

# CHILD PROTECTIVE SERVICES WORKFORCE ALLOCATIONS

Calendar Year 2022

**Jeffrey Pack** Commissioner

## **2022 Allocation of Child Protective Service Workers**

As required by W. Va. Code § 9-2-6(b), the West Virginia Department of Health and Human Resources, Bureau for Social Services (BSS) analyzed the allocation of child protective service workers (CPSW) and child protective service seniors (CPS Seniors)<sup>1</sup> throughout West Virginia. The analysis reviewed the average number of cases by county for calendar year 2021, the percentage of total caseload per region and district, current allocated CPSW and CPS seniors, and CPSW and CPS Senior vacancy. The conclusion of the analysis was to move 13 CPSW positions and 1 CPS senior position to the northern region from the southern region. The attached spreadsheet indicates where the positions will be taken from and moved to.

For the southern region, one CPSW position will also be moved to Wayne district. Over the next year, a close analysis will be conducted on the Kanawha district; the current percentage of total case for Kanawha district is 27% of the southern region cases. The Kanawha district also has the highest number of vacant current positions (35 of 61). As these vacancies are filled and staff is maintained, BSS believes that the average number of cases in Kanawha district will decrease.

For the northern region, the additional 13 CPSW positions will be allocated by the percentage of total number of cases.

# **Definitions of Columns**

Average # of Cases (CY2021): Calendar year 2021 (CY2021) caseload data was utilized to determine the average number of cases for the calendar year. Case total is determined by two reports: FACTS Executive Dashboard Referral Report, which reflects all referrals accepted for investigation each month, and CPS8802 CPS Ongoing, which provides the total number of open cases on the last day of the month. The totals are added for each calendar month of the year and divided by 12 for an average workload in each county and each BSS district.

**% of Total Caseload:** The total average number of cases was used to determine the percentage of total caseload for each the region.

Current Allocated CPSW: This column indicates the allocated number of CPSW positions as of July 2021.

CPSW Vacancy: The number of vacancies is as of May 31, 2022.

**2022 Allocated CPSW:** This column indicates the allocated CPSW as of July 1, 2022. Due to the number of vacancies, attrition will not need to be utilized.

**Current Allocated CPS Senior:** This column indicates the allocated number of CPS Senior positions as of July 2021.

CPS Senior Vacancy: The number of vacancies for the CPS Senior position as of May 31, 2022.

**2022 Allocated CPS Senior:** This column indicates the allocated CPS Senior positions as of July 1, 2022. Due to the number of vacancies, attrition will not need to be utilized.

<sup>&</sup>lt;sup>1</sup>A CPS Senior is a CPSW who has a minimum of 2 years of experience and mentors new CPSWs while maintaining a caseload. A CPS Senior is not a supervisor.
