NEW BUSINESS

A. Mountain State - Starting New Programs

Ms. Belmont addressed the Board regarding the application by Mountain State for approval of an MRI and a CT program. The board discussed the request for an exemption for accreditation that was included in the application. Ms. Browning made a motion that the request to start a MRI program be granted and that the request for an exception be denied. It was also stipulated that the accreditation process must be started upon accepting students into the program. All individuals must be supervised by MRI certified technologists on all shifts in accordance with JRCERT guidelines. Ms. Godby seconded the motion and the motion carried.

Discussion continued regarding Mountain State's application for a CT program. Ms. Belmont informed the Board that a committee, by conference call, had discussed the application for a CT program. Ms. Belmont said the all of the program directors in the state, excluding Ms. Haye and Mr. Wilcox, were contacted and their views regarding this program was solicited. Ms. Belmont stated that there were not enough clinical sites available for the basic Radiography students to get all of their clinical requirements if advanced level CT students were added trying to get their clinical requirements. Ms. Godby indicated that every program director responded in agreement that additional students that would have to get clinical CT hours would compromise the ability of existing programs having the required time in the units. The respondents indicated that the facilities being used were already crowded with existing programs. Ms. Godby indicated that the respondents indicated that it would be a valuable program if it was designed to be a Continuing Education program or if it were a registry preparation program that could be done online that did not require clinical hours. Ms. Oughton made a motion that Mountain States request for a CT program be denied. Mr. Wilson seconded the motion and the motion carried.

(Ms. Haye returned to the Board meeting.)

B. Accreditation for BS MRI Programs

Ms. Belmont addressed the Board regarding whether MRI accreditation was required for students in a BS radiography program having a rotation in MRI. Since the program is an existing program and MRI will be an

elected rotation through MRI as part of their study, accreditation is not required.

C. Calcium Scoring by CT Techs

Mr. Bowyer informed the Board that a CT Tech had asked if they could do Calcium Scoring. After discussion, it was determined that the performance of this test by a CT Tech is within the scope of practice as long as they were properly trained and the results are reviewed by the physician who generates a report of the procedure and it is covered by a written policy of the employing facility.

D. Auditor's Seminar-Wednesday, December 2, 2009 @ Marriott

Mr. Bowyer indicated that the Auditor's Seminar was to be held the day following this meeting. He indicated that Ms. Belmont, Ms. Godby, Ms. Haye, Ms. Browning and he would be attending this conference.

E. Use of Cell Phones for Conference Calls

Mr. Bowyer informed the Board that AT&T had charged the Board a total of a dollar a minute per person who had participated in the two conference calls that had been held. The total cost of the two calls was over \$800.00. The total for the teleconference, if everyone had used a cell phone or employer phone, if authorized, and had called the non-toll free number, would have been around \$80.00. Mr. Bowyer stated that the travel and per diem, if actual meetings had been held, would have cost about the same as the \$800.00. A substantial savings is possible if calls were made to the non-toll free number. Mr. Bowyer recommended that any future teleconference calls be made to the non-toll-free number by cell phone, but that the Board would pay if this was not an option for the committee member calling in.

F. Per Diem Pay for Conference Calls

Mr. Bowyer recommended that Board Members be compensated for conference calls using the following:

Up to Two Hours	\$25.00
Two to Four Hours	\$50.00
Over Four Hours	\$75.00
Eight Hours	\$150.00

Ms. Moore made a motion to accept the recommendation and make it retroactive to the previous conference calls. Dr. Gabriele seconded the motion and the motion carried.

G. Sonographer Licensing

Mr. Bowyer informed the board that he had contacted Don Kerns with the Society for Diagnostic

Medical Sonographers and that he indicated that his organization wanted to work with the Board developing the guidelines for licensing Sonographers in the state of West Virginia. Ms. Moore read a letter from Mr. Kerns regarding safety concerns and competency of technologists currently performing ultrasound and the need for technologists to be properly trained and licensed. Mr. Kern stated that their organization was particularly concerned with untrained personnel performing OB entertainment ultrasounds. Mr. Kerns stated that they had worked with the Legislatures of Oregon and New Mexico in development of their Sonographer licensing laws. Mr. Bowyer recommended that the Board start working toward legislation to be introduced to the Legislature in 2011.

H. Proposed Creation of Student Data-Base

Ms. Haye addressed the Board regarding the need for a tool to track students that are dismissed or disciplined while attending a State approved program. She indicated that at this time there is no way for a program to determine if a student has been dismissed or disciplined by another program for drug, alcohol, ethics or other issues when they apply to attend their program. Discussion followed, Ms Cofer indicated that the Board would not be able to establish a data-base with out the prior consent of the student because the Board does not license students. Ms. Belmont suggested that the Legislative committee look into this issue and report back to the Board.

I. Nuclear Conference in Salt Lake City

Mr. Wilson expressed a desire to attend the National Nuclear Medicine meeting in Salt Lake City in June of 2010 and that by making his reservations earlier he would be able to get better prices for the trip. He is to gather information for the trip and let the chairperson know of the costs.

J. Supervision of Apprentice Licensees

Mr. Wilson addressed the board regarding the supervision of the licensees who hold a Apprentice license from our board.
