Public Initiated Complaints

Board Initiated Complaints

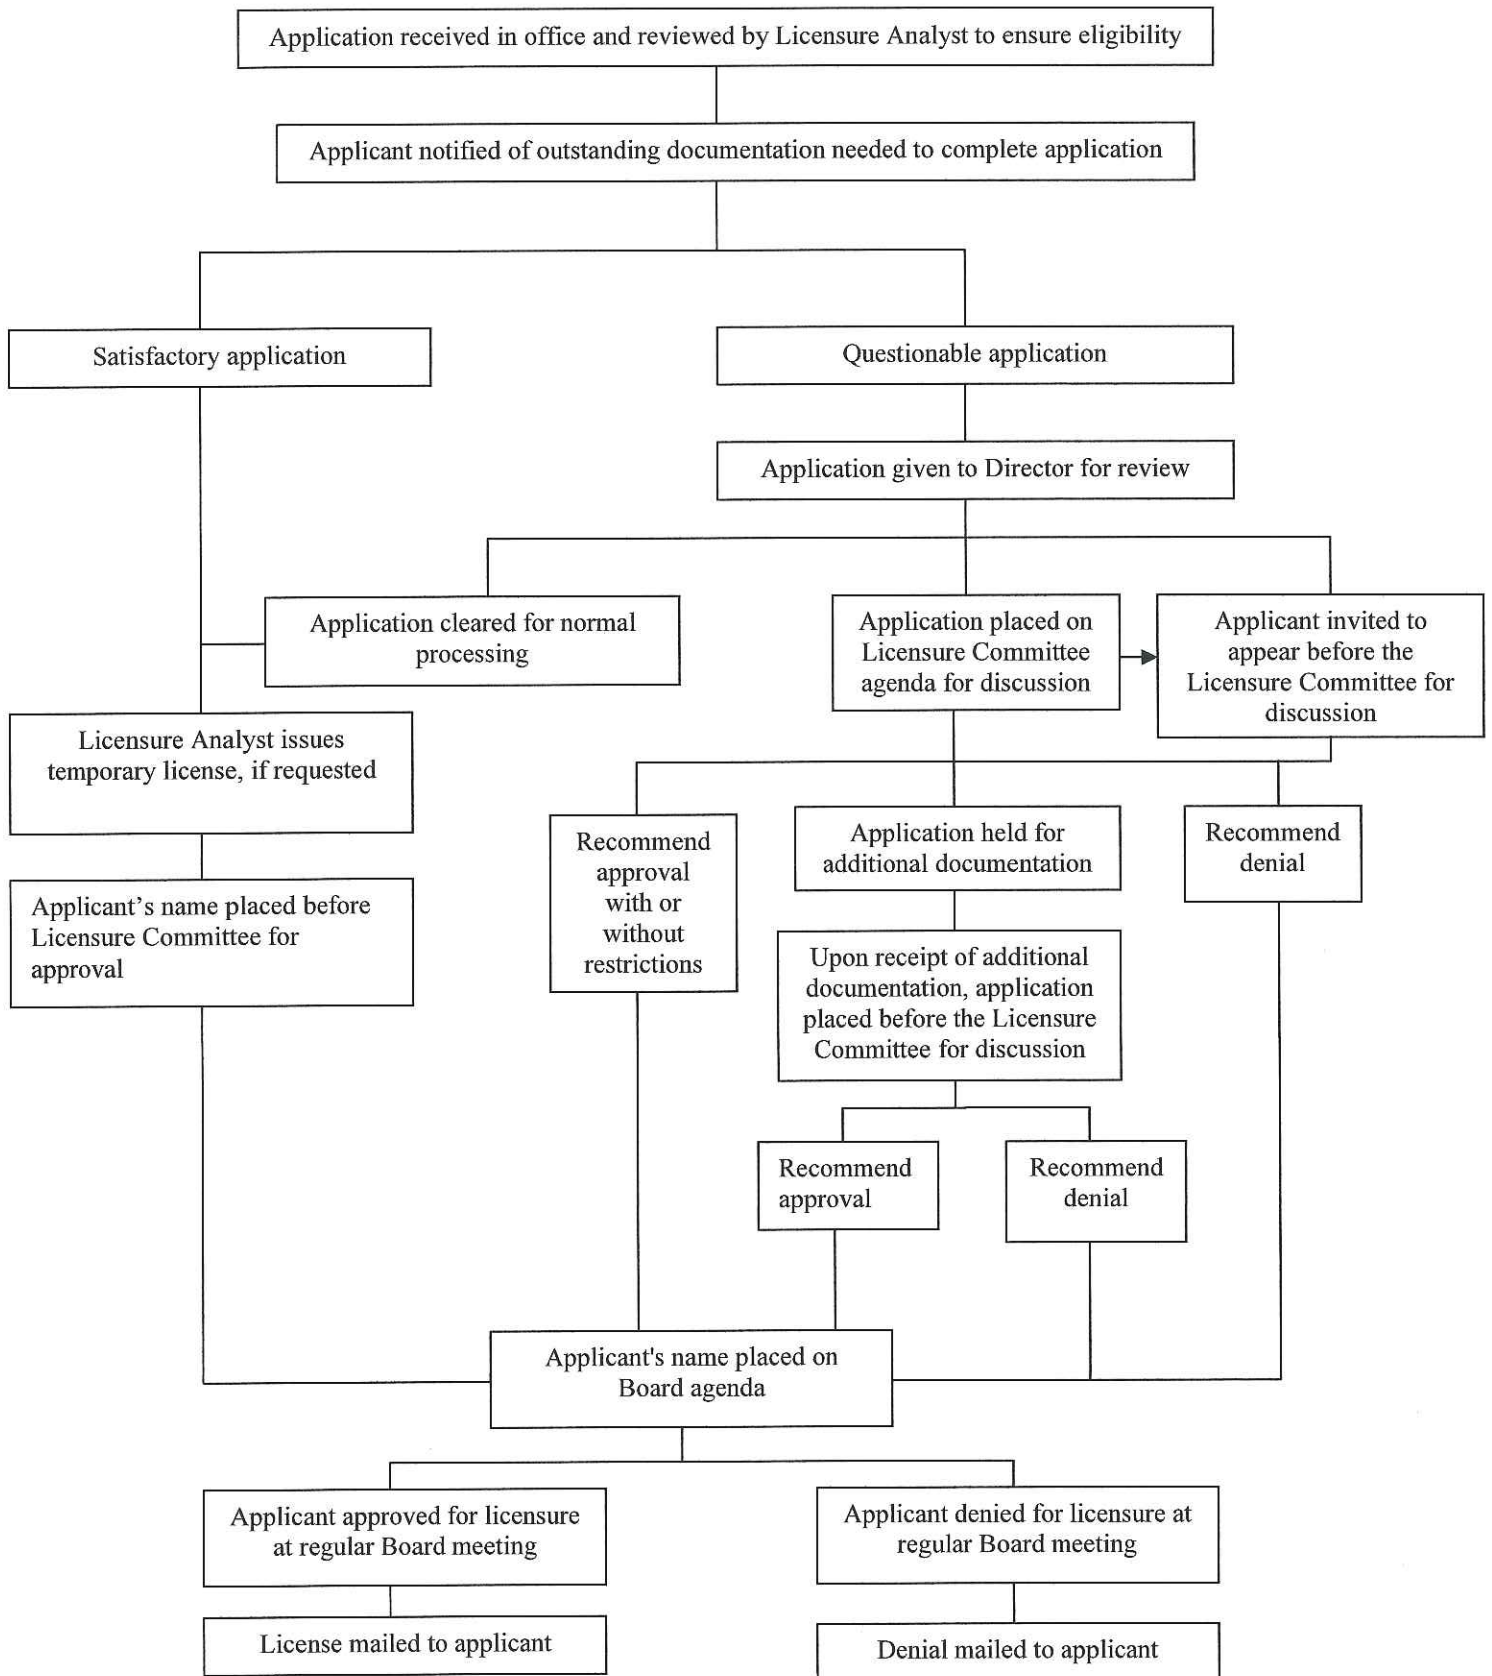

<ul style="list-style-type: none"> • Written Complaint is received by the Board • The Investigation and Complaint section reviews the complaint for jurisdiction • Complaint sent to licensee for response • Licensee's response sent to complainant for reply 	<ul style="list-style-type: none"> • The Board receives a report or information related to a potential disciplinary offense • Report and/or information placed before the Complaint Committee to determine if initiation of a Board Complaint is appropriate • If complaint initiated, it is sent to Licensee for a response
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Matter placed before Complaint Committee for evaluation, investigation if necessary, and/or resolution

