

2015

West Virginia Offices of the Insurance Commissioner

2014 Annual Report

The information in this report reflects the current financial condition and economic importance of the insurance industry in West Virginia.

STATE OF WEST VIRGINIA

Offices of the Insurance Commissioner

EARL RAY TOMBLIN

Governor

MICHAEL D. RILEY

Insurance Commissioner

November 1, 2015

The Honorable Earl Ray Tomblin
Governor of the State of West Virginia
State Capitol
Charleston, WV 25305

Dear Governor Tomblin:

The Annual Report of the Insurance Commissioner of the State of West Virginia for the calendar year 2014 is hereby submitted in accordance with Chapter 33, Article 2, Section 15, of the Code of West Virginia. An Executive Summary immediately follows this memorandum.

The information contained in this report reflects the economic importance and current financial condition of the insurance industry in our State. The included insurance entity statistics are compiled from the December 31, 2014 annual statements filed with this agency by the insurance companies licensed in this State.

Respectfully submitted,

Michael D. Riley
Insurance Commissioner

Executive Summary

This report to the Governor of West Virginia provides detail about the structure and activities of the *West Virginia Offices of the Insurance Commissioner* for the preceding year. The report is divided into three major sections. Each section is detailed below.

Section 1 of this report highlights the organization of our office and provides detail for its \$198.1M in total revenue collected from the previous year. It includes an interdepartmental organizational chart, historical list of insurance commissioners, and then proceeds to identify the individual revenue streams managed by this agency.

Section 2 of this report further identifies the functional divisions of this office, and enumerates each division's individual activities during the past year. A summarization of those activities follows:

- **AccessWV**-(West Virginia Health Insurance Plan), the state high-risk health insurance pool, was initially scheduled to terminate all policy coverage on December 31, 2013 due to the availability of guaranteed coverage provided with the implementation of the Affordable Health Care Act. Due to early technical difficulties emerging in the Federal Marketplace and the Healthcare.gov website, AccessWV coverage was extended to March 31, 2014. The payment of claims run-off continued through the end of 2014 at which time AccessWV had a cash balance of \$ 4,798,146.
- The **Agents Licensing and Education Division** presides over processing and maintaining records on individual producers licensed to transact insurance business in WV, and issued 18,157 new and reinstated licenses in 2014, while handling over 182,000 company appointments and appointment cancellations.
- The **Board of Review** (Workers' Compensation) exercises exclusive jurisdiction over all appeals from decisions issued by the Workers' Compensation Office of Judges pursuant to West Virginia Code §23-5-11. During 2014, the Board held hearings monthly and issued written rulings on Petitions to Stay, motions, appeals, and Petitions for Award of Claimant's Attorney Fees and Costs.
- The **Claims Services Division** (Workers' Compensation) oversees management of the workers' compensation "Old Fund" . As of December 31, 2014, there were 15,311 open claims.
- The **Office of Consumer Advocacy** assisted consumers with complaints during 2014, that yielded financial awards totaling \$86,282 directly to consumers. The Office of Consumer Advocacy also participated in the review of 57 Certificate of Need applications and 35 Hospital Rate Review Applications.
- The **Consumer Service Division** assists our insurance consumers with questions and complaints. The division received a total of 2,008 written complaints from insurance consumers in 2014. Over the course of the year, the Division responded to an average of 99 consumer inquiries per day.
- The **Employer Coverage Unit** (Workers' Compensation) reviews and grants requests for exemptions from statutory Workers' Compensation Coverage as well as serving as the contact point for employee claimants of uninsured employers. The Unit reviewed 2,443 applications for exemption during 2014, and granted 2,042 of the same.

- The **Financial Accounting Unit** is responsible for the preparation of audited financial statements, monthly financial reports, the budget, management and administration of federal grant funds, daily cash management and investment processing which includes accounts payable and all agency cash receipts processing through the state's accounting system. The unit also calculates workers' compensation maximum and medical reimbursement rates and evaluates workers' compensation managed health care plans. In 2014, the unit received its ninth consecutive "clean" opinion on the Audited Financial Statements.
- The **Financial Conditions Division** monitors insurance company financial stability and collects premium taxes and surcharges. They oversaw a total of 2,667 separate insurance entities transacting business in West Virginia during 2014.
- The **Self-Insurance Unit** (Workers' Compensation) is responsible for regulating the 83 employers that currently self-insure their workers' compensation coverage in West Virginia and the approximately 100 employers who no longer self-insure but continue to administer claims incurred during their period of self-insurance. No new companies were approved for self-insured status during calendar year 2014.
- The **Fraud Unit** (Office of the Inspector General) is responsible for facilitating a cooperative approach in the detection, investigation, and prosecution of insurance fraud. They received a total of 856 referrals in 2014 which lead to 28 arrests or indictments and resulted in 29 convictions or pleas.
- The **Health Policy Division** works toward the implementation of a Health Insurance Marketplace in West Virginia in conjunction with the Patient Protection and Affordable Care Act (PPACA). In February 2013, WV announced it would become a Partnership state, meaning that West Virginia consumers will experience 'The Marketplace' as an online portal at www.Healthcare.gov to compare information on available health plan options, enroll in health plans, and receive subsidies, if financially eligible.
- The **Legal Division** provides legal counsel to the Insurance Commissioner and staff, drafts and promulgates statutes, investigates code/rule violations, responds to litigation, hearings and coordinates receivership activities. During 2014, the Division was involved with 10 new statutes or regulations directly impacting insurance; 379 matters of litigation, Administrative, or Circuit Court Hearings; and 1,025 investigations by the regulatory compliance unit including 142 orders.
- The **Market Conduct Unit** undertakes examinations of insurance companies doing business in West Virginia in order to determine statutory compliance. In 2014, the unit conducted 58 level one and 27 level two analyses on licensed companies concerning compliance. Four Agreed Orders were entered by the Insurance Commissioner with penalties totaling \$52,000 being assessed as a result of violations discovered during examinations. One informal regulatory intervention was also overseen by the unit resulting in \$94,937.90 in restitution being returned West Virginia policyholders. The unit also participated in 8 multi-state collaborative actions which resulted in \$141,588.70 in penalties and other assessments. The Market Conduct Unit completed seventeen (17) comprehensive compliance audits on employers which are self-insured for workers' compensation resulting in penalties totaling Six Thousand Five Hundred Dollars (\$6,500.00).

- The **Revenue Recovery Unit** (Workers' Compensation) is responsible for the collection of all monies due to the Uninsured Employers' Fund and to the Old Fund, as well as the collection of fines imposed upon employers where workers' compensation coverage has been cancelled. During 2014, the unit collected over \$921k from businesses in default and placed 1,113 liens on businesses who had failed to work to cure default obligations.
- The **Office of Judges** (Workers' Compensation) provides the first level of judicial review in workers' compensation litigation by processing appeals from initial workers' compensation claim management decisions. During 2014, this unit ruled upon 9,344 written motions and rendered 2,855 decisions.
- The **Rates and Forms Division** reviews and approves or disapproves proposed insurance rates and forms for all regulated lines of insurance in West Virginia. During 2014, the division received a total of 6,548 filings, of which, 6,106 were ultimately approved.
- The **State Agency Workers' Compensation (SAWC) Program** is a combined insurance policy providing workers' compensation coverage for 108 state agencies and boards. The program includes over 900 locations throughout the state and provides coverage for approximately 24,000 state employees.

Section 3 of this report provides enhanced detail from each regulated line of insurance. This section separates the state's insurance market into Property and Casualty insurance companies and Life and Health insurance companies and proceeds to specify the amount of earned premiums, the percent of the market that each company serves, and further identifies their admitted assets, liabilities, stock holdings, and capital and surplus calculations.

Division Reports

AccessWV

West Virginia Health Insurance Plan

AccessWV, the state high-risk health insurance pool, was initially scheduled to terminate all policy coverage on December 31, 2013 due to the availability of guaranteed coverage provided with the implementation of the Affordable Health Care Act. Due to early technical difficulties emerging in the Federal Marketplace and the Healthcare.gov website, *AccessWV* coverage was extended to March 31, 2014. The payment of claims run-off continued through the end of 2014 at which time *AccessWV* had a cash balance of \$ 4,798,146.

Agents Licensing and Education Division

Agents Licensing & Education is responsible for processing and maintaining records on individual producers licensed to transact business in West Virginia. Licensees include residents who must complete educational and testing requirements to obtain a license. Residents of other states who have completed similar requirements in their states of domicile may apply for a West Virginia non-resident license by submitting the appropriate application and documentation for review. In addition to licensing of individual producers, the division oversees the licensing of Adjusters, Surplus Lines Licensees, Business Entities (Agencies), Viatical Settlement Brokers and Viatical Settlement Business Entities.

Producers must be appointed to represent each insurance company the producers are transacting business for in West Virginia. Insurance companies are responsible for submitting appointment information and fees to Agents Licensing & Education for processing.

Monies generated through licensing and appointment fees, letters of certification and letters of clearance are deposited into the Offices of the Insurance Commissioner's Special Revenue account.

Resident producers must periodically complete continuing education to maintain their licenses. The continuing education program is governed by a six-member board appointed by the Insurance Commissioner. The representatives (all of whom are WV resident insurance producers) of this Board represent various areas of the insurance industry as prescribed by law.

Administrative functions for the continuing education program are handled by Prometric. Prometric reviews provider and course applications under guidelines established by the Board of Insurance Agent Education. Additionally, Prometric banks the continuing education credits to the producers' records and, at compliance time, provides the Insurance Commissioner with data on compliant and noncompliant producers.

The following are current statistics on the various aspects of Agents Licensing and Education Division.

Licensing Activity

NEW LICENSES ISSUED	<u>2013</u>	<u>2014</u>

Board of Review (Workers' Compensation)

Pursuant to West Virginia Code §23-5-11(b), the primary responsibility of the Board of Review is to review appeals from final orders issued by the Office of Judges. Our goal is to resolve these appeals in a fair, efficient, and timely manner. The Board of Review is governed by procedural rules found in 102 CSR 1, Rules of Practice and Procedure. At the conclusion of the appeal process, the Board issues a written decision, which may be appealed to the Supreme Court of Appeals as set forth in West Virginia Code §23-5-15.

In the course of considering workers' compensation appeals, the Board of Review rules on motions for stay submitted pursuant to West Virginia Code §23-5-9 and 85 CSR 1 §18. Also, the Board reviews and issues rulings on other motions submitted by the parties. Before issuing a written decision on the appeal, the Board provides the parties with an opportunity to present oral argument to the Board in accordance with West Virginia Code §23-5-12(b).

When the claimant is successful in an appeal involving the denial of medical benefits, the claimant's attorney may file a Petition for Award of Claimant's Attorney Fees and Costs if the claimant meets the criteria in West Virginia Code §23-5-16(c). The Petition is submitted to the Board of Review if the final decision on the issue is entered by the Board. At the appropriate time, the Board issues a ruling on the Petition.

A statistical report is provided to the Workers' Compensation Industrial Council every month. This report includes information regarding incoming appeals, such as the issues being appealed and the parties filing the appeals. Additionally, the report provides data regarding the Board's decisions.

We participate in workshops, legal seminars and provide training as requested. One of the Board's employees serves as a member of the Workers' Compensation Committee of the West Virginia State Bar and provides the Committee with updates on recent initiatives at the Board and other information related to practicing before the Board.

The Board and staff are committed to adapting the appeal process to meet the goals of improving our work product and continuing to provide quality service to the litigants. The Board's monthly hearings are held at the Board's offices in Charleston; however, the Board holds hearings in another area of the state from time to time to accommodate attorneys and parties. The hearings have been held in Shepherdstown, Wheeling, Beckley, Berkeley Springs, and in the central part of the state at Stonewall Jackson Conference Center. If requested, hearings are conducted by telephone for the convenience of the parties.

Claims Services Division (Workers' Compensation—Old Fund)

The Claims Services Division is comprised of seventeen employees that provide oversight of the Old Fund Program; the legacy claims liability that existed upon the privatization of workers' compensation. In addition, this Division provides claims oversight of the Uninsured Employer Fund (UEF), the Federal Black Lung Program with dates of last exposure prior to January 1, 2006, and the State Agency Workers' Compensation (SAWC) Program. Primary objectives ensure the claims are properly reserved and administered to the Best Claims Practice standards, and are in compliance with statutory and regulatory provisions. The Claims Services Division is responsible for additional internal controls assuring proper management of these claims which include the Best Claims Practice Reviews conducted on-site, on-going quality assurance reviews, large loss review staffing with each TPA, indemnity payment approval threshold of \$25,000.00 or greater, and the settlement initiative. Regulatory duties of this Division include maintaining the Occupational Pneumoconiosis (OP) Board and the Permanent Total Disability Review Board (PTDRB) dockets, the Claims Index, and the Electronic Data Interchange (EDI) program. The Claims Services Division also coordinates with the West Virginia State Auditor's Office and the TPAs to establish Electronic Fund Transfers (EFTS) for injured workers or their dependents who receive benefits.

