STATE OF WEST VIRGINIA  
OFFICE OF THE GOVERNOR  
1900 KANAWHA BOULEVARD, EAST  
CHARLESTON, WV 25305  
(304) 558-2000

EARL RAY TOMBLIN  
GOVERNOR

December 1, 2015

The Honorable Natalie Tennant  
Secretary of State  
State Capitol  
Charleston, West Virginia 25305

Dear Secretary Tennant:

I have this day made the following appointment to the Board of Pharmacy pursuant to the provisions of W.Va. Code § 30-5-2:

Dennis Lewis, Dignity Hospice and Home Health, 557 Main Street, Chapmanville, Logan County, West Virginia 25508, for the term ending June 30, 2020. He is a pharmacist and succeeds Carl K. Hedrick, Jr. His telephone number is (304) 855-4764 and he is from the Seventh Senatorial District.

Chuck Jones, 1568 Virginia Street, East, Charleston, Kanawha County, West Virginia 25311, for the term ending June 30, 2018. He is a public member and succeeds Martin Castleberry. His telephone number is (304) 346-6862 and he is from the Eighth Senatorial District.

John J. "J.J." Bernabei, 4009 Palisades Drive, Weirton, Hancock County, West Virginia 26062, for the term ending June 30, 2019. He is a pharmacist and succeeds Sam Kapourales. His telephone number is (304) 723-6331 and he is from the First Senatorial District.

Kim Knuckles, 152 Bobcat Lane, Beaver, Raleigh County, West Virginia 25813, for the term ending June 30, 2017. She is a pharmacist and succeeds Rebekah E. Hott. Her telephone number is (304) 266-2484 and she is from the Ninth Senatorial District.

Everett Frazier, Post Office Box 82, Cyclone, Wyoming County, West Virginia 24867, for the term ending June 30, 2019. He is a public member and succeeds Charles R. Woolcock. His telephone number is (304) 923-3011 and he is from the Ninth Senatorial District.

OFFICE OF THE GOVERNOR

Report Description

This report is from the OASIS Data Warehouse and uses the WFIN-Budget vs Actual universe and shows balances not document ID's. This report is similar to the State Auditor's Office report WWR4021 Monthly Line Item report and shows Current Month and YTD Revenue and Expenditures by object and Net Activity for Fund and Unit. There is an Excel tab included which is a tabular listing of the data for ease of downloading.

**Report Description:**

This report has been developed for the Miscellaneous Board & Commissions to use for Board meetings. The first tab will show document information for Revenue and Expenditure. The second tab will show the Beginning and Ending Cash Balance (Balance Sheet Account "1020") from the Accounting Summary universe along with the Current Month & Year-to-Date Gross Revenue (Closing Classification 14-Collected Revenue less Revenue Refunds), Current Month Expenditures & Year-to-Date Expenditures (Closing Classification 10-Cash Expenditures) and Year-to-Date Revenue Refunds. The Cash Balance tab is reflected at the Fund level. If Budget information is needed at the Fund-Appropriation-BFY level see the BC-037 Profit & Loss report in the Budgetary Control folder.

**Report Description**

This report is from the OASIS Data Warehouse and uses the WFIN-Budget vs Actual universe and shows balances not document ID's. This report is similar to the State Auditor's Office report WVR4021 Monthly Line Item report and shows Current Month and YTD Revenue and Expenditures by object and Net Activity for Fund and Unit. There is an Excel tab included which is a tabular listing of the data for ease of downloading.

**Report Description:**

This report has been developed for the Miscellaneous Board & Commissions to use for Board meetings. The Board Sample tab will show document information for MULTIP and Expenditure. An input control is available to filter this tab on accounting period. The Cash Bal tab will show the Beginning and Ending Cash Balance (Balance Sheet Ac Summary universe along with the Current Month & Year-to-Date Gross Revenue (Closing Classification 14-Collected Revenue less Revenue Refunds), Current Month Expe (Closing Classification 10-Cash Expenditures) and Year-to-Date Revenue Refunds. The Cash Balance tab is reflected at the Fund level. If Budget information is needed at the BC-037 Profit & Loss report in the Budgetary Control folder.

Report Description

This report is from the OASIS Data Warehouse and uses the WFIN-Budget vs Actual universe and shows balances not document ID's. This report is similar to the State Auditor's Office report WVR4021 Monthly Line Item report and shows Current Month and YTD Revenue and Expenditures by object and Net Activity for Fund and Unit. There is an Excel tab included which is a tabular listing of the data for ease of downloading.

### Report Description

This report is from the OASIS Data Warehouse and uses the WFIN-Budget vs Actual universe and shows balances not document ID's. This report is similar to the State Auditor's Office report WVR4021 Monthly Line Item report and shows Current Month and YTD Revenue and Expenditures by object and Net Activity for Fund and Unit. There is an Excel tab included which is a tabular listing of the data for ease of downloading.

**Report Description:**

This report has been developed for the Miscellaneous Board & Commissions to use for Board meetings. The Board Sample tab will show document information for MULTIP and Expenditure. An input control is available to filter this tab on accounting period. The Cash Bal tab will show the Beginning and Ending Cash Balance (Balance Sheet Ac Summary universe along with the Current Month & Year-to-Date Gross Revenue (Closing Classification 14-Collected Revenue less Revenue Refunds), Current Month Expe (Closing Classification 10-Cash Expenditures) and Year-to-Date Revenue Refunds. The Cash Balance tab is reflected at the Fund level. If Budget information is needed at the BC-037 Profit & Loss report in the Budgetary Control folder.

**Report Description**

This report is from the OASIS Data Warehouse and uses the WFIN-Budget vs Actual universe and shows balances not document ID's. This report is similar to the State Auditor's Office report WVR4021 Monthly Line Item report and shows Current Month and YTD Revenue and Expenditures by object and Net Activity for Fund and Unit. There is an Excel tab included which is a tabular listing of the data for ease of downloading.

Report Description

This report is from the OASIS Data Warehouse and uses the WFIN-Budget vs Actual universe and shows balances not document IDs. This report is similar to the State Auditor's Office report WVR4021 Monthly Line Item report and shows Current Month and YTD Revenue and Expenditures by object and Net Activity for Fund and Unit. There is an Excel tab included which is a tabular listing of the data for ease of downloading.

**MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY**  
**CHARLESTON, WEST VIRGINIA JULY 29, 2014**

The Board convened at the Board of Pharmacy Conference Room, 2310 Kanawha Blvd, East, Charleston, on Tuesday July 29, 2014, with President, Carl K. "Jody" Hedrick presiding.

Present in person at the Board offices were the following Board members: Jody Hedrick, President. Attending by telephone (speakerphone) on conference call was Mr. Charles Woolcock, Mr. Sam Kapourales, Mr. George Karos, Mrs. Rebekah Heavener, Mr. Martin Castleberry and Mrs. Lydia Main. Board staff present in person were David E. Potters, Executive Director and General Counsel, and Mrs. Betty Jo Payne, Assistant Executive Director; present via the conference call was Board Inspector Dave Gerkin. Members of the public present included: Bridgette Lambert from the WV Retailers Assoc., Debra Harris from Walgreens, and Richard Stevens from the WV Pharmacists Association.

President Jody Hedrick called the meeting to order, declared a quorum present, and stated that notice of this meeting had been filed with the Secretary of State. The Agenda was posted on the Board of Pharmacy website and also made available through the Office.

The Board reviewed the proposed Title 15, Series 1, rules changes, Licensure and Practice of Pharmacy. No public comments received. With no changes necessary at this time, George Karos made the motion to approve filing of a Response of no public comments and to file the Rule with Legislative Rule Making and Review Committee for the next step in the process. Seconded by Charles Woolcock. All in favor, motion carried.

The Board next reviewed the proposed Title 15, Series 8, rules changes, Controlled Substance Monitoring. Again, no public comments received. However, the CSMP Advisory Committee met in the days prior to this board meeting, and recommended to add a definition of "patient" to the rule to clarify that term for practitioners' to access records of prospective patients for pre-screening. The recommendation included specific language for the definition which would clarify that a "patient" for purposes of the CSMP includes a person who has asked to come under the care of the practitioner or been referred to the practitioner, but who has not yet been accepted as a full patient. Motion was made by Charles Woolcock to approve the proposed definition of "patient" with language approved by the Advisory Committee; seconded by George Karos. All in favor, motion carried. Motion was then made by George Karos to approve filing of a response of no public comments, discussing the change for the new definition, and to file the modified rule with Legislative Rule Making and Review Committee for the next step in the process. Seconded by Charles Woolcock. All in favor, motion carried.

The Board reviewed Title 15, Series 12, Immunizations Administered by Pharmacists. One public comment received on the VAERS reporting. DHHR Diversion of Immunization Services said they could do a single filing there, and they would also file with VAERS so that pharmacies won't have to do duplicate reporting. Charles Woolcock made the motion, seconded by Sam Kapourales. All in favor, motion carried.

The Board then reviewed the proposed rule changes to Title 15, Series 7, Registration of Pharmacy Technicians. The first comment involved whether or not the currently approved PTT training programs would be permitted as approved under the new rules if adopted. Motion was made by George Karos to approve all currently approved tech training programs for continued use under the new rules. Seconded by Charles Woolcock. All in favor, motion carried.

Next, public comment asked for more time (up to 18 months) to complete PTT on-the-job training programs done in-house in the pharmacy. Motion was made by George Karos to change the amount of time to complete in-house Tech Training programs from 9 months to 15 months, and keep it at the proposed 960 hours, and allow 3 months after completion to pass a national certification examination. In addition, due to the longer time period, the Board would move the application up to the beginning, so that a PTT must file an application before beginning training, rather than at the end. Seconded by Rebekah Heavener. All in favor, motion carried.

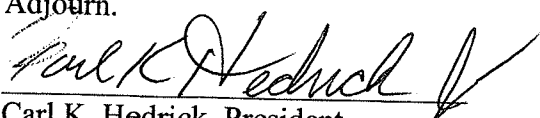

Next, Motion was made by George Karos to move the criminal background check in the rules from after training and before becoming a full PT, to the beginning of Tech Training at time of original application, due to the need to properly screen the applicants and get them in the system as soon as possible to cut down on possibility of drug diversion. Seconded by Rebekah Heavener. All in favor, motion carried.

Next, public comment asked that the Board remove the 4:1 technician to pharmacist ratio from the rules. This has long been a statutory ratio, and one the Board continues to believe appropriate to protect the public. The public comment asks that the board allow the market to control on this issue. Motion was made by George Karos keep the Pharmacist-Technician ratio at 4:1 as proposed. Seconded by Sam Kapourales. All in favor, motion carried.

Motion was then made by Sam Kapourales to approve filing of a response to public comments, discussing the changes as motioned above, and explaining those which the Board chose not to change as requested in the public comments detailed above; and to file the modified rule with Legislative Rule Making and Review Committee for the next step in the process. As clean-up, in case it was not clear at any point in the meeting, Sam Kapourales made a motion to approve all of the other above rules and responses to public comment also for filing with the LRMRC. Seconded by Charles Woolcock. All in favor, motion carried.

Motion was made by George Karos to adjourn. Seconded by Sam Kapourales. President Hedrick declared the meeting adjourned.

Adjourn.

**MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY**  
**HUNTINGTON, WEST VIRGINIA, SEPTEMBER 14, 2014**

The Board convened in the Pullman Plaza Hotel Room, Huntington, West Virginia, at 5:00 p.m., on Sunday September 14, 2014, with President Carl K. Hedrick, Jr. presiding.

Present with Mr. Hedrick were the following Board members: Vice President, Mr. Charles Woolcock, Secretary, Mrs. Rebekah Heavener, Mr. Martin Castleberry, Mrs. Lydia Main, Mr. Sam Kapourales, and Mr. George Karos. Also present were Executive Director and General Counsel David Potters, Assistant Director Betty Jo Payne; the Board Inspectors, Arlie Winters, Irvin VanMeter, Roger Shallis, and Charles "Buck" Selby; and Investigator, Fred Wagoner. Inspector, Thomas Dave Gerkin was unable to attend.

President Jody Hedrick stated that proper notice of this meeting had been filed with the Secretary of State. The Agenda was also posted on the Board's website and made available through the Office.

Mr. Jody Hedrick called for review of the June 29-30, 2014 and July 29, 2014, Board Minutes. Mr. Charles Woolcock made a motion to approve the minutes, seconded by Lydia Main. All in favor, motion carried.

Mr. Charles Woolcock gave an update of the Board finances. In addition to discussing the general financial health of the Board, he explained that he would be moving building line items for funds expended in the building repairs and rehab to the asset side of the ledger. Overall, licensing fee income remains sufficient for operations, and a full one-year reserve remains on hand even after the significant expenses for the building and for upgrades to the Controlled Substances Monitoring Program.

Motion was made by George Karos and seconded by Rebekah Heavener to go into Executive Session to receive Complaint Committee Report and review two resumes received for a new investigator position. After discussion of the Complaint Committee Report and the two resumes, President Hedrick declared the Board back into public session with no official action taken.

Mrs. Rebekah Heavener made a motion to modify recommendations with regard to case 11 (Case No. 2014-07-30) as follows:

(1) For discipline against the pharmacy license, the recommendation would provide two options:

(a) reprimand the pharmacy license, give up the pharmacy permit at the end of the current 2014-2015 license year by not renewing it, and require that anytime the pharmacy is open and operated by the owner/PIC, she must have a PT or PTT present to assist her. Or,

(b) reprimand the pharmacy license, if going to continue to operate the pharmacy and request renewal of the license, then the pharmacy must be remodeled with substantial completion within 90 days of the date of the order to permit the dispensing area to be closed off from the front-end when no pharmacist is present, have a proper safe to store controlled substances if they are not dispersed among stock, update computer hardware and software to permit proper recordkeeping and timely submission to the CSMP, require that anytime the pharmacy is open and operated by the owner/PIC, she must have a PT or PTT present to assist her, 3 years probation, and assess a fine of \$3,000 with costs of \$1,500, but permit the fine to be offset by any amounts spent in remodeling.

(2) For discipline against the PIC/Owner's pharmacist license, the recommendation would be a reprimand, and require her to complete 6 hours of CPE on the topic of misfills/quality assurance for proper dispensing practices.

Mr. Martin Castleberry seconded the motion. All in favor, motion carried, with Complaint Committee Members Sam Kapourales and Charles Woolcock abstaining from the vote. George Karos then made a motion to accept the Complaint Committee Report and recommendations as modified, Seconded by Rebekah Heavener. All in favor, motion carried, with Complaint Committee Members again Sam Kapourales and Charles Woolcock abstaining from the vote.

The Board discussed hiring an Investigator. Position resumes were received, the Board directed Dave Potters to advertise for more resumes to assure opportunity for any other interested candidates, and potentially conduct interviews at the next Board Meeting in December or at a special meeting. The Board considered appointing a committee to conduct the interviews, but decided to plan on the whole board doing the interviews as it has done for inspectors and the executive director position.

President Hedrick declared the meeting in recess, to be continued on September 15, 2014, at 8:00 a.m., at Marshall School of Pharmacy conference room.

The Board re-convened at 8:00, September 15, 2014, in the Marshall School of Pharmacy, Conference Room, Huntington, West Virginia, with President Jody Hedrick presiding. President Hedrick called the meeting to order and again stated that proper notice of this meeting had been filed with the Secretary of State. The Agenda was also posted on the Board's website and made available through the Office.

Present with Mr. Hedrick were the following Board members: Vice President, Mr. Charles Woolcock, Secretary, Mrs. Rebekah Heavener, Mr. Martin Castleberry, Mrs. Lydia Main, Mr. Sam Kapourales, and Mr. George Karos. Also present were Executive Director and General Counsel David Potters, Assistant Director Betty Jo Payne; the Board Inspectors, Arlie

Winters, Irvin VanMeter, Roger Shallis, and Charles "Buck" Selby; and Investigator, Fred Wagoner. Inspector, Thomas Dave Gerkin was unable to attend.

Members of the public present included Chris Lockard from Omnicare; Dean Kevin Yingling, RPh, MD from Marshall University School of Pharmacy; Jeff Pitts, Lynne Fruth, Tiffany Queen, Fran Delgado, and Timothy Weber from Froth Pharmacy; Bridget Lambert from WV Retailers Association; Dean Michelle R. Easton and student Ryan Griffith from University of Charleston School of Pharmacy; and Richard Stevens from WV Pharmacists Association.

President Hedrick asked Dr. Yingling, Dean of the Marshall School of Pharmacy gave an invocation to begin the meeting with prayer.

Following Dr. Yingling's prayer, Mr. Hedrick called the next item on the Agenda, the request from Health Warehouse.com, Inc. for an extension of time to get PIC for Mail Order permit until October 31, 2014, due to 91-day wait period for its chosen PIC to re-take pass the MPJE examination, having failed the first time. Mr. George Karos made the motion to accept the request from Health Warehouse.com, Inc. and any other similarly situated pharmacies who request it to extend time to get PIC for Mail Order permit until October 31, 2014, due to 91-day wait period to re-take examination, during which time the pharmacy may continue to dispense into West Virginia. Seconded by Martin Castleberry. All in favor, motion carried.

Next, representatives Lynne Fruth and Tim Weber from the Fruth Pharmacy Corporation addressed the Board on their request to perform Central Prescription Processing and other pharmaceutical care services from its facility in Nitro, West Virginia, to serve their various retail pharmacies. To summarize Fruth's presentation, central prescription processing would allow a local Fruth store the option of sending a prescription to a central prescription processing site located in Nitro, West Virginia, for fulfillment. After all processing and a pharmacist check at the local Fruth store, a prescription could be sent in "real time" to the central prescription processing site. The transmitted prescription would then be filled and physically verified at the central prescription processing site by a West Virginia licensed pharmacist. Once filled and verified, the prescription would then be packed and shipped to the appropriate local Fruth store via courier for delivery to the patient. The Board noted that all steps in the process would be tracked and fully auditable via interactive software. Additionally, the central processing site would be commonly owned and operated by Fruth, allowing complete Board oversight. Implementing central prescription processing will allow Fruth to significantly expand its patient care services beyond that of dispensing. Because central prescription processing is not currently addressed under West Virginia law or regulation, Fruth requests a waiver from Rules 15-1-14-7.5 and 15-1-14-7.6. After the discussion, motion was passed by Sam Kapourales, seconded by George Karos to approve the request as presented. All in favor, motion carried.

Mike Brown from the West Virginia Pharmacist Recovery Network addressed the Board on proposal for potential statutory changes regarding pharmacist felony convictions and eligibility. Mr. Brown pointed out that other boards such as the Boards of Medicine, Osteopathy, Registered Professional Nurses, and others have it within their discretion whether to grant a license to convicted felons. Sam Kapourales made a motion to support the statutory change to permit a pharmacist with a felony conviction to petition the Board for reinstatement in the Board's discretion on a case-by-case basis no sooner than 5 years after the date of the conviction, seconded by George Karos. All in favor, motion carried.

