects, as provided in this article.

(e) “Practice of engineering” means any service or creative work, the adequate performance of which requires engineering education, training and experience in the application of special knowledge of the mathematical, physical and engineering sciences to such services or creative work as consultation, investigation, evaluation, planning and design of engineering works and systems; planning the use of land and water; teaching of advanced engineering subjects, engineering surveys and studies; and the review of construction for the purpose of assuring compliance with drawings and specifications any of which embraces such services or work, either public or private, in connection with any utilities, structures, buildings, machines, equipment, processes, work systems, projects and industrial or consumer products or equipment of a mechanical, electrical, hydraulic, pneumatic or thermal nature, insofar as they involve safeguarding life, health or property, and including such other professional services as may be necessary to the planning, progress and completion of any engineering services. Engineering surveys include all survey activities required to support the sound conception, planning, design, construction, maintenance and operation of engineered projects.

Any person who practices any branch of the profession of engineering or who, by verbal claim, sign, advertisement, letterhead, card or in any other way represents himself or herself to be a professional engineer, or by using another title implies that he or she is a professional engineer or that he or she is registered under this article or who holds himself or herself out as able to perform, or who performs any engineering service or work or any other service designated by the practitioner which is recognized as engineering, is considered to practice or offer to practice engineering within the meaning and intent of this article.

(f) “Professional engineer” means a person who has been duly registered or licensed as a professional engineer by the board. The board may designate a professional engineer, on the basis of education, experience and examination, as being licensed in a specific discipline or branch of engineering signifying the area in which the engineer has demonstrated competence.

(g) “Responsible charge” means direct control and personal supervision of engineering work.

(h) “Rules of professional responsibility for professional engineers” means those rules, if any, promulgated by the West Virginia state board of registration for professional engineers as authorized by this article.

#### **§30-13-4. Board of registration for professional engineers; appointment and term.**

There is hereby created the board of registration for professional engineers which shall hereafter be referred to as the board. The board shall be composed

of five members appointed by the governor, by and with the consent of the Senate, preferably from a list of names submitted by the West Virginia society of professional engineers. The members of the board shall be qualified and shall meet the requirements of section five of this article. The governor shall present each board member with a certificate of appointment. Each board member shall make and file an oath or affirmation with the secretary of state to faithfully execute the duties of a member of the board. Members of the board shall serve a term of five years. Of the members first appointed, one shall serve a term of one year, one shall serve a term of two years, one shall serve a term of three years, one shall serve a term of four years and one shall serve a term of five years. Members are eligible for reappointment but no member may be appointed for more than three full consecutive terms. Each member shall hold office until the expiration of the term for which appointed or until a successor has been duly appointed and has qualified. In the event of a vacancy on the board due to resignation, death or for any cause resulting in an unexpired term and if not filled within three months by the governor, the board may appoint a member to serve in the vacancy until the governor makes the appointment. Members of the former board whose terms have not expired shall fill the term on this board which corresponds with the length of the unexpired term of that member.

#### **§30-13-5. Board qualifications.**

Each member of the board must be a citizen of the United States and a resident of this state. Each member shall have been engaged in the lawful practice of engineering as a professional engineer for at least twelve years; shall have been in responsible charge of engineering projects for at least five years; and shall be a registered professional engineer in this state.

#### **§30-13-6. Compensation and expenses.**

Members of the board shall be compensated not to exceed fifty dollars per diem for time spent in actually performing the duties of the board and shall be reimbursed for reasonable and necessary expenses actually incurred in the performance of board related duties.

#### **§30-13-7. Removal of members and vacancies.**

The governor may remove any member of the board for misconduct, incompetency, neglect of duty or for any reason prescribed by law for removal of state officials. Vacancies in the membership of the board shall be filled for the unexpired term.

#### **§30-13-8. Organization and meetings.**

The board shall hold at least one regular meeting each year. Special meetings may be held as the bylaws of the board provide. Each year the board shall elect the following officers: a president, a vice president and a secretary, who shall serve at the will and pleasure of the board. A quorum of the board shall consist of not less than three professional engineer members.

### §30-13-9. Board powers.

(a) The board may adopt and amend bylaws not inconsistent with the constitution and laws of this state. The board may promulgate and shall adopt “rules of professional responsibility for professional engineers”. These rules are binding to any person registered with the board under the provisions of this article. These rules are also applicable to firms holding a certificate of authorization as provided in section seventeen of this article.

(b) The board may subpoena witnesses and compel their attendance and it may also subpoena books, papers, documents or other pertinent data in any disciplinary matters or in any case involving an allegation of a violation of the provisions of this article. The board may apply to the circuit court of Kanawha county to enforce compliance with any subpoena it issues.

(c) The board may seek an injunction in circuit court to enforce the provisions of this article or to restrain a person or entity from violating a provision of this article. In pursuing injunctive relief under this section, the board shall not be required to prove that an adequate remedy at law does not exist or that substantial or irreparable damage would result from the continued violation. The members of the board may not be personally liable for any decisions made in good faith in pursuing injunctive relief.

(d) The board may require all applicants for registration to take and successfully pass an examination of their fitness and qualifications to become registered.

(e) The board may require that a registered professional engineer demonstrate continuing professional competency in engineering as a condition of renewal or reregistration.

(f) Board members are exempt from civil liability for any decision made or any act done in good faith in the performance of any duty or the exercise of any power granted under this article.

### §30-13-10. Receipt of fees, fund established, disbursements.

There is hereby established within the state treasury a “board of professional engineers fund”. The board shall deposit all fees and other moneys received by the board into the fund. The moneys in the fund shall be used for expenses of the board and shall be requisitioned on the signatures of the president and secretary of the board. The secretary of the board shall annually furnish an accounting of all funds received and expended by the board to the governor and to each house of the Legislature. The board may use the moneys in the fund to employ necessary staff, pay for membership fees to the national council of examiners for engineering and surveying and for any other necessary and reasonable expense of the board: **Provided**, that the board may not issue warrants in excess of moneys in the fund.

### §30-13-11. Records and reports.

(a) The board shall keep a record of its proceedings and of all applications for registration. The record shall show: (1) The name, age and last known address of each applicant; (2) the date of application; (3) place of business of such applicant; (4) education, experience and other qualifications; (5) type of examination required; (6) whether or not the applicant was rejected; (7) whether or not a certificate of registration was granted; (8) the date of the action by the board; and (9) such information as may be deemed necessary by the board.

(b) The record of the board is prima facie evidence of the proceedings of the board and a transcript duly certified by the secretary shall be admissible as evidence with the same force and effect as if the original were produced.

(c) On the first day of July of each year, the board shall submit to the governor a report of its transactions of the preceding year and shall transmit to the governor a complete statement of the receipts and expenditures of the board, attested to by affidavits of its chairman and secretary.

(d) Board records and papers of the following class are of a confidential nature and are not public records: Examination material for examinations not yet given, file records of examination problem solutions, letters of inquiry and reference concerning applicants, board inquiry forms concerning applicants, investigation files where any investigation is still pending and all other materials of like confidential nature.

### §30-13-12. Roster.

A complete roster with the names and the last known addresses of all registered professional engineers shall be published by the secretary of the board at intervals established by the board. Copies of this roster may be mailed to each person registered and shall be placed on file with the secretary of state and may be distributed or sold to county and city officials and to the public.

### §30-13-13. General requirements for registration.

To be eligible for admission to examination for professional engineer or engineer intern, an applicant must be of good character and reputation and he or she shall submit five references along with the application for registration as a professional engineer. Three references shall be from professional engineers having personal knowledge of the engineering experience of the applicant or in the case of an application for certification as an engineer intern. The references shall be from three persons knowledgeable of the applicant's character.

(a) The minimum requirements for qualification for registration as a professional engineer are:

(1) **Registration by comity or endorsement.** — A person holding a certificate of registration to engage in the practice of engineering, issued

by a proper authority of a state or possession of the United States, the District of Columbia or any foreign country, based on requirements that do not conflict with the provisions of this article and were of a standard not lower than that specified in the applicable registration article in effect in this state at the time such certificate was issued, may, upon application, be registered without further examination.

A person holding an active council record with the national council of examiners for engineering and surveying whose qualifications, as evidenced by the council record, meet the requirements of this article may, upon application, be registered without further examination;

(2) **Graduation, experience and examination.** — A graduate of an engineering curriculum of four years or more approved by the board as being of satisfactory standing and with a specific record of an additional four years or more of progressive experience on engineering projects of a grade and a character which indicates to the board that the applicant may be competent to practice engineering, shall be admitted to an eight-hour written examination in the fundamentals of engineering and, if passed, then shall be admitted to an eight-hour written examination in the principles and practice of engineering. Upon passing such examinations, the applicant shall be granted a certificate of registration to practice engineering in West Virginia, provided the applicant is otherwise qualified; and

(3) **Engineering teaching.** Engineering teaching of advanced subjects and the design of engineering research and projects in a college or university offering an approved engineering curriculum of four years or more may be considered as engineering experience.

(b) The minimum requirements for registration as an engineer intern are:

(1) Graduation from an engineering curriculum of four years or more approved by the board as being of satisfactory standing; and

(2) Satisfactorily passing a written exam, eight hours in duration, covering the fundamentals of engineering.

### **§30-13-14. Application and registration fee.**

Every person seeking to become registered as a professional engineer or seeking to become certified as an engineer intern shall file an application on forms provided by the board. The application shall be made under oath and shall include:

(a) The level of education of the applicant;

(b) A summary of the applicant's technical experience; and

(c) The names and complete mailing addresses of any references. Applicants may not use the names of board members as references.

In lieu of information required on the board's application forms, the board may accept the verified information contained in a valid council record issued by the national council of examiners for engineering and surveying for professional engineer applicants.

The board shall set fees for all applicants for registration and certification by promulgating legislative rules under the provisions of article three, chapter twenty-nine-a of this code.

Fees of unsuccessful applicants and the fees of applicants who have been refused registration or certification for any purpose shall be retained by the board to cover administrative costs.

### **§30-13-15. Examinations.**

(a) The board shall establish examination criteria including the acceptable passing grade.

(b) Written examinations shall be given in two sections and may be taken only after the applicant has met the other minimum requirements and has been approved by the board for admission to the examinations which are as follows:

(1) Engineering fundamentals. — The examination consists of an eight-hour test period on the fundamentals of engineering. Passing this examination qualifies the examinee for an engineer intern certificate, provided the examinee has met all other requirements for certification required by this article; and

(2) Principles and practice of engineering. — The examination consists of an eight-hour test period on applied engineering. Passing this examination qualifies the examinee for registration as a professional engineer, provided the examinee has met the other requirements.