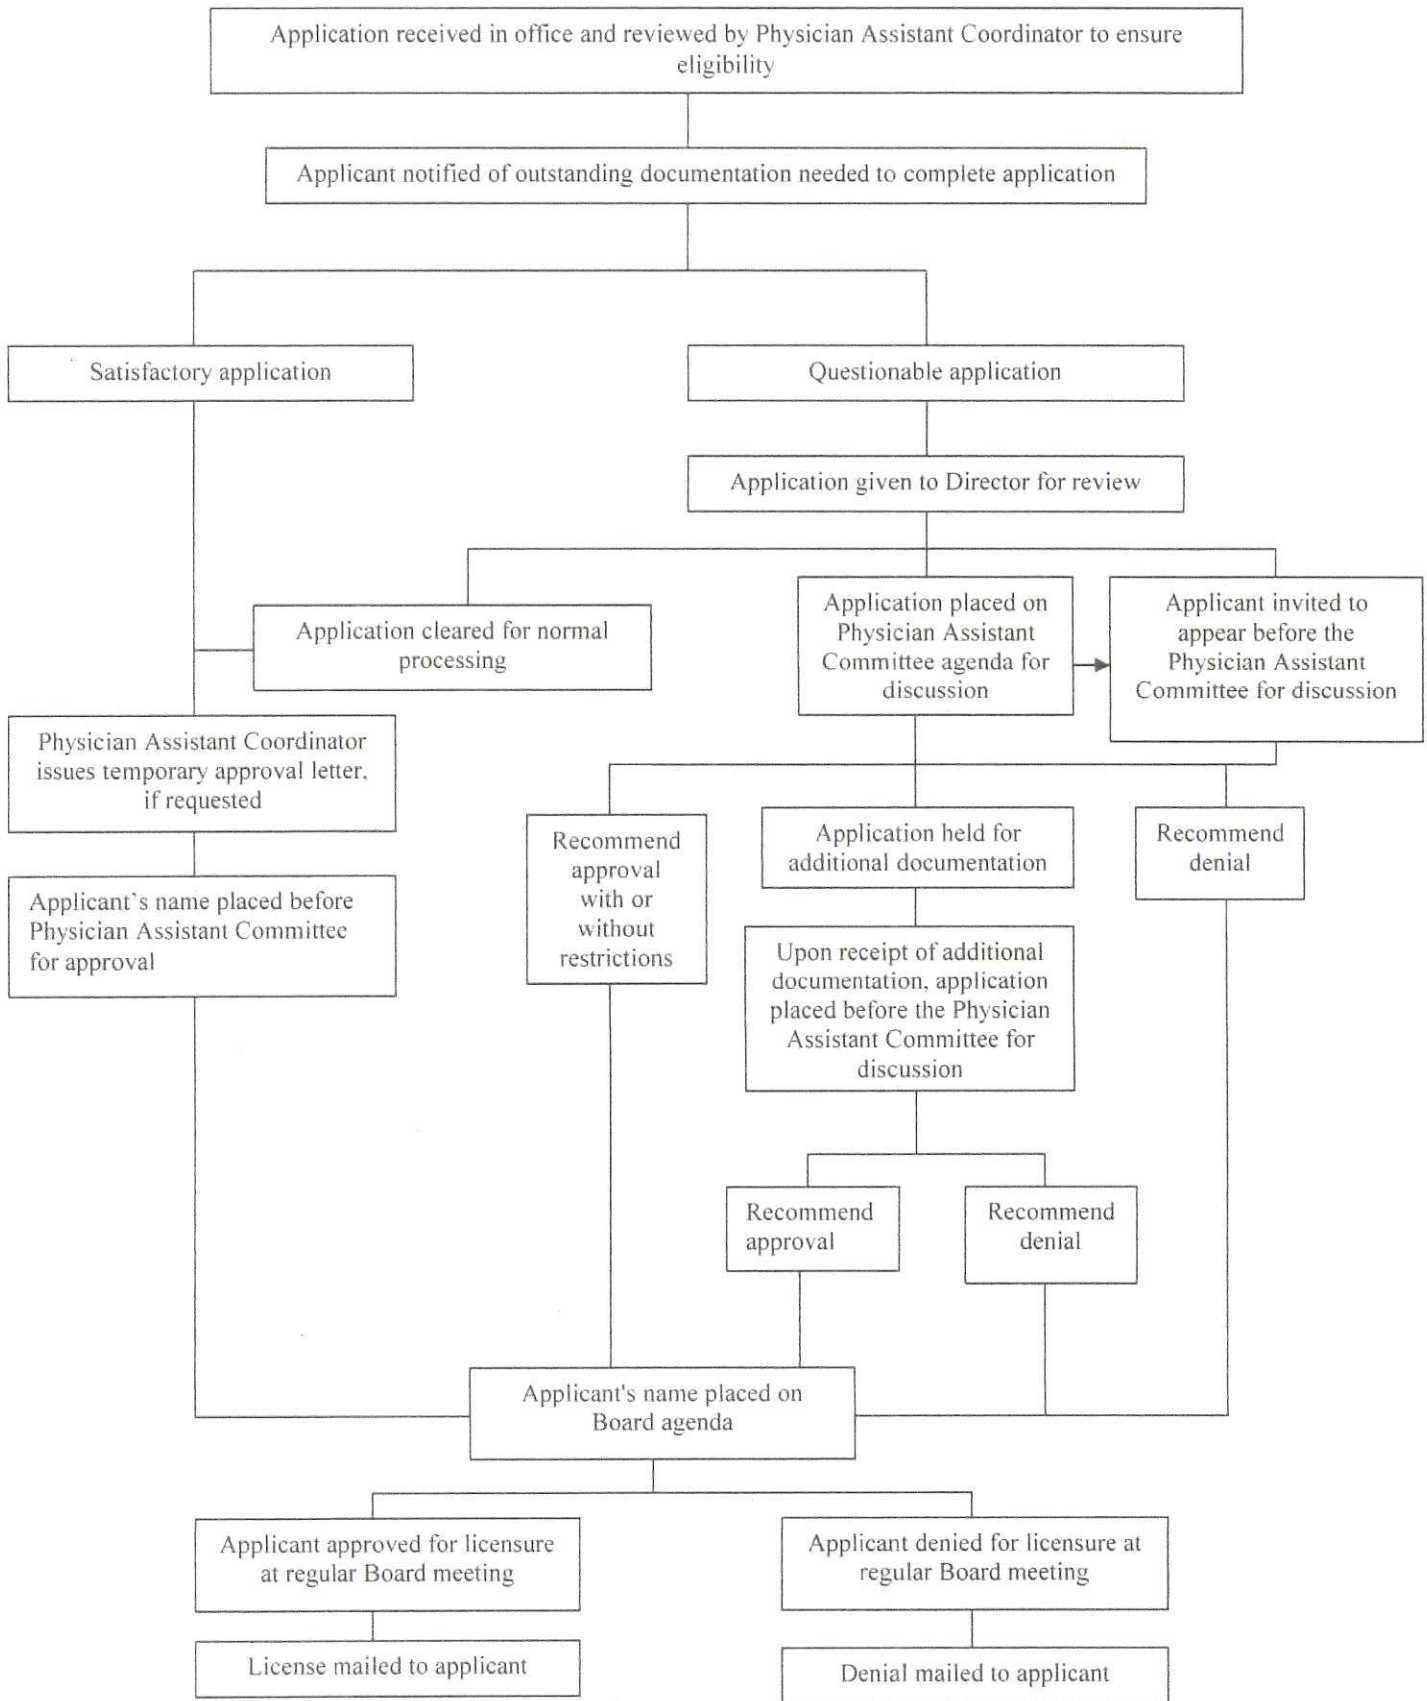

At the conclusion of the Complaint Committee process, and for those matters which have not been resolved prior to determination, the Committee acts by finding one of the following:

PROCEDURES FOR PERMANENT LICENSURE

PROCEDURES FOR PHYSICIAN ASSISTANT LICENSURE*

*Prescriptive Writing Privileges must be requested by a separate application. PWP requests and requested changes/additions to approved job descriptions, supervisors and work locations are evaluated through a similar procedure.

