WEST VIRGINIA BOARD OF VETERINARY MEDICINE

November 23, 2015

The Honorable Earl Ray Tomblin
Governor of West Virginia
State Capitol, Building 1
Charleston, WV 25305

RE: Biennium Report 2014 and 2015

Dear Governor Tomblin,

The West Virginia Board of Veterinary Medicine is submitting our biennium report for the time period of July 1, 2013 – June 30, 2015. Below is an overview of our fiscal year 2014 and 2015 activities.

MISSION

The mission of the Board is to protect the health, safety and welfare of the general public and animals of West Virginia through public education, enforcing licensing standards for veterinarians, registered veterinary technicians, certified animal euthanasia technicians and veterinary and euthanasia facilities.

ACTIVE LICENSE, REGISTRATION, CERTIFICATION

	2013/2014	2014/2015
Licensed Veterinarian	596	635
Registered Veterinarian Technicians	149	165
Certified Animal Euthanasia Technicians	75	76
Veterinary Facility	169	169
Euthanasia Facility	31	33

Veterinarian applicants are licensed by NAVLE and WV jurisprudence exam. Registered Veterinarian Technician applicants are licensed by VTNE and WV jurisprudence exam. Certified Animal Euthanasia applicants are registered by attending the Board training and passing the practical written, practical, and jurisprudence exam. All renewals are annual.

Veterinarian Testing -North American Veterinary Licensing Examination (NAVLE).

The National Board of Veterinary Medical Examiners (NBVME) is The American Association of Veterinary State Boards (AAVSB) reviews veterinarian candidates' eligibility to take the NAVLE.

Registered Veterinary Technician Veterinary Technical National Examination (VTNE).

The American Association of Veterinary State Boards (AAVS) owns and oversees the administration of the VTNE.

CE REQUIREMENTS – Courses can be taken in classroom or webinar.

	Total	Scientific	Non-Scientific
Licensed Veterinarian	18	14	4
Registered Veterinary Technicians	8	4	4
Certified Animal Euthanasia Technicians	6	6	

Registered Veterinary Technicians and Certified Animal Euthanasia Technicians provide their CE information on their yearly renewal. Effective in 2015, 10% of Veterinarian's CE's are randomly audited by the Board

Three New Board Members Appointed as Board says a fond farewell to Dr. Kay W. Gilpin

Governor Earl Ray Tomblin appointed three new members to the West Virginia Board of Veterinary Medicine (WVBVM) in January, 2014. Dr. Keith B. Berkeley, Jefferson County, Dr. Mark A. Ayers, Cabell County and Monica R. Patton, RVT, Kanawha County, joined the Board and attended their first Board meeting on April 24, 2014.

While welcoming the new Board members, the Board also thanked outgoing Board member, Dr. Kay W. Gilpin and acknowledged his dedicated service over the last 20 years. Dr. Gilpin served on the WVBVM from 1994 until January, 2014. For the past several years, he has served as the Chair of the C.E. Committee reviewing hundreds of Continuing Education programs to insure that the programs met the strict criteria dictated by the Board. The Board will sincerely miss Dr. Gilpin, during his long service; he always demonstrated a strong commitment to excellence in the field of veterinary medicine for all West Virginians and for their animals.

At the June, 2014 Board meeting, Dr. John R. Wilson was elected to continue to serve as Board Chair, Ms. Virginia Lee Hastings was re-elected to serve as the Board Secretary/Treasurer.

Dr. John R. Wilson, Board Chair (left), presents a "Certificate of Appreciation" for 20 years of dedicated service on the WVBVM to Dr. Kay W. Gilpin (right).

Legislative Changes make Webinars an option for C.E. for Registered Veterinary Technicians and for Certified Animal Euthanasia Technicians

During the 2014 WV Legislative session our proposed rule changes for Series 3 and Series 5 passed in House Bill 4039. The changes become effective on May 31, 2014. The Series 3 and Series 5 changes allow for the option of approved webinar continuing education programs for RVT's and CAET's. Please familiarize yourself with the language of these two rule changes:

26-3-14.1. Continuing Education - Each registered veterinary technician shall undertake at least 8 classroom hours of continuing education in the field of veterinary technology, at least 4 of which must be in the field of veterinary science or webinar continuing education programs with scientific curriculum relative to the practice of veterinary medicine, during each year calendar year, which has been approved as meeting the continuing education requirements for RVT's by the Board. No periods may be accumulated, carried forward, or held over past the calendar year in which the hours of continuing education were completed.

26-5-11.1. Continuing Education Requirement - All Certified Animal Euthanasia Technicians shall complete at least 6 hours of classroom continuing education or webinar continuing education in courses approved by the Board during each calendar year. No hours may be accumulated, carried forward, or held over past the calendar year in which the hours were completed.

26-5-11.5. - The Board may grant continuing education hardship extensions by written appeal to the office of the Board. The Board shall only consider hardship extensions from certified animal euthanasia technicians who were prevented from completing the required continuing education hours within the year due to verified medical or military emergencies beyond the certificate holder's control. Requests for hardship extension must be received in the Board's office by December 15.

Please note that C.E. must be **approved** regardless of whether it is a webinar or not. You may not take a webinar prior to the effective date of the legislative rule change, May 31, 2014.

In addition to the legislative rule changes for Series 3 and Series 5, a change was made in Series 6 to allow the Board to give special consideration for veterans and their spouses returning from active duty.

We urge all who are licensed with the laws governing your profession. A written bound copy of the Code and Rules may be purchased from the Board of Veterinary Medicine. You may also access the Code and Rules from our website (www.wvbvm.org). The new updated Code and Rules has been posted.

Board Inspector Dr. Richard Lechlitter leaving position

The Board would like to thank Dr. Richard Lechlitter for his dedication serving as the WVBVM Inspector for the last 9 years. Dr. Lechlitter will be leaving his position at the end of 2014 to attend to his duties as Mineral County Commissioner and to provide increased care for his mother. In his role, Dr. Lechlitter inspected every veterinary facility (129) and every Euthanasia Facility in the state (34) every other year. The Board will be to posting the position in the near future. Should you know of anyone interested in learning more about this part-time position, please have them contact Carey Fleming at the Board office.

New category of license approved

At the Board meeting on April 24, 2014, the Board approved the addition of a new license status for veterinarians previously licensed in WV who are not currently practicing in the state. The new status will be called an "inactive" license. This license category will not be available until the proper rule change has been submitted to the Legislative Rule Making Committee and the WV State Legislature will have to approve that rule change. If the Board is able to submit the Rule change and it passes in the 2015 Legislative Session, the rule would go into effect some time mid-2015.