(c) A candidate failing one examination may apply for reexamination, which may be granted upon payment of a fee established by the board. In the event of a second failure, the examinee may be required to appear before the board to present evidence of having pursued further instruction in deficit areas.

(d) The board shall publish in brochure form and shall make available to any person interested in being registered the requirements and specifications of the written examination.

### **§30-13-16. Certificates and seals.**

(a) The board shall issue a certificate of registration to any applicant who, in the opinion of the board, has met the requirements of this article. The certificate of registration shall carry the designation "professional engineer". It shall give the full name of the registrant with their registration number and shall be signed by the chairman and the secretary under the seal of the board. The certificate of registration grants the recipient authority to practice in this state.

(b) An unexpired and unrevoked certificate is prima facie evidence that the person named on it is entitled to all rights, privileges and responsibilities of a professional engineer.

(c) Every registrant shall obtain a seal for use in identifying his or her official professional work. The design of the seal shall be determined by the board and shall bear the registrant's name, registrant's registration number, the legend "registered professional engineer, state of West Virginia" and such other words or figures as the board may prescribe. The seal may be a rubber stamp. Whenever the seal is applied, the registrant's written signature shall be adjacent to or across the seal. No further words or wording are required. A facsimile signature is not acceptable. Whenever presented to a client or any public or governmental agency, the seal, signature and date shall be placed on all specifications, reports, drawings, plans, design information and calculations in accordance with rules promulgated by the board. The seal and signature shall be used by registrants only when the work being stamped was under the registrant's complete direction and control.

In the case of a registrant of another state using a temporary permit issued by this state, the registrant shall use the state of permanent registration seal and shall affix his or her signature and temporary permit number to all work. In the case of a registrant checking the work of an out-of-state registrant, the state registrant shall completely check and have complete dominion and control of the design. The complete dominion and control includes possession of the sealed and signed reproducible construction drawings with complete signed and sealed design calculations indicating all changes in design.

(d) The board shall issue to any applicant who, in the opinion of the board, has met the requirements of this article, an enrollment card as engineer intern, which indicates that his or her name has been recorded in the board office. The engineer intern enrollment card does not authorize the holder to practice as a professional engineer. It is unlawful for a registrant to affix or to permit his or her seal and signature to be affixed to any document after the expiration of his or her certificate or for the purpose of aiding or abetting any other person to evade or attempt to evade any provisions of this article.

### §30-13-17. Authorization certificates.

(a) The practice of or offer to practice engineering by consulting engineers registered under this article, through a firm, corporation, copartnership, joint stock association or private practitioner employing others, referred to hereinafter as a firm, is permitted: **Provided**, that the person in direct control or having personal supervision of the practice and all personnel who act in behalf of the firm in professional matters are registered under this article: **Provided, however**, that the firm has been issued a certificate of authorization by the board.

(b) A firm desiring a certificate of authorization must file with the board an application using a form provided by the board and the firm shall provide all the information required by the board. A form as provided by the board is to be filed with the board with the renewal fee and within thirty days of the time any information contained on the form is changed or differs for any reason. If the

information contained on the form warrants action, the board, in its judgment, may issue a certificate of authorization for the firm to practice engineering and to contract and collect fees for furnishing this service.

(c) No firm shall be relieved of responsibility for the conduct or acts of its agents, employees, officers or partners by reason of its compliance with the provisions of this article. No individual practicing engineering under the provisions of this article shall be relieved of responsibility for engineering services performed by reason of his or her employment or other relationship with a firm holding an authorization certificate.

(d) An engineer who renders occasional, part-time or consulting engineering services to or for a firm may not, for the purposes of this article, be designated as being responsible for the professional activities of the firm unless that engineer is an owner or principal of the firm.

(e) Effective one year from the effective date of this article, the secretary of state shall stop issuing a certificate of incorporation to an applicant or a registrant as a foreign firm to a firm which includes, among the objectives for which it is established, the words engineer, engineering or any modification or derivation thereof unless the board of registration for this profession has issued to the applicant or registrant a certificate of authorization or a letter indicating eligibility to receive the certificate. The certificate or letter from the board shall be filed with the firm's application for incorporation or registration.

(f) Effective one year after the effective date of this article, the secretary of state shall decline to register any trade name or service mark which includes the words engineer, engineering or modifications or derivatives thereof in its firm name or logotype except those firms holding authorization certificates issued under the provisions of this article.

(g) The certificate of authorization may be renewed.

### **§30-13-18. Expirations and renewals.**

Certificates of registration and certificates of authorization for firms expire on the last day of the month of June following issuance and are invalid after that date unless renewed. The secretary of the board shall notify every person registered and every firm holding a certification of authorization under this article of the pending expiration of a certificate of registration or certificate of authorization issued to that person or firm including notice of the fee required to renew the registration or certificate. The notice shall be mailed to the registrant or firm at their last known address at least one month in advance of the date of the expiration. An expired certificate may be renewed under rules promulgated by the board and may require reexamination and the payment of penalty fees.

### **§30-13-19. Reissuance of certificates.**

A new certificate of registration or certificate of authorization to replace any certificate lost, destroyed or mutilated may be issued subject to the

rules of the board. A charge established by rule shall be made for each new certificate.

**§30-13-20. Public works.**

Government agencies, authorities, officials and employees may not engage in the practice of engineering involving either public or private property unless the provisions of this article are met.

**§30-13-21. Disciplinary action—Revocation, suspension, refusal to issue, restore or renew, probation, fine, reprimand.**

(a) The board may suspend or revoke or refuse to issue, restore or renew a certificate of registration of, or place on probation, impose a civil penalty or reprimand any professional engineer who has:

(1) Perpetrated any fraud or deceit in obtaining or attempting to obtain or renew a certificate of registration or certificate of authorization;

(2) Been negligent, incompetent or committed an act of misconduct in the practice of engineering;

(3) Been convicted of or has entered a plea of *nolo contendere* to any crime under the laws of the United States or any state or territory thereof, which is a felony whether related to practice or not; and conviction of or entry of a plea of *nolo contendere* to any crime, whether a felony, misdemeanor or otherwise, an essential element of which is dishonesty, or which is directly related to the practice of engineering;

(4) Failed to comply with any of the provisions of this article or any of the rules promulgated under it;

(5) Been disciplined by another state, territory, the District of Columbia, foreign country, the United States government or any other governmental agency, if at least one of the grounds for discipline is the same or substantially equivalent to those grounds for discipline contained in this article;

(6) Failed within thirty days to provide information requested by the board as a result of a formal or informal complaint to the board which would indicate a violation of this article;

(7) Knowingly made false statements or signed false statements, certificates or affidavits to induce payment;

(8) Aided or assisted another person in violating any provision of this article or the rules promulgated;

(9) Violated any terms of probation imposed by the board or using a seal or practicing engineering while the professional engineer's license is suspended, revoked, nonrenewed or inactive;

(10) Signed or affixed the professional engineer's seal or permitted the professional engineer's seal or signature to be affixed to any specifications, reports, drawings, plans, design information, construction documents or calculations or revisions which have not been prepared or completely checked by the professional engineer or under the professional engineer's direct supervision or control;

(11) Engaged in dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud or harm the public;

(12) Provided false testimony or information to the board; and

(13) Been habitually intoxicated or addicted to or by the use of drugs or alcohol.

(b) In addition to any other penalty provided in this article, the board may assess civil penalties against any person who violates any provision of this article or any rule promulgated by the board for each offense in an amount determined by the board.

(c) The board shall prepare and shall adopt "rules of professional responsibility for professional engineers". The board may revise and amend these "rules of professional responsibility for professional engineers" from time to time and shall notify each registrant in writing of any revisions or amendments.

(d) The board may:

(1) Revoke a certificate of authorization;

(2) Suspend a certificate of authorization of any firm for a period of time not exceeding two years where one or more of its officers or directors of the firm have been found guilty of any conduct which would authorize a revocation or suspension of his or her certificate of registration under the provisions of this article;

(3) Place the person or firm on probation for a period of time and make the person or firm subject to conditions as the board may specify;

(4) Assess a civil penalty and related costs for each count or separate offense in an amount set by the board.

### **§30-13-22. Disciplinary action — Procedures.**

(a) Any person may file a complaint with the board that a person or firm subject to the provisions of this article has committed a fraud, been deceitful, been grossly negligent, incompetent, guilty of misconduct or has violated the "rules of professional responsibility for professional engineers".

(b) All complaints, unless dismissed by the board as unfounded, trivial or unless settled informally, shall be heard by the board within six months after the date each complaint was received by the board.

(c) The board shall fix the time and place for hearings on complaints and a copy of all charges, together with a notice of the time and place of hearing on the complaint the person or firm complained against or mailed to the last known address of the person or firm at least thirty days prior to the hearing. At the hearing, the person or firm shall have the right to appear in person or by counsel, or both, to cross-examine witnesses and to produce evidence and witnesses in his, her or its defense. If the accused person or firm fails or refuses to appear, the board may proceed to hear the complaint and determine the validity of the charges.

(d) If after the hearing a majority of the board votes in favor of sustaining the charges, the board shall reprimand or assess a civil penalty against the person or firm complained against. The board may also suspend, revoke, refuse to issue or refuse to restore or renew an individual's certificate of registration or a firm's certificate of authorization. In addition, the board may place a registrant on probation.

(e) Any person or firm aggrieved by any action of the board in assessing a civil penalty, denying, suspending, refusing to issue, refusing to restore or renew or revoking a certificate of registration or a certificate of authorization, may appeal the board's decision to the circuit court.

(f) Any civil penalty assessed as a result of a hearing shall be paid within fifty days after the decision becomes final.

(g) The board may, upon petition of an individual registrant or firm holding a certificate of authorization, reissue a certificate of registration or authorization, provided that a majority of the members of the board votes in favor of such issuance.

### **§30-13-23. Criminal offenses.**

Any person who practices or offers to practice engineering in this state without being registered in accordance with the provisions of this article, or any person, firm, partnership, organization, association, corporation or other entity using or employing the words engineer, engineering or any modification or derivative thereof in its name or form of business activity except as authorized in this article, or any person presenting or attempting to use the certificate of registration or the seal of another, or any person who gives any false or forged evidence of any kind to the board or to any member thereof in obtaining or attempting to obtain a certificate of registration, or any person who falsely impersonates any other registrant of like or different name, or any person who attempts to use an expired, suspended or revoked or nonexistent certificate of registration, or who practices or offers to practice when not qualified, or any person who falsely claims that he or she is registered or authorized under this article, or any person who violates any of the provisions of this article is guilty of a misdemeanor, and, upon conviction thereof, shall be fined not more than five hundred dollars, or imprisoned in the county jail not more than six months, or both fined and imprisoned.