During FY2015, on behalf of the Offices of the Insurance Commissioner (OIC), the Claims Services Division continued monitoring the programs for its best claims practices ensuring injured workers receive medical and indemnity compensation for their compensable injury in a timely and efficient manner by the two TPAs. Historically, the Old Fund claims were administered by three independent Third Party Administrators (TPAs): Sedgwick Claims Management Services, Wells Fargo Disability Management, which became HealthSmart Casualty Claims Solutions on June 1, 2013, and American Mining Claims Services. When the contract expired on November 30, 2013, all three TPAs renewed; however, shortly thereafter, American Mining Claims Services initiated termination of their contract and approval was given by the OIC. All claims being administered by American Mining Claims Services were transitioned to HealthSmart for continued administration. The Claims Services Division facilitated a multitude of meetings with the TPAs, OIC Executives, and key departments within the OIC. A timeline was agreed upon and implemented by the OIC. The initial focus for HealthSmart was to ensure all indemnity benefits were set up accurately and all payments were paid timely. This focus was a huge endeavor and required reserves to be placed on all of the transitioned claims. An additional primary focus for HealthSmart was to ensure medications and treatment was not interrupted. HealthSmart was committed to ensuring the benefit recipients were appropriately provided for. Additional work hours were required, and HealthSmart was devoted to utilizing as many resources as necessary for a successful takeover of this book of business. It was imperative that this transition be transparent to the benefit recipients, and we achieved transparency and received a pleasing result from everyone's efforts. Both TPAs and the OIC were diligent in their communication and efforts to ensure this book of business was properly transitioned. Currently, HealthSmart and Sedgwick CMS continue to administer the old fund claims liability.

Claims Statistics

On December 1, 2007, the OIC officially began managing 47,961 active old fund claims. Since that time, through proper claims handling utilizing industry accepted standards and a focused settlement initiative, approximately 69.17% of the active caseload has been closed.

Active old fund claim counts for the TPAs as of June 30, 2014, are as follows:

Counts as of	Sedgwick	HealthSmart	American Mining	Totals	Closed
1/31/2008	39,227	4,750	3,984	47,961	
6/30/2008	25,484	3,455	3,792	32,731	31.75%
6/30/2009	22,425	2,894	3,237	28,556	40.46%
6/30/2010	19,837	2,373	2,814	25,024	47.82%
6/30/2011	17,346	2,188	2,381	21,915	54.31%
6/30/2012	15,451	1,871	1,179	18,501	61.42%
6/30/2013	14,075	1,775	1,101	16,951	64.66%
6/30/2014	13,114	2,512	-0-	15,626	67.42%
6/30/2015	12,376	2,406	-0-	14,782	69.17%

Old Fund Workers' Compensation Total Active Claims (Excludes FBL claims)

Occupational Disease Claims

Please note that there are new occupational disease claims, such as Occupational Pneumoconiosis (OP) and Hearing Loss (HL) that are submitted to Claims Services for entry and establishment of a new claim. The claim(s) is then assigned to a TPA for administration. These applications have a date of last exposure prior to July 1, 2005. The State OP claims are part of the Old Fund liability. We have two other separate and distinct funds in which we receive new claim filings. The Uninsured Employer Fund (UEF), as previously indicated, commenced as of January 1, 2006. We enter and establish these claims and assign to a TPA for administration. In addition, new claims are filed for Federal Black Lung (FBL), and the date of last exposure must be prior to January 1, 2006. The FBL claims are paid via the Coal Workers' Pneumoconiosis Fund (CWPF).

New Claim Filings	FY2010	FY2011	FY2012	FY2013	FY2014	FY2015
State OP	63	81	70	28	79	66
HL & OD	12	17	10	8	7	11
Uninsured Employer Fund	36	23	16	16	20	11
FBL	462	625	316	217	460	328

Regulatory Boards

As stated previously, regulatory duties of the Claims Services Division include maintaining the Occupational Pneumoconiosis (OP) Board and the Permanent Total Disability Review Board (PTDRB) dockets. We have one full-time designated occupational pneumoconiosis (OP) employee who is responsible for OP applications. This individual prepares the files and maintains the docket for the OP Board, and prepares the files for hearings before the Office of Judges. In FY2015, there were 383 examinations scheduled before the OP Board, and 33 fatal reviews. The PTDRB docket has been overseen in this Division since October 2008. In FY2015, the PTDRB had 38 reviews; including initial, remands, and final reviews. In addition, the OP Board reviewed 10 applications for employability standards as outlined in Senate Bill 2013. Applications are received for the old fund, new carriers and self-insured employees.

Regulatory Boards	FY2010	FY2011	FY2012	FY2013	FY2014	FY2015
OP Board Examinations	561	495	519	515	582	383
OP Board Fatal Reviews	180	113	128	143	94	33
PTDRB Reviews	138	212	76	183	209	38
PTDRB Vocational Reviews	39	39	14	3	18	10

Electronic Data Interchange (EDI) Program

The implementation of the Electronic Data Interchange (EDI) program resulted from the passage of §Title 85, Series 2, Workers' Compensation Claims Index. The purpose of EDI is to provide a consistent way of reporting claims to the OIC. Any workers' compensation claim that is filed in the state of WV is captured on our Claims Index System. Pursuant to our regulations, the First Report of Injury (FROI) and Second Report of Injury (SROI) must be submitted electronically within 10 days of notification that an injury has occurred, using the Release 3 EDI standards as adopted by the International Association of Industrial

Accident Boards and Commissions (IAIABC). The OIC's website contains information and links to our EDI Implementation Guide. In addition, we provide the procedural steps on how to apply for a trading partner profile and become eligible to file as a Carrier/TPA/Self-Insured Employer through the EDI. The program has continued to develop nicely over the past year.

Claims Index

The Claims Services Division also reviews applications for access to the Workers' Compensation Claims Index. The Claims Index is a legislative mandated uniform system of gathering workers' compensation claim information through EDI, and allows the information to be accessible to approved participants. The index contains basic demographic data to assist insurers in obtaining information from other insurers regarding previously filed workers' compensation claims by a particular claimant. Applications are approved or denied by a WC System Specialist III within this Division.

Nurse Program

The RN III monitors the monthly pharmacy reports that provide for a high expenditure in the Old Fund claims. In addition, the RN III closely reviews and monitors the Lung Transplant claims. The RN III also participates in the on-site large loss staffings, round table claim discussions, and provides assistance for complicated medical issues identified by the specialists during their ongoing quality assurance reviews on all programs. The RN III coordinates and participates in: Health Screenings, Flu Shots, AED Machine Maintenance, and the Wellness Programs. The RN III serves on the ICC-Early Intervention Birth to 3, as appointed by the Commissioner. The addition of this resource has allowed medical reviews of greater detail in the areas indicated above, which is a significant contribution to the programs.

Consumer Advocate

In 2014, the Office of Consumer Advocate served the interests of the West Virginia insurance consumer and fulfilled the expanded duties conferred upon the Office in the tort reform measures passed in 2005 in Senate Bill 418. A large portion of the Office of the Consumer Advocate's time and resources was devoted to first and third party administrative hearings.

During 2014, the efforts of the Office of the Consumer Advocate on behalf of West Virginia insurance consumers yielded financial awards totaling \$86,282 which go directly into the pocket of the consumer as well as a number of other important settlements and regulatory orders directly benefiting the West Virginia insurance consumer.

During the undersigned's entire tenure, the Office of the Consumer Advocate has been involved in obtaining financial settlements totaling \$2,201,947 on behalf of West Virginia insurance consumers. These awards go directly into the pocket of the consumer. The Office of the Consumer Advocate is very proud of this accomplishment.

In the health care arena in 2014, the Office of the Consumer Advocate reviewed 57 Certificate of Need Applications and 35 Rate Review Applications before the West Virginia Health Care Authority. Furthermore, the Office of the Consumer Advocate continues to investigate matters related to the cost of health insurance, including the practice of hospital discount rate contracts and other methods to foster competition among health insurance companies to facilitate a reduction in costs for consumers.

The Office of the Consumer Advocate attended many State conferences and State festivals as a means of interacting with and disseminating information to West Virginia insurance consumers. State festivals attended in 2014 include the West Virginia Strawberry Festival, The State Fair, the West Virginia Forest Festival, the WV Hunting Show, the West Virginia Pumpkin Festival and the Black Walnut Festival.

Further, the Office of the Consumer Advocate participated in several telephonic conferences with numerous state insurance consumer advocates from across the nation in an effort to network and gather information that can be used to provide better representation to West Virginia insurance consumers. In addition, the Office of the Consumer Advocate, along with other members of the West Virginia Offices of the Insurance Commissioner (WVOIC), participated in numerous telephonic conferences with other states and federal officials regarding the Affordable Health Care Act.

The Office of the Consumer Advocate kept abreast of any legislation that would affect West Virginia Consumers. Representatives from the Office of the Consumer Advocate reviewed legislation and attended legislative hearings in both the House of Representatives and the Senate.

The Office of the Consumer Advocate also kept abreast of any cases before the West Virginia Supreme Court of Appeals regarding insurance law issues. The Office of Consumer Advocate read any pertinent opinions and attended oral arguments at the Supreme Court chambers when insurance related cases were on the Court's docket.

Finally, the Office of the Consumer Advocate maintained progress toward the ongoing long term goal of consumer outreach and education. Said goal will be achieved by direct and media outreach to consumers and by setting up information booths across the state at fairs and festivals such as: The West Virginia State Fair, the Friends of Coal Auto Fair in Beckley, the Forest Festival, the Arts and Crafts Fair, the WV Strawberry Festival, The WV Hunting Show and the WV Pumpkin Festival.

Representing Consumers in First and Third Party Administrative Hearings

In 2014, the Office of the Consumer Advocate provided formal representation to insurance consumers in 63 consumer complaints before the West Virginia Insurance Commission. 38 of these complaints were third party complaints and the remaining 25 were first party complaints. First party complaints are complaints filed by a consumer against their own insurer, while third party complaints are complaints filed by a consumer against another person's insurer. In addition to formal representation, it should be noted that the Office of the Consumer Advocate also assisted and advised hundreds of West Virginia consumers throughout the year via email inquiries, telephonic inquiries, office visits, or other means. This assistance has directly benefited those consumers and in many cases has resolved the consumers' insurance issues or queries without requiring the filing of an actual consumer complaint with the WVOIC.

Whenever a case is received by the Office of the Consumer Advocate, it is evaluated carefully. A number of different things can occur at this time including, but not limited to; the consumer can opt to not request representation; a consumer can request representation, but after careful review of the case the Office of the Consumer Advocate can decline to represent; the consumer can request representation and the Office of the Consumer Advocate can accept; or the Office of the Consumer Advocate can assist the consumer in finding and obtaining private counsel because the damages in the matter merit a civil lawsuit.

Third Party Complaints

A total of \$42,429.24 was awarded directly to West Virginia consumers in the form of settlements in 14 of the 38 third party complaints that the Office of the Consumer Advocate worked on in 2014.¹

In 2 consumer complaint cases, the Office of the Consumer Advocate either declined to represent after conducting a full investigation of the case and finding no Unfair Trade Practices Violations and/or the consumer withdrew their claim after the Office of the Consumer Advocate conducted a full investigation and could find no violations of the Unfair Trade Practices Act.

In 2 consumer complaint cases, the Legal Division in the WVOIC failed to find merit in the claim and declined to set a hearing.

In 2 consumer complaint cases, the matter went to a full evidentiary hearing and the hearing examiner denied the consumer complaint and dismissed the case after a full hearing.

In 1 consumer complaint case, the consumer did not prevail at the hearing on the merits and has appealed the matter to circuit court.

In 10 consumer complaint cases, the consumer opted to obtain private counsel for representation.

In 5 consumer complaint cases, the consumers failed, for whatever reason, to request representation after they were contacted by the Office of the Consumer Advocate.

In 2 consumer complaint cases, the matters are still pending and are either awaiting hearing or are awaiting final order or appealed to Circuit Court.

First Party Complaints

A total of \$213,853.20 was awarded directly to West Virginia consumers in the form of settlements in 9 of the 25 first party complaints that the Office of the Consumer Advocate worked on in 2014.²

In 3 consumer complaint cases, the Office of the Consumer Advocate either declined to represent after conducting a full investigation of the case and finding no Unfair Trade Practices Violations and/or the consumer withdrew their claim after the Office of the Consumer Advocate conducted a full investigation and could find no violations of the Unfair Trade Practices Act.