PROCEDURES FOR PROFESSIONAL LIABILITY COMMITTEE

- Staff reviews malpractice situation for practitioners whenever the Board receives notice that, within a five-year period, three or more judgments or any combination of judgments and settlements resulting in five or more unfavorable outcomes arising from medical professional liability have been rendered or made against such physician or podiatrist.
- Request explanation in writing by practitioner of the cases, along with medical records maintained by the practitioner and request signed release forms for insurance company files. Practitioner is to respond within 30 days of receipt of Board's request. Advise practitioner if no timely response, the committee will automatically open an investigation of all the cases.
- Make copies of practitioner's response to present to Committee.

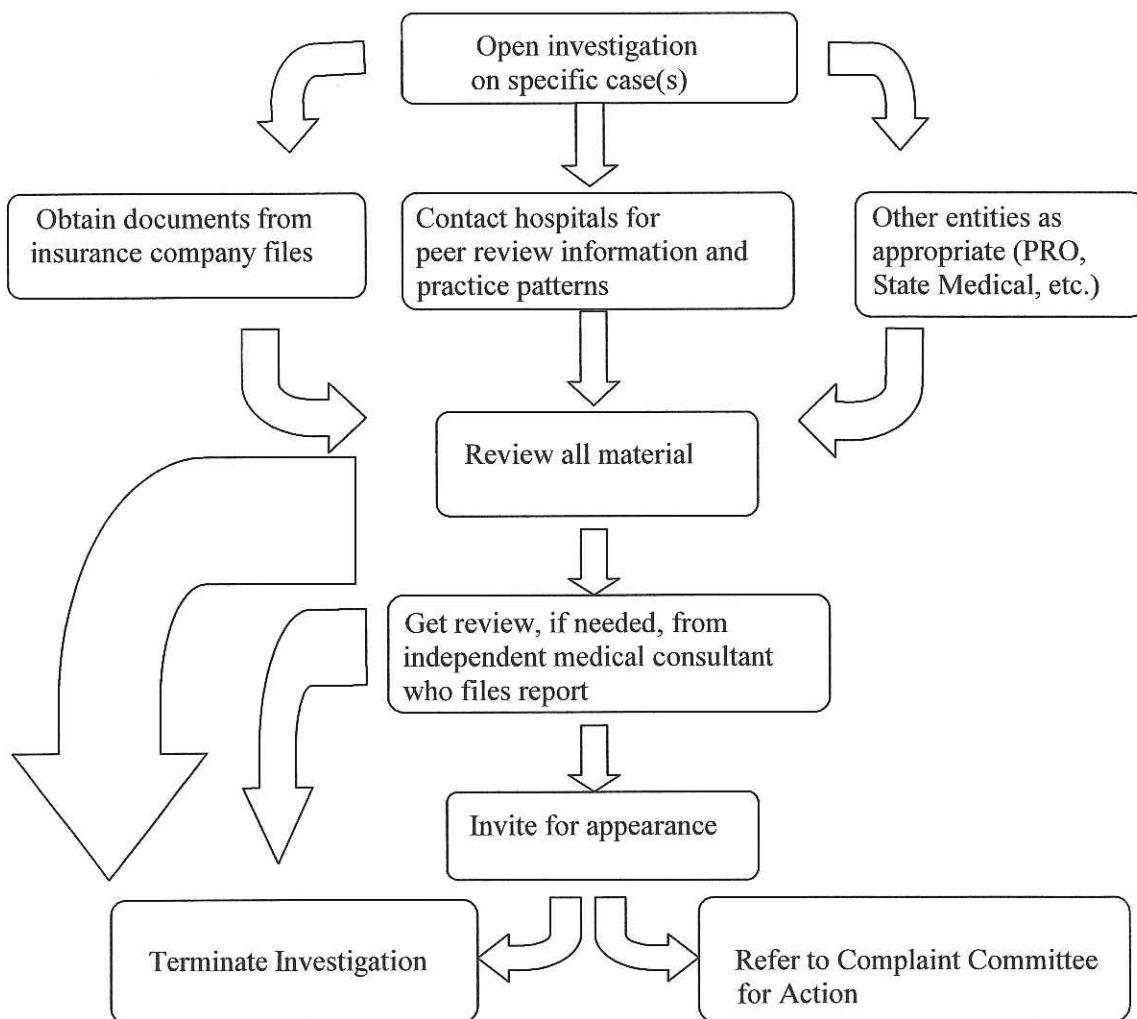

TABLE OF CONTENTS

	<u>SECTION</u>
Statement of Receipts and Disbursements - 2013	1