Any person who commits a second or subsequent offense under this section is guilty of a felony, and, upon conviction thereof, shall be imprisoned in the penitentiary not less than ten nor more than twenty years.

The attorney general may act as legal adviser to the board and render any legal assistance as may be necessary in carrying out the provisions of this article. The board may employ counsel and necessary assistance to aid in the enforcement of this article and the compensation and expenses of the council shall be paid from the funds of the board.

### §30-13-24. Exemptions.

This article may not be construed to prevent the practice by:

(a) **Other professions.** — The practice of any other legally recognized profession;

(b) **Temporary permits.** — The practice or offer to practice engineering by a person not a resident of or having no established place of business in this state, provided the person is legally qualified by registration to practice engineering, as defined in this article, in their own state or country. The person shall make application to the board in writing and after payment of a fee established by the board may be granted a written permit for a definite period of time not to exceed one year to do a specific job: **Provided**, that no right to practice engineering shall accrue to the applicant with respect to any other works not set forth in the permit; and

(c) **Employees and subordinates.** — The work of an employee or a subordinate of a person holding a certificate of registration under this article, or an employee of a person practicing lawfully: **Provided**, that the work does not include final engineering designs or decisions and is done under the direct supervision of and verified by a person holding a certificate of registration under this article or a person practicing lawfully. Any regular full-time employee of a person, partnership, corporation or other business entity who is engaged solely and exclusively in performing services for such person, partnership, corporation or other business entity, who is not required by any provision of the law other than this article to be a registered professional engineer and whose services are performed on, or in connection with, property owned or leased by such person, partnership, corporation or other business entity, or in which such person, partnership, corporation or other business entity has an interest, estate or possessory right, and are not offered or made available to the public. This exemption includes the use of job title and personal classification by such person, but no name, title or words may be used which tend to convey the impression that an unlicensed person is offering professional engineering services to the public.

TITLE 7  
SERIES 1  
**RULES GOVERNING THE WEST VIRGINIA BOARD  
OF REGISTRATION FOR PROFESSIONAL ENGINEERS**

### **§7-1-1. General.**

1.1. Scope. - This rule sets forth standards for the regulation and conduct of members, records, applications and examinations. This rule is binding upon persons applying and registered under W.Va. Code §§30-13-1 et seq. and is applicable to individuals or organizations providing engineering services and holding a certificate of authorization.

1.2. Authority. — W.Va. Code §§30-13-9(a), 14, 18, 19, 21.

1.3. Filing Date. — April 19, 2004.

1.4. Effective Date. — July 1, 2004.

1.5. Repeal of Former Rules. — This legislative rule repeals and replaces West Virginia 7CSR1 “Regulations governing The West Virginia Board of Registration for Professional Engineers” filed and effective July 1, 2001.

### §7-1-2. Definitions.

2.1. “ABET” means ABET, Inc., formally known as the Accreditation Board for Engineering and Technology.

2.2. “ABET/TAC” means the Technology Accreditation Commission of ABET, Inc., formally known as the Accreditation Board for Engineering and Technology.

2.3. “Board” means the West Virginia State Board of Registration for Professional Engineers.

2.4. “COA” means Certificate of Authorization, which is a document required and issued in accordance with §7-1-11 of these rules.

2.5. “College/Unit Semester/Quarter Hour” means the credit given for courses in an ABET approved program or other Board-approved courses approved in accordance with §7-1-10 of these rules.

2.6. “Comity Applicant” means a person who is applying to become a registered PE in WV and is currently in possession of a PE registration or certificate of licensure issued by a proper authority of a jurisdiction other than WV.

2.7. “EI” means a certified Engineer Intern, who is a person who has passed the FE examination.

2.8. “Expired” or “expired status” means a registration that was not renewed in a timely manner, and shall include lapsed and inactive status. Lapsed status means expiration without notice to the Board and inactive status means the registrant notified the Board of an intention not to renew.

2.9. “FE” means the Fundamentals of Engineering Examination.

2.10. “Foreign Degree Applicant” means a person applying for certification or registration who received a Baccalaureate degree in Engineering from a foreign institution outside of the United States.

2.11. “Firm” means a firm, corporation, partnership, joint stock association, private practitioner employing others, or sole proprietor employing no one but himself/herself which practices or offers to practice engineering.

2.12. "Fiscal year" means the WV fiscal year, which operates July 1 of the current year through June 30 of the following year.

2.13. "NCEES" means the National Council of Examiners for Engineering and Surveying.

2.14. "PDH" means a Professional Development Hour, which is one contact hour of instruction or presentation designed to keep a professional engineer current in his or her branch/discipline.

2.15. "PE" means a registrant or registered Professional Engineer, who is a person who has passed the PE exam and is an acronym used after an engineer's name to indicate he or she is a registered engineer with the Board.

2.16. "PE exam" means the Principles and Practice of Engineering Examination.

2.17. "Registrant" means a PE.

### **§7-1-3. EI and PE Applications.**

#### 3.1. Types of Applications.

(a) A person applying to the Board for examination and registration as a Professional Engineer shall submit to the Board a completed application on forms prescribed by the Board.

(b) A person applying to the Board for examination and certification as an Engineer Intern shall submit to the Board a completed application on forms prescribed by the Board.

(c) A person applying to the Board for comity or reinstatement as a Professional Engineer shall submit to the Board a completed application on forms prescribed by the Board.

#### 3.2. Criteria for Applications.

(a) The Board shall only consider applications completed in accordance with §7-1-3.4 of these rules.

(b) The Board shall accept applications for EI certification from persons who meet all of the requirements of W.Va. Code §30-13-13. A senior student in a four-year program leading to a baccalaureate degree from a Board-approved curriculum may apply for certification as an EI and may take the FE during his or her senior year.

#### 3.3. Applications Generally.

(a) Form of Applications. Applications shall be completely filled out on forms prescribed and provided by the Board. It is the responsibility of

the applicant to submit to the Board a completed application package as set forth in this section.

(b) **Time of Submission.** In order to allow sufficient time for processing and for securing examinations, all applicants who may require an examination shall file their application with this Board at times specified by the Board. PE applications must be submitted at least 90 days prior to the desired PE exam date. EI applications must be submitted at least 60 days prior to the desired FE exam date. Exam dates will be made available pursuant to §7-1-5.3(a).

(c) **Translations.** All foreign language documentation shall be accompanied by translations certified to be accurate by a competent authority recognized by the Board.

(d) **Submission under Oath.** All applications made to this Board shall be subscribed and sworn to before a Notary Public or other persons qualified to administer oaths on the forms used by the applicant.

(e) **Staff Review of Applications.** The Board staff shall review the submitted application package and shall notify the applicant if the package is not complete as set forth in §7-1-3.4 below. The Board shall not act upon an application until the applicant has submitted a completed application package. Upon such submission, the Board shall act in accordance with §7-1-4.

(f) **Confidentiality of Applications.** References and transcripts received in accordance with §7-1-3 of these rules shall be kept confidential, and the Board shall place all such confidential records regarding the qualifications of an applicant in files that are considered non-public records. The Board shall not divulge the source and character of the information except in special cases when required by law.

(g) **Retention of Applications.** The Board shall make copies of all approved applications which show the name, date of birth, the date of application, education, experience and other qualifications of the applicant, the examination required of the applicant, and the Board granted registration or certification notice. The Board shall store the duplicate copies of these records and one copy shall be stored in fireproof and secure facilities.

### 3.4. Completed Application Package.

(a) **Definition.** A completed application package shall include the following:

(1) The requisite education as set forth in §7-1-3.5 of these rules, which education shall be obtained prior to the time of submitting the application, with the exception of EI applicants who may apply for the FE exam during their senior year of college.

(2) The requisite work experience as set forth in §7-1-3.6 of these rules, which experience shall be obtained prior to the time of submitting the application;

(3) The references required in §7-1-3.7 of these rules;

(4) One (1) passport-size photo taken within six (6) months of the date of application;

(5) Such fee(s) as are required in §7-1-13.4 of these rules, including the non-refundable application fee.

(b) The Board shall accept an application for PE registration that includes the documented NCEES Record properly executed and issued with verification by the NCEES in lieu of that portion of the application form prescribed by the Board.

(c) Specific application requirements.

(1) Comity Applicant. In addition to the requirements set forth in this section, comity applicants shall also meet the following requirements:

(A) passage of the FE and PE exam; and

(B) verification of current registration in a jurisdiction where they currently live and/or work.

(2) Foreign Degree Applicants. In addition to the requirements set forth in this section, applicants with degrees from foreign schools shall also meet the requirements set forth in paragraph (c) of subsection 5 of this section.

### 3.5.Education.

(a) Board-approved curricula. The term “a graduate of a curriculum of four years or more approved by the Board as being of satisfactory standing” used in W.Va. Code §30-13-13(a)(2) is interpreted by this Board to mean a person who has:

(1) a Baccalaureate degree in Engineering from a school whose curricula are accredited by ABET at the time of the awarding of the degree;

(2) a Baccalaureate degree in Engineering Technology from a school whose curricula is accredited by ABET/TAC at the time of the awarding of the degree; or

(3) a Baccalaureate degree in Engineering from a school whose curricula is evaluated by the Board and found to be of a high quality essentially equal to those curricula which are accredited by ABET.

(4) a Baccalaureate degree from a school whose curricula is evaluated by the Board and found to be of a high quality essentially equal to those curricula which are accredited by ABET, in addition to a Master's and/or Ph.D. in Engineering from a school whose under graduate program in that engineering area is accredited by ABET.

(b) Transcripts.

(1) Upon graduation, the applicant shall have transcripts of all college grades mailed directly from the school or college to the Board with the signature of the proper school officer and the embossed seal of the school.

(2) If the degree has been earned prior to application submission, obtaining the official transcript is the responsibility of the applicant and shall be submitted within the completed application package.

(c) Degrees from Foreign Institutions. All applicants with an under graduate degree from a foreign institution shall comply with one of the following:

(1) If an applicant receives only a Baccalaureate degree in Engineering from a foreign institution, he or she shall submit a foreign degree evaluation. An applicant who is required to submit a foreign degree evaluation shall use the Engineering Credentials Evaluation International (ECEI) of ABET or such other evaluation service as may be approved by the Board.

(2) If an applicant receives a Baccalaureate degree in Engineering or related curricula from a foreign institution, and Master's Engineering degree from an institution whose undergraduate program is ABET accredited, the Board may review the applicant's transcripts and waive the need to submit a foreign degree evaluation.