In 4 consumer complaint cases, the Legal Division in the WVOIC failed to find merit in the claim and declined to set a hearing.

In 1 consumer complaint case, the matter went to a full evidentiary hearing and the hearing examiner denied the consumer complaint and dismissed the case after a full hearing.

In 3 consumer complaint cases, the consumer opted to obtain private counsel for representation.

¹ Some settlements were made in conjunction with private counsel and were confidential. The grand total of all settlements is reflected. That being said, specific settlement amounts in some of the cases are not listed due to the confidentiality requirements.

² Some settlements were made in conjunction with private counsel and were confidential. The grand total of all settlements is reflected. That being said, specific settlement amounts in some of the cases are not listed due to the confidentiality requirements.

In 3 consumer complaint cases, the consumers failed, for whatever reason, to request representation after they were contacted by the Office of the Consumer Advocate.

In 2 consumer complaint cases, the matters are still pending and are either awaiting hearing or are awaiting final order or appealed to Circuit Court. One of those consumer complaint cases is currently under investigation by the OIC Legal Division.

THIRD PARTY COMPLAINTS
HANDLED BY THE OFFICE OF THE CONSUMER ADVOCATE IN 2014

RESPONDENT	THIRD PARTY COMPLAINTANT	RESOLUTION
GEICO General Insurance Company	Andrew Smith	Pending in Circuit Court

Certificate of Need Review

The Office of the Consumer Advocate participated in the review of Certificate of Need (CON) applications before the Health Care Authority. All health care providers must obtain a CON from the West Virginia Health Care Authority to develop, add, or acquire new health care facilities and equipment. The Office of the Consumer Advocate reviews all CON applications and may intervene for the interests of West Virginia residents in the Health Care Authority's CON review process. The Office of the Consumer Advocate carefully reviewed and considered the following 57 CON applications: (total capital expenditure \$565,721,324.94).

CERTIFICATE OF NEED - January 2014

Consumer Service Division

The Consumer Service Division is responsible for the review of facts surrounding complaints received against insurance companies, adjusters and agents. It is the division's aim to evaluate the facts of each complaint received to ensure compliance with the West Virginia Insurance Laws and contract in question. We try to facilitate a fair resolution to each complaint and a better understanding among the parties of their rights and responsibilities.

The division also educates the public regarding insurance topics through presentations at schools and civic organizations. The division staff identifies problem areas and trends by collecting information gathered from complaints. It performs research and surveys about areas that need special attention. The division is thus uniquely able to inform the Insurance Commissioner, lawmakers and other public policymakers about the impact decisions may have on insurance consumers.

Organization and Activities

The Consumer Service Division is comprised of nine Insurance Complaint Specialists, three Insurance Complaint Specialist Supervisors who serve as liaison personnel between the insurance industry and insured citizens, three Clerical Staff, and the Director.

We receive consumer inquiries by postal mail, webmail, email, telephone, an online complaint form, and walk-in visits from the public. A complaint file is set up for each written inquiry. A total of 2,008 written inquiries were received by the division in 2014. In addition, we received 132 walk-in clients and 21,695 telephone calls of which the clerical staff handled 7,771. On average, the division handles 99 consumer inquiries per day. In 2014, complaint files were concluded in an average of 37 days.

The Consumer Service Division handled 366 third party liability complaints during 2014, 142 were not resolved during the cure period resulting in those files being referred to our Legal Division for a determination of merit.

Our division participated in the Insurance Commissioner's Public Outreach Initiative by attending fairs, festivals, presentations and other events reaching more than 300,000 consumers.

Employer Coverage Unit (Workers' Compensation)

The Employer Coverage Unit consists of a team of six. This unit works with WV employers to ensure that they are compliant with current workers' compensation laws as they relate to requirements for coverage.

The unit has three primary functions. The first function focuses on compliance. The unit verifies coverage for other agencies and governmental bodies. They also try to ensure that all employers required to carry workers' compensation comply with the law. This is done by extracting expired policy data provided by the National Council on Compensation Insurance, Inc. (NCCI) and comparing to other agency information to determine if coverage is needed. If an employer is found to be non-compliant, the unit sets up an uninsured employer account to assess the employer a fine. In 2014, the unit was responsible for setting up 1,010 of these accounts. These fines are related to WV Code 23-2C-8(d)(3) Workers' Compensation Uninsured Employers Fund.

The unit also has the task of ensuring carrier compliance within the Proof of Coverage (POC) reporting system. Carriers that fail to report timely as required by the POC guidelines are maintained and reported to Regulatory Compliance for further review.

The second primary function relates directly to the Uninsured Employers' Fund. The unit serves as the entry point of contact for the processing of workers' compensation claims filed by employees of WV employers who are uninsured. These claims are governed by Title 85 Series 8 - The Workers' Compensation Uninsured Employers' Fund. This fund was established in order to provide a safety net for workers who are injured while working for an illegally operating employer. Once a claim is accepted into the Fund, the employer is responsible for reimbursement to the fund for all monies paid on their behalf.

The third function is to review requests for exemptions from coverage from employers and make appropriate determination of exemption.

State law does not require that exempt employers file an exemption but many do because of local governments, individuals or contractors requiring proof that an employer has coverage, or meets the criteria for being exempt before they begin a job. In these cases, the Employer Coverage unit issues letters of opinion to employers to verify they are not required to carry workers' compensation insurance under current law. This function relates directly to Title 85, Series 8 - Workers' Compensation Policies, Coverage Issues and Related Topics.

In 2014, the Unit processed 2,443 exemption applications of which there were 2,042 exemptions granted. These exemptions were entered into the West Virginia Offices of the Insurance Commissioner's Proof of Coverage (POC) system in order to include these employers for automated compliance purposes. In addition to being the public's contact for coverage verification, the Unit is responsible for maintaining the POC system which is widely used for statutory coverage verification.

The unit works hand in hand with the Revenue Recovery Unit and Regulatory Compliance to recognize and fine employers that are not carrying the mandatory coverage.

Financial Accounting Unit

The Financial Accounting (FA) Unit is responsible for the preparation of the annual audited financial statements for the OIC which includes preparation of the trial balance, footnotes, required supplementary information, and other disclosures as required by Generally Accepted Accounting Principles (GAAP.) The FA Unit works closely with consulting actuaries to assist with the annual reserve study of the OIC's claims liabilities. Work performed includes the preparation and coordination of data and the preliminary review and analysis of actuarial indications. The FA Unit coordinates the information for the independent auditors and provides all supporting documentation for the financial statement.

The FA Unit performs all daily cash management and investing activities of the Offices of the Insurance Commissioner (OIC), and serves as the liaison with the Treasurer's Office, the Auditor's Office, the WV Investment Management Board, and the Board of Treasury Investments. The FA Unit monitors investment performance and performs monthly investment analysis for all invested assets held by the OIC.

Daily operations of the FA Unit include accounts payable processing through the state's accounting system. The FA Unit coordinates with the OIC's contracted Third Party Administrators and claims services to disburse the claims payments to beneficiaries of the insurance programs administered by the OIC, including the Workers' Compensation related funds and AccessWV, which is a high risk health insurance plan. AccessWV ceased to provide insurance coverage on March 31, 2014. The FA Unit is also responsible for handling and processing all agency cash receipts processing for all units of the OIC through the state accounting system and for depositing all non-lockbox checks with the Treasurer's Office.

The FA Unit prepares and submits the OIC annual budget and budget narrative, as well as the appropriation and expenditure schedules as required by the State of WV for all OIC funds. The FA Unit prepares and monitors budgets for fourteen separate OIC funds. An analysis of budget to actual expenditures is also prepared and analyzed.

The FA unit prepares and distributes monthly financial reports to Executive Management. The OIC funds reported on a monthly basis consist of the Old fund, the State Entities Workers' Compensation fund, the Coal Workers' Pneumoconiosis fund, the Self-Insured Guaranty fund, the Self-Insured Security fund, the Uninsured fund, the Operating fund, the AccessWV fund, the Consolidated Federal funds, and the Closed Estate fund. These reports are used for internal analysis and for use at the legislative interim meetings.

The FA unit is responsible for the management and administration of federal funds for the agency including preparation of required reports and the drawing down of funds on the federal payment management system.

The FA unit calculates the claims liabilities of all self-insured employers of the State of WV in order to provide the OIC's Self-Insurance unit with a reasonable estimate of the magnitude of workers' compensation risk exposure.

The FA unit calculates workers' compensation maximum medical reimbursement rates and evaluates workers' compensation managed health care plans. In accordance with WV code, the workers' compensation maximum allowable medical reimbursements are set by the OIC. These reimbursement rates determine the maximum a carrier/payor can pay a provider for covered goods and/or services on behalf of an injured worker outside of a managed health care plan. The FA unit also reviews and approves bi-annually all workers' compensation managed health care plans operating in WV.

Accomplishments for 2014

- Received a ninth consecutive “clean” opinion on the OIC’s financial statements.
- Performed year end work on an interim basis when possible to do so and greatly reduced the amount of time necessary for the completion of the annual financial statement preparation.
- Prepared and distributed monthly financial reports for all OIC funds on a timely basis.
- Prepared the annual budget and all related documents on a timely basis.
- Recommended to the Commissioner two (2) managed health care plans for renewal.
- Currently fifteen (15) workers’ compensation managed health care plans are approved to operate in WV.
- Achieved all formal staff training goals and objectives.
- Implementation of the budget utilizing WVOASIS, the new state accounting system which replaces WVFIMS. The full implementation of WVOASIS occurs in fiscal year 2015.

Financial Conditions Division

The primary responsibility of the Financial Conditions Division (“Division”) is to monitor the financial stability and solvency of insurance companies admitted to do business in West Virginia. This includes but not limited to traditional Life & Health and Property & Casualty companies as well as health care corporations such as Blue Cross/Blue Shield Plans and Health Maintenance Organizations. The Division is also responsible for registering, licensing and/or monitoring Risk Retention Groups, Risk Purchasing Groups, Managing General Agents, Third Party Administrators, Reinsurance Intermediaries, Viatical Settlement Providers, Discount Medical Plans, Professional Employer Organizations, Charitable Gift Annuities and Surplus Lines insurers planning to do business in the State of West Virginia. The Division has the responsibility to financially monitor employers who chose to self-insure their workers compensation risks in West Virginia.

Prior to being admitted, companies must file an application with the West Virginia Offices of the Insurance Commissioner. These applications, either foreign or domestic, are reviewed by the Division to ensure that the appropriate statutes have been satisfied in regard to the companies’ general corporate organization and financial strength. Recommendations are then made to the Commissioner as to the admissibility of these applicant companies.

Companies admitted by the West Virginia Insurance Offices of the Commissioner are then monitored by the Division to ensure that they maintain their financial stability and solvency requirements necessary for the protection of West Virginia policyholders. Monitoring of the insurance industry is effectuated through complex analysis and/or financial examinations performed by financial analysts and certified financial examiners.

This Division is responsible for ensuring that insurance companies and brokers operating in this State report and pay the appropriate taxes levied by West Virginia statutes. This process involves the reconciliation of companies’ quarterly reports and payments to their year-end tax returns. This function also includes the tracking and collection of taxes generated by the excess lines market. Excess lines or surplus lines refer to business placed with companies that are not admitted in West Virginia. This occurs when certain lines of insurance are not readily available with companies licensed in West Virginia. Coverage is written with these surplus lines insurers by a licensed insurance broker that has obtained an excess lines broker’s license from the Agents Licensing and Education Division. The surplus lines licensee must provide reports to the tax audit section of the Division on individual policies written and remit the appropriate tax payment as detailed by the West Virginia Code.

The tabular information contained in this Report is a condensed statement of the annual reports filed by insurers doing business in West Virginia and an indication of their financial condition as compiled by the Financial Conditions Division.

Self-Insurance (Workers' Compensation)

The Workers' Compensation Self-Insurance Unit is responsible for regulating the 83 employers that currently self-insure their workers' compensation coverage in West Virginia and the approximately 100 employers who no longer self-insure but continue to administer claims incurred during their period of self-insurance. No companies were approved for self-insured status in calendar year 2014.

Self-insured employers in West Virginia self-administer their claims. Ordinarily, the employer hires a third party administrator (TPA) to manage and process claims although a small number of employers truly self-administer through an internal claim management department or a subsidiary company. Self-administration provides the self-insured employer with a greater degree of control over the claim management process than participation in guaranty cost or deductible programs.

Regulation of the self-insured employers focuses primarily on two areas: maintenance of the risk pools and annual financial condition reviews.