Congratulations to 2014 newly licensed veterinarians:

BOARD AWARDS CONTRACT FOR NEW WEBSITE AND DATABASE

The WVBVM has awarded a contract to Albertson Consulting, Inc. to purchase a new licensure management software solution including website design, content management database system, administrative interface and cloud-based documentation program. The installation will begin in July, 2014 and should be completed within 150 days. The Board will mail paper renewal forms once again for 2015 renewals as we will be testing the system at the end of December and the "go live" date will be very late December. Please bear with us and use the paper renewals for one last time. We will use the e-mail address that you provide on your renewal form to inform you when our new system is ready for use. **It is critical that we have an e-mail address for all licensees.** When we e-mail you, we will give you the information that you will use to log on to the new system. We will give you all of the details on the functionality of the system. Licensees will be asked to log into the system and create a password, this will allow one to manage personal information and do tasks such as facility registration, renewals, payments, etc.

INTRODUCTIONS & FAREWELLS

New Board Executive Director - Trish Holstein

We are pleased to introduce Trish Holstein as our new Executive Director. Trish started with the Board in January. She has over 5 years experience with the WV Board of Physical Therapy where her duties mirror the duties of our Board. Trish has 15 years of administrative/management experience with 11 years of experience with various state agencies and wide spread knowledge of WV policy and guidelines.

Farewell to Carey Fleming

We would like to say farewell and best wishes to Carey. We appreciate all the hard work and dedication that Carey provided to the Board during her 2 years of service as Executive Director.

New Facility Inspector - Mike Leland

We are pleased to introduce Mike Leland as our new Facility Inspector. Mike started with the Board in March and has hit the road running with the facility inspections. Mike has 34 years experience in the education field and 12 years as Store Manager with the McDonalds Corporation.

Farewell to Dr. Richard Lechliter

We would like to say farewell and best wishes to Dr. Lechliter. Dr. Lechliter worked for the Board as a facility inspector for 9 years. We appreciate Dr. Lechliter's hard work to ensure that all facilities were in compliance with the statutes and rules of the Board.

NEW WEBSITE AND DATABASE UPDATE

We are working diligently on our new and improved website and database. We are hoping to have them up and running by early Fall. Below are a few of the features that will be available:

- * Online Renewals
 - * Veterinarian, RVT, CAET, Facility
- * Online Applications
 - * Application Status
 - * Veterinarian, RVT, CAET, Facility
- * Online Change of Address
- * List of WV Board Approved CE Programs
- * Downloadable Forms

Although online renewals will be available for 2016, renewal forms can also be downloaded from our website and mailed to the Board office. The Board will be mailing out renewal reminders along with instructions on how to renew online.

ANNUAL VETERINARIAN CE AUDITS

In May 2015, we conducted our first random CE audit of 10% of the Veterinarians that renewed their licenses for 2015.

- **Required CE Hours**
 - Must have 18 WV Board approved CE hours per licensing period.
 - 14 of the 18 CE hours must be scientific.
- **All courses must be WV Board approved CE courses**
 - Approved courses through other jurisdictions are not automatically approved through WV. Do not assume courses are approved; if you are unsure, please contact the Board.
- **Approved CE Programs**
 - AVMA accredited colleges of veterinary medicine
 - WV Board approved national veterinary associations
 - AVMA approved official state veterinary associations
 - Registry of Approved Continuing Education (RACE)
 - USDA Accreditation Modules
 - Programs submitted to and approved by the WV Board of Veterinary Medicine along with a \$50.00 fee

CONTROLLED SUBSTANCES

It has come to our attention during facility inspections that disposal and security of controlled substances need to be addressed. Below are some DEA guidelines and information that you may find beneficial.

DISPOSAL OF CONTROLLED SUBSTANCES DISPOSAL OPTIONS

OPTION #1

DEA REGISTERED REVERSE DISTRIBUTOR

A complete list of reverse distributors can be found at www.deadiversion.usdoj.gov/drug_disposal/index.html.

OPTION #2

PROCEDURE FOR DISPOSING OF CONTROLLED SUBSTANCES

According to DEA Office of Diversion Control under **§1307.21 Procedure for Disposing of Controlled Substances:**

- ⇒ Any person in possession of any controlled substance and desiring or required to dispose of such substance may request assistance from the Special Agent in Charge of the Administration in the area in which the person is located for authority and instructions to dispose of such substance.
- ⇒ If the person is a registrant, he/she shall list the controlled substance or substances which he/she desire to dispose of on DEA Form 41 and submit 3 copies of that form to the Special Agent in Charge of his/her area.
 - ⇒ Karl C. Colder
Special Agent in Charge
 U.S. Drug Enforcement Administration (DEA)
 Washington Field Division (WDO)

WV BOARD OF VETERINARY MEDICINE
MEETING – SEPTEMBER 6, 2013
The Bavarian Inn – Shepherdstown, WV

Meeting attendees: Board members -Dr. John R. Wilson, Dr. Ronald Smith, Dr. Jean Ann Meade, Dr. Kay Gilpin, Dr. Jamie Moore, Ms. Betty Burkett, Ms. Ginny Lee Hastings. Also in attendance: Ms. Carey Fleming, Executive Director, by phone Kate Campbell, Esq., WV Attorney General's Office. Invited attendees from Help for Animals: Dr. Kelly Pinkston, Vanessa Moser, Donna Spencer, Jim Spencer, Skip Pinkston, Charlie Moser

The meeting was called to order by Dr. Wilson at 8:30AM

The first order of business was a discussion with the attendees from "Help for Animals" who had been invited to address the Board. The discussion was to clarify the questions that had been brought up in a previous meeting regarding animals who are transported long distance, to "Help for Animals" for spay/neuter procedures. The Board had expressed concern about the level of stress that the animals were under when traveling and undergoing surgery on the same day. In addition, there was concern about whether there exists a veterinarian-client-patient relationship when an animal is transported to be spayed/neutered without the owner present.

The Board began by asking Dr. Pinkston to give an overview of their low cost spay/neuter program. She discussed their goal of helping to decrease the number of unwanted animals. She explained the type of surgery that she performs and where she was trained. Vanessa Moser explained that the pre-surgical paperwork that is provided with pre-operative disclosure which is signed by the owners. Dr. Pinkston answered questions about what happens if there is a complication with an animal post surgery. The clinic does provide an 800# for the owners and the clinic does pay for any post surgery care that has to be obtained. Dr. Smith asked if they ever do not perform surgery and the response was that they will not operate on the animal if they are emaciated or sick with the exception of TNR (trap, neuter, release). Dr. Gilpin asked how many animals they do a day and the response was 40. Dr. Wilson asked if they do

ovarian surgery on all animals and Dr. Pinkston responded that "yes" back to the cervix. Dr. Moore asked about certain breeds like English Bulldogs and Dr. Pinkston answered that they do not see them often, if ever.

Dr. Wilson asked if any animals were lost in transit and Dr. Pinkston replied "no". Dr. Wilson asked if they ever keep an animal if they are not doing well and Vanessa responded that they did have one cat that stayed.

