Re: School Building Authority MIP and Multi-County Statewide Projects Funding

Dear Mr. Allred:

Per the requirements in §18-9D-16, please accept the enclosed information regarding the counties' request for FY2022 MIP and Multi-County Statewide Project funding. All counties were provided an opportunity to submit a request for MIP and Multi-County Statewide Project funding. The enclosed document represents the SBA staff's summary of the county projects that were submitted. This year we received \$13,683,617 in MIP funding requests from eighteen (18) counties and \$4,245,561 in Multi-County Statewide Project funding requests from seven (7) counties. Unfortunately, we only have \$10,000,000 in MIP funding and \$5,000,000 in Multi-County Statewide Project funding available for distribution.

The Authority will make its final selection for project funding during the Quarterly Meeting on Monday, June 13, 2022. Should you have any questions, please feel free to contact our office.

We are pleased to provide you with this information.

Sincerely,

David L. Roach
Executive Director
