a certain date and establishing other terms and conditions associated with the transfer; increasing exemption available to certain physician and surgeon debtors in bankruptcy proceedings; providing additional legislative findings and purposes relating to medical professional liability; defining terms; adding an element of proof in certain malpractice claims; altering notice requirements for malpractice claims; modifying the qualifications for experts who testify in medical professional liability actions; limiting liability for certain noneconomic losses; providing a reversion provision; establishing conditional limitations on settlement amounts conditional on creation of patient compensation fund; providing for limited severability; eliminating joint, but not several, liability among multiple defendants in medical professional liability actions; prohibiting consideration of certain third parties in malpractice cases; eliminating a cause of action based on ostensible agency in certain circumstances; allowing for reduction in damage awards for certain collateral source payments to plaintiffs; providing mechanism for determining collateral source payments and damages distribution; providing for calculation methodology for determining award payments; altering collection of economic damages upon implementation of patient compensation fund; barring actions against health care providers for certain third party claims; limiting civil liability for designated trauma center care; directing the office of emergency medical services to designate hospitals as trauma centers and provisional trauma centers; placing limitations on eligibility for trauma care caps; requiring the office of emergency medical services to develop a written protocol containing recognized and accepted standards for triage and emergency health procedures; authorizing the secretary of the department of health and human resources to promulgate legislative and emergency rules; and establishing effective date, applicable to all causes of action alleging medical professional liability.

Be it enacted by the Legislature of West Virginia:

That section two, article eleven-a, chapter four of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted; that chapter eleven of said code be amended by adding thereto a new article, designated article thirteen-t; that section five, article twelve, chapter twenty-nine of said code be amended and reenacted; that sections six and fourteen, article twelve-b, of said chapter be amended and reenacted; that said chapter be further amended by adding thereto a new article, designated article twelve-c; that section fourteen, article three, chapter thirty of said code be amended and reenacted; that section twelve-a, article fourteen of said chapter be amended and reenacted; that article two, chapter thirty-three of said code be amended by adding thereto a new section, designated section nine-a; that sections four and four-a, article three of said chapter be amended and reenacted; that section fifteen-a, article four of said chapter be amended and reenacted; that section two, article twenty-b, of said chapter be amended and reenacted; that said article be further amended by adding thereto a new section, designated section three-a; that sections two through eleven, inclusive, of article twenty-f of said chapter be amended and reenacted; that said article be further amended by adding thereto a new section, designated section one-a; that section twenty-four, article twenty-five-a of said chapter be amended and reenacted; that section twenty-six, article twenty-five-d of said chapter be amended and reenacted; that section four, article ten, chapter thirty-eight of said code be amended and reenacted; that sections one, two, three, six, seven, eight, nine, and ten, article seven-b, chapter fifty-five of said code be amended and reenacted; and that said article be further amended by adding thereto three new sections, designated sections nine-a, nine-b and nine-c, all to read as follows:

CHAPTER 4. THE LEGISLATURE.

ARTICLE 11A. LEGISLATIVE APPROPRIATION OF TOBACCO SETTLEMENT FUNDS.

§4-11A-2. Receipt of settlement funds and required deposit in West Virginia tobacco settlement medical trust fund.

1 (a) The Legislature finds and declares that certain dedicated
2 revenues should be preserved in trust for the purpose of
3 stabilizing the state's health related programs and delivery
4 systems. It further finds and declares that these dedicated
5 revenues should be preserved in trust for the purpose of
6 educating the public about the health risks associated with
7 tobacco usage and establishing a program designed to reduce
8 and stop the use of tobacco by the citizens of this state and in
9 particular by teenagers.

10 (b) There is hereby created a special account in the state
11 treasury, designated the "West Virginia Tobacco Settlement
12 Medical Trust Fund," which shall be an interest-bearing
13 account and may be invested in the manner permitted by section
14 nine, article six, chapter twelve of this code, with the interest
15 income a proper credit to the fund. Unless contrary to federal
16 law, fifty percent of all revenues received pursuant to the
17 master settlement agreement shall be deposited in this fund.
18 Funds paid into the account may also be derived from the
19 following sources:

20 (1) All interest or return on investment accruing to the fund;

21 (2) Any gifts, grants, bequests, transfers or donations which
22 may be received from any governmental entity or unit or any
23 person, firm, foundation or corporation;

24 (3) Any appropriations by the Legislature which may be
25 made for this purpose; and

26 (4) Any funds or accrued interest remaining in the board of
27 risk and insurance management physicians' mutual insurance
28 company account created pursuant to section seven, article

29 twenty-f, chapter thirty-three of this code on or after first day of
30 July, two thousand four.

31 (c) The moneys from the principal in the trust fund may not
32 be expended for any purpose, except that on the first day of
33 April, two thousand three, the treasurer shall transfer to the
34 board of risk and insurance management physicians' mutual
35 insurance company account created by section seven, article
36 twenty-f, chapter thirty-three of this code, twenty-four million
37 dollars from the West Virginia tobacco settlement medical trust
38 fund for use as the initial capital and surplus of the physicians'
39 mutual insurance company created pursuant to article twenty-f,
40 chapter thirty-three of this code. The remaining moneys in the
41 trust fund resulting from interest earned on the moneys in the
42 fund and the return on investments of the moneys in the fund
43 shall be available only upon appropriation by the Legislature as
44 part of the state budget and expended in accordance with the
45 provisions of section three of this article.

CHAPTER 11. TAXATION.

ARTICLE 13T. TAX CREDIT FOR COMBINED CLAIMS MADE MEDICAL MALPRACTICE PREMIUMS AND MEDICAL MAL- PRACTICE LIABILITY TAIL INSURANCE PREMIUMS PAID.

§11-13T-1. Legislative finding and purpose.

1 The Legislature finds that the retention of physicians
2 practicing in this state is in the public interest and promotes the
3 general welfare of the people of this state. The Legislature
4 further finds that the promotion of stable and affordable
5 medical malpractice liability insurance premium rates and
6 medical malpractice liability tail insurance premium rates will
7 induce retention of physicians practicing in this state.

8 In order to effectively decrease the cost of medical mal-
9 practice liability insurance premiums and medical malpractice

10 liability tail insurance premiums paid in this state on physi-
11 cians' services, there is hereby provided a tax credit for certain
12 medical malpractice liability insurance premiums and medical
13 malpractice liability tail insurance premiums paid.

§11-13T-2. Definitions.

1 (a) *General.* — When used in this article, or in the adminis-
2 tration of this article, terms defined in subsection (b) of this
3 section have the meanings ascribed to them by this section,
4 unless a different meaning is clearly required by the context in
5 which the term is used.

6 (b) *Terms defined.* —

7 (1) “Claims made malpractice insurance policy” means a
8 medical malpractice liability insurance policy that covers
9 claims which:

10 (A) Are reported during the policy period,

11 (B) Meet the provisions specified by the policy, and

12 (C) Are for an incident which occurred during the policy
13 period, or occurred prior to the policy period, as is specified by
14 the policy.

15 (2) “Combined annual medical liability insurance premi-
16 ums” means the sum of the actual amount of insurance premi-
17 ums paid by or on behalf of the taxpayer during the taxable year
18 for medical malpractice insurance coverage under a claims
19 made malpractice insurance policy, plus the actual amount of
20 insurance premiums paid by or on behalf of the taxpayer during
21 the taxable year for tail insurance.

22 (3) “Eligible taxpayer” means any person subject to tax
23 under section sixteen, article twenty-seven of this chapter or a

24 physician who is a partner, member, shareholder or employee
25 of an eligible taxpayer.

26 (4) “Eligible taxpayer organization” means a partnership,
27 limited liability company, or corporation that is an eligible
28 taxpayer.

29 (5) “Payor” means a natural person who is a partner,
30 member, shareholder or owner, in whole or in part, of an
31 eligible taxpayer organization and who pays medical malprac-
32 tice insurance premiums or tail insurance premiums or both for
33 or on behalf of the eligible taxpayer organization.

34 (6) “Person” means and includes any natural person,
35 corporation, limited liability company, trust or partnership.

36 (7) “Physicians’ services” means health care provider
37 services taxable under section sixteen, article twenty-seven of
38 this chapter, performed in this state by physicians licensed by
39 the state board of medicine or the state board of osteopathic
40 medicine.

41 (8) “Tail insurance” means insurance which covers an
42 eligible taxpayer insured once a claims made malpractice
43 insurance policy is canceled, not renewed or terminated and
44 which covers claims made or asserted after such cancellation or
45 termination for acts relating to the provision of physicians’
46 services by the eligible taxpayer occurring during the period the
47 prior malpractice insurance was in effect.

48 (9) “Tail insurance premium” means insurance coverage
49 premiums paid by an eligible taxpayer or payor during the
50 taxable year for tail insurance.

51 (10) “Tail liability” means the medical malpractice liability
52 of an eligible taxpayer insured that results from a claim asserted
53 subsequent to cancellation, nonrenewal or termination of a

54 claims made malpractice insurance policy for acts relating to
55 the provision of physicians' services by the eligible taxpayer
56 occurring during the period when the prior malpractice insur-
57 ance was in effect.

§11-13T-3. Eligibility for tax credits; creation of the credit.

1 There shall be allowed to every eligible taxpayer a credit
2 against the tax payable under section sixteen, article twenty-
3 seven of this chapter. The amount of this credit shall be
4 determined and applied as provided in this article.

§11-13T-4. Amount of credit allowed.

1 (a) *Allowance.* —

2 (1) The amount of annual credit allowable under this article
3 to an eligible taxpayer shall be:

4 (A) Ten percent of the combined annual medical liability
5 insurance premiums paid in excess of thirty thousand dollars,
6 or

7 (B) Twenty percent of combined annual medical liability
8 insurance premiums paid in excess of seventy thousand dollars.

9 (2) This credit may be taken for combined annual medical
10 liability insurance premiums paid during any taxable year
11 beginning on or after the first day of January, two thousand two,
12 and ending on or before the thirty-first day of December, two
13 thousand three.

14 (b) *Exclusions.* — No credit shall be allowed for any
15 combined annual medical liability insurance premiums, or part
16 or component thereof, paid by or on behalf of an eligible
17 taxpayer employed by this state, its agencies or subdivisions.
18 No credit shall be allowed for any combined annual medical

19 liability insurance premiums, or part or component thereof, paid
20 by or on behalf of an eligible taxpayer or an eligible taxpayer
21 organization or a payor pursuant to insurance coverage pro-
22 vided under article twelve, chapter twenty-nine of this code. No
23 credit shall be allowed for any combined annual medical
24 liability insurance premiums, or part or component thereof, paid
25 before the first day of January, two thousand two, or paid after
26 the thirty-first day of December, two thousand three.

§11-13T-5. Unused credit; carryforward; credit forfeiture.

1 If any credit remains after application of the credit against
2 tax for any taxable year under this article, the amount thereof
3 shall be carried forward to each ensuing tax year until used or
4 until the first day of July, two thousand ten, whichever occurs
5 first. If any unused credit remains after the first day of July, two
6 thousand ten, the amount thereof is forfeited. No carryback to
7 a prior taxable year is allowed for the amount of any unused
8 portion of this credit.

**§11-13T-6. Application of credit against health care provider tax;
schedules; estimated taxes.**

1 (a) The credit allowed under this article shall be applied
2 against the tax payable under section sixteen, article twenty-
3 seven of this chapter, for the taxable year in which the com-
4 bined annual medical liability insurance premiums are paid. To
5 assert credit against the tax payable under section sixteen,
6 article twenty-seven of this chapter, the eligible taxpayer shall
7 prepare and file with the annual tax return filed under article
8 twenty-seven of this chapter, a schedule showing the combined
9 annual medical liability insurance premiums paid for the
10 taxable year, the amount of credit allowed under this article, the
11 tax against which the credit is being applied and other informa-
12 tion that the tax commissioner may require. This annual

13 schedule shall set forth the information and be in the form
14 prescribed by the tax commissioner.

15 (b) An eligible taxpayer may consider the amount of credit
16 allowed under this article when determining the eligible
17 taxpayer's liability for periodic payments of estimated tax for
18 the taxable year for the tax payable under section sixteen,
19 article twenty-seven of this chapter, in accordance with the
20 procedures and requirements prescribed by the tax commis-
21 sioner. The annual total tax liability and total tax credit allowed
22 under this article are subject to adjustment and reconciliation
23 pursuant to the filing of the annual schedule required by this
24 section.

§11-13T-7. Computation and application of credit.

1 (a) *Credit resulting from premiums directly paid by persons*
2 *who pay the tax imposed by section sixteen, article twenty-seven*
3 *of this chapter.* — The annual credit allowable under this article
4 for eligible taxpayers other than payors described in subsection
5 (b) of this section, shall be applied as a credit to reduce the
6 eligible taxpayer's annual tax liability imposed under section
7 sixteen, article twenty-seven of this chapter, determined after
8 application of the credit allowed under article thirteen-p of this
9 chapter, if any, and after application of all other allowable
10 credits, deductions and exemptions.

11 (b) *Computation of credit for premiums directly paid by*
12 *partners, members or shareholders of partnerships, limited*
13 *liability companies, or corporations for or on behalf of such*
14 *organizations; application of credit.*

15 (1) *Qualification for credit.*— Combined annual medical
16 liability insurance premiums paid by a payor (as defined in this
17 article) qualify for tax credit under this article, provided that
18 such payments are made to insure against medical malpractice

19 liabilities arising out of or resulting from physicians' services
20 provided by a physician while practicing in service to or under
21 the organizational identity of an eligible taxpayer organization
22 or as an employee of such eligible taxpayer organization, and
23 where such insurance covers the medical malpractice liabilities
24 or tail liabilities of:

25 (A) The eligible taxpayer organization; or

26 (B) One or more physicians practicing in service to or
27 under the organizational identity of the eligible taxpayer
28 organization or as an employee of the eligible taxpayer organi-
29 zation; or

30 (C) Any combination thereof.

31 (2) *Application of credit by the payor against health care*
32 *provider tax on physician's services.* — The annual credit
33 allowable under this article shall be applied to reduce the tax
34 liability directly payable by the payor under section sixteen,
35 article twenty-seven of this chapter, determined after applica-
36 tion of the credit allowed under article thirteen-p of this chapter,
37 if any, and after application of all other allowable credits,
38 deductions and exemptions.

39 (3) *Application of credit by the eligible taxpayer organiza-*
40 *tion against health care provider tax on physician's services.* —
41 After application of this credit as provided in subdivision (2) of
42 this subsection, remaining annual credit shall then be applied to
43 reduce the tax liability directly payable by the eligible taxpayer
44 organization under section sixteen, article twenty-seven of this
45 chapter, determined after application of the credit allowed
46 under article thirteen-p of this chapter, if any, and after applica-
47 tion of all other allowable credits, deductions and exemptions.

48 (4) *Apportionment among multiple eligible taxpayer*
49 *organizations.* — Where a payor described in subdivision (1) of

50 this subsection pays combined annual medical liability insur-
51 ance premiums for and provides services to or under the
52 organizational identity of two or more eligible taxpayer
53 organizations described in this section or as an employee of two
54 or more such eligible taxpayer organizations, the tax credit
55 shall, for purposes of subdivision (3) of this subsection, be
56 allocated among such eligible taxpayer organizations in
57 proportion to the combined annual medical liability insurance
58 premiums paid directly by the payor during the taxable year to
59 cover physicians' services during such year for, or on behalf of,
60 each eligible taxpayer organization. In no event may the total
61 credit claimed by all payors, eligible taxpayers and eligible
62 taxpayer organizations exceed the credit which would be
63 allowable if the payor had paid all such combined annual
64 medical liability insurance premiums for or on behalf of one
65 eligible taxpayer organization, and if all physician's services
66 had been performed for, or under the organizational identity of,
67 or by employees of, one eligible taxpayer organization.

68 (c) Application of the credit allowed under this article in
69 combination with all other applicable tax credits, exemptions
70 and deductions shall in no event reduce the tax liability below
71 zero, and shall in no circumstances be applied as a refundable
72 tax credit, or result in a refundable tax credit.

§11-13T-8. Legislative rules.

1 The tax commissioner shall propose for promulgation rules
2 pursuant to the provisions of article three, chapter twenty-nine-a
3 of this code, as may be necessary to carry out the purposes of
4 this article.

§11-13T-9. Burden of proof.

1 The burden of proof is on the person claiming the credit
2 allowed by this article to establish by clear and convincing

3 evidence that the person is entitled to the amount of credit
4 asserted for the taxable year.

CHAPTER 29. MISCELLANEOUS BOARDS AND OFFICERS.

ARTICLE 12. STATE INSURANCE.

§29-12-5 Powers and duties of board.

1 (a) The board shall have general supervision and control
2 over the insurance of all state property, activities and responsi-
3 bilities, including the acquisition and cancellation thereof;
4 determination of amount and kind of coverage, including, but
5 not limited to, deductible forms of insurance coverage, inspec-
6 tions or examinations relating thereto, reinsurance, and any and
7 all matters, factors and considerations entering into negotiations
8 for advantageous rates on and coverage of all such state
9 property, activities and responsibilities. The board shall have
10 the authority to employ an executive director for an annual
11 salary of seventy thousand dollars and such other employees,
12 including legal counsel, as may be necessary to carry out its
13 duties. The legal counsel may represent the board before any
14 judicial or administrative tribunal and perform such other duties
15 as may be requested by the board. Any policy of insurance
16 purchased or contracted for by the board shall provide that the
17 insurer shall be barred and estopped from relying upon the
18 constitutional immunity of the state of West Virginia against
19 claims or suits: *Provided*, That nothing herein shall bar the
20 insurer of political subdivisions from relying upon any statutory
21 immunity granted such political subdivisions against claims or
22 suits. The board may enter into any contracts necessary to the
23 execution of the powers granted to it by this article. It shall
24 endeavor to secure the maximum of protection against loss,
25 damage or liability to state property and on account of state
26 activities and responsibilities by proper and adequate insurance
27 coverage through the introduction and employment of sound

28 and accepted methods of protection and principles of insurance.
29 It is empowered and directed to make a complete survey of all
30 presently owned and subsequently acquired state property
31 subject to insurance coverage by any form of insurance, which
32 survey shall include and reflect inspections, appraisals, expo-
33 sures, fire hazards, construction, and any other objectives or
34 factors affecting or which might affect the insurance protection
35 and coverage required. It shall keep itself currently informed
36 on new and continuing state activities and responsibilities
37 within the insurance coverage herein contemplated. The board
38 shall work closely in cooperation with the state fire marshal's
39 office in applying the rules of that office insofar as the appro-
40 priations and other factors peculiar to state property will permit.
41 The board is given power and authority to make rules govern-
42 ing its functions and operations and the procurement of state
43 insurance.

44 The board is hereby authorized and empowered to negotiate
45 and effect settlement of any and all insurance claims arising on
46 or incident to losses of and damages to state properties,
47 activities and responsibilities hereunder and shall have authority
48 to execute and deliver proper releases of all such claims when
49 settled. The board may adopt rules and procedures for han-
50 dling, negotiating and settlement of all such claims. Any
51 discussion or consideration of the financial or personal informa-
52 tion of an insured may be held by the board in executive session
53 closed to the public, notwithstanding the provisions of article
54 nine-a, chapter six of this code.

55 (b) If requested by a political subdivision, a charitable or
56 public service organization, or an emergency medical services
57 agency, the board is authorized to provide property and liability
58 insurance to insure their property, activities and responsibilities.
59 The board is authorized to enter into any necessary contract of
60 insurance to further the intent of this subsection.

61 The property insurance provided by the board, pursuant to
62 this subsection, may also include insurance on property leased
63 to or loaned to the political subdivision, a charitable or public
64 service organization or an emergency medical services agency
65 which is required to be insured under a written agreement.

66 The cost of this insurance, as determined by the board, shall
67 be paid by the political subdivision, the charitable or public
68 service organization or the emergency medical services agency
69 and may include administrative expenses. For purposes of this
70 section: *Provided*, That if an emergency medical services
71 agency is a for-profit entity its claims history may not adversely
72 affect other participant's rates in the same class. All funds
73 received by the board (including, but not limited to, state
74 agency premiums, mine subsidence premiums, and political
75 subdivision premiums) shall be deposited with the West
76 Virginia investment management board with the interest
77 income and returns on investment a proper credit to such
78 property insurance trust fund or liability insurance trust fund, as
79 applicable.

