INDEPENDENT AUDITORS' REPORT

TO THE BOARD OF DIRECTORS
PENDLETON SENIOR & FAMILY SERVICES, INC.
FRANKLIN, WV

We have audited the accompanying statement of financial position of Pendleton Senior & Family Services, Inc. (a nonprofit organization) as of September 30, 2009, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of Pendleton Senior & Family Service's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pendleton Senior & Family Services, Inc. as of September 30, 2009, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting standards generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated June 18, 2010, on our consideration of Pendleton Senior & Family Service's internal control over financial reporting and on our tests of its compliance with laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of Pendleton Senior & Family Services, Inc. taken as a whole. The accompanying report on compliance requirements and schedule of findings and questioned costs, as required by a directive from the West

Virginia Bureau of Senior Services, and the schedules of grant activity are presented for purposes of additional analysis and are not a required part of the financial statements of the Pendleton Senior & Family Services, Inc. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS
PENDLETON SENIOR & FAMILY SERVICES, INC.
SEPTEMBER 30, 2009

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Pendleton Senior & Family Services, Inc. is presented to assist in understanding the Agency's financial statements. The financial statements and notes are the representation of the management, who is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

A. Nature of Activities

The Pendleton Senior & Family Services, Inc. is a nonprofit organization formed to improve the quality of life for senior citizens in Pendleton County, WV. The Agency qualifies as a tax-exempt organization under Section 501 (c) (3) of the Internal Revenue Code and, accordingly, is not subject to federal tax. On May 13, 1998, Pendleton Senior & Family Services, Inc. filed an amendment with the WV Secretary of State to legally change its name from the Pendleton County Committee on Aging, Inc. The Internal Revenue Service accepted this name change without amendment to the 501 (c) tax exempt status. The Agency is supported by various federal and state grant programs as well as program services fees for providing in-home care services funded through the WV Department of Health and Human Services.

B. Basis of Accounting

The accompanying financial statements are prepared on the accrual basis in conformity with generally accepted accounting principles, and accordingly reflect all significant receivables and payables and other liabilities.

C. Accounts Receivable

Accounts receivable consist mainly of amounts due from WV Department of Health & Human Resources and the Veterans Administration for in-home care services provided to clients. No allowance for uncollectible accounts has been established. Uncollectible accounts are written-off in the period management determines that collection is not probable. Management believes all receivables will be collected in full.

D. Property & Equipment

Property and equipment is recorded at cost and depreciated on the straight line basis based on estimated useful life. The Agency capitalizes all expenditures for property, furniture, and equipment in excess of \$1000. All equipment purchased with grant funds must be used and disposed of in accordance with the grantor agency's policies. Maintenance and repairs are expensed as incurred.

E. Inventory

The inventory of raw food on hand at September 30, 2009 at the various nutrition sites has been recorded at cost, as determined by the last purchase price, on a first-in first-out (FIFO) basis.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
PENDLETON SENIOR & FAMILY SERVICES, INC.
SEPTEMBER 30, 2009

F. Revenue Recognition

Contributions and grants are recognized when the donor or grantor makes a promise that is, in substance, unconditional. Contributions that are restricted by the donor or grantor are reported as increases in unrestricted net assets if the restrictions expire in the year that the contributions are recognized. There are no temporarily or permanently restricted net assets as of or for the year ended September 30, 2009. All grant funds were expended on or before that date.

G. Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, Pendleton Senior & Family Services considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash and cash equivalents.

H. Financial Statement Presentation

Financial statement presentation follows the recommendations as set forth in Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations". Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets (unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets) based upon the existence or absence of donor-imposed restrictions.

I. Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions. The Agency has not received any contributions with donor-imposed restrictions that would result in temporarily or permanently restricted net assets. Funds received by the Agency, consists mainly of grant monies awarded from federal and state government programs and program service fees. These funds are viewed as exchange transactions and not contributions.

J. Estimates

In preparing financial statements in conformity with generally accepted accounting principles, management must make estimates based on future events that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities as of the date of the financial statements, and revenues and expenses during the reporting period. Actual results could differ from these estimates.