West Virginia Code St. R. §85-19-1 et seq. establishes two risk pools in which the self-insured employers participate: the Security Risk Pool that covers claims with dates of injury, last exposure or death prior to July 1, 2004 (the date self-administration began) and the Guaranty Risk Pool that covers claims with dates of injury, last exposure or death on or after July 1, 2004. Active and inactive self-insured employers participate in the pools dependent upon each employer's exposure base since self-insured employers are joint and severely liable for defaults of other self-insured employers. The purpose of the risk pools is to provide the means to pay claims for defaulted self-insured employers without placing the burden on the taxpayers of West Virginia.

Annual financial condition reviews require the employer to submit three years of audited financial statements which are then analyzed to determine if the employer's financial condition has declined over the past year. West Virginia Code St. R. §85-18-1 et seq. identifies the benchmarks against which the financial statements are measured and defines deteriorating financial condition. Employers who do not pass the annual review and are deemed to be in a deteriorating financial condition are required to provide additional security to cover the claims that would be paid out of the Guaranty Risk Pool in the case of a default.

Fraud Unit (Office of Inspector General)

The Fraud Unit was created under legislation passed by the WV Legislature during its 2004 regular session. The Fraud Unit is responsible for facilitating a cooperative approach in the detection, investigation, and prosecution of insurance fraud, as well as making the public aware of insurance fraud and providing a way to report instances of suspected insurance fraud. Further, the Fraud Unit is tasked with investigating persons suspected of engaging in insurance fraud and referring cases with merit to the appropriate authorities for criminal prosecution.

The Fraud Unit currently consists of twenty-five (25) allocated investigative positions and seventeen (17) allocated support and administrative positions. Field Investigators now occupy field offices in the following cities:

- Beckley
- Charleston
- Fairmont
- Huntington
- Logan
- Martinsburg
- Parkersburg
- Wheeling

The geographic locations of these field offices allow investigators to respond quickly to reports of alleged insurance fraud. It also allows investigators to foster relationships with local law enforcement and prosecutors that the Fraud Unit relies on and works with to bring about successful prosecutions. Three (3) WV State Troopers are currently assigned to work full time with the Fraud Unit.

There are three ways in which the public and the insurance industry can report suspected insurance fraud to the Fraud Unit; by calling toll free @ 1-800-779-6853; online reporting through www.wvinsurance.gov; and by correspondence at P.O. Box 2901, Charleston, WV, 25301-2901. The Fraud Unit's case management and reporting application has been recognized as one of the premier systems in the nation for its ability to manage cases, detect trends in fraud, and create investigative reports suitable for immediate presentation to prosecutors for review. It has also been designed to receive referrals directly from the online reporting function and is integrated with the National Association of Insurance Commissioners (NAIC) online reporting tool.

The Fraud Unit has been proactive in its approach to educate the public on what constitutes insurance fraud as well as the costs associated with insurance fraud. A brochure explaining the types of fraud, what the penalties are and what happens when someone reports suspected fraud was developed and is given out at fairs and festivals across the state as well as distributed to each WV State Police Detachment. Additionally, representatives from the Unit appeared at various functions, events, and meetings statewide taking the message to the general public that insurance fraud is not a victimless crime, but one that victimizes everyone in the form of higher costs for goods and services.

Several presentations have been given by unit personnel to a wide range of groups and organizations on what is being done to combat insurance fraud in the state and what they can do to assist in those efforts. Statistics for activities conducted by the Fraud Unit during calendar year 2014 are depicted in the following chart:

OIC Fraud Unit Referral Totals

In addition to the 856 referrals, investigators identified an additional 146 criminal violations during the investigation of the initial referrals. Successful investigations resulting in prosecutions were conducted in numerous counties throughout the state. Prosecutions involved such activity as workers compensation fraud; conventional insurance claimant fraud; staged motor vehicle crashes; fraudulent “slip, trip, and fall” claims against businesses; insurance fraud by means of arson; and embezzlement of policy holder premium funds by insurance industry personnel. Such successful prosecutions were the result of working in cooperation with local and state law enforcement agencies and locally elected prosecutors as well as the two (2) U.S. Attorney Offices. As a result of thorough investigations and well prepared reports, along with efficient case management of referrals, successful prosecutions were realized. The following chart depicts statistical data relevant to investigations, prosecutions and convictions in calendar year 2014:

Health Policy Division

Formation of the Health Policy Division of the West Virginia Offices of the Insurance Commissioner is West Virginia's effort to support aspects of the Health Insurance (Exchange) Marketplace¹ in response to the Patient Protection and Affordable Care Act (PPACA) which was signed to law March 23, 2010.

Beginning with a September 2009 submission of a State Health Access Program (SHAP) grant application for a Health Insurance Marketplace plan in West Virginia, this grant was to be a major component of the state's health reform plans. Awarded by Health Resources and Services Administration (HRSA), the SHAP grant gave the state its initial ability to utilize otherwise unavailable resources for research and concept development.

With the HRSA/SHAP grant as leverage, the state pursued additional funds through the State Planning and Establishment grant (PEG) awarded by the Department of Health and Human Services (HHS) Office of Consumer Information and Insurance Oversight (OCIIO), referred to now as CCIIO². Offering additional support to states, Notices of Funding Availability (NOFA's) were then issued through HHS for funding to perform essential planning and development activities. On behalf of the state, the OIC was awarded Establishment Grant Level 1, these funds are available through 12/31/2015; and, Establishment Grant Level 1 –# 2 these funds were available through 7/8/2015.

Public participation through monthly meetings and conference calls with Stakeholder Groups at the Smith Street Office continues to add public transparency to the private insurance market. Currently, insurance carriers, health care providers, consumer advocates and insurance agents continue to participate in these key informational meetings. Their dedicated efforts remain focused on informing the community about what is developing in the Marketplace. This is achieved by educating groups about what OIC has accomplished through planning and consumer outreach; ongoing review of critical developmental areas where stakeholder input is needed; receiving stakeholder input and gathering public ideas on the marketplace; and, from the knowledge gathered in these meetings, develop, as needed, smaller 'community of interest' groups to further enhance Marketplace plans as guidance from HHS becomes actionable.

FFE Partnership Exchange

In February 2013, WV announced it would become a Partnership state, meaning that the State has chosen to take on the functionalities of Consumer Assistance (through education and outreach) and Plan Management related to the Marketplace.

As a Partnership State, West Virginia consumers will experience 'The Marketplace' as an online portal at www.Healthcare.gov to compare information on available health plan options, enroll in health plans, and receive subsidies, if financially eligible.

¹ U.S. Department of Health and Human Services (HHS) changes the reference from Exchanges to Marketplace, to enrich consumer understanding and appeal of purchasing Health Insurance. Marketplace is used interchangeably with Exchange as a descriptor since January 2013.

² Office of Consumer Information and Insurance Oversight (OCIIO) now resides as Center for Consumer Information and Insurance Oversight (CCIIO) and merged into the overall Centers for Medicare and Medicaid Services (CMS).

Consumer Assistance

The Consumer Assistance function required the state to develop an In-Person Assistance (IPA) program to help individuals with the enrollment process. The IPA/Entity/Navigator is an impartial and free service to consumers. Primarily functioning as community based outreach and education, the substantial focus on consumer assistance is to ensure a smooth and seamless Marketplace experience.

Though the State Purchasing Process a vendor was selected to develop, manage and maintain these service requirements throughout the state through the close of the first open enrollment March 31, 2014. A regional model was utilized to effectively manage and monitor IPA staff in 7 supervisory areas. Each region had 6-9

IPA's managed by 1 supervisor all of which were vetted, hired and trained by the vendor with OIC support in training. The vendor utilized leased office space in 53 of the 55 county WV Department of Health and Human Resource buildings.

The vendor's contract also included the management of entities. Entities were selected through an extensive review process and organizations that met the necessary criteria submitted an application for consideration. Five organizations were selected to receive grant funds to perform in-person assister functions, plus education and outreach activities at schools, libraries, social service agencies, health clinics/hospitals and community centers: WV Bureau of Senior Services State Health Insurance Assistance Program (SHIP), Community Care of WV, Partners in Health Network, WV Primary Care Association and Valley Health.

At the end of the first year enrollment experience, October 7, 2013 through March 31, 2014, the vendor and entity network accommodated over 16,000 personal interactions, which included: Marketplace account creation, eligibility and enrollment processing, inRoads application, managing complaints, initiating education and referral to additional services.

Additional support provided directly to West Virginia through CMS/HHS included Navigators. Through a review and application process at the federal level, various organizations competed for consideration as a State based Navigator. Those selected for the 2014 enrollment process were: TSG Consultants, WVU HAPI Program and Advanced Patient Advocates.

After open enrollment the IPA's were busy helping consumers understand their new coverage, helping consumers enroll because of life events that allowed for Special Enrollment Periods (SEP) and setting up accounts for the next open enrollment.

Through the Stakeholder meetings, a very successful IPA/Entity/Navigator 'communities of interest group' was formed to create a consistent Marketplace message, share information and coordinate scheduling of activities to maximize time and resources to help meet the consumers' needs.

Licensed health insurance agents and brokers may enroll individuals, small employers and employees in coverage through the Marketplace. Federal and state training and certification requirements apply to agents and brokers who enroll or assist consumers in the Marketplace. Agents and brokers are the only assister group that is compensated by an issuer. Agent and broker training will continue to be a priority as IPA/Entity programs closeout after the second open enrollment in 2015.

Plan Management

When the federal Affordable Care Act was passed in 2010, the National Association of Insurance Commissioners (NAIC) membership and the health industry further collaborated to ensure that the System for Electronic Rate and Form Filing (SERFF) would continue to be the primary filing mechanism for health product filings, including new rate review and Qualified Health Plan (QHP) submissions.

As stated in the Affordable Care Act (ACA) Section 1321(c) (1) (B), beginning January 1, 2014, states must provide consumers who do not have employer-provided insurance the ability to purchase insurance through a marketplace. Significant changes were made to SERFF to facilitate an efficient filing and review process for a health insurance marketplace binder filing(s). The system was effectively used for rate review of Qualified Health Plan submissions for the initial plan year.

West Virginia is a rate review state. The OIC uses the tools available under state law to enforce the provisions of the ACA and the Marketplace.

West Virginia Code §§33-6-8, 33-15-1b & 33-16B-1, is the primary authority for WV to review and recommend Qualified Health Plans (QHPs) for certification is included in the requirement that all insurance policy forms and rates for individual and small group health plans be filed with and approved by the WV Insurance Commissioner prior to such plans being marketed to WV consumers.

WV Code 33-6-9(e) requires the Insurance Commissioner to disapprove a form “if the coverages provided therein are not sufficiently broad to be in the public interest.”

The OIC has established a certification “checklist” or set of standards against which the QHP application will be evaluated, and the review of the QHP application will be performed by the Rates and Forms Division, who will reach out to other Divisions within the OIC, e.g. Market Conduct, Consumer Services, and Financial Conditions, as necessary. SERFF will be the primary IT system used to manage all steps in these business processes, including communications (via the “Correspondence” tools) between the OIC and issuers during initial evaluation of and revisions to the plan.

Once the plans are reviewed and approved at the OIC level the plan information is sent to CMS/HHS via transmission from the SERFF binder through the Health Insurance Oversight System (HIOS). CMS/HHS then certifies that the plan meets the criteria as a QHP finalizing in the Marketplace structure of www.healthcare.gov.

For the first and second Marketplace enrollment, WV had only one issuer – Highmark West Virginia – with 11 individual health benefit plans plus four Small Business Health Options Plan (Individual and SHOP actuarial value of Bronze, Silver, and Gold) available in the Marketplace. Individual Marketplace Stand Alone Dental Plans - SADP (actuarial value of High, Low) had 2 carriers, Delta and Dentegra plus an additional SHOP only carrier, Guardian.

Maintaining the Integrity of the Marketplace

The Rates and Forms Division will serve as the central coordinator for review and certification of QHPs and will be responsible for verifying that plans meet all of the certification requirements using a “QHP Certification Checklist”. Consistent with existing practices, the Division will review and approve or disapprove QHP rate filings to determine the consistency with statutory requirements that they not be excessive, unjust, or unfairly discriminatory. They will also review and approve or disapprove the QHP policies and related forms consistent with State and Federal statute and regulations and will assure QHP issuers comply with other Exchange-specific requirements. Third-Party Actuarial Services will be used to assist in the analysis of rates and rate change requests.

The Financial Conditions Division is responsible for the licensing, financial monitoring, and financial examination of insurance companies admitted to do business in West Virginia. The Financial Conditions Division is also responsible for the administration of state insurance tax laws. Related to QHP certification, they will assure issuers are licensed, solvent, and in good standing and perform reviews of network adequacy.

