INDEPENDENT AUDITOR'S REPORT

July 29, 2016

The Arc of the Mid-Ohio Valley
912 Market Street
Parkersburg, WV 26101

To the Board of Directors:

Report on the Financial Statements

We have audited the accompanying financial statements of **The Arc of the Mid-Ohio Valley**, (a non-profit organization) (the Organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Arc of the Mid-Ohio Valley as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of WV Division of Health and Human Resources Grant and Schedule of Revenues and Expenses – Division of Health and Human Resources Grant are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated July 29, 2016, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Non-cash Transactions:		
Donated Building	$	575,000

See accompanying Notes to the Financial Statements.

NOTE 1. NATURE OF OPERATIONS

The Arc of the Mid-Ohio Valley, Inc. (the Organization) was incorporated as a non-profit organization in the State of West Virginia, whose mission is to promote community education on developmental disabilities and its prevention; provide advocacy for individuals with developmental disabilities; and provide assistance to those in need.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Organization accounts for its revenues and related expenses on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America. Revenues are reported in the year earned. Costs and expenses are charged against revenues in the year to which the cost is applicable.

Financial Statement Presentation

The Organization has adopted of Financial Accounting Standards Codification (ASC) No. 958-210, Presentation of Financial Statements. Under Board ASC 958-210, an organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Income Tax Status

The Organization is exempt from Federal income taxes as described under Internal Revenue Code (IRC) 501(c) (3). Therefore, no provision for income tax has been recorded in the accompanying financial statements. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

Accounting principles generally accepted in the United States require management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). Management has analyzed the tax positions taken by the Organization, and has concluded that as of June 30, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Organization's Federal Return of Organization from Income Tax (federal Form 990) for 2012, 2013 and 2014 are subject to examination by the IRS, generally for three years after they were filed.

Estimates

In preparing financial statements in conformity with GAAP, management must make estimates based on future events that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities as of the date of the financial statements, and the revenues and expenses during the reporting period. Actual results could differ from these estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all highly liquid instruments purchased with maturity of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Accounts receivable are written off when they are determined to be uncollectible. Accounting principles generally accepted in the United States of America require that companies use the allowance method when preparing financial statements. Any variance between the direct write-off method and the allowance method is believed to be immaterial.

Inventory

Noah's Arc Thrift Shop sells donated clothing items to help support the Organization's mission. These in-kind donations have no carrying value until sold.

Property and Equipment

All acquisitions of property and equipment, and all expenditures for repairs, maintenance, renewals and betterments that materially prolong the useful lives of the asset are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives ranging from five to forty years for all depreciated assets.

Expenditures for maintenance and repairs, which do not extend the originally estimated useful lives of the assets, are charged to expense.

Depreciation expense for the year ended June 30, 2015 was $15,108.

Fair Value of Financial Instruments

The following methods and assumption were used by the Organization in estimating its fair value for financial instruments:

Inventory: Inventory of clothing and other used goods have not been recorded in the financial statements. Accounting principles generally accepted in the United States of America require that such inventory be recorded at the fair market value at the date of donation.

Advertising

The Organization expenses advertising costs as incurred. The cost of advertising for the year ending June 30, 2015 was $8,003.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been reported in the Statement of Functional Expense and summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted for future periods are reported as temporarily restricted support. When a donor-stipulated time restriction ends or a purpose restricted is accomplished, the restricted net assets are reclassified to unrestricted net assets and are reported in the Statement of Activities as net assets released from restriction.

Contributed Property and Equipment

Contributed property and equipment is recorded at fair value at the date of donation as income and a corresponding asset. If donors stipulate how long the assets must be used, then the contributions are recorded as temporarily restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support.

NOTE 3. MARKETABLE SECURITIES

As of June 30, 2015 unrestricted marketable securities consisted of the following:

	Cost	Unrealized Gain (Loss)	Market Value
Edward Jones Unrestricted Funds	$ 180,347	$ 6,083	$ 186,430
Edward Jones Money Market Funds	1,671	-	1,671
Total unrestricted contributions	$ 182,018	$ 6,083	$ 188,101

In a prior period, the Organization received a bequest which, according to provisions of the will, such assets "are to be used for the purpose of capital improvements or the purchase of equipment, furnishings, or property and are not to be treated as ordinary income".

As of June 30, 2015 temporarily restricted marketable securities from said bequest consisted of the following:

	Cost	Unrealized Gain (Loss)	Market Value
Edward Jones Restricted Funds	$ 171,922	$ 6,042	$ 177,964
Edward Jones Restricted Money Market	1,591	-	1,591
Total temporarily restricted investments	$ 173,513	$ 6,042	$ 179,555

NOTE 4. INVESTMENTS IN PARKERSBURG AREA COMMUNITY FOUNDATION

In 1986 The Arc entered into an agreement with the Parkersburg Area Community Foundation to establish The Arc of Wood County Endowment Fund. The fund is maintained in an investment pool administered by the Parkersburg Area Community Foundation.

