.Complaints: The following complaints were discussed, motions made as listed and passed by the Board.

- (A) Taking of x-rays without written authorization Mr. Bowyer informed the Board that the technologist submitted a letter that she "had done nothing different from past practice". Although the facility dropped the matter, Mr. Bowyer stated this action is a clear violation of the Board's law. A letter and Consent Decree is to be offered the individual which will consist of a public reprimand and reimbursement of all cost of the investigation and legal consultations required of the investigation. If the Consent Decree is refused, a full hearing will be held.
- (B) Technologist asking for reinstatement of license voluntarily surrendered Mr. Bowyer informed the Board that this technologist has requested his license be reinstated, which was voluntarily surrendered on December 1, 2003. The Board has directed Mr. Bowyer to send the individual a letter requesting attendance at an informal meeting with the Ethics Committee. At the June, 2006 Board meeting,, the Ethics Committee will make a recommendation whether to reinstate the license fully or with safeguards to protect the public.

Board Meeting March 28, 2006 Page 2

- (C) Failure of Drug Technologist was sent a certified letter requesting a response to the allegation of failure of a drug test by the employer Technologist still has a week to submit a response from the meeting date. A Subpoena Duces Tecum will be sent to the employer requesting all records pertaining to this matter and other employee records deemed appropriate concerning this matter. Past Complaints: The following were given for informational purposes so the Board will be informed as to action taken.

- (A) Doctor requesting medical assistant be allowed to perform x-rays utilizing a MiniCAT Scanner. Letter sent denying the use of medical assistants to operate this unit. The Doctor submitted an appeal letter requesting a dental assistant be allowed to operate this unit since it is used for head-face-sinus x-rays. This was also denied as a dental assistant is allowed to operate dental equipment for intra-oral dental x-rays only.
- (B) Individual now under a three year Consent Decree which stipulates random drug testing has been tested by an independent laboratory. The results of the test were reviewed by the doctors on the Board and all test were negative.
- (C) Email was received that Snowshoe Mountain Health Center in Snowshoe, WV may be using unlicensed individuals to operate the mobile x-ray unit at that facility. Letter was sent to the facility and copies of two employee's licenses were submitted as documentation that they do use licensed individuals at their facility.

Legislative Update: Mr. Bowyer informed the members that both the Series 1 Rule and the Series 5 Rule have been passed by the Legislature and are awaiting the Governor's action. If signed, the Series 1 Rule (fee) will take effect July 1, 2006 and the Series 5 Rule will be implemented immediately.

- **Old Business:** (A) A report was given by Mr. Bowyer on the status of the application to add nuclear medicine, MRI, and ultrasound technologist to our law as well as the Radiologist Assistant / Radiology Practitioner Assistant. This application was filed by December 1, 2005 and is being reviewed by the Legislative Auditor's Performance, Evaluation and Research Division (PERD). PERD will present a report to the legislative committee probably during the May interim meetings of the Legislature. At present, the legislative analyst has stated that Nuclear Medicine and MRI will be recommended for inclusion in our law, but not Ultrasound. At the present time, continued research is being done on the RA / RPA issue.
- **New Business:** (A) The Board received a request from the WV Board of Medicine to review a radiologic technologist / physician assistant's job description. The Board of Medicine wanted our Board to determine if the individual would be working within the scope of practice of a radiologic technologist. A letter was sent to the Board of Medicine stating that the interventional procedural listed in the job description are not within the scope of practice of a radiologic technologist.
- (B) The WV Auditor's Seminar for Licensing Boards will be held on Wednesday, September 27, 2006 at the Summit Center in Charleston. All new Board members that can arrange their schedules are encouraged to attend this all day, very informative, meeting.

Board Meeting March 28, 2006 Page 3

- (C) Ms. Godby brought forth the question of mailing the annual newsletters to all active licensees. The cost of printing and mailing this newsletter is approaching \$ 2,000.00 per year. The newsletter is published on the Board's web site and, if a licensee desires to have a hard copy, they can call, mail, email or fax the office to request a copy and one will be mailed to them. After discussion, Ms. Godby made a motion that the 2006 annual newsletter be the last newsletter mailed to the licensees without a request. Dr. Reesman seconded the motion and the motion carried. The office will place a notice in the renewal applications that the 2006 newsletter that will be mailed around the first of February, 2007, will be the last hard copy mailed without a request. The facility had been violating the law by using non-licensed personnel to perform duties included in the practice of Radiologic Technology in the Cath Lab. Dr. Moore made a motion to

accept the recommendations of the Ethics Committee. Ms. Morris seconded. Motion carried.

- B. Attempting to Pass Forged Prescription- Individual has not signed the consent agreement and the individual's license has expired. Dr. Moore made a motion to accept the recommendations of the Ethics Committee. Ms. Peters seconded the motion. Motion carried.
- C. Suturing of Femoral Artery Sheaths The Ethics Committee recommended a Consent Agreement consisting of a cease and desist order and a reprimand be sent to the individual as this is not within the scope of practice for a Radiologic Technologist. Dr. Moore made a motion to accept the recommendation of the Ethics Committee. Ms. Morris seconded the motion. Motion carried.
- D. Job Performance Evaluation The individual has not met the requirement of the Board concerning having a job performance evaluation by an approved doctor of the Board. The Ethics Committee recommended that no action be taken without the required evaluation. Ms. Morris made a motion to accept the recommendation of the Ethics Committee. Dr. Moore seconded the motion. Motion passed with Ms. Haye abstaining.

- F. Mr. Bowyer informed the Board that he had received a telephone call stating that a hospital that is presently on strike, was using unlicensed technologists. Mr. Bowyer called the hospital and talked to the Administrator concerning this matter. Mr. Bowyer was assured that there were three (3) licensed individuals that were still working, and they were taking the x-rays. Mr. Bowyer confirmed that the individuals listed by the Administrator do have a valid license with the Board.
- G. Mr. Bowyer had received a telephone call informing him that a facility with new equipment had contacted hospital technologists asking them to teach their office staff to take x-rays. A letter was sent and a response was received that the doctors were the only ones that would be taking the x-rays. This information was also forwarded to the Board of Medicine by Mr. Bowyer.

- H. Mr. Bowyer has received a letter from Congressman Rahall inquiring why a license application was refused for an individual seeking a nursing license. Mr. Bowyer sent a letter to Congressman Rahall with a copy to the Governor, who Congressman Rahall had copied with his original letter, informing him that we were the Radiologic Technologist Board, and that we did not license nurses unless they had been through x-ray training and were seeking a license to practice Radiologic Technology. Mr. Bowyer forwarded all the information to the RN board.
- I. Mr. Bowyer received a complaint from a Doctor against a hospital who said the technologist would not show him his personal x-rays that had been taken, upon his asking. Mr. Bowyer has sent a letter to the hospital concerning the complaint and is waiting for a response.

- B. Re-join CLEAR (Council on Licensure, Enforcement and Regulation Mr. Bowyer asked the Board for permission to rejoin CLEAR. The agency had been a member of CLEAR until three years ago when the agency dropped their membership because of financial restraints.