The Consumer Services Division (CSD) provides assistance to West Virginia citizens who have questions or problems involving insurance; it is the consumer assistance and investigative arm of the OIC. The CSD will provide information on complaints to Rates and Forms as part of QHP review and certification.

Market Conduct proactively protects West Virginia consumers by identifying non-compliant business practices of regulated entities through examinations and data analysis. The Division will perform analyses of issuers submitting QHP applications to review and identify compliance, complaint, or other regulatory issues.

The Legal Division will provide legal support to other OIC Divisions on an as needed basis.

The Fraud Unit is statutorily empowered to “initiate inquiries and conduct investigations” into any suspected criminal violations of the code related to the business of insurance and to cooperate with other law enforcement and regulatory agencies in the investigation and prosecution of suspected fraud and other criminal violations related to the business of insurance.

The Health Policy Division (HP) is a resource to assist other OIC Divisions in communications with the Federal government, interpretation of Federal statute and regulations, QHP review and certification decisions throughout the process. HP has set up links on the OIC website in response to the ACA (P. L. 111-148) and the Health Care and Education Reconciliation Act (P.L. 111-152), the U.S. Dept. of HHS released Interim Final Regulations, 45C.F.R. 147.136, defining the requirements for internal claims, internal appeals and external review process of health plan issuers. Issuers must be prepared to implement the requirement of Series 95, Series 96 and Series 97 with the respect to health plans issued on or after January 1, 2015. West Virginia addressed this aspect of the regulation with the enactment of WV Code 33-16H-1 *et seq.* and the subsequent promulgation of WV Code 114-97 (Series 97) which mirrors the “Uniform Health Carrier External Review Model Act” adopted by NAIC. In a letter sent by U.S. Center for Consumer Information and Insurance Oversight (CCIIO), WV meets the Series 97 parallel process standards of NAIC for the external review process that insurers doing business in WV must follow. Further information can be found at <http://www.wvinsurance.gov/HealthcareClaimAppealInformation.aspx>.

Legal Division

The Legal Division of the West Virginia Offices of the Insurance Commissioner (OIC) performs many functions including providing legal counsel to the Insurance Commissioner and all associated divisions thereof, as well as carrying out many day to day legal responsibilities entrusted to the Insurance Commissioner by the West Virginia Legislature. Responsibilities of the LEGAL DIVISION include:

LEGAL SUPPORT FOR ASSOCIATED DIVISIONS - The Legal Division provides general legal support for all other divisions of the Insurance Commissioner, including all insurance and workers' compensation related regulatory functions. This involves attending meetings with the directors and staff of other divisions, consulting on legal issues relating to activities of other divisions, and assisting with legal interpretations of statutes, case law, etc. as appropriate.

LEGISLATION AND RULES - The Legal Division consults, researches and drafts proposed legislation and legislative rules that are submitted for Legislative approval. Some bills and rules are based on models promulgated by the National Association of Insurance Commissioners ("NAIC") and others are custom drafted. Further, the Legal Division drafts exempt legislative workers' compensation rules that are submitted to the Industrial Council for review and approval.

During the legislative session, Legal Division attorneys attend committee meetings to respond to questions relating to the proposed bills and legislative rules. During the rule-making process, a Legal Division attorneys receive and respond to public comments and staff ensures that all steps in the process are correctly performed.

INFORMATIONAL LETTERS - When the Insurance Commissioner needs to provide information to the public and to regulated entities, an informational letter is drafted by the Legal Division.

Informational letters are issued for many reasons, among them the provision of guidance for compliance with laws or rules, or the introduction of clarity to an area that may be subject to differing legal interpretations.

Other means of dissemination of policy and legal guidance from the Insurance Commissioner may also be drafted in the Legal Division.

ADMINISTRATIVE HEARINGS - The Legal Division is responsible for reviewing and ascertaining need for administrative hearings in First and Third Party Unfair Trade Practice issues or other issues as required by the West Virginia Code. The process is described respectively in WV Code of State R. §114-13-1, *et seq.* (First & Third Party) & §114-76-1, *et seq.* (Third Party supplemental rule).

The Legal Division schedules hearings, engages court reporters and hearing examiners, and provides the venue for hearings relating to consumer complaints that were not resolved in the Insurance Commissioner's Consumer Service Division. The Legal Division also investigates complaints relating to alleged violations of unfair claims settlement practices provisions of the Unfair Trade Practices Act or other alleged violations of the West Virginia Code, and determines whether merit exists to proceed with hearing on the complaint. In addition, the Legal Division attorneys provide general legal support to the Consumer Service Division.

INVESTIGATIONS - The Legal Division investigates complaints dealing with all aspects of insurance compliance contained in Chapters 33 and 23 of the West Virginia Code.

The Legal Division receives referrals from various sources including the public, the insurance industry, and other divisions within the Insurance Commission, relating to possible misconduct by insurance industry representatives, insurance producers, and unauthorized insurers. These allegations are investigated to determine if West Virginia insurance laws or rules have been violated, and if so, the investigation will result in administrative action against the target of the investigation.

ADMINISTRATIVE ACTIONS - At the conclusion of an investigation in which it has been determined that there has been a violation of insurance laws, or when the Insurance Commissioner is informed that an insurer is in hazardous financial condition, the Legal Division files an administrative complaint against insurance companies seeking penalties and/or suspension or revocation of the Certificate of Authority, as appropriate. Administrative complaints may also be filed before the Insurance Commissioner to penalize an unauthorized insurer, or injunctive relief may be sought in Circuit Court to end the illegal operations of these entities.

Administrative action may also be taken against an insurance producer when violations of statutes or rules have been committed.

LICENSURE ACTIONS - The Legal Division assists in license suspensions, revocations and/or fines regarding insurance producers and other licensees including but not limited to insurers that are found to be financially insolvent or found to be in such hazardous financial condition as to render the further transaction of insurance business hazardous to their policyholders or the people of West Virginia.

APPEALS AND LITIGATION - On some occasions, an order entered by the Insurance Commissioner in either a consumer complaint proceeding or other administrative proceeding is appealed. When this occurs, the Legal Division sends the record of the administrative proceeding to the Kanawha County Circuit Court. If the administrative proceeding was being pursued by the Insurance Commissioner, a Legal Division attorney may appear to defend the actions taken before the Insurance Commissioner. Otherwise, support will be given to outside counsel.

MARKET CONDUCT - The Legal Division houses the Market Conduct Unit that performs market wide research and analysis as well as examines insurance entities regulated by the West Virginia Offices of the Insurance Commissioner.

The market conduct examiners are charged with auditing insurers on a regular basis as well as reacting to developments in the market place with targeted examinations relating to one or more distinct issues. These examinations ensure that insurers are complying with all applicable laws and rules relating to rates, forms, agent appointments and other agent issues, claims handling, policy cancellations and nonrenewals, discrimination, and many others.

MARKET ANALYSIS - The Legal Division's market conduct examiners and other Insurance Commission staff also engage in Market Analysis. This consists generally of gathering large volumes of data from insurers that reveals how the insurer is behaving in our market place, and from that data determining which companies may need further analysis or review. West Virginia cooperates with other states in this process so that any compliance issues are addressed on a country-wide basis.

FRAUD PROSECUTION - The Legal Division has attorneys who directly represent the OIC in regards to prosecution of fraudulent insurance activity or who provide support in an advisory role with other state and federal prosecutors on similar criminal issues.

When called upon to assist as special assistant prosecutors, these attorneys will perform various functions depending upon the level of assistance requested by the local county prosecuting attorney.

REVENUE RECOVERY - The Legal Division houses Revenue Recovery which endeavors to seek compliance with employers who have been in default with the West Virginia Code by either failing to obtain workers' compensation coverage or allowing their coverage to terminate. Revenue Recovery in conjunction with in-house collection and enforcement attorneys may obtain fines, collect monies owed and enjoin companies in non-compliance.

WORKERS' COMPENSATION PRIVATIZATION - The Legal Division has attorneys who support the "Old Fund" as created by privatization legislation in 2005 as well as open market issues. Assistance includes working with claimants and their counsel, defense counsel, third party administrators in all tribunals and courts including West Virginia Circuit Courts, the Office of Judges, the Board of Review and the West Virginia Supreme Court of Appeals. Further, OIC Legal directly consults with the actions of the Attorney General Defense Unit concerning Old Fund claims.

CONSUMER, INDUSTRY and OTHER STAKEHOLDER INQUIRIES - While the Legal Division can generally not give personal legal advice concerning any matter to outside parties, it does endeavor to point inquiries into the appropriate direction where possible or provide analysis for the market as a whole or opines on issues of broad importance.

FREEDOM OF INFORMATION ACT (FOIA) REQUESTS - All FOIA requests are directed to and processed by the Legal Division. Legal Division staff gathers all public records that are responsive to the request and provides it to the person making the request, pursuant to and in compliance with the Act.

Some of the major activities of the Legal Division are discussed in more depth below.

Legislation

The following is a brief synopsis of the significant legislation enacted during the 2014 regular session of the West Virginia Legislature. This information is not to be construed as inclusive of all legislation which may affect the insurance industry or insurance consumer, nor should it be construed as a comprehensive explanation of the bills addressed. Rather, the information provided is intended to highlight the bills significantly affecting the insurance community at large.

Bills

Senate Bill 88 - Relating to Farmers' Mutual Insurance Companies (Effective June 6, 2014) This bill made the statutory lien requirement on insurance proceeds for total loss to real property in favor of a municipality for the cleanup of the property applicable to farmers' mutual fire insurance companies. However, the legislation limits the lien amount imposed against proceeds payable under policies issued by farmers' mutual fire insurance companies to ten percent of the policy limits for loss to the real property, including any coverage for debris removal.

Senate Bill 167 - Authorizing Department of Revenue Promulgate Legislative Rules (Effective June 6, 2014)

This bill authorizes the Insurance Commissioner to promulgate three new legislative rules. W. Va. Code of St. R. §114-95-1, *et seq.*, Utilization Review and Benefit Determination; W. Va. Code of St. R. §114-96-1, *et seq.*, Health Plan Issuer Internal Grievance Procedure; and W. Va. Code of St. R. §114-97-1, *et seq.*, External Review of Issuers' Adverse Health Insurance Determinations.

Senate Bill 427 - Relating to Automobile Insurance Verification (Effective June 6, 2014) This bill updates insurance verification procedures and penalties to reflect the electronic insurance verification program authorized previously by the Legislature. The bill removes the requirement that insurance companies must notify the Division of Motor Vehicles when a policyholder's vehicle insurance has been canceled.

Senate Bill 621 - Relating to Flood Insurance (Effective June 5, 2014)

As set forth in the legislative findings of this bill, the federal Biggert-Waters Flood Insurance Reform Act of 2012 revised the National Flood Insurance Program. The 2012 act resulted in a substantial increase of flood insurance premiums for certain flood insurance policyholders. The bill seeks to provide alternatives to coverage from the National Flood Insurance Program by promoting the availability of flood insurance from private market insurers at potentially lower premium rates. The bill establishes minimum coverage requirements while providing permissible coverage limitations. An insurer must file a plan of operation with the Insurance Commissioner prior to writing flood insurance. The bill also provides the Insurance Commissioner with rate-making and rule-making authority. It should also be noted that on March 21, 2014, President Obama signed the Homeowner Flood Insurance Affordability Act of 2014 into law. This law repealed and modified certain provisions of the Biggert-Waters Flood Insurance Reform Act.

House Bill 4204 - Relating to Property Insurance Cancellation (Effective June 6, 2014)

This bill prohibits the nonrenewal or cancellation of a property insurance coverage policy as a result of certain claims arising from natural causes under certain circumstances. More specifically, the bill mandates that no property insurance policy in force for at least four years may be denied renewal or canceled solely as a result of:

(1) A single first party property damage claim within the previous thirty-six months and that arose from wind, hail, lightning, wildfire, snow or ice, unless the insurer has evidence that the insured unreasonably failed to maintain the property and that failure to maintain the property contributed to the loss; or

(2) Two first party property damage claims within the previous twelve months, both of which arose from claims solely due to an event for which a state of emergency is declared for the county in which the insured property is located, unless the insurer has evidence that the insured unreasonably failed to maintain the property and that failure to maintain the property contributed to the loss.

House Bill 4359 - Relating to Managing General Agents of Insurers (Effective May 25, 2014)

This bill provides for the renewal of lapsed managing general agent licenses and sets specific application and renewal fees. The bill directs that a managing general agent license expires on June 30 following issuance, except that a license initially issued in May or June expires on June 30 of the following year.