80 "Political subdivision" as used in this subsection shall have
81 the same meaning as in section three, article twelve-a of this
82 chapter.

83 "Charitable" or public service organization as used in this
84 subsection means any hospital in this state which has been
85 certified as a critical access hospital by the federal centers for
86 medicare and medicaid upon the designation of the state office
87 of rural health policy, the office of community and rural health
88 services, the bureau for public health, or the department of
89 health and human resources, and any bona fide, not-for-profit,
90 tax-exempt, benevolent, educational, philanthropic, humane,
91 patriotic, civic, religious, eleemosynary, incorporated or
92 unincorporated association or organization or a rescue unit or
93 other similar volunteer community service organization or

94 association, but does not include any nonprofit association or
95 organization, whether incorporated or not, which is organized
96 primarily for the purposes of influencing legislation or support-
97 ing or promoting the campaign of any candidate for public
98 office.

99 “Emergency medical service agency” as used in this
100 subsection shall have the same meaning as in section three,
101 article four-c, chapter sixteen of this code.

102 (c)(1) The board shall have general supervision and control
103 over the optional medical liability insurance programs provid-
104 ing coverage to health care providers as authorized by the
105 provisions of article twelve-b of this chapter. The board is
106 hereby granted and may exercise all powers necessary or
107 appropriate to carry out and effectuate the purposes of this
108 article.

109 (2) The board shall:

110 (A) Administer the preferred medical liability program and
111 the high risk medical liability program and exercise and
112 perform other powers, duties and functions specified in this
113 article;

114 (B) Obtain and implement, at least annually, from an
115 independent outside source, such as a medical liability actuary
116 or a rating organization experienced with the medical liability
117 line of insurance, written rating plans for the preferred medical
118 liability program and high risk medical liability program on
119 which premiums shall be based;

120 (C) Prepare and annually review written underwriting
121 criteria for the preferred medical liability program and the high
122 risk medical liability program. The board may utilize review
123 panels, including, but not limited to, the same specialty review
124 panels to assist in establishing criteria;

125 (D) Prepare and publish, before each regular session of the
126 Legislature, separate summaries for the preferred medical
127 liability program and high risk medical liability program
128 activity during the preceding fiscal year, each summary to be
129 included in the board of risk and insurance management audited
130 financial statements as “other financial information”, and which
131 shall include a balance sheet, income statement and cash flow
132 statement, an actuarial opinion addressing adequacy of reserves,
133 the highest and lowest premiums assessed, the number of
134 claims filed with the program by provider type, the number of
135 judgments and amounts paid from the program, the number of
136 settlements and amounts paid from the program and the number
137 of dismissals without payment;

138 (E) Determine and annually review the claims history debit
139 or surcharge for the high risk medical liability program;

140 (F) Determine and annually review the criteria for transfer
141 from the preferred medical liability program to the high risk
142 medical liability program;

143 (G) Determine and annually review the role of independent
144 agents, the amount of commission, if any, to be paid therefor,
145 and agent appointment criteria;

146 (H) Study and annually evaluate the operation of the
147 preferred medical liability program and the high risk medical
148 liability program, and make recommendations to the Legisla-
149 ture, as may be appropriate, to ensure their viability, including,
150 but not limited to, recommendations for civil justice reform
151 with an associated cost-benefit analysis, recommendations on
152 the feasibility and desirability of a plan which would require all
153 health care providers in the state to participate with an associ-
154 ated cost-benefit analysis, recommendations on additional
155 funding of other state run insurance plans with an associated
156 cost-benefit analysis and recommendations on the desirability

157 of ceasing to offer a state plan with an associated analysis of a
158 potential transfer to the private sector with a cost-benefit
159 analysis, including impact on premiums;

160 (I) Establish a five-year financial plan to ensure an adequate
161 premium base to cover the long tail nature of the claims-made
162 coverage provided by the preferred medical liability program
163 and the high risk medical liability program. The plan shall be
164 designed to meet the program's estimated total financial
165 requirements, taking into account all revenues projected to be
166 made available to the program, and apportioning necessary
167 costs equitably among participating classes of health care
168 providers. For these purposes, the board shall:

169 (i) Retain the services of an impartial, professional actuary,
170 with demonstrated experience in analysis of large group
171 malpractice plans, to estimate the total financial requirements
172 of the program for each fiscal year and to review and render
173 written professional opinions as to financial plans proposed by
174 the board. The actuary shall also assist in the development of
175 alternative financing options and perform any other services
176 requested by the board or the executive director. All reasonable
177 fees and expenses for actuarial services shall be paid by the
178 board. Any financial plan or modifications to a financial plan
179 approved or proposed by the board pursuant to this section shall
180 be submitted to and reviewed by the actuary and may not be
181 finally approved and submitted to the governor and to the
182 Legislature without the actuary's written professional opinion
183 that the plan may be reasonably expected to generate sufficient
184 revenues to meet all estimated program and administrative
185 costs, including incurred but not reported claims, for the fiscal
186 year for which the plan is proposed. The actuary's opinion for
187 any fiscal year shall include a requirement for establishment of
188 a reserve fund;

189 (ii) Submit its final, approved five-year financial plan, after
190 obtaining the necessary actuary's opinion, to the governor and
191 to the Legislature no later than the first day of January preced-
192 ing the fiscal year. The financial plan for a fiscal year becomes
193 effective and shall be implemented by the executive director on
194 the first day of July of the fiscal year. In addition to each final,
195 approved financial plan required under this section, the board
196 shall also simultaneously submit an audited financial statement
197 based on generally accepted accounting practices (GAAP) and
198 which shall include allowances for incurred but not reported
199 claims: *Provided*, That the financial statement and the accrual-
200 based financial plan restatement shall not affect the approved
201 financial plan. The provisions of chapter twenty-nine-a of this
202 code shall not apply to the preparation, approval and implemen-
203 tation of the financial plans required by this section;

204 (iii) Submit to the governor and the Legislature a prospec-
205 tive five-year financial plan beginning on the first day of
206 January, two thousand three, and every year thereafter, for the
207 programs established by the provisions of article twelve-b of
208 this chapter. Factors that the board shall consider include, but
209 shall not be limited to, the trends for the program and the
210 industry; claims history, number and category of participants
211 in each program; settlements and claims payments; and judicial
212 results;

213 (iv) Obtain annually, certification from participants that
214 they have made a diligent search for comparable coverage in
215 the voluntary insurance market and have been unable to obtain
216 the same;

217 (J) Meet on at least a quarterly basis to review implementa-
218 tion of its current financial plan in light of the actual experience
219 of the medical liability programs established in article twelve-b
220 of this chapter. The board shall review actual costs incurred,
221 any revised cost estimates provided by the actuary, expendi-

222 tures and any other factors affecting the fiscal stability of the
223 plan and may make any additional modifications to the plan
224 necessary to ensure that the total financial requirements of these
225 programs for the current fiscal year are met;

226 (K) To analyze the benefit of and necessity for excess
227 verdict liability coverage;

228 (L) Consider purchasing reinsurance, in the amounts as it
229 may from time to time determine is appropriate, and the cost
230 thereof shall be considered to be an operating expense of the
231 board;

232 (M) Make available to participants, optional extended
233 reporting coverage or tail coverage: *Provided*, That, at least
234 five working days prior to offering such coverage to a partici-
235 pant or participants, the board shall notify the president of the
236 Senate and the speaker of the House of Delegates in writing of
237 its intention to do so, and such notice shall include the terms
238 and conditions of the coverage proposed;

239 (N) Review and approve, reject or modify rules that are
240 proposed by the executive director to implement, clarify or
241 explain administration of the preferred medical liability
242 program and the high risk medical liability program. Notwith-
243 standing any provisions in this code to the contrary, rules
244 promulgated pursuant to this paragraph are not subject to the
245 provisions of sections nine through sixteen, article three,
246 chapter twenty-nine-a of this code. The board shall comply
247 with the remaining provisions of article three and shall hold
248 hearings or receive public comments before promulgating any
249 proposed rule filed with the secretary of state: *Provided*, That
250 the initial rules proposed by the executive director and promul-
251 gated by the board shall become effective upon approval by the
252 board notwithstanding any provision of this code;

253 (O) Enter into settlements and structured settlement
254 agreements whenever appropriate. The policy may not require
255 as a condition precedent to settlement or compromise of any
256 claim the consent or acquiescence of the policy holder. The
257 board may own or assign any annuity purchased by the board to
258 a company licensed to do business in the state;

259 (P) Refuse to provide insurance coverage for individual
260 physicians whose prior loss experience or current professional
261 training and capability are such that the physician represents an
262 unacceptable risk of loss if coverage is provided;

263 (Q) Terminate coverage for nonpayment of premiums upon
264 written notice of the termination forwarded to the health care
265 provider not less than thirty days prior to termination of
266 coverage;

267 (R) Assign coverage or transfer insurance obligations
268 and/or risks of existing or in-force contracts of insurance to a
269 third party medical professional liability insurance carrier with
270 the comparable coverage conditions as determined by the
271 board. Any transfer of obligation or risk shall effect a novation
272 of the transferred contract of insurance and if the terms of the
273 assumption reinsurance agreement extinguish all liability of the
274 board and the state of West Virginia such extinguishment shall
275 be absolute as to any and all parties; and

276 (S) Meet and consult with and consider recommendations
277 from the medical malpractice advisory panel established by the
278 provisions of article twelve-b of this chapter.

279 (d) If, after the first day of September, two thousand two,
280 the board has assigned coverages or transferred all insurance
281 obligations and/or risks of existing or in-force contracts of
282 insurance to a third party medical professional liability insur-
283 ance carrier, and the board otherwise has no covered partici-
284 pants, then the board shall not thereafter offer or provide

285 professional liability insurance to any health care provider
286 pursuant to the provisions of subsection (c) of this section or the
287 provisions of article twelve-b of this chapter unless the Legisla-
288 ture adopts a concurrent resolution authorizing the board to
289 reestablish medical liability insurance programs.

**ARTICLE 12B. WEST VIRGINIA HEALTH CARE PROVIDER PROFES-
SIONAL LIABILITY INSURANCE AVAILABILITY ACT.**

**§29-12B-6. Health care provider professional liability insurance
programs.**

1 (a) There is hereby established through the board of risk
2 and insurance management optional insurance for health care
3 providers consisting of a preferred professional liability
4 insurance program and a high risk professional liability
5 insurance program.

6 (b) Each of the programs described in subsection (a) of this
7 section shall provide claims-made coverage for any covered act
8 or omission resulting in injury or death arising out of medical
9 professional liability as defined in subsection (d), section two,
10 article seven-b, chapter fifty-five of this code.

11 (c) Each of the programs described in subsection (a) of this
12 section shall offer optional prior acts coverage from and after
13 a retroactive date established by the policy declarations. The
14 premium for prior acts coverage may be based upon a five-year
15 maturity schedule depending on the years of prior acts expo-
16 sure, as more specifically set forth in a written rating manual
17 approved by the board.

18 (d) Each of the programs described in subsection (a) of this
19 section shall further provide an option to purchase an extended
20 reporting endorsement or tail coverage.

21 (e) Each of the programs described in subsection (a) of this
22 section shall offer limits for each health care provider in the
23 amount of one million dollars per claim, including repeated
24 exposure to the same event or series of events, and all deriva-
25 tive claims, and three million dollars in the annual aggregate.
26 Health care providers have the option to purchase higher limits
27 of up to two million dollars per claim, including repeated
28 exposure to the same event or series of events, and all deriva-
29 tive claims, and up to four million dollars in the annual aggre-
30 gate. In addition, hospitals covered by the plan shall have
31 available limits of three million dollars per claim, including
32 repeated exposure to the same event or series of events, and all
33 derivative claims, and five million dollars in the annual
34 aggregate. Installment payment plans as established in the
35 rating manual shall be available to all participants.

36 (f) Each of the programs described in subsection (a) of this
37 section shall cover any act or omission resulting in injury or
38 death arising out of medical professional liability as defined in
39 subsection (d), section two, article seven-b, chapter fifty-five of
40 this code. The board shall exclude from coverage sexual acts as
41 defined in subdivision (e), section three of this article, and shall
42 have the authority to exclude other acts or omission from
43 coverage.

44 (g) Each of the programs described in subsection (a) of this
45 section shall apply to damages, except punitive damages, for
46 medical professional liability as defined in subsection (d),
47 section two, article seven-b, chapter fifty-five of this code.

48 (h) The board may, but is not required, to obtain excess
49 verdict liability coverage for the programs described in subsec-
50 tion (a) of this section.

51 (i) Each of the programs shall be liable to the extent of the
52 limits purchased by the health care provider as set forth in

53 subsection (e) of this section. In the event that a claimant and a
54 health care provider are willing to settle within those limits
55 purchased by the health care provider, but the board refuses or
56 declines to settle, and the ultimate verdict is in excess of the
57 purchased limits, the board shall not be liable for the portion of
58 the verdict in excess of the coverage provided in subsection (e)
59 of this section unless the board acts in bad faith, with actual
60 malice, in declining or refusing to settle: *Provided*, That if the
61 board has in effect applicable excess verdict liability insurance,
62 the health care provider shall not be required to prove that the
63 board acted with actual malice in declining or refusing to settle
64 in order to be indemnified for that portion of the verdict in
65 excess of the limits of the purchased policy and within the
66 limits of the excess liability coverage. Notwithstanding any
67 provision of this code to the contrary, the board shall not be
68 liable for any verdict in excess of the combined limit of the
69 purchased policy and any applicable excess liability coverage
70 unless the board acts in bad faith with actual malice.

71 (j) Rates for each of the programs described in subsection
72 (a) of this section may not be excessive, inadequate or unfairly
73 discriminatory: *Provided*, That the rates charged for the
74 preferred professional liability insurance program shall not be
75 less than the highest approved comparable base rate for a
76 licensed carrier providing five percent of the malpractice
77 insurance coverage in this state for the previous calendar year
78 on file with the insurance commissioner: *Provided, however*,
79 That if there is only one licensed carrier providing five percent
80 or more of the malpractice insurance coverage in the state
81 offering comparable coverage, the board shall have discretion
82 to disregard the approved comparable base rate of the licensed
83 carrier.

84 (k) The premiums for each of the programs described in
85 subsection (a) of this section are subject to premium taxes
86 imposed by article three, chapter thirty-three of this code.

87 (l) Nothing in this article shall be construed to preclude a
88 health care provider from obtaining professional liability
89 insurance coverage for claims in excess of the coverage made
90 available by the provisions of this article.

91 (m) General liability coverage that may be required by a
92 health care provider may be offered as determined by the board.

93 (n) The board may provide coverage for the run out of, and
94 tail coverage for, any active policy issued pursuant to this
95 article which is not transferred to the physician's mutual
96 insurance company in accordance with section nine, article
97 twenty-f, chapter thirty-three of this code. The board may
98 permit such policy holders to finance, with interest, the tail
99 coverage premium payments therefore, up to a maximum
100 finance period of five years, on such terms as the board may set.

§29-12B-14. Effective date and termination of authority.

1 Policies written under this article may have an effective
2 date retroactive to the effective date of this article. Except as
3 provided in subsection (n), section six of this article, the
4 authority of the board of risk and insurance management to
5 issue medical liability policies under this article shall cease
6 upon the board's transfer, in accordance with section nine,
7 article twenty-f, chapter thirty-three of this code, of assets,
8 obligations and liabilities to the physicians' mutual insurance
9 company created pursuant to said article, or upon the first day
10 of July, two-thousand four, whichever occurs first. The board
11 shall continue to administer any existing policy of insurance
12 which was issued pursuant to this article, but was not trans-
13 ferred to the physician's mutual insurance company, until the
14 policy expires. Upon the expiration of the policy, the board
15 shall make tail coverage available at an appropriate premium
16 rate to be determined by the board. The board shall continue to
17 administer any tail coverage so provided. On the thirtieth day

18 of January each year, the board shall report to the legislature's
19 joint committee on government and finance the amount of any
20 unfunded liability associated with the run out and tail coverage
21 provided by this section.

ARTICLE 12C. PATIENT INJURY COMPENSATION PLAN.

§29-12C-1. Patient injury compensation plan study board created; purpose; study of creation and funding of patient injury compensation fund; developing rules and establishing program; and report to the Legislature.

1 (a) In recognition of the statewide concern over the rising
2 cost of medical malpractice insurance and the difficulty that
3 health care practitioners have in locating affordable medical
4 malpractice insurance, there is hereby created a patient injury
5 compensation fund study board to study the feasibility of
6 establishing a patient injury compensation fund to reimburse
7 claimants in medical malpractice actions for any portion of
8 economic damages awarded which are uncollectible due to
9 statutory limitations on damage awards for trauma care and/or
10 the elimination of joint and several liability of tortfeasor health
11 care providers and health care facilities.

12 (b) The patient injury compensation fund study board shall
13 consist of the director of the board of risk and insurance
14 management, who shall serve as chairperson, the insurance
15 commissioner and an appointee of the governor. The patient
16 injury compensation fund study board shall utilize the resources
17 of the board of risk and insurance management and the insur-
18 ance commission to effectuate the study required by this article.
19 The patient injury compensation fund study board shall meet
20 upon the call of the chair. A simple majority of the patient
21 injury compensation fund study board members constitutes a
22 quorum for the transaction of business.

23 (c) The patient injury compensation fund study board is
24 authorized to hold hearings, conduct investigations and con-
25 sider, without limitation, all options for identifying funding
26 methods and for the operation and administration of a patient
27 injury compensation fund within the following guidelines:

28 (1) The board of risk and insurance management is respon-
29 sible for implementing, administering and operating any patient
30 injury compensation fund;

31 (2) The patient injury compensation fund must be
32 actuarially sound and fully funded in accordance with generally
33 accepted accounting principles;

34 (3) Eligibility for reimbursement from the patient injury
35 compensation fund is limited to claimants who have been
36 awarded damages in a medical malpractice action but have been
37 certified by the board of risk and insurance management to be
38 unable, after exhausting all reasonable means available by law
39 of recovering the award, to collect all or part of the economic
40 damages awarded due to the limitations on awards established
41 in sections nine and nine-c, article seven-b chapter fifty-five of
42 this code; and

43 (4) The board of risk and insurance management may invest
44 the moneys in the patient injury compensation fund and use any
45 interest or other return from investments to pay administration
46 expenses and claims granted.

47 (d) The patient injury compensation fund study board's
48 report and recommendations shall be completed no later than
49 the first day of December, two thousand three, and shall be
50 presented to the joint committee of government and finance
51 during the legislative interim meetings to be held in December,
52 two thousand three.

§29-12C-2. Legislative rules.

1 (a) The Legislature hereby declares that an emergency
2 exists necessitating expeditious implementation of a patient
3 injury compensation fund, if economically feasible, and directs
4 the patient injury compensation fund study board to propose
5 emergency legislative rules relating to the establishment,
6 implementation and operation of the patient injury compensa-
7 tion fund in conjunction with its report and recommendations
8 to the Legislature under section one of this article. The rules
9 proposed by the patient injury compensation fund study board
10 shall:

11 (1) Provide the funding mechanism and the methodology
12 for processing and timely and accurately collect funds;

13 (2) Assure the actuarial soundness of the patient injury
14 compensation fund and sufficient moneys to satisfy all foresee-
15 able claims against the patient injury compensation fund, giving
16 due consideration to relevant loss or claim experience or trends
17 and normal costs of operation;

18 (3) Provide a reasonable reserve fund for unexpected
19 contingencies, consistent with generally accepted accounting
20 principles;

21 (4) Establish appropriate procedures for notification of
22 payment adjustments prior to any payment periods established
23 in which a funding adjustment will be in effect, consistent with
24 generally accepted accounting principles;

25 (5) Establish procedures for determining eligibility for and
26 distribution of funds to claimants seeking reimbursement;

27 (6) Establish the requirements and procedure for certifying
28 that a claimant has been unable to collect a portion of the
29 economic damages recovered;

30 (7) Establish the process for submitting a claim for payment
31 from the patient injury compensation fund; and

32 (8) Establish any additional requirements and criteria
33 consistent with and necessary to effectuate the provisions of
34 this article.

35 (b) If the Legislature accepts, in whole or in part, the
36 recommendations of the patient injury compensation fund study
37 board, enacts legislation establishing a patient injury compensa-
38 tion fund and approves rules governing the initial establish-
39 ment, implementation and operation of the patient injury
40 compensation fund, those rules shall be filed with the secretary
41 of state as emergency rules.