Contributions to the fund constitute principal, which are held in perpetuity, and are considered permanently restricted. Interfund gifts are to be used in accordance with the endowment agreement, and are therefore considered temporarily restricted.

NOTE 4. INVESTMENTS IN PARKERSBURG AREA COMMUNITY FOUNDATION (Continued)

Net income from the principal is to be conveyed and transmitted at least annually to the Board of Directors of The Arc. The interest is to be used to provide scholarships to graduates of Wood County high schools who are full-time students at a West Virginia university or college studying for a career in helping peoples with disabilities, and is therefore temporarily restricted. Other income may be used for scholarships or at the discretion of the Board and is considered unrestricted.

The principal of the fund may be distributed to or for the benefit of The Arc for its charitable purposes upon the written request of 75% of its Board of Directors accompanied by a certification by the Board's secretary.

The following is the activity of the endowment fund for the year ended June 30, 2015:

	Unrestricted	Temporarily Restricted	Permanently Restricted
Beginning Fund Balance	$ 10,070	$ -	$ 90,000
Contributions	-	200	-
Interest and Dividends	-	2,142	-
Realized Gain	2,029	-	-
Unrealized Loss	(1,876)		
Management Fees	(1,316)	-	-
Approved Distributions	(658)	(2,342)	
Ending Fund Balance	$ 8,249	$ -	$ 90,000

At June 30, 2015, the market value of these investments totaled $98,249.

NOTE 5. TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consisted of the following at June 30, 2015:

	2015
Capital Acquisition	$ 179,555
Total Temporarily Restricted Net Assets	$ 179,555

NOTE 6. PERMANENTLY RESTRICTED NET ASSETS

	2015
Corpus of endowment held at Parkersburg Area Community Foundation	$ 90,000
Total Permanently Restricted Net Assets	$ 90,000

NOTE 7. NET ASSETS RELEASED FROM RESTRICTIONS

The sources of net assets released from temporary donor restrictions by incurring expenses satisfying the restricted purposes or by occurrence of events specified by the donors for the year ended June 30, 2015 was as follows:

		2015
Secret Christmas	$	9,900
Scholarships		2,342
Total	$	12,242

NOTE 8. CONTRIBUTED PROPERTY

In September 2014, The Arc received a donated building with a market value of $575,000. No restrictions are associated with this building, and the asset is therefore reported by the entity as unrestricted contribution revenue and a corresponding depreciable asset.

NOTE 9. OPERATING LEASES

Effective March 31, 2012, the Organization rents office space, located at 912 Market Street, Parkersburg, West Virginia, under an annual renewal operating lease expiring February 29, 2016. The monthly rental payment is $1,869 and total rental payments for the year ended June 30, 2015 were $22,428.

The Organization operates a thrift shop located at 1915 Dudley Avenue, Parkersburg, West Virginia. The thrift shop building was donated to the organization in September 2014. Per the Board of Directors, the thrift shop pays rent to The Arc, but there is no lease agreement in place. The monthly rent from July 2014 through March 2015 was $3,095. The monthly rental payments were $2,187.50 from April to June 2015. Total rental payments for the year ended June 30, 2015 were $34,425.

The Organization operates a second thrift shop located at 904 Broadway Avenue, Parkersburg, West Virginia as a tenant at will. The monthly rental payments are $600 and total rental payments for the year ended June 30, 2015 was $7,200.

The Organization rents storage space as a tenant at will. Monthly rental expense is $210 and total rental payments for the year ended June 30, 2015 was $2,520.

The Organization entered into a lease agreement for the rental of a copier. The lease is scheduled to expire November 5, 2017. The monthly rental payment on the lease is $598 and total rental payments for the year were $7,176.

Rent expense for the year ended June 30, 2015 under all of the above operating leases was $62,080.

NOTE 9. OPERATING LEASES (Continued)

Future minimum lease obligations under the above operating leases are as follows:

Year Ended:		
2016	$	22,128
2017		7,176
2018		2,990
Total	$	32,294

NOTE 10. SERVICES PROVIDED TO ARC OF WEST VIRGINIA, INC.

The Arc of West Virginia is a state-wide organization whose primary purpose is to provide regional training conferences to persons in West Virginia with developmental challenges. The Arc of the Mid-Ohio Valley, Inc. assists The Arc of West Virginia, Inc. by providing organization management and conference planning services. All costs incurred by The Arc of the Mid-Ohio Valley, Inc. are reimbursed by The Arc of the West Virginia, Inc. As of June 30, 2015 The Arc of West Virginia owed The Arc of the Mid-Ohio Valley $39,600 for these management and planning services.

NOTE 11. RISK MANAGEMENT

The Organization is exposed to various risks of loss related to torts, theft of, damage to, or destruction of assets, errors and omissions, injuries to employees, employees' health and life; and natural disasters. The Organization manages these risks of loss through the purchase of various insurance policies.