Kate Campbell addressed the group and asked about the veterinarian-client-patient relationship. She asked if they consider the animal their patient after they do the surgery. Vanessa stated that Help for Animals takes financial responsibility for the animal and if there is a problem; they pay for any post-surgical care. They do not have contracts for care in place but if there is a problem, they work with the transport driver to get the animal somewhere where they can get care. Kate asked why someone would transport their animal that far and the response was that most are shelter animals and they send many at a time so cost is low. Dr. Gilpin asked about fees and they are as follows: \$22- cat neuter, \$37 cat spay, \$42 dog neuter, \$47 dog spay, \$62 dog over 100lbs.

Dr. Wilson asked if they are non-profit and Dr. Pinkston said yes. Dr. Moore stated that the reason that the Board asked them to come to the meeting is because the Board does believe that the animals are under enormous stress traveling long distances and having surgery on the same day. Dr. Moore said that they should also inform the transport driver that he is liable for the animals. Dr. Wilson asked what percentage of their income are donations and the response was, less than 1%, however, they do receive grants. Dr. Wilson asked if they qualify people for low income and Dr. Pinkston said "no" and that they do get people in who they believe could afford to go to their normal vet but it is impossible to qualify everyone. Dr. Pinkston stated that they firmly believe that they are providing a valuable service. Dr. Gilpin asked if they provide any education that goes home with the animal. Dr. Pinkston said "no" but she felt that it would be a great idea. She said that Help for Animals does go to schools, fairs, etc. to help educate the public.

Dr. Wilson described how they work with the local shelter to do low cost services. Dr. Pinkston said that the local vets have not suffered any loss of business because of the low cost spay/neuter program that she runs. Dr. Gilpin stated that they spay/neuter the

feral cats in their area but no one knows about it. Donna asked that Dr. Gilpin give her the office information so that they can add it to the Resource and Referral Database that they run. Dr. Pinkston indicated that they want to know all of the vets in the state who offer the low cost service and that the most calls that they receive are for TNR (Trap, Neuter, and Release).

The guest from Help for Animals left the meeting at 9:30AM.

Dr. Meade stated that the only issue that she sees as a problem is the establishment of the veterinarian-client-patient relationship. Kate Campbell agreed and there was discussion about whether the relationship was ever established. Dr. Wilson asked if we should see if they actually have the documentation that they stated that the owners had signed prior to surgery.

Betty Burkett made a statement about the spay/neuter program that she is involved with. Dr. Smith stated that he thinks that the Board should put their concerns in a letter and send it so that there is a record of a concern about specific breeds, concern about stress on animal, concern about van driver, etc. Kate stated that there were no clear violations of current Practice Act and Rules. She advised that the Board have Dr. Lechliter look closely at the records when the facility is inspected, to make sure that owners were indeed signing waivers before the surgery. Kate Campbell will prepare a letter thanking them for coming to the meeting and stating that they have answered the Board's questions and the Board will not be taking any action at this time.

The Board addressed the issue of responding to the letter that was sent by Dr. Mahnken asking if he could get his West Virginia license back. Kate Campbell advised the Board that they need to inform Dr. Mahnken that he must formally apply for a license before the Board could make a determination about whether he can be licensed. The Board should be clear about what would be required in order for them to make the determination. At a minimum, he should be required to disclose to the Board the outcome of the criminal case that he was involved in which occurred in South Charleston, provide a report from the rehab program that he is attending, and provide an explanation about why he is applying to West Virginia as opposed to applying to Alabama where he currently resides and where he is in treatment. The Board asked Kate to draft a letter to go to Dr. Manhken and to consider how he might pay the Board

back legal fees. Kate indicated that if Dr. Manhken does apply and the Board denies the license, he will have the right to a hearing.

MOTION FOR the Board to go into Executive Session at 10:15 AM by Dr. Smith, second by Dr. Gilpin, vote taken, motion passed.

MOTION for the Board to come out of Executive Session at 10:45 AM by Dr. Smith, second by Dr. Gilpin, vote taken, motion passed.

MOTION made by Dr. Smith regarding Case # 0713A, to have to Board write a Consent Agreement requiring the veterinarian who the complaint was filed against, to complete 3 hours of approved Continuing Education in small animal dentistry, in addition to the normal required Continuing Education, by Dec. 31, 2013. Motion 2nd by Dr. Meade, vote taken, motion passed unanimously.

MOTION to approve minutes of Board Meeting on June 3, 2013 by Dr. Gilpin, second by Dr. Smith, vote taken, motion passed unanimously.

MOTION to approve Treasurer's Report by Dr. Gilpin, second by Dr. Smith, vote taken, motion passed unanimously.

MOTION to approve PCard Report by Dr. Smith, second by Dr. Moore, vote taken, motion passed unanimously.

Discussion regarding whether the Board will be inspecting veterinary facilities where there is no practice of veterinary medicine taking place (for example: drug warehouse). These are usually the brick and mobile facilities associated with a mobile facility. We will inspect these when we inspect the mobile facility and use only the portion of the inspection form that pertains to the area of a normal clinic where drugs and records are kept. No changes will be made to rules.

Dr. Wilson reported on the status of our request to have new appointees added to the Board. Dr. Wilson relayed his conversation with Governor Tomblin indicating that they were in the process of looking at the candidates. Carey Fleming discussed the CLEAR Board training which is coming up in November which will be sponsored by the Association of WV State Regulatory Boards. The cost should be significantly less than it would normally be if we can get several boards to send people. The Board did think

that the training would be beneficial, especially for new members if we get them. Everyone on the Board expressed interest in attending. Carey will get back to the Board on the date that is selected.

The Board determined that because Dr. Wilson is now the Chair of the Board, a new complaint committee should be appointed. Dr. Meade volunteered to take the helm and the Board will look at adding to the committee when we get new Board members. Dr. Wilson, as Chair, appointed Dr. Meade as the Complaint Committee.

The Board discussed the fact that if Dr. Gilpin leaves, a new CE committee will need to be appointed. Dr. Smith agreed to take this on when/if Dr. Gilpin leaves the Board.

Carey Fleming discussed the security issues that came up with the purchase of IPADS for the Board. The Board decided to continue to use paper files for complaints for the time being.

Ginny Lee Hastings led a discussion regarding John Tolley practicing veterinary medicine in Lincoln Co. without a license. The board asked Carey Fleming to have Kate Campbell send a "Cease and desist" letter.

Carey Fleming discussed a call into the office regarding human grade drugs (antibiotics) being sold by pet stores. The drugs are sold for aquarium use, there is no veterinarian involved and no script written for the drug.

Regulations for new mobile units were discussed. A recent call in to the office sparked a discussion about a new unit that is going to be doing low cost spay/neuter in the Milton area. The Board discussed the requirement for having a contract with a local veterinary facility to have coverage for animals that have had surgery, after the mobile unit leaves the area. In the past, the Board had required that a new unit not go more than 50 miles from their brick and mortar facility for the first year and then the Board allowed them to go further. This caller actually said that they would rely on the 24 hour emergency clinic in Charleston to take care of emergency issues after surgery. The Board is not going to allow that as the 24 hour clinic will not see people who don't give them a \$100 deposit. There must be a contract with a local veterinarian, within 50 miles of the area where they are doing the spay/neuter, that will guarantee that they will see the animal if there is a problem. The Board asked that Carey Fleming communicate this information to the caller.