K. Advertising Costs

It is the policy of the Agency to expense advertising costs as incurred.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

TO THE BOARD OF DIRECTORS
PENDLETON SENIOR & FAMILY SERVICES, INC.
FRANKLIN, WEST VIRGINIA

We have audited the financial statements of Pendleton Senior & Family Services, Inc. (a nonprofit organization) as of and for the year ended September 30, 2009, and have issued our report thereon dated June 18, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Pendleton Senior & Family Services' internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Pendleton Family & Senior Services' internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, we identified certain deficiencies in internal control over financial reporting that we consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the organization's ability to initiate, authorize, record, process, or report financial data reliable in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the organization's financial statements that is more than inconsequential will not be prevented or detected by the organization's internal control. We consider the deficiencies described in the accompanying schedule of findings and responses to be significant deficiencies in internal control over financial reporting. They are Finding 2009-01 and 2009-02.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the organization's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we believe that none of the significant deficiencies described above is a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Pendleton Senior & Family Services' financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Pendleton Senior and Family Services' response to the findings identified in our audit is described in the accompanying schedule of findings and responses. We did not audit the Agency's response, and accordingly, we express no opinion on it.

This report is intended for the information of the Board of Directors, management, and West Virginia Bureau of Senior Services, and is not intended to be and should not be used by anyone other than those specified parties.

REPORT ON SELECTED COMPLIANCE REQUIREMENTS AS REQUIRED BY THE WEST VIRGINIA BUREAU OF SENIOR SERVICES

TO THE BOARD OF DIRECTORS
PENDLETON SENIOR & FAMILY SERVICES, INC.
FRANKLIN, WEST VIRGINIA

We have audited the financial statements of Pendleton Senior & Family Services, Inc. (a nonprofit organization) as of and for the year ended September 30, 2009, and have issued our report thereon dated June 18, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

As part of obtaining reasonable assurance about whether Pendleton Senior & Family Services, Inc. financial statements are free of material misstatement, we performed tests of certain compliance requirements per the directive of the West Virginia Bureau of Senior Services. However, providing an opinion on compliance with these provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under the directive of the West Virginia Bureau of Senior Services.

This report is intended for the information of the Board of Directors, management, and the granting agencies. However, distribution is not limited and is not intended to be and should not be used by anyone other than those specified parties.

PENDLETON SENIOR AND FAMILY SERVICES, INC.
SUMMARY OF FINDINGS & RESPONSES
FOR THE YEAR ENDED SEPTEMBER 30, 2009

A. Reportable Conditions in Internal Control

09-01 Segregation of Duties

Condition: We noted during our audit that the Pendleton Senior and Family Services, Inc. did not have complete segregation of duties in the financial and accounting office.

Criteria: During our analysis of internal control, we noted that duties related to the custody of assets, authorization of transactions, accounting function, and the record keeping responsibility, are not completely separated.

Cause: The small size of the accounting staff precludes certain internal controls necessary to provide optimum segregation of duties.

Effect: Because of the failure to segregate duties, internal accounting control does not reduce to a relatively low level the risk that irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Corrective action: Responsibilities of accounting and financial duties will continue to be distributed among office staff to the best degree possible to assure proper segregation of duties. However, the Agency is not large enough to obtain complete segregation of duties from a financial standpoint. The Board will remain involved in the financial process to provide oversight and independent review functions.

09-02 Drafting of Financial Statements

Condition: Pendleton Senior & Family Services does not prepare financial statements in accordance with generally accepted accounting principles. In order to satisfy GAAP, the year-end financial statements are required to include extensive notes and disclosures in the financial statements

Criteria: Statement of Auditing Standard #112 defines a significant deficiency as a control deficiency or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process or report financial data reliably in accordance with generally accepted accounting principles.

Cause: Small accounting staff and limited resources

Effect: Unknown

Corrective Action: It is not cost efficient for the Pendleton Senior & Family Services, Inc. to prepare its own financial statements. The Agency has engaged external auditors to ensure that the year-end financial statements are in compliance with GAAP.