NOTE 12. CONTINGENT LIABILITIES

The Organization's programs are generally funded from federal, state, and local sources, principal of which are programs of the West Virginia Division of Health and Human Resources. State grants received for specific purposes are subject to audit and review by grantor agencies. Such audits and reviews could result in requests for reimbursements to grantor agencies for expenditures disallowed under the terms of the grants. The amount, if any, of expenditures which may be disallowed by grantor agencies cannot be determined at this time, although management believes such amounts, if any, to be immaterial.

NOTE 13. FAIR VALUE MEASUREMENTS

The fair value hierarchy defines three levels of input, as follows:

Level 1: Valuations based on quoted prices (unadjusted) in an active market that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.

Level 2: Valuations based on observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in inactive markets, or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.

Level 3: Valuations based on unobservable inputs are used when little or no market data is available. The fair value hierarchy gives lowest priority to Level 3 inputs.

NOTE 13. FAIR VALUE MEASUREMENTS (Continued)

In determining the fair value, the Organization utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible in its assessment of fair value.

Financial assets and liabilities are carried at fair value June 30, 2015, and are classified as Level 1, Level 2 and Level 3 as follows:

Assets Carred at Fair Value:	Level 1	Level 2	Level 3
Mutual Funds	$ 367,656	$ -	$ -
Endowment Funds	98,249	-	-
Total Assets at Fair Value	$ 465,905	$ -	$ -

NOTE 14. COMPENSATED ABSENCES

The Arc provides compensated absences for its salaried and full-time employees in the form of paid time off. The balance of compensated absences at June 30, 2015 was $21,777.

NOTE 15. RESTATEMENT OF BEGINNING BALANCES

The accompanying financial statements for 2015 have been restated. A summary of the restatement is as follows:

	Unrestricted	Temporarily Restricted
Net Assets, as previously stated	$ 367,717	$ 172,370
Accrued Payroll error	(11,065)	-
Revenue and Expense errors, Net	(10,124)	-
Net Assets released from restriction	(6,340)	6,340
Restated	$ 340,188	$ 178,710

NOTE 16. SUBSEQUENT EVENTS

Management has evaluated events subsequent to the date of the financial statements through July 29, 2016. In February 2016, it was brought to management's attention that an employee of the organization was involved in fraudulent activity. The employee resigned in February 2016. The fraudulent expenses were removed from the Statement of Activities and are reflected as Insurance Receivable in the amount of $60,646 in the Statement of Financial Position at June 30, 2015. The total amount of fraudulent activity that has been discovered through the date of the report is $112,738.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

July 29, 2016

The Arc of the Mid-Ohio Valley
725 Market Street
Parkersburg, WV 26101

To the Board of Directors:

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the **The Arc of the Mid-Ohio Valley** (a non-profit organization) (the Organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated July 29, 2016.

Internal Control over Financial Reporting

As part of our financial statement audit, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of the Organization's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Entity's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Therefore, unidentified material weaknesses or significant deficiencies may exist. We did identify a certain deficiency in internal control, described in the accompanying schedule of audit findings that we consider a material weakness. We consider finding 2015-001 to be a material weakness.

..."bringing more to the table"

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SCHEDULE OF AUDIT FINDINGS
FOR THE YEAR ENDED JUNE 30, 2015

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

FINDING NUMBER 2015-001

Material Weakness

Controls over Expenditures

During 2015, the Business Office/Finance Coordinator issued payments to herself determined to be improper using Organization funds in the amount of $112,738. The checks signature from the Executive Director was forged. The Business Office/Finance Coordinator wrote checks to herself and changed the name of the payee in the Peachtree accounting system. Summaries of cancelled checks issued by the financial institution with the monthly bank statements were disposed of by the Business Office/Finance Coordinator and not made available for review by the Executive Director or Board.

This practice which indicates a lack of segregation of duties and monitoring controls, and lack of adequate supporting documentation resulted in a loss of Organization funds and could lead to additional personal liability of the Organization's Officials.

We recommend that all expenditures be supported by adequate documentation; a complete voucher package including the voucher signed by the appropriate officials to document their approval, the original invoice approved by the receiving employee or official to document the receipt of goods or services and the accuracy of the quantity and price, to help ensure that all expenditures are for goods and services received, properly approved and for a proper purpose. We also recommend that all expenditures be generated through the accounting system and approved by the Executive Director and the Board.

Management's Response – The Arc of the Mid-Ohio Valley's management, with oversight from the Board of Directors, has taken steps to implement additional segregation of duties and has reviewed and implemented additional controls to mitigate the risk going forward. These include but are not limited to: Hiring new accounting staff that aligns with a strengthened skill set that has been outlined in a newly revised job description; Hiring additional support personnel to improve the control environment and to remedy the identified material weaknesses; Implementing process changes to strengthen our monitoring activities from a board member and committee level.