Dave Potters addressed the Board on 3 pharmacist applications for reciprocity/license transfer from pharmacists with prior disciplinary issues of concern. The Board considered the prior issues concerning Derek A. Sapone which included his license being surrendered in several states, being denied in one, inactive in one, and being active but under the care and monitoring of a pharmacist recovery network in two others, while also being active in approximately four others. The discipline stemmed from criminal issues for which he pled guilty to two misdemeanor counts of obtaining drugs by fraud, and underwent treatment. However, he failed to disclose this to other states in which he was licensed or had applied for licensure, leading to the surrenders or denials of those licenses. Motion was made by Sam Kapourales to deny this request based upon moral turpitude for the failures to disclose the issues to the other states as well as the underlying diversion convictions, seconded by Charles Woolcock. All in favor, motion carried.

Next, the Board reviewed the issues presented with the application from Nayan Patel. His application revealed that he answered "No" to the questions of whether he had ever had any pharmacist license disciplined in any jurisdiction, or was currently under investigation for any potential discipline. However, final orders from the California Board of Pharmacy show that he was disciplined as the PIC and owner of his pharmacy twice in 2010, once in 2012, and again in January, 2014, with the 2012 discipline even including a \$5,000,000.00 fine for illegal internet dispensing with no legal prescription due to no prescriber-patient relationship and no legitimate medical purpose, with stock ordered from unlicensed wholesaler(s), and other related issues. Based upon moral turpitude and dishonesty on the application regarding the prior discipline, the severity of the fines, and the other issues exposed in the prior disciplinary of Mr. Patel's license, motion was made by Sam Kapourales to deny this request, seconded by Rebekah Heavener. All in favor, motion carried.

The Board then reviewed the application and prior disciplinary issues for Aaron Joe Stutzman. The information revealed that he was disciplined in 2008 in Nebraska for drug diversion to self-use, with a suspension and 5 years of probation having been completed in September, 2013. In addition, during the probationary period, in 2011, Nebraska modified the terms to permit him to be a PIC in a pharmacy which did not carry controlled substances. Also, in 2009 and 2010, Virginia and Arkansas, respectively, permitted him to license transfer with matching probation terms to that of Nebraska. His licenses are now fully active and unrestricted. Motion was made by George Karos to permit licensure transfer subject to obtaining a positive evaluation by Pharmacist Recovery Network. Martin Castleberry seconded. In discussion, Sam Kapourales opposed due to the prior addiction and diversion issues Motion carried on a split vote, with Mr. Kapourales opposed.

Next, the Board took up the request of Dr. Peter Teichman asking the Board to recommend to the Legislature a statutory change to permit a non-controlled substance prescription to be valid for 15 months (current law is one year unless prescriber confirms to pharmacist that he or she still wants the prescription filled). The main thrust of the request was to permit prescribers to more easily prescribe greater than one year of drug therapy of non-controlled substances due to third-party payer restrictions of paying for annual visits only after a full year has passed since the prior examination. Lively discussion was held about the pros and cons, with a consensus that more information would be needed. As such, by unanimous consent, the Board decided to table the issue to allow time for further study of how it is done in other states.

Next, the Board discussed the recommendation for Legislature for Hydrocodone combination products which was noticed federally to be rescheduled to Schedule II on October 6, 2014. Current West Virginia State law Schedule III restricts dispensing of these products to not more than a 30-day supply and no more than two re-fills, with these prescriptions expiring after 90 days from issuance by the prescriber. After discussion of the federal changes and state law, motion was made by Sam Kapourales to recommend to the Legislature that West Virginia parallel the Federal rescheduling, and reschedule Hydrocodone combination products to WV State Schedule II without any of the additional restrictions on the number of days' supply currently attached in WV Schedule III (given also that Schedule II's cannot be refilled and expire after 90 days from date written under current WV law); seconded by Charles Woolcock. All in favor, motion carried.

Next, the Board discussed the recommendations for Legislature for Pseudoephedrine scheduling, grams restrictions, NPLEX Sales tracking, Meth-offender, Registry, and other related issues. Approximately 280 meth labs thru end of August, 2014, putting the state on pace for a significant drop from the record of 530 labs in 2013, but on pace for the second or third highest total in state history (approximately 351 labs in 2005, and 284 in 2012, being the next two highest years). Bridgette Lambert with the WV Retailers Association addressed the Board on this issue, informing the Board of 111 of law enforcement officers to date that NPLEX has trained around the State this year (with assistance from the WVRA in support of the trainings), that the NPLEX system has new capabilities to target and track smurfing rings, discussing how several of the chains have voluntarily stopped selling single-active-ingredient PSE products unless in tamper resistant form and/or have voluntarily restricted annual sales to no more than 24 grams per year, and discussing merits of a meth-offender registry as has been deployed in several other states to stop meth offenders from being permitted to purchase PSE products at the point-of-sale through NPLEX. Mrs. Lambert reiterated WVRA's membership position of favoring these measures and opposing Rx-only at this time. After a lengthy discussion, George Karos made a motion to make no changes to the Board's prior recommendations of recommending that PSE products except child doses and conversion-resistant forms be made prescription-only, but, in the alternative, if Rx-only will not pass the Legislature, that the Board supports reducing annual gram limits to 24 grams per year and supports adding a meth-offender registry for anyone convicted of any meth-related offense; seconded by Rebekah Heavener. All in favor, motion carried.

Dave Potters addressed the Board on recommendations for Narcan/Naloxone for first responders and others. Motion was accepted and made by Sam Kapourales, seconded Charles Woolcock. All in favor, motion carried.

Dave Potters gave an update on proposed changes to Rules Title 15, Series 1, 7, and 8, also before the LRMRC.

Dave Potters addressed the Board on issues with statutory language for intern immunizations raised by counsel for Legislative Rule Making Review Committee in his preliminary review of proposed changes to Rule in Title 15, Series 12. He indicated that there is some language that could be read two ways, one to permit interns to do immunizations of only flu and pneumococcal vaccines, and one that would permit them to do any immunizations permitted to be performed by a properly licensed pharmacist. He has proposed to write a bill that the Legislature could consider to clarify this language to permit the latter, which is the understanding held by the Boards of Medicine, Osteopathy, and Pharmacy. Consensus was to support such legislation consistent with the Board's long-held position on this subject dating to

the changes in the Practice Act passed in 2013. Although the statute may be clarified, the LRMRC agreed that the latter reading is correct and moved the immunizations rules out of committee with their recommendation that the Legislature pass them in the upcoming regular session.

Mr. Potters also informed the Board that the LRMRC had not yet taken up Series 1 or Series 7, and would get to them later in the interim sessions. However, they did approve Series 8 on Controlled Substances Monitoring Program rules changes to move to the full legislature with a recommendation that they pass as well. Both the immunizations and PT rules have recommended technical modifications to make them more clear and readable, but which do not affect any of the substance.

Next, Mr. Potters provided an update on Controlled Substance Monitoring Program. The current license contract is to expire in June, 2015, but the SAMSHA grant for interoperability with other states and incorporating PMPs into the electronic health record or electronic medical records of prescribers and dispensers has two years, roughly, left on it. As such, in order to fulfill the grant, it would cause significant issues to change PMP vendors mid-stream, and may be cause to turn the grant back. Therefore, in order to decide how or whether to move forward with the grant, Mr. Potters asked the Board if it would support seeking a one-year extension of the license with Mahantach for RXDATATRACK, the CSMP software, to allow for year one implementation and year two data collection; or would it prefer to return the grant and go through the process to get a new contract through the purchasing process? After a lengthy discussion Lydia Main made a motion to request one-year extension of the contract with Mahantech for RXDATATRACK; seconded by Charles Woolcock. All in favor, motion carried. Mike Goff, the CSMP Administrator for the Board, will approach Purchasing Division staff and Mahantech to try to move forward with this item.

Mr. Potters then gave an update on recommendations for CSMP Advisory Committee for further CSMP rules revisions. Specifically, the Advisory Committee recommends a change to Rule subsection 15-8-7.7 regarding storing CSMP records in the patient's chart, to permit those records to be shared from the patient's chart as is required of any other HIPAA protected information upon receipt of a proper release from the patient, subpoena, etc., and not require a court order since the information is being released by the practitioner (usually along with other medical records kept on the patient), and not being released from the CSMP by the Board itself which is targeted by the statute requiring a court order or agency administrative subpoena. In short, the Advisory Committee asserts that to require a court order is too onerous for these records, and that compliance with HIPAA with a proper patient release or subpoena is sufficient to protect patient confidentiality. Motion was made by George Karos to accept and support the recommended rule change, seconded by Lydia Main. All in favor, motion carried.

Next, President Hedrick turned the Board's attention to discussion of potential uses for the NABP Pharmacist Assessment for Remediation Evaluation Examination, such as use as a reinstatement examination instead of the MPJE; use for evaluation of "Conditional Practice Issues" in cases of discipline or impaired pharmacists, and the like; and for evaluating adherence to rules or disciplinary conditions or other such uses. The Board received the information and did not take any action at this time as to whether or how it might use this tool.

Dean Michelle Easton from University of Charleston School of Pharmacy addressed on updates of the school's status, as its accreditation has been placed on probationary status. She indicated that none of the issues involved the curriculum or quality of the education, but dealt

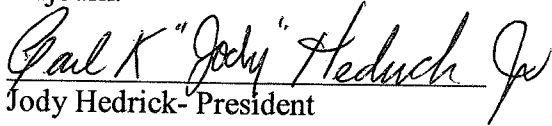

with the school's relationship with the University, finances, and assuring that staff turnover and staffing of professors are met. Pass rates on national and state licensing exams remain at or above the national averages. She indicated that the School and University have made significant strides to meet the issues, and expect to remain accredited.

Finally, the Board scheduled the next Board meeting to be held on December 7 & 8, 2014, at the Board office in Charleston.

Motion was then made by Mrs. Lydia Main, and seconded by Mrs. Rebekah Heavener, to adjourn. All in favor, motion carried.

Adjourn.

**MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY**  
**CHARLESTON, WEST VIRGINIA, DECEMBER 7-8, 2014**

The Board convened at the Board's new location, in the Board Office Conference Room, 2310 Kanawha Boulevard, East, Charleston, West Virginia, at 5:00 p.m., on Sunday, December 7, 2014, with President Carl K. Hedrick, Jr. presiding. Present with President Hedrick were the following Board members: Vice-President Charles Woolcock., Secretary Rebekah Heavener, Mr. Martin Castleberry, Mr. Sam Kapourales, Mr. George Karos, and Mrs. Lydia Main. Also present were Executive Director and General Counsel David E. Potters; Assistant Executive Director Betty Jo Payne; the Board Inspectors: Arlie Winters, Irvin VanMeter, Thomas Dave Gerkin, Charles V. "Buck" Selby, and Roger Shallis; and Investigator Fred Wagoner.

President Hedrick stated that proper notice of this meeting had been filed with the Secretary of State and posted on the Board's website. The Agenda was also posted on the Board's website and made available through the Office. Mr. Hedrick called for review of the September 14-15, 2014 Board Meetings. Mr. Charles Woolcock made the motion to approve the minutes, seconded by Mrs. Main. The vote was unanimous in favor, with no votes against, motion carried.

Motion was made by Mr. Charles Woolcock and seconded by Mrs. Heavener to go into Executive Session to receive the Complaint Committee's report. After discussion of the Complaint Committee Report, President Carl Hedrick declared the Board back into public session with no official action taken. Mrs. Main made a motion to accept and file the Complaint Committee Report and the recommendations, seconded by Mr. Castleberry. The vote was unanimous in favor, with no votes against; motion carried.

Mr. Potters and Investigator Wagoner addressed the Board regarding the proposed language for the advertisements and revisions to the job descriptions for the positions for an Inspector and Investigator. After the discussion, the Board directed Dave Potters to make minor revisions to the inspector job description to "prefer" rather than require ten years of experience for the inspector position, and by acclamation approved the language of the advertisements and job descriptions. Also, the discussion included the possibility of finding two qualified inspector candidates to add a fifth inspector position due to the growing number of licensees to inspect, and the need to inspect sterile compounding facilities more often. Inspector Gerkin spoke to the increased number of pharmacies and other places in his and the other inspectors' territories in the time he has been with the Board as an inspector. Mr. Karos moved that the advertisements be placed in four newspapers for two weeks, weekend ads only: The Herald Dispatch, the Sunday Gazette-Mail in Charleston, the Dominion Post, and the Wheeling Intelligencer/News Register;

and to have the next Board Meeting on February 8-9, 2014 in Charleston, West Virginia, at which, the interviews will be conducted for the Inspector and Investigator position. Seconded by Mr. Woolcock. The vote was unanimous in favor, with no votes against, motion carried.

President Hedrick made an announcement concerning the October District II meeting for 2016, which will be hosted by West Virginia, and potentially be held at the Greenbrier. He assigned Charlie Woolcock to assist him and the staff on contacting the Greenbrier to begin collecting information needed to work with NABP, and for staff to get information from Virginia about the District Meeting it just held last fall to help guide the process.

President Hedrick then declared the meeting to be in recess, and to continue in the Conference Room at 8:00am Monday, December 8, 2014.

The Board continued the meeting on December 8, 2014, in the Board Office Conference Room, 2310 Kanawha Boulevard, East, Charleston, West Virginia with Jody Hedrick presiding. Present with President Hedrick were the following Board members: Vice-President Charles Woolcock., Secretary Rebekah Heavener, Mr. Martin Castleberry, Mr. Sam Kapourales, Mr. George Karos, and Mrs. Lydia Main. Also present were Executive Director and General Counsel David E. Potters; Assistant Executive Director Betty Jo Payne; the Board Inspectors: Arlie Winters, Irvin VanMeter, Thomas Dave Gerkin, Charles V. "Buck" Selby, and Roger Shallis; and Investigator Fred Wagoner. President Hedrick called the meeting out of recess and back into order, and declared that proper notice of this meeting had been filed with the Secretary of State. The Agenda was also posted on the Board's website and available through the Office.

President Hedrick asked Inspector Irvin VanMeter to give an invocation to begin the meeting. Following Mr. VanMeter's prayer, Mr. Hedrick called the next item on the agenda, for the Board to receive information from Disposal Technologies for its "Drug Dispose All" product. This was informational only, and no action was taken.

Next, the Board considered a request from Dr. Kevin Yingling and Brian Gallagher, JD, RPh, regarding Marshall University School of Pharmacy on behalf of Marshall Health to approve a system of delivery of completed prescriptions from the hospital outpatient pharmacy to a clinical pharmacist in separate clinic setting for direct dispensing, counseling, MTM, and other pharmacist care services with patient, including the possible use of dispensing machines, a possible pneumatic tube delivery system, and other items. Mr. Gallagher and Dr. Yingling gave a presentation on the proposal and took questions from the Board members and staff. The Board requested further information regarding the details of how the medication itself will be handled, delivered to the sites, stocked in machines, returned in case of the patient not being present for dispensing, and what, if any, requests for waiver it might address. Mr. Gallagher and Marshall Health will work with the Board on the details and provide them at the next Board Meeting.

The Board then received information from Containment Technologies Group, Inc., regarding validation of its MIC isolators used in sterile compounding for compliance with USP 797 standards. After reviewing the letter and video supplied, Inspectors Selby and Shallis spoke of their understanding of the USP and West Virginia rules requirements for placing of hoods/isolators for sterile compounding, including that low risk ISO 5 compounding can be done using this "barrier method", but the isolator must be in an appropriate area. Mr. Karos made a motion that Mr. Potters respond in writing to CTG emphasizing the requirement that these units must be either in a separate room, or a segregated and designated area within the dispensing area,

that is not accessible to the public, second by Mrs. Main. The vote was unanimous in favor, with no votes against, motion carried.

David Potters addressed the Board on receiving information from RxPrep concerning its “remediation course for pharmacist applicants in other states who have failed licensure exams repeatedly.” After review of the information, the Board took the information under advisement with no action taken at this time.

The Board addressed the following requests for reciprocity/license transfer by pharmacists with prior disciplinary issues of concern:

(a) Russell T. Lederhouse- Currently on 2-years’ probation in Virginia and not permitted to be PIC due to issues with management of his pharmacy and sterile compounding, including issues with expired products, separation of products being compounded to avoid contamination/adulteration, and other issues. Motion was made by Mr. Karos to accept the request for license transfer subject to identical conditions as in Virginia for 2-years’ probation coinciding with the Virginia probation, and not permitting him to be PIC; seconded by Mrs. Main. Motion carried; Sam Kapourales opposed; all others voted in favor.

(b) Ricard M. Magliano- Ohio Board of Pharmacy order put him on suspension, in 2005 for drug diversion, and reinstated him in 2007 on probation to 2012. License currently unrestricted. The Ohio Board order indicates he was charged with felonies in the fourth degree for theft of drugs, but there is no record of any criminal case. Mr. Potters contacted the Warren County Clerk of Courts who indicated that was an indication that the case was “sealed” (expunged)), and they themselves also show no record. The NABP Clearinghouse information indicates the Mr. Magliano was “granted Intervention in lieu of Conviction” due to the pharmacist’s undergoing treatment. Motion was made by Sam Kapourales, seconded by Charles Woolcock to deny the request due to the theft of drugs from the pharmacy, and issues with addiction. Motion carried; George Karos opposed; all others voted in favor.

(c) Hottan Melamed- Convicted of securities fraud, a felony, in 2001 while licensed as an intern pharmacist in California; California revoked that intern license for moral turpitude, fraud, and the felony conviction. He later received a pharmacist license in Nevada and California in 2004, and in 5 other states in 2013. Motion was made by Sam Kapourales to deny based upon the felony conviction, the fraud, and the moral turpitude; seconded by Mrs. Heavener. Motion carried; George Karos and Lydia Main opposed; all others voted in favor.

The Board discussed jurisdiction for regulation of Active Pharmaceutical Ingredients (API) as drugs for purposes of wholesale licensure. Information was received from Nick Meza, an attorney at Quarles Brady, LLP, in Phoenix, Arizona, representing various clients, which indicated that § 503(b) of the FDA Food Drug and Cosmetics Act, as amended from time to time, pertains to finished dosage forms, and not API. Mr. Potters provided also that § 503€ on wholesale distributor guidelines from the FDA pertains to, among other things, drugs subject to § 503(b). Looking then to State law, West Virginia Code § 60A-8-5 defines “wholesale distribution” and “wholesale drug distributor” to cover distribution of “prescription drugs”. It then defines “prescription drug” as “any human drug required by federal law or regulation to be dispensed only by prescription, including finished dosage forms and active ingredients *subject to section 503(b) of the federal food, drug and cosmetic act.*” (Emphasis added). Thus, the Board by consensus indicated that it would continue its position to not require a wholesale drug distributor license for distribution of API.