Carey Fleming asked the Board to refer to the e-mail sent by Dr. Settlage asking that the Board consider adopting language from the AVMA Model Practice Act which allows for an exemption for a person who has expertise and has been asked to come into the state for a specific consultation or to work under the direct supervision of a licensed veterinarian who will be held liable in the case of a problem. The board will continue this conversation in future Board meetings.

Carey Fleming gave an update on the status of the two veterinarians who are under Consent Agreements. There is some concern about the fact that one of the veterinarians is reporting to a therapist who he chose himself and that same therapist, is the one who is doing the drug test. The Board asked Carey Fleming to arrange for a random drug test to be done as soon as possible.

Carey Fleming asked the Board to review a request from an individual who wanted to become an RVT. The individual had been in veterinary school, she dropped out and wanted to know if the Board would consider allowing her to submit her vet school classes in lieu of the 2 year degree required to take the NVTE. The Board stated that the law is clear; a candidate must have a 2 year degree from an approved Veterinary Technician Program.

The CAET Training evaluation was provided for the Board's review.

Carey Fleming reminded everyone that the new Practice Act & Rules would be effective on Sept. 9, 2013.

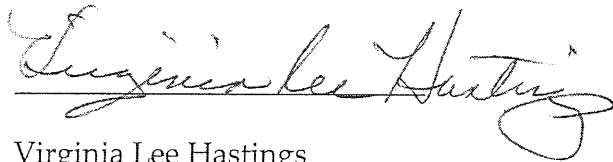

The wvOASIS Appropriation Schedule was reviewed, Carey Fleming explained that this is the first time that the WVBVM has ever had to file this as we are not appropriated. With the implementation of wvOASIS, we had to file this to get set up in the system.

Dr. Meade brought up the issue of the new veterinarians having to wait a long time to take the licensing exam (given two times a year) and that it is very difficult to line up the supervising veterinarian, especially in the summer. There was a discussion about whether the Board could give the exam at the office. Carey Fleming was asked to look at the Practice Act & Rules and see if that would even be a possibility.

Carey Fleming reported on a request that we had in the office for the Board to send a letter out to boarding facilities in Berkeley County informing them that they cannot give the kennel cough vaccine at their facility. The Board approved the request.

Dr. Wilson asked about the status of our new website/database. Carey Fleming stated that there is a presentation from a vendor in front of the Association coming up next week. She is moving forward with trying to draft the Request for Quote and is working with the Purchasing Department.

Respectfully submitted;

Virginia Lee Hastings
Secretary/Treasurer

Date

WV Board of Veterinary Medicine – Board Meeting – April 24, 2014
Conference Center, WV State Fairgrounds, Fairlea, WV

The meeting of the West Virginia Board of Veterinary Medicine was called to order at 8AM by Board Chairman, Dr. John R. Wilson on Thursday, May 24, 2014.

Members of the board present were: Dr. Keith B. Berkeley, Dr. D. James Moore, Dr. Barbara Jean Meade, Monica Patton, RVT, Dr. Mark A. Ayres, Ms. Virginia Lee Hastings and Ms. Betty Burkett. Ms. Carey Fleming, Executive Director was present for the entire meeting, Kate Campbell, Esquire was present for part of the meeting. Dr. Kay Gilpin, a member of the public was present for the entire meeting but was excused from the room during Executive Session.

MOTION made by Dr. Smith to approve the minutes of the September 6, 2013 meeting. Second by Dr. Moore, vote taken, motion passed unanimously.

Review of the P-Card Report

Review of Treasurer's Report

MOTION made by Dr. Moore to approve the Governor's Report which was sent out in January to existing Board members and was given to new the Board members at this meeting. Second by Dr. Smith, vote taken, motion passed unanimously.

Dr. Wilson gave a report regarding the CLEAR Board Member training that he and Ms. Fleming attended. There was a discussion about the obligation that the Board has to make public the actions taken in cases. Do we report only discipline that is reportable to AAVSB?

Review of Facility Inspection Reports

Discussion about Dr. Lechlitter's resignation, Ms. Fleming read his letter to the Board. Ms. Fleming brought up the fact that we do not pay for his mileage and asked about how the Board had structured the job. Board originally designed the compensation to encourage him to do several inspections in the same area to limit travel expense. Discussed the schedule for inspections, how the state is divided into quarters and the inspections are scheduled every two years. Board discussed how we might structure the job in the future. Dr. Meade suggested that we look at a graduate student as a possible candidate for job. Dr. Smith suggested we advertise in the WVVMA newsletter. Dr. Meade suggested that we do not have Dr. Lechlitter train the new person as the Board may change how the job is done.

Ms. Fleming will get all of the information regarding the job and the salary out to all Board members. Monica Patton suggested that we use some of the criteria that AHA uses in evaluating facilities to help us redesign the inspection reports and the process of inspecting facilities.

Ms. Campbell joined the meeting at 9AM. Dr. Wilson introduced Kate to the new Board members.

Ms. Campbell distributed some material regarding levels of discipline and initiated a conversation regarding the levels of discipline that have been used by the Board. Ms. Campbell stated that she objected to the issuance of a Letter of Concern or Letter of Caution, she stated that another Board ended up losing a case where they had issued a Letter of Concern because the person that received the letter had no ability to contest the finding or to elect to have a hearing. Her recommendation would be to only do reportable discipline, you either find probable cause or not. Dr. Moore said that if we do that, we will have one case after another go to hearing.

Ms. Fleming asked about the Non-reportable Letter of Consent that the State of Virginia uses. Ms. Campbell indicated that it is a Board decision how we make disciplinary action public, there is nothing in the law dictating it.

Ms. Campbell brought up that the Surveyor's Board uses a process where they have an informal conference with the Board and the licensee who the complaint is lodged against and they try to work things out that way. The Board members had several different views on whether this would work or not.

Dr. Wilson brought up topic of attending the hearing scheduled in Charles Town on May 7, 2014. Ms. Campbell stated that she felt that it would not be advisable for Board members to attend the hearing.

MOTION made to go into Executive Session at 10AM by Dr. Smith, second by Dr. Berkeley. Vote taken, motion passed unanimously

Kay Gilpin left the room.

MOTION for the Board to come out of Executive Session at 10:55AM by Dr. Smith, second by Dr. Moore, vote taken, motion passed unanimously.

Kay Gilpin returned to the room.

Case 1013A –

MOTION – The Board to send a request for an explanation of the treatment plan as relates to selection of dosage, time of confinement and observation from the veterinarian who treated the animal in this case. Motion made by Dr. Berkeley, second by Dr. Smith, vote taken, passed unanimously.