(3) If an applicant receives a Baccalaureate degree from a foreign institution whose curricula is evaluated by the Board and found to be of a high quality essentially equal to those curricula which are accredited by ABET, in addition to a Master's and/or Ph.D. in Engineering from a school whose undergraduate program in that engineering area is accredited by ABET, the Board will not require the applicant to submit a foreign degree evaluation.

3.6. Employment; work experience. Employment and work experience verifications are the responsibility of the applicant and shall be submitted on forms supplied by the Board as part of the completed application package.

(a) Requirements.

(1) Number of Years. A PE applicant who has earned the degree described in §7-1-3.5(a)(1) or §7-1-3.5(a)(3) shall demonstrate that he or she has obtained a minimum of four (4) years of experience satisfactory to the Board. A PE applicant who has earned the degree described in §7-1-3.5(a)(2) shall demonstrate that he or she has obtained a minimum of six(6) years of experience satisfactory to the Board.

(b) Satisfactory Experience.

(1) The applicant's experience on engineering projects shall be broad in scope in his or her branch / discipline and progressive in that it was of increasing quality and required greater responsibility.

(2) The experience shall be under the supervision of a registered Professional Engineer. If not, the applicant shall explain why the Board should consider the experience acceptable.

(3) Upon review of the completed application package, the Board may credit experience based on the following:

(A) Armed Services. Experience gained in the Armed Services shall be of a character equivalent to that which would have been gained in the civilian sector doing similar work. A good indicator of equivalence is that the applicant while in the Armed Services served in an engineering or engineering-related group.

(B) Sales or supervision. For sales experience or construction supervision experience to be satisfactory, the applicant shall prove that engineering principles were required and used while gaining this experience.

(C) Teaching. The Board may classify the teaching of courses in ABET-approved programs as satisfactory experience.

(D) Research. The Board may credit experience gained in the performing of engineering research or projects if the applicant at the time was a member of an engineering faculty or higher at an institution with a Board-approved curricula as defined in §7-1-3.5(a).

(E) Graduate Studies. The Board may credit an applicant who has followed Board-approved curricula as defined in §7-1-3.5(a) with a Master's degree in engineering with one year's experience. If such applicant follows the Master's degree in engineering with a Doctor of Philosophy degree in engineering, the Board may credit the applicant with an additional year of experience. If the Doctor of Philosophy degree is obtained without the Master's degree, the applicant may be credited with two years of experience.

(c) Verifications. The verifications shall include the following:

(1) Time Period. The Board shall consider only the experience an applicant obtains after he or she graduates from a Board-approved curriculum.

(2) Documentation. An applicant shall provide a detailed description of the nature of the work and duties he or she has performed on forms supplied by the Board. The applicant shall account for all employment or work experience for the period of time that has elapsed since graduation from the Board-approved curriculum. If the applicant was not employed or was employed in other kinds of work, he or she should indicate this in the experience record.

### 3.7. References.

(a) It is the responsibility of the applicant to supply all references on forms supplied by the Board. A PE applicant shall submit references from five individuals, three of whom shall be professional engineers having personal knowledge of the applicant's engineering experience and ability. Also, the applicant should preferably include in the references individuals familiar with the applicant's experience noted in the employment section of the application. An EI applicant shall submit at least three character references.

(b) An applicant may not use a relative or a current Board member as a reference.

(c) An applicant shall provide each individual being used as a reference with the Board-approved reference form. The reference form shall be returned to the applicant in a signed, sealed envelope to be included in the applicant's completed application package.

## §7-1-4. Board Actions on Applications.

4.1. This rule sets forth the procedures for the Board actions on applications.

(a) The application must be complete as set forth in §7-1-3.4 of these rules before the Board considers the application.

(b) The Board may approve, defer, or deny an application.

(1) When an application is approved by the Board, it indicates that the applicant has met all the requirements for registration or certification required by the statutes of this state, and the Board shall grant the applicant a registration or certification. The Board shall notify the applicant of the approval.

(2) When an application is deferred by the Board, it indicates that the applicant must take further steps to meet the requirements for registration or certification required by the statutes of this state, and the Board shall retain the deferred application until the applicant submits the additional information required by the Board. The Board shall notify the applicant of the deficiencies.

(3) When an application is denied by the Board, it indicates that the applicant has not met the requirements for registration or certification required by the statutes of this state, and the Board shall retain the denied application for one year and then may dispose of it. The Board shall notify the applicant of the denial.

(4) The Board may refuse to register an applicant who has withheld information, provided statements that are untrue or misrepresented the facts.

(5) Reconsideration of Applications. An applicant may request that the Board reconsider an application that has been denied when the request is based on additional information and/or evidence that could affect the original decision. An applicant shall make the request for reconsideration within one year after the decision was made to deny the original application.

### §7-1-5. Examinations.

5.1. Classification of Examinations. The Board shall administer or direct the administration of the following written examinations, prepared and furnished by the NCEES:

(a) The “FE” examination; and

(b) The “PE” examination. The Board shall offer examinations only in those branches/ disciplines of engineering in which examinations are prepared by the NCEES. Examinations in all engineering branches/ disciplines may not be available at both the spring and fall examinations. The Board shall announce the schedule of available examinations.

(c) The Board shall register a successful applicant as a professional engineer without reference to engineering branch/ discipline in either his or her certificate or seal.

5.2. Eligibility of Applicant for an Examination.

(a) A PE applicant may not sit for the PE examination until he or she has passed the FE examination.

(b) An applicant may not sit for the eight (8) hour FE or the eight (8) hour PE examination until the Board has established that the applicant is eligible for the examinations.

(c) An EI applicant is eligible to sit for the FE during his or her senior year in college before obtaining a Baccalaureate degree in a program that has been approved by the Board as noted in §7-1-3.5 of this rule.

(d) An EI applicant enrolled in a four year engineering technology program accredited by the TAC/ABET may sit for the FE examination during his or her senior year and may only be certified as an EI after the applicant has presented evidence of 2 years of work experience in accordance with §7-1-3.6 of this rule.

(e) An applicant who fails to pass an examination or is absent from an exam may sit for further offerings of the examination upon notification and payment of the appropriate fees. Any applicant whose application is less than 2 years old may elect to simply re-apply using the shortened form supplied by the Board. Any applicant whose application is greater than 2 years old shall submit a new, completed application packet as outlined in §7-1-3.4 of this rule.

### 5.3. Examination Dates and Locations.

(a) Written examinations are offered on dates set by the NCEES. Normally the examinations are offered in April and October of each year. The examination dates are available from the Board or NCEES. Applications shall be submitted pursuant to §7-1-3.3(b).

(b) Locations at which the examinations are given are designated by the Board and are available from the Board Office.

5.4. Language of the Examination. The language used in the examination is English.

### 5.5. Study Information.

(a) The Board shall not distribute copies of questions used on prior examinations.

(b) The Board will make available NCEES-published specifications for written examinations.

5.6 Instruction for Examinees. Instructions provided prior to each examination shall declare an examination to be open or closed book. Materials permitted in the examination room shall be listed in the instruction information provided to each applicant by the Board upon confirmation of their approval to sit for an exam.

5.7. Fees. Application and examination fees are listed in §7-1-13.4 of this rule. All fees are non-refundable. The Board in accordance with Board policy may waive fees.

## 5.8. Failure to Attend an Examination.

(a) An applicant who fails to attend an examination for which he or she has been scheduled and the Board has ordered the examination forfeits all fees paid and shall not be eligible for any future fee reduction or waiver.

(b) An applicant who fails to attend an examination for which he or she has been scheduled to attend is not considered by the Board to have failed the examination.

## 5.8. Examination Offerings.

(a) An applicant for an examination shall be notified by the Board of approval to sit for the examination at least 30 days before the examination date.

## 5.9. Examination Results.

(a) The Board shall provide written notification to an applicant that he or she passed or failed the examination.

## 5.10. Examinations in Additional Branches/Disciplines.

(a) Upon payment of the prescribed fees listed in §7-1-13.4 of this rule, a PE currently registered by this Board may sit for examinations in additional branches/disciplines of the PE examination offered by NCEES. The Board shall record the passing of the examination.

(b) If an applicant fails to pass the examination in an additional branch/discipline, he or she retains his or her current registration status.

## **§7-1-6. Engineering Registration and Certification.**

6.1. Classifications of Registration. The Board shall register or certify a qualified applicant under one of the following classifications:

- (a) Professional Engineer;
- (b) Engineer Intern; or
- (c) Professional Engineer-Retired, as defined in §7-1-9.2(e).

## 6.2. Professional Engineer.

(a) PE Registration Numbers. The Board shall assign each registrant a registration number at the time registration is granted by the Board. Numbers are issued consecutively in the order in which an applicant is granted registration. The Board shall advise the registrant of his or her number.

(b) The Board shall grant an applicant who has met all the requirements of the W.Va. Code §30-13 and rules promulgated under this Code as they pertain to education, experience, and upon passing the required FE and PE examinations, a certificate of registration to practice engineering in West Virginia.

(c) Certificates of Registration. The Board shall issue a certificate of registration and similar wallet card to an applicant who has met the requirements of this state and who has paid the certificate fee prescribed in §7-1-13.4. The certificate signed by the Board members shall show the registrant's registration number and seal of the Board.

(d) Replacement of Certificate. The registrant shall notify the Board when a certificate of registration is lost, destroyed or mutilated, and, if the registrant is in good standing, the Board shall replace it, upon presentation of a statement of the loss and the prescribed fee in §7-1-13.4.

### 6.3. Engineer Intern.

(a) EI Certification Numbers. The Board shall assign each EI a certification number at the time certification is granted by the Board. Numbers are issued consecutively in the order in which an applicant is granted certification. The Board shall advise the EI of his or her number.

(b) The Board shall grant an applicant who has met all the requirements of the W.Va. Code §30-13 and rules promulgated under this Code as they pertain to education, experience, and upon passing the required FE examination, a certificate of certification to serve as an EI in West Virginia.

(c) Certificates of Certification. The Board shall issue a certificate of certification and similar wallet card to an applicant who has met the requirements of this state and who has paid all fees. The certificate signed by the Board members shall show the EI's certification number and seal of the Board.

(d) Replacement of Certificate. The EI shall notify the Board when a certificate of certification is lost, destroyed or mutilated, and, if the EI is in good standing, the Board shall replace it, upon presentation of a statement of the loss and the prescribed fee in §7-1-13.4.

