Report on the Financial Statements

We have audited the accompanying financial statements of Community Connections, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2017 and June 30, 2016, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design

audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Connections, Inc. as of June 30, 2017 and June 30, 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules of federal awards, schedules of state awards, and the notes to the schedules of federal and state awards are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 2, 2017, on our consideration of Community Connections, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the

Community Connections, Inc.

scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an internal part of an audit performed in accordance with *Government Auditing Standards* in considering Community Connections, Inc.'s internal control over financial reporting and compliance.

1. Summary of Significant Accounting Policies

(a) Nature of Activities

Community Connections, Inc. (CCI) is a nonprofit corporation organized to conduct collaborative planning and evaluation of health and human services with families and the organizations that serve them in order to promote effective service delivery. CCI provides family resources and coordinating services through advocacy and community coalition building.

(b) Basis of Accounting and Financial Statement Presentation

The financial statements of Community Connections, Inc. are prepared in accordance with generally accepted accounting principles (GAAP); using the accrual basis of accounting. Under the accrual basis of accounting revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants are recognized when grantor eligibility requirements are met.

(c) Basis of Presentation

The financial statements are prepared in accordance with the recommendations of FASB Codification (ASC) 958-205, "Presentation of Financial Statements". Under ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted.

(d) Sources of Revenue

Support income reported in the financial statements includes revenues that have been received from organizations in the forms of grants or restricted donations, while revenue income reported in the financial statements includes all other donations, funds, or monies earned during the normal course of business.

When both restricted and unrestricted resources are available for use, it is CCI's policy to use restricted resources first, and then the unrestricted resources as needed.

(e) Grants Receivable

Grants receivable are recorded net of an allowance for expected losses. As of June 30, 2017 and 2016, management considers the balance of grants receivable to be fully collectible.

See independent auditor's report.

**COMMUNITY CONNECTIONS, INC.
NOTES TO FINANCIAL STATEMENTS (CONT'D)**

Items such as computers are purchased under the grant agreements for use by the grantee. These assets may be repossessed if the grants were ever revoked. Cash on hand and deposits with banking institutions either in checking, savings or money market accounts are also presented as cash in the accompanying financial statements.

(h) Donated Services

No amounts have been reported in the financial statements for donated services because no objective basis is available to measure the value of such services.

See independent auditor's report.

COMMUNITY CONNECTIONS, INC.

Unrestricted net assets may be designated for specific purposes by action of the Board of Directors or may otherwise be limited to contractual agreements with outside parties. **INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
*GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
Community Connections, Inc.
Princeton, West Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Community Connections, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 2, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Community Connections, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Connections, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Community Connections, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and responses as item #2017-001 that we consider to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Connections, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Community Connections, Inc.'s Response to Findings

Community Connections, Inc.'s response to the finding identified in our audit is described in the accompanying schedule of findings and responses. Community Connections, Inc.'s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**COMMUNITY CONNECTIONS, INC.
SCHEDULE OF FINDINGS AND RESPONSES
FOR THE YEAR ENDED JUNE 30, 2017**

#2017-001 Dual Signatures

Criteria: Internal control should be implemented to the degree possible to properly require dual signatures on cash disbursements of \$200 or more.

Condition: Analysis of the internal control system indicated that cash disbursements of \$200 or more did not always properly require dual signatures.

Cause: The Organization did not properly require dual signatures on cash disbursements of \$200 or more on (12) twelve instances out of (40) forty tested.

Effect: The lack of not properly requiring dual signatures on cash disbursements of \$200 or more increases the risk that errors or irregularities in recording, processing, summarizing and reporting financial data could occur and not be detected in a timely manner.

Recommendation: The Organization should implement internal controls to properly require dual signatures on cash disbursements of \$200 or more. We recommend that the Board should remain involved in the financial affairs of the Organization to provide oversight and independent review functions and to continue exercising due diligence and professional skepticism in relation to the Organization's financial operations.

Views of Responsible Officials and Planned Corrective Actions: The agency has a long-standing commitment to strong financial integrity, and we continue to take great strides in improving our fiscal management systems to maintain responsibility at all levels – including the active commitment of members of our Board of Directors. In so doing, Directors remain highly engaged in the organizational operations. In addition to the Executive Director (Greg Puckett), signatories include the following members of the Board of Directors: Robert Farley, Chairperson; Robert Chris Nichols, Vice Chairperson; and Andrea Bennett, Secretary. *It is the Agency's practice to require two signatures on payment of every expenditure.* The reason of the noted Condition are as follows:

1. Copies of the check(s) were inadvertently made prior to receiving both signatures.
2. Expenses were paid in an emergency, time-sensitive manner and only one signature was obtained.
3. Dual signature authority is not necessary with the Renaissance Project account, however, signatures for amounts over \$500 have been recommended for dual signature.

Nevertheless, Community Connections, Inc. remains focused on its fiscal integrity, and will increase internal controls to rectify the noted area of concern.

Status: This condition was not reported in the prior year's audit.