President Hedrick then called on Mr. Potters to discuss changes to the Federal law regarding wholesale distributor licensing and third-party logistics providers. Mr. Potters explained briefly some of the changes in the Food Drug and Cosmetic Act, and on draft industry guidance on the Section 585 changes for drug product tracing, wholesale distributor licensing and third party logistics provider licensing. These federal changes will require a new class be created for third party logistics providers and changes to the wholesale drug pedigree provisions or risk the FDA not recognizing and preempting state regulation of wholesalers. Motion was made by Mrs. Main and seconded Mr. Karos for Mr. Potters and the inspectors to work on draft changes to present to the Board in the future.

Mr. Potters gave an update on the requests from the Legislative Rule Making Review Committee for proposed agreed modifications to pending Rules Title 15, Series 1, 7, 8, and 12. In Series 7, 8, and 12, these do not contain any substantive changes, but are stylistic and for easier readability; for Series 1, they are stylistic and readability changes, but also ask that the changes to the Official WV Prescription Paper Program rules in 15-1-27 be withdrawn and put back as currently in place due to questions of statutory authority to change the program. Mr. Karos made a motion seconded by Mrs. Heavener to approve these agreed modifications. The vote was unanimous in favor, with no votes against, motion carried.

Next, the Board discussed the recommendations from the Board of Osteopathic Medicine and the West Virginia Osteopathic Medical Association to consider appointment of Dr. C. Clark Milton, C.O, FACOI, for the licensed osteopathic physician position on Advisory Committee due to resignation of Dr. Ralph Wood. After reviewing the recommendations and Dr. Milton's CV, motion was made by Mr. Karos and seconded Mr. Castleberry to approve the appointment. The vote was unanimous in favor, with no votes against, motion carried.

Mike Goff gave a presentation on CSMP updated regarding Advisory Committee, Review Committee, SAMSHA Grant, and other issues. Among other things, Mr. Goff indicated that the Board staff had sent nearly 3,000 more educational alert letters to prescribers of patients who had received dispensings of controlled substances from 12 or more different prescribers in a 12 month period (these being in addition to the first round of letters sent 6 months earlier for patients with 14 or more prescriptions in 12 months). The Review Committee also reviewed 6 months of overdose death data from the Medical Examiner's office and identified a number of prescribers and pharmacies who had dispensed prescription controlled substances within a recent time period of the deaths. Of those, 33 of the deaths will result in an educational letter being sent from the Review Committee to the prescribers concerning the specific patient death, to remind them to use the CSMP, and to caution about prescribing certain drugs in combinations that are frequently seen in overdose deaths. In addition, 27 of the deaths will result in one or more of the prescribers being referred to their licensing boards and law enforcement for further investigation, and 22 will result in at least one dispenser being referred to just his/her licensing board for further investigation, based solely upon the M.E.'s Office and CSMP data available giving the committee reasonable cause of inappropriate prescribing practices warranting further investigation. Likewise, the Review Committee is looking at pharmacies to determine if any of those need referred as well. Finally, Mike informed the Board that we are still trying to work with the Governor's Office, our vendor, and potential outside vendors to try to implement the SAMSHA grant for the CSMP. However, due to issues with procedures for bidding, the CSMP database license expiring, the NARXCHECK product having been sold from NABP to APPRISS which has caused some additional minor delay in seeing if we can partner with them and get cost

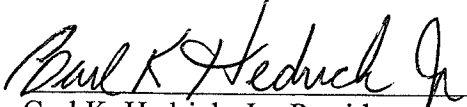

estimates, and other such issues, the Governor's Office and we are looking at feasibility of completing the grant within the grant time-frame.

Charles Woolcock reported on the Board's finances, and again indicated that the Board is in good financial condition, with more than \$2.6 million in its cash balance as of September 30, 2014. Mr. Potters provided the Board with information from WVOASIS financial print-outs showing more detail of the revenue, expenditures and cash balance. Mr. Woolcock also indicated that he is working with an accountant to come to the Board office in the next quarter to re-work the Board's Peachtree accounting statements to revise the traditional financial statements he and the staff make up from the OASIS information, and to show the Board building as an asset on the financial statement. Mr. Kapourales indicated concerns that some critics of the building purchase and remodel may be at work, and questioned an article run by a Charleston newspaper columnist about the costs of the building. Mr. Woolcock indicated that showing the building as an asset and freeing the budget from the annual rent expenditures are solid justifications for the purchase and remodel, creating more budget certainty for the future. Mr. Kapourales also expressed concerns about the article indicating that the prevailing wage laws caused the expenditures for the remodel to be higher than if this were done in the private market. Mr. Potters indicated that the portion of the article alluding to that indicated that this was a labor intensive job, and that prevailing wage does increase the price. Mr. Potters further explained that he did not praise or criticize prevailing wage, and that there is no indication that the Board or he, as the person interviewed for the article, were critical of it, but he merely stated it as one factual reason the repairs were more costly than if done by a private homeowner. He also indicated that he stated to the columnist that one hopes that one gets better quality of work since one is paying the higher labor costs, and specifically stated he was not being critical of it one way or the other. Mr. Karos moved to accept the financial report, seconded by Mrs. Heavener. The vote was unanimous in favor, with no votes against, motion carried.

As the final item on the Agenda, Mr. Chad Robison from West Virginia Association of Optometric Physicians (WVAOP) came before the Board of Pharmacy to address the association's request concerning optometrists' prescriptive authority with respect to hydrocodone in combination products (HCPs). These products were moved by the United States Drug Enforcement Administration on effective October 6, 2014, from Schedule III to Schedule II in the federal controlled substances schedules. While they remain in Schedule III at this time in West Virginia Code § 60A-2-208, the federal law requires that they be treated as Schedule II's. In addition, the Board of Pharmacy has recommended that the State law be revised to move them to Schedule II under West Virginia law as required by West Virginia Code § 60A-2-2-1(d). As a result of these changes, although optometric physicians have long been able to prescribe HCPs, they would not be able to due to limits in Code of State Rules § 14.2-7.2 if HCPs are moved to Schedule II in State code. Therefore, Mr. Robinson asked to Board to consider supporting possible legislation that would be sought by WVAOP to permit optometrists to continue to prescribe HCPs in accordance with their current prescriptive authority; the draft provided by Mr. Robinson proposed revision to Rule § 14-2-7.2 to create a proviso allowing optometrists to prescribe HCPs for a duration of no more than three-days-supply. Mr. Karos made motion to support legislation such as this that would permit optometric physicians to continue to prescribe HCPs in this manner, seconded by Mrs. Heavener. The vote was unanimous in favor, with no votes against, motion carried.

Motion was made by Mr. Karos to adjourn. Seconded by Mrs. Main. President Hedrick declared the meeting adjourned.

Adjourn.

**MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY**  
**CHARLESTON, WEST VIRGINIA, JANUARY 29, 2015**

The Board convened in the Board Office Conference Room, 2310 Kanawha Boulevard, East, Charleston, West Virginia, at 10:00 a.m., on Thursday, January 29, 2015, with President Carl K. Hedrick, Jr. presiding. Present with President Hedrick in person were the following Board members: Vice-President Charles Woolcock., and Mr. Martin Castleberry; present by teleconference on speakerphone were Secretary Rebekah Heavener, Mr. Sam Kapourales, Mr. George Karos, and Mrs. Lydia Main. Also present in the office were Executive Director and General Counsel David E. Potters; CSMP Administrator Michael L. Goff; and Board Inspectors Irvin VanMeter and Charles V. "Buck" Selby. Present on the conference call were the Board Inspectors: Arlie Winters, Thomas Dave Gerkin, and Roger Shallis; and Investigator Fred Wagoner.

President Hedrick stated that proper notice of this meeting had been filed with the Secretary of State and posted on the Board's website. The Agenda was also posted on the Board's website and made available through the Office.

As the sole item on the agenda to be discussed was review of résumés for the positions of Inspector and Investigator, and discussion of logistics surrounding potential interviews, a Motion was made by Charles Woolcock to go into executive session to discuss the personnel matters; seconded by Martin Castleberry. By acclamation, motion carried without objection. During executive session, the Board Members and staff reviewed and discussed each of the résumés received.

President Carl Hedrick declared the Board back into public session, and announced that the Board had selected four candidates for each position to invite for interviews on February 8 and 9, 2015, with the interviews for the Investigator position to be held on Sunday, February 8, and the interviews for the Inspector position to be held on Monday, February 9. He then announced that Mr. Potters is instructed to extend the invitations, and notify the other applicants that they would not be considered for an interview at this time.

Motion was made by Lydia Main to adjourn. Seconded by Rebekah Heavener. President Hedrick declared the meeting adjourned.

Adjourn.

## **MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY** **CHARLESTON, WEST VIRGINIA, FEBRUARY 8-9, 2015**

The Board convened in the Board Office Conference Room, 2310 Kanawha Boulevard, East, Charleston, West Virginia, at 3:00 p.m., on Sunday, February 8, 2015, with President Carl K. Hedrick, Jr. presiding. Present with President Hedrick were the following Board members: Vice-President Charles Woolcock, Mr. Martin Castleberry, Mr. Sam Kapourales, Mr. George Karos, and Mrs. Lydia Main. Secretary Rebekah Heavener attended the meeting by conference call on speakerphone. Also present were Executive Director and General Counsel David E. Potters; the Board Inspectors: Arlie Winters, Irvin VanMeter, Thomas Dave Gerkin, Charles V. "Buck" Selby, and Roger Shallis; and Investigator Fred Wagoner.

President Hedrick stated that proper notice of this meeting had been filed with the Secretary of State and posted on the Board's website. The Agenda was also posted on the Board's website and made available through the Office. Mr. Hedrick called for review of the December 7-8, 2014, and January 29, 2015, Board Meetings. Lydia Main made the motion to approve the minutes, seconded by Charles Woolcock. The vote was unanimous in favor, with no votes against, motion carried.

Motion was then made by Martin Castleberry for the Board to go into executive session to review submitted resumes and conduct interviews of candidates for a position of employment as an investigator with the Board; seconded by Mrs. Main. The vote was unanimous in favor, with no votes against, motion carried. Mr. Hedrick declared the Board in executive session. The Board then conducted interviews of three of the four candidates it selected from the submitted resumes for the position, with the fourth candidate withdrawing voluntarily from the process in favor of other opportunities. The candidates interviewed were: David Lucas, Matthew Montgomery, and Michael Weiss. After the interviews, President Carl Hedrick declared the Board back into public session with no official action taken. Mr. Karos made a motion to make an offer of employment to David Lucas to become the new investigator as an at-will employee at a salary of \$45,000.00 per year plus benefits; seconded by Mr. Castleberry. The vote was unanimous in favor, with no votes against; motion carried. Mr. Hedrick instructed Mr. Potters to contact Mr. Lucas with the offer.

President Hedrick then declared the meeting to be in recess, and to continue in the Conference Room at 8:00am Monday, February 9, 2015.

The Board continued the meeting on February 9, 2015, in the Board Office Conference Room, 2310 Kanawha Boulevard, East, Charleston, West Virginia with Jody Hedrick presiding.

Present with President Hedrick were the following Board members: Vice-President Charles Woolcock, Mr. Martin Castleberry, Mr. Sam Kapourales, Mr. George Karos, and Mrs. Lydia Main. Secretary Rebekah Heavener attended the meeting by conference call on speakerphone. Also present were Executive Director and General Counsel David E. Potters; the Board Inspectors: Arlie Winters, Irvin VanMeter, Thomas Dave Gerkin, Charles V. "Buck" Selby, and Roger Shallis; and Investigator Fred Wagoner.

Members of the public present were Brian Gallagher of Marshall Health, Ben Frick of Roadrunner Pharmacy, Mark Polen of LGCR Government Relations, Bridgette Lambert of WVRA, and Julie Horak, RPh.

President Hedrick called the meeting out of recess and back into order, and declared that proper notice of this meeting had been filed with the Secretary of State. The Agenda was also posted on the Board's website and available through the Office.

President Hedrick asked Inspector Irvin VanMeter to give an invocation to begin the meeting. Following Mr. VanMeter's prayer, Mr. Hedrick called the next item on the agenda, for the Board to consider the application for Collaborative Pharmacy Practice by Jennifer L. Simon, RPh. Ms. Simon appeared personally before the Board. After review of her application and credentials, motion was made by Mrs. Main to approve the application; seconded by Rebekah Heavener. The vote was unanimous in favor, with no votes against; motion carried.

The Board then addressed the request by Julie Horak, RPh, as PIC for War Memorial Hospital pharmacy, for an extension of the interim PIC period while she is out on FMLA leave, to permit a total interim period of 90 days rather than 60 to accommodate her leave. Motion was made by Mr. Kapourales to grant the extension as requested; seconded by Mr. Woolcock. The vote was unanimous in favor, with no votes against; motion carried.

President Hedrick then called for consideration of the request of PTT Samantha Kryzak for an extension of time to take and pass the National PT certification examination for registration as a PT in West Virginia. She began employment as a PTT on January 7, 2013, under the old 2-year, 2080 hour training requirements, but, upon completion, she failed the national examination. She is scheduled to retake it on February 20, 2015. She requests that she be able to continue to work until she is able to take and pass the exam. Mr. Potters explained that the new rules proposed by the Board and pending before the Legislature would provide 3 months from the date of completion of the training to pass a national certification examination under the new scheme. Mrs. Main made a motion to permit her 3 months from the date of her completion of training (until April 7, 2015), to pass the examination, during which time she could continue to work as a PTT; seconded by Mr. Castleberry. The vote was unanimous in favor, with no votes against; motion carried.

Next, the Board considered a request from Brian Gallagher, JD, RPh, regarding Marshall University School of Pharmacy on behalf of Marshall Health to approve a system of delivery of completed prescriptions from the hospital outpatient pharmacy to a clinical pharmacist in separate clinic setting for direct dispensing, counseling, MTM, and other pharmacist care services with patient, including the possible use of dispensing machines, a possible pneumatic tube delivery system, and other items. Mr. Gallagher gave a presentation on the proposal and took questions from the Board members and staff. Among other things, Mr. Gallagher assured the Board that the secure delivery process would have a pharmacist involved at both ends to

ensure safety and control over the medications. The stated goal was to get the patient, the medication, and the pharmacist in the same place at the same time for delivery of the dispensing and counselling/MTM, and other pharmacist care. The central processing and delivery out to the clinic settings, along with automated dispensing machines in some of the clinics, and delivery to the pharmacist at the clinic for the patients from the central pharmacy, would permit pharmacists to work directly with the patients in those clinics without having to operate a pharmacy in each clinic. During discussion, Mr. Kapourales stated that this would not be practical in retail/private business settings, but that it is appropriate to explore in an institutional teaching-school setting. Motion was then made by Mrs. Main to approve the request as presented; seconded by Mr. Woolcock. The vote was unanimous in favor, with no votes against; motion carried.

The Board then received a report from Mr. Potters concerning legislation pending before the Legislature during the regular legislative session. Mr. Potters highlighted a number of pieces of legislation proposed which would affect the practice of pharmacy, or affect how the Board functions, including bills sought by the Board to approve the pending Rules Title 15, Series 1, 7, 8, and 12. In Series 7, 8, and 12; seeking flexibility in the Official WV Prescription Paper Program rules to permit multiple vendors to compete directly in the marketplace and permit software and printing technology that uses plain paper to print tamper-resistant prescriptions directly from the prescriber's electronic prescribing program; moving Hydrocodone to C-II; creating a meth-offender registry and extending the NPLEX PSE reporting system sunset; enacting changes to the CSMP reporting to match ASAP 4.2 formats and clarify ID requirements; enacting the changes for board discretion for licensure of pharmacists who may have a felony on their record; adding pharmacists to the MPLA; permitting optometrists to prescribe limited quantities of Hydrocodone after the move to CII; and other issues the Board had endorsed or sought. Mr. Potters also reported on legislation that would create an umbrella agency over all of the health-related licensing boards, funded by the boards' fee revenues. Mr. Kapourales expressed concern about the umbrella agency bill, with Mr. Potters explaining that the Association of Licensing Boards had met and would meet more with the Legislature to try to find ways to seek efficiencies without creating this new umbrella board. Mr. Potters also reported that NABP had provided information about these efforts in other states like North Carolina which have been put on hold and studied there. Mr. Potters also informed the Board that industry lobbyists were seeking to increase the PT to pharmacist ratio from 4:1 to either 6:1 or unlimited. The Board did not make any changes to its prior recommendations.

As the final action item on the Agenda, Mr. Hedrick called for the Board to conduct interviews of candidates for two potential positions of employment as an inspector with the Board, one to replace Inspector Irvin VanMeter who plans to retire, and an additional position to be created as a new territory due to increased number of licensees over the years. Motion was then made by Mrs. Main for the Board to go into executive session to review submitted resumes and conduct interviews of candidates for the position or positions; seconded by Mrs. Heavener. The vote was unanimous in favor, with no votes against, motion carried. Mr. Hedrick declared the Board in executive session.

The Board then conducted interviews of three of the four candidates it selected from the submitted resumes for the positions, with the fourth candidate withdrawing as he plans to live part of the year out-of-state. The candidates interviewed were: Karen Dusci-Famoso, Lisa Hedrick, and Dailey Shrout. After conducting the interviews, President Carl Hedrick declared the Board back into public session with no official action taken. Sam Kapourales made a motion to offer a position as a part-time inspector as an employee at will at a pay rate of \$400.00 per day with no benefits to Lisa Hedrick and Karen Famoso, and for the staff to restructure the territories

accordingly and present the new proposed territories to the Board for approval; seconded by Mr. Karos. The vote was unanimous in favor, with no votes against; motion carried.

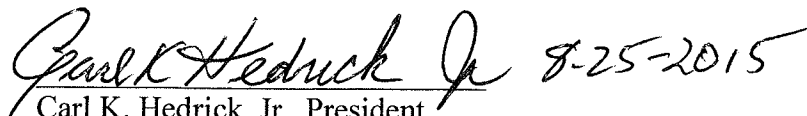

Mr. Hedrick discussed scheduling the next regular meeting, which is set for March 29 and 30, 2015, in Morgantown, West Virginia. Mr. Hedrick then discussed him and Mr. Woolcock working with the staff to see about holding the NABP District I & II meeting at The Greenbrier in 2016. Mr. Woolcock has contacted The Greenbrier to begin discussions on possible accommodations and pricing. Mr. Potters has gathered some information from Virginia on logistics of the one they just held.

Ben Frick of Roadrunner Pharmacy then asked to address the board with information. He discussed that they are a vet community pharmacy practice and needs for compounded medications, including for office stock. He indicated that there are concerns about shortages and back-ordered medications, and other regularly used compounds that have in the past been supplied as stock, and requested that the Board consider their special case in any future rulemaking or statutory changes with regard to compounding for veterinarians for stock.

