Re: PEIA Quarterly Report Pursuant to W. Va. Code §5-16-9(j) and §5-16-9(k) – 2023 Quarter 1

Dear Mr. Allred:

I am writing on behalf of West Virginia Public Insurance Agency (PEIA) CFO and Acting Executive Director, Jason Haught, to submit the enclosed USB drive with a copy of PEIA's 2023 Quarter 1 Report which is being provided pursuant to W. Va. Code §5-16-9(j) and §5-16-9(k).

In the past, some PEIA reports have been voluminous spreadsheets, as is the enclosed, and are essentially impossible to upload. There was difficulty with those files because the spreadsheets often have over 100,000 rows of information and cannot be converted to PDFs, which is required to be submitted via the West Virginia Legislature State Agency Report Submission site. PEIA submits this report on a USB drive instead of uploading it and submitting it via the online system due to the issues described above.

If you have any questions or have difficulty accessing the information on the USB drive, please feel free to contact Jason Haught or Bill Hicks at 304-558-7850.

Respectfully,

Kasi L. Bell

Services Assistant I
