VI. MINUTES

West Virginia Board of Financial Service Examiners

BOARD MEETING

July 22, 2019

A quorum of the Board being present, the meeting was called to order at 1:22 p.m. by Eugene Fahey, President. Members in attendance were Robert Fields, Bryan Nichols, Ron Waybright, Fred Kitchen, John Valentine and Rich Bishoff. Non members present were Regina Anderson, Executive Director and Constance Sloan, Office Manager.

Mr. Fahey asked if the members had read the minutes from the May 7 and May 21, 2019 meetings and if there were any questions. There being no questions, a motion was made by Rich Bishoff, seconded by John Valentine, that the Minutes be approved. The motion carried unanimously.

The P-Card expenses were reviewed and there being no questions regarding the PCard expenses Fred Kitchen, seconded by Bryan Nichols, that the PCard expenses be approved. The motion carried unanimously.

The Financial Reports were reviewed and on motion of Rich Bishoff, seconded by John Valentine, the reports were unanimously approved.

The case scheduled to be considered by the Complaint Committee has been rescheduled to the next meeting of the Board as Counsel for the Complainant filed a pleading at 4pm the day before the meeting, leaving inadequate time for the Committee to consider the pleading and giving no time to the respondent to respond.

The Board then reviewed the duties of the staff and inspector. Rich Bishoff made some suggestions for specific areas to be addressed by the inspector and provided the members and Executive Director with guidelines for the inspectors. Mr. Fahey requested that the subject of Board Staff be continued to the next Agenda and that in the meantime the hours/days allowed by the State for sick and annual leave be obtained and provided to the members. The President also stated that the Board should come up with an Employee Handbook.

The President instructed the Executive Director to begin planning for a fall continuing education class to be held at Flatwoods and that one of the one hour topics be what the inspectors will be looking for when they make inspections.

The Board moved to the election of officers. Robert Fields nominated Eugene Fahey for the position of President. Rich Bishoff seconded the nomination. There being no other nominees, the Board voted unanimously to elect Eugene Fahey as President for the coming year.

Ron Waybright nominated Robert Fields for the position of Secretary. The nomination was seconded by Rich Bishoff. There were no other nominations. The Board voted unanimously to elect Robert Fields as Secretary for the coming year.

Linda Lyter, the President of the Association of Licensing Boards, spoke to the Board on possible upcoming legislation and the need for small boards, particularly those located in the Peoples Building, for sharing of services and duties. She indicated that the Governor and the Legislature had for some years wanted to combine Chapter 30 Boards and that there was talk of putting them under the Department of Administration. If the Boards in the Peoples Building combined services, they would retain their autonomy and continue with their own Boards.

President Fahey requested Ms. Lyter to continue to update the Board as to the feasibility of sharing service and it was the consensus of the members that this was something they would endorse.

Licenses were signed for the following persons:

Funeral Directors:

David Hernandez, Jr.
Michaelyn S. Busch
Jeannette Duncan

Crematory Operators:

Steven Cook

Crematories:

Chafin Funeral Home

Funeral Homes:

Roselawn Funeral Home (new ownership)

Mortuary Service:

Charleston Mortuary Service, Inc. (New ownership)

Mr. Fahey then requested that all licenses which were issued during the period when there was no sitting Board be reissued and signed by the current Board.

Mr. Fahey then asked if the renewal process was closed and if there were any unusual renewals. He then clarified his question asking if Mr. Harding had renewed and when told "yes" asked how that was possible since he had been convicted of a felony. Ms. Sloan responded that the Board attorney had reiterated what was discussed at the Auditor's conference, that the consent agreement limited any further action against Mr. Harding for any acts related to the embezzlement which was the basis of the Board's action against him initially.

After some discussion, Mr. Fahey directed the Executive Director to contact the Board's current attorney and set up a telephone conference with the Board members to discuss the impact of Mr. Harding's conviction on his license.

There being no further business to be conducted, on motion of Rich Bishoff, seconded by Ron Waybright, the Board voted unanimously to adjourn.