Case 1013B –

MOTION – The Board to issue a Consent Agreement requiring the completion of 6 hours of feline internal medicine, 3 hours of pharmacology and 3 hours of record keeping, in addition to required annual 18 hours of CE. CE to be completed within 12 months from date Consent Agreement is signed. All costs associated with case to be the responsibility of veterinarian indicated in the case. Motion made by Dr. Smith, second by Dr. Moore, vote taken, motion passed unanimously.

Case 1014A-

MOTION – The Board will take no action. Motion made by Dr. Smith, second by Dr. Moore, vote taken, passed unanimously.

Case 0314A-

MOTION- The Board will take no action. Motion made by Dr. Smith, second by Dr. Berkeley, vote taken, passed unanimously.

Discussion regarding the language regarding temporary licensee sponsors. Ms. Fleming and Ms. Campbell discussed the previous interpretation of the language in the Practice Act and Rules. The Board reviewed and agreed that the language has been misinterpreted and should allow for a sponsor to change. It is the actual temporary license that can't be transferred not the sponsorship.

MOTION made by Dr. Berkeley that we develop a form letter that allows transfer of sponsorship from one veterinarian to another. Motion second by Dr. Smith, vote taken passed unanimously.

Ms. Campbell left the meeting at 12:30PM.

MOTION – The Board will establish a new license category, inactive license at \$35.00. The individual can reinstate the full license by demonstrating correct cumulative CE for years where the inactive license is held. Motion made by Dr. Moore, second by Dr. Meade, vote taken, passed unanimously.

Discussion regarding the counselor who was treating Dr. Wilt and her neglect of her responsibility to report to the Board any positive drug test results.

MOTION – The Board will file a formal complaint against Bonnie Miller, M.S., L.P.C., with the Professional Counseling Board. Motion made by Dr. Smith, second by Dr. Moore, vote taken, passed unanimously.

Ms. Fleming did a Legislative Update reviewing all of the changes that the Board has passed in the last two legislative sessions. Each Board member was given a new Practice Act & Rules with the new sections highlighted.

Dr. Wilson discussed the upcoming WVMA meeting and asked the Board their opinion regarding having someone from the Board address the group at their business meeting luncheon. This would increase communication between the groups, Dr. Wilson stated that Ms. Fleming was unable to attend the Saturday meeting and that he would be able to attend.

MOTION – Dr. Wilson, Chairman of the Board, will address the participants at the regular business meeting of the WVMA business lunch on Saturday, April 26, 2014. Motion made by Dr. Smith, second by Ms. Burkett, vote taken, passed unanimously.

Ms. Fleming announced that we are moving forward with our purchase of the new database and website and we have recommended acceptance of the low bid of a total of \$63,000, we are waiting for approval from Office of Technology. We are right behind Board of Medicine but in front of Board of Engineering and Board of Dentistry.

The Board reviewed the Emergency Veterinary Responder Notification Form and the WV Animal Emergency Notification Plan. There was a discussion about who should have the authority to approve temporary licenses for veterinarians in an Emergency.

MOTION – The Board gives the Executive Director the authority to approve the temporary licensees in the event of an Emergency. Motion made by Dr. Smith, second by Dr. Meade, vote taken, passed unanimously.

MOTION – The Board approves the Emergency Veterinary Responder Notification Form. Motion made by Dr. Berkeley, second by Dr. Smith, vote taken, passed unanimously.

Dr. Wilson discussed putting into place some kind of process for evaluation of employees of the Board. The Board reviewed the job duties for both the Executive Director and the Secretary position. Ms. Fleming suggested that the Secretary position will be changing significantly after the new database and website is up and running. Ms. Fleming suggested that she could get the evaluation criteria from the state and pass on to the Board.

The Board had a discussion regarding increasing the number of members of the Complaint Committee. There was a suggestion that the Board have one additional person for large animal cases and one for small animal cases. Dr. Ayers is willing to do the small animal cases and Dr. Berkeley will be available for large animal cases.

The Board had a discussion regarding Equine Dentistry. Ms. Fleming reported the statistics from AAVSB regarding Equine Dentistry, how many states allow lay persons to float teeth. Dr. Berkeley reported that he supports this; he feels it is to the benefit of the horse. He also stated that the new students coming out of school right now are interested in pursuing this practice. A discussion followed regarding the issues with regulating the practice of equine dentistry.

The Wyoming County Gas Chamber Inspection report was reviewed; Ms. Fleming explained that 2014 is the first year that the Board is enforcing the rule regarding the annual inspection of gas chambers.

The 2013 Euthanasia Report was reviewed. Dr. Moore discussed the CAET Training class and Ms. Fleming reported that the class did operate at a loss for the first time. The class was held at a hotel, in the past we did not pay for meeting space because we held the class at Pierpont Technical College. There was some discussion regarding alternate locations for the classroom portion next year. Dr. Moore indicated that he would like to try to set up a class in conjunction with the Vet Tech program at Carver. Monica Patton, RVT, teaches at Carver and she would be able to assist with getting Dr. Moore the proper contact information.

Ms. Fleming gave a short update on NAVLE. She asked if there were any Board members who would like to view or take the exam, it is free for Board's who are members of AAVSB. Dr. Berkeley had interest and was provided the information.

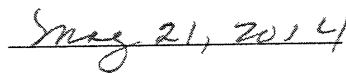

Dr. Wilson and Ms. Fleming confirmed that the next meeting date and time will be June 2, 2014 at the Charleston Marriott Town Center in Charleston, WV at 11AM. The new veterinarians and veterinary technicians will have their exam that day starting at 8:30 AM

Having concluded all business of this meeting, it was adjourned by common consent at 2:10 PM.

WV Board of Veterinary Medicine – Board Meeting – June 2, 2014,
Charleston Marriott Town Center, Charleston, WV

The meeting of the West Virginia Board of Veterinary Medicine was called to order at 11:10 AM by Board Chairman, Dr. John R. Wilson on Monday, June 2, 2014.

Members of the board present were: Dr. Keith B. Berkeley, Dr. D. James Moore, Dr. Ronald Smith, Dr. Barbara Jean Meade, Monica Patton, RVT, Dr. Mark A. Ayres, and Ms. Betty Burkett (Ms. Burkett arrived at 11:15 AM). Ms. Virginia Lee Hastings was not present due to illness. Ms. Carey Fleming, Executive Director was present, Kate Campbell, Esquire was present for part of the meeting, from 11:15 until 12:30 and Ms. Linda Lyter, Executive Director, and Massage Therapy Board was a guest for part of the meeting.

MOTION made by Dr. Smith to make a correction to the minutes of the April 24, 2014 Board Meeting. In the second sentence of the first paragraph of the minutes, the month is incorrectly stated as "May", it should read "April". In addition, the attendee list erroneously left out one attendee, Dr. Ronald Smith. Motion Second by Dr. Moore, motion carried.