CHAPTER 30. PROFESSIONS AND OCCUPATIONS.

ARTICLE 3. WEST VIRGINIA MEDICAL PRACTICE ACT.

§30-3-14. Professional discipline of physicians and podiatrists; reporting of information to board pertaining to medical professional liability and professional incompetence required; penalties; grounds for license denial and discipline of physicians and podiatrists; investigations; physical and mental examinations; hearings; sanctions; summary sanctions; reporting by the board; reapplication; civil and criminal immunity; voluntary limitation of license; probable cause determinations.

1 (a) The board may independently initiate disciplinary
2 proceedings as well as initiate disciplinary proceedings based
3 on information received from medical peer review committees,
4 physicians, podiatrists, hospital administrators, professional
5 societies and others.

6 The board may initiate investigations as to professional
7 incompetence or other reasons for which a licensed physician

8 or podiatrist may be adjudged unqualified based upon criminal
9 convictions; complaints by citizens, pharmacists, physicians,
10 podiatrists, peer review committees, hospital administrators,
11 professional societies or others; or unfavorable outcomes
12 arising out of medical professional liability. The board shall
13 initiate an investigation if it receives notice that three or more
14 judgments, or any combination of judgments and settlements
15 resulting in five or more unfavorable outcomes arising from
16 medical professional liability have been rendered or made
17 against the physician or podiatrist within a five-year period. The
18 board may not consider any judgments or settlements as
19 conclusive evidence of professional incompetence or conclusive
20 lack of qualification to practice.

21 (b) Upon request of the board, any medical peer review
22 committee in this state shall report any information that may
23 relate to the practice or performance of any physician or
24 podiatrist known to that medical peer review committee. Copies
25 of the requests for information from a medical peer review
26 committee may be provided to the subject physician or podia-
27 trist if, in the discretion of the board, the provision of such
28 copies will not jeopardize the board's investigation. In the event
29 that copies are provided, the subject physician or podiatrist is
30 allowed fifteen days to comment on the requested information
31 and such comments must be considered by the board.

32 The chief executive officer of every hospital shall, within
33 sixty days after the completion of the hospital's formal disci-
34 plinary procedure and also within sixty days after the com-
35 mencement of and again after the conclusion of any resulting
36 legal action, report in writing to the board the name of any
37 member of the medical staff or any other physician or podiatrist
38 practicing in the hospital whose hospital privileges have been
39 revoked, restricted, reduced or terminated for any cause,
40 including resignation, together with all pertinent information
41 relating to such action. The chief executive officer shall also

42 report any other formal disciplinary action taken against any
43 physician or podiatrist by the hospital upon the recommenda-
44 tion of its medical staff relating to professional ethics, medical
45 incompetence, medical professional liability, moral turpitude or
46 drug or alcohol abuse. Temporary suspension for failure to
47 maintain records on a timely basis or failure to attend staff or
48 section meetings need not be reported. Voluntary cessation of
49 hospital privileges for reasons unrelated to professional
50 competence or ethics need not be reported.

51 Any managed care organization operating in this state
52 which provides a formal peer review process shall report in
53 writing to the board, within sixty days after the completion of
54 any formal peer review process and also within sixty days after
55 the commencement of and again after the conclusion of any
56 resulting legal action, the name of any physician or podiatrist
57 whose credentialing has been revoked or not renewed by the
58 managed care organization. The managed care organization
59 shall also report in writing to the board any other disciplinary
60 action taken against a physician or podiatrist relating to
61 professional ethics, professional liability, moral turpitude or
62 drug or alcohol abuse within sixty days after completion of a
63 formal peer review process which results in the action taken by
64 the managed care organization. For purposes of this subsection,
65 “managed care organization” means a plan that establishes,
66 operates or maintains a network of health care providers who
67 have entered into agreements with and been credentialed by the
68 plan to provide health care services to enrollees or insureds to
69 whom the plan has the ultimate obligation to arrange for the
70 provision of or payment for health care services through
71 organizational arrangements for ongoing quality assurance,
72 utilization review programs or dispute resolutions.

73 Any professional society in this state comprised primarily
74 of physicians or podiatrists which takes formal disciplinary
75 action against a member relating to professional ethics, profes-

76 sional incompetence, medical professional liability, moral
77 turpitude or drug or alcohol abuse shall report in writing to the
78 board within sixty days of a final decision the name of the
79 member, together with all pertinent information relating to the
80 action.

81 Every person, partnership, corporation, association,
82 insurance company, professional society or other organization
83 providing professional liability insurance to a physician or
84 podiatrist in this state, including the state board of risk and
85 insurance management, shall submit to the board the following
86 information within thirty days from any judgment or settlement
87 of a civil or medical professional liability action excepting
88 product liability actions: The name of the insured; the date of
89 any judgment or settlement; whether any appeal has been taken
90 on the judgment and, if so, by which party; the amount of any
91 settlement or judgment against the insured; and other informa-
92 tion required by the board.

93 Within thirty days from the entry of an order by a court in
94 a medical professional liability action or other civil action in
95 which a physician or podiatrist licensed by the board is deter-
96 mined to have rendered health care services below the applica-
97 ble standard of care, the clerk of the court in which the order
98 was entered shall forward a certified copy of the order to the
99 board.

100 Within thirty days after a person known to be a physician
101 or podiatrist licensed or otherwise lawfully practicing medicine
102 and surgery or podiatry in this state or applying to be licensed
103 is convicted of a felony under the laws of this state or of any
104 crime under the laws of this state involving alcohol or drugs in
105 any way, including any controlled substance under state or
106 federal law, the clerk of the court of record in which the
107 conviction was entered shall forward to the board a certified
108 true and correct abstract of record of the convicting court. The

109 abstract shall include the name and address of the physician or
110 podiatrist or applicant, the nature of the offense committed and
111 the final judgment and sentence of the court.

112 Upon a determination of the board that there is probable
113 cause to believe that any person, partnership, corporation,
114 association, insurance company, professional society or other
115 organization has failed or refused to make a report required by
116 this subsection, the board shall provide written notice to the
117 alleged violator stating the nature of the alleged violation and
118 the time and place at which the alleged violator shall appear to
119 show good cause why a civil penalty should not be imposed.
120 The hearing shall be conducted in accordance with the provi-
121 sions of article five, chapter twenty-nine-a of this code. After
122 reviewing the record of the hearing, if the board determines that
123 a violation of this subsection has occurred, the board shall
124 assess a civil penalty of not less than one thousand dollars nor
125 more than ten thousand dollars against the violator. The board
126 shall notify any person so assessed of the assessment in writing
127 and the notice shall specify the reasons for the assessment. If
128 the violator fails to pay the amount of the assessment to the
129 board within thirty days, the attorney general may institute a
130 civil action in the circuit court of Kanawha County to recover
131 the amount of the assessment. In any civil action, the court's
132 review of the board's action shall be conducted in accordance
133 with the provisions of section four, article five, chapter twenty-
134 nine-a of this code. Notwithstanding any other provision of this
135 article to the contrary, when there are conflicting views by
136 recognized experts as to whether any alleged conduct breaches
137 an applicable standard of care, the evidence must be clear and
138 convincing before the board may find that the physician or
139 podiatrist has demonstrated a lack of professional competence
140 to practice with a reasonable degree of skill and safety for
141 patients.

142 Any person may report to the board relevant facts about the
143 conduct of any physician or podiatrist in this state which in the
144 opinion of that person amounts to medical professional liability
145 or professional incompetence.

146 The board shall provide forms for filing reports pursuant to
147 this section. Reports submitted in other forms shall be accepted
148 by the board.

149 The filing of a report with the board pursuant to any
150 provision of this article, any investigation by the board or any
151 disposition of a case by the board does not preclude any action
152 by a hospital, other health care facility or professional society
153 comprised primarily of physicians or podiatrists to suspend,
154 restrict or revoke the privileges or membership of the physician
155 or podiatrist.

156 (c) The board may deny an application for license or other
157 authorization to practice medicine and surgery or podiatry in
158 this state and may discipline a physician or podiatrist licensed
159 or otherwise lawfully practicing in this state who, after a
160 hearing, has been adjudged by the board as unqualified due to
161 any of the following reasons:

162 (1) Attempting to obtain, obtaining, renewing or attempting
163 to renew a license to practice medicine and surgery or podiatry
164 by bribery, fraudulent misrepresentation or through known error
165 of the board;

166 (2) Being found guilty of a crime in any jurisdiction, which
167 offense is a felony, involves moral turpitude or directly relates
168 to the practice of medicine. Any plea of nolo contendere is a
169 conviction for the purposes of this subdivision;

170 (3) False or deceptive advertising;

171 (4) Aiding, assisting, procuring or advising any unautho-
172 rized person to practice medicine and surgery or podiatry
173 contrary to law;

174 (5) Making or filing a report that the person knows to be
175 false; intentionally or negligently failing to file a report or
176 record required by state or federal law; willfully impeding or
177 obstructing the filing of a report or record required by state or
178 federal law; or inducing another person to do any of the
179 foregoing. The reports and records covered in this subdivision
180 mean only those that are signed in the capacity as a licensed
181 physician or podiatrist;

182 (6) Requesting, receiving or paying directly or indirectly a
183 payment, rebate, refund, commission, credit or other form of
184 profit or valuable consideration for the referral of patients to
185 any person or entity in connection with providing medical or
186 other health care services or clinical laboratory services,
187 supplies of any kind, drugs, medication or any other medical
188 goods, services or devices used in connection with medical or
189 other health care services;

190 (7) Unprofessional conduct by any physician or podiatrist
191 in referring a patient to any clinical laboratory or pharmacy in
192 which the physician or podiatrist has a proprietary interest
193 unless the physician or podiatrist discloses in writing such
194 interest to the patient. The written disclosure shall indicate that
195 the patient may choose any clinical laboratory for purposes of
196 having any laboratory work or assignment performed or any
197 pharmacy for purposes of purchasing any prescribed drug or
198 any other medical goods or devices used in connection with
199 medical or other health care services.

200 As used in this subdivision, "proprietary interest" does not
201 include an ownership interest in a building in which space is
202 leased to a clinical laboratory or pharmacy at the prevailing rate

203 under a lease arrangement that is not conditional upon the
204 income or gross receipts of the clinical laboratory or pharmacy;

205 (8) Exercising influence within a patient-physician relation-
206 ship for the purpose of engaging a patient in sexual activity;

207 (9) Making a deceptive, untrue or fraudulent representation
208 in the practice of medicine and surgery or podiatry;

209 (10) Soliciting patients, either personally or by an agent,
210 through the use of fraud, intimidation or undue influence;

211 (11) Failing to keep written records justifying the course of
212 treatment of a patient, including, but not limited to, patient
213 histories, examination and test results and treatment rendered,
214 if any;

215 (12) Exercising influence on a patient in such a way as to
216 exploit the patient for financial gain of the physician or
217 podiatrist or of a third party. Any influence includes, but is not
218 limited to, the promotion or sale of services, goods, appliances
219 or drugs;

220 (13) Prescribing, dispensing, administering, mixing or
221 otherwise preparing a prescription drug, including any con-
222 trolled substance under state or federal law, other than in good
223 faith and in a therapeutic manner in accordance with accepted
224 medical standards and in the course of the physician's or
225 podiatrist's professional practice: *Provided*, That a physician
226 who discharges his or her professional obligation to relieve the
227 pain and suffering and promote the dignity and autonomy of
228 dying patients in his or her care and, in so doing, exceeds the
229 average dosage of a pain relieving controlled substance, as
230 defined in Schedules II and III of the Uniform Controlled
231 Substance Act, does not violate this article;

232 (14) Performing any procedure or prescribing any therapy
233 that, by the accepted standards of medical practice in the
234 community, would constitute experimentation on human
235 subjects without first obtaining full, informed and written
236 consent;

237 (15) Practicing or offering to practice beyond the scope
238 permitted by law or accepting and performing professional
239 responsibilities that the person knows or has reason to know he
240 or she is not competent to perform;

241 (16) Delegating professional responsibilities to a person
242 when the physician or podiatrist delegating the responsibilities
243 knows or has reason to know that the person is not qualified by
244 training, experience or licensure to perform them;

245 (17) Violating any provision of this article or a rule or order
246 of the board or failing to comply with a subpoena or subpoena
247 duces tecum issued by the board;

248 (18) Conspiring with any other person to commit an act or
249 committing an act that would tend to coerce, intimidate or
250 preclude another physician or podiatrist from lawfully advertis-
251 ing his or her services;

252 (19) Gross negligence in the use and control of prescription
253 forms;

254 (20) Professional incompetence; or

255 (21) The inability to practice medicine and surgery or
256 podiatry with reasonable skill and safety due to physical or
257 mental impairment, including deterioration through the aging
258 process, loss of motor skill or abuse of drugs or alcohol. A
259 physician or podiatrist adversely affected under this subdivision
260 shall be afforded an opportunity at reasonable intervals to
261 demonstrate that he or she may resume the competent practice

262 of medicine and surgery or podiatry with reasonable skill and
263 safety to patients. In any proceeding under this subdivision,
264 neither the record of proceedings nor any orders entered by the
265 board shall be used against the physician or podiatrist in any
266 other proceeding.

267 (d) The board shall deny any application for a license or
268 other authorization to practice medicine and surgery or podiatry
269 in this state to any applicant who, and shall revoke the license
270 of any physician or podiatrist licensed or otherwise lawfully
271 practicing within this state who, is found guilty by any court of
272 competent jurisdiction of any felony involving prescribing,
273 selling, administering, dispensing, mixing or otherwise prepar-
274 ing any prescription drug, including any controlled substance
275 under state or federal law, for other than generally accepted
276 therapeutic purposes. Presentation to the board of a certified
277 copy of the guilty verdict or plea rendered in the court is
278 sufficient proof thereof for the purposes of this article. A plea
279 of nolo contendere has the same effect as a verdict or plea of
280 guilt.

281 (e) The board may refer any cases coming to its attention to
282 an appropriate committee of an appropriate professional
283 organization for investigation and report. Except for complaints
284 related to obtaining initial licensure to practice medicine and
285 surgery or podiatry in this state by bribery or fraudulent
286 misrepresentation, any complaint filed more than two years
287 after the complainant knew, or in the exercise of reasonable
288 diligence should have known, of the existence of grounds for
289 the complaint shall be dismissed: *Provided*, That in cases of
290 conduct alleged to be part of a pattern of similar misconduct or
291 professional incapacity that, if continued, would pose risks of
292 a serious or substantial nature to the physician's or podiatrist's
293 current patients, the investigating body may conduct a limited
294 investigation related to the physician's or podiatrist's current
295 capacity and qualification to practice and may recommend

296 conditions, restrictions or limitations on the physician's or
297 podiatrist's license to practice that it considers necessary for the
298 protection of the public. Any report shall contain recommenda-
299 tions for any necessary disciplinary measures and shall be filed
300 with the board within ninety days of any referral. The recom-
301 mendations shall be considered by the board and the case may
302 be further investigated by the board. The board after full
303 investigation shall take whatever action it considers appropri-
304 ate, as provided in this section.

305 (f) The investigating body, as provided for in subsection (e)
306 of this section, may request and the board under any circum-
307 stances may require a physician or podiatrist or person applying
308 for licensure or other authorization to practice medicine and
309 surgery or podiatry in this state to submit to a physical or
310 mental examination by a physician or physicians approved by
311 the board. A physician or podiatrist submitting to an examina-
312 tion has the right, at his or her expense, to designate another
313 physician to be present at the examination and make an
314 independent report to the investigating body or the board. The
315 expense of the examination shall be paid by the board. Any
316 individual who applies for or accepts the privilege of practicing
317 medicine and surgery or podiatry in this state is considered to
318 have given his or her consent to submit to all examinations
319 when requested to do so in writing by the board and to have
320 waived all objections to the admissibility of the testimony or
321 examination report of any examining physician on the ground
322 that the testimony or report is privileged communication. If a
323 person fails or refuses to submit to an examination under
324 circumstances which the board finds are not beyond his or her
325 control, failure or refusal is prima facie evidence of his or her
326 inability to practice medicine and surgery or podiatry compe-
327 tently and in compliance with the standards of acceptable and
328 prevailing medical practice.

329 (g) In addition to any other investigators it employs, the
330 board may appoint one or more licensed physicians to act for it
331 in investigating the conduct or competence of a physician.

332 (h) In every disciplinary or licensure denial action, the
333 board shall furnish the physician or podiatrist or applicant with
334 written notice setting out with particularity the reasons for its
335 action. Disciplinary and licensure denial hearings shall be
336 conducted in accordance with the provisions of article five,
337 chapter twenty-nine-a of this code. However, hearings shall be
338 heard upon sworn testimony and the rules of evidence for trial
339 courts of record in this state shall apply to all hearings. A
340 transcript of all hearings under this section shall be made, and
341 the respondent may obtain a copy of the transcript at his or her
342 expense. The physician or podiatrist has the right to defend
343 against any charge by the introduction of evidence, the right to
344 be represented by counsel, the right to present and cross-
345 examine witnesses and the right to have subpoenas and subpoe-
346 nas duces tecum issued on his or her behalf for the attendance
347 of witnesses and the production of documents. The board shall
348 make all its final actions public. The order shall contain the
349 terms of all action taken by the board.

350 (i) In disciplinary actions in which probable cause has been
351 found by the board, the board shall, within twenty days of the
352 date of service of the written notice of charges or sixty days
353 prior to the date of the scheduled hearing, whichever is sooner,
354 provide the respondent with the complete identity, address and
355 telephone number of any person known to the board with
356 knowledge about the facts of any of the charges; provide a copy
357 of any statements in the possession of or under the control of
358 the board; provide a list of proposed witnesses with addresses
359 and telephone numbers, with a brief summary of his or her
360 anticipated testimony; provide disclosure of any trial expert
361 pursuant to the requirements of rule 26(b)(4) of the West
362 Virginia rules of civil procedure; provide inspection and

363 copying of the results of any reports of physical and mental
364 examinations or scientific tests or experiments; and provide a
365 list and copy of any proposed exhibit to be used at the hearing:
366 *Provided*, That the board shall not be required to furnish or
367 produce any materials which contain opinion work product
368 information or would be a violation of the attorney-client
369 privilege. Within twenty days of the date of service of the
370 written notice of charges, the board shall disclose any exculpa-
371 tory evidence with a continuing duty to do so throughout the
372 disciplinary process. Within thirty days of receipt of the board's
373 mandatory discovery, the respondent shall provide the board
374 with the complete identity, address and telephone number of
375 any person known to the respondent with knowledge about the
376 facts of any of the charges; provide a list of proposed witnesses
377 with addresses and telephone numbers, to be called at hearing,
378 with a brief summary of his or her anticipated testimony;
379 provide disclosure of any trial expert pursuant to the require-
380 ments of rule 26(b)(4) of the West Virginia rules of civil
381 procedure; provide inspection and copying of the results of any
382 reports of physical and mental examinations or scientific tests
383 or experiments; and provide a list and copy of any proposed
384 exhibit to be used at the hearing.

385 (j) Whenever it finds any person unqualified because of any
386 of the grounds set forth in subsection (c) of this section, the
387 board may enter an order imposing one or more of the follow-
388 ing:

389 (1) Deny his or her application for a license or other
390 authorization to practice medicine and surgery or podiatry;

391 (2) Administer a public reprimand;

392 (3) Suspend, limit or restrict his or her license or other
393 authorization to practice medicine and surgery or podiatry for
394 not more than five years, including limiting the practice of that

395 person to, or by the exclusion of, one or more areas of practice,
396 including limitations on practice privileges;

397 (4) Revoke his or her license or other authorization to
398 practice medicine and surgery or podiatry or to prescribe or
399 dispense controlled substances for a period not to exceed ten
400 years;

401 (5) Require him or her to submit to care, counseling or
402 treatment designated by the board as a condition for initial or
403 continued licensure or renewal of licensure or other authoriza-
404 tion to practice medicine and surgery or podiatry;

405 (6) Require him or her to participate in a program of
406 education prescribed by the board;

407 (7) Require him or her to practice under the direction of a
408 physician or podiatrist designated by the board for a specified
409 period of time; and

410 (8) Assess a civil fine of not less than one thousand dollars
411 nor more than ten thousand dollars.