House Bill 4432 - Adopting Principle Based Reserving for Life Insurance (Effective June 6, 2014)

This bill adopts Principle Based Reserving as the method by which life insurance company reserves are calculated. The National Association of Insurance Commissioners (NAIC) adopted a revised Standard Valuation Law in 2009 which introduced a new method for calculating life insurance policy reserves to more easily adapt requirements for the complexity of life insurance products. This new method is referred to as Principle Based Reserving or PBR. The amendments contained in this bill are based on two NAIC Model Laws. The bill provides for a phase-in of the new reserve calculation method upon adoption of PBR by a supermajority of states (42), representing seventy-five percent of applicable national premiums.

Legislative Rules

Title 114 Legislative Rules

The following Title 114 insurance related legislative rules (authorized for promulgation by Senate Bill 167) became effective in 2014:

114 CSR 95 - Utilization Review and Benefit Determination (Effective July 6, 2014)

This rule establishes standards for the operation of utilization review processes used by health insurers to make benefit coverage determinations. It also applies to any designee of the health carrier that performs utilization review functions on the carrier's behalf. The rule is based upon the National Association of Insurance Commissioners' "Utilization Review Model Act" (Model 73), as amended in 2012. (The Insurance Commissioner issued Informational Letter No. 190 concerning implementation of this rule.)

114 CSR 96 - Health Plan Issuer Internal Grievance Procedure (Effective July 6, 2014)

This rule provides standards for the establishment and maintenance of procedures by health carriers to assure that covered persons have the opportunity for the appropriate resolution of grievances. Except as otherwise specified, this rule applies to all health carriers offering a health benefit plan. The rule is based upon the National Association of Insurance Commissioners' "Health Carrier Grievance Procedure Act" (Model 72), as amended in 2012. (The Insurance Commissioner issued Informational Letter No. 190 concerning implementation of this rule.)

114 CSR 97 - External Review of Issuers' Adverse Health Insurance Determinations (Effective July 6, 2014)

This rule establishes a process for the review of health insurance issuers' adverse coverage decisions by independent review organizations (IROs) approved and assigned by the Insurance Commissioner. It sets forth how covered persons are to be notified of such determinations, how they may institute the external review process, how IROs conduct reviews and announce their decisions, and the effect and reviewability of IRO decisions. (The Insurance Commissioner issued Informational Letter No. 190 concerning implementation of this rule.)

Informational Letters

Four (4) Informational Letters were issued in 2014:

Informational Letter No. 188 - Summary of 2014 Legislation

Informational Letter No. 189 - Unfair Claims Settlement Practices Act, Notice of Necessary Delay Letter(s) and W. Va. Code of State Rules §114-14-1, *et seq.*

Informational Letter No.190 - W. Va. Code of St. R. 114-95 - Utilization Review & Benefit Determination; W. Va. Code of St. R. 114-96 - Health Plan Issuer Internal Grievance Procedure; W. Va. Code of St. R. 114-97 - External Review of Issuers' Adverse Health Insurance Determination

Informational Letter No. 191 - Hospital Indemnity or Other Fixed Indemnity Policies

Freedom of Information Requests and Responses

One hundred seventy-four (174) requests for information were received and responded to by the Legal Division in accordance with the Freedom of Information Act in 2014.

Emergency Orders

Two (2) emergency orders were issued by the Insurance Commissioner in 2014.

14-EO-01 - Emergency Order - An insurance emergency was declared by the Insurance Commissioner following storms beginning on May 14, 2014 containing high winds, rain and hail throughout the counties of Brooke, Hancock, Marshall and Ohio in the State of West Virginia which caused a significant amount of property damage.

14-EO-02 - Emergency Adjuster Order - An Insurance adjuster emergency was declared by the Insurance Commissioner following storms beginning on May 14, 2014 containing high winds, rain and hail throughout the counties of Brooke, Hancock, Marshall and Ohio in the State of West Virginia which caused a significant amount of property damage.

Litigation

The Insurance Commissioner was a party to or involved in the following civil actions in the year 2014:

State of WV ex rel. Offices of WV Insurance Commissioner v. Pro Industrial Welding Inc. Civil Action No. 14-C-94

State of WV ex rel. Offices of WV Insurance Commissioner v. Admirals Anchor Inc. No. 2. Civil Action No. 14-C-520

State of WV ex rel. Offices of WV Insurance Commissioner v. University Prime Properties LLC. Civil Action No. 14-C-642

Disciplinary Actions

Individual Insurance Producers-

During the year 2014, Thirteen Thousand One Hundred Dollars (\$13,100.00) in penalties were assessed as a result of disciplinary actions taken against individual insurance producers for violation of and in accordance with W. Va. Code §33-12-12(a)(1), Not being licensed as a resident and in good standing in his or her home state; §33-12-12(d), Failure to file a change of address and provide certification from the new resident state within thirty days of the change of legal residence; §33-12-12(e), Failure to notify the Insurance Commissioner when the insurance department of the nonresident insurance producer's resident state suspends, terminates, or revokes the producer's insurance license in that state, and returning the West Virginia nonresident license; §33-12-24(b)(1), Providing incorrect, misleading, incomplete or materially untrue information in the license application; §33-12-24(b)(2), Violating any insurance laws, or violating any regulation, subpoena or order of the Insurance Commissioner or of another state's Insurance Commissioner; §33-12-24(b)(3), Obtaining or attempting to obtain a license through misrepresentation or fraud; §33-12-24(b)(4), Improperly withholding, misappropriating or converting any moneys or properties received in the course of doing insurance business; §33-12-24(b)(5), Intentionally misrepresenting the terms of an actual or proposed insurance contract or application for insurance; §33-12-24(b)(6), Having been convicted of or pleaded nolo contendere to any felony; §33-12-24(b)(7), Having been convicted of or pleaded nolo contendere to a misdemeanor in connection with his or her activities as an agent, solicitor, or excess line broker; §33-12-24(b)(8), Having admitted or been found to have committed any insurance unfair trade practice or fraud; §33-12-24(b)(9), Using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness or financial irresponsibility in the conduct of business in this state or elsewhere; §33-12-24(b)(10), Having an insurance producer license, solicitor license, excess line broker license or its equivalent, denied, suspended or revoked in any other state, province, district or territory; §33-12-24(b)(11), Forging another's name to an application for insurance or to any document related to an insurance transaction or fraudulently procured a forged signature to an insurance application or any other document, knowing the signature to be forged; §33-12-34(a), Failure to report to the insurance commissioner any administrative action taken against the producer in another jurisdiction or by another governmental agency in this state within thirty days of the final disposition of the matter; and §33-12-34(b), Failure to report to the Insurance Commissioner any criminal prosecution of the producer taken in any jurisdiction within thirty days of the initial pretrial hearing date.

The licenses of twenty-three (23) individual insurance producers were revoked in 2014 for violation of W. Va. Code §33-12-12(a)(1), Not being licensed as a resident and in good standing in his or her home state; §33-12-12(d), Failure to file a change of address and provide certification from the new resident state within thirty days of the change of legal residence; §33-12-12(e), Failure to notify the Insurance Commissioner when the insurance department of the nonresident insurance producer's resident state suspends, terminates, or revokes the producer's insurance license in that state, and returning the West Virginia nonresident license; §33-12-24(b)(1), Providing incorrect, misleading, incomplete or materially untrue information in the license application; §33-12-24(b)(2), Violating any insurance laws, or violating any regulation, subpoena or order of the Insurance Commissioner or of another state's Insurance Commissioner; §33-12-24(b)(3), Obtaining or attempting to obtain a license through misrepresentation or fraud; §33-12-24(b)(4), Improperly withholding, misappropriating or converting any moneys or properties received in the course of doing insurance business; §33-12-24(b)(5), Intentionally misrepresenting the terms of an actual or proposed insurance contract or application for insurance; §33-12-24(b)(6), Having been convicted of or pleaded nolo contendere to any felony; §33-12-24(b)(7), Having been convicted of or pleaded nolo contendere to a misdemeanor in connection with his or her activities as an agent, solicitor, or excess line broker; §33-12-24(b)(8), Having admitted or been found to have committed any insurance unfair trade practice or fraud; §33-12-24(b)(9), Using fraudulent, coercive, or dishonest practices, or

demonstrating incompetence, untrustworthiness or financial irresponsibility in the conduct of business in this state or elsewhere; §33-12-24(b)(10), Having an insurance producer license, solicitor license, excess line broker license or its equivalent, denied, suspended or revoked in any other state, province, district or territory; §33-12-24(b)(11), Forging another's name to an application for insurance or to any document related to an insurance transaction or fraudulently procured a forged signature to an insurance application or any other document, knowing the signature to be forged; §33-12-34(a), Failure to report to the insurance commissioner any administrative action taken against the producer in another jurisdiction or by another governmental agency in this state within thirty days of the final disposition of the matter; and §33-12-34(b), Failure to report to the Insurance Commissioner any criminal prosecution of the producer taken in any jurisdiction within thirty days of the initial pretrial hearing date.

Insurers-

During the year 2014, Thirteen Thousand Five Hundred Dollars (\$13,500.00) in penalties were assessed as a result of disciplinary actions taken against insurers for violation of W. Va. Code of State Rules §85-1-10.1, Failure to rule on claims based upon injuries and occupational diseases other than occupational pneumoconiosis that are properly executed and filed on prescribed forms with the responsible party within fifteen (15) working days from the receipt of all required information by the responsible party; W. Va. Code of State Rules §85-1-10.5.a, Failure to act on a permanent disability evaluation report received from a physician to whom the responsible party referred a claimant in a claim for injuries and occupational diseases other than occupational pneumoconiosis within thirty (30) working days of receipt by the responsible party of the report; W. Va. Code of State Rules §85-1-10.5.b, Failure to make a referral of a claimant to a physician for examination and evaluation in response to a request by or on behalf of the claimant for consideration of a permanent disability award in a claim for injuries and occupational diseases other than occupational pneumoconiosis within thirty (30) working days from the date the request was received by the responsible party; W. Va. Code of State Rules §85-1-10.7, Failure to comply with all orders of the Office of Judges and the Board of Review and all mandates of the West Virginia Supreme Court of Appeals within thirty (30) days after the date of receipt, unless the responsible party is required to act sooner under the terms of the order or mandate or the order or mandate is subject to a lawfully ordered stay; and for failure to timely act in accordance with W. Va. Code §23-4-7(a); 23-4-8(a) and 23-5-1(b)(1).

During the year 2014, Six Thousand Five Hundred Dollars (\$6,500.00) in penalties were assessed as a result of Self-Insured Compliance Audits conducted in accordance with W. Va. Code §§33-2-9; 23-2-9; 23-2C-22; 33-2-21 and W. Va. Code of State Rules §85-18-1, *et seq*; and Fifty-Two Thousand Dollars (\$52,000.00) in penalties were assessed as a result of violations discovered during market conduct examinations conducted in accordance with W. Va. Code §33-2-9.

The certificates of authority of two (2) insurers were suspended in 2014 under the provisions of W. Va. Code §33-3-10(b), Insurer no longer meets the requirements for the license originally granted, because of deficiency of assets or otherwise; §33-3-11(a)(4), Found by the commissioner to be in a financial condition such as to render the further transaction of insurance business hazardous to its policyholders or the people of West Virginia; and §33-34-3a(a), Failure of either singly or in combination of two of more hazardous financial conditions.

The certificates of authority of four (4) insurers were revoked in 2014 for violation of W. Va. Code §33-3-10(b); Insurer no longer meets the requirements for the license originally granted, because of deficiency of assets or otherwise; §33-3-11(a)(4), Found by the commissioner to be in an unsound condition or in such condition as to render its further transaction of insurance in West Virginia hazardous to its policyholders or the people of West Virginia; §33-3-11(a)(8), Failure to pay when due to the State of West Virginia any taxes, fees, charges or penalties required by Chapter 33 of the WV Code; and §33-34-3a(a), Failure of either singly or in combination of two of more hazardous financial conditions.

Appeals Opened

A total of one (1) appeal cases were opened by the Regulatory Compliance Unit of the Legal Division in 2014. Below is a breakdown of the different type of appeals with the number opened for 2014.

APPEALS	NUMBER OF APPEALS
Third Party	<u>1</u>
Total	1

Self-Insured Employers

The Legal Division is in charge of overseeing and monitoring employers who have been approved in accordance with W. Va. Code §23-2-9 to self-insure their workers' compensation risk.

Bankruptcies - The bankruptcies of four (4) self-insured employers were monitored by the Legal Division in 2014.

Workers' Compensation Subrogation

Workers' Compensation Subrogation Liens -- With respect to workers who suffered compensable injuries prior to July 1, 2005, resulting from the negligence of third parties, W. Va. Code §23-2A-1 creates subrogation liens in favor of the Insurance Commissioner against any amounts recovered by these workers from such third parties to the extent of medical benefits paid by the Old Fund. The statute required that workers or their attorneys inform the OIC when such third-party actions result in recoveries. In 2014, the OIC opened thirty-seven (37) such subrogation cases, closed twenty-eight (28) cases and collected One Hundred One Thousand Five Hundred Fifty-Two Dollars and Sixty-Nine Cents (\$101,552.69) from settlements or awards.