Dr. Wilson brought up the topic of setting the Standard of Care. Ms. Campbell cited the language in the Practice Act and rules and brought up the fact that it should be fluid. The issue of whether veterinarians were obligated to fax scripts to PetMeds was discussed. Ms. Campbell stated that this type of issue is more of a practice management issue as opposed to an issue on standard of care. She noted that if it took the practice an unreasonable amount of time to get the script out it actually could be a standard of care issue.

MOTION made to go into Executive Session at 11:25 AM by Dr. Moore, second by Dr. Berkeley, motion carried.

MOTION made to come out of Executive Session at 12:15 by Dr. Smith, second by Dr. Moore, motion carried.

MOTION made on Case 0113A by Dr. Moore that the Board put the veterinarian on probation for a year, during which time, unannounced inspections will occur to check on the clinical condition of patients staying at the facility. In addition the Board will require 3 hours of C.E. in orthopedics, 3 hours of C.E. in pharmacology, 3 hours of C.E. in recordkeeping. The C.E. will be taken within one year of signing the Consent Agreement and is in addition to regular 18 hours of C.E. required for renewal of veterinary license. Also, the veterinarian will pay a fine of \$1,000

and will pay all expenses of the Board in this case. Motion Second by Dr. Berkeley, motion carried.

MOTION made on Case 0414A by Dr. Moore that the Board reprimand the veterinarian and require that 6 hours of C.E. be taken in Cardiology. This C.E. is in addition to the regular 18 hours of C.E. required for license renewal. The 6 hours of C.E. is to be completed within 6 months of signing Consent Agreement. The veterinarian is responsible for all costs to the Board for the case. Motion Second by Dr. Smith, motion carried.

MOTION made by Monica Patton, RVT, on Cases 0414B that the Board put veterinarian on probation for a year and to require 3 hours of C.E. in recordkeeping. The C.E. is to be completed within one year of signing Consent Agreement. Veterinarian is responsible for all costs associated with the case. Motion Second by Dr. Smith, motion carried.

MOTION made by Dr. Moore on case 0414C that the Board put the veterinarian on probation for a year to run concurrently with probation required in Case 0414B and require 3 hours of C.E. in recordkeeping. The C.E. is to be completed within one year of signing Consent Agreement. Veterinarian is responsible for all costs associated with the case. Motion Second by Dr. Smith, motion carried.

Linda Lyter joined the meeting at 1PM. The Board discussed the issues that are being brought up more and more often regarding equine massage therapy, acupuncture, chiropractic medicine, etc. Discussed options for regulation. The Board decided that it would be preferable for the practitioners be licensed by other Licensing Boards as opposed to the WVBVM creating new categories of licensees to regulate. The Board would have to identify criteria/educational requirements for these practitioners to be able to work on animals. Ms. Lyter and Ms. Fleming will look into the policies of bordering states and report back to the Board.

Ms. Fleming discussed the award of contract to Albertson Consulting and the tentative schedule for implementation of the new database and website.

Treasurers Report filed for audit.

Facility Inspection Report Review by Board.

P-Card Report Review by Board

Dr. Wilson led a discussion on the importance of developing a mission statement for the WVBVM. The Board asked that Ms. Fleming work on some language and report back at the next Board meeting.

The Annual AAVSB Conference was discussed; Ms. Fleming suggested that this year a Board member attend. She stated that last year, the majority of attendees were Board members and that the content of the presentations was extremely valuable and interesting. The Board discussed who would attend. Dr. Moore and Monica Patton both expressed interest in attending.

MOTION made by Dr. Berkeley for the Board to send Ms. Fleming and one Board member to AAVSB Annual Conference in September. Motion Second by Dr. Smith, motion carried.

The Board discussed developing a job description for the hiring of a new Inspector. Ms. Fleming discussed the way that the position is currently set up and suggested that the inspector be reimbursed for mileage and for lodging when an overnight stay was required. The alternative would be to set up the position as a consultant, which would allow for expenses to be written off against income. Ms. Fleming will have a conversation with Human Resources to determine what the best option would be for the Board. She will also look into liability issues with the inspector driving and the Board reimbursing mileage.

MOTION made by Dr. Berkeley to approve the hiring of a new inspector at a rate of \$18,000 plus expenses a year. Terms of employment status to be determined. Motion Second by Dr. Smith, motion carried.

The discussion continued with the Board considering how the entire process of inspections currently works and how it might change in the future. Dr. Smith, Dr. Meade, and Monica Patton volunteered to help review the inspection form and suggest changes.

The Board heard about a situation where a veterinarian was taking shelter animals and using them as blood donors for his practice and then returning the animals to the shelter. This was reported through FOHO however no one had the name of the practice or the veterinarian. Ms. Burkett brought this issue to the attention of the Board and posed the question regarding the legal and ethical issues that it brought to light. Ms. Fleming provided a copy of the state law, §19-20-23 Article 20, which pertains to the use of shelter animals and specifically addresses this issue, it is illegal in WV. There was a discussion regarding the implications of using a shelter animal with an unknown pass medical history, for blood donation.

MOTION made by Dr. Smith to re-elect Dr. Wilson as Board Chair and to re-elect Virginia Lee Hastings as Secretary-Treasurer. Motion Second by Dr. Moore, motion carried.

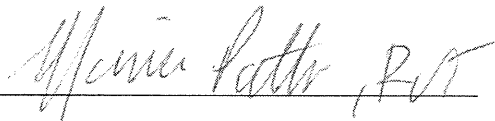

The Board discussed possible dates and locations for the Fall Board meeting. It was agreed that the meeting would be held in Morgantown, WV sometime in September or October.

Ms. Fleming left the meeting at 2:15 so that the Board could conduct her annual evaluation. Dr. Moore left the meeting shortly after Ms. Fleming and did not participate in the job performance evaluation for Ms. Fleming

MOTION made by Dr. Smith for the Board to approve a rating of "Exceeds Expectations" for Ms. Fleming's job performance rating for the FY 2014. In addition, for the Board to approve Ms. Fleming's performance evaluation of Doreen Colbert, giving her a rating of "Exceeds Expectations" for the FY2014. Motion Second by Dr. Berkeley, motion carried.

Having concluded all business of this meeting, it was adjourned by common consent at 2:30 PM.

WV Board of Veterinary Medicine – Board Meeting – September 18, 2014
Lakeview Resort and Spa, Morgantown, WV

The meeting of the West Virginia Board of Veterinary Medicine was called to order at 9:05 AM by Board Chairman, Dr. John R. Wilson on Thursday, September 18, 2014.

Members of the Board present were: Dr. Keith B. Berkeley, Dr. D. James Moore, Dr. Barbara Jean Meade, Monica Patton, RVT, Dr. Mark A. Ayers, Ms. Virginia Lee Hastings and Ms. Betty Burkett. Dr. Ronald Smith was not present. Ms. Carey Fleming, Executive Director was present, Kate Campbell, Esquire was present for part of the meeting, from 10AM – 12:15PM. A member of the public, Dr. Stephanie Shephard, attended part of the meeting; arriving at approximately 3 PM and staying until the meeting adjourned.

