Dear Governor Tomblin:

On behalf of the West Virginia Board of Social Work, we are pleased to provide you with our Annual Report for FY2015. This report is hereby submitted in compliance with mandates of the statutory requirements of W.Va. Code §30-1-12(b).

The Board of Social Work Examiners (BSWE) was created in 1984; the name was changed to the Board of Social Work in On July 1, 2011. Its mandate is stated in §30-30 of the West Virginia Code. At that time the Board was created, the Legislature found that *the purpose of this Board is to protect the public by setting standards of qualification, education, training and experience for those who seek to engage in the practice of social work and to promote high standards of professional performance for those engaged in the profession of social work.*

The enclosed report reflects an overview of Board activities for the past year, license activity for the past two years, financial receipts and disbursements for the preceding two fiscal years, disciplinary actions of the Board, the number of licensed social workers by county, and a roster of all individuals issues a regular license or practice with a Provisional License (which provides an alternative pathway to the profession for those without a degree in social work).

Please do not hesitate to contact us if there should be any questions about the content of the report.

Sincerely

A handwritten signature in cursive script that reads "Vickie James".

Vickie James, ACSW, LCSW
Executive Director.

BRIEF OVERVIEW OF BOARD ACTIVITY FOR FY 2015

- Board members conducted ten meetings during this period:

August 20, 2014	February 5, 2015
September 24, 2014	March 4, 2015
October 30, 2014	April 8, 2015
December 4, 2014	May 6, 2015
December 29, 2014 (Emergency Mtg.)	June 3, 2015
- After a statewide search, Vickie James was hired as the Executive Director, and began employment on January 20, 2015.
- The Board carried out their responsibilities for the protection of the public pursuant to Code §30-30. All provisions were met as set forth in the WV Code. Assistant Attorney General Katherine Campbell is the legal representative for the Board.
- Pursuant to 25CSR1, the Board reviewed and approved applications of 22 individuals eligible to supervise Provisional Licenses. Seven applications from employers were reviewed and approved, enabling these agencies to hire Provisional Licensees to fill critical workforce shortage areas.

The Board also considered 70 applications for eligibility for individuals who were outside the realm of related degrees specified in legislative rule. Approximately 41% of those individuals were subsequently determined eligible for a Provisional License.

Provisional eligibility is generally established for over 200 individuals annually although a substantial portion of those approved do not secure employment in a position requiring a social work license.

- In response to legislation enacted with the passage of Senate Bill 559, the Board of Social Work filed an emergency rule to accommodate the expanded degree eligibility granted the WV Department of Health and Human Resources in hiring individuals for Provisional Licensure. The Legislation became effective June 9, 2015. The rule will be promulgated in the Legislative Session beginning January 13, 2016. Board members and staff collaborated with the Department in developing procedures for potential applicants hired by the agency as a result of this legislation.

Additionally, Rita Brown and JoDee Gottlieb collaborated with the Department in the development of the legislative rule and training plan that were also part of the legislation. This rule enables individuals with DHHR to satisfy their social work educational requirement with full compliance with the Department's four year training program

As a result of the legislation, the Board has issued 65 applications for a Provisional License Restricted to DHHR; 37 of those individuals possess degrees not usually considered related to social work.

- Staff oversees the daily operation of the office and provides services to the public. Staff and Board members provided education and outreach at the annual spring

conference for social workers sponsored by the National Association of Social Workers on April 17, 2015.

- Annual state purchasing card testing was successfully completed by Amy Polen; and Ms. Polen and Chris Maniskas attended the annual State Auditor's Seminar for Licensing Boards on December 2, 2014.
- Longtime staff member, Linda Dempsey retired in May 2015 following 17 years of service to the Board of Social Work.
- Dr. Patricia O'Reilly, consumer representative on the Board of Social Work, serves as the delegate to the Association of Social Work Boards. She attends the annual meeting of the ASWB. In 2011, Dr. O'Reilly was elected to a two year term to the ASWB Board of Directors as the Public Member. She was reelected to a second two-year term in 2013. In her capacity as Public Member, Dr. O'Reilly has access to the legal and professional issues that licensing boards confront and must resolve. This experience facilitates resolution of professional practice problems that the West Virginia Board of Social Work addresses.
- The Continuing Education Committee, a volunteer committee appointed by the Board, conducts monthly meetings, provides applications, recertification and assists the Board in developing new and improved continuing education policies and procedures.

The Committee reviewed and approved one hundred and two (102) applications for individual training events from providers who make application and offer events on a case by case basis; these events are posted on the Board's web site.