### 6.4. Professional Engineer-Retired.

(a) Registration Numbers. The Board shall reserve the original assigned registration number for any PE who elects to convert to Professional Engineer-Retired status. This number will remain on file in the event that the retired engineer should chose to reinstate his or her PE registration in accordance with §7-1-10.10.

(b) Documentation of Retired Status. The Board shall issue an appropriate wallet card to an applicant who has met the require-

ments of this state and who has paid appropriate fees.

(c) Registrants who elects PE-Retired status must retire their seal and certify that they are no longer receiving remuneration from providing professional engineering services.

6.5. Updated Information. It is the EI's or PE's responsibility to notify the Board of any change in information previously submitted to the Board, such as name change, change of address, change of employer, or similar matter requiring current information.

### §7-1-7. Seals.

7.1. Seal of the Board. The seal of the Board shall be affixed to each certificate of registration.

7.2. Seal of Registrant. When an applicant is granted registration he or she shall obtain an official seal of the size and design prescribed by the Board. The seal shall contain the following information:

- (a) The words "State of West Virginia";
- (b) The registrant's name;
- (c) The registrant's registration number; and
- (d) The words "Registered Professional Engineer".
- (e) The seal may be a rubber stamp, or one that embosses.
- (f) The seal shall not reference any engineering branch/discipline.

The following is a sample of the suggested format:

OFFICIAL SEAL SAMPLE

### 7.3. Seal on Documents.

(a) A registrant's seal and signature shall appear on the first or title page of all final and/or record documents of specifications, reports, drawings, plans, design information and calculations presented to a client or any public or government agency to certify that the work was done by the registrant or under the control of the registrant.

(b) The registrant signing and sealing the first or title page of documents shall be the firm's PE in responsible charge as designated on the firm's COA application or the project engineer.

(c) Revisions shall be numbered, dated, initialed, and sealed by the registrant responsible for the revision.

(d) When copies are to be made, the registrant's seal and signature on all originals, tracings or other documents shall be reproducible.

(e) Each registrant is solely responsible for the use of his or her seal.

(f) When an engineer registered in another state has a temporary permit to practice in this state, that engineer shall use his or her seal and affix his or her signature along with a copy of the temporary permit to documents submitted for engineering services performed in this state.

(g) When a registrant of this state examines and verifies the work of an out-of-state registrant, the registrant of this state has complete dominion and control of the design which includes possession of the sealed and signed reproducible construction drawings with complete signed and sealed design calculations indicating all changes in design.

(h) The Board authorizes the electronic reproduction of a seal when the resulting facsimile meets the specifications of 7-2. The registrant is responsible for the improper use of the seal on work not prepared either by the registrant or under his or her direct supervision.

(i) It is the responsibility of each registrant to report the loss or theft of his or her seal to the Board as soon as practical after the loss or theft.

### §7-1-8. Temporary Permits.

#### 8.1. Requirements.

(a) The Board may grant a temporary permit to a person who desires to practice or offer to practice engineering in this state who is not a resident of this state or who has no established place of business in this state, provided that person is legally qualified by registra-

tion in his or her home state or any foreign country and that his or her qualifications for obtaining the permit meet those required for registration under W.Va. Code §30-13-1 et seq.

(b) To obtain a temporary permit, an applicant shall make application to the Board on forms provided by it and pay the fee prescribed in §7-1-13.4 of this rule.

8.2. Length and Scope of Permit. The Board shall grant the permit for a definite length of time not to exceed one year to allow the permittee to do a specific job. Under the permit, the permittee may not practice engineering with respect to any other work not set forth in the permit.

### §7-1-9. Expirations, renewals and reinstatements.

9.1. Expiration. PE registrations expire on June 30<sup>th</sup> of each year and are void without hearing after that date unless renewed in accordance with Subsection 2 below.

9.2. Renewals.

(a) The Board shall annually, during the month of May, mail a renewal notice to the last known address of every person currently registered by the Board. The notice shall indicate the expiration date of the PE registration and the amount of the renewal fee established by the Board.

(b) The renewal form, which shall be completed and include documentation in compliance with Subsections 10 and 12 of this rule, and applicable fee shall be received by the Board on or before June 30<sup>th</sup> of each year.

(c) Renewals received from July 1<sup>st</sup> through September 30<sup>th</sup> shall render the PE registration valid upon payment of the late fees set forth in §7-1-13.5 of these rules.

(d) Any renewal fee postmarked on or after October 1 will be rejected and returned, and the registration will be void without hearing.

(e) A registered professional engineer who has retired from practicing professional engineering may apply for the status of professional engineer-retired, and upon payment of the fee prescribed in §7-1-13.4 of this rule, he or she shall be registered as professional engineer-retired.

9.3. Reinstatement. A former PE desiring to reinstate his or her registration shall submit a completed application on forms prescribed by the Board, along with such non-refundable fees as required in §7-1-13.4 of these rules.

### §7-1-10. Continuing Professional Competency.

10.1. As a condition of registration renewal, every registrant shall show evidence that he or she obtained fifteen (15) professional development hours (PDH's) during the previous year.

10.2. Requirements. A registrant may earn PDH's by:

- (a) Successfully completing college courses;
- (b) Evidence of completion of continuing education courses;
- (c) Successfully completing correspondence, televised, videotaped, and other short courses or tutorials;
- (d) Actively participating in seminars, in-house courses, workshops, technical committees of professional engineering organizations, and professional conventions;
- (e) Teaching or instructing in the activities set forth in subdivision (a) through (d) of this subsection if such teaching or instruction is outside of the registrant's regular employment duties or if the registrant can document such teaching activity or instruction was newly developed and presented for the first time; or
- (f) Authoring published papers, articles, or books.

10.3. If a registrant exceeds the annual requirement in any year, he or she may carry a maximum of eight (8) PDH's forward into the subsequent year.

10.4. Units. The conversion of other units of credit to PDH units is as follows:

1 College or unit semester hour	15 PDH's
1 College or unit quarter hour	10 PDH's
1 Continuing Education Unit (CEU)	10 PDH's
1 Hour of professional development in course work, seminars, professional conventions, workshops, technical committee work	1 PDH
1 Hour of teaching professional development in course work, seminars, professional conventions, workshops	2 PDH's
Each published paper or article on engineering subjects	10 PDH's

10.5. Determination of Credit. The Board has final authority with respect to approval of courses, credit, PDH value for courses, and other methods of earning credit. No pre-approval of offerings will be issued. The Board may deny or revoke any renewal upon a determination insufficient or unsatisfactory continuing education.

10.6. Forms. All renewal applications require the completion of a continuing education form specified by the Board outlining PDH credit claimed. The registrant shall supply sufficient detail on the form to permit review for approval, shall certify and sign the continuing education form, and shall submit the form with the renewal form and fee.

10.7. Recordkeeping. Each registrant is responsible for his or her own professional development activities. The registrant shall maintain the records to be used to support credits claimed for professional development activities. Records required include, but are not limited to: 1) a log showing the type of activity claimed, the sponsoring organization, the activity's location and duration, the instructor's or speaker's name, and the PDH credits earned; and 2) attendance verification records in the form of completion certificates, paid receipts or other documents supporting evidence of attendance. These records shall be maintained for three renewal periods. Copies of these records and supporting documentation may be requested by the Board for approval and verification purposes.

#### 10.8. Annual Continuing Education Verification.

(a) Any registrant may be audited, including Board members and staff.

(b) Three to five percent (3-5%) of renewals will be selected at random and contacted by the Board to verify compliance with continuing education claims.

(c) Any renewal forms submitted with questionable continuing education shall be added to those selected at random for verification.

(d) All verification submissions will be analyzed by the Board who may recommend continued registration, deny or revoke based on the renewal or take such enforcement action as may be appropriate.

(e) Those who are denied renewal will be provided a thirty (30) day probationary period in which to acquire the necessary continuing education and submit documentation to the Board. If the registrant fails to submit satisfactory documentation in the given time period, the Board will revoke the PE registration without hearing.

(f) A registrant may bring a registration revoked for insufficient continuing education to active status by obtaining the delinquent PDH's, up to a maximum of thirty (30) PDH's, and submitting a PE reinstatement application and appropriate fees as prescribed in §7-1-13.4.

10.9. Exemptions. A registrant may be exempt from the professional development educational requirements for one of the following reasons:

(a) A new registrant by way of examination or reciprocity is exempt for his or her first renewal period;

(b) A registrant serving on active duty in the armed forces of the United States for a period of time exceeding one hundred twenty (120) consecutive days in a calendar year is exempt from obtaining the professional development hours required during that year;

(c) A registrant experiencing physical disability, illness, or other extenuating circumstances may be exempt subject to review and approval by the Board; the registrant shall furnish supporting documentation to the Board;

(d) Registrants who list their occupation as "Retired" on the Board-approved renewal form and who further certify that they are no longer receiving any remuneration from providing professional engineering services are exempt from the required professional development hours. In the event a retired engineer elects to return to the active practice as a professional engineer, he or she shall comply with the requirements of §7-1-10.11 before returning to active practice.

10.10. Expired Status. A registrant may bring an expired or inactive registration to active status by obtaining the delinquent PDH's, up to a maximum of thirty (30) PDH's, and submitting a PE reinstatement application and appropriate fees as prescribed in §7-1-13.4.

10.11. Retired Status. A registrant may bring a retired registration to active status by obtaining the required PDH's, up to a maximum of thirty (30) PDH's, and submitting a PE reinstatement application and appropriate fees as prescribed in §7-1-13.4.

### **§7-1-11. Certificates of Authorization.**

11.1. COA certificates required; issuance. A COA is required to practice or offer to practice engineering in WV. The Board shall issue a COA to firms who have met all the requirements of the W.Va. Code §30-13-17 and these rules promulgated under the Code to practice or offer to practice engineering in West Virginia. The certificate signed by the Board President shall show the firm's COA number and seal of the Board.

11.2. Classifications of Authorization. The Board shall certify a qualified firm under one of the following classifications:

(a) Sole Proprietor with no employees who practices or offers to practice engineering for compensation or other tangible benefit or remuneration;

(b) Firm with three or fewer Professional Engineers (regardless of PE's state of registration or licensure); or

(c) Firm with four or more Professional Engineers (regardless of the PE's state of registration or licensure).

11.3. Application and Fees. A firm desiring to obtain a COA shall submit a completed application on forms prescribed by the Board, along with such non-refundable fees as required in §7-1-13.4 of these rules. Each application, including renewal and reinstatement, requires a sworn statement from the PE in responsible charge as set forth in §30-13-17.