412 (k) Notwithstanding the provisions of section eight, article
413 one, chapter thirty of this code, if the board determines the
414 evidence in its possession indicates that a physician's or
415 podiatrist's continuation in practice or unrestricted practice
416 constitutes an immediate danger to the public, the board may
417 take any of the actions provided for in subsection (j) of this
418 section on a temporary basis and without a hearing if institution
419 of proceedings for a hearing before the board are initiated
420 simultaneously with the temporary action and begin within
421 fifteen days of the action. The board shall render its decision
422 within five days of the conclusion of a hearing under this
423 subsection.

424 (l) Any person against whom disciplinary action is taken
425 pursuant to the provisions of this article has the right to judicial
426 review as provided in articles five and six, chapter twenty-nine-
427 a of this code: *Provided*, That a circuit judge may also remand
428 the matter to the board if it appears from competent evidence
429 presented to it in support of a motion for remand that there is
430 newly discovered evidence of such a character as ought to
431 produce an opposite result at a second hearing on the merits
432 before the board and:

433 (1) The evidence appears to have been discovered since the
434 board hearing; and

435 (2) The physician or podiatrist exercised due diligence in
436 asserting his or her evidence and that due diligence would not
437 have secured the newly discovered evidence prior to the appeal.

438 A person may not practice medicine and surgery or podiatry
439 or deliver health care services in violation of any disciplinary
440 order revoking, suspending or limiting his or her license while
441 any appeal is pending. Within sixty days, the board shall report
442 its final action regarding restriction, limitation, suspension or
443 revocation of the license of a physician or podiatrist, limitation
444 on practice privileges or other disciplinary action against any
445 physician or podiatrist to all appropriate state agencies, appro-
446 priate licensed health facilities and hospitals, insurance compa-
447 nies or associations writing medical malpractice insurance in
448 this state, the American medical association, the American
449 podiatry association, professional societies of physicians or
450 podiatrists in the state and any entity responsible for the fiscal
451 administration of medicare and medicaid.

452 (m) Any person against whom disciplinary action has been
453 taken under the provisions of this article shall, at reasonable
454 intervals, be afforded an opportunity to demonstrate that he or
455 she can resume the practice of medicine and surgery or podiatry

456 on a general or limited basis. At the conclusion of a suspension,
457 limitation or restriction period the physician or podiatrist may
458 resume practice if the board has so ordered.

459 (n) Any entity, organization or person, including the board,
460 any member of the board, its agents or employees and any
461 entity or organization or its members referred to in this article,
462 any insurer, its agents or employees, a medical peer review
463 committee and a hospital governing board, its members or any
464 committee appointed by it acting without malice and without
465 gross negligence in making any report or other information
466 available to the board or a medical peer review committee
467 pursuant to law and any person acting without malice and
468 without gross negligence who assists in the organization,
469 investigation or preparation of any such report or information
470 or assists the board or a hospital governing body or any
471 committee in carrying out any of its duties or functions pro-
472 vided by law is immune from civil or criminal liability, except
473 that the unlawful disclosure of confidential information
474 possessed by the board is a misdemeanor as provided for in this
475 article.

476 (o) A physician or podiatrist may request in writing to the
477 board a limitation on or the surrendering of his or her license to
478 practice medicine and surgery or podiatry or other appropriate
479 sanction as provided in this section. The board may grant the
480 request and, if it considers it appropriate, may waive the
481 commencement or continuation of other proceedings under this
482 section. A physician or podiatrist whose license is limited or
483 surrendered or against whom other action is taken under this
484 subsection may, at reasonable intervals, petition for removal of
485 any restriction or limitation on or for reinstatement of his or her
486 license to practice medicine and surgery or podiatry.

487 (p) In every case considered by the board under this article
488 regarding discipline or licensure, whether initiated by the board

489 or upon complaint or information from any person or organiza-
490 tion, the board shall make a preliminary determination as to
491 whether probable cause exists to substantiate charges of
492 disqualification due to any reason set forth in subsection (c) of
493 this section. If probable cause is found to exist, all proceedings
494 on the charges shall be open to the public who are entitled to all
495 reports, records and nondeliberative materials introduced at the
496 hearing, including the record of the final action taken: *Pro-*
497 *vided*, That any medical records, which were introduced at the
498 hearing and which pertain to a person who has not expressly
499 waived his or her right to the confidentiality of the records, may
500 not be open to the public nor is the public entitled to the
501 records.

502 (q) If the board receives notice that a physician or podiatrist
503 has been subjected to disciplinary action or has had his or her
504 credentials suspended or revoked by the board, a hospital or a
505 professional society, as defined in subsection (b) of this section,
506 for three or more incidents during a five-year period, the board
507 shall require the physician or podiatrist to practice under the
508 direction of a physician or podiatrist designated by the board for
509 a specified period of time to be established by the board.

510 (r) Notwithstanding any other provisions of this article, the
511 board may, at any time, on its own motion, or upon motion by
512 the complainant, or upon motion by the physician or podiatrist,
513 or by stipulation of the parties, refer the matter to mediation.
514 The board shall obtain a list from the West Virginia state bar's
515 mediator referral service of certified mediators with expertise
516 in professional disciplinary matters. The board and the physi-
517 cian or podiatrist may choose a mediator from that list. If the
518 board and the physician or podiatrist are unable to agree on a
519 mediator, the board shall designate a mediator the list by neutral
520 rotation. The mediation shall not be considered a proceeding
521 open to the public and any reports and records introduced at the
522 mediation shall not become part of the public record. The

523 mediator and all participants in the mediation shall maintain
524 and preserve the confidentiality of all mediation proceedings
525 and records. The mediator may not be subpoenaed or called to
526 testify or otherwise be subject to process requiring disclosure of
527 confidential information in any proceeding relating to or arising
528 out of the disciplinary or licensure matter mediated: *Provided*,
529 That any confidentiality agreement and any written agreement
530 made and signed by the parties as a result of mediation may be
531 used in any proceedings subsequently instituted to enforce the
532 written agreement. The agreements may be used in other
533 proceedings if the parties agree in writing.

ARTICLE 14. OSTEOPATHIC PHYSICIANS AND SURGEONS.

**§30-14-12a. Initiation of suspension or revocation proceedings
allowed and required; reporting of information to
board pertaining to professional malpractice and
professional incompetence required; penalties;
probable cause determinations.**

1 (a) The board may independently initiate suspension or
2 revocation proceedings as well as initiate suspension or
3 revocation proceedings based on information received from any
4 person.

5 The board shall initiate investigations as to professional
6 incompetence or other reasons for which a licensed osteopathic
7 physician and surgeon may be adjudged unqualified if the board
8 receives notice that three or more judgments or any combina-
9 tion of judgments and settlements resulting in five or more
10 unfavorable outcomes arising from medical professional
11 liability have been rendered or made against such osteopathic
12 physician within a five-year period.

13 (b) Upon request of the board, any medical peer review
14 committee in this state shall report any information that may
15 relate to the practice or performance of any osteopathic

16 physician known to that medical peer review committee. Copies
17 of such requests for information from a medical peer review
18 committee may be provided to the subject osteopathic physician
19 if, in the discretion of the board, the provision of such copies
20 will not jeopardize the board's investigation. In the event that
21 copies are provided, the subject osteopathic physician has
22 fifteen days to comment on the requested information and such
23 comments must be considered by the board.

24 After the completion of a hospital's formal disciplinary
25 procedure and after any resulting legal action, the chief execu-
26 tive officer of such hospital shall report in writing to the board
27 within sixty days the name of any member of the medical staff
28 or any other osteopathic physician practicing in the hospital
29 whose hospital privileges have been revoked, restricted,
30 reduced or terminated for any cause, including resignation,
31 together with all pertinent information relating to such action.
32 The chief executive officer shall also report any other formal
33 disciplinary action taken against any osteopathic physician by
34 the hospital upon the recommendation of its medical staff
35 relating to professional ethics, medical incompetence, medical
36 malpractice, moral turpitude or drug or alcohol abuse. Tempo-
37 rary suspension for failure to maintain records on a timely basis
38 or failure to attend staff or section meetings need not be
39 reported.

40 Any professional society in this state comprised primarily
41 of osteopathic physicians or physicians and surgeons of other
42 schools of medicine which takes formal disciplinary action
43 against a member relating to professional ethics, professional
44 incompetence, professional malpractice, moral turpitude or
45 drug or alcohol abuse, shall report in writing to the board within
46 sixty days of a final decision the name of such member,
47 together with all pertinent information relating to such action.

48 Every person, partnership, corporation, association,
49 insurance company, professional society or other organization
50 providing professional liability insurance to an osteopathic
51 physician in this state shall submit to the board the following
52 information within thirty days from any judgment, dismissal or
53 settlement of a civil action or of any claim involving the
54 insured: The date of any judgment, dismissal or settlement;
55 whether any appeal has been taken on the judgment, and, if so,
56 by which party; the amount of any settlement or judgment
57 against the insured; and such other information required by the
58 board.

59 Within thirty days after a person known to be an osteo-
60 pathic physician licensed or otherwise lawfully practicing
61 medicine and surgery in this state or applying to be licensed is
62 convicted of a felony under the laws of this state, or of any
63 crime under the laws of this state involving alcohol or drugs in
64 any way, including any controlled substance under state or
65 federal law, the clerk of the court of record in which the
66 conviction was entered shall forward to the board a certified
67 true and correct abstract of record of the convicting court. The
68 abstract shall include the name and address of such osteopathic
69 physician or applicant, the nature of the offense committed and
70 the final judgment and sentence of the court.

71 Upon a determination of the board that there is probable
72 cause to believe that any person, partnership, corporation,
73 association, insurance company, professional society or other
74 organization has failed or refused to make a report required by
75 this subsection, the board shall provide written notice to the
76 alleged violator stating the nature of the alleged violation and
77 the time and place at which the alleged violator shall appear to
78 show good cause why a civil penalty should not be imposed.
79 The hearing shall be conducted in accordance with the provi-
80 sions of article five, chapter twenty-nine-a of this code. After
81 reviewing the record of such hearing, if the board determines

82 that a violation of this subsection has occurred, the board shall
83 assess a civil penalty of not less than one thousand dollars nor
84 more than ten thousand dollars against such violator. The board
85 shall notify anyone assessed of the assessment in writing and
86 the notice shall specify the reasons for the assessment. If the
87 violator fails to pay the amount of the assessment to the board
88 within thirty days, the attorney general may institute a civil
89 action in the circuit court of Kanawha County to recover the
90 amount of the assessment. In any such civil action, the court's
91 review of the board's action shall be conducted in accordance
92 with the provisions of section four, article five, chapter twenty-
93 nine-a of this code.

94 Any person may report to the board relevant facts about the
95 conduct of any osteopathic physician in this state which in the
96 opinion of such person amounts to professional malpractice or
97 professional incompetence.

98 The board shall provide forms for filing reports pursuant to
99 this section. Reports submitted in other forms shall be accepted
100 by the board.

101 The filing of a report with the board pursuant to any
102 provision of this article, any investigation by the board or any
103 disposition of a case by the board does not preclude any action
104 by a hospital, other health care facility or professional society
105 comprised primarily of osteopathic physicians or physicians
106 and surgeons of other schools of medicine to suspend, restrict
107 or revoke the privileges or membership of such osteopathic
108 physician.

109 (c) In every case considered by the board under this article
110 regarding suspension, revocation or issuance of a license
111 whether initiated by the board or upon complaint or information
112 from any person or organization, the board shall make a
113 preliminary determination as to whether probable cause exists

114 to substantiate charges of cause to suspend, revoke or refuse to
115 issue a license as set forth in subsection (a), section eleven of
116 this article. If such probable cause is found to exist, all proceed-
117 ings on such charges shall be open to the public who are
118 entitled to all reports, records, and nondeliberative materials
119 introduced at such hearing, including the record of the final
120 action taken: *Provided*, That any medical records, which were
121 introduced at such hearing and which pertain to a person who
122 has not expressly waived his right to the confidentiality of such
123 records, shall not be open to the public nor is the public entitled
124 to such records. If a finding is made that probable cause does
125 not exist, the public has a right of access to the complaint or
126 other document setting forth the charges, the findings of fact
127 and conclusions supporting such finding that probable cause
128 does not exist, if the subject osteopathic physician consents to
129 such access.

130 (d) If the board receives notice that an osteopathic physi-
131 cian has been subjected to disciplinary action or has had his or
132 her credentials suspended or revoked by the board, a medical
133 peer review committee, a hospital or professional society, as
134 defined in subsection (b) of this section, for three or more
135 incidents in a five-year period, the board shall require the
136 osteopathic physician to practice under the direction of another
137 osteopathic physician for a specified period to be established by
138 the board.

CHAPTER 33. INSURANCE.

ARTICLE 2. INSURANCE COMMISSIONER.

§33-2-9a. Imposing a one-time assessment on all insurance carriers.

1 For the purpose of completely novating the physician
2 liability currently borne by the state under the West Virginia
3 health care provider professional liability insurance availability

4 act found in article twelve-b, chapter twenty-nine of this code,
5 and to help capitalize the physicians' mutual insurance com-
6 pany created pursuant to article twenty-f of this chapter, and for
7 all the reasons set forth in section two of said article, the
8 insurance commissioner shall impose a special one-time
9 assessment of two thousand five hundred dollars on all insurers
10 licensed under this chapter for the privilege of writing insurance
11 in the state of West Virginia, except risk retention groups
12 defined in subsection (f), section four, article thirty-two of this
13 chapter and risk purchasing groups defined in subsection (e),
14 section seventeen of said article. The assessment is due and
15 payable on the first day of July, two thousand three. The
16 commissioner shall transfer funds collected pursuant to this
17 section to the physicians' mutual insurance company.

ARTICLE 3. LICENSING, FEES AND TAXATION OF INSURERS.

**§33-3-14. Annual financial statement and premium tax return;
remittance by insurer of premium tax, less certain
deductions; special revenue fund created.**

1 (a) Every insurer transacting insurance in West Virginia
2 shall file with the commissioner, on or before the first day of
3 March, each year, a financial statement made under oath of its
4 president or secretary and on a form prescribed by the commis-
5 sioner. The insurer shall also, on or before the first day of
6 March of each year subject to the provisions of section four-
7 teen-c of this article, under the oath of its president or secretary,
8 make a premium tax return for the previous calendar year, on
9 a form prescribed by the commissioner showing the gross
10 amount of direct premiums, whether designated as a premium
11 or by some other name, collected and received by it during the
12 previous calendar year on policies covering risks resident,
13 located or to be performed in this state and compute the amount
14 of premium tax chargeable to it in accordance with the provi-
15 sions of this article, deducting the amount of quarterly pay-
16 ments as required to be made pursuant to the provisions of

17 section fourteen-c of this article, if any, less any adjustments to
18 the gross amount of the direct premiums made during the
19 calendar year, if any, and transmit with the return to the
20 commissioner a remittance in full for the tax due. The tax is the
21 sum equal to two percent of the taxable premium, and also
22 includes any additional tax due under section fourteen-a of this
23 article. All taxes received by the commissioner shall be paid
24 into the insurance tax fund created in subsection (b) of this
25 section: *Provided*, That the portion of taxes received by the
26 commissioner from insurance policies for medical liability
27 insurance as defined in section three, article twenty-f of this
28 chapter and from any insurer on its medical malpractice line,
29 shall be temporarily dedicated to replenishing moneys appropri-
30 ated from the tobacco settlement account pursuant to subsection
31 (c), section two, article eleven-a, chapter four of this code.
32 Upon determination by the commissioner that these moneys
33 have been fully replenished to the tobacco settlement account,
34 the commissioner shall resume depositing taxes received from
35 medical malpractice premiums as provided in subsection (b) of
36 this section.

37 (b) There is created in the state treasury a special revenue
38 fund, administered by the treasurer, designated the "insurance
39 tax fund." This fund is not part of the general revenue fund of
40 the state. It consists of all amounts deposited in the fund
41 pursuant to subsection (a) of this section, sections fifteen and
42 seventeen of this article, any appropriations to the fund, all
43 interest earned from investment of the fund and any gifts, grants
44 or contributions received by the fund.

45 (c) The treasurer shall dedicate and transfer from the
46 insurance tax fund to the regional jail and correctional facility
47 investment fund created under the provisions of section
48 twenty-one, article six, chapter twelve of this code, on or before
49 the tenth day of each month, an amount equal to one twelfth of
50 the projected annual investment earnings to be paid and the

51 capital invested to be returned, as certified to the treasurer by
52 the investment management board: *Provided*, That the amount
53 dedicated and transferred may not exceed twenty million dollars
54 in any fiscal year. In the event there are insufficient funds
55 available in any month to transfer the amount required pursuant
56 to this subsection to the regional jail and correctional facility
57 investment fund, the deficiency shall be added to the amount
58 transferred in the next succeeding month in which revenues are
59 available to transfer the deficiency. Each month a lien on the
60 revenues generated from the insurance premium tax, the
61 annuity tax and the minimum tax, provided in this section and
62 sections fifteen and seventeen of this article, up to a maximum
63 amount equal to one twelfth of the projected annual principal
64 and return is granted to the investment management board to
65 secure the investment made with the regional jail and correc-
66 tional facility authority pursuant to section twenty, article six,
67 chapter twelve of this code. The treasurer shall, no later than the
68 last business day of each month, transfer amounts the treasurer
69 determines are not necessary for making refunds under this
70 article to meet the requirements of subsection (d), section
71 twenty-one, article six, chapter twelve of this code, to the credit
72 of the general revenue fund. Commencing on the first day of the
73 month following the month in which the investment created
74 under the provisions of section twenty-one, article six, chapter
75 twelve of this code, is returned to the investment management
76 board, the treasurer shall transfer all amounts deposited in the
77 insurance tax fund as appropriated by the Legislature.

§ 33-3-14a. Additional premium tax.

1 For the purpose of providing additional revenue for the
2 state general revenue fund, there is hereby levied and imposed,
3 in addition to the taxes imposed by section fourteen of this
4 article, an additional premium tax equal to one percent of
5 taxable premiums. Except as otherwise provided in this section,
6 all provisions of this article relating to the levy, imposition and

7 collection of the regular premium tax shall be applicable to the
8 levy, imposition and collection of the additional tax. All
9 moneys received from the additional tax imposed by this
10 section, less deductions allowed by this article for refunds and
11 for costs of administration, shall be received by the commis-
12 sioner and shall be paid by him or her into the state treasury for
13 the benefit of the state fund: *Provided*, That the portion of taxes
14 received by the commissioner from insurance policies for
15 medical liability insurance as defined in section three, article
16 twenty-f of this chapter and from any insurer on its medical
17 malpractice line, shall be temporarily dedicated to replenishing
18 moneys appropriated from the tobacco settlement account
19 pursuant to subsection (c), section two, article eleven-a of
20 chapter four of this code. Upon determination by the commis-
21 sioner that these moneys have been fully replenished to the
22 tobacco settlement account, the commissioner shall resume
23 depositing taxes received from medical malpractice premiums
24 as provided herein.

**§33-3-14d. Additional fire and casualty insurance premium tax;
allocation of proceeds; effective date.**

1 (a) For the purpose of providing additional revenue for
2 municipal policemen's and firemen's pension and relief funds
3 and the teachers retirement system reserve fund and for
4 volunteer and part volunteer fire companies and departments,
5 there is hereby levied and imposed an additional premium tax
6 equal to one percent of taxable premiums for fire insurance and
7 casualty insurance policies. For purposes of this section,
8 casualty insurance does not include insurance on the life of a
9 debtor pursuant to or in connection with a specific loan or other
10 credit transaction or insurance on a debtor to provide indemnity
11 for payments becoming due on a specific loan or other credit
12 transaction while the debtor is disabled as defined in the policy.

13 All moneys collected from this additional tax shall be
14 received by the commissioner and paid by him or her into a
15 special account in the state treasury, designated the municipal
16 pensions and protection fund. The net proceeds of this tax after
17 appropriation thereof by the Legislature is distributed in
18 accordance with the provisions of this section :*Provided*, That
19 the portion of taxes received by the commissioner from
20 insurance policies for medical liability insurance as defined in
21 section three, article twenty-f of this chapter and from any
22 insurer on its medical malpractice line, shall be temporarily
23 dedicated to replenishing moneys appropriated from the
24 tobacco settlement account pursuant to subsection (c), section
25 two, article eleven-a of chapter four of this code. Upon determi-
26 nation by the commissioner that these moneys have been fully
27 replenished to the tobacco settlement account, the commis-
28 sioner shall resume depositing taxes received from medical
29 malpractice premiums as provided herein.