Finally, Mr. Potters announced that the FDA had called another stakeholder meeting on compounding pharmacies and 503b outsourcing facilities in March, and indicated that Inspectors Selby and Shallis had volunteered to attend. Mr. Castleberry made a motion to formally approve their attendance, seconded by Mrs. Heavener. The vote was unanimous in favor, with no votes against; motion carried.

Motion was made by Mrs. Main to adjourn. Seconded by Mrs. Heavener. President Hedrick declared the meeting adjourned.

Adjourn.

**MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY**  
**CHARLESTON, WEST VIRGINIA, March 24, 2015**

The Board convened in the Board Office Conference Room, 2310 Kanawha Boulevard, East, Charleston, West Virginia, at 10:00 a.m., on Tuesday, March 24, 2015, with President Carl K. Hedrick, Jr. presiding. President Hedrick appeared in person with the following Board members present by teleconference on speakerphone: Vice-President Charles Woolcock, Secretary Rebekah Heavener, Mr. Sam Kapourales, Mr. George Karos, and Mrs. Lydia Main. Mr. Martin Castleberry was unable to attend. Also present in the office were Executive Director and General Counsel David E. Potters; Assistant Executive Director Betty Jo Payne; and Board Inspectors Irvin VanMeter and Charles V. "Buck" Selby. Present on the conference call was Board Inspector Lisa Hedrick.

President Hedrick stated that proper notice of this meeting had been filed with the Secretary of State and posted on the Board's website. The Agenda was also posted on the Board's website and made available through the Office. As the sole item on the agenda to be discussed was review of résumés for the position of Inspector, and discussion of logistics surrounding potential interviews. A motion was made by George Karos to go into executive session to discuss the personnel matters; seconded by Lydia Main. The vote was unanimous in favor, with no votes against, motion carried. During executive session, the Board Members and staff reviewed and discussed each of the résumés received.

President Carl Hedrick declared the Board back into public session, and announced that the Board had selected three candidates to invite for interviews on March 29 and 30, 2015, at the Board meeting in Morgantown, West Virginia. He then announced that Mr. Potters is instructed to extend the invitations, and notify the other applicants that they would not be considered for an interview at this time.

Motion was made by Charles Woolcock to adjourn. Seconded by George Karos. President Hedrick declared the meeting adjourned.

Adjourn.

**MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY**  
**MORGANTOWN, WEST VIRGINIA, MARCH 29 AND 30, 2015**

The Board convened in the Marriott Residence Inn main conference room in Morgantown, West Virginia, at 4:00 p.m., on Sunday March 29, 2015, with President Carl K. Hedrick, Jr. presiding.

Present with Mr. Carl K. Hedrick, Jr. were the following Board members: Mr. Charles Woolcock Vice President, Mrs. Rebekah Heavener, Secretary, Mr. George Karos, Mr. Martin Castleberry and Mrs. Lydia Main. Board Member Mr. Sam Kapourales was unable to attend. Also present were David E. Potters, Executive Director and General Counsel; Assistant Executive Director Betty Jo Payne; the Board Inspectors, Arlie Winters, Irvin VanMeter, Thomas Dave Gerkin, Roger Shallis, Charles "Buck" Selby, Lisa Hedrick, and Investigator, David Lucas.

President Hedrick called the meeting to order and stated that a quorum was present. He then stated that proper notice of this meeting had been filed with the Secretary of State. The Agenda was also posted on the Board's website and made available through the Office.

Motion was made by Charles Woolcock and seconded by Martin Castleberry to go into Executive Session to conduct interviews of prospective inspector candidates, and to receive Complaint Committee Report. The Board conducted interviews of two candidates selected from the resumes for the inspector position. The candidates interviewed were Frank Sebroski and Donald Klamut. The Board also proposed to interview Chaz Nancarrow; however, he withdrew his application due to other opportunities at this time. After the interviews and discussion of the Complaint Committee Report, President Carl Hedrick declared the Board back into public session with no official action taken.

Motion was made by Martin Castleberry and second by Rebekah Heavener to approve the Complaint Committee Report and its recommendations; to modify the recommendation in a prior case, Case # 2014-10-45, to a reprimand with no fine or CPE hours with the agreement that the pharmacist is retiring from practice in April, 2015, and will allow his license to lapse without renewal when it expires; and to eliminate the fine against the pharmacy defendant in Case Nos. 2013-05-24 and 2013-08-43 (consolidated), leaving only \$1,500 in costs, as the owners have sold the pharmacy, in exchange for the non-pharmacist owner's agreement not to participate in ownership of another pharmacy in the future unless a petition to do so is granted by the Board. The vote was unanimous in favor, with no votes against, motion carried.

Motion was Martin Castleberry and seconded by Lydia Main to offer the inspector position to Donald Klamut, and if for any reason he declines the position, then as an alternate it will be offered to Frank Sebroski. The vote was unanimous in favor, with no votes against, motion carried.

President Hedrick then declared the meeting into recess and to be continued in the conference room at the School of Pharmacy, West Virginia University at 8:00 a.m., March 30, 2015.

The Board Meeting continued on Monday, March 30, 2015, at 8:00am, in the Dean's Conference Room at the West Virginia University School of Pharmacy in Morgantown, West Virginia, with President Carl Hedrick presiding. Present with Mr. Carl K. Hedrick, Jr. were the following Board members: Mr. Charles Woolcock Vice President, Mrs. Rebekah Heavener, Secretary, Mr. George Karos, Mr. Martin Castleberry and Mrs. Lydia Main. Board Member Mr. Sam Kapourales was unable to attend. Also present were David E. Potters, Executive Director and General Counsel; Assistant Executive Director Betty Jo Payne; the Board Inspectors, Arlie Winters, Irvin VanMeter, Thomas Dave Gerkin, Roger Shallis, Charles "Buck" Selby, Lisa Hedrick, and Investigator, David Lucas. Members of the public were also in attendance. They included Bridget Lambert, from the West Virginia Retailers Association, and John Foglia, from Acuity Hospital.

President Hedrick called the meeting back to order and stated that a quorum was present. He then reiterated that proper notice of this meeting had been filed with the Secretary of State, and that the Agenda was posted on the Board's website and made available through the Office. George Karos gave an invocation to begin the meeting with prayer.

Mr. Potters addressed the Board concerning the inspection schedule for manufacturers and wholesalers, and licensing of medical gas companies as manufacturers or wholesalers. The inspectors present indicated that they feel they can inspect the in-state facilities biannually, the same as they do for pharmacies (Noting, however, that sterile and nuclear compounding pharmacies are now inspected annually). Mr. Potters also indicated that many medical gas companies have been traditionally licensed in West Virginia as wholesale distributors, but they are really repackaging in to different canisters and fit the definition for manufacturing. Motion was made by Lydia Main and seconded Martin Castleberry to approve a biannual inspection schedule for in-state wholesalers and manufacturers, and to license medical gas companies who fit the definition of manufacturing through repackaging as manufacturers. The vote was unanimous in favor, with no votes against, motion carried.

Next, Mr. John P. Foglia, RPh, appeared before the Board requesting approval of an Omnicell Automated Dispensing Cabinet at an inpatient facility. The medications are double-checked by a pharmacist before they are sent to the facility in secure totes, where they are kept in locked and sealed storage until needed. Only in case of an emergency due to weather or other issues when a pharmacist is unable to get to the facility, a pharmacist will remotely supervise via secure link, including multiple video feeds, the process of a pharmacy technician accompanied by a nurse to go into the sealed storage, obtain the necessary pre-packed and checked cell, scan the QR Code to ensure the correct medication cell is selected, and restock the machine. The pharmacist will document the date, time, list of what was done, and any issues or other material data, including rejections if the QR code scan was not successful. After the presentation, Mr. George Karos made a motion to approve this request for emergency stocking as presented,

seconded by Lydia Main. The vote was unanimous in favor, with no votes against, motion carried.

Mr. Potters addressed the Board on a request of LA BioMed for a non-resident (mail order) pharmacy exemption for dispensing for a Phase 3 study. The study will last 52 weeks, and will involve some patients in West Virginia. The patients will travel out-of-state to the principle investigator who will administer the randomized experimental medication, or Mycophenolate Mofetil (MMF), or placebo, and other non-investigational medications. However, the subjects will need to take the MMF/placebo tablets, and prednisone daily. LA BioMed asks to be permitted to dispense these daily medications by mail to the patients for the duration of the study without obtaining a mail order license. Motion was made by Rebekah Heavener and seconded by Lydia Main to approve his request. Motion carried by majority vote. Mr. George Karos and Mr. Charles Woolcock opposed.

David Potters addressed the Board on a request of Ross Education, LLC for approval of its PT Training Program. The program is approved by the Community & Technical College School System of West Virginia and similar bodies of several other states, and the centers are accredited by the Accrediting Bureau of Health Education Schools. In addition, Ross is seeking ASHP accreditation for its program in the Fort Wayne, Indiana campus at this time. Motion was made by George Karos and seconded Rebekah Heavener to approve this request. The vote was unanimous in favor, with no votes against, motion carried.

Next, the Board took up an issues brought by Inspector Selby concerning questions received in the office about pharmacists from out-of-state performing MTM, diabetes counseling, and other similar pharmacist care services without the dispensing of any medications. Some states, like Kentucky, require a non-dispensing pharmacy license. Current West Virginia law will permit a pharmacist licensed in West Virginia to provide these services. After discussion motion was made by Rebekah Heavener and seconded by Lydia Main to not take steps to change the law to require a non-dispensing pharmacy permit, and to continue to permit pharmacists to do these services under their West Virginia license. The vote was unanimous in favor, with no votes against, motion carried.

Mr. Potters address the Board on considering requests for reciprocity/license transfer of pharmacists with prior disciplinary issues of concern:

a. Paul Yamamoto- prior discipline for substance abuse, with evidence of treatment and continued recovery. George Karos made the motion and seconded by Rebekah Heavener to approve the application subject to him entering into a Last Chance Agreement. The vote was unanimous in favor, with no votes against, motion carried.

b. Richard Magliano- prior discipline for substance abuse. The board had previously denied his request, but further documentation was submitted by the Ohio pharmacist recovery network showing Mr. Magliano's successful treatment and recovery, with ongoing monitoring since concluded. George Karos made the motion and seconded by Rebekah Heavener to approve the application subject to him entering into a Last Chance Agreement. The vote was unanimous in favor, with no votes against, motion carried.

c. Nayan Patel- request to reconsider. Citations from the California Board of Pharmacy show that he was cited as the PIC and owner of his pharmacy twice in 2010, once in 2012, and again in January, 2014, with the 2012 citation including a \$5,000,000.00 fine for illegal internet dispensing with no legal prescription due to no prescriber-patient relationship and no legitimate medical purpose, with stock ordered from unlicensed wholesaler(s), and other related issues. Mr. Patel produced a letter from the California Board to state that the citations do

not comport to formal discipline, but are a lesser form of intervention that is not reported as formal discipline. However, based upon the operation of the illegal internet operation for steroids, obtaining stock from unlicensed entities, the severity of the fines, and the other issues exposed in the record of Mr. Patel's license, Charles Woolcock made the motion to deny licensure, seconded by Rebekah Heavener. The vote was unanimous in favor, with no votes against, motion carried.

Mr. Buck Selby and Roger Shallis gave an update on the MOU with the states addressing distribution of compounded human drugs at the meeting they had attended. After the discussion, including how this will be affect differences between 503A facilities doing traditional compounding versus 503B Outsourcing Facilities to manufacture and sell for stock, the Board deciding to table the consideration until further information can be gathered through NABP's lead position on this issue. Motion was made by Lydia Main seconded by Rebekah Heavener. The vote was unanimous in favor, with no votes against, motion carried.

Mr. Potters gave a review update on legislation passed during West Virginia Legislature's 2015 Regular Legislative Session affecting practice of pharmacy and controlled substances, including passage of the Board's rules which were pending this past session. Bridgette Lambert addressed the Board on the positive outcome of industry's efforts to have pharmacists and pharmacies added to the coverages and protections of the Medical Professional Liability Act. This was informational only, and no action was taken.

Mr. Potters gave the Board a brief update on the request for an extension of the SAMSHA grant for the CSMP to be directly integrated into some prescribers and dispensers software, and on the status of the one-year free extension of the license for the CSMP software pending approval by the Office of Technology of the annual proprietary maintenance contract. Finally, Mr. Potters brought to the Board's attention nominees for vacancies in the CSMP Advisory and Review Committees. Motion was made by George Karos and seconded by Charles Woolcock to approve Dr. Bradley Henry to fill the vacancy on the CSMP Review Committee. The vote was unanimous in favor, with no votes against, motion carried. Motion was made by George Karos and seconded by Lydia Main to permit more time for the West Virginia Pharmacist Association to submit a name of a pharmacist for the pharmacist-vacancy on the Review Committee. The vote was unanimous in favor, with no votes against, motion carried.

Mrs. Lydia Main was nominated to be the Board's official voting delegate, and Jody Hedrick as the alternate, for the NABP Annual meeting in May, 2015. Motion was made by George Karos to approve the nominations, seconded by Charles Woolcock. The vote was unanimous in favor, with no votes against, motion carried.

Mr. David Potters gave an update on Board Financial status, including spending under the current budget, and collections to date. All is on course to be within projections on spending. Collections are expected to pick-up during licensing renewal in the final quarter.

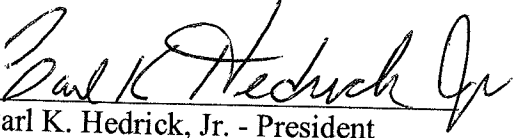

Mr. Potters reported on several maintenance issues, including a sewage issue under the crawl space where a cap was left off of a clean-out, and then a clog had to be repaired once the cap was replaced. He then showed the board photos of deteriorating back outside stairs, asked the Board to consider maintenance issues for them as this is the main employee's entrance to the back door, and reported a suggestion for pouring an adjacent concrete pad in the back for lunch table. Motion was made by Lydia Main and seconded by Martin Castleberry to approve seeking

bids to repair the steps and pour a pad. The vote was unanimous in favor, with no votes against, motion carried.

The next regular Board Meeting will be held in Martinsburg, West Virginia on June 27<sup>th</sup> and 28<sup>th</sup>, 2015.

Motion was then made by Mr. Martin Castleberry, and seconded by Mr. George Karos, to adjourn.

Adjourn.

## **MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY** **CHARLESTON, WEST VIRGINIA, MAY 21, 2015**

The Board convened in the Board Office Conference Room, 2310 Kanawha Boulevard, East, Charleston, West Virginia, at 10:00 a.m., on Thursday, May 21, 2015, with President Carl K. Hedrick, Jr. presiding. President Hedrick appeared in person in the Board office along with Board member Mr. Martin Castleberry; the following Board members were present by teleconference on speakerphone: Vice-President Charles Woolcock, Secretary Rebekah Heavener, Mr. Sam Kapourales, and Mr. George Karos. Mrs. Lydia Main was unable to attend. Also present in the office were Executive Director and General Counsel David E. Potters and Board Inspector Lisa Hedrick. Present on the conference call were Board Inspectors Dave Gerkin, Buck Selby, Roger Shallis, and Don Klamut; and Board Investigator Fred Wagoner.

Members of the public attending the meeting were Krista Capehart, RPh, of WVU School of Pharmacy Wigner Institute for Advanced Pharmacy Practice, Education and Research; Mark Polen of LGCR Government Solutions representing Rite Aid; Richard Stevens of WVPA; Bridgette Lambert of WVRA; and Brian Gallagher, RPH, of Marshall University School of Pharmacy.

President Hedrick recognized a quorum, and stated that proper notice of this meeting had been filed with the Secretary of State and posted on the Board's website. The Agenda was also posted on the Board's website and made available through the Office. As the sole item on the agenda to be discussed was review of draft proposed revisions to legislative rules in Title 15, Series 1, 2, 4, and 5, for filing with West Virginia Secretary of State and the Legislative Rule Making Review Committee.

Mr. Hedrick called on Mr. Potters to review the proposed changes to each rule. Mr. Potters reviewed each change with the Board in each Series, one by one. After explanation by counsel, by consensus, the Board agreed that Series 5 dealing with wholesale drug distributors, manufacturers, and third-party logistics providers should treat all out-of-state manufacturers as manufacturers under the rule (rather than as wholesale distributors which is now prohibited by Federal law), and directed Mr. Potters to revise it as such prior to filing. Brian Gallagher pointed out that some portions of Series 1 refer to pharmacy interns per that term, and other portions just use the word intern, and the Board agreed by consensus to direct Mr. Potters to make the term consistent throughout. Motion was made then made by George Karos to approve proposed revisions to legislative rules in Title 15, Series 1, 2, 4, and 5, for filing with West Virginia Secretary of State and the Legislative Rule Making Review Committee, with changes as directed

to counsel as discussed; seconded by Charles Woolcock. The vote was unanimous in favor, with no votes against, motion carried.

Motion was made by Charles Woolcock to adjourn. Seconded by Martin Castleberry. The vote was unanimous in favor, with no votes against, motion carried. President Hedrick declared the meeting adjourned.

Adjourn.

## **MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY** **MARTINSBURG, WEST VIRGINIA, JUNE 27 AND 28, 2015**

The Board convened in the Holiday Inn Conference Room, in Martinsburg, West Virginia, at 3:00 p.m., on Saturday June 27, 2015, with President Carl K. Hedrick, Jr. presiding. Present in person with President Hedrick were the following Board members: Mr. Charles Woolcock Secretary, Mr. George Karos, Mr. Martin Castleberry and Mrs. Lydia Main; Vice President Rebekah Heavener attended by conference call via speakerphone. Board Member Mr. Sam Kapourales was unable to attend. Also present were David E. Potters, Executive Director and General Counsel; Assistant Executive Director Betty Jo Payne; Board Inspectors Arlie Winters, Thomas Dave Gerkin, Roger Shallis, Lisa Hedrick, and Don Klamut; Investigators, Fred Wagoner and David Lucas. Inspectors Charles "Buck" Selby and Irvin VanMater were unable to attend. Members of the public were also in attendance. They included John W. Aldis, M.D.; Michael Podgurski, Scott Jacobson, and [illegible name] on behalf of Rite Aid Pharmacy; and Mark Poland of LGCR Government Solutions.

President Hedrick called the meeting to order and stated that a quorum was present. He then stated that proper notice of this meeting had been filed with the Secretary of State, and that the Agenda was posted on the Board's website and made available through the Office.

President Hedrick called for the review of the minutes from the prior meeting of March 29-30, 2015. Motion was made by Lydia Main to approved minutes of March 29-30, 2015, seconded by Charles Woolcock. The vote was unanimous in favor, with no votes against, motion carried.