11.4. Expiration, Renewal and Reinstatement.

(a) Expiration. COA certificates expire on June 30<sup>th</sup> of each year and are voided without hearing after that date unless renewed in accordance with Subsection (b) below.

(b) Renewals.

(1) The Board shall annually, during the month of May, mail a renewal notice to the last known address of every firm currently holding a COA by the Board. The notice shall indicate the expiration date of the COA certification and the amount of the renewal fee established by the Board.

(2) The completed renewal form and applicable fees shall be received by the Board on or before June 30<sup>th</sup> of each year.

(c) Renewals received from July 1<sup>st</sup> through September 30<sup>th</sup> shall render the COA certification valid upon payment of the late fees set forth in §7-1-13.5 of these rules.

(d) Any renewal fee postmarked on or after October 1 will be rejected and returned, and the registration will be void without hearing.

(e) A firm who is no longer doing business in this state may request inactive status. A firm on inactive status is prohibited from practicing or offering to practice engineering in this state until the COA is reinstated.

11.6. Reinstatement. A firm desiring to reinstate a COA shall submit a completed application on forms prescribed by the Board, along with such non-refundable fees as required in §7-1-13.4 of these rules.

11.7. COA Certificate Number. The Board shall assign each firm a certificate number at the time a COA is granted by the Board. Numbers

are issued consecutively in the order in which a firm is granted a COA. The Board shall advise the firm of this number.

11.8. Replacement of Certificate. The firm shall notify the Board when a COA is lost, destroyed or mutilated, and, if the firm is in good standing, the Board shall replace it, upon presentation of a statement of the loss and the prescribed fee in §7-1-13.4

11.9. Updated Information. It is the firm's responsibility to notify the Board of any change in information previously submitted to the Board, such as name change, change of address, change of PE in responsible charge, or similar matter requiring current information.

11.10. Limited Liability Firms. The PE in responsible charge on the COA is responsible for compliance with W.Va. Code §30-13-1 et seq. and this rule notwithstanding any limitations of liability provided by W.Va. Code §§47B-3-6 and 31B-13-1305.

### **§7-1-12. Professional Responsibility.**

12.1. Knowledge of Rules. All registrants are charged with having knowledge of the Rules of Professional Responsibility. The Board shall notify every registrant and applicant for registration in writing of amendments to the rules. The Rules as amended shall also be published in the roster and on the Board website provided for in W.Va. Code §30-13-12.

12.2. Rules of Professional Responsibility. To comply with the Board's responsibilities, which are to safeguard life, health and property, to promote the public welfare, and to maintain a high standard of integrity and practice, the Board has developed the following Rules of Professional Responsibility set forth in this section. These rules supplement the provisions for professional responsibility prescribed in W.Va. Code §30-13-21 and are binding on every registrant.

(a) All persons registered in West Virginia are required to be familiar with the W.Va. Code §30-13-1 et seq., this rule, and all applicable laws relating to the practice of engineering. The Rules of Professional Responsibility delineate specific obligations the registrant shall meet. In addition, each registrant is charged with the responsibility of adhering to standards of highest ethical and moral conduct in all aspects of the practice of engineering.

(b) The practice of engineering is a privilege, as opposed to a right. All registrants shall exercise this privilege by performing services only in the areas of their competence according to current standards of technical competence.

(c) Registrants shall recognize their responsibility to the public and shall represent themselves before the public only in an objective and truthful manner.

(d) Registrants shall avoid conflicts of interest and faithfully serve the legitimate interests of their employers, clients, and customers within the limits defined by this rule. Their professional reputation shall be built on the merit of their services, and they shall not compete unfairly with others.

### 12.3. Registrant's Obligation to Society.

(a) Registrants, in the performance of their services for clients, employers and customers, shall be cognizant that their first and foremost responsibility is to the public welfare.

(b) Registrants shall approve and seal only those design documents and surveys that conform to accepted engineering standards and safeguard the life, health, property and welfare of the public.

(c) Registrants shall notify their employer or client and other appropriate authority when their professional judgment is overruled under circumstances where the life, health, property, welfare of the public is endangered.

(d) Registrants shall be objective and truthful in professional reports, statements or testimony. They shall include all relevant and pertinent information in the reports, statements or testimony.

(e) Registrants shall express a professional opinion publicly only when it is founded upon an adequate knowledge of the facts and a competent evaluation of the subject matter.

(f) Registrants shall issue no statements, criticisms or arguments on technical matters which are inspired or paid for by interested parties, unless they explicitly identify the interested parties on whose behalf they are speaking, and reveal any interest they have in the matters.

(g) Registrants shall not permit the use of their name or firm name, nor associate in business ventures with, any person or firm which is engaging in fraudulent or dishonest business or professional practices.

(h) Registrants having knowledge of possible violations of any of the Rules of Professional Responsibility shall provide the Board with information and assistance necessary to the final determination of the violation.

### 12.4. Registrant's Obligation to Employer and Clients.

(a) Registrants shall undertake assignments only when qualified by education or experience in the specific technical fields of engineering involved.

(b) Registrants shall not affix their signatures or seals to any plans or documents except in accordance with 30-13-1 et seq. and these rules.

(c) Registrants shall not reveal facts, data or information obtained in a professional capacity without the prior consent of the client or employer except as authorized or required by law.

(d) Registrants shall not solicit or accept financial or other valuable consideration, directly or indirectly, from contractors, their agents, suppliers, manufacturers, or other parties in connection with work for employers or clients.

(e) Registrants shall make full prior disclosures to their employers or clients of potential conflicts of interest or other circumstances which could influence or appear to influence their judgment or the quality of their service.

(f) Registrants shall not accept compensation, financial or otherwise, from more than one party, for services pertaining to the same project, unless the circumstances are fully disclosed and agreed to by all interested parties.

(g) Registrants shall not solicit or accept a professional contract from a governmental body on which a principal or officer of their organization serves as a member. Conversely, registrants serving as members, advisors, or employees of a governmental body or department, who are the principles or employees of a private concern, shall not participate in decisions with respect to professional services offered or provided by the private concern to the governmental body which they serve unless their participation is approved by the West Virginia Ethics Commission.

#### 12.5. Registrant's Obligation to Other Registrants.

(a) Registrants shall not falsify or permit misrepresentation of their, or their associates', academic or professional qualifications. They shall not misrepresent or exaggerate their degree of responsibility in prior assignments or the complexity of the assignments. Presentations incident to the solicitation of employment or business shall not misrepresent pertinent facts concerning employers, employees, associates, joint ventures or past accomplishments.

(b) Registrants shall not offer, give, solicit or receive, either directly or indirectly, any commission, or gift, or other valuable consideration in order to secure work, and shall not make any political contribution with the intent to influence the award of a contract by a public authority.

(c) Registrants shall not attempt to injure, maliciously or falsely, directly or indirectly, the professional reputation, prospects, practice or employment of other registrants, nor indiscriminately criticize other registrants' work.

#### 12.6. Actions brought against applicants.

(a) A registered PE who has been fined, received a reprimand, or had his or her registration revoked, suspended or denied in another jurisdiction for reasons or causes which this Board finds would constitute a violation of the law governing the practice of engineering in this state or any rule promulgated by this Board, is sufficient cause for the Board to levy a fine, reprimand, or deny, revoke or suspend a registration to practice engineering by the registrant in this state. Any such actions by other jurisdictions shall be reported on the annual renewal form. For purposes of this section, "another jurisdiction" means any other governing entity, including a licensing board for another profession.

### §7-1-13. Fees.

13.1. The fees are listed in §7-1-13.4 and are payable to the West Virginia State Board of Registration for Professional Engineers. Fees based upon NCEES charges may be obtained from the Board or its website. Fees shall be paid by check or money order and are non-refundable. The Board shall return an application received without the proper fee to the applicant.

13.2. Timing of Submission of Fees. Any PE registration or COA application fee received prior to May 1 will entitle the approved PE or COA to be placed in good standing through June 30 of the current fiscal year. Registration or COA fees received after May 1 through June 30 shall be effective through the following fiscal year.

#### 13.3. Renewal Fee.

(a) The Board shall notify each registrant by the thirty-first (31st) day of May of each year of the amount of the renewal fee.

(b) A registrant shall pay renewal fees before the thirtieth (30) day of June of each year.

(c) A renewal postmarked after June 30 is considered late, and the Board shall assess the registrant a late fee penalty as described in Subsection 13 paragraph 4 below.

(d) Any renewal fee postmarked on or after October 1 will be rejected and returned, and the registration will be void without hearing.

13.4. Fees. The fees for various services provided by the Board are:

<b>Engineering Intern</b>	
Application Fee	\$ 25.00
Examination Fee	As charged by NCEES
Re-application Fee	\$ 20.00
Re-examination Fee	As charged by NCEES
<b>Professional Engineer</b>	
Application Fee	\$ 80.00
Examination Fee	As charged by NCEES
Re-application Fee	\$ 40.00
Re-examination Fee	As charged by NCEES
Certificate Fee	\$ 25.00
Comity Application Fee	\$ 150.00
Temporary Permit	\$ 200.00
<b>Certificate of Authorization</b>	
Application Fee for Sole Proprietor with no employees	\$ 0.00
Application Fee for Firm with three or fewer Professional Engineers*	\$ 100.00
Application Fee for Firm with four or more Professional Engineers*	\$ 150.00
<b>Annual Renewal Fee</b>	
Professional Engineer	\$ 40.00
Professional Engineer-Retired	\$ 25.00
COA for Sole Proprietor with no employees	\$ 0.00
COA for Firm with three or fewer Professional Engineers*	\$ 50.00
COA for Firm with four or more Professional Engineers*	\$ 300.00
<b>Reinstatement Applications</b>	
Professional Engineer	\$ 125.00
COA for Sole Proprietor with no employees	\$ 0.00
COA for Firm with three or fewer Professional Engineers*	\$ 200.00
COA for Firm with four or more Professional Engineers*	\$ 600.00
<b>PE or COA Roster**</b>	\$ 25.00
<b>Replacement Certificates</b>	\$ 25.00
<b>Returned Checks</b>	\$ 25.00

\* Regardless of the P.E.'s state of registration or licensure

\*\* Available for free download on the Board web site

### 13.5. Late Fees.

(a) A renewal fee postmarked after July 1 is considered late, and the Board shall assess the registrant a penalty in the amount of twenty-five percent (25%) of the fee per month of delay for up to 90 days.

(b) A renewal postmarked after October 1 will be rejected and returned, and the registration or COA will be void without hearing.

(c) The Board shall void any PE registration of any registrant or COA certification of any firm whose renewal fee is not postmarked before October 1. In order to continue to practice or offer to provide engineering services, the former registrant or firm shall submit a reinstatement application to the Board in accordance with §7-1-3 or §7-1-11 of these rules.