The following agencies made application and were approved as Certified Providers for Social Work Continuing Education: First Choice Health Systems, WV Association of Alcoholism and Drug Abuse Counselors, Inc., Kanawha Pastoral Counseling, KVC Behavioral Health Care, Burlington United Methodist Family Services, Genesis Youth Crisis Center, Inc. and West Liberty University Social Work Department. The number of approved providers is sixty one (61).

The committee also renewed the recertification applications for twenty two agencies who were subsequently renewed for another two year period as per 25CSR5 4.4.3.

CATEGORIES OF SOCIAL WORK LICENSURE IN WEST VIRGINIA

Licensed Social Workers

W Va. Code §30-30-8, §30-30-10, §30-30-12, §30-30-14

WV has four levels of licensure

A-Licensed Social Worker

B-Licensed Graduate Social Worker

C-Licensed Certified Social Worker

D-Licensed Independent Clinical Social Worker

TITLE	INITIALS	EDUCATION	POST-GRAD EXPERIENCE	SUPERVISION REQUIRED	ASWB EXAM REQUIRED
Level A - Social Worker	LSW	BSW*	N/A	N/A	Bachelors
Level B - Graduate Social Worker	LGSW	MSW	N/A	N/A	Masters
Level C - Certified Social Worker	LCSW	MSW	2 years	N/A	Advanced-Generalist
Level D - Independent Clinical Social Worker	LICSW	MSW	2 years full time/3,000 hours clinical	2 years / 100 hours	Clinical

**Individuals with related degrees as specified in legislative rule may obtain licensure as a LSW by complying with all the terms of a four year provisional licensure period.*

The beginning letter of the license number will denote what level of licensure and scope of practice an individual is practicing.

For the period of July 1, 2013 to June 30, 2015, 420 new licenses were issued. As of June 30, 2015, there are 3,467 individuals who are actively practicing with a regular license, meaning they have successfully passed the exam commensurate with their licensure level.

Temporary Social Work Permits

WV Code §30-30-22

Social Work Permits are issued to new graduates of BSW or MSW programs. Individuals in their last semester of coursework may also make application for a temporary permit. The permit is issued for six months, which allows the individual to seek employment and practice while he/she prepares to sit for the Bachelors or Masters exam. The individual must test within the six month period, but may obtain additional up to three additional permits if necessary before a petition needs to be made to the Board for additional considerations.

Provisionally Licensed Social Workers

WV Code §30-30-16

A Provisional License is an alternative pathway for individuals desiring to practice social work but who do not have a degree in social work. A Provisional License permits individuals to practice with a Board approved employer under the supervision of a degreed and licensed social worker. Within the four year period of supervised employment, the individual must complete four core classes in social work (either online or at the social work program of choice) and successfully sit for the Bachelor's exam. The individual will then be able to convert his/her provisional license to become a Licensed Social Worker.

The provisional licensure process has undergone several transformations. At one point only individuals with the Department of Health and Human Resources could apply for what was referred to as a Temporary License. This was expanded to include the private sector when rules were promulgated, effective July 2013 as a result of changes in licensure in 2011.

In March 2015, another piece of legislation, SB 559 granted the Department of Health and Human Resources expanded ability to hire individuals beyond those with a related degree as specified in Legislative Rule. Individuals with a Bachelor's degree and offered employment with the agency are eligible for a Provisional License under the provisions this legislation.

For the past two fiscal years, 250 individuals have been issued Provisional Licenses. The Department hired 195 of those individuals and the private sector accounted for 55 of those licensed (since 2013). Of the licenses issued in this two year period, 63 individuals have since left employment and terminated the provisions of their agreement -56 in DHHR (29% of those provisionally licensed in the Department) and 7 or 13% of those provisionally licensed in the private sector.

As of June 30, 2015, 350 individuals were practicing with a Provisional License.

LICENSING EXAMINATION

The Association of Social Work Boards (ASWB) owns and maintains the social work licensing examinations that are used to test a social worker’s competence to practice ethically and safely. The exams provided by the Association of Social Work Boards are used in every U.S. state except California, as well as the District of Columbia, ASWB develops and maintains four categories of social work licensure examinations: Bachelors, Masters, Advanced Generalist, and Clinical.

ASWB provides the following pass rates annually to the Board of Social Work. They note that percentages of pass and fail rate ‘are most representative of groups numbering more than 200. These percentages are not representative of groups with fewer than 100 candidates, and generalization should not be made from rates for these groups.’ The table below is representative of individuals taking the examination for the first time and does not reflect pass rates for individuals who retested in the same exam category.