30 (b) (1) Before the first day of August of each calendar year,
31 the treasurer of each municipality in which a municipal
32 policemen's or firemen's pension and relief fund has been
33 established shall report to the state treasurer the average
34 monthly number of members who worked at least one hundred
35 hours per month and the average monthly number of retired
36 members of municipal policemen's or firemen's pension
37 systems during the preceding fiscal year.

38 (2) Before the first day of September of each calendar year,
39 the state treasurer shall allocate and authorize for distribution
40 the revenues in the municipal pensions and protection fund
41 which were collected during the preceding calendar year for the
42 purposes set forth in this section. Sixty-five percent of the
43 revenues are allocated to municipal policemen's and firemen's
44 pension and relief funds; twenty-five percent of the revenues
45 shall be allocated to volunteer and part volunteer fire companies
46 and departments; and ten percent of such allocated revenues are

47 allocated to the teachers retirement system reserve fund created
48 by section eighteen, article seven-a, chapter eighteen of this
49 code: *Provided*, That in any year the actuarial report required
50 by section twenty, article twenty-two, chapter eight of this code
51 indicates no actuarial deficiency in the municipal policemen's
52 or firemen's pension and relief fund, no revenues may be
53 allocated from the municipal pensions and protection fund to
54 that fund. The revenues from the municipal pensions and
55 protection fund shall then be allocated to all other pension funds
56 which have an actuarial deficiency.

57 (3) The moneys, and the interest earned thereon, in the
58 municipal pensions and protection fund allocated to volunteer
59 and part volunteer fire companies and departments shall be
60 allocated and distributed quarterly to the volunteer fire compa-
61 nies and departments. Before each distribution date, the state
62 fire marshal shall report to the state treasurer the names and
63 addresses of all volunteer and part volunteer fire companies and
64 departments within the state which meet the eligibility require-
65 ments established in section eight-a, article fifteen, chapter
66 eight of this code.

67 (c)(1) Each municipal pension and relief fund shall have
68 allocated and authorized for distribution a pro rata share of the
69 revenues allocated to municipal policemen's and firemen's
70 pension and relief funds based upon the corresponding munic-
71 ipality's average monthly number of members who worked at
72 least one hundred hours per month during the preceding fiscal
73 year. On and after the first day of July, one thousand nine
74 hundred ninety-seven, from the growth in any moneys collected
75 pursuant to the tax imposed by this section there shall be
76 allocated and authorized for distribution to each municipal
77 pension and relief fund, a pro rata share of the revenues
78 allocated to municipal policemen's and firemen's pension and
79 relief funds based upon the corresponding municipalities
80 average number of members who worked at least one hundred

81 hours per month and average monthly number of retired
82 members. For the purposes of this subsection, the growth in
83 moneys collected from the tax collected pursuant to this section
84 is determined by subtracting the amount of the tax collected
85 during the fiscal year ending the thirtieth day of June, one
86 thousand nine hundred ninety-six, from the tax collected during
87 the fiscal year for which the allocation is being made. All
88 moneys received by municipal pension and relief funds under
89 this section may be expended only for those purposes described
90 in sections sixteen through twenty-eight, inclusive, article
91 twenty-two, chapter eight of this code.

92 (2) Each volunteer fire company or department shall
93 receive an equal share of the revenues allocated for volunteer
94 and part volunteer fire companies and departments.

95 (3) In addition to the share allocated and distributed in
96 accordance with subdivision (1) of this subsection, each
97 municipal fire department composed of full-time paid members
98 and volunteers and part volunteer fire companies and depart-
99 ments shall receive a share equal to the share distributed to
100 volunteer fire companies under subdivision (2) of this subsec-
101 tion reduced by an amount equal to the share multiplied by the
102 ratio of the number of full-time paid fire department members
103 who are also members of a municipal firemen's pension system
104 to the total number of members of the fire department.

105 (d) The allocation and distribution of revenues provided for
106 in this section are subject to the provisions of section twenty,
107 article twenty-two, and sections eight-a and eight-b, article
108 fifteen, chapter eight of this code.

**§33-3-33. Surcharge on fire and casualty insurance policies to
benefit volunteer and part volunteer fire depart-
ments; special fund created; allocation of pro-
ceeds; effective date.**

1 (a) For the purpose of providing additional revenue for
2 volunteer fire departments, part-volunteer fire departments,
3 certain retired teachers and the teachers retirement reserve fund,
4 there is hereby authorized and imposed on and after the first
5 day of July, one thousand nine hundred ninety-two, on the
6 policyholder of any fire insurance policy or casualty insurance
7 policy issued by any insurer, authorized or unauthorized, or by
8 any risk retention group, a policy surcharge equal to one
9 percent of the taxable premium for each such policy. For
10 purposes of this section, casualty insurance may not include
11 insurance on the life of a debtor pursuant to or in connection
12 with a specific loan or other credit transaction or insurance on
13 a debtor to provide indemnity for payments becoming due on a
14 specific loan or other credit transaction while the debtor is
15 disabled as defined in the policy. The policy surcharge may not
16 be subject to premium taxes, agent commissions or any other
17 assessment against premiums.

18 (b) The policy surcharge shall be collected and remitted to
19 the commissioner by the insurer or in the case of excess lines
20 coverage, by the resident excess lines broker, or if the policy is
21 issued by a risk retention group, by the risk retention group.
22 The amount required to be collected under this section shall be
23 remitted to the commissioner on a quarterly basis on or before
24 the twenty-fifth day of the month succeeding the end of the
25 quarter in which they are collected, except for the fourth quarter
26 for which the surcharge shall be remitted on or before the first
27 day of March of the succeeding year.

28 (c) Any person failing or refusing to collect and remit to the
29 commissioner any policy surcharge and whose surcharge
30 payments are not postmarked by the due dates for quarterly
31 filing is liable for a civil penalty of up to one hundred dollars
32 for each day of delinquency, to be assessed by the commis-
33 sioner. The commissioner may suspend the insurer, broker or

34 risk retention group until all surcharge payments and penalties
35 are remitted in full to the commissioner.

36 (d) One half of all money from the policy surcharge shall
37 be collected by the commissioner who shall disburse the money
38 received from the surcharge into a special account in the state
39 treasury, designated the "fire protection fund." The net proceeds
40 of this portion of the tax, and the interest thereon after appropri-
41 ation by the Legislature shall be distributed quarterly on the
42 first day of the months of January, April, July and October to
43 each volunteer fire company or department on an equal share
44 basis by the state treasurer.

45 (1) Before each distribution date, the state fire marshal shall
46 report to the state treasurer the names and addresses of all
47 volunteer and part volunteer fire companies and departments
48 within the state which meet the eligibility requirements
49 established in section eight-a, article fifteen, chapter eight of
50 this code.

51 (2) The remaining fifty percent of the moneys collected
52 shall be transferred to the teachers retirement system to be
53 disbursed according to the provisions of sections twenty-six-j,
54 twenty-six-k and twenty-six-l, article seven-a, chapter eighteen
55 of this code. Any balance remaining after the disbursements
56 authorized by this subdivision have been paid shall be paid by
57 the teachers retirement system into the teachers retirement
58 system reserve fund :*Provided*, That the portion of taxes or
59 surcharges received by the commissioner from insurance
60 policies for medical liability insurance as defined in section
61 three, article twenty-f of this chapter and from any insurer on its
62 medical malpractice line, shall be temporarily dedicated to
63 replenishing moneys appropriated from the tobacco settlement
64 account pursuant to subsection (c), section two, article eleven-a
65 of chapter four of this code. Upon determination by the
66 commissioner that these moneys have been fully replenished to

67 the tobacco settlement account, the commissioner shall resume
68 depositing taxes and surcharges received from medical mal-
69 practice premiums as provided herein.

70 (e) The allocation, distribution and use of revenues pro-
71 vided in the fire protection fund are subject to the provisions of
72 sections eight-a and eight-b, article fifteen, chapter eight of this
73 code.

ARTICLE 4. GENERAL PROVISIONS.

**§33-4-15a. Credit for reinsurance; definitions; requirements;
trust accounts; reductions from liability; security;
effective date.**

1 (a) For purposes of this section, an “accredited reinsurer”
2 is one which:

3 (1) Has filed an application for accreditation and received
4 a letter of accreditation from the commissioner;

5 (2) Is licensed to transact insurance or reinsurance in at
6 least one of the fifty states of the United States or the District
7 of Columbia or, in the case of a United States branch of an alien
8 assuming insurer, is entered through and licensed to transact
9 insurance or reinsurance in at least one of the fifty states of the
10 United States or the District of Columbia;

11 (3) Has filed with the application a certified statement that
12 the company submits to this state’s jurisdiction and that the
13 company will comply with the laws and rules of the state of
14 West Virginia;

15 (4) Has filed with the application a certified statement that
16 the company submits to the examination authority granted the
17 commissioner by section nine, article two of this chapter and
18 will pay all examination costs and fees as required by that

19 section, and the one-time assessment on insurers imposed under
20 section nine-a, article two of this chapter;

21 (5) Has filed with the application a copy of its most recent
22 annual statement in a form consistent with the requirements of
23 subdivision (8) of this subsection and a copy of its last audited
24 financial statement;

25 (6) Has filed any other information the commissioner
26 requests to determine that the company qualifies for accredita-
27 tion under this section;

28 (7) Has remitted the applicable processing fee with its
29 application for accreditation;

30 (8) Files with the commissioner after initial accreditation on
31 or before the first day of March of each year a true statement of
32 its financial condition, transactions and affairs as of the
33 preceding thirty-first day of December. The statement shall be
34 on the appropriate national association of insurance commis-
35 sioners annual statement blank; shall be prepared in accordance
36 with the national association of insurance commissioners
37 annual statement instructions; and shall follow the accounting
38 practices and procedures prescribed by the national association
39 of insurance commissioners accounting practices and proce-
40 dures manual as amended. The statement shall be accompanied
41 by the applicable annual statement filing fee. The commissioner
42 may grant extensions of time for filing of this annual statement
43 upon application by the accredited reinsurer; and

44 (9) Files with the commissioner after initial accreditation by
45 the first day of June of each year a copy of its audited financial
46 statement for the period ending the preceding thirty-first day of
47 December.

48 (b) If the commissioner determines that the assuming
49 insurer has failed to continue to meet any of these qualifica-

50 tions, he or she may upon written notice and hearing, as
51 prescribed by section thirteen, article two of this chapter,
52 revoke an assuming insurer's accreditation. Credit shall not be
53 allowed to a ceding insurer if the assuming insurer's accredita-
54 tion has been revoked by the commissioner after notice and
55 hearing.

56 (c) Credit for reinsurance shall be allowed a domestic
57 ceding insurer or any foreign or alien insurer transacting
58 insurance in West Virginia that is domiciled in a jurisdiction
59 that employs standards regarding credit for reinsurance that are
60 not substantially similar to those applicable under this article as
61 either an asset or a deduction from liability on account of
62 reinsurance ceded only when the reinsurer meets one of the
63 following requirements:

64 (1) Credit shall be allowed when the reinsurance is ceded
65 to an assuming insurer which is licensed to transact insurance
66 or reinsurance in this state.

67 (2) Credit shall be allowed when the reinsurance is ceded
68 to an assuming insurer which is accredited as a reinsurer in this
69 state prior to the effective date of the reinsurance contract.

70 (3) Credit shall be allowed when the reinsurance is ceded
71 to an assuming insurer which is domiciled and licensed in, or in
72 the case of a United States branch of an alien assuming insurer,
73 is entered through one of the fifty states of the United States or
74 the District of Columbia and which employs standards regard-
75 ing credit for reinsurance substantially similar to those applica-
76 ble under this statute, and the ceding insurer provides evidence
77 suitable to the commissioner that the assuming insurer:

78 (A) Maintains a surplus as regards policyholders in an
79 amount not less than twenty million dollars: *Provided*, That the
80 requirements of this paragraph do not apply to reinsurance

81 ceded and assumed pursuant to pooling arrangements among
82 insurers in the same holding company system;

83 (B) The ceding insurer provides the commissioner with a
84 certified statement from the assuming insurer that the assuming
85 insurer submits to the authority of this state to examine its
86 books and records granted the commissioner by section nine,
87 article two of this chapter and will pay all examination costs
88 and fees as required by that section; and

89 (C) The reinsurer complies with the provisions of subdivi-
90 sion (6), subsection (c) herein.

91 (4) Credit shall be allowed when the reinsurance is ceded
92 to an assuming insurer which maintains a trust fund as required
93 by subsection (d) herein in a qualified United States financial
94 institution, as defined by this section, for the payment of the
95 valid claims of its United States policyholders and ceding
96 insurers, their assigns and successors in interest, and complies
97 with the provisions of subdivision (6) herein.

98 (5) Credit shall be allowed when the reinsurance is ceded
99 to an assuming insurer not meeting the requirements of subdivi-
100 sions (1) through (4), inclusive, subsection (c) of this section,
101 but only with respect to the insurance of risks located in
102 jurisdictions where such reinsurance is required by applicable
103 law or regulation of that jurisdiction.

104 (6) If the assuming insurer is not licensed or accredited to
105 transact insurance or reinsurance in this state, the credit
106 permitted by subdivisions (3) and (4) of this subsection shall
107 not be allowed unless the assuming insurer agrees in the
108 reinsurance agreements:

109 (A) That in the event of the failure of the assuming insurer
110 to perform its obligations under the terms of the reinsurance
111 agreement, the assuming insurer, at the request of the ceding

112 insurer, shall submit to the jurisdiction of any court of compe-
113 tent jurisdiction in any state of the United States, shall comply
114 with all requirements necessary to give such court jurisdiction
115 and shall abide by the final decision of such court or of any
116 appellate court in the event of an appeal; and

117 (B) To designate the secretary of state as its true and lawful
118 attorney upon whom may be served any lawful process in any
119 action, suit or proceeding instituted by or on behalf of the
120 ceding company. Process shall be served upon the secretary of
121 state, or accepted by him or her, in the same manner as pro-
122 vided for service of process upon unlicensed insurers under
123 section thirteen of this article: *Provided*, That this provision is
124 not intended to conflict with or override the obligation of the
125 parties to a reinsurance agreement to arbitrate their disputes, if
126 such an obligation is created in the agreement.

127 (d) Whenever an assuming insurer establishes a trust fund
128 for the payment of claims pursuant to the provisions of this
129 section, the following requirements shall apply:

130 (1) The assuming insurer shall report annually to the
131 commissioner information substantially the same as that
132 required to be reported on the national association of insurance
133 commissioners annual statement form by licensed insurers to
134 enable the commissioner to determine the sufficiency of the
135 trust fund. In the case of a single assuming insurer, the trust
136 shall consist of a trustee account representing the assuming
137 insurer's liabilities attributable to business written in the United
138 States and, in addition, the assuming insurer shall maintain a
139 trustee surplus of not less than twenty million dollars. In the
140 case of a group, including incorporated and individual unincor-
141 porated underwriters, the trust shall consist of a trustee
142 account representing the group's liabilities attributable to
143 business written in the United States and, in addition, the group
144 shall maintain a trustee surplus of which one hundred million

145 dollars shall be held jointly for the benefit of United States
146 ceding insurers of any member of the group. The incorporated
147 members of the group shall not be engaged in any business
148 other than underwriting as a member of the group and shall be
149 subject to the same level of solvency regulation and control by
150 the group's domiciliary regulator as are the unincorporated
151 members. The group shall make available to the commissioner
152 an annual certification of the solvency of each underwriter by
153 the group's domiciliary regulator and its independent public
154 accountants.

155 (2) In the case of a group of incorporated insurers under
156 common administration which complies with the filing require-
157 ments contained in the previous paragraph; which has continu-
158 ously transacted an insurance business outside the United States
159 for at least three years immediately prior to making application
160 for accreditation; which submits to this state's authority to
161 examine its books and records and bears the expense of the
162 examination; and which has aggregate policyholders' surplus of
163 ten billion dollars, the trust shall be in an amount equal to the
164 group's several liabilities attributable to business ceded by
165 United States ceding insurers to any member of the group
166 pursuant to reinsurance contracts issued in the name of the
167 group. The group shall also maintain a joint trusteed surplus of
168 which one hundred million dollars shall be held jointly for the
169 benefit of United States ceding insurers of any member of the
170 group as additional security for any such liabilities. Each
171 member of the group shall make available to the commissioner
172 an annual certification of the member's solvency by the
173 member's domiciliary regulator and its independent public
174 accountants.

175 (3) Any trust that is subject to the provisions of this section
176 shall be established in a form approved by the commissioner.
177 The trust instrument shall provide that contested claims shall be
178 valid and enforceable upon the final order of any court of

179 competent jurisdiction in the United States. The trust shall vest
180 legal title to its assets in the trustees of the trust for its United
181 States policyholders and ceding insurers, their assigns and
182 successors in interest. The trust and the assuming insurer shall
183 be subject to examination as determined by the commissioner.
184 The trust described herein shall remain in effect for as long as
185 the assuming insurer shall have outstanding obligations due
186 under the reinsurance agreements subject to the trust.

187 (4) No later than the twenty-eighth day of February of each
188 year the trustees of the trust shall report to the commissioner in
189 writing setting forth the balance of the trust and listing the
190 trust's investments at the preceding year's end. The trustees
191 shall certify the date of termination of the trust, if so planned,
192 or certify that the trust shall not expire prior to the next follow-
193 ing December thirty-first.

194 (e) A reduction from liability for the reinsurance ceded by
195 a ceding insurer subject to the requirements of this article to an
196 assuming insurer not meeting the requirements of subsection (c)
197 of this section shall be allowed in an amount not exceeding the
198 liabilities carried by the ceding insurer. The reduction shall be
199 in the amount of funds held by or on behalf of the ceding
200 insurer, including funds held in trust for the ceding insurer,
201 under a reinsurance contract with the assuming insurer as
202 security for the payment of obligations thereunder: *Provided,*
203 That the security is held in the United States subject to with-
204 drawal solely by, and under the exclusive control of, the ceding
205 insurer; or, in the case of a trust, held in a qualified United
206 States financial institution, as defined by this section. The
207 security may be in the form of:

208 (1) Cash;

209 (2) Securities listed by the securities valuation office of the
210 national association of insurance commissioners and qualifying
211 as admitted assets; or

212 (3) Clean, irrevocable, unconditional letters of credit, issued
213 or confirmed by a qualified United States financial institution,
214 as defined by this section, no later than the thirty-first day of
215 December of the year for which filing is being made, and in the
216 possession of the ceding company on or before the filing date
217 of its annual statement: *Provided*, That letters of credit meeting
218 applicable standards of issuer acceptability as of the dates of
219 their issuance or confirmation shall, notwithstanding the issuing
220 or confirming institution's subsequent failure to meet applicable
221 standards of issuer acceptability, continue to be acceptable as
222 security until their expiration, extension, renewal, modification
223 or amendment, whichever first occurs.

224 (f) For purposes of this section, a "qualified United States
225 financial institution" means an institution that:

226 (1) Is organized or licensed under the laws of the United
227 States or any state thereof;

228 (2) Is regulated, supervised and examined by United States
229 federal or state authorities having regulatory authority over
230 banks and trust companies; and

231 (3) Has been determined by either the commissioner, or the
232 securities valuation office of the national association of
233 insurance commissioners, to meet the standards of financial
234 condition and standing as are considered necessary and appro-
235 priate to regulate the quality of financial institutions whose
236 letters of credit will be acceptable to the commissioner.

237 (g) A "qualified United States financial institution" means,
238 for purposes of those provisions of this law specifying those

239 institutions that are eligible to act as a fiduciary of a trust, an
240 institution that:

241 (1) Is organized or, in the case of a United States branch or
242 agency office of a foreign banking organization, licensed under
243 the laws of the United States or any state thereof and has been
244 granted authority to operate with fiduciary powers; and

245 (2) Is regulated, supervised and examined by federal or
246 state authorities having regulatory authority over banks and
247 trust companies.

248 (h) The provisions of this section shall apply to all cessions
249 on or after the first day of January, one thousand nine hundred
250 ninety-three.