MOTION made by Dr. Berkeley to approve the minutes of the June 2, 2014 Board Meeting. Motion Second by Dr. Moore, motion carried.

The Board reviewed the Purchasing Review for FY 2013 from the WV Purchasing Division. MOTION made to accept the recommendations made in the review by Dr. Moore, motion second by Dr. Berkeley, motion carried.

The PCard Report was reviewed. Ms. Fleming explained the new procedure in place for the Board Treasurer to review cover sheets on P-Card bills. This new layer of authorization complies with the PCard requirements which indicate that a PCard holder who is also the PCard Coordinator for an agency must have someone else review purchases.

The Board discussed the status of the hiring of a new Board Inspector. Ms. Fleming reported that the advertisement was posted by the WV Veterinary Medical Association and is currently posted on the WVBVM website. The Board requested that Ms. Fleming advertise in the paper and on-line. Ms. Fleming discussed the one applicant that has responded to the ad, the Board agreed that Ms. Fleming should ask that the applicant come to Charleston and she should conduct an initial interview.

The Treasurer's Report and the 2015 Appropriation Schedule was explained by Ms. Fleming and reviewed by the Board.

MOTION made to approve the Appropriation Schedule made by Dr. Meade, second by Dr. Moore, motion carried.

Ms. Fleming discussed staffing issues at the office. The current staff will be required to be trained and to acquire a new skill set as the new database and website go live, therefore, she

recommended a pay raise to \$14.00/hour for the secretary. She also recommended that the Board consider hiring a part-time technology person to assist in the office with OASIS, the new database, the new website and with software and hardware issues.

MOTION made to approve salary increase for the office secretary, to \$14/hour by Dr. Berkeley, second by Monica Patton, RVT, motion carried.

MOTION made to approve the hiring of a part-time (8 hours a week) technology associate, by Dr. Moore, second by Dr. Berkeley, motion carried.

MOTION made at 10:00 AM to go into Executive Session by Dr. Moore, second by Dr. Berkeley, motion carried.

MOTION made at 11:45 to come out of Executive Session by Dr. Berkeley, second by Dr. Moore, motion carried.

MOTION made on Case #0614A to take no action, by Monica Patton, RVT, second by Dr. Moore, motion carried.

MOTION made on Case #0614B to take no action, by Dr. Moore, second by Dr. Wilson, motion carried.

MOTION made on Case #0714A to take no action, by Dr. Wilson, second by Betty Burkett, motion carried.

MOTION made on Case #0814A to take no action, by Dr. Wilson, second by Monica Patton, RVT, motion carried.

MOTION made on Case #0814C to take no action, by Monica Patton, RVT, second by Dr. Wilson, motion carried.

MOTION made by Dr. Moore, on Case #0814B to gather more information by sending an inspector in to observe the veterinarian in practice and to review the recordkeeping. The inspector will be Dr. Ronald Smith if he is available. The Board will receive a report from the inspector at the next Board meeting on January 12, 2015 and will make a ruling on the case if they feel that they have enough information at that time. Second by Monica Patton, RVT, motion carried.

Ms. Campbell headed a discussion about Board initiated complaints. She asked about professional ethics and whether veterinarians were under the same stipulations as attorneys who are required to report on colleagues. The Board discussed the obligation that Board members have to report any issues that are in violation of the Practice Act & Rules. Regarding

the question about whether the Board can initiate complaints, Ms. Campbell indicated that as long as the Board has substantial information regarding what happened, when, where, and who was involved, the Board could initiate a complaint case.

The Board discussed the language in the Practice Act & Rules regarding requirements for inspections of veterinary facilities. Specifically, the language regarding inspections of House Call practices. These practices are not currently inspected; this could present a problem as the Board is unable to ascertain whether proper patient records are maintained. Ms. Campbell suggested changes to the language in the Practice Act & Rules. This will be addressed in May in time to file changes with the Legislative Rule Making Committee. Dr. Moore suggested that we ask Doreen Colbert to call other states and asked them how they handle house call practices.

Ms. Fleming notified the Board that the Funeral Board had contacted the office to express their concern that no agency is currently regulating pet crematoriums. The Board discussed the fact that the Practice Act and Rules do not give the Board jurisdiction over crematoriums. The Board also indicated that several of them have been shut down with new EPA laws.

Dr. Berkeley reported on several issues that he felt were of particular interest from the AAVSB Conference; the importance of having a good relationship with the state veterinary medical association, the fact that the AAVSB has a model Practice Act, the announcement of a new program from AAVSB that will allow veterinarians to log their CE, a discussion on sunset rules, and the need for the Board to develop a 3 minute "elevator speech" to better articulate exactly what the board does and why it exist. Dr. Berkeley also reported that one of the topics at the conference was a report about veterinarian's fitness for practice if they are a sole proprietor, the AAVSB report puts emphasis on the fact that it is the first two years of practice that are critical in that situation.

Dr. Berkeley also noted that when the Board goes into Executive Session, whoever makes the motion should cite the statute that is appropriate.

Dr. Meade also attended the AAVSB Conference and reported that it was extremely interesting and valuable. She commented specifically on a discussion regarding the licensing requirement for faculty members who want to do demonstrations, that they must have a faculty license and must also be licensed by the state. Other conversations of interest included one on the topic of veterinarians reporting to the Pharmacy Board, our Board reporting to other states when we issue a Cease and Desist letter, and whether Practice Acts should be changed in order to give Board's jurisdiction over people practicing veterinary medicine without a license. Apparently, when our Practice Act was last opened, there was a valid reason for not making that change. Ms. Fleming will attempt to find out about why we chose not to make the change.

Dr. Meade also reported that during the session at AAVSB on discipline, it was reported that on-line CE was not effective and it was recommended that Boards not designate on-line CE for discipline on cases in the future.

The Board discussed the on-line application and renewal process that is being developed by Albertson Consulting for the Board. Ms. Fleming explained that there will be a processing fee of 2.25 percent when the on-line payments are made to the state Treasurer's office. The question of whether the Board or the applicant will pay the processing fee for renewals was discussed.

MOTION made by Dr. Moore for the Board to absorb the fee for renewals for the first few years in order to encourage people to use the website, second by Dr. Meade, motion carried.

Item # 12 on the Agenda was discussed and tabled so that Ms. Campbell could research and get back to the Board on what, if any recourse is available should a licensee have delinquent outstanding reimbursement amounts due to the Board or fines due to the State as a result of a Consent Agreement.

The Board discussed the regulation of ancillary practices, for example, equine acupuncture; massage therapy, dentistry, etc. Currently, these services are only allowed to be performed by licensed veterinarians in West Virginia. The Board looked at the way that the State of Arizona treats the services and discussed language that could be drafted to allow for the delivery of these services by professionals licensed in the state by other boards and supervised by veterinarians. Dr. Meade reported that at the AAVSB Conference, this topic was discussed and that several states have decided not to write separate laws regarding these practices, it is also not addressed in the model Practice Act.

