Dear Committee Members:

This letter is to inform you of the status of the Coalbed Methane Gas Severance Tax and Coal Reallocation Severance Tax revenues Kanawha County has received. As you are aware, WV State Code requires a written report, by December 1st, setting forth the projects for which these funds were expended. During the preceding fiscal year, July 1, 2013 to June 30, 2014, no funds have been spent using Coalbed Methane Gas Severance Tax revenue. However, \$150,000 of Coal Reallocation Severance Tax revenues, payable to the WV Department of Transportation, Division of Highways, were contributed to the building of the bridge near Coonskin Park.

If you should need additional information, please feel free to contact me at 304-357-0179.

Sincerely,

Kimberly Fleck
Director of Finance