ARTICLE 20B. RATES AND MALPRACTICE INSURANCE POLICIES.

§33-20B-2. Ratemaking.

1 Any and all modifications of rates shall be made in accor-
2 dance with the following provisions:

3 (a) Due consideration shall be given to the past and
4 prospective loss experience within and outside this state.

5 (b) Due consideration shall be given to catastrophe hazards,
6 if any, to a reasonable margin for underwriting profit and
7 contingencies, to dividends, savings or unabsorbed premium
8 deposits allowed or returned by insurers to their policyholders,
9 members or subscribers and actual past expenses and demon-
10 strable prospective or projected expenses applicable to this
11 state.

12 (c) Rates shall not be excessive, inadequate, predatory or
13 unfairly discriminatory.

14 (d) Risks may not be grouped by territorial areas for the
15 establishment of rates and minimum premiums.

16 (e) An insurer may use guide “A” rates and other
17 nonapproved rates, also known as “consent to rates”: *Provided*,
18 That the insurer shall, prior to entering into an agreement with
19 an individual provider or any health care entity, submit guide
20 “A” rates and other nonapproved rates to the commissioner for
21 review and approval: *Provided, however*, That the commis-
22 sioner shall propose legislative rules for promulgation in
23 accordance with the provisions of article three, chapter twenty-
24 nine-a of this code, which set forth the standards and procedure
25 for reviewing and approving guide “A” rates and other
26 nonapproved rates. No insurer may require execution of a
27 consent to rate endorsement for the purpose of offering to issue
28 or issuing a contract or coverage to an insured or continuing an
29 existing contract or coverage at a rate in excess of that provided
30 by a filing otherwise applicable.

31 (f) Except to the extent necessary to meet the provisions of
32 subdivision (c) of this section, uniformity among insurers, in
33 any matters within the scope of this section, is neither required
34 nor prohibited.

35 (g) Rates made in accordance with this section may be used
36 subject to the provisions of this article.

§33-20B-3. Rate filings.

1 (a) On or before the first day of July, two thousand four and
2 on the first day of July each year thereafter, or at such other
3 time specified by the commissioner, every insurer offering
4 malpractice insurance in this state shall make a rate filing, in
5 accordance with the provisions of section four, article twenty of
6 this chapter, regardless of whether any increase or decrease is
7 indicated, pursuant to subsection (a), section four, article twenty

8 of this chapter. The information furnished in support of a filing
9 shall include: (i) The experience or judgment of the insurer or
10 rating organization making the filing; (ii) its interpretation of
11 any statistical data the filing relies upon; (iii) the experience of
12 other insurers or rating organizations; (iv) the character and
13 extent of the coverage contemplated; (v) the proposed effective
14 date of any requested change and (vi) any other relevant factors
15 required by the commissioner. When a filing is not accompa-
16 nied by the information required by this section upon which the
17 insurer supports the filing, the commissioner shall require the
18 insurer to furnish the information and, in that event, the waiting
19 period prescribed by subsection (b) of this section shall
20 commence as of the date the information is furnished.

21 A filing and any supporting information shall be open to
22 public inspection as soon as the filing is received by the
23 commissioner. Any interested party may file a brief with the
24 commissioner supporting his or her position concerning the
25 filing. Any person or organization may file with the commis-
26 sioner a signed statement declaring and supporting his or her or
27 its position concerning the filing. Upon receipt of any such
28 statement prior to the effective date of the filing, the commis-
29 sioner shall mail or deliver a copy of the statement to the filer,
30 which may file a reply. This section is not applicable to any
31 memorandum or statement of any kind by any employee of the
32 commissioner.

33 (b) Every filing shall be on file for a waiting period of
34 ninety days before it becomes effective. The commissioner may
35 extend the waiting period for an additional period not to exceed
36 thirty days if he or she gives written notice within the waiting
37 period to the insurer or rating organization which made the
38 filing that he or she needs the additional time for the consider-
39 ation of the filing. Upon written application by the insurer or
40 rating organization, the commissioner may authorize a filing
41 which he or she has reviewed to become effective before the

42 expiration of the waiting period or any extension of the waiting
43 period. A filing shall be deemed to meet the requirements of
44 this article unless disapproved by the commissioner within the
45 waiting period or any extension thereof.

46 (c) No insurer shall make or issue a contract or policy of
47 malpractice insurance except in accordance with the filings
48 which are in effect for the insurer as provided in this article.

§33-20B-3a. Rate prohibitions.

1 Reduced rates charged for certain specialties or risks found
2 by the commissioner to be predatory, designed to gain market
3 share or otherwise inadequate are prohibited.

ARTICLE 20F. PHYSICIANS' MUTUAL INSURANCE COMPANY.

§33-20F-1a. Scope of article.

1 This article applies only to the physicians' mutual insurance
2 company created as a novation of the medical professional
3 liability insurance programs created in article twelve-b, chapter
4 twenty-nine of this code.

§33-20F-2. Findings and purpose.

1 (a) The Legislature finds that:

2 (1) There is a nationwide crisis in the field of medical
3 liability insurance;

4 (2) Similar crises have occurred at least three times during
5 the past three decades;

6 (3) Such crises are part of a naturally recurring cycle of a
7 hard market period, when medical professional liability
8 coverage is difficult to obtain, and a soft market period, when
9 coverage is more readily available;

10 (4) Such crises are particularly acute in this state due to the
11 small size of the insurance market;

12 (5) During a hard market period, insurers tend to flee this
13 state, creating a crisis for physicians who are left without
14 professional liability coverage;

15 (6) During the current crisis, physicians in West Virginia
16 find it increasingly difficult, if not impossible, to obtain
17 medical liability insurance either because coverage is unavail-
18 able or unaffordable;

19 (7) The difficulty or impossibility of obtaining medical
20 liability insurance may result in many qualified physicians
21 leaving the state;

22 (8) Access to quality health care is of utmost importance to
23 the citizens of West Virginia;

24 (9) A mechanism is needed to provide an enduring solution
25 to this recurring medical liability crisis;

26 (10) A physicians' mutual insurance company or a similar
27 entity has proven to be a successful mechanism in other states
28 for helping physicians secure insurance and for stabilizing the
29 insurance market;

30 (11) There is a substantial public interest in creating a
31 method to provide a stable medical liability market in this state;

32 (12) The state has attempted to temporarily alleviate the
33 current medical crisis by the creation of programs to provide
34 medical liability coverage through the board of risk and
35 insurance management;

36 (13) The state-run program is a substantial actual and
37 potential liability to the state;

38 (14) There is substantial public benefit in transferring the
39 actual and potential liability of the state to the private sector and
40 creating a stable self-sufficient entity which will be a source of
41 liability insurance coverage for physicians in this state;

42 (15) A stable, financially viable insurer in the private sector
43 will provide a continuing source of insurance funds to compen-
44 sate victims of medical malpractice; and

45 (16) Because the public will greatly benefit from the
46 formation of a physicians' mutual insurance company, state
47 efforts to encourage and support the formation of such an
48 entity, including providing a low-interest loan for a portion of
49 the entity's initial capital, is in the clear public interest.

50 (b) The purpose of this article is to create a mechanism for
51 the formation of a physicians' mutual insurance company that
52 will provide:

53 (1) A means for physicians to obtain medical liability
54 insurance that is available and affordable; and

55 (2) Compensation to persons who suffer injuries as a result
56 of medical professional liability as defined in subsection (d),
57 section two, article seven-b, chapter fifty-five of this code.

§33-20F-3. Definitions.

1 For purposes of this article, the term:

2 (a) "Board of medicine" means the West Virginia board of
3 medicine as provided in section five, article three, chapter thirty
4 of this code.

5 (b) "Board of osteopathy" means the West Virginia board
6 of osteopathy as provided in section three, article fourteen,
7 chapter thirty of this code.

8 (c) “Commissioner” means the insurance commissioner of
9 West Virginia as provided in section one, article two, chapter
10 thirty-three of this code.

11 (d) “Company” means the physicians’ mutual insurance
12 company created pursuant to the terms of this article.

13 (e) “Medical liability insurance” means, for the purposes of
14 this article: All policies previously issued by the board of risk
15 and insurance management pursuant to article twelve-b, chapter
16 twenty-nine of this code which are transferred by the board of
17 risk and insurance management to the company, pursuant to
18 subsection (b), section nine of this article and all policies of
19 insurance subsequently issued by the company to physicians,
20 physician corporations, physician-operated clinics and such
21 other individual health care providers as the commissioner may,
22 upon written application of the company, approve.

23 (f) “Physician” means an individual who is licensed by the
24 board of medicine or the board of osteopathy to practice
25 medicine or podiatry in West Virginia.

26 (g) “Transfer date” means the date on which the assets,
27 obligations and liabilities resulting from the board of risk and
28 insurance management’s issuance of medical liability policies
29 to physicians, physician corporations and physician-operated
30 clinics pursuant to article twelve-b, chapter twenty-nine of this
31 code are transferred to the company.

**§33-20F-4. Authorization for creation of company; requirements
and limitations.**

1 (a) Subject to the provisions of this article, a physicians’
2 mutual insurance company may be created as a domestic,
3 private, nonstock, nonprofit corporation. As an incentive for its
4 creation, the company may be eligible for funds from the
5 Legislature in accordance with the provisions of section seven

6 of this article. The company must remain for the duration of its
7 existence a domestic mutual insurance company owned by its
8 policyholders and may not be converted into a stock corpora-
9 tion, a for-profit corporation or any other entity not owned by
10 its policyholders. The company may not declare any dividend
11 to its policyholders; sell, assign or transfer substantial assets of
12 the company; or write coverage outside this state, except for
13 counties adjoining this state, until after any and all debts owed
14 by the company to the state have been fully paid.

15 (b) For the duration of its existence, the company is not and
16 may not be considered a department, unit, agency, or instru-
17 mentality of the state for any purpose. All debts, claims,
18 obligations, and liabilities of the company, whenever incurred,
19 shall be the debts, claims, obligations, and liabilities of the
20 company only and not of the state or of any department, unit,
21 agency, instrumentality, officer, or employee of the state.

22 (c) The moneys of the company are not and may not be
23 considered part of the general revenue fund of the state. The
24 debts, claims, obligations, and liabilities of the company are not
25 and may not be considered a debt of the state or a pledge of the
26 credit of the state.

27 (d) The company is not subject to provisions of article nine-
28 a, chapter six of this code or the provisions of article one,
29 chapter twenty-nine-b of this code.

30 (e) (1) All premiums collected by the company are subject
31 to the premium taxes and surcharges contained in sections
32 fourteen, fourteen-a, fourteen-d and thirty three, article three of
33 this chapter: *Provided*, That while the loan to the company of
34 moneys from the West Virginia tobacco settlement medical
35 trust fund pursuant to section nine of this article remains
36 outstanding, the commissioner may waive the company's

37 premium taxes and surcharges if payment would render the
38 company insolvent or otherwise financially impaired.

39 (2) On and after the first day of July, two thousand and
40 three, any premium taxes and surcharges paid by the company
41 and by any insurer on its medical malpractice line pursuant to
42 sections fourteen, fourteen-a, fourteen-d and thirty-three, article
43 three of this chapter, shall be temporarily applied toward
44 replenishing the moneys appropriated from the West Virginia
45 tobacco settlement medical trust fund pursuant to subsection
46 (c), section two, article eleven-a, chapter four of this code
47 pending repayment of the loan of such moneys by the company.

48 (3) The state treasurer shall notify the commissioner when
49 the moneys appropriated from the West Virginia tobacco
50 settlement medical trust have been fully replenished, at which
51 time the commissioner shall resume depositing premium taxes
52 and surcharges diverted pursuant to subdivision (2) of this
53 subsection in accordance with the provisions of sections
54 fourteen, fourteen-a, fourteen-d and thirty-three, article three of
55 this chapter.

56 (4) Payments received by the treasurer from the company
57 in repayment of any outstanding loan made pursuant to section
58 nine of this article shall be deposited in the West Virginia
59 tobacco settlement medical trust fund and dedicated to replen-
60 ishing the moneys appropriated therefrom under subsection (c),
61 section two, article eleven-a, chapter four of this code. Once the
62 moneys appropriated from the West Virginia tobacco settlement
63 medical trust fund have been fully replenished, the treasurer
64 shall deposit any payments from the company in repayment of
65 any outstanding loan made pursuant to section nine of this
66 article in said fund and transfer a like amount from said fund to
67 the commissioner for disbursement in accordance with the
68 provisions of sections fourteen, fourteen-a, fourteen-d and
69 thirty-three, article three of this chapter.

§33-20F-5. Governance and organization.

1 (a)(1) The board of risk and insurance management shall
2 implement the initial formation and organization of the com-
3 pany as provided by this article.

4 (2) From the first day of July, two thousand three, until the
5 thirtieth day of June, two thousand three, the company shall be
6 governed by a provisional board of directors consisting of the
7 members of the board of risk and insurance management, the
8 dean of the West Virginia University School of Medicine or a
9 physician representative designated by him or her, and five
10 physician directors, elected by the policy holders whose
11 policies are to be transferred to the company pursuant to section
12 nine of this article.

13 (3) Only physicians who are licensed to practice medicine
14 in this state pursuant to article three or article fourteen, chapter
15 thirty of this code and who have purchased medical profes-
16 sional liability coverage from the board of risk and insurance
17 management are eligible to serve as physician directors on the
18 provisional board of directors. One of the physician directors
19 shall be selected from a list of three physicians nominated by
20 the West Virginia medical association. The board of risk and
21 insurance management shall develop procedures for the
22 nomination of the remaining physician directors and for the
23 conduct of the election, to be held no later than the first day of
24 June, two thousand three, of all of the physician directors,
25 including, but not limited to, giving notice of the election to the
26 policy holders. These procedures shall be exempt from the
27 provisions of article three, chapter twenty-nine of this code.

28 (b) From the first day of July, two thousand four, the
29 company shall be governed by a board of directors consisting
30 of eleven directors, as follows:

31 (1) Five directors who are physicians licensed to practice
32 medicine in this state by the board of medicine or the board of
33 osteopathy, including at least one general practitioner and one
34 specialist: *Provided*, That only physicians who have purchased
35 medical professional liability coverage from the board of risk
36 and insurance management are eligible to serve as physician
37 representatives on the company's first board of directors.

38 (2) Three directors who have substantial experience as an
39 officer or employee of a company in the insurance industry;

40 (3) Two directors with general knowledge and experience
41 in business management who are officers and employees of the
42 company and are responsible for the daily management of the
43 company; and

44 (4) One director who is a dean of a West Virginia school of
45 medicine or osteopathy or his or her designated physician
46 representative. This director's position shall rotate annually
47 among the dean of the West Virginia University School of
48 Medicine, the dean of the Marshall University Joan C. Edwards
49 School of Medicine and the dean of the West Virginia School
50 of Osteopathic Medicine. This director shall serve until such
51 time as the moneys loaned to the company from the West
52 Virginia tobacco settlement medical trust fund have been
53 replenished as provided in subsection (e), subsection four of
54 this article. After the moneys have been replenished the West
55 Virginia tobacco settlement medical trust fund, this director
56 shall be a physician licensed to practice medicine in this state
57 by the board of medicine or the board of osteopathy.

58 (c) In addition to the eleven directors required by subsec-
59 tion (b) of this section, the bylaws of the company may provide
60 for the addition of at least two directors who represent an entity
61 or institution which lends or otherwise provides funds to the
62 company.

63 (d) The directors and officers of the company are to be
64 chosen in accordance with the articles of incorporation and
65 bylaws of the company. The initial board of directors selected
66 in accordance with the provisions of subdivision (3), subsection
67 (a) of this section shall serve for the following terms: (1) Three
68 for four-year terms; (2) three for three-year terms; (3) three for
69 two-year terms; and (4) two for one-year terms. Thereafter, the
70 directors shall serve staggered terms of four years. If an
71 additional director is added to the board as provided in subsec-
72 tion (c) of this section, his or her initial term shall be for four
73 years. No director chosen pursuant to subsection (b) of this
74 section may serve more than two consecutive terms.

75 (e) The incorporators are to prepare and file articles of
76 incorporation and bylaws in accordance with the provisions of
77 this article and the provisions of chapters thirty-one and thirty-
78 three of this code.

§33-20F-6. Management and administration of the company.

1 (a) If it is determined that the services of a third-party
2 administrator or other firm or company are necessary to
3 properly administer the affairs of the company prior to the first
4 day of July, two thousand four, the provisional board of
5 directors shall avail itself of any existing contracts entered into
6 by the board of risk and insurance management to manage its
7 affairs. The terms of the company's participation in the contract
8 shall be established by the board of risk and insurance manage-
9 ment.

10 (b) The provisional board of directors may enter into a one-
11 year contract with a third-party administrator or other firm or
12 company with suitable qualifications and experience to admin-
13 ister some or all of the affairs of the company from the first day
14 of July, two thousand four, until the thirtieth day of June, two
15 thousand five, subject to the continuing direction of the board

16 of directors as required by the articles of incorporation and
17 bylaws of the company, and the contract. Any contract entered
18 into pursuant to this subsection must be awarded by competitive
19 bidding not later than the first day of November, two thousand
20 three.

21 (c) After the first day of July, two thousand four, if the
22 company's board of directors determines that the affairs of the
23 company may be administered suitably and efficiently, the
24 company may enter into a contract with a licensed insurer,
25 licensed health service plan, insurance service organization,
26 third-party administrator, insurance brokerage firm or other
27 firm or company with suitable qualifications and experience to
28 administer some or all of the affairs of the company, subject to
29 the continuing direction of the board of directors as required by
30 the articles of incorporation and bylaws of the company, and
31 the contract. All such contracts shall be awarded by competitive
32 bidding.

33 (d) The company shall file a true copy of the contract with
34 the commissioner as provided in section twenty-one, article five
35 of this chapter.

§33-20F-7. Initial capital and surplus; special assessment.

1 (a) There is hereby created in the state treasury a special
2 revenue account designated as the "Board of Risk and Insurance
3 Management Physicians' Mutual Insurance Company Account"
4 solely for the purpose of receiving moneys transferred from the
5 West Virginia Tobacco Medical Trust Fund pursuant to sub-
6 section (c), section two, article eleven-a, chapter four of this
7 code for the company's use as initial capital and surplus.

8 (b) On the first day of July, two thousand three, a special
9 one-time assessment, in the amount of one thousand dollars,
10 shall be imposed on every physician licensed by the board of

11 medicine or by the board of osteopathy for the privilege of
12 practicing medicine in this state: *Provided*, That the following
13 physicians shall be exempt from the assessment:

14 (1) A faculty physician who meets the criteria for full-time
15 faculty under subsection (f), section one, article eight, chapter
16 eighteen-b of this code, who is a full-time employee of a school
17 of medicine or osteopathic medicine in this state, and who does
18 not maintain a private practice;

19 (2) A resident physician who is a graduate of a medical
20 school or college of osteopathic medicine enrolled and who is
21 participating in an accredited full-time program of post-
22 graduate medical education in this state;

23 (3) A physician who has presented suitable proof that he or
24 she is on active duty in armed forces of the United States and
25 who will not be reimbursed by the armed forces for the assess-
26 ment;

27 (4) A physician who receives more than fifty percent of his
28 or her practice income from providing services to federally
29 qualified health center as that term is defined in 42 U.S.C.
30 §1396d(1)(2); and

31 (5) A physician who practices solely under a special
32 volunteer medical license authorized by section ten-a, article
33 three or section twelve-b, article fourteen, chapter thirty of this
34 code. The assessment is to be imposed and collected by the
35 board of medicine and the board of osteopathy on forms
36 prescribed by the each licensing board.

37 (c) The entire proceeds of the special assessment collected
38 pursuant to subsection (b) of this section shall be dedicated to
39 the company. The board of medicine and the board of osteopa-
40 thy shall promptly pay over to the company all amounts

41 collected pursuant to this section to be used as policyholder
42 surplus for the company.

43 (d) Any physician who applies to purchase insurance from
44 the company and who has not paid the assessment pursuant to
45 subsection (b) of this section shall pay one thousand dollars to
46 the company as a condition of obtaining insurance from the
47 company.

§33-20F-8. Application for license; authority of commissioner.

1 (a) As soon as practical, the company established pursuant
2 to the provisions of this article shall file its corporate charter
3 and bylaws with the commissioner and apply for a license to
4 transact insurance in this state. Notwithstanding any other
5 provision of this code, the commissioner shall act on the
6 documents within fifteen days of the filing by the company.