Next, Mr. Hedrick called for nominations for Board officers and committees for the July 1, 2015 through June 30, 2016, fiscal year. Mr. Karos made a motion to keep the same elected officers: President Hedrick, Vice President Heavener, and Secretary Woolcock; Lydia Main seconded. Motion was made by Lydia Main to close the nominations, seconded by Rebekah Heavener. President Hedrick declared the nominations closed with no opposition. The vote was held on the nominations, and was unanimous in favor, with no votes against, motion carried.

George Karos made a motion to keep same members on the Complaint Committee (Sam Kapourales and Charles Woolcock) and Continuing Pharmacy Education Committee (Jody Hedrick); seconded by Lydia Main. Martin Castleberry made a motion to close, seconded by Rebekah Heavener. President Hedrick declared the nominations closed with no opposition. The

vote was held on the nominations, and was unanimous in favor, with no votes against, motion carried.

Motion was made by Lydia Main to go into Executive Session to discuss employee reviews and salaries, and to receive Complaint Committee reports. After the discussion of the employees and the Complaint Committee Reports, President Carl Hedrick, Jr. declared the Board back into public session with no official action taken.

Motion was made by George Karos and seconded by Lydia Main to approve the Complaint Committee Report and its recommendations. The vote was unanimous in favor, with no votes against, motion carried.

George Karos made a motion to increase Andrea Ross's part-time hourly rate \$1.00 per hour, seconded by Lydia Main. The vote was unanimous in favor, with no votes against, motion carried. Next, motion was made by George Karos and seconded by Martin Castleberry to give a 4% increase in salary to Brenda Knoth, Victoria Guerra, Michelle Pauley and Cynthia Parsons. The vote was unanimous in favor, with no votes against, motion carried.

President Hedrick then called for the Board to address the next item on the agenda, attendance at the upcoming NABP District 1 and 2 meetings. Motion was made by Martin Castleberry and seconded by George Karos to approve Jody Hedrick, Lydia Main and Dave Potters to attend the District 1 and 2 meeting, September 24-26, 2015.

President Carl K. Hedrick, Jr. declared meeting into recess, to be reconvened at 8:00 a.m., Sunday, June 28, 2015. The Board continued the meeting on Sunday, June 28, 2015, at 8:00 a.m. in the Holiday Inn Conference Room, in Martinsburg, West Virginia, with President Carl K. Hedrick, Jr., presiding. Present in person with President Hedrick, Jr., were the following Board members: Mr. Charles Woolcock Vice President, Secretary, Mr. George Karos, Mr. Martin Castleberry and Mrs. Lydia Main. Also present were David E. Potters, Executive Director and General Counsel; Assistant Executive Director Betty Jo Payne; the Board Inspectors, Arlie Winters, Thomas Dave Gerkin, Roger Shallis, Lisa Hedrick, and Don Klamut; Investigators, Fred Wagoner and David Lucas. Attending by conference call via speakerphone were Board Members Rebekah Heavener and Sam Kapourales, and Inspector Charles "Buck" Selby.

President Hedrick called the next item on the agenda, the request from PTT Morgan Rexroad for an extension of time to complete her pharmacy technician training hours due to being a full time college student, and only working part time as a PTT. Following discussion, motion was made by Lydia Main and seconded by Charles Woolcock to approve the request, granting a 3 month extension to complete her pharmacy technician training hours. The vote was unanimous in favor, with no votes against, motion carried.

Dr. John Aldis addressed the Board regarding prescribing Naloxone, after a training course, to persons at risk of experiencing an opiate-related overdose, or to a relative, friend, or caregiver of such a person. He reviewed his program and the new statutory language permitting the prescribing of Naloxone. Mr. Potters advised the Dr. Aldis should, of course, check with his own licensing board, but that Mr. Potters believes the prescriptions issued as described could legally be filled by pharmacies.

Next, Mr. Hedrick called the Board to discuss two requests from Rite Aid Pharmacy. Because she is an employee of Rite Aid, Vice President Heavener recused herself from any

discussions and decisions, and left the room. The Board then discussed the request by Rite Aid Pharmacy to approve its ASHP accredited Pharmacy Technician Train Program. Motion was made by Martin Castleberry and seconded by Lydia Main to approve the PTT training course as presented. The vote was unanimous in favor, with no votes against, motion carried; Mrs. Heavener was recused and did not participate in the discussions or vote.

Next, with Mrs. Heavener still recused and not present in the room, the Board addressed the request from Rite Aid to approve its in-state workload balancing program with a waiver from Rule 15-1-14-14-7.5 and 7.6 and any other necessary provisions. The Rite Aid representatives addressed the Board with a presentation on their program, and proposed policies and procedures. The program will be very similar to what had been previously approved by the Board for WalMart pharmacies located in West Virginia. In essence, Rite Aid's pharmacies located within the state will use their real-time shared databases to allow one pharmacy to pull prescription orders from another pharmacy to do the review and verification, drug utilization review, and other such cognitive services which are part of the dispensing process for that prescription. Once the review is completed and the prescription verified, it will then be released on the computer system back to the originating pharmacy for them to actually fill and complete dispensing of the prescription to the patient. All pharmacists, pharmacy interns, and/or technicians who work on the prescription will be electronically documented in the "audit trail" in case there is any issue or complaint. Lydia Main made a motion seconded by George Karos to approve the program and waiver as presented. The vote was unanimous in favor, with no votes against, motion carried; Mrs. Heavener was recused and did not participate in the discussions or vote.

Following completion of the Rite Aid requests, Mrs. Heavener was called back into the room, and she rejoined the Board meeting. At this time, Mr. Hedrick asked the board to consider the annual request from AstraZeneca/MedImmune for a waiver from Rule § 15-1-14.7.5 and any other necessary provisions to be able to dispense specialty drug Synagis directly to the prescriber's office for immediate administration to the patient, rather than having to dispense it to the patient, given the special handling requirements. Motion was made by Rebekah Heavener and seconded by Lydia Main to approve the waiver for a period of 2 years so long as there are no changes in that time to the drug or distribution, delivery, or dispensing system. The vote was unanimous in favor, with no votes against, motion carried.

The Board then took up the request from Cardinal Health regarding issuance of a new license to a newly acquired distributor currently licensed in West Virginia under the prior owner. Mr. Potters reported that the transaction was already closed, now home state licenses were issued, and the Board staff had issued the new licenses to Cardinal, such that the issue was taken care of and moot.

Mr. Hedrick then asked Mr. Potters, to discuss with the Board the progress on requiring criminal background checks for Pharmacy Technician and Pharmacy Technician Trainees. Mr. Potters reported that Michelle Pauley had done much work to get the Board set up with the West Virginia State Police's vendor to do the State background checks, and that we are still waiting for the federal approval for federal background checks. State background checks will be commencing in the immediate future. Motion was made by Rebekah Heavener and seconded by Lydia Main to approve trainee applications and to begin work subject to getting a state background check until the federal background checks are enabled, so as not to unreasonably hold-up new PTTs and PTs from beginning their employment. The vote was unanimous in favor, with no votes against, motion carried.

Next, Inspector Charles Selby reviewed with the Board the new inspectors training manual. He described the contents and process for updating inspection forms and such, and reviewed the national trainings inspectors were attending for inspection training, sterile and non-sterile compounding training, and other such issues. On behalf of the Board, Mr. Hedrick thanked Inspector Selby and the other inspectors for their work updating the training manual, and keeping abreast of the new developments in the field.

Mr. Hedrick, Mr. Woolcock, and Mr. Potters updated the Board on the progress for the planning for hosting the 2016 NABP District 1 and 2 Meeting in West Virginia in September 2016. They reported that The Greenbrier is able to host the meeting, has provided a draft contract, and provided a discounted room rate. The group is still working on pricing for meeting rooms, food, receptions and such. They will be seeking representation from the three in-state schools of pharmacy to assist in planning and fundraising since this is a joint meeting with AACP.

Next, Mr. Potters presented the responses to the request for public for proposed revisions to legislative rules in Title 15, Series 1, 2, 4, and 5, for filing with WVSOS and WVLRMRC. Only one comment was received from the National Association of Chain Drug Stores, seeking clarification of Section 15-1-3.14.1 that waiver requests and approvals can be addressed for a specific location or "location(s)" when more than one single site would be covered by a request. No other public comments were received. Motion was made by Lydia Main and seconded by Rebekah Heavener to accept the request, and to direct Mr. Potters to draft changes compatible with the comment. The vote was unanimous in favor, with no votes against, motion carried. Lydia Main made a motion to approve the filing of the rules and public comments with the Secretary of State and LRMRC, seconded by George Karos. The vote was unanimous in favor, with no votes against, motion carried.

The next regular Board Meeting will be held at Residence Inn in Morgantown, West Virginia on September 27 and 28, 2015.

Finally, revisiting the issues of employee raises, Mr. Potters had not asked for raises for all employees, leaving out the senior/executive staff, but the Board felt that all merited an increase. Mr. Potters indicated that, for the sake of being conservative and making sure that collections in the coming years exceeded the budget, that the Board pass him over for a raise, but, of course, to give one to the other more senior employees if that was the Board's pleasure. Money exists in the budget for such. Mr. Potters also agreed that, on merit, all of the staff deserved a raise. Motion was made by George Karos and seconded by Lydia Main to give a 2% cost of living raise to Betty Jo Payne, Mike Goff, Fred Wagoner, and David Lucas. The vote was unanimous in favor, with no votes against, motion carried.

Motion was then made by Mrs. Lydia Main, and seconded by Mr. George Karos, to adjourn.

Adjourn.

## **MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY** **MORGANTOWN, WEST VIRGINIA, SEPTEMBER 27 AND 28, 2015**

The Board convened in the Marriott Residence Inn main conference room in Morgantown, West Virginia, at 5:00 p.m., on Sunday September 27, 2015, with President Carl K. Hedrick, Jr. presiding.

Present with Mr. Carl K. Hedrick, Jr. were the following Board members: Mr. Charles Woolcock Vice President, Mrs. Rebekah Heavener, Secretary, Mr. George Karos, Mr. Martin Castleberry and Mrs. Lydia Main. Also present were David Potters, Executive Director and General Counsel; Assistant Executive Director Betty Jo Payne; the Board Inspectors, Don Klamut, Irvin VanMeter, Thomas Dave Gerkin, Roger Shallis, Charles "Buck" Selby, Lisa Hedrick, and Board Investigators Fred Wagoner and David Lucas.

President Hedrick called the meeting to order and stated that a quorum was present. He then stated that proper notice of this meeting had been filed with the Secretary of State. The Agenda was also posted on the Board's website and made available through the Office.

President Hedrick called for the review of the minutes from the prior meeting of June 27-28, 2015. Motion was made by Lydia Main to approve the minutes, seconded by Rebekah Heavener. All in favor with no votes against, the motion carried.

Motion was made by George Karos and seconded by Martin Castleberry to go into Executive Session to receive the Complaint Committee Report and Recommendations. All in favor with no votes against, the motion carried; President Hedrick declared the Board to be in executive session. Following discussion of the Complaint Committee Report and Recommendations, Mr. Hedrick declared the Board back into public session with no official action taken. George Karos made a motion to approve the report, seconded by Lydia Main. All in favor with no votes against, the motion carried; Complaint Committee members Mr. Hedrick and Mr. Woolcock abstained from the vote. In addition, Mr. Karos questioned whether technicians who are being revoked for drug diversion should also be fined and assessed costs. Discussion then centered on how revocation is the most severe discipline available, that their livelihood is being removed, and they typically do not have a lot of money, which raises question of ability to pay and collection. Discussion also focused upon the desire to get these cases completed through a consent agreement, and that if forced to hearing, then fines and costs could be assessed. Mr. Karos asked that the issue be considered further in the future.

Mr. Potters provided a brief update on the Boards financial report. He provided excerpts of information provided by the Finance Division on the current budget total, current income, current expenditures, and current amount of cash on deposit. Motion was made by George Karos, seconded by Lydia Main, to approve the financial report subject to audit.

President Hedrick then declared the meeting into recess, to be continued in the conference room at the West Virginia University, School of Pharmacy, Wigner Suite, Room 1127, at 8:00 a.m., September 28, 2015.

The Board Meeting continued on Monday, September 28, 2015, at 8:00am, in the Wigner Suite, Room 1127, at the West Virginia University School of Pharmacy in Morgantown, West Virginia, with President Carl Hedrick presiding. Present with Mr. Carl K. Hedrick, Jr. were the following Board members: Mr. Charles Woolcock Vice President, Mrs. Rebekah Heavener, Secretary, Mr. George Karos, Mr. Martin Castleberry and Mrs. Lydia Main. Also present were David E. Potters, Executive Director and General Counsel; Assistant Executive Director Betty Jo Payne; the Board Inspectors, Don Klamut, Irvin VanMeter, Thomas Dave Gerkin, Roger Shallis, Charles "Buck" Selby, Lisa Hedrick, and Investigator, David Lucas. Members of the public were also in attendance. They included Nathan Kahn, Scott Brown, and Alaina Crislip from Thomas Health Systems; Ken Priddy from Thomas Hospital; and Visitor's, Andrew M. Donald and Susan Vetter.

President Hedrick called the meeting back to order and stated that a quorum was present. He then reiterated that proper notice of this meeting had been filed with the Secretary of State, and that the Agenda was posted on the Board's website and made available through the Office. George Karos gave an invocation to begin the meeting with prayer.

First, the Board considered the request from University of Charleston School of Pharmacy for external stakeholder input into its self-studying process for Standards 15 and 26 of ACPE 2007 Accreditation Standards. UCSOP asked that a board member or the executive director consider assisting the self-study process by providing feedback on the school's narratives it developed to meet the standards. George Karos volunteered to participate, which was approved by acclamation.

President Hedrick then called on Mr. Potters to introduce the request from Thomas Hospital and St. Francis Hospital for a waiver from Rule § 15-1-14.7.5 and 7.6 to be able to deliver prescriptions to employees at St. Francis Hospital from its inpatient pharmacy at Thomas Hospital. Mr. Potters explained that this was similar to a past waiver given to CAMC hospitals to deliver within its hospital system. Nathan Kahn, Scott Brown, and Alaina Crislip from Thomas Health Systems and Ken Priddy from Thomas Hospital then made a presentation and answered questions about their request, including the process flow chart, tracking or audit trail of all responsible in the fill and dispensing process, security at St. Francis Hospital to keep the prescriptions in a locked cabinet in the pharmacy until pick-up, return and reconciliation of those not picked up, and patient counselling. Motion was made by George Karos and seconded by Rebekah Heavener to approve the request from Thomas Hospital and St. Francis Hospital for waiver from Rule § 15-1-14.7.5 and 7.6 to deliver prescriptions to employees from the Thomas Hospital inpatient pharmacy to its employees at St. Francis Hospital. Martin Castleberry recused himself and did not participate in the discussion or vote due to an immediate family member being employed at the hospital. All in favor with no votes against, the motion carried.

Next, Andrew McDonald presented himself before the Board upon his request for reinstatement as a pharmacist. He explained his past addiction, criminal history, and continued recovery. Motion was made by George Karos and seconded by Lydia Main to approve the request from Andrew McDonald for reinstatement of his pharmacist license, subject to him passing the NAPLEX and MPJE exams, along with a satisfactory background check showing no new criminal charges since his original convictions causing him to lose his license. All in favor with no votes against, the motion carried.

Mr. Potters then presented information provided regarding Christopher Ball's application for license transfer to West Virginia. After discussion of his prior disciplinary history including history of drug diversion and addiction and recovery, motion was made by Lydia Main and seconded by George Karos to accept the application for reciprocity/license transfer subject to passing all required testing. All in favor with no votes against, the motion carried.

Motion was made by George Karos and seconded by Charles Woolcock to approve the request from CE Healthcare Life Sciences for Board to recommend removal of DaTscan (ioflupane 1-123 injection) from the State controlled Substances schedules as done by the DEA. All in favor with no votes against, the motion carried.

Next the Board reviewed the application of Courtney Staton, RPH, for approval to perform collaborative practice. Finding Ms. Staton meets the requirements, motion was made by Lydia Main and seconded by George Karos to approve the application. All in favor with no votes against, the motion carried.

Motion was made by Lydia Main and seconded by Rebekah Heavener to approve the request of Mercer County Technical Education Center, Randy Sparks, Adult Evening Community Education Coordinator of its Pharmacy Technician Training Program until 2017. All in favor, motion carried.

Motion was made by George Karos and seconded by Lydia Main to approve the request of American Nation University, Diane J. Morey, PhD, MSN, RN CNE, Vice President of Academic Affairs-Health Science Education, for approval of its Pharmacy Technician Training Program up to 2018. All in favor, motion carried.

The Board reviewed the request by Mercer County Technical Education Center to approve its learning institution based pharmacy technician training and education program. Motion was made by Lydia Main and seconded by Rebekah Heavener to approve this program through December 31, 2017. Next, the Board reviewed the similar request from American National University to approve its training program. George Karos made a motion to approve this program and all learning-institution based Pharmacy Technician education and training programs located in West Virginia which are accredited and approved by the West Virginia Higher Education Policy Commission through December 31, 2018. Seconded by Lydia Main. All in favor with no votes against, the motion carried. Further continuing the discussion, Lydia Main made a motion to accept all pharmacy technician education and training programs for use in West Virginia, whether on-the-job or learning institution based, which are accredited by ASHP. All in favor with no votes against, the motion carried.

Mr. Potters was then called on to discuss the process in reviewing applications for pharmacy technician trainees and pharmacy technicians. He indicated that we are seeing some in which the applicant properly discloses a criminal history which is confirmed by the background

check, but the individual, if a PTT, cannot begin working in a pharmacy until approved and registered. He asked if the Board might delegate some of the review to the staff so as not to prevent new PTTs from starting work as they have to do while waiting for the next board meeting and review, which can be up to 3 months. Motion was made by Lydia Main and seconded by Rebekah Heavener to approve staff to review the Pharmacy Technician and Pharmacy Technician Trainee applications for registration, including review of the applicant's criminal history, and to approve them if the history simply shows a misdemeanor for shoplifting, DUI 1<sup>st</sup> or 2<sup>nd</sup>, obstruction, or domestic assault more than 5 years old. Until decided otherwise, all others with misdemeanors would need to come before the board for review. All in favor with no votes against, the motion carried. Mr. Potters was then instructed to work with Investigator Lucas to develop a list of many of the misdemeanors in the state for the board to review and determine if it would allow staff authority to approve or reject applications with other certain charges, and present it at the next meeting.

The board then took up the request from Target Pharmacy T-1828 for extension of interim PIC period until permanent PIC finished training and starts. The new PIC has been hired and is undergoing corporate training until October 18, 2015. Motion was made by Rebekah Heavener and seconded by Martin Castleberry to approve the request for an extension through October 18, 2015. All in favor with no votes against, the motion carried.

