**INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS  
AND SUPPLEMENTARY INFORMATION**

To The Board of Directors  
Family Crisis Center, Inc.  
Keyser, West Virginia

We have audited the accompanying statement of financial position of Family Crisis Center, Inc. (a nonprofit organization) as of June 30, 2010, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Family Crisis Center, Inc. as of June 30, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated September 27, 2011, on our consideration of Family Crisis Center, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of Family Crisis Center, Inc. taken as a whole. The accompanying schedule of expenditures of federal awards and schedule of state grant revenues and expenditures are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Family Crisis Center, Inc.  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2010

**NOTE1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Organization and Nature of Activities

Family Crisis Center, Inc. is a non-stock, non-profit corporation organized under the laws of the State of West Virginia and has been determined by the Internal Revenue Service to be a tax-exempt organization under Internal Revenue Service Code Section 501( c )( 3 ).

The Center's mission is to serve as a community resource center for victims of domestic and sexual violence, providing counseling, education, shelter, support and advocacy services. The Center serves Mineral, Hampshire, Grant, Hardy and Pendleton Counties in West Virginia.

The Center relies on federal and state financial assistance to provide for its continuing operations.

Basis of Accounting

The financial statements of the Center have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

All donor-restricted contributions are reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Contributed Services

The Organization receives a substantial amount of services donated by its volunteers in carrying out the Organization's mission. No amounts have been reflected in the financial statements for those services since they do not meet the criteria for recognition under SFAS No. 116, *Accounting for Contributions Received and Contributions Made*.

Grants

Grants received by the Organization to provide for operations represent exchange transactions whereby the Organization must provide services as outlined in the related grant agreements. As such, these grants are not considered contributions and are not subject to FAS No. 116 provisions.

Family Crisis Center, Inc.  
NOTES TO FINANCIAL STATEMENTS (continued)  
June 30, 2010

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Property and Equipment

Property and equipment is carried at cost or, if donated, at the approximate fair market value at the date of donation. All property and equipment is depreciated using the straight-line method over the estimated useful lives of the assets.

The Organization's policy is to capitalize all property and equipment costs in excess of \$500.

When material in amount, interest related to construction projects is capitalized as a cost of the project.

Estimates

In preparing financial statements in conformity with U.S. generally accepted accounting principles, management must make estimates based on future events that effect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities as of the date of the financial statements, and revenues and expenses during the reporting period. Actual results could differ from these estimates.

**NOTE 2: CASH**

Cash consists of the following:

Task Force checking	\$ 3,216
General checking	<u>104,675</u>
Total	<u>\$ 107,891</u>

All accounts are FDIC insured.

The Organization deposits at financial institutions are fully insured by FDIC insurance at June 30, 2010.

**NOTE 3: PROPERTY AND EQUIPMENT**

Buildings and improvements	\$ 178,704
Equipment, furniture and fixtures	137,035

Net property and equipment	<u>\$ 107,669</u>

Family Crisis Center, Inc.  
NOTES TO FINANCIAL STATEMENTS (continued)  
June 30, 2010

**NOTE 4: CONCENTRATION**

The Organization receives over 50 percent of its total support and revenues from various grants from or through the West Virginia Department of Health and Human Resources. These grants are awarded annually subject to applicable federal and state appropriation and have historically been funded based on past funding levels.

**NOTE 5: FUNCTIONAL ALLOCATION OF EXPENSES**

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.

**NOTE 6: RISK MANAGEMENT**

Board of Risk and Insurance Management (BRIM)

The Center participates in the West Virginia Board of Risk and Insurance Management, a common risk insurance pool. The Center pays an annual premium to BRIM for its general insurance coverage. Fund underwriting and rate setting policies are established by BRIM. The costs of all coverage as determined by BRIM shall be paid by the participants. The BRIM risk pool retains the risk of the first \$2 million per property event and purchases excess insurance on losses above that level. Excess coverage, through an outside insurer is limited to \$200 million per event, subject to limits on certain property. BRIM has \$1 million per occurrence coverage maximum on all third-party liability claims.

**NOTE 7: SUBSEQUENT EVENTS**

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors  
Family Crisis Center, Inc.  
Keyser, West Virginia

We have audited the financial statements of Family Crisis Center, Inc. (a nonprofit organization) as of and for the year ended June 30, 2010, and have issued our report thereon dated September 27, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Family Crisis Center, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Family Crisis Center, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above. However, we identified certain deficiencies in internal control over financial reporting, described in the accompanying schedule of findings and questioned costs that we consider to be significant deficiencies in internal control over financial reporting. The deficiencies are listed as 2010-1 through 2010-4. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether Family Crisis Center, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as items 2010-5 through 2010-6.

We noted certain matters that we reported to management of Family Crisis Center in a separate letter dated September 27, 2011.

Family Crisis Center, Inc.'s response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. We did not audit Family Crisis Center, Inc.'s response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the board of directors, management, others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