7 (b) In recognition of the medical liability insurance crisis in
8 this state at the time of enactment of this article and the critical
9 need to expedite the initial operation of the company, the
10 Legislature hereby authorizes the commissioner to review the
11 documentation submitted by the company and to determine the
12 initial capital and surplus requirements of the company,
13 notwithstanding the provisions of section five-b, article three of
14 this chapter. The commissioner has the sole discretion to
15 determine the capital and surplus funds of the company and to
16 monitor the economic viability of the company during its initial
17 operation and duration on not less than a monthly basis. The
18 company shall furnish the commissioner with all information
19 and cooperate in all respects necessary for the commissioner to
20 perform the duties set forth in this section and in other provi-
21 sions of this chapter, including annual audited financial
22 statements required by article thirty-three of this chapter and
23 fidelity bond coverage for each of the directors of the company.

24 (c) Subject to the provisions of subsection (d) of this
25 section, the commissioner may waive other requirements
26 imposed on mutual insurance companies by the provisions of
27 this chapter as the commissioner determines is necessary to
28 enable the company to begin insuring physicians in this state at
29 the earliest possible date.

30 (d) Within forty months of the date of the issuance of its
31 license to transact insurance, the company shall comply with
32 the capital and surplus requirements set forth in section five-b,
33 article three of this chapter.

**§33-20F-9. Kinds of coverage authorized; transfer of policies
from the state board of risk and insurance man-
agement; risk management practices authorized.**

1 (a) Upon approval by the commissioner for a license to
2 transact insurance in this state, the company may issue
3 nonassessable policies of malpractice insurance, as defined in
4 subdivision (9), subsection (e), section ten, article one of this
5 chapter, insuring a physician. Additionally, the company may
6 issue other types of casualty or liability insurance as may be
7 approved by the commissioner.

8 (b) On the transfer date:

9 (1) The company shall accept from the board of risk and
10 insurance management the transfer of any and all medical
11 liability insurance obligations and risks of existing or in force
12 contracts of insurance covering physicians, physician corpora-
13 tions and physician-operated clinics issued by the board
14 pursuant to article twelve-b, chapter twenty-nine of this code.
15 The transfer shall not include medical liability insurance
16 obligations and risks of existing or in-force contracts of
17 insurance covering hospitals and non-physician providers;

18 (2) The company shall assume all responsibility for and
19 defend, indemnify and hold harmless the board of risk and
20 insurance management and the state with respect to any and all
21 liabilities and duties arising from the assets and responsibilities
22 transferred to the company pursuant to article twelve-b, chapter
23 twenty-nine of this code;

24 (3) The board of risk and insurance management shall
25 disburse and pay to the company any funds attributable to
26 premiums paid for the insurance obligations transferred to the
27 company pursuant to subdivision (1) of this subsection, with
28 earnings thereon, less paid losses and expenses, and deposited
29 in the medical liability fund created by section ten, article
30 twelve-b, chapter twenty-nine of this code as reflected on the
31 ledgers of the board of risk and insurance management;

32 (4) The board of risk and insurance management shall
33 disburse and pay to the company any funds in the board of risk
34 and insurance management physicians' mutual insurance
35 company account created by section seven of this article. All
36 funds in this account shall be transferred pursuant to terms of a
37 surplus note or other loan arrangement satisfactory to the board
38 of risk and insurance management and the insurance commis-
39 sioner.

40 (c) The board of risk and insurance management shall cause
41 an independent actuarial study to be performed to determine the
42 amount of all paid losses, expenses and assets associated with
43 the policies the board has in force pursuant to article twelve-b,
44 chapter twenty-nine of this code. The actuarial study shall
45 determine the paid losses, expenses and assets associated with
46 the policies to be transferred to the company pursuant to
47 subsection (b) of this section and the paid losses, expenses and
48 assets associated with those policies retained by the board. The
49 determination shall not include liabilities created by issuance of
50 new tail insurance policies for non-physician providers autho-

51 rized by subsection (n), section six, article twelve-b, chapter
52 twenty-nine of this code.

53 (d) The board of risk and insurance management may enter
54 into such agreements, including loan agreements, with the
55 company that are necessary to accomplish the transfers ad-
56 dressed in this section.

57 (e) The company shall make policies of insurance available
58 to physicians in this state, regardless of practice type or
59 specialty. Policies issued by the company to each class of
60 physicians are to be essentially uniform in terms and conditions
61 of coverage.

62 (f) Notwithstanding the provisions of subsections (b), (c) or
63 (e) of this section, the company may:

64 (1) Establish reasonable classifications of physicians,
65 insured activities and exposures based on a good faith determi-
66 nation of relative exposures and hazards among classifications;

67 (2) Vary the limits, coverages, exclusions, conditions and
68 loss-sharing provisions among classifications;

69 (3) Establish, for an individual physician within a classifi-
70 cation, reasonable variations in the terms of coverage, including
71 rates, deductibles and loss-sharing provisions, based on the
72 insured's prior loss experience and current professional training
73 and capability; and

74 (4) Except with respect to policies transferred from the
75 board of risk and insurance management under this section,
76 refuse to provide insurance coverage for individual physicians
77 whose prior loss experience or current professional training and
78 capability are such that the physician represents an unaccept-
79 able risk of loss if coverage is provided.

80 (g) The company shall establish reasonable risk manage-
81 ment and continuing education requirements which policyhold-
82 ers must meet in order to be and remain eligible for coverage.

§33-20F-10. Controlling law.

1 To the extent applicable, and when not in conflict with the
2 provisions of this article, the provisions of chapters thirty-one
3 and thirty-three of this code apply to the company created
4 pursuant to the provisions of this article. If a provision of this
5 article and another provision of this code are in conflict, the
6 provision of this article controls.

§33-20F-11. Liberal construction.

1 This article is enacted to address a situation critical to the
2 citizens of the state of West Virginia by providing a mechanism
3 for the speedy and deliberate creation of a company to begin
4 offering medical liability insurance to physicians in this state at
5 the earliest possible date ; and to accomplish this purpose, this
6 article shall be liberally construed.

ARTICLE 25A. HEALTH MAINTENANCE ORGANIZATION ACT.

§33-25A-24. Scope of provisions; applicability of other laws.

1 (a) Except as otherwise provided in this article, provisions
2 of the insurance laws and provisions of hospital or medical
3 service corporation laws are not applicable to any health
4 maintenance organization granted a certificate of authority
5 under this article. The provisions of this article shall not apply
6 to an insurer or hospital or medical service corporation licensed
7 and regulated pursuant to the insurance laws or the hospital or
8 medical service corporation laws of this state except with
9 respect to its health maintenance corporation activities autho-
10 rized and regulated pursuant to this article. The provisions of
11 this article may not apply to an entity properly licensed by a

12 reciprocal state to provide health care services to employer
13 groups, where residents of West Virginia are members of an
14 employer group, and the employer group contract is entered
15 into in the reciprocal state. For purposes of this subsection, a
16 “reciprocal state” means a state which physically borders West
17 Virginia and which has subscriber or enrollee hold harmless
18 requirements substantially similar to those set out in section
19 seven-a of this article.

20 (b) Factually accurate advertising or solicitation regarding
21 the range of services provided, the premiums and copayments
22 charged, the sites of services and hours of operation and any
23 other quantifiable, nonprofessional aspects of its operation by
24 a health maintenance organization granted a certificate of
25 authority, or its representative may not be construed to violate
26 any provision of law relating to solicitation or advertising by
27 health professions: *Provided*, That nothing contained in this
28 subsection shall be construed as authorizing any solicitation or
29 advertising which identifies or refers to any individual provider
30 or makes any qualitative judgment concerning any provider.

31 (c) Any health maintenance organization authorized under
32 this article may not be considered to be practicing medicine and
33 is exempt from the provisions of chapter thirty of this code,
34 relating to the practice of medicine.

35 (d) The provisions of sections fifteen and twenty, article
36 four (general provisions); section nine-a, article two (one-time
37 assessment); section seventeen, article six (noncomplying
38 forms); section twenty, article five (borrowing by insurers);
39 article six-c (guaranteed loss ratio); article seven (assets and
40 liabilities); article eight (investments); article eight-a (use of
41 clearing corporations and federal reserve book-entry system);
42 article nine (administration of deposits); article twelve (agents,
43 brokers, solicitors and excess line); section fourteen, article
44 fifteen (individual accident and sickness insurance); section

45 sixteen, article fifteen (coverage of children); section eighteen,
46 article fifteen (equal treatment of state agency); section
47 nineteen, article fifteen (coordination of benefits with
48 medicaid); article fifteen-b (uniform health care administration
49 act); section three, article sixteen (required policy provisions);
50 section three-f, article sixteen (treatment of temporomandibular
51 disorder and craniomandibular disorder); section eleven, article
52 sixteen (coverage of children); section thirteen, article sixteen
53 (equal treatment of state agency); section fourteen, article
54 sixteen (coordination of benefits with medicaid); article
55 sixteen-a (group health insurance conversion); article sixteen-d
56 (marketing and rate practices for small employers); article
57 twenty-five-c (health maintenance organization patient bill of
58 rights); article twenty-seven (insurance holding company
59 systems); article thirty-four-a (standards and commissioner's
60 authority for companies considered to be in hazardous financial
61 condition); article thirty-five (criminal sanctions for failure to
62 report impairment); article thirty-seven (managing general
63 agents); article thirty-nine (disclosure of material transactions);
64 article forty-one (privileges and immunity); and article
65 forty-two (women's access to health care) shall be applicable to
66 any health maintenance organization granted a certificate of
67 authority under this article. In circumstances where the code
68 provisions made applicable to health maintenance organizations
69 by this section refer to the "insurer", the "corporation" or words
70 of similar import, the language shall be construed to include
71 health maintenance organizations.

72 (e) Any long-term care insurance policy delivered or issued
73 for delivery in this state by a health maintenance organization
74 shall comply with the provisions of article fifteen-a of this
75 chapter.

**ARTICLE 25D. PREPAID LIMITED HEALTH SERVICE ORGANIZATION
ACT.**

§33-25D-26. Scope of provisions; applicability of other laws.

1 (a) Except as otherwise provided in this article, provisions
2 of the insurance laws, provisions of hospital, medical, dental or
3 health service corporation laws and provisions of health
4 maintenance organization laws are not applicable to any prepaid
5 limited health service organization granted a certificate of
6 authority under this article. The provisions of this article do not
7 apply to an insurer, hospital, medical, dental or health service
8 corporation, or health maintenance organization licensed and
9 regulated pursuant to the insurance laws, hospital, medical,
10 dental or health service corporation laws or health maintenance
11 organization laws of this state except with respect to its prepaid
12 limited health service corporation activities authorized and
13 regulated pursuant to this article. The provisions of this article
14 do not apply to an entity properly licensed by a reciprocal state
15 to provide a limited health care service to employer groups,
16 where residents of West Virginia are members of an employer
17 group, and the employer group contract is entered into in the
18 reciprocal state. For purposes of this subsection, a “reciprocal
19 state” means a state which physically borders West Virginia
20 and which has subscriber or enrollee hold harmless require-
21 ments substantially similar to those set out in section ten of this
22 article.

23 (b) Factually accurate advertising or solicitation regarding
24 the range of services provided, the premiums and copayments
25 charged, the sites of services and hours of operation and any
26 other quantifiable, nonprofessional aspects of its operation by
27 a prepaid limited health service organization granted a certifi-
28 cate of authority, or its representative do not violate any
29 provision of law relating to solicitation or advertising by health
30 professions: *Provided*, That nothing contained in this subsection
31 authorizes any solicitation or advertising which identifies or
32 refers to any individual provider or makes any qualitative
33 judgment concerning any provider.

34 (c) Any prepaid limited health service organization autho-
35 rized under this article is not considered to be practicing
36 medicine and is exempt from the provision of chapter thirty of
37 this code relating to the practice of medicine.

38 (d) The provisions of section nine, article two, examina-
39 tions; section nine-a, article two, one-time assessment; section
40 thirteen, article two, hearings; sections fifteen and twenty,
41 article four, general provisions; section twenty, article five,
42 borrowing by insurers; section seventeen, article six, noncom-
43 plying forms; article six-c, guaranteed loss ratio; article seven,
44 assets and liabilities; article eight, investments; article eight-a,
45 use of clearing corporations and federal reserve book-entry
46 system; article nine, administration of deposits; article ten,
47 rehabilitation and liquidation; article twelve, agents, brokers,
48 solicitors and excess line; section fourteen, article fifteen,
49 individual accident and sickness insurance; section sixteen,
50 article fifteen, coverage of children; section eighteen, article
51 fifteen, equal treatment of state agency; section nineteen, article
52 fifteen, coordination of benefits with medicaid; article fifteen-b,
53 uniform health care administration act; section three, article
54 sixteen, required policy provisions; section eleven, article
55 sixteen, coverage of children; section thirteen, article sixteen,
56 equal treatment of state agency; section fourteen, article
57 sixteen, coordination of benefits with medicaid; article six-
58 teen-a, group health insurance conversion; article sixteen-d,
59 marketing and rate practices for small employers; article
60 twenty-seven, insurance holding company systems; article
61 thirty-three, annual audited financial report; article thirty-four,
62 administrative supervision; article thirty-four-a, standards and
63 commissioner's authority for companies considered to be in
64 hazardous financial condition; article thirty-five, criminal
65 sanctions for failure to report impairment; article thirty-seven,
66 managing general agents; article thirty-nine, disclosure of
67 material transactions; and article forty-one, privileges and
68 immunity, all of this chapter are applicable to any prepaid

69 limited health service organization granted a certificate of
 70 authority under this article. In circumstances where the code
 71 provisions made applicable to prepaid limited health service
 72 organizations by this section refer to the “insurer”, the “corpo-
 73 ration” or words of similar import, the language includes
 74 prepaid limited health service organizations.

75 (e) Any long-term care insurance policy delivered or issued
 76 for delivery in this state by a prepaid limited health service
 77 organization shall comply with the provisions of article
 78 fifteen-a of this chapter.

79 (f) A prepaid limited health service organization granted a
 80 certificate of authority under this article is exempt from paying
 81 municipal business and occupation taxes on gross income it
 82 receives from its enrollees, or from their employers or others on
 83 their behalf, for health care items or services provided directly
 84 or indirectly by the prepaid limited health service organization.

CHAPTER 38. LIENS.

ARTICLE 10. FEDERAL TAX LIENS; ORDERS AND DECREES IN BANKRUPTCY.

§38-10-4. Exemptions of property in bankruptcy proceedings.

1 Pursuant to the provisions of 11 U. S. C. §522(b)(1), this
 2 state specifically does not authorize debtors who are domiciled
 3 in this state to exempt the property specified under the provi-
 4 sions of 11 U. S. C. §522(d).

5 Any person who files a petition under the federal bank-
 6 ruptcy law may exempt from property of the estate in a bank-
 7 ruptcy proceeding the following property:

8 (a) The debtor’s interest, not to exceed twenty-five thou-
 9 sand dollars in value, in real property or personal property that
 10 the debtor or a dependent of the debtor uses as a residence, in

11 a cooperative that owns property that the debtor or a dependent
12 of the debtor uses as a residence or in a burial plot for the
13 debtor or a dependent of the debtor: *Provided*, That when the
14 debtor is a physician licensed to practice medicine in this state
15 under article three or article fourteen, chapter thirty of this
16 code, and has commenced a bankruptcy proceeding in part due
17 to a verdict or judgment entered in a medical professional
18 liability action, if the physician has current medical malpractice
19 insurance in the amount of at least one million dollars for each
20 occurrence, the debtor physician's interest that is exempt under
21 this subsection may exceed twenty-five thousand dollars in
22 value but may not exceed two hundred fifty thousand dollars
23 per household.

24 (b) The debtor's interest, not to exceed two thousand four
25 hundred dollars in value, in one motor vehicle.

26 (c) The debtor's interest, not to exceed four hundred dollars
27 in value in any particular item, in household furnishings,
28 household goods, wearing apparel, appliances, books, animals,
29 crops or musical instruments that are held primarily for the
30 personal, family or household use of the debtor or a dependent
31 of the debtor: *Provided*, That the total amount of personal
32 property exempted under this subsection may not exceed eight
33 thousand dollars.

34 (d) The debtor's interest, not to exceed one thousand dollars
35 in value, in jewelry held primarily for the personal, family or
36 household use of the debtor or a dependent of the debtor.

37 (e) The debtor's interest, not to exceed in value eight
38 hundred dollars plus any unused amount of the exemption
39 provided under subsection (a) of this section in any property.

40 (f) The debtor's interest, not to exceed one thousand five
41 hundred dollars in value, in any implements, professional books

42 or tools of the trade of the debtor or the trade of a dependent of
43 the debtor.

44 (g) Any unmeasured life insurance contract owned by the
45 debtor, other than a credit life insurance contract.

46 (h) The debtor's interest, not to exceed in value eight
47 thousand dollars less any amount of property of the estate
48 transferred in the manner specified in 11 U. S. C. §542(d), in
49 any accrued dividend or interest under, or loan value of, any
50 unmeasured life insurance contract owned by the debtor under
51 which the insured is the debtor or an individual of whom the
52 debtor is a dependent.

53 (i) Professionally prescribed health aids for the debtor or a
54 dependent of the debtor.

55 (j) The debtor's right to receive:

56 (1) A social security benefit, unemployment compensation
57 or a local public assistance benefit;

58 (2) A veterans' benefit;

59 (3) A disability, illness or unemployment benefit;

60 (4) Alimony, support or separate maintenance, to the extent
61 reasonably necessary for the support of the debtor and any
62 dependent of the debtor;

63 (5) A payment under a stock bonus, pension, profit sharing,
64 annuity or similar plan or contract on account of illness,
65 disability, death, age or length of service, to the extent reason-
66 ably necessary for the support of the debtor and any dependent
67 of the debtor, and funds on deposit in an individual retirement
68 account (IRA), including a simplified employee pension (SEP)
69 regardless of the amount of funds, unless:

70 (A) The plan or contract was established by or under the
71 auspices of an insider that employed the debtor at the time the
72 debtor's rights under the plan or contract arose;

73 (B) The payment is on account of age or length of service;

74 (C) The plan or contract does not qualify under Section
75 401(a), 403(a), 403(b), 408 or 409 of the Internal Revenue Code
76 of 1986; and

77 (D) With respect to an individual retirement account,
78 including a simplified employee pension, the amount is subject
79 to the excise tax on excess contributions under Section 4973
80 and/or Section 4979 of the Internal Revenue Code of 1986, or
81 any successor provisions, regardless of whether the tax is paid.

82 (k) The debtor's right to receive or property that is traceable
83 to:

84 (1) An award under a crime victim's reparation law;

85 (2) A payment on account of the wrongful death of an
86 individual of whom the debtor was a dependent, to the extent
87 reasonably necessary for the support of the debtor and any
88 dependent of the debtor;

89 (3) A payment under a life insurance contract that insured
90 the life of an individual of whom the debtor was a dependent on
91 the date of the individual's death, to the extent reasonably
92 necessary for the support of the debtor and any dependent of the
93 debtor;

94 (4) A payment, not to exceed fifteen thousand dollars on
95 account of personal bodily injury, not including pain and
96 suffering or compensation for actual pecuniary loss, of the
97 debtor or an individual of whom the debtor is a dependent;

98 (5) A payment in compensation of loss of future earnings
99 of the debtor or an individual of whom the debtor is or was a
100 dependent, to the extent reasonably necessary for the support of
101 the debtor and any dependent of the debtor;

102 (6) Payments made to the prepaid tuition trust fund or to the
103 savings plan trust fund, including earnings, in accordance with
104 article thirty, chapter eighteen of this code on behalf of any
105 beneficiary.

CHAPTER 55. ACTIONS, SUITS AND ARBITRATION; JUDICIAL SALE.

ARTICLE 7B. MEDICAL PROFESSIONAL LIABILITY.

§55-7B-1. Legislative findings and declaration of purpose.