Next, the Board reviewed the request of certain PTT's/PIC's to honor hours earned as PTT although no notification of PTT form (old 2-year/2080 hour process) is on record at the Board office, or they did not test at the end of the training period as follows:

- a. Justin Schoolcraft PIC, on behalf of PTT Katlynn Moore (no notice received). Motion was made by Lydia Main and seconded by Rebekah Heavener to approve the request. All in favor, motion carried. An investigation is already underway as to why no notice was received and will be presented to the Complaint Committee upon completion.
- b. Melissa Simmons, PIC on behalf of PTT Christina Wilkins (no notice received). Motion was made by Mr. Karos to approve the request, seconded by Ms. Heavener. All in favor, motion carried. An investigation will be undertaken as to why no notice was received and will be presented to the Complaint Committee upon completion.
- c. Jerad Castro, PIC on behalf of PTTs Loreina Gibson and Belinda McCune (did not test at end of training period). Motion was made by Mrs. Main to give until November 30, 2015 to pass a national certification examination and get fully registered as a PT. Seconded by Martin Castleberry. All in favor, motion carried.

After discussion of the CSMP contract expiring next July and the need to go out to bid for a new database, motion was made by Charles Woolcock and seconded by Lydia Main to approve Mr. Potters and Mike Goff to develop the specifications and bid package and put it out to bid with a certain internally discussed budgeted amount for the project. All in favor with no votes against, the motion carried. Next, the Board reviewed the nominations for the open pharmacist position trained in the use and abuse of controlled substances for the Review Committee. Mrs. Main made a motion, seconded by Mrs. Heavener, to approve the nomination of CK Babcock, RPH. All in favor with no votes against, the motion carried. Finally, the board discussed the Advisory Committee recommendation regarding what provider should be approved to conduct drug diversion investigator training of law enforcement who are granted access to the CSMP as required by statute. Motion was made by Mrs. Heavener to continue to accept DEA and/or NADDI drug diversion investigator training, and to also accept such training offered by

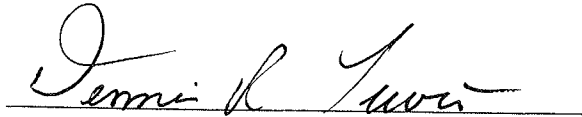

the West Virginia State Police Bureau of Criminal Investigations; seconded by Mrs. Main. All in favor with no votes against, the motion carried.

Last, Mr. Hedrick and Mr. Potters gave an update on the 2016 NABP District 1 & 2 Meeting planning and progress.

The next regular Board Meeting will be held in Charleston, West Virginia on December 6 & 7, 2015.

Motion was then made by Mrs. Lydia Main, and seconded by Mr. Martin Castleberry, to adjourn. Mr. Hedrick declared the meeting adjourned.

Adjourn.

A handwritten signature in cursive script, reading "Jenni R. Tuvor", is written over a horizontal line.

## **MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY** **CHARLESTON, WEST VIRGINIA, DECEMBER 6-7, 2015**

The Board convened in the Board Office Conference Room, 2310 Kanawha Boulevard, East, Charleston, West Virginia, at 5:00 p.m., on Sunday, December 6, 2015. Six new Board Members were appointed by Governor Earl Ray Tomblin on December 1, 2015: John "J.J." Bernabei, RPh; Everett Frazier, public member; Chuck Jones, public member; Kimberly Knuckles, RPH; Dennis Lewis, RPh; and Vicky Skaff, RPh. These six new board members were present for the meeting along with George Karos, RPh, who continues to serve. With the officer positions vacant, the Board agreed to have Executive Director and General Counsel David Potters preside over the meetings until elections of officers are held. Also present at the meeting were Assistant Executive Director Betty Jo Payne; Board Inspectors Don Klamut, Irvin VanMeter, Thomas Dave Gerkin, Charles V. "Buck" Selby, Roger Shallis and Lisa Hedrick; and Investigators Fred Wagoner and Dave Lucas. Members of the public attending the meeting were Mark Polen, of Lewis Glasser Casey & Rollins; Richard Stevens of WV Pharmacist Association; and Bridgette Lambert of WV Retailers Association.

Mr. Potters called the meeting to order and stated that a quorum was present. He then stated that proper notice of this meeting had been filed with the Secretary of State. The Agenda was also posted on the Board's website and made available through the Office. Mr. Potters welcomed the new Board Members, and Board member George Karos ceremonially administered the Oath of Office. Mr. Potters provided some orientation information for travel reimbursement and per diems, and the Board briefly discussed the mission of the board to protect the public health, safety, and welfare, certain parliamentary procedures including voting, abstentions and recusals, and other ministerial matters.

Mr. Potters then addressed the Board concerning election of officers and committees. As this was the first opportunity for the board members to meet with the new composition, Mr. Chuck Jones made the motion to postpone the election of officers until the next meeting. Vicky Skaff seconded. All in favor with no votes against, the motion carried.

Next, Mr. Potters asked the Board to review the minutes from the prior meeting. Inspector Don Klamut pointed out that his name was omitted from the attendance, and that former inspector Arlie Winters was mistakenly listed as present. Mr. Potters also noted that one portion of the minutes referenced former Board Member Sam Kapourales as being unable to attend the September, 2015, meeting; however, Mr. Potters is now informed that Mr. Kapourales resigned from the Board such that the reference will be stricken. Mr. Jones then pointed out certain typographical and spelling errors; it was also noted that Justin Schoolcraft's name was

not spelled correctly. Mr. Potters indicated he would make the ministerial corrections. Motion was made by Chuck Jones to accept as corrected, but not approve, the minutes from the prior meeting of September 27 and 28, 2015. Seconded by Everett Frazier. Discussion centered on the fact that 6 of the 7 board members were not present at the prior meeting, and therefore could not approve the minutes. Mr. Jones explained that, other than Mr. Karos who was present, they could not attest to the content, but only the form, of the minutes. All in favor with no votes against, motion carried.

Mr. Potters presented a financial update for the July 1, 2015-June 30, 2016, Fiscal Year to the Board. Mr. Potters indicated that spending was within budget through the end of October, and he expects the November numbers to fall in line. In addition, while year-to-date revenue appears under budget, this is because the largest percentage of revenue comes in at the end of the fiscal year during renewal season in April, May, and June. He indicated that revenue was up approximately \$200,000.00 more than expected at the end of the 2015 Fiscal Year as institution of new late fees last year drove more timely renewals at the end of the fiscal year rather than licensees waiting into the first quarter of the 2016 Fiscal Year to remit their applications and fees. As such, Mr. Potters indicated he expects revenue this 2016 Fiscal Year to be at the low end of the prediction as things fall into the new rhythm of renewals and balance out this year due to the effect of the late fee driving more timely renewals (i.e., renewals in the first quarter this fiscal year were lower given the increased revenue in the last quarter of the prior fiscal year). Still, the Board is financially healthy with more than \$3,000,000.00 in the operating fund, with an annual budget of \$1,644,000.00 and nearly half-way through the fiscal year. No action was taken on this update.

Next, Mr. Potters asked the Board to receive and discuss the Complaint Committee Report. Motion was made by J.J. Bernabei and seconded by Vicky Skaff to go into Executive Session to receive the Complaint Committee Report and Recommendations. All in favor with no votes, against, motion carried. Mr. Potters declared the Board to be in executive session and members of the public left the room. Following discussion of the Complaint Committee recommendations, J.J. Bernabei made the motion to go out of Executive Session with no action taken, seconded by Dennis Lewis. Mr. Karos called a point of order and indicated that the chair could declare the meeting out of executive session, so Mr. Potters declared the meeting out of executive session with no action taken. Back in public session, Dennis Lewis made the motion to accept the Complaint Committee recommendations after changes are made on items 1 through 4. Case Nos. 2015-56, 62, 63, and 65 regarding RPh J.D., to reflect that the Complaint Committee recommends the Board to accept J.D.'s surrender of his license; seconded by Kim Knuckles. All in favor with no votes against, motion carried.

Prior to recessing, Richard Stevens of WVPA asked to address the Board, and indicated that, while he could not be there at the continued meeting on December 7, 2015, he would like to speak on behalf of WVPA in support of making Naloxone an "over-the-counter" item similar to California. Mr. Potters indicated he would note that support when the item is called during the continued meeting.

Mr. Potters declared the meeting into recess, to be continued in the Conference Room at 8:00am, Monday, December 7, 2015.

The Board continued the meeting on December 7, 2015, in the Board Office Conference Room, 2310 Kanawha Boulevard, East, Charleston, West Virginia with David Potters again presiding. Present with Mr. Potters were the following Board members: Mr. Chuck Jones, Mr.

Dennis Lewis, Mrs. Kim Knuckles, Mr. John "J.J" Bernabei, Mr. George Karos, Everett Frazier, and Mrs. Vicky Skaff. Also present were Assistant Executive Director Betty Jo Payne; Board Inspectors Don Klamut, Irvin VanMeter, Thomas Dave Gerkin, Charles "Buck" Selby, Roger Shallis and Lisa Hedrick; and Investigators Fred Wagoner and Dave Lucas. Members of the public attending the meeting were Matthew Carroll and John Carroll of Creative Strategies; Mark Polen of LGCR Government Solutions; and Bridgette Lambert of WV Retailers Association.

Mr. Potters called the meeting back to order and again stated that a quorum was present. He then stated that proper notice of this meeting had been filed with the Secretary of State. The Agenda was also posted on the Board's website and made available through the Office.

Mr. Matthew Carroll of Creative Strategies was given the floor, and he gave a presentation in support of a request to approve the eKIT solution Stat Dispense for use in dispensing first dose medications in a nursing home. It is already being used as an emergency-kit. Following the presentation, including demonstration of the security and pharmacist/pharmacy verification of dispensings from the cabinet, George Karos made the motion to approve this request for use in skilled nursing facilities as presented, seconded by Vicky Skaff. All in favor, motion carried.

Next, Mr. Potters explained the issue concerning the application of Marshall Edwards, RPh, who marked "No" on his application concerning a prior discipline, but his record revealed discipline in Kentucky in 2006. Mr. Potters indicated he spoke with Mr. Edwards by phone, and Mr. Edwards provided a written explanation of the discipline, and that he did not intentionally fail to disclose it. It was discipline against him as PIC, for a misfill incident that occurred in the pharmacy while he was out-of-state on vacation 9 years ago, and he thought it was not something on a permanent record, stating, ". . . after paying a \$500 fine and doing 6 hours of Continuing Education on 'medication errors,' I thought this was over. I did not knowingly or purposely give incorrect information on my application to the West Virginia Board." Motion was made by Dennis Lewis to approve the application from Mr. Edwards for processing, subject to meeting all other requirements, including testing and such, Seconded by Vicky Skaff. All in favor, motion carried.

David Potters and Charles Selby gave an update on the FDA national meeting regarding the Drug Quality and Security Act and Drug Supply Chain Security Act, and Wholesale and 3PL licensing. The FDA is still working on the required State Memorandum of Understanding that will be required for each state to sign before any outsourcing facilities in a state can distribute product from such a facility outside of the state. In addition, FDA is still considering what to do with physician compounders, compounding supplies for office use, and other similar matters. West Virginia appears to be in proper position for inspecting for USP 795 and 797 compounding. FDA is still working on guidance and regulations for the states for licensing of wholesalers and 3PLs, and the timeframe to implement the federal requirements once made will be very tight. We will have to continue to monitor this.

Next, the Board reviewed the request of Wheeling Hospital Pharmacy for approval of their PT Training Program. Mr. Potters briefly reviewed the program outline and showed the Board the training book, and stated that from his review, the course complies with the requirements of Rule § 15-7-4. Motion was made by Chuck Jones to approve the request from Wheeling Hospital Pharmacy for approval of their PT Training Program, Seconded by George Karos. All in favor, motion carried.

The Board then discussed the procedure for staff and board review and approval or rejection of PT and PTT applications for registration with review of criminal history, drug diversion, habitual use of drugs and fraud. Investigator Dave Lucas prepared a list of the misdemeanors in West Virginia, including those involving traffic; fish and game; child support; alcohol related; controlled substances; and crimes against government, the person, and property. Mr. Potters indicated that West Virginia Code § 30-5-11(a)(8) and (9) state that to be eligible for registration as a PT, one must not have been convicted of any felony within 10 years preceding the date of application (unless reversed or expunged), or have been convicted of a misdemeanor or felony at any time which bears a rational nexus to the practice of pharmacy. Following discussion of how to handle reviews of the applications, Motion was made by JJ Bernabei, and seconded by Chuck Jones, to approve Board staff to screen all applications, and use discretion to approve or deny, or hold for board review any application and background check which discloses a criminal history as follows: (1) if conviction for drug diversion, habitual use of drugs, or fraud, staff must deny the application as required by statute; or (2) if other (a) misdemeanor or (b) felony more than 10 years prior, which crimes are not rationally related to the practice of pharmacy, staff discretion to approve, deny, or refer to the full board. During discussion, Board members made it clear that this applied only to applicants with a criminal record, and that if an application discloses issues of addiction, then it must be referred to the full board. All in favor, motion carried.

The Board turned its attention to the request of PTT Holly Poe and PIC Stephen Shrewsbury to accept PTT Poe's hours earned as PTT prior to Registration of PTT being on record at the Board office. Because this PTT and PIC are employees of CVS Pharmacy, Kim Knuckles recused herself from the discussions and decision and left the room. Following discussion, Chuck Jones made a motion to all approve hours for PTT Holly Poe from May 12, 2015, as presented, and to send an educational letter to the PIC about the proper steps for registration of a new PTT prior to beginning work in the pharmacy. Vicky Skaff seconded. All in favor, motion carried. Following the vote, Kim Knuckles was notified and returned to the room and rejoined the meeting

The Board then considered the request of PTT Shannon Fenton for extension of time to test for PT registration. Her registration expired December 5, 2015, and she is signed up to test on December 19, 2015. Motion was made by Dennis Lewis to give an extension of 90 days from December 5, 2015 (i.e., until close of business on March 4, 2016) to pass the national certification examination and get fully registered with the Board as a PT, during which time she can continue to work as a PTT. Seconded by Chuck Jones, All in favor, motion carried.

The following item on the Agenda was the Request of PTT James Wasanyi and PTT Mark Wasanyi to accept hours earned as PTTs prior to registration of PTT being on record at the Board office. Mark Wasanyi's request indicated that he had completed 500 of the required 960 hours as of August 14, 2015, when his 15 month training period expired. However, he goes to school full time. Motion was made by Dennis Lewis to give an extension of 90 days from December 7, 2015 (i.e., until close of business on March 6, 2016) to complete his hours, from which date of training-completion, he will have 90 days as provided by rule to pass the national certification examination and get fully registered with the Board as a PT. Seconded by Kim Knuckles. All in favor, motion carried. Looking then to the Request of PTT James Wasanyi, it stated that he was scheduled to take the national certification exam on November 28, 2015, and that he was "... about to make the 960 hours. ..." However, his start-date was January 1, 2014, so that his time-period for training expired on April 1, 2015. The request explains that also a

full-time college student, studying pre-med. Motion was made by JJ Bernabei, seconded by Kim Knuckles, to give an extension of 90 days from December 7, 2015 (i.e., until close of business on March 6, 2016) to complete his hours, pass the national certification examination, and get fully registered with the Board as a PT.

Next, the Board reviewed the request of PT applicant Kim Fagan to accept her PT registration application. She marked "No" on the application to the question of whether she had any criminal history, but her background check revealed a DUI in 2000. Ms. Fagan explained to Mr. Potters by phone, and then sent a letter of explanation, stating that she is sorry for omitting her DUI in 2000, and that she just did not think about it because it was 15 years ago. Motion was made to accept her request by Dennis Lewis, seconded by J.J. Bernabei. All in favor; motion carried.

The Board discussed the registration of nuclear pharmacy technicians. The statute requires all PT's to register with the Board, and the rules indicate that a special category of nuclear technician is created. However, over the years, not all nuclear technicians are trained as general pharmacy technicians due to the specialized nature of the work, and it being very different from retail or general institutional pharmacy. Motion was made by J.J. Bernabei to register as "NT" without requirements of a full "PT"; however, if they want to move to a pharmacy technician position, then they will have to be a PTT and meet all requirements of a PT. Seconded by Vicky Skaff. All in favor, motion carried.

The Board considered the Controlled Substance Recommendations and Naloxone recommendations for upcoming Legislative Session, as follows:

- a) Request of Dr. Brad Henry (also RPh) to consider recommending that all single active ingredient pseudoephedrine products (PSE) be restricted to prescription unless in a conversion resistant form. In the past, the Board had voted to recommend all PSE products be made prescription-only except if it is tamper-resistant. However, given the more widespread use of the NPLEx system nationally, and given that West Virginia has the second tightest annual grams restrictions in the country at 48 grams per year, the Board discussed abandoning the old recommendations. Therefore, Motion was made by Dennis Lewis, and seconded by Kim Knuckles to no longer recommend PSE be made prescription-only, providing the NPLEx tracking system stays in place. All in favor, motion carried. Next, discussion turned to the grams limitations. Motion was made by J.J. Bernabei and seconded by Vicky Skaff to not recommend any changes to the grams limitations, and to leave the law as-is in this regard. All in favor motion carried.
- b) Consider permitting Naloxone to be OTC similar to California and other states to help curb drug overdose deaths. Mr. Potters reminded the Board that Richard Stevens of WVPA spoke on behalf of WVPA in support of making Naloxone an "over-the-counter" item similar to California. Dennis Lewis discussed questions of liability if a pharmacist dispenses this, or refuses to, and there is an overdose issue, given the case of Tug Valley Pharmacy et al v All Plaintiffs, 2015 W.Va. LEXIS 673, decided by the Supreme Court on May 13, 2015. Motion was made by Dennis Lewis to approve such a recommendation, but to request the Legislature to consider liability, immunity, and defenses that may be pertinent to consider in such legislation. Seconded by Kim Knuckles. All in favor, motion carried.

- c) Mr. Potters informed the Board that the prior board at its meeting in September, 2015, recommended the removal of Ioflupane from Schedule II as done by DEA. No action was taken on this item, and the recommendation stands.
- d) Consider removal of Naloxegol from Schedule II as done by the DEA. Motion was made by Vicky Skaff and seconded by George Karos to approve. All in favor, motion carried.
- e) Consider placement of Eluxadoline into Schedule IV as done by the DEA. Motion was made by George Karos to approve, seconded by J.J. Bernabei. All in favor, motion carried.
- f) Consider status of Chorulon (HCG) for use in cows and HCG diversion as a controlled drug. Because HCG is abused by steroid users, Motion was made by Dennis Lewis to recommend this drug remain scheduled in West Virginia as it is an injectable. Seconded by Vicky Skaff. All in favor, motion carried.
- g) Review of past recommendations on marijuana. After discussing the past position of the board with regard to recommendations for scheduling of marijuana, motion was made by George Karos to keep the same position as expressed in the letter to the Legislature on January 14, 2015, that marijuana should remain in Schedule I except as approved by the FDA for a medicinal purpose, seconded by JJ Bernabei. All in favor, motion carried.
- h) Consider clarifying that Tramadol hydrochloride be amended to Tramadol per request of State Police Crime Lab. Motion was made by Dennis Lewis to recommend removal of the hydrochloride designation, seconded by George Karos. All in favor, motion carried.