13.6. Fees set forth in this section may be waived in accordance with Board policy.

### **§7-1-14. Board Enforcement, Investigations, Disciplinary Actions and Costs.**

14.1. Enforcement. Any person or entity who violates any of the provisions of W.Va. Code §30-13-1 et seq. or these rules is subject to the provisions of W.Va. Code §30-13-21 through 23, as well as the penalties outlined in §7-1-15 of these rules. The Board may take disciplinary action against any person or firm subject to the provisions of W.Va. Code §30-13-1 et seq. and these rules for any non-compliance with or violation of same in accordance with the procedures set forth in W. Va. Code §30-13-22 and the procedural rules adopted by the Board and on file with the Secretary of State.

14.2. Investigations. The Board shall have the power to investigate any complaint filed with the Board and any other matter brought to the attention of the Board regarding noncompliance with the provisions of W.Va. Code §30-13-1 et seq. and these rules.

14.3. Disciplinary Action. Upon Board decision that disciplinary action is warranted, the Board may take such action as is provided for in W.Va. Code §30-13-21 through 23, these rules, and any Board policies not inconsistent with such applicable law, including the imposition of civil penalties as set forth in §7-1-15 below.

14.4. The Board may assess administrative costs incurred in the performance of its enforcement or investigatory activities against any person or entity who violates the provisions referenced in subsection 14.1 of this rule, which shall be paid to the West Virginia State Board of Registration for Professional Engineers by check or money order within a period of thirty (30) days from the date of the final order entered by the Board.

### §7-1-15. Civil Penalties.

15.1. The Board may enter an order assessing the appropriate civil penalties against any person or firm found guilty by the Board including, but not limited to the following for each offense:

Action	Penalty Up To
Practicing w/o a license, including expired license	\$ 5000
Practicing w/o a COA, including expired COA	\$ 5000
Misuse of seal	\$ 5000
Illegal advertising of engineering services	\$ 5000
Fraud, deceit, misrepresentation, or misinformation to the Board	\$15,000
Violation of condition of probation	\$ 5000
Misfeasance or malfeasance	\$ 1000
Professional misconduct, negligence or incompetence	\$ 1000
Action which is likely to deceive or defraud the public	\$15,000
Action which threatens the public health, safety and welfare	\$15,000
Failure to timely provide information to Board	\$ 1000
Non-compliance with Board request or order	\$ 1000
General (violation of applicable statute & rules, including W.Va. Code §30-13-21 or the Rules of Professional Responsibility set forth in these rules)	\$ 5000

15.2. The penalty for aiding and assisting any of the above violations shall be no more than the maximum penalty defined above.

15.3. Each day of continued violation may constitute a separate offense.

15.4 In determining the amount of civil penalty to be assessed pursuant to this section, the Board may consider such factors as the following.

- (a) Whether the amount imposed will be a substantial economic deterrent to the violation;
- (b) The circumstances leading to the violation;
- (c) The nature and severity of the violation and the risk of harm to the public;

- (d) The history of previous violations;
- (e) The extent to which the cited person or firm has cooperated with the Board and the Board's investigation;
- (f) The economic benefits gained by the violator as a result of noncompliance;
- (g) The interest of the public;
- (h) Other matters as may be appropriate.

15.5. Civil penalties imposed by the Board shall be paid to the West Virginia State Treasurer's Office by check or money order within a period of thirty (30) days from the date of the final order entered by the Board.

**§7-1-16. Board Policies.**

16.1. The Board is authorized to establish policies and procedures not inconsistent with W.Va. Code §30-13-1 et. seq. and these rules.

**§7-1-17. Severability.**

17.1. If this Rule, or any part of this rule is found by the courts to be invalid for any reason, the remainder of the Rule continues in full force and effect and each and every part of the Rule is severable.

## **Contents**

**§7-2-1. General.**

**§7-2-2. Complaints.**

**§7-2-3. Hearing Panel.**

**§7-2-4. Procedural Rules for Hearings.**

**§7-2-5. Disposition of Complaints.**

**TITLE 7**

**SERIES 2**

**ADMINISTRATIVE HEARING PROCEDURES**

**§7-2-1. General.**

1.1. Scope. — This rule specifies the procedure for Resolution of complaints relating to the practice of engineering in this State pursuant to the authority granted to the West Virginia State Board of Registration for Professional Engineers by W. Va. Code “30-13-1 et seq.

1.2. Authority. — W. Va. Code “30-13-1 et seq. and 30-1-1 et seq.

1.3. Filing Date. — June 22, 2004.

1.4. Effective Date. — July 23, 2004.

**§7-2-2. Complaints.**

2.1. Submission.

(a) Form. The form of complaints shall be determined by the Board. All complaints shall be in writing and verified by the complainant before a notary public.

(b) Who may submit. A complaint may be submitted by any natural person or legal entity, any registered engineer, or any firm holding a certificate of authorization. A complaint may be submitted by the Board, a member of the Board staff, with or without direction from the Board, or a member of the Board. Charges may be based upon information received solely through investigative activities undertaken by the Board.

2.2. Filing.

(a) The applicable statute provides for disposition of a complaint if

trivial, unfounded, or settled informally. Unless in the opinion of at least one member of the Board the alleged situation which is the subject of a complaint presents an imminent danger to health or safety, a complaint will be deemed received and filed only upon the majority vote of the Board members present and meeting in general session. Until such action, the complaint will be on the agenda for each meeting until resolved informally or filed. During the period before a complaint is deemed filed, the Board may take appropriate action, upon motion and consistent with the applicable statutes, to investigate and settle the complaint informally.

(b) A complaint will not be considered by the Board until an original is delivered to and logged in and numbered by the Board Administrator at Charleston during normal business hours. Facsimile and other electronic transmission of complaints will be accepted for filing, provided originals are delivered to the Board Administrator within fourteen (14) days thereafter.

2.3. Notice to Respondent. The Board Administrator shall give notice of the filing of a complaint to any and all respondents named in the complaint. Such notice shall be by certified mail, return receipt requested, to the respondent at his, her, or its last known address or in a manner consistent with the rules for service of process under the West Virginia Rules of Civil Procedure. A return of service shall be completed by the person effecting service and filed with the Board.

2.4. Response to Complaints. The respondent may file, within thirty days after service of the complaint, a responsive pleading which shall state with particularity every defense in law or fact to the allegations in the complaint. Every responsive pleading shall be verified by the respondent.

2.5. Failure to File Response. The failure to file a response to the complaint shall be deemed an admission of the factual allegations contained therein. The failure to file a response shall not be grounds for delaying hearing or other action upon the complaint.

2.6. More Definite Statement. The Board or a respondent may request a clarification or more definite statement of the allegations in the complaint. A respondent's request for a more definite statement shall be filed with the Board not less than fifteen days before the hearing date. The Board's request may be issued to a complainant at any time, and the complainant shall respond within seven days of service of the request by the Board. Failure of a complainant to respond timely to such request may be grounds for dismissal of the complaint.

### **§7-2-3. Hearing Panel.**

#### **3.1. Hearing Panel.**

(a) Complaints regarding persons licensed by the Board and complaints regarding unlawful practice of engineering in this State or a

request for hearing regarding licensure or issuance of a certificate of authorization shall be heard and decided by the Board as a whole sitting as a Hearing Panel, except that any member of the Board who has a conflict of interest with regard to a particular complaint may decline to participate in such proceedings. Recusal is mandatory in any proceeding in which a judge, similarly situated, would be required to exercise recusal. The filing of a complaint by a Board member will not automatically be grounds for recusal. Recusal shall not prevent a Board member from testifying as a witness.

(b) If recusals result in there being less than a quorum, the remaining unrecused members of the Board shall appoint a registered professional engineer who is not a member of the Board for each recused member to serve solely for the purposes of hearing and deciding such complaint.

(c) The Hearing Panel shall conduct hearings, make findings of fact and conclusions of law, and issue administrative decisions and orders to enforce the provisions of W. Va. Code §30-13-1 et seq.

3.2. Location of Hearing Proceedings. Unless otherwise ordered by a majority vote of the Board, all hearings shall be heard at Charleston.

3.3. Quorum. A quorum shall consist of not less than three members of the Hearing Panel.

3.4. Presiding at Hearings.

(a) The President of the Board shall serve as the presiding officer at hearings. In the event of the President's recusal, the Hearing Panel shall elect a presiding officer from among themselves who will preside for hearings on that complaint.

(b) The presiding officer shall have the power to (1) administer oaths and affirmations, (2) rule upon offers of proof and receive relevant evidence, (3) regulate the course of the hearing, (4) hold conferences for the settlement or simplification of the issues by consent of the parties, and (5) dispose of procedural requests or similar matters.

3.5. Privilege and Immunity. All information provided, including documents and testimony given with respect to any complaint, investigation or proceeding under these rules, shall be privileged in any action for defamation or the like. All members of the Board, its counsel, and their employees shall be absolutely immune from civil suit in the same manner as members of the judiciary in the State for any conduct in the course of their official duties.

#### **§7-2-4. Procedural Rules for Hearings.**

4.1. Notice of Hearings.

(a) Within sixty (60) days of filing complaint, the presiding officer shall set a hearing date and time. Notice of the hearing date and time shall be

served on respondent and counsel for respondent, if any, by first class mail addressed to the last known mailing address of such person. Such notices shall be mailed not less than thirty (30) days before the hearing date. All complaints, unless dismissed by the Board as unfounded, trivial or settled informally, shall be heard within six months after the date each complaint was received and filed.

(b) Hearings may be rescheduled by the presiding officer and, once begun, continued from time to time, for cause shown as the interests of justice may require.

4.2. Prehearing Matters. The presiding officer, with or without the request of a party, may schedule a prehearing conference to narrow the issues to be heard, to estimate the time which will be required for the hearing, rule upon prehearing motions, and, when appropriate, negotiate informal disposition of the complaint.

#### 4.3. Hearings Generally.

##### (a) Conduct and Order of Hearing.

(1) Upon calling on for hearing any complaint, the presiding officer may cause the complaint to be read and shall offer the respondent the opportunity to reply. The Hearing Panel may receive evidence from its investigator or staff. Respondent, directly or by counsel, may present evidence in defense against the complaint. All testimony given shall be subject to cross-examination by the opposing party. The Board may receive rebuttal evidence after respondent's presentation. Any member of the Hearing Panel may inquire to any witness at any time.

(2) After the receipt of all evidence, respondent and Board staff, directly or by counsel, may be allowed to make closing arguments.

