AN ACT supplementing, amending, reducing and increasing items of the existing appropriations in the state road fund to the department of transportation, division of highways, fund 9017, fiscal year 2001, organization 0803, as originally appropriated by chapter ten, acts of the Legislature, regular session, two thousand, known as the budget bill.

Whereas, The governor submitted to the Legislature the executive budget document, dated February 14, 2001, which included the statement of the state road fund setting forth therein the cash balances and investments as of July 1, 2000, and further included the estimate of revenues for the fiscal year 2001, less net appropriation balances forwarded and regular appropriations for fiscal year 2001.

Whereas, It thus appears from the governor's executive budget document there now remains an unappropriated balance

in the state treasury which is available for appropriation during the fiscal year ending the thirtieth day of June, two thousand one, therefore