Mr. Potters then presented information on the CSMP software and maintenance license and the efforts to get out to bid for the next contract, and provided a brief CSMP program update. As part of the discussion, Mr. Potters indicated that PEIA Director Ted Cheatham had approached the Board concerning a request to support legislation allow PEIA's medical director to have access to the CSMP for use in analyzing appropriate treatment in claims. Motion was made by George Karos to support the change to give them access, seconded by Chuck Jones. All in favor, motion carried.

Dave Potters gave an update on the 2016 NABP District 1 and 2 Meeting planning and progress. George Karos and Vicky Skaff volunteered to help with the planning.

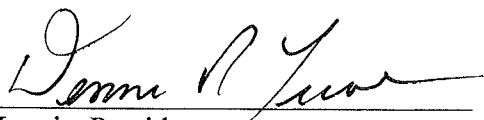

The next regular Board Meeting will be held in Charleston, West Virginia on January 11, 2016 at 10:00am at the Board's Office, and on March 20 & 21, 2016 in Morgantown, West Virginia.

Under the topic of other business, Mr. Potters indicated that no deliberations or decisions could be made, but items of concern could be raised. At that time, questions were asked of counsel by Vicky Skaff concerning legality of lowering the age of patients below 18 years for which pharmacists could administer vaccines. Mr. Potters explained the discussion during the prior year surrounding meningococcal and HPV vaccines for youths under 18, and that it would require a statutory change. Mr. Potters indicated that, among other things, one of the discussion points in the past has been reporting of adverse events, and that the Board has never received one from pharmacists. Questions then turned to education of pharmacists. Mr. Potters indicated he had written newsletter articles in the past, and could do another. Inspector Selby indicated that

he could do a fax blast to pharmacies about it. So, Mr. Selby and Mr. Potters indicated they would work on a fax blast to educate further.

Motion was made by George Karos to adjourn. Seconded by J.J. Bernabei.

Adjourn.

A handwritten signature in cursive script, appearing to read "Dennis Lewis", written over a horizontal line.

**MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY**  
**CHARLESTON, WEST VIRGINIA, JANUARY 11, 2016**

The Board convened in the Board Office Conference Room, 2310 Kanawha Boulevard, East, Charleston, West Virginia, at 10:00 a.m., on Monday, January 11, 2016, with Executive Director and General Counsel David Potters ceremonially presiding only until the Board elected new officers. Also present at the meeting in person was Board member Chuck Jones; the following Board members were present by teleconference on speakerphone: John J. Bernabei, Everett Frazier, George Karos, Kim Knuckles, Dennis Lewis, and Vicky Skaff. Staff also present in the office were Assistant Executive Director Betty Jo Payne, and Board Inspectors Irvin VanMeter and Charles "Buck" Selby. Staff present on the conference call were Board Inspectors Dave Gerkin, Lisa Hedrick, Buck Selby, Roger Shallis, and Don Klamut; and Board Investigators Fred Wagoner and Dave Lucas.

Members of the public attending the meeting were Krista Capehart, RPh, of WVU School of Pharmacy Wigner Institute for Advanced Pharmacy Practice, Education and Research; Mark Polen of LGCR Government Solutions representing Rite Aid; Richard Stevens of WVPA; Bridgette Lambert of WVRA; and Brian Gallagher, RPH, of Marshall University School of Pharmacy.

Mr. Potters stated that a quorum was present, and noted that proper notice of this meeting had been filed with the Secretary of State and posted on the Board's website. The Agenda was also posted on the Board's website and made available through the Office.

The Board took up the first item on the Agenda, election of Board Officers and assignment of Complaint Committee members and CPE Committee member for the remainder of the fiscal year (through June 30, 2016). JJ Bernabei nominated Dennis Lewis to be president, seconded by Everett Frazier. No other nominations were made, and Mr. Potters declared the nominations for president closed. All board members voted in favor, and Mr. Lewis was declared president of the Board.

President Lewis then took over as chair of the meeting, and called for nominations for vice president. After discussion, JJ Bernabei volunteered for the position. With no other nominations, President Lewis declared them closed, and called for a vote; all in favor, Mr. Bernabei was elected vice president. Next, President Lewis directed the Board's attention to the open position of secretary/treasurer. After discussion of the position, Vicki Skaff volunteered to

fill the position. No other nominations were forthcoming, and President Lewis declared the nominations closed and called for a vote; all in favor, Mrs. Skaff was elected secretary/treasurer. Having elected the new officers, the Board then turned to filling its open positions on the CPE Committee and Complaint Committee. Kim Knuckles volunteered to serve on the CPE Committee, with no other nominations made. President Lewis declared the nominations closed and called for a vote; all in favor, Mrs. Knuckles was appointed to the CPE Committee. Chuck Jones volunteered for one of the two positions for the Complaint Committee, seconded by Vicki Skaff. Vicki Skaff was nominated by Mr. Frazier for the required pharmacist position, seconded by Mrs. Knuckles. With no other nominations being forthcoming, President Lewis declared the nominations closed and called for a vote; all in favor, Mr. Jones and Mrs. Skaff were appointed to sit as the Complaint Committee.

President Lewis welcomed the new officers and committee members, and thanked everyone for their willingness to serve. In order to take next steps as a board in the future, he then asked that each board member and Mr. Potters to submit goals for things that each person and the staff would like to accomplish in the calendar year. He also indicated that he would approach each of the schools of pharmacy deans and ask them for their goals, and asked Mrs. Skaff to approach WVPA and WVSHP for theirs.

President Dennis Lewis called for the review of the minutes from the prior meeting of December 6-7, 2015. Ms. Knuckles pointed out that her name was left off of the initial attendance listing, and Mr. Jones pointed out two typos. Motion was made by Chuck Jones to approve the minutes as corrected, seconded by Mr. Bernabei. All in favor with no votes against, the motion carried.

The Board then reviewed a request of Ohio Valley Medical Center for approval of its hospital-employee dispensing program to employees at a sister hospital. The program would provide for the retail pharmacy of OVMC to prepare prescriptions for employees of its sister hospital, East Ohio Regional Hospital in Martins Ferry, Ohio, deliver those prescriptions by tote to EORH, and for those prescriptions to then be dispensed to the employees from EORH's inpatient hospital pharmacy, with safeguards in place for transport to return and reconcile any dispensings not actually picked-up by the patient. OVMC requests a waiver from Rule § 15-1-14.7.5 and 7.6 to allow for the program. Motion was made by Mrs. Knuckles, seconded by Mr. Bernabei to approve the program and waiver as presented. All in favor, motion carried. Discussion was then had on whether to modify the rule, so long as the public remains protected. President Lewis indicated that such an idea could be raised in the goals to be submitted for future strategic planning.

The Board reviewed a request of Camden Clark Hospital for approval of its Pharmacy Technician Training program. Mr. Bernabei and Mrs. Knuckles both indicated their reviews show the program to be appropriate, and comprehensive. Motion was made by Vicky Skaff, seconded by J.J. Bernabei to approve the program. All in favor, motion carried.

The Board reviewed a request from Mark Polen of LGCR Government Solutions which sought support of a bill to be presented at the Legislature requiring parity in insurance coverage for abuse deterrent formulations of opioids. Mr. Polen explained the proposed bill and indicated that the Joint Committee on Health had approved it as an interim bill for consideration during the upcoming regular legislative session. Several board members spoke favorably as the payment issue impacts access to these products for patients in the climate of prescription drug diversion.

Mrs. Knuckles made a motion to support this legislation in an effort to protect the public and allow access, seconded by Vicki Skaff. All in favor, motion carried.

The Board considered action on Complaint Case No. 2015-12-73, Pharmacy Technician convicted of non-drug-related felonies. Mr. Bernabei moved to go into executive session to discuss this matter, seconded by Mrs. Skaff. All in favor, motion carried; President Lewis declared the Board into executive session, and all members of the public left the room. After Executive Session was completed, the Board was declared back into public session with no official action taken, and the members of the public were permitted back in the meeting. Motion was made by Mr. Bernabei to revoke the Pharmacy Technician registration if he does not voluntarily surrender, seconded by Everett Frazier. All in favor, motion carried.

The Board reviewed the application for Pharmacy Technician Trainee from Jennifer Waddell. Ms. Waddell marked "No" on her application in answer to whether or not she had any misdemeanor or felony convictions in her past record, but, in fact, she did have a misdemeanor for disorderly conduct in June, 2015. When questioned about it during a phone call with staff, she was not immediately forthcoming until being directly confronted with the information. Motion was made by Chuck Jones to reject application, seconded by Mr. Bernabei. All in favor, motion carried.

Next, the Board reviewed requests of Lorenia M. Gibson and Belinda McCune to be permitted to start over as Pharmacy Technician Trainees with as-yet-to-be-determined new employer-pharmacies. They had been previously granted extensions to test, but had failed their national certification examinations, and been let go by their prior employer. They seek an opportunity to go to work for a different pharmacy and start over. Mrs. Knuckles made a motion to approve the requests, seconded by Mr. Frazier. All in favor, motion carried.

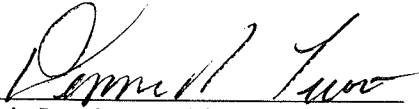

Next, the Board reviewed several requests of Pharmacy Technician Trainees for extension of time to complete training and/or pass exam. Dave was requested to make up a procedural flow chart to propose how staff and the Board could handle these types of requests for extensions in the future. Motion was then made by Mrs. Knuckles, seconded by Everett Frazier to grant each applicant currently before the board a 90-day extension, and if they need additional time after that, they can request again depending on extenuating or other circumstances. All in favor, motion carried.

The next regular Board Meeting will be held in Morgantown, West Virginia on March 20 & 21, 2016, at 8am. In that regard, President Lewis indicated he would like to work on some future procedural rules for a cut-off time for items that are sent to the Board and requesting the Board to take them up at meetings. The Board does not currently have any such rules in place, and it will help get meeting preparation materials out in a timely fashion.

In addition, a minor discussion was held on the "wrongful conduct rule", discussing its potential impact on pharmacy/pharmacist liability in drug overdose and drug addiction cases. Discussion generally centered on the fact that it would likely be offered as a tort-reform bill at the Legislature, and would have a good chance to pass. No board action was taken.

Motion was made by Chuck Jones to adjourn. Seconded by Vicki Skaff. President Dennis Lewis declared the meeting adjourned.

Adjourn.

**MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY**  
**MORGANTOWN, WEST VIRGINIA, MARCH 20 & 21, 2016**

The Board convened in the Marriott Residence Inn main conference room in Morgantown, West Virginia, at 5:00 p.m., on Sunday March 20, 2016, with President Dennis Lewis presiding. Present with Mr. Lewis were the following Board members: John "J.J." Bernabei, Everett Frazier, Chuck Jones, Kimberly Knuckles, and Vicky Skaff. Also present were David Potters, Executive Director and General Counsel; Assistant Executive Director Betty Jo Payne; the Board Inspectors, Don Klamut, Irvin VanMeter, Thomas Dave Gerkin, Roger Shallis, Charles "Buck" Selby, and Board Investigators Fred Wagoner and David Lucas.

Members of the public present included Tim Weber from Fruth Pharmacy, and Chris Weikl from LGCR Government Solutions on behalf of Rite Aid.

President Lewis called the meeting to order and stated that a quorum was present. He then stated that proper notice of this meeting had been filed with the Secretary of State. The Agenda was also posted on the Board's website and made available through the Office.

Mr. Lewis opened the meeting with prayer. The meeting then turned to a presentation of appreciation and a plaque of recognition to Inspector Irvin VanMeter upon his retirement from work as an inspector effective March 31, 2016. The Board thanks Mr. VanMeter for his many years of distinguished service as an inspector for the Board.

President Lewis called for the review of the minutes from the prior meeting of January 11, 2016. Motion was made by Chuck Jones to approve the minutes, seconded by Everett Frazier. All in favor with no votes against, the motion carried.

Mr. Potters provided a brief update on the Boards financial report. Motion was made by J.J. Bernabei, seconded by Vicky Skaff, to approve the financial report subject to audit.

The Board discussed the 2009-2011 audit and recommendations of the Board purchasing card processes performed by the State Auditor's Office Purchasing Card Division which was finalized and given to the Board in recent weeks. Motion was made by Dennis Lewis to send monthly P-Card reports to the Secretary of the Board for her review on at least a quarterly basis, in line with the audit recommendations, seconded by Chuck Jones. All in favor, motion carried.

Motion was made by Mr. J.J. Bernabei and seconded by Vicky Skaff to go into Executive Session to receive the Complaint Committee's report. After discussion of the Complaint Committee Report, President Dennis Lewis declared the Board back into public session with no official action taken. Kim Knuckles made a motion to accept and file the Complaint Committee Report and the recommendations as written, seconded by Everett Frazier. The vote was unanimous in favor, with no votes against; motion carried.

Next, Mike Goff provided an update on the Controlled Substance Monitoring Program. Among other things, the updated included the following topics:

- An overview of CSMP from its beginning in 1995, to revamping in 2002 and 2004 to be internet-based, to today's program to 24-hour reporting in ASAP 4.2 format.
- Primarily a treatment tool for prescribers and dispensers.
- Also used in investigations and proactive use to help with the drug diversion issues affecting the State.
- Participating in PMP Interconnect to share data with other state's users.
- Discussed certain drug trends in number of dosage units over the last five years which included declines in opioids and anxiolytics.
- Discussed generally the Advisory Committee points of discussion and parameters looking for "outliers" in the system
- Discussed Multiple Provider Episodes where patient went to multiple prescribers and pharmacies, and how the Board has sent unsolicited reports to the providers concerning these patients.
- Discussed the Review-Committee's work generally, including data on overdose deaths and referrals to licensing board or law-enforcement for further investigation.

President Dennis Lewis discussed CDC recommendations from Feds on long-term opioids prescribing and how landscape is changing. Mr. Lewis would like to have regular updates on CSMP action each regular quarterly meeting.

President Lewis then declared the meeting into recess, to be continued in the conference room at the West Virginia University, School of Pharmacy, Wigner Suite, Room 1127, at 8:00 a.m., March 21, 2016.

The Board Meeting continued on Monday, March 21, 2016, at 8:00am, in the Wigner Suite, Room 1127, at the West Virginia University School of Pharmacy in Morgantown, West Virginia, with President Dennis Lewis presiding. Present with Mr. Dennis Lewis were the following Board members: John "J.J." Bernabei, Everett Frazier, Chuck Jones, Kimberly Knuckles, and Vicky Skaff. Also present were David Potters, Executive Director and General Counsel; Assistant Executive Director Betty Jo Payne; the Board Inspectors, Don Klamut, Irvin VanMeter, Thomas Dave Gerkin, Roger Shallis, Charles "Buck" Selby, and Board Investigators Fred Wagoner and David Lucas.

Members of the public present included David Flynn from WVU Hospitals/WVU Medicine; Tim Weber from Fruth Pharmacy; Don Klepser, PhD, Professor from University of Nebraska; and Chris Weikl from LGCR Government Solutions on behalf of Rite Aid.

President Lewis called the meeting back to order and stated that a quorum was present. He then reiterated that proper notice of this meeting had been filed with the Secretary of State,

and that the Agenda was posted on the Board's website and made available through the Office. Mr. Lewis opened the meeting with prayer.

First, the Board had an informational discussion of IMPACT Act of 2014. In protecting the health, safety, and welfare of the public, the Board must be mindful of the Federal changes to collection of standardized data and quality measures (like star ratings). There is a separation between what students are being taught and what they do, and we need to look at that gap and where does pharmacy exist in the new healthcare system.

The Board received a request from Fruth Pharmacy of a pilot program regarding CLIA waived screenings and HepC and HIV. Tim Weber from Fruth and Don Klepser, PhP, Professor of the University of Nebraska presented information on the pilot. They will be doing point of care screening for HepC and HIV in about 25 pharmacies. These are not diagnostic tests, but will help connect patients who screen positive to care based upon the screening. Because it is a screening test only, and not a confirmatory test, it does not implicate Rule 15-1-19.6 against pharmacists making diagnoses. Motion was made by Kim Knuckles to approve this request and seconded by Vicky Skaff. All in favor, motion carried.

The Board received a request from PIC Amanda Carpenter of Rite Aid Pharmacy #1407 to accept hours worked by Pharmacy Technician Trainee Caitlin Holcomb from March 25, 2015, forward. Motion was made by J.J. Bernabei to approve this request, seconded by Everett Frazier. All in favor, motion carried.

The Board appointed a new Board designee to sit on WVHIN Board. After hearing from volunteers, Chuck Jones was appointed to be the designee by unanimous consent.

Next, the Board was asked to consider an Application for Collaborative Pharmacy Practice by Anita Lorenzo, PharmD. Motion was made by Vicky Skaff, seconded by Kim Knuckles to approve the application. All in favor, motion carried.

The Board further discussed staff and Board review of PTT and PT applications processes. Mr. Potters explained the proposed process whereby staff would approve applications if certain criteria are met, present applications with certain other issues to the board president for his decision, and present others to the full board. A process map was prepared and provided to the Board outlining the steps. Motion was made by Kim Knuckles and seconded by Everett Frazier to accept process. All in favor, motion carried.

In like fashion, the Board considered the proposed process whereby staff would approve first requests by PTTs for an extension of time to complete training or pass the national certification examination, or to be able to start training over from the beginning, and would present any second and subsequent requests to the Board. Again, a process map was prepared and presented to the Board outlining the steps. Motion was made by Kim Knuckles and seconded by Vicky Skaff to approve staff and Board review of PTT requests for extensions of time to complete training and/or testing, or to start over, and consider multiple such requests. All in favor, motion carried. Some follow-up discussion was then presented by J.J. Bernabei stating that Ohio has specific duties they exclude from full-PT duties to allow non-certified techs to do certain functions. Per Tim Weber who also commented, Seattle Washington calls them pharmacy assistants. The Board indicated desire at looking into this potential option in the future when also looking at Pharmacist to Technician ratios.