(3) If the respondent is not a natural person, the respondent shall be represented by counsel. The Board or its staff may be represented by counsel.

(4) Failure of the respondent to appear, without cause, shall not result in delay or postponement of the hearing.

(b) The Record. The record of a hearing shall consist of the testimony and documentary and physical evidence admitted into evidence by the Hearing Panel, all judicially cognizable facts so noticed, and the administrative decision or order ruling upon the complaint. All hearing proceedings on the record shall be recorded by stenographic means. Any party may obtain a transcript of the proceedings at the party's expense.

(c) Testimony. Witnesses shall testify under oath or affirmation.

(d) Evidence.

(1) The West Virginia Rules of Evidence shall apply. Irrelevant, immaterial, or unduly repetitious evidence shall be excluded. When necessary to ascertain facts not reasonably susceptible of proof under those rules, evidence not admissible thereunder may be admitted, except where precluded by statute, if it is of a type commonly relied upon by reasonably prudent persons in the conduct of their affairs. The Hearing Panel shall be bound by the rules of privilege recognized by law. Objections to evidentiary offers and the ruling thereupon shall be noted in the record. Any party to any such hearing may vouch the record as to any excluded testimony or other evidence.

(2) Only the evidence admitted into the record and judicially cognizable facts so noticed shall be considered in the determination of the complaint.

(3) Depositions may be taken and read or otherwise received as evidence in accordance with Rules 30 and 32 of the West Virginia Rules of Civil Procedure.

(e) Conformance. Upon motion of any member of the Hearing Panel or any party assigning error or omission in any part of any transcript, the presiding officer shall settle all differences arising as to whether such transcript truly discloses what occurred at the hearing and shall direct that the transcript be corrected as appropriate so as to make it conform to the truth.

(f) Deliberations. Hearing Panels may deliberate and issue decisions in person, by telephone conference, or by written correspondence, including electronic communications.

(g) Open Meetings and Executive Sessions. Pursuant to W.Va. Code §6-9A-1, the Board may by majority vote hold hearings under these rules in executive session unless the respondent requests an open meeting. In any event, the vote upon the final decision of the Hearing Panel shall be in open session.

4.4. Standard of Proof. To impose any sanction or penalty, the findings of the Hearing Panel in support thereof must be proved by a reponderance of the evidence.

4.5. Subpoena and Contempt Power. The Hearing Panel shall have power to issue subpoenas or any other lawful process through the presiding officer at the request of any party. Subpoenas may be issued for attendance of witnesses or the production of documentary evidence. Subpoenas and other process may be served in accordance with the West Virginia Rules of Civil Procedure. All witnesses shall be entitled to such witness fees and expenses as in any civil proceeding in this State. The Hearing Panel may apply to any circuit court for an order requiring any person to comply with the presiding officer's directions in maintaining order at a hearing or to compel compliance with subpoenas.

#### 4.6. Criminal Convictions.

(a) An engineer who has been convicted of a crime that reflects adversely on the engineer's honesty, trustworthiness or fitness as an engineer, or of any felony, shall, within thirty days of entry of the order or judgment of conviction, forward a copy of the order or judgment to the Board's Administrator. A plea or verdict of guilty or a conviction after a plea of *nolo contendere* shall be deemed to be a conviction within the meaning of this rule. Any other person may file a copy of the order or judgment with the Board.

(b) Upon receipt of the order or judgment, which shall be conclusive evidence of the guilt of the crime or crimes of which the engineer has been convicted, the Board Administrator shall treat the order or judgment as a complaint for misconduct and violation of professional responsibility.

(c) A respondent may present evidence and argument in support of mitigation based on, but not limited to, the nature of respondent's misconduct, surrounding facts and circumstances, previous ethical violations, the willfulness of the conduct, and the adequacy of respondent's previous opportunity to present evidence.

#### 4.7. Reciprocal Discipline.

(a) A final adjudication in another jurisdiction, whether state or federal, of misconduct constituting grounds for discipline of a registered professional engineer in that jurisdiction or a voluntary surrender of a license to practice engineering in connection with a disciplinary proceeding in that jurisdiction shall, for the purposes of proceedings under these rules, conclusively establish such conduct.

(b) A registrant in this State against whom any form of public discipline has been imposed by the authorities of another jurisdiction, whether state or federal, or who voluntarily surrenders his or an aggravating factor in any subsequent disciplinary proceeding. Any other person may notify the Board of such action by submitting a complaint.

(c) If the registrant intends to challenge the validity of the disciplinary order entered in the foreign jurisdiction or the voluntary surrender of his or her license to practice engineering in connection with a disciplinary proceeding, the registrant must request a formal hearing and file with the Board a full copy of the record of the disciplinary proceedings which resulted in imposition of the disciplinary order or the voluntary surrender of a license to practice engineering.

### §7-2-5. Disposition of Complaints.

#### 5.1. Administrative Decisions and Orders.

(a) Any party may submit proposed findings of fact and conclusions of law as permitted in the discretion of the presiding officer.

(b) After a hearing upon a complaint is completed, including an instance in which the respondent defaults, the Hearing Panel may make findings of fact and conclusions of law and shall issue the appropriate administrative decision or order.

(c) The Hearing Panel may make findings of fact and conclusions of law in connection with the hearing and in conformity with applicable law notwithstanding the failure of the complaint to allege the grounds therefor.

(d) Informal disposition may also be made of any complaint by stipulation, agreed settlement, or consent order provided, however, that a hearing upon any pending complaint set pursuant to Rule 4.0 shall not be cancelled other than by a respondent's acceptance of such proposed informal disposition.

(e) All dispositions of complaints shall be signed by the presiding officer. A copy shall be maintained in the permanent records of the Board.

(f) The official determination of the Hearing Board shall be made by majority vote of the Hearing Panel. The presiding officer shall vote in every matter but shall reserve his vote to the last. Any minority of the Hearing Panel may preserve its opinion in written form submitted at or not less than ten days after the entry of the majority's administrative decision or order.

(g) A copy of the administrative decision or order shall be served upon each party and his counsel in person or by registered or certified mail within five days after entry by the presiding officer.

5.2. Unlawful Practice. In addition to disciplinary actions authorized by W. Va. Code §30-13-21, if the administrative decision or order finds that the respondent is engaging in the practice of engineering in this state without being registered, the Board may request the prosecutor of any county to prosecute the respondent pursuant to W. Va. Code §31-13-23 or the Board may file a complaint seeking an injunction to enforce the provisions of W. Va. Code § 31-13-1 et seq. Nothing in these rules shall prohibit the Board from requesting prosecution or seeking an injunction without prior notice and opportunity for hearing to the person who is believed to be in violation.

## *Other Relevant Codes*

### **§5G-1 et seq. – Procurement of Architect-Engineer services by state and its subdivisions.**

Applicable to the WV state departments, agencies, authorities, quasi-public, corporations and all political subdivisions, including cities, counties, boards of education and public service districts. This legislative policy declares procurement of architectural of engineering services or both on the basis of demonstrated competence and qualification for the type of professional service required.

### **§21A et seq. – Unemployment Compensation.**

In particular, §21A-2-6(17) – Regarding granting, issuing or renewing a license or certificate or other authority for those in default.

### **§23-1-1B et seq. – Workers’ Compensation.**

In particular, §23-1-1B(16) – Regarding granting, issuing or renewing a license or certificate or other authority for those in default.

### **§29A-3-1 et seq. - State Administrative Procedures Act.**

Applicable to all WV agencies, boards or commissions of the executive branch of government.

### **§30-1-1a et seq. – General provisions applicable to all state boards of examination or registration referred to in chapter.**

Applicable to every WV board of examination or registration.

### **§48-15 et seq. – Enforcement of Support Order Through Action Against License.**

In particular, §48-15-303 - License applicant to certify information regarding child support obligation.

**TITLE 7  
INTERPRETIVE RULE  
STATE BOARD OF REGISTRATION FOR PROFESSIONAL ENGINEERS**

**SERIES 3  
APPLICATION OF ENGINEERING SEAL**

**§7-3-1. General.**

1.1. Scope. -- The purpose of this rule is to create a series for interpretive rules relating to the application of an engineer's seal.

1.2. Authority. -- W. Va. Code §§30-13-1 et seq. and 29A-3-8.

1.3. Filing Date. -- June 10, 2011.

1.4. Effective Date. -- July 10, 2011.

**§7-3-2. Checking another registrant's work.**

The second sentence of the second paragraph of W. Va. Code §30-13-16(c) sets a standard by which a registrant checks the work of an out-of-state registrant. The reviewing registrant must "completely check and have complete dominion and control of the design" which "includes possession of the sealed and signed reproducible construction drawings with complete signed and seal design calculations indicating all changes in design."

W. Va. Rule 7CSR1-7.3(g) also discusses the standard for checking the work of an out-of-state registrant and requires the West Virginia registrant to have "complete dominion and control of the design, which includes possession of the sealed and signed reproducible construction drawings and sealed design calculations indicating all changed in design."

The above provisions relate to circumstances when a West Virginia registrant is asked to place a West Virginia professional engineer's seal on work that was done by an out-of-state registrant. This requirement or standard is consistent with the provisions set forth in earlier in W. Va. Code §30-13-16(c) and in 7CSR1-7.3(a) which requires the registrant's seal to be on engineering documents "presented to a client or any public or government agency" only when the work was done by the registrant or under the registrant's complete direction and control. However, the provision is outdated inasmuch as there is no longer any distinction between an out-of-state and in-state registrant.

Violation of the provisions regarding the legal use of a registrant's engineering seal is a ground for disciplinary action in W. Va. Code §30-13-21(a)(10), which makes it unlawful to sign or affix the seal (or permit same) "to any specifications, reports, drawings, plans, design information, construction documents or calculations or revisions which have not been prepared or completely checked by the professional engineer or under the professional engineer's direct supervision and control".

While there is no need for a standard that applies solely to out-of-state registrants, there is often a need for a standard of review for another's work. However, currently there are no provisions that specifically set forth a registrant's duties with regard to review of another's work when it is not an out-of-state engineer. This is a common practice and is often necessary due to death, mobility, job change or other circumstance that requires a successor engineer take over and complete the work.

The Board would like to provide some clarity to its registrants so they may avoid disciplinary action in connection with their sealing engineering work that was done by another engineer. Therefore, the Board is of the opinion that the requirements set forth for the review of work by an out-of-state registrant applies to the review of any registrant's work and will interpret the term "out-of-state registrant" to mean "another registrant" when used in the context of the standard under which a registrant checks another professional engineer's work.
