Follow-up Telehealth	Mark reviewed the Telehealth document and thinks it is straightforward. A discussion ensued regarding the inclusion of nutrition and dietetic technician, registered (NDTR) since they are not licensed and do not fall under the purview of this board.	The Board will consider appropriate language for the inclusion of the NDTR who may work with a dietitian to care for a patient/client via telehealth.
2021 PERD Report Status	The Performance Evaluation and Research Division (PERD) completed its audit of the WVBOLD. The Board provided responses and gave additional details where appropriate. PERD recommended termination of the BOLD. It will be important to have Board members present at the September legislative meeting to provide reasons not to terminate the licensing of dietitians.	PERD report questions were addressed. A meeting is planned for September (no date yet) to bring the results of the audit to legislators.
Office Messages/ Communication Log	No out-of-the-ordinary questions or complaints have been received via phone since the last meeting of the Board.

- II. Acceptance of Minutes: MOTION: Upon motion by Susan seconded by Mallory, the board minutes for August 30, 2021 were approved. Motion carried.
- III. Agenda:

Agenda Item	Discussion	Non-Conforming or Action
Follow-up Title Protection Complaint # 02-FY2021.	Dustin Holston spoke to the board about the services of his business Advanced Nutrition Solution. He verified that a registered and licensed dietitian has been hired by his company.	The business website will be checked to see what changes have been made. Complaint resolution pending
Follow-up Inquiry Complaint # 01-FY2021	A RDN from NC asked if she need to have a WV license to continue seeing a client of who attended a WV university. The dietitian was informed she would need a license if practicing via telehealth; however, the client moved back to NC so the license requirement is moot.	Student moved back home and is no longer being seen in WV Complaint closed.
Telehealth	It was suggested that licensing boards falling under Chapter 30 (30-1-26) create rules addressing the use of telehealth in their respective practices. WVBOLD has created a draft and would like to have members of WVAND review and provide any recommendations before the proposal is released for public comment. A	Amy will share the draft with the WVAND Board at its next meeting in December 2021.

	final draft will need to be ready to submit for legislative review before June 2022.	
Office Report	Alex continues to respond to questions received via email or phone. If she cannot answer a question, she will forward to Board members. Since the last board meeting, no complaints have been received.	
PERD Report	The Board has not had any additional communication regarding the PERD Report following the September 13 th legislative hearing. Several RDs have followed up with thank you notes and MU students have written notes to legislators and made social media posts about what a Registered Dietitian does. The Board will likely will not hear about this until it is brought up in the next legislative session.	Eat Right WV Day is January 17, 2022 and may present a good opportunity to speak with legislators about supporting licensure.
Budget	As of November 28, 2021, the FY balance was \$27,238.47. An email was received on November 5, 2021 advising the WVBOLD to pay \$7099.67 to the general fund due to excess cash on hand. Members discussed possible ways to use money to prevent this from happening again.	Peg will ask Mark if WVBOLD is able to sponsor a speaker for educational purposes.
Licensing Board Seminar	There was no meeting held this year but educational handouts were provided to those who signed up to receive them. Alex and Peg were recipients of the handouts.	
CE Audit	Twenty-nine licensees were audited this year and thus far, Susan has received 26 reports, all of which have been approved. Reports were due November 15. Susan will get in touch with the three licensees who did not return their reports to see if they received the original letter. They will be given a few additional weeks to send them to her.	A final report of the 2021 audit will be presented at the next Board meeting.
WVAND	Amy provided information on activities WVAND has planned for the coming months. They are as follows: WVAND Board Meeting – December 10 Video Club Study Group Licensure Seminar – January 6 Eat Right Day January 17 at the Capitol Nutrition and Dietetics Advocacy Summit January 26-27 PSE Webinar – March 9	Amy will present the Telehealth Rules draft to the WVAND Board for comments and revisions and will also discuss

	WVAND Educational Meeting April 21-22, Charleston Ethics Webinar – May 4	interest in co-sponsoring educational speakers.
Website Updates	<p>A suggestion was made in the PERD report to change the WVBOLD website from a .com to .gov address. Peg has made inquiries as to how to make this happen and will begin the step by step process.</p> <p>A new entry to the FAQ section of the website was suggested to provide information about what licensure means to RDNs and the public. Board members reviewed and made final edits to what will be added to the website.</p>	<p>Peg will begin the process of changing the web address from .com to .gov.</p> <p>“What licensure means to me.” Will be added to the FAQs on the WVBOLD website.</p>
Round table	The WVBOLD administrative assistant has not received a pay increase for 18 months. The Board discussed this issue and determined that money was available to provide a 10% increase. This will bring the wage up to \$14.30/hr. Motion to provide a 10% increase to the Administrative Assistant’s pay was made by Mary Kathryn and seconded by Susan. The motion carried.	A 10% increase was approved for the Administrative Assistant’s wage.
Next Meeting	March 28, 2022 3-5 pm.