Mr. Lewis then led a discussion on strategic visions and goals for future meetings. At a prior meeting, he had asked for board members, inspectors, deans of the 3 in-state schools of pharmacy, and others for them to share potential future goals. Mr. Lewis collated each of the responses into a summary document and presented it to the Board. The discussion included such ideas as a review of PT duties and ratios, updating the mail order rules, finger print based background checks for interns, expanding immunizations, increasing the impact of the CSMP through integration into pharmacist and prescriber workflow, obtaining a new licensing database that will accommodate online renewals, make the newsletter and website more informative, and other such issues. Mr. Lewis indicated that he would work to bring the list of issues and goals back before the Board at future meetings to continue to develop, prioritize, and refine the strategic planning of the Board for future meetings.

The Board reviewed legislation passed during West Virginia Legislature's 2016 Regular Legislative Session affecting practice of pharmacy and controlled substances. Mr. Potters gave a brief summary of several of the bills which passed and some which failed. Some discussion was held concerning SB 123; expedited partner therapy; HB 4033 reinserting criminal penalties for unlicensed practice of pharmacist care; HB 4340 requiring criminal background checks of new licensees; SB 431 permitting pharmacists to dispense Naloxone per a protocol to be developed by the Board; SB 454 requiring opioid antagonist dispensings to be reported to the CSMP; and the failure of any bill to regulate PBMs.

The Board discussed attendance at, and selection of the voting delegate and alternate delegates for the upcoming NABP Annual meeting. Several Board members and Mr. Potters expressed interest in attending. Mr. Lewis asked that all Board members make their final decision and let Mr. Potters know by April 1, 2016, so that Mr. Potters could help them get registered to attend. A decision will be made by the Board president April 1, 2016, on who will be made the official and alternate delegates based upon who decides to attend.

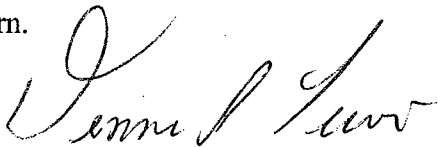

Mr. Potters next presented a report on the building property, and that the back steps are crumbling and need replaced. Engineer drawings of new steps, railing, and a new concrete pad were presented. Motion was made by Kim Knuckles and seconded by J.J. Bernabei to approve the plans and move forward with getting bids/awarding a contract to do the work. All in favor, motion carried.

An interim meeting for rules revisions will be held in Charleston, May 11, 2016 at 2:00pm.

The next regular Board Meeting will be held in Charleston, West Virginia on June 26, 2016, at 5:00pm and June 27, 2016, at 8:00am.

Motion was then made by Mr. J.J. Bernabei, and seconded by Mrs. Vicky Skaff, to adjourn. Mr. Lewis declared the meeting adjourned.

Adjourn.

**MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY**  
**CHARLESTON, WEST VIRGINIA, MAY 11, 2016**

The Board convened in the Board Office Conference Room, 2310 Kanawha Boulevard, East, Charleston, West Virginia, at 2:00pm, on Monday, May 11, 2016, with President Dennis Lewis presiding. Present at the meeting in person were Board members: Vicky Skaff and Chuck Jones; the following Board members were present by teleconference on speakerphone: Dennis Lewis, John J. Bernabei, Everett Frazier, George Karos, and Kim Knuckles. Staff present in the office were Executive Director and General Counsel Dave Potters, Assistant Executive Director Betty Jo Payne, and Board Investigator Fred Wagoner. Staff present on the conference call were Board Inspectors Dave Gerkin, Lisa Hedrick, Buck Selby, Roger Shallis, and Don Klamut; and Board Investigator Dave Lucas.

Members of the public attending the meeting were Dawn Grinstead, of Fruth Pharmacy, and Mark Polen, LGCR for Rite Aid.

Mr. Lewis stated that a quorum was present, and noted that proper notice of this meeting had been filed with the Secretary of State and posted on the Board's website. The Agenda was also posted on the Board's website and made available through the Office.

President Dennis Lewis commended Mike Goff on reformatting the Controlled Substance Monitoring Program Report. He also commended Vicky Skaff for attending the ACPE two day accreditation visits at Marshall University School of Pharmacy and at the University of Charleston School of Pharmacy on behalf of the Board as an observer.

President Lewis called for the review of the minutes from the prior meeting of March 20-21, 2016. Motion was made by Chuck Jones to approve the minutes, seconded by Mrs. Vicky Skaff. All in favor with no votes against, the motion carried.

The Board discussed rules changes to Title 15, Series 1, to implement HB 4340 Finger Print based background checks of pharmacists, and consider requiring the same for interns. Mr. Potters presented the language used in rule for pharmacy technician background checks and proposed using the same for pharmacists and interns. Motion was made by George Karos and seconded by Kim Knuckles to use the same language as proposed.

## **MINUTES OF THE WEST VIRGINIA BOARD OF PHARMACY** **CHARLESTON, WEST VIRGINIA, June 26, 27, 2016**

The Board convened in the Board Office Conference Room, 2310 Kanawha Boulevard, East, Charleston, West Virginia, at 5:00 p.m., on Sunday June 26, 2016, with President Dennis Lewis presiding. Present with Mr. Lewis were the following Board members: John Everett Frazier, Chuck Jones, George Karos, Kimberly Knuckles, and Vicky Skaff. Board Member "J.J." Bernabei was unable to attend. Also present were David Potters, Executive Director and General Counsel; Assistant Executive Director Betty Jo Payne; the Board Inspectors, Don Klamut, Thomas Dave Gerkin, Roger Shallis, Charles "Buck" Selby, and Lisa Hedrick; and Board Investigators Fred Wagoner and David Lucas. Members of the public present included Mark Polen of LGGR Government Solutions representing Rite Aid.

President Lewis called the meeting to order and stated that a quorum was present. He then stated that proper notice of this meeting had been filed with the Secretary of State. The Agenda was also posted on the Board's website and made available through the Office.

Mr. Lewis opened the meeting with prayer.

President Lewis called for the review of the minutes from the prior meeting of March 20-21, 2016. Motion was made by George Karos to approve the minutes, seconded by Chuck Jones. All in favor with no votes against, the motion carried.

Election of Board Officers and appointment of committee positions for the July 1, 2016, to June 20, 2017 was taken up next. George Karos made a motion to keep the same Board Officers and committee positions, seconded by Vicky Skaff. All in favor with no votes against, the motion carried. As such, the positions are as follows: President—Dennis Lewis; Vice President—J.J. Bernabei; Secretary—Vicky Skaff; Complaint Committee—Vicky Skaff and Chuck Jones; and CPE Committee—Kim Knuckles.

President Lewis gave a report on attendance at NABP Annual Meeting in May, 2016. President Lewis, Chuck Jones, Kim Knuckles, and David Potters attended. Mr. Lewis reported that there was a good exchange of ideas, including trying to move progressively with the scope of practice, as well as informative learning sessions. Mr. Jones and Mrs. Knuckles also spoke positively of the networking and learning experience, and encouraged future attendance by other members as time permits.

Mr. Potters provided a brief update on the Board's financial condition. Motion was made by Kim Knuckles, seconded by Everett Frazier, to approve the financial report subject to the audit. All in favor with no votes against, the motion carried.

Motion was made by Vicky Skaff and seconded by Kim Knuckles to go into Executive Session to discuss employee reviews and annual salary/per diem reviews. After lengthy discussion, President Dennis Lewis declared the Board back into public session with no official action taken. Chuck Jones made a motion to grant the recommendations of the Board's discussion to give 3% increase across the board, and give 6% to one individual, and to implement formal evaluations with goals and objectives going forward. Seconded by Vicky Skaff. Motion carried.

Motion was made by Everett Frazier and seconded by Kim Knuckles to go into Executive Session to receive the Complaint Committee's report. After discussion of the Complaint Committee Report, President Dennis Lewis declared the Board back into public session with no official action taken. Motion was made by Chuck Jones and seconded by Vicky Skaff as the complaint Committee members to amend their report on case #20 to stay all but 90 days of the suspension. Kim Knuckles made a motion to accept and file the Complaint Committee Report and the recommendation as written, including the modification to case # 20, seconded by Everett Frazier. The vote was unanimous in favor, with no votes against; motion carried.

Motion was made by Chuck Jones to permit the office to hire the Attorney General's Office to handle taking cases to hearing which are not able to be amicably settled. Vicky Skaff seconded. All in favor with no votes against, the motion carried.

President Dennis Lewis then declared the meeting to recess, to be continued in the conference room at the Board Office, 8:00 am, June 27, 2016.

The Board Meeting continued on Monday, June 27, 2016, at 8:00 am, in the Board Office Conference Room, 2310 Kanawha Boulevard, East Charleston, West Virginia, with President Dennis Lewis presiding. Present with Mr. Dennis Lewis were the following Board members: Everett Frazier, Chuck Jones, George Karos, Kimberly Knuckles, and Vicky Skaff. Board Member "J.J." Bernabei was unable to attend. Also present were David Potters, Executive Director and General Counsel; Assistant Executive Director Betty Jo Payne; the Board Inspectors, Don Klamut, Thomas Dave Gerkin, Roger Shallis, Charles "Buck" Selby, and Lisa Hedrick; and Board Investigators Fred Wagoner and David Lucas.

Members of the public present included Tim Weber, Rachel Blackburn and Rebekah Durham from Fruth Pharmacy; Scott Jacobson, Steve Smith from Rite Aid Pharmacy; Bridget Lambert from West Virginia Retailers Association; Richard Stevens from West Virginia Pharmacist Association; and Mike Brown from West Virginia Pharmacist Recovery Network.

President Lewis called the meeting back to order and stated that a quorum was present. He then reiterated that proper notice of this meeting had been filed with the Secretary of State and that the Agenda was posted on the Board's website and made available through the Office. Mr. Lewis opened the meeting with prayer.

Mr. Potters presented the Board the CV and supporting documentation of Zachary Tennant, RPh, which was presented to the Governor's Office by President Lewis as a nomination

from the Board for the position of a pharmacist on the APRN Advisory Committee. Due to time constraints, the nomination had to be in before the regularly scheduled board meeting, so President Lewis did some vetting of Mr. Tennant, and forwarded the nomination. The Board received this information without any comment or objection.

The Board discussed rules changes to Title 15, Series 1, to implement HB 4340 Finger Print based background checks of pharmacists, and consider requiring the same for interns, and other issues. The Board previously sent the draft out to various stakeholders for input. First, Mr. Potters described input received from Brian Gallagher and Assistant Dean Rob Stanton of Marshall School of Pharmacy with concerns that, with regard to fingerprinting of interns, there is no time limit defined for the infractions that may arise, that there is no appeals process defined, and there is no meaning given to the term “unremarkable” used in the rule. Mr. Potters explained that this is the exact same language that has been in use by the Board of Nursing for many years, that the statute in West Virginia Code § 30-5-11 defines the scope of crimes under consideration, including felonies within 10 years, and any misdemeanor or felony which bears a rational nexus to the practice of pharmacist care, and that the code requires due process and a right to a hearing for any person denied a license such that these did not need repeated in the rule. Next, the Board discussed the specific language in Rule Subsection 15-1-14.7.5 as to where a prescription can be delivered. Currently, it is limited to a patient’s “residence or similar place”. After much discussion, motion was made by Kim Knuckles and seconded by Everett Frazier to modify Title 15, Series 1 – 14.7.5 to allow for the patient or patient’s authorized designee to have the prescription delivered to the patient “at his or her residence or other place designated by the patient or the patient’s authorized designee.” All in favor, motion carried.

The Board discussed rules changes to Title 15, Series 8, CSMP reporting of opioid antagonists and other issues. The Board previously sent the draft out to various stakeholders for input. Mr. Potters gave a brief summary of changes to this Title. Comment was received from various stakeholders with concern about making the definition “date filled” to mean the date the prescription is actually delivered to the patient. Mr. Potters explained that the statute used the term “date filled”, but that for purposes of approaching a real-time database, the CSMP needs the date it is actually delivered, such as date sold. Date filled, in the industry, however, means the date that the prescription was prepared and labelled and made ready for delivery, after which it may sit in will call until picked up or delivered and can be a different date than the actual date delivered. Secondly, concern was raised that, in the revisions about submitting corrections to the CSMP, dispensers need more than 24 hours upon discovery of an error to submit the correction and the industry proposed 7 days. Motion was made by George Karos and seconded by Vicky Skaff to amend definition of “date filled” to limit it to the CSMP only but to otherwise file the rule with the definition as drafted but to ask the legislature to amend “filled” to delivered or other appropriate language; and to change 24 hours for submitting corrections to 7 days in 15-8-5. All in favor, motion carried.

The Board discussed the proposed protocol for pharmacist dispensing of Naloxone with input from DHHR/BPH. Motion by Vicky Skaff and seconded by Kim Knuckles to approve the proposed protocol as drafted. All in favor, motion carried.

The Board further discussed rules changes to Title 15, Series 6 for Mail Order and non-resident pharmacies. The Board previously sent the draft out to various stakeholders for input. Concern was raised by some in the industry that the requirement for a pharmacist-in-charge (which has been in place by statute for several years now) would be too cumbersome on the industry if the individual who is the PIC of the non-resident mail order pharmacy had to be the

same person who is PIC of the WV mail order permit as the pharmacies often operate in many states, and that one person would have to be licensed in each and every state that has the same PIC provision as WV. Therefore, they suggest that the PIC of the WV mail order permit could be written to allow it to be the PIC of the non-resident pharmacy or any other pharmacist on staff at that mail order pharmacy willing to get licensed in WV and act as the PIC of the mail order permit. A motion was made by Chuck Jones and seconded by Vicky Skaff to change P.I.C. language in conformity with the suggestion. All in favor, motion carried.

Next the Board discussed rules changes from the 2016 regular legislative session (Series 1, Series 2, Series 4, and Series 5). Mr. Potters reported that they were passed in the Special Session and he had final-filed them.

Scott Jacobson and Steve Smith, representatives for Rite Aid addressed the Board for a waiver of rules to permit prescriptions received at one pharmacy to be filled at another pharmacy and then delivered to the originating pharmacy for delivery/dispensing to the patient. Vicky Skaff recused herself from this discussion. They are looking to expand on workload balancing by actually allowing prescriptions to be filled at another Rite Aid pharmacy and delivered back to the original pharmacy for delivery to the patient. The program would include no controlled substances and no refrigerated products. The idea would require a waiver of Rules §§ 15-1-14.7.5 and 7.6 as this is a form of central fill, and is a store-to-store model rather than a traditional hub-and-spoke model central fill. Rite Aid indicated they are currently operating this way in Pennsylvania under a Board letter allowing the practice, but are not yet doing it in any other state. Motion was made by Chuck Jones to table this request until the next regular board meeting to allow time for further study. Seconded by Kim Knuckles. All in favor, motion passed. Vicky Skaff returned to the room at the conclusion of the discussion and motion.

Next, the Board received a presentation regarding the West Virginia Pharmacist Recovery Network by Mike Brown, Executive Director. Mike discussed generally the disease of addiction in the profession and some of the ways the Pharmacy Recovery Network works to help manage the disease with licensees.

The Board reviewed requests of Pharmacy Technician Trainees request for Extension or Retraining of Connie Hill (Rite Aid) and Whitney Miller (Ross Drug) to each begin the training program over (previous extension granted to pass exam). Vicky Skaff recused herself as one technician works at Rite Aid. Motion by George Karos and seconded by Chuck Jones to accept the requests to allow Ms. Hill and Ms. Miller to start over. All in favor, motion passed. Next, the Board also reviewed the request of Pharmacy Technician Trainee Jessica McDade (Rite Aid) for a 60 day extension to pass her exam. Motion was made by George Karos to approve the 60 day extension. Seconded by Kim Knuckles. All in favor, motion passed. Vicky Skaff returned to the room at the conclusion of the discussion and motions.

Next, the Board reviewed request of University of Kentucky College of Pharmacy for approval of its Immunization Training Course per Rule §15-12-8. After reviewing, a motion was made by Vicky Skaff to approve this request. Seconded by Kim Knuckles. All in favor, motion passed.

The Board then took up the request from Ravenswood Drug., Inc., to approve its Pharmacy Technician Training Program. After review of the topics covered compared to the requirements of the rules, motion was by George Karos to deny this request because it is not adequate to approve. Also Mr. Potters was requested to send them guidelines. Seconded by Kim

Knuckles. All in favor, motion passed.

The Board discussed a request from Phillips Drug to approve its 20-hour Pharmacy Technician Training Program. Motion by George Karos to approve this request as the program appears to meet the requirements of the rules. Seconded by Kim Knuckles. All in favor, motion passed.

The Board considered the request of GW pharmaceuticals to consider rescheduling its investigational new drug, Epidiolex, if approved by the FDA and rescheduled by the DEA. The Board discussed this request. Motion by George Karos that if approved by FDA and rescheduled by DEA then the Board will recommend the same to the Legislature. Seconded by Kim Knuckles. All in favor, motion passed.

Vicky Skaff gave an update concerning discussion to amend laws to permit pharmacists to provide vaccinations for FLU and HPV by prescription of a practitioner to children age 11-18, and HPV vaccine per current requirements to adults age 18 and up. She indicated that there is a consensus being formed in the medical community to increase vaccination rates for children age 11-18 for flu and HPV. She reiterated that discussions have centered on requiring a prescription for the 11-18 age groups for a pharmacist to then be able to administer the vaccination. Motion was made by Vicky Skaff to support legislation to accomplish this amendment law. Seconded by George Karos. All in favor, motion carried.

Next, Mike Goff provided an update on the Controlled Substance Monitoring Program. Among other things the update included the following topics:

- Number of dosage units continues to drop.
- Number of Rx's are up, but they are for shorter durations.
- Less dosage units available for diversion.
- Working on system updates, with grant funds, including adding morphine equivalent dose calculation.

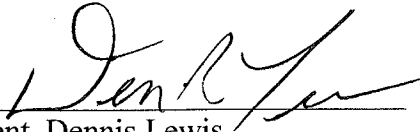

David Potters gave an update on the 2016 NABP/AACP District 1 & 2 Meeting planning and progress. Sponsorships have been coming in through NABP District 2, the meeting space has been secured, and most of the CPE program and keynote speakers have been committed, with the schedule coming together nicely. The planning committee is making progress on entertainment, the welcome-bags with contents, and other details.

An interim meeting for rules revisions will be held in Charleston, August 17, 2016 at 10 a.m.

The next regular Board Meeting will be held in Morgantown, West Virginia on September 25, 2016 at 5:00 pm and September 26, 2016, at 8:00 am.

President Lewis announced that he had received a letter from the Martinsburg Police Department in response to a letter he had sent to them thanking them for their work investigating and convicting a pharmacist for drug diversion in that area of the state. The letter thanked the board for the words of appreciation for the work of the Police Department and its officers.

Motion was then made by Vicky Skaff, and seconded by Kim Knuckles to adjourn. Mr. Lewis declared the meeting adjourned.

A handwritten signature in black ink, appearing to read "Dennis Lewis", written over a horizontal line.

President, Dennis Lewis  
West Virginia Board of Pharmacy