Permanent Total Disability Review Board

The Permanent Total Disability Review Board ("PTDRB") reviews claims of injured workers to determine whether the worker has met the threshold for permanent and total disability. Once the PTDRB determines a claimant has met the appropriate statutory thresholds for a permanent total disability ("PTD") award, the Board will evaluate the case to determine whether the injured worker has rehabilitation potential to return to the workforce or if the worker should receive a PTD award. The Board is staffed with three medical physicians, and two vocational rehabilitation experts.

The PTDRB meets on a monthly basis. For calendar year 2014, the PTDRB recommended granting Nineteen (19) PTD awards, and denying fourteen (14) PTD requests. The PTDRB tabled Four (4) applications for PTD awards for further consideration of additional evidence/information. Four (4) PTD claims were remanded to the PTDRB from judicial entities (the Workers' Compensation Office of Judges, the Workers' Compensation Board of Review or the Supreme Court of Appeals of West Virginia) for consideration. One (1) PTD request was settled by the parties (thus, removing the issue from the PTDRB).

Market Conduct

Four (4) “Agreed Orders Adopting Reports of Market Conduct Examination, Directing Corrective Action and Assessing Penalties” were entered by the Insurance Commissioner in 2014 as a result of market conduct examinations conducted in accordance with W. Va. Code §33-2-9. Penalties totaling \$52,000.00 were assessed as a result of violations discovered during these market conduct examinations and \$17,222.00 in restitution to West Virginia policyholders. In addition to the aforementioned examinations the Market Conduct Unit also oversaw one (1) informal regulatory intervention that resulted in \$94,937.90.

West Virginia also participated in eight (8) multi-state collaborative actions which resulted in \$141,588.70 in penalties and other assessments.

The unit conducted fifty-eight (58) level one and twenty-seven (27) level two analyses on licensed companies concerning compliance with the West Virginia Code and the West Virginia Code of State Rules.

The OIC received a total of four hundred forty-eight (448) market conduct annual statements per National Association of Insurance Commissioners’ (“NAIC”) guidelines, further broken down by the following lines of business: Private Passenger Auto, 82 filings; Homeowners, 71 filings; Life, 192 filings and Annuity, 103 filings.

The Market Conduct Unit completed seventeen (17) comprehensive compliance audits on employers which are self-insured for workers’ compensation resulting in penalties totaling \$6,500.00.

The following professional designations were earned by Market Conduct Personnel in 2014:

- One (1) Certified Insurance examiner (CIE)
- One (1) Accredited Insurance Examiner (AIE)
- One (1) Certified Workers’ Compensation Professional (CWCP)
- Two (2) Advanced Market Conduct Management (AMCM)

Revenue Recovery Division

Revenue Recovery is responsible for the collection of all monies due to the Old Fund, collection of fines imposed on employers when the workers' compensation coverage has been cancelled and collection from the employer monies due to the Uninsured Employer's Fund for workers' compensation claim the state may pay on behalf of an uninsured employer. The unit contacts employers who have defaulted on their workers' compensation premium payments, and takes action against employers who do not pay. Those actions include placement of employers on the Employer Violator System (EVS) and the Defaulted Employer Database, and the filing of liens against companies, owners and officers. The Division will seek injunctions to close the business of an employer who fails to pay for workers' compensation insurance, as well as make determinations on whether an employer was out of business or did not have employees when the workers' compensation coverage was cancelled. They work in conjunction with other state agencies to request license revocation of any state issued license of certificates that the non-paying employer may have. This Division works closely with the Insurance Commission's Regulatory Compliance Division and with the Employer Coverage Division to verify employers who are operating without workers' compensation insurance coverage.

Cash Receipts

This includes collections from the Workers' Compensation Old Fund and the Uninsured Employers' Fund.

January	\$71,461.84
February	\$54,117.76
March	\$73,044.08
April	\$92,557.58
May	\$56,295.42
June	\$165,530.10
July	\$81,868.20
August	\$68,301.12
September	\$59,525.26
October	\$68,951.69
November	\$67,180.03
December	\$63,081.24
2014 Total	\$921,914.32

Default Notifications and Employer Contact

The Division sends letters of notification to all employers that are reported as being in default by not maintaining statutorily mandatory workers' compensation insurance. In 2014, there were more than 2,200 letter notices sent to employers that were reported as uninsured. There were 15,257 contacts both by telephone and in-person between Revenue Recovery and the uninsured employer. For calendar year 2014, four (4) Rule 11 hearings were scheduled.

Employer Violator System (EVS)

The Division reviews all employers reported to not have mandatory workers' compensation insurance and places the employer and the officers of the business on the listing. This electronic report allows other state agencies to search for and identify an employer that may apply for other state licensure or permits. If the employer is on EVS, other agencies may not grant licensure or permits until the default is cured and the business is appropriately insured. In 2014, there were 34,212 accounts listed on EVS.

Liens, Injunctions, and Regulatory Compliance

The Division prepared and mailed 1,113 liens to the county clerk of West Virginia Counties in 2014. The liens were placed on the business as well as the officers or the members of the business as listed on the West Virginia Secretary of State website. During the same timeframe, 368 lien releases were prepared and mailed to the county clerk offices. The liens would be placed due to the employer not working with the Division to cure the default and the lien releases were performed at the time the default was cured.

OIC/ATTORNEY GENERAL CLAIM DEFENSE UNIT LITIGATION

As defined in W. Va. Code §23-2C-2(m) - "Old Fund liabilities" mean all claims payment obligations (indemnity and medical expenses), related liabilities and appropriate administrative expenses necessary for the administration of all claims, actual and incurred but not reported, for any claim with a date of injury or last exposure on or before the thirtieth day of June, two thousand five: *Provided*, That Old Fund liabilities include all claims payments for any claim, regardless of date of injury or last exposure, through the thirty-first day of December, two thousand five: *Provided, however*, That Old Fund liabilities include all claims with dates of injuries or last exposure prior to the first day of July, two thousand four, for bankrupt self-insured employers that had defaulted on their claims obligations which have been recognized by the commission in its actuarially determined liability number as of the thirtieth day of June, two thousand five.

As stated in W. Va. CSR §85-19-4.1 - The Commissioner shall maintain the Self-insured Employer Security Pool established pursuant to W. Va. Code §§23-2-9(e) and 23-2C-2(q) to make payments for bankrupt and default self-insured employers for claims with dates of injury prior to July 1, 2004.

As stated in W. Va. CSR §85-19-4.2 - The Commissioner shall maintain the Self-insured Employer Guaranty Pool established pursuant to W. Va. Code §§23-2-9(e) and 23-2C-2(p) to make payments for bankrupt and default self-insured employers for claims with dates of injury on or after July 1, 2004.

Office of Judges (West Virginia Workers’ Compensation)

The primary responsibility of the Office of Judges is to process initial appeals, commonly referred to as “protests” from workers’ compensation claim management decisions made by insurers or their agents. Jurisdiction of the Office of Judges commenced on July 1, 1991. Early in the history of the office, the sole responsibility was to perform judicial review of actions of the Administrative Agency, the Workers’ Compensation Division. Since privatization of the workers’ compensation market in 2005, the Office of Judges reviews claim management decisions from private insurance carriers, self-insured employers, as well as claim management decisions from the third party administrators, which administer the legacy claims of the former Workers’ Compensation Commission. Our goal is to resolve these protests in a fair, efficient and timely manner.

The Office of Judges currently employs fifty-six employees, including twelve Administrative Law Judges. The operation is housed in two locations including Charleston and Beckley. Additionally, evidentiary hearings are conducted in seven venues across the State, including Charleston, Beckley, Fairmont, Parkersburg, Wheeling, Elkins and Charles Town.

The issues in litigation traditionally arise under Chapter 23 of the West Virginia Code, as well as Workers’ Compensation Rules found in Title 85 of the Code of State Regulations. The Office of Judges is governed by procedural rules found in 93 CSR 1, Litigation of Protests, and 93 CSR 2, Time Standard Rules. Pursuant to rule, the Office of Judges establishes a deadline for the filing of evidence by the parties. After all parties have been allowed an opportunity to submit evidence and argument to the Office of Judges, a written decision is issued by an Administrative Law Judge. Decisions from the Office of Judges may be appealed to the Workers’ Compensation Board of Review.

In addition to traditional workers’ compensation appeals, the Office of Judges also conducts hearings or review of other legal matter, including the following:

Failure to Timely Act or Rule on a Claim Request: W.Va. Code §23-4-1c(a)(3) provides a process by which claimants may seek review by the Office of Judges when a self-insured employer, or any private insurance carrier, fails to timely rule or act upon any request or motion in a workers' compensation claim.

Award of Attorney Fees for Unreasonable Denial of Benefits by the Insurance Carrier: W.Va. Code §23-2C-21(c) provides that the Office of Judges may order a self-insured employer, or any private insurance carrier, to pay reasonable attorney fees and expenses to claimants when the Office of Judges determines that the original denial of a claim or treatment request was unreasonable.

Award of Claimant's Attorney Fees and Expenses: W.Va. Code §23-5-16(c) provides that an attorney's fee for successful recovery of denied medical benefits may be charged or received by an attorney, and paid by the private carrier or self-insured employer for a claimant or dependent.

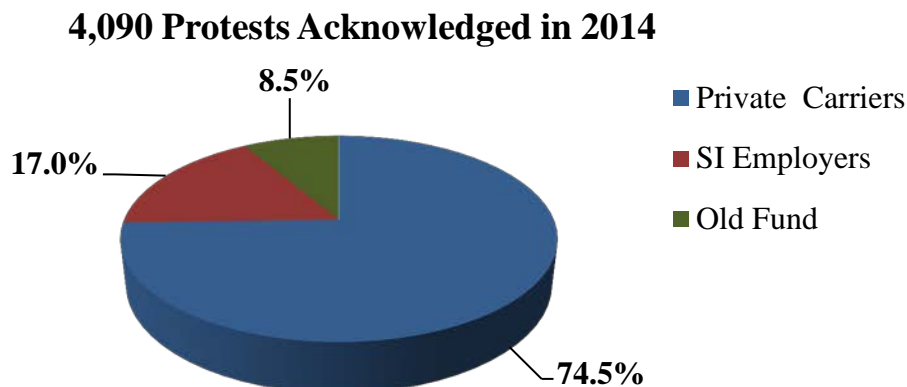

Unconscionable Settlement Review: In accordance with the provisions of W.Va. Code §23-5-7, the Insurance Commissioner may review any workers' compensation settlement entered into between an unrepresented claimant and their responsible insurance carrier and may declare any such settlement void if the Insurance Commissioner determines the settlement to be unconscionable pursuant to criteria set forth in 85 CSR 12. The Office of Judges has been designated as the entity to review requests for settlement review by the OIC.

Workers' Compensation Default List: An employer in default of payment of workers' compensation premiums may be liable to the Offices of the Insurance Commissioner ("OIC") for all medical and indemnity payments, administrative expenses, attorney fees and interest. The employer will remain on the default list until all payments are current and can be fined up to \$10,000.00. The Office of Judges has been designated as the entity to review final decisions by the OIC regarding placement of an employer on the Workers' Compensation Default List. Review by the Office of Judges must be conducted in accordance with the West Virginia Administrative Procedures Act.

WV Health Care Authority: Pursuant to Executive Order No. 3-99, the Office of Judges is designated as the entity to review final decisions of the West Virginia Health Care Authority with regard to their final written decisions on matters relative to certificates of need for new institutional health services and to rate setting of hospitals pursuant to W.Va. Code §16-2D-1, et. Seq. and §16-29B-1, et. seq. The review is conducted in accordance with the West Virginia Administrative Procedures Act.

Protests Acknowledged

In calendar year 2014, the Office of Judges acknowledged 4,090 protests. The breakdown of protests is as follows: 3,048 protests from private carrier market, 694 protests from the self-insured market and 348 protests arising from the Old Fund.

Time Standard Compliance

Pursuant to regulation, the Office of Judges is required to process protests in a timely manner in order that the parties to litigation may receive decisions without unreasonable delay. Additionally, on an annual basis, the Office of Judges is required to report on “the degree of compliance” with the time limitations set forth in the Rule. The following statistical analysis reflects the performance of the Office of Judges for calendar year 2014.

A. 93 CSR 2 §4 Motions

The Rule requires the Office of Judges to act upon a motion “within 45 days of the date of submission” of the motion or on the date of the final decision, whichever is earlier. Of the 9,344 written motions ruled upon in the 2014 calendar year, 98.5% were issued in compliance with the time standard.