The Board decided to start to draft language to allow for these services under general supervision of licensed veterinarians and to require that each specialty have some national certification related to practice on animals, in addition to being licensed by the proper Board for their field, in West Virginia.

The Board discussed the mission statement to be displayed on the new website. After several suggestions, the following statement was crafted: The West Virginia Board of Veterinary Medicine protects the health, safety and welfare of the general public and animals of West Virginia through public education, enforcing licensing standards for veterinarians, registered veterinary technicians, certified animal euthanasia technicians and veterinary facilities.

At 2PM, the Board had a webinar delivered by Albertson Consulting to demonstrate some of the capabilities of the new database, cloud doc program and website. During the presentation, the subject of listing Continuing Education (CE) hours on licensee renewal forms was discussed.

MOTION made by Dr. Moore to allow licensees to sign a statement certifying that they completed the required approved CE. The statement would include language regarding the fact that the Board would randomly audit CE for a percentage of licensees each year, if requested, the licensee would be responsible for producing evidence of having completed the approved required CE. Second by Monica Patton, RVT, motion carried.

Having concluded all business of this meeting, it was adjourned by common consent at 3:30 PM.

VIA Conference Call

The meeting of the West Virginia Board of Veterinary Medicine was called to order at 1:30PM by Board Chairman, Dr. John R. Wilson on Tuesday , November 11, 2014.

A roll call was taken, members of the board present were: Dr. John R. Wilson, Dr. Keith B. Berkeley, Dr. Ronald L. Smith, Dr. Barbara Jean Meade, Monica Patton, RVT, Dr. Mark A. Ayres, Ms. Virginia Lee Hastings and Ms. Betty Burkett. Dr. D. James Moore was present for part of the meeting. In addition to the Board members, Ms. Carey Fleming, Executive Director was present for the entire meeting, Kate Campbell, Esquire was present for part of the meeting.

MOTION made by Ms. Virginia Lee Hastings to go into Executive Session at 1:35 PM, second by Dr. Smith, motion carried.

MOTION made to come out of Executive Session by Dr. Berkeley at 2:15 PM, second by Dr. Smith.

MOTION made by Monica Patton, RVT, to take action in Case #0814 B. Board finds negligence in the case, the veterinarian did not deliver acceptable standard of care by neglecting to diagnosis a cat presented many times with blood in urine and neglecting to do an x-ray on the cat. As the Respondent is currently under a Consent Agreement as a result of another public complaint reviewed by the Board within the past 12 months, the Board will suspend the license of the respondent for a period of 90 days and seek reimbursement of case cost to include all legal and administrative fees. Second by Dr. Smith, vote taken, motion carried.

MOTION made by Dr. Berkeley to file a board initiated complaint against the two owners of the facility owned by the Respondent of Case #0814B as a result of findings of the investigator sent into the practice to observe the respondent in Case #0814B. Conditions in the facility were found to be substandard as were general veterinary practices within the facility. Second by Dr. Meade, vote taken, motion carried.

Dr. Wilson discussed the resignation of Executive Director, Carey Fleming. He appointed himself, Dr. Smith and Dr. Meade as the selection committee for a new Executive Director. Ms. Fleming discussed the qualifications of a good candidate for the position; she also indicated that there were some individuals who were interested in the position. The Board discussed the method by which they wanted to post the position and Ms. Fleming was directed to draft an advertisement, have it approved by the committee and get it posted on

Charlestonhelpwanted.com and in the Charleston Gazette. Ms. Fleming was also asked to research whether or not the Board was required to post the job with the state HR department. Ms. Fleming indicated to the Board that she would continue to work remotely for the Board as long as they needed in order to help the new Executive Director. Ms. Fleming agreed to come back to Charleston for the January 12 Board meeting.

Ms. Fleming discussed the status of the interviews for the Inspector position. Ms. Fleming has interviewed 4 candidates in person and has selected the two strongest candidates to move on to be interviewed by a member of the Board. Dr. Wilson asked if Dr. Smith would be willing to interview the final candidates, Dr. Smith agreed.

The meeting was adjourned at 2:54PM

MOTION made to come out of Executive Session by Dr. Smith at 11:15 PM, second by Dr. Meade.

MOTION made by Dr. Smith, for the Board to accept the Hearing Examiner's Recommended Decision regarding Case #0713A. Second by Dr. Meade, vote taken, motion carried. Dr. Wilson abstained from the vote; Dr. Wilson was the Chair of the Complaint Committee at the time of the filing of the original complaint resulting in Case #0713A.

Ms. Fleming discussed the status of the Inspector position. A candidate that had interviewed and selected by both Ms. Fleming and Dr. Smith misrepresented dates of employment at several prior employers on her resume. The dates of employment were verified by three employers, all three were significantly different than what was stated on the resume. Ms. Campbell advised that the offer could be rescinded if the information on the resume was not correct.

MOTION made by Dr. Moore to rescind the offer based on inconsistencies on resume regarding prior employment, second by Dr. Berkeley, motion carried.

Ms. Fleming discussed the fact that we would need someone on the Board to do an inspection in the next few weeks as we have a new facility ready to open and they are requesting an inspection. Dr. Meade and Dr. Berkeley volunteered specifying that the facility not be in their area so that there is no conflict of interest. The new facility in question is not in competition with either of their businesses.

Ms. Campbell left the meeting at 11:45.

MOTION made by Dr. Smith to offer the Inspector position to the second candidate interviewed

Dr. Barbara Jean Meade, Dr. Mark A. Ayres, and Ms. Betty Burkett were not present.

Dr. Shawn Sette, President, WVVMA, addressed the Board regarding the Fairness to Pet Owners Act Legislation.

MOTION made by Dr. Moore to submit a Rule change to include in our rules, language similar to the language that the AVMA has in place regarding veterinarians honoring clients request for prescriptions, second by Dr. Berkeley, motion carried.

MOTION made to go into Executive Session by Dr. Moore at 12:46 PM to discuss disciplinary cases, second by Dr. Smith, motion carried.

MOTION made to come out of Executive Session by Dr. Moore at 1:16 PM, second by Dr. Berkeley, motion carried.

Monica discussed the question of whether a primary veterinary facility must have a surgery. Her interpretation of our Rules is that it is not required, she suggest that the Board address this to clarify the rules by submission to legislature in 2016. Board determined that they should address several issues in Rules, including another question which is often ask, does a veterinary facility have to be owned by a veterinarian? Language should be reviewed regarding the veterinarian in charge as well. Each Board member will send suggestions for Rule changes to Trish to put on agenda for next Board meeting. Dr. Wilson brought up another issue on Rules; they do not state that an expiration date must be on Rx dispensed by the office.

MOTION made by Dr. Berkeley to approve minutes of Board meetings 9/18, 2014, 11/11, 2014, 12/11/2014 and 12/22/14, second by Dr. Smith, motion carried.