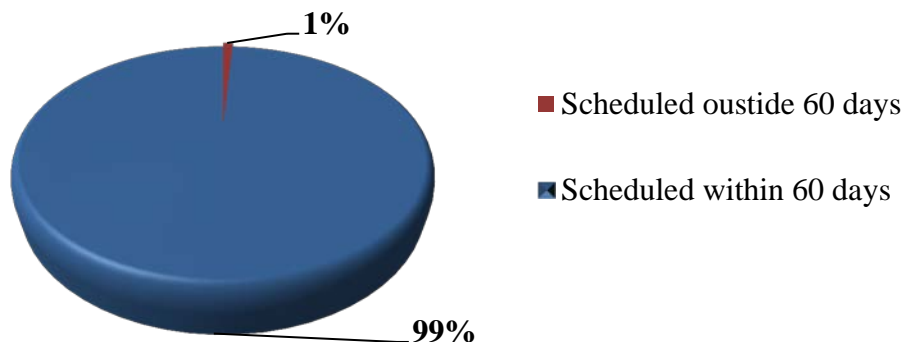

Motion Compliance - 93 CSR 2 §4

B. 93 CSR 2 §5 Hearings

The Rule requires the Office of Judges to schedule a hearing “within 60 days from the receipt of the request for hearing.” Of the 570* hearings scheduled from motions in calendar year 2014, 99% were scheduled in compliance with the time standard.

Hearings Compliance - 93 CSR 2 §5

**The Office of Judges scheduled a total of 882 hearings in calendar year 2014 including 263 OP Board and 5 final PTD which are automatically set at expiration of the parties' time frames. Additionally, 44 hearings were scheduled at the request of an Administrative Law Judge.*

C. 93 CSR 2 §6 Time Standards

The Rule requires the Office of Judges to issue a final decision within various time limits depending upon the issue involved (measuring time from the date of receipt of the protest to issuance of the decision). Pursuant to 93 CSR 2 §3.1, the percentage of final decisions that must be at or under the applicable time standards as provided in 93 SCR 2 §6 is 80%. The Office of Judges issued **94.1%** of its decisions within the time standard.

Rule requires 80% of decisions to be issued within time standard.

D. 93 CSR 2 §7 Issuance of Decisions

The Rule requires the Office of Judges to issue 60% of its decisions within 30 days of the Order to Submit; 80% of its decisions within 60 days of the Order to Submit; and 100% of its decisions within 90 days of the Order to Submit. Of the 2,855 decisions issued in the past calendar year, 25.4% were issued in less than 30 days, 88.1% were issued within 60 days and 97.9% were issued within 90 days of the Order to Submit.

Rates and Forms Division

The Rates and Forms Division reviews rate, rule, form and advertising filings (proposals) submitted by licensed insurance companies for use in West Virginia insurance markets. All personal lines, property and casualty product filings (such as auto, workers' compensation and homeowners insurance) as well as all accident and sickness products (such as health insurance and long term care) must receive proper approval from the division before using the newly proposed forms and rates in our State. Similarly, all commercial lines, property and casualty product filings (such as commercial auto or business owners policy) and all accident sickness group association filings are also reviewed by the division within 30 days of the receipt of a filing and may be disapproved by the division, although those products do not require approval prior to use in our marketplace.

Filings by Type and Year

	2014	2013	2012
Total Filings	6,548	6,271	5,969
% of P&C Filings	53%	55%	49%
% of L&H Filings	47%	45%	51%
Disapproved Filings	64	33	36
Withdrawn Filings	78	70	69

Although the majority of filings are approved we regularly require more information, data and time to complete a filing review. Several parties are involved in the rate review process. Contact is frequently made with the carriers requesting additional support and clarification that was not submitted with the initial filing. We also rely on evaluations by our consulting actuaries and opinions from our Legal Department before a final determination is made.

Workers’ Compensation Update

There are 262 carriers eligible to write workers’ compensation insurance in WV.

Of the 262 carriers, 214 are writing at least one policy in WV. That represents 82% of eligible carriers who are actively writing policies in West Virginia.

There have been 11 consecutive workers’ compensation loss cost decreases filed since the privatization in 2006. These decreases represent an overall premium savings of 63.7%.

6.6% of WV employers are in the residual market. (2,302 policies)

State Agency Workers' Compensation (SAWC) Program

As the state agency workers' compensation program (SAWC) enters the fifth policy year, the program continues to realize a positive trend with decreased frequency and severity of claims and losses. The program currently includes 108 agencies, boards and commissions with nearly 900 locations across our state. It is estimated that approximately 24,000 public employees are covered under this consolidated policy. As the plan administrator, the West Virginia Offices of the Insurance Commissioner (WVOIC) continually monitors and evaluates loss trends and exposures to determine if they are being properly addressed as well as make safety recommendations to mitigate workplace injuries. This report outlines specific portions of the program's administration including safety visits and recommendations, policy experience rating factors, claims trending and summaries, and future focus areas for specific agencies.

Safety Visit Summary

Safety visits and evaluations continue to play an important part in all aspects of the SAWC Program. During the first SAWC policy year (October 2011), all plan members were visited by a safety professional. After the initial visitations to all agencies and follow-up reports were evaluated, it was determined that future safety resources should be focused on agencies with a higher frequency and severity of losses. The table below outlines the number of visits performed by policy year by Zurich's safety team as well as the OIC Program Manager.

Policy Year	Number of Visits
2011	109
2012	102
2013	81
2014	90
Total	382

Safety and Return to Work Initiatives

Many of the SAWC Program members have welcomed the safety initiatives and have worked diligently in implementing suggestions for improvement from the safety professionals. These initiatives include:

- ✦ Establishing safety committees
- ✦ Using slip resistant shoes to reduce slips, trips and falls
- ✦ Implementing an exercise program (stretch and flex) prior to beginning strenuous job duties
- ✦ Establishing transitional work assignments that provide employees the opportunity to return to work on a limited basis (Return to Work Program)
- ✦ Using the healthcare manager's safety calendar to improve safety awareness
- ✦ Ergonomic assessments of employees performing repetitive functions
- ✦ Providing safety information related to using chain saws, log splitters, lawn mowers, and weed eaters
- ✦ Incident and accident investigation training
- ✦ Defensive drivers training
- ✦ Developing Emergency Action Plans
- ✦ Training on safe lifting techniques
- ✦ Fire prevention and fire safety training
- ✦ Using floor scrubbers with degreasers to reduce slips, trips and falls
- ✦ Repairing flooring to decrease the number of slips, trips and falls
- ✦ Workplace violence training
- ✦ Enhanced patient observation by using cameras to reduce workplace violence
- ✦ Industrial hygiene studies were completed to address noise and air quality
- ✦ Industrial hygiene survey was completed related to airborne contaminants
- ✦ Assessing exposures related to carbon monoxide and placing detectors in proper locations
- ✦ Safe driving video was produced and distributed to all SAWC members
- ✦ Training for using first-aid for minor injuries

Many state agencies have already implemented safety programs or are in the process of implementing safety committees, policies and procedures. Some notable safety initiatives that have been developed and implemented include:

- ✦ **Department of Health and Human Resources** – Safety Committee Development, Workplace Violence Prevention Training, Return to Work Program, and installation of video cameras in some locations.
- ✦ **Department of Veterans Assistance** – Workplace Violence Prevention Training and Return to Work Program
- ✦ **Department of Military Affairs** – Conjoined efforts between the Division of Corrections, the Division of Juvenile Services, and the Regional Jail and Correctional Facility Authority have established a Shared Services Multi-Agency Safety Committee, Workplace Violence Prevention Training, and Return to Work Programs have been implemented throughout each division.
- ✦ **Division of Highways** – Slip, Trip and Fall Training, Confined Space Training, Silica Training, and additional OSHA training.

The WVOIC has worked extensively with Zurich and SAWC Program members to develop Return to Work Programs. The Return to Work Programs have been finalized and implemented by several SAWC Program members. SAWC Program members have implemented functional return to work programs and continue to look for ways to improve the process for returning injured workers to the workplace. This is a critical area of success for the program and all agencies are encouraged to focus on implementing and maintaining an effective return to work program. The SAWC Program Manager is continuously monitoring the success of the program and is providing support to agencies that face challenges related to return to work program implementation.

SAWC Experience Rating Factor (Emod)

An experience rating factor (emod) is an industry standard calculation that compares a policy’s expected losses to actual losses for a three (3) year period. An emod can increase or decrease premium based on a policy’s loss experience. If an insured has actual losses that are greater than the expected losses, a debit emod is applied to the policy. If an insured has less actual losses than expected losses, a credit emod is applied. The chart below illustrates how an experience rating factor impacts final premium.

Premium Component	Agency A	Agency B
Payroll	\$1,000,000	\$1,000,000
Rate	\$3.50	\$3.50
Manual Premium	\$35,000	\$35,000
Experience Rating Factor	1.10	0.90
Modified Premium	\$38,500	\$31,500
Schedule Rating Credit	25%	25%
Standard Premium	\$28,875	\$23,625

Through the hard work of the state agencies and the WVOIC employees, the SAWC Program emod has decreased from 1.27 on the July 2011 policy to 1.13 for the July 2015 policy. This 17% reduction is a significant savings to SAWC plan members. The chart below shows the experience rating factor progression throughout the SAWC Program by policy year:

The aggregate policy emod is shown above, and then individual agency emods are calculated to allocate the premium by the risk and loss experience that each agency provides to the program. For the July 2015 policy, the individual agency emods summary is as follows:

Emod Range	Agency Count
Less than 1.00	24
Equal to 1.00	64
Greater than 1.00	20

The agencies with the lowest emods are Department of Education (0.55) and Department of Environmental Protection (0.64). The agencies with the highest emods are Department of Veterans Assistance (2.54) and Jackie Withrow Hospital (2.75).

SAWC Claims Summary

As of June 30, 2015 there have been 5,832 SAWC claims submitted to Zurich since October 2011. The charts below represent claims trending analysis by fiscal year:

The claim count does include incidents. Of the 5,832 claims reported to Zurich, 988 have resulted in being closed with no payments for a 16.9% incident rate. Incidents average 13 days from date of injury until they are reported to Zurich and then remain open for an average of 76 days before closure.

As indicated by the trending charts, the SAWC Program is realizing a decrease in frequency of claims as well as severity of claims costs. The average cost per claim decreased 36% from FY2012 through FY2015 at current values.

There are currently seven (7) claims in excess of the \$250,000 deductible per claim limit.

- ✦ **Department of Motor Vehicles** – Car accident while evaluating a driver’s permit test; Traumatic brain injury; Incurred is \$592,389.
- ✦ **Division of Highways** – Four (4) claims from the Division of Highways. They are:
 - Civil action due to long term benzene exposure; Incurred is \$845,988.
 - Backed over by vehicle on job site; Fatality; paid \$809,431, claim is settled and closed with \$0 reserves. The fatality resulted in 2 claims – a traumatic claim for the injury to the employee and a liability claim due to the circumstances in which the claim occurred.
 - Pinned by commercial water truck in construction zone; Fatality; Incurred is \$569,064
 - Knee injury; incurred is \$254,672.
- ✦ **Department of Natural Resources** – Mower slid into a lake and trapped employee under mower; Fatality; Incurred is ~ \$575,668. The fatality resulted in 2 claims – a traumatic claim for the injury to the employee and a liability claim due to the circumstances in which the claim occurred.
- ✦ **Department of Agriculture** – Motor vehicle accident – head on collision with a privately owned commercial vehicle; Incurred is currently ~\$613,478 with expectations of this increasing substantially due to the amount of specialized care needed and the fact that this injury occurred on June 23, 2015.

It is important for all SAWC claims to be reported in a timely manner to ensure claims are thoroughly investigated and all benefits are paid to injured employees. The WVOIC recommends all claims be reported to Zurich within 24 hours of the injury and should not exceed 5 business days. Below is the claims reporting lag for the SAWC Program since October 2011:

Reporting Range	Percentage Reported
0 - 5 days	63.2%
6 - 15 days	22.1%
16 days or more	14.7%

The SAWC Program has a complex workforce doing tasks that at times place employees in potential danger. Our employees are our greatest asset and their safety is very important. Safety policies and procedures have been developed for employees to follow to minimize these risks. Efforts have been made in all agencies to ensure that policies and procedures are in place and are being followed by all employees to prevent workplace injuries.

The SAWC Program Manager is striving to ensure all Program participants receive appropriate safety training and that work practices are being monitored to ensure safe working conditions for all SAWC Program members.

Major training campaigns will continue in 2015 for defensive driving training, Return to Work Implementation, workplace violence, as well as sprain and strain reduction.