1 The Legislature hereby finds and declares that the citizens
2 of this state are entitled to the best medical care and facilities
3 available and that health care providers offer an essential and
4 basic service which requires that the public policy of this state
5 encourage and facilitate the provision of such service to our
6 citizens;

7 That as in every human endeavor the possibility of injury
8 or death from negligent conduct commands that protection of
9 the public served by health care providers be recognized as an
10 important state interest;

11 That our system of litigation is an essential component of
12 this state's interest in providing adequate and reasonable
13 compensation to those persons who suffer from injury or death
14 as a result of professional negligence, and any limitation placed
15 on this system must be balanced with and considerate of the
16 need to fairly compensate patients who have been injured as a
17 result of negligent and incompetent acts by health care provid-
18 ers;

19 That liability insurance is a key part of our system of
20 litigation, affording compensation to the injured while fulfilling
21 the need and fairness of spreading the cost of the risks of injury;

22 That a further important component of these protections is
23 the capacity and willingness of health care providers to monitor
24 and effectively control their professional competency, so as to
25 protect the public and insure to the extent possible the highest
26 quality of care;

27 That it is the duty and responsibility of the Legislature to
28 balance the rights of our individual citizens to adequate and
29 reasonable compensation with the broad public interest in the
30 provision of services by qualified health care providers and
31 health care facilities who can themselves obtain the protection
32 of reasonably priced and extensive liability coverage;

33 That in recent years, the cost of insurance coverage has
34 risen dramatically while the nature and extent of coverage has
35 diminished, leaving the health care providers, the health care
36 facilities and the injured without the full benefit of professional
37 liability insurance coverage;

38 That many of the factors and reasons contributing to the
39 increased cost and diminished availability of professional
40 liability insurance arise from the historic inability of this state
41 to effectively and fairly regulate the insurance industry so as to
42 guarantee our citizens that rates are appropriate, that purchasers
43 of insurance coverage are not treated arbitrarily and that rates
44 reflect the competency and experience of the insured health
45 care providers and health care facilities;

46 That the unpredictable nature of traumatic injury health
47 care services often result in a greater likelihood of unsatisfac-
48 tory patient outcomes, a higher degree of patient and patient
49 family dissatisfaction and frequent malpractice claims, creating
50 a financial strain on the trauma care system of our state,

51 increasing costs for all users of the trauma care system and
52 impacting the availability of these services, requires appropriate
53 and balanced limitations on the rights of persons asserting
54 claims against trauma care health care providers, this balance
55 must guarantee availability of trauma care services while
56 mandating that these services meet all national standards of
57 care, to assure that our health care resources are being directed
58 towards providing the best trauma care available; and

59 That the cost of liability insurance coverage has continued
60 to rise dramatically, resulting in the state's loss and threatened
61 loss of physicians, which, together with other costs and taxation
62 incurred by health care providers in this state, have created a
63 competitive disadvantage in attracting and retaining qualified
64 physicians and other health care providers.

65 The Legislature further finds that medical liability issues
66 have reached critical proportions for the state's long-term
67 health care facilities, as: (1) Medical liability insurance
68 premiums for nursing homes in West Virginia continue to
69 increase and the number of claims per bed has increased
70 significantly; (2) the cost to the state medicaid program as a
71 result of such higher premiums has grown considerably in this
72 period; (3) current medical liability premium costs for some
73 nursing homes constitute a significant percentage of the amount
74 of coverage; (4) these high costs are leading some facilities to
75 consider dropping medical liability insurance coverage alto-
76 gether; and (5) the medical liability insurance crisis for nursing
77 homes may soon result in a reduction of the number of beds
78 available to citizens in need of long-term care.

79 Therefore, the purpose of this article is to provide for a
80 comprehensive resolution of the matters and factors which the
81 Legislature finds must be addressed to accomplish the goals set
82 forth in this section. In so doing, the Legislature has determined
83 that reforms in the common law and statutory rights of our

84 citizens must be enacted together as necessary and mutual
85 ingredients of the appropriate legislative response relating to:

86 (1) Compensation for injury and death;

87 (2) The regulation of rate making and other practices by the
88 liability insurance industry, including the formation of a
89 physicians' mutual insurance company and establishment of a
90 fund to assure adequate compensation to victims of malprac-
91 tice; and

92 (3) The authority of medical licensing boards to effectively
93 regulate and discipline the health care providers under such
94 board.

§55-7B-2. Definitions.

1 (a) "Board" means the state board of risk and insurance
2 management;

3 (b) "Collateral source" means a source of benefits or
4 advantages for economic loss that the claimant has received
5 from:

6 (1) Any federal or state act, public program or insurance
7 which provides payments for medical expenses, disability
8 benefits, including workers' compensation benefits, or other
9 similar benefits. Benefits payable under the Social Security Act
10 are not considered payments from collateral sources except for
11 Social Security disability benefits directly attributable to the
12 medical injury in question;

13 (2) Any contract or agreement of any group, organization,
14 partnership or corporation to provide, pay for or reimburse the
15 cost of medical, hospital, dental, nursing, rehabilitation, therapy
16 or other health care services or provide similar benefits;

17 (3) Any group accident, sickness or income disability
18 insurance, any casualty or property insurance (including
19 automobile and homeowners' insurance) which provides
20 medical benefits, income replacement or disability coverage, or
21 any other similar insurance benefits, except life insurance, to
22 the extent that someone other than the insured, including the
23 insured's employer, has paid all or part of the premium or made
24 an economic contribution on behalf of the plaintiff; or

25 (4) Any contractual or voluntary wage continuation plan
26 provided by an employer or otherwise, or any other system
27 intended to provide wages during a period of disability.

28 (c) "Consumer price index" means the most recent con-
29 sumer price index for all consumers published by the United
30 States department of labor.

31 (d) "Emergency condition" means any acute traumatic
32 injury or acute medical condition which, according to standard-
33 ized criteria for triage, involves a significant risk of death or the
34 precipitation of significant complications or disabilities,
35 impairment of bodily functions, or, with respect to a pregnant
36 woman, a significant risk to the health of the unborn child.

37 (e) "Health care" means any act or treatment performed or
38 furnished, or which should have been performed or furnished,
39 by any health care provider for, to or on behalf of a patient
40 during the patient's medical care, treatment or confinement.

41 (f) "Health care facility" means any clinic, hospital,
42 nursing home, or assisted living facility, including personal care
43 home, residential care community and residential board and
44 care home, or behavioral health care facility or comprehensive
45 community mental health/mental retardation center, in and
46 licensed by the state of West Virginia and any state operated
47 institution or clinic providing health care.

48 (g) "Health care provider" means a person, partnership,
49 corporation, professional limited liability company, health care
50 facility or institution licensed by, or certified in, this state or
51 another state, to provide health care or professional health care
52 services, including, but not limited to, a physician, osteopathic
53 physician, hospital, dentist, registered or licensed practical
54 nurse, optometrist, podiatrist, chiropractor, physical therapist,
55 psychologist, emergency medical services authority or agency,
56 or an officer, employee or agent thereof acting in the course and
57 scope of such officer's, employee's or agent's employment.

58 (h) "Medical injury" means injury or death to a patient
59 arising or resulting from the rendering of or failure to render
60 health care.

61 (i) "Medical professional liability" means any liability for
62 damages resulting from the death or injury of a person for any
63 tort or breach of contract based on health care services ren-
64 dered, or which should have been rendered, by a health care
65 provider or health care facility to a patient.

66 (j) "Medical professional liability insurance" means a
67 contract of insurance or any actuarially sound self-funding
68 program that pays for the legal liability of a health care facility
69 or health care provider arising from a claim of medical profes-
70 sional liability.

71 (k) "Noneconomic loss" means losses, including, but not
72 limited to, pain, suffering, mental anguish and grief.

73 (l) "Patient" means a natural person who receives or should
74 have received health care from a licensed health care provider
75 under a contract, expressed or implied.

76 (m) "Plaintiff" means a patient or representative of a patient
77 who brings an action for medical professional liability under
78 this article.

79 (n) “Representative” means the spouse, parent, guardian,
80 trustee, attorney or other legal agent of another.

§55-7B-3. Elements of proof.

1 (a) The following are necessary elements of proof that an
2 injury or death resulted from the failure of a health care
3 provider to follow the accepted standard of care:

4 (1) The health care provider failed to exercise that degree
5 of care, skill and learning required or expected of a reasonable,
6 prudent health care provider in the profession or class to which
7 the health care provider belongs acting in the same or similar
8 circumstances; and

9 (2) Such failure was a proximate cause of the injury or
10 death.

11 (b) If the plaintiff proceeds on the “loss of chance” theory,
12 *i.e.*, that the health care provider’s failure to follow the accepted
13 standard of care deprived the patient of a chance of recovery or
14 increased the risk of harm to the patient which was a substantial
15 factor in bringing about the ultimate injury to the patient, the
16 plaintiff must also prove, to a reasonable degree of medical
17 probability, that following the accepted standard of care would
18 have resulted in a greater than twenty-five percent chance that
19 the patient would have had an improved recovery or would
20 have survived.

§55-7B-6. Prerequisites for filing an action against a health care provider; procedures; sanctions.

1 (a) Notwithstanding any other provision of this code, no
2 person may file a medical professional liability action against
3 any health care provider without complying with the provisions
4 of this section.

5 (b) At least thirty days prior to the filing of a medical
6 professional liability action against a health care provider, the
7 claimant shall serve by certified mail, return receipt requested,
8 a notice of claim on each health care provider the claimant will
9 join in litigation. The notice of claim shall include a statement
10 of the theory or theories of liability upon which a cause of
11 action may be based, and a list of all health care providers and
12 health care facilities to whom notices of claim are being sent,
13 together with a screening certificate of merit. The screening
14 certificate of merit shall be executed under oath by a health care
15 provider qualified as an expert under the West Virginia rules of
16 evidence and shall state with particularity: (1) The expert's
17 familiarity with the applicable standard of care in issue; (2) the
18 expert's qualifications; (3) the expert's opinion as to how the
19 applicable standard of care was breached; and (4) the expert's
20 opinion as to how the breach of the applicable standard of care
21 resulted in injury or death. A separate screening certificate of
22 merit must be provided for each health care provider against
23 whom a claim is asserted. The person signing the screening
24 certificate of merit shall have no financial interest in the
25 underlying claim, but may participate as an expert witness in
26 any judicial proceeding. Nothing in this subsection may be
27 construed to limit the application of rule 15 of the rules of civil
28 procedure.

29 (c) Notwithstanding any provision of this code, if a claim-
30 ant or his or her counsel, believes that no screening certificate
31 of merit is necessary because the cause of action is based upon
32 a well-established legal theory of liability which does not
33 require expert testimony supporting a breach of the applicable
34 standard of care, the claimant or his or her counsel, shall file a
35 statement specifically setting forth the basis of the alleged
36 liability of the health care provider in lieu of a screening
37 certificate of merit.

38 (d) If a claimant or his or her counsel has insufficient time
39 to obtain a screening certificate of merit prior to the expiration
40 of the applicable statute of limitations, the claimant shall
41 comply with the provisions of subsection (b) of this section
42 except that the claimant or his or her counsel shall furnish the
43 health care provider with a statement of intent to provide a
44 screening certificate of merit within sixty days of the date the
45 health care provider receives the notice of claim.

46 (e) Any health care provider who receives a notice of claim
47 pursuant to the provisions of this section may respond, in
48 writing, to the claimant or his or her counsel within thirty days
49 of receipt of the claim or within thirty days of receipt of the
50 screening certificate of merit if the claimant is proceeding
51 pursuant to the provisions of subsection (d) of this section. The
52 response may state that the health care provider has a bona fide
53 defense and the name of the health care provider's counsel, if
54 any.

55 (f) Upon receipt of the notice of claim or of the screening
56 certificate of merit, if the claimant is proceeding pursuant to the
57 provisions of subsection (d) of this section, the health care
58 provider is entitled to pre-litigation mediation before a qualified
59 mediator upon written demand to the claimant.

60 (g) If the health care provider demands mediation pursuant
61 to the provisions of subsection (f) of this section, the mediation
62 shall be concluded within forty-five days of the date of the
63 written demand. The mediation shall otherwise be conducted
64 pursuant to rule 25 of the trial court rules, unless portions of the
65 rule are clearly not applicable to a mediation conducted prior to
66 the filing of a complaint or unless the supreme court of appeals
67 promulgates rules governing mediation prior to the filing of a
68 complaint. If mediation is conducted, the claimant may depose
69 the health care provider before mediation or take the testimony
70 of the health care provider during the mediation.

71 (h) Except as otherwise provided in this subsection, any
72 statute of limitations applicable to a cause of action against a
73 health care provider upon whom notice was served for alleged
74 medical professional liability shall be tolled from the date of
75 service of a notice of claim to thirty days following receipt of
76 a response to the notice of claim, thirty days from the date a
77 response to the notice of claim would be due, or thirty days
78 from the receipt by the claimant of written notice from the
79 mediator that the mediation has not resulted in a settlement of
80 the alleged claim and that mediation is concluded, whichever
81 last occurs. If a claimant has sent a notice of claim relating to
82 any injury or death to more than one health care provider, any
83 one of whom has demanded mediation, then the statute of
84 limitations shall be tolled with respect to, and only with respect
85 to, those health care providers to whom the claimant sent a
86 notice of claim to thirty days from the receipt of the claimant of
87 written notice from the mediator that the mediation has not
88 resulted in a settlement of the alleged claim and that mediation
89 is concluded.

90 (i) Notwithstanding any other provision of this code, a
91 notice of claim, a health care provider's response to any notice
92 claim, a screening certificate of merit and the results of any
93 mediation conducted pursuant to the provisions of this section
94 are confidential and are not admissible as evidence in any court
95 proceeding unless the court, upon hearing, determines that
96 failure to disclose the contents would cause a miscarriage of
97 justice.

§55-7B-7. Testimony of expert witness on standard of care.

1 (a) The applicable standard of care and a defendant's failure
2 to meet the standard of care, if at issue, shall be established in
3 medical professional liability cases by the plaintiff by testimony
4 of one or more knowledgeable, competent expert witnesses if
5 required by the court. Expert testimony may only be admitted

6 in evidence if the foundation therefor is first laid establishing
7 that: (1) The opinion is actually held by the expert witness; (2)
8 the opinion can be testified to with reasonable medical proba-
9 bility; (3) the expert witness possesses professional knowledge
10 and expertise coupled with knowledge of the applicable
11 standard of care to which his or her expert opinion testimony is
12 addressed; (4) the expert witness maintains a current license to
13 practice medicine with the appropriate licensing authority of
14 any state of the United States: *Provided*, That the expert
15 witness' license has not been revoked or suspended in the past
16 year in any state; and (5) the expert witness is engaged or
17 qualified in a medical field in which the practitioner has
18 experience and/or training in diagnosing or treating injuries or
19 conditions similar to those of the patient. If the witness meets
20 all of these qualifications and devoted, at the time of the
21 medical injury, sixty percent of his or her professional time
22 annually to the active clinical practice in his or her medical
23 field or specialty, or to teaching in his or her medical field or
24 speciality in an accredited university, there shall be a rebuttable
25 presumption that the witness is qualified as an expert. The
26 parties shall have the opportunity to impeach any witness'
27 qualifications as an expert. Financial records of an expert
28 witness are not discoverable or relevant to prove the amount of
29 time the expert witness spends in active practice or teaching in
30 his or her medical field unless good cause can be shown to the
31 court.

32 (b) Nothing contained in this section may be construed to
33 limit a trial court's discretion to determine the competency or
34 lack of competency of a witness on a ground not specifically
35 enumerated in this section.

§55-7B-8. Limit on liability for noneconomic loss.

1 (a) In any professional liability action brought against a
2 health care provider pursuant to this article, the maximum

3 amount recoverable as compensatory damages for noneconomic
4 loss shall not exceed two hundred fifty thousand dollars per
5 occurrence, regardless of the number of plaintiffs or the number
6 of defendants or, in the case of wrongful death, regardless of
7 the number of distributees, except as provided in subsection (b)
8 of this article.

9 (b) The plaintiff may recover compensatory damages for
10 noneconomic loss in excess of the limitation described in
11 subsection (a) of this section, but not in excess of five hundred
12 thousand dollars for each occurrence, regardless of the number
13 of plaintiffs or the number of defendants or, in the case of
14 wrongful death, regardless of the number of distributees, where
15 the damages for noneconomic losses suffered by the plaintiff
16 were for: (1) Wrongful death; (2) permanent and substantial
17 physical deformity, loss of use of a limb or loss of a bodily
18 organ system; or (3) permanent physical or mental functional
19 injury that permanently prevents the injured person from being
20 able to independently care for himself or herself and perform
21 life sustaining activities.

22 (c) On the first of January, two thousand four, and in each
23 year thereafter, the limitation for compensatory damages
24 contained in subsections (a) and (b) of this section shall
25 increase to account for inflation by an amount equal to the
26 consumer price index published by the United States depart-
27 ment of labor, up to fifty percent of the amounts specified in
28 subsections (b) and (c) as a limitation of compensatory
29 noneconomic damages.

30 (d) The limitations on noneconomic damages contained in
31 subsections (a), (b), (c) and (e) of this section are not available
32 to any defendant in an action pursuant to this article which does
33 not have medical professional liability insurance in the amount
34 of at least one million dollars per occurrence covering the
35 medical injury which is the subject of the action.

36 (e) If subsection (a) or (b) of this section, as enacted during
37 the regular session of the Legislature, two thousand three, or the
38 application thereof to any person or circumstance, is found by
39 a court of law to be unconstitutional or otherwise invalid, the
40 maximum amount recoverable as damages for noneconomic
41 loss in a professional liability action brought against a health
42 care provider under this article shall thereafter not exceed one
43 million dollars.

§55-7B-9. Several liability.

1 (a) In the trial of a medical professional liability action
2 under this article involving multiple defendants, the trier of fact
3 shall report its findings on a form provided by the court which
4 contains each of the possible verdicts as determined by the
5 court. Unless otherwise agreed by all the parties to the action,
6 the jury shall be instructed to answer special interrogatories, or
7 the court, acting without a jury, shall make findings as to:

8 (1) The total amount of compensatory damages recoverable
9 by the plaintiff;

10 (2) The portion of the damages that represents damages for
11 noneconomic loss;

12 (3) The portion of the damages that represents damages for
13 each category of economic loss;

14 (4) The percentage of fault, if any, attributable to each
15 plaintiff; and

16 (5) The percentage of fault, if any, attributable to each of
17 the defendants.

18 (b) In assessing percentages of fault, the trier of fact shall
19 consider only the fault of the parties in the litigation at the time
20 the verdict is rendered and shall not consider the fault of any

21 other person who has settled a claim with the plaintiff arising
22 out of the same medical injury. *Provided*, That, upon the
23 creation of the patient injury compensation fund provided for in
24 article twelve-c, chapter twenty-nine of this code, or of some
25 other mechanism for compensating a plaintiff for any amount
26 of economic damages awarded by the trier of fact which the
27 plaintiff has been unable to collect, the trier of fact shall, in
28 assessing percentages of fault, consider the fault of all alleged
29 parties, including the fault of any person who has settled a
30 claim with the plaintiff arising out of the same medical injury.

31 (c) If the trier of fact renders a verdict for the plaintiff, the
32 court shall enter judgment of several, but not joint, liability
33 against each defendant in accordance with the percentage of
34 fault attributed to the defendant by the trier of fact.

35 (d) To determine the amount of judgment to be entered
36 against each defendant, the court shall first, after adjusting the
37 verdict as provided in section nine-a of this article, reduce the
38 adjusted verdict by the amount of any pre-verdict settlement
39 arising out of the same medical injury. The court shall then,
40 with regard to each defendant, multiply the total amount of
41 damages remaining, with interest, by the percentage of fault
42 attributed to each defendant by the trier of fact. The resulting
43 amount of damages, together with any post-judgment interest
44 accrued, shall be the maximum recoverable against the defen-
45 dant.

46 (e) Upon the creation of the patient injury compensation
47 fund provided for in article twelve-c, chapter twenty-nine of
48 this code, or of some other mechanism for compensating a
49 plaintiff for any amount of economic damages awarded by the
50 trier of fact which the plaintiff has been unable to collect, the
51 court shall, in determining the amount of judgment to be
52 entered against each defendant, first multiply the total amount
53 of damages, with interest, recoverable by the plaintiff by the

54 percentage of each defendant's fault and that amount, together
55 with any post-judgment interest accrued, is the maximum
56 recoverable against said defendant. Prior to the court's entry of
57 the final judgment order as to each defendant against whom a
58 verdict was rendered, the court shall reduce the total jury
59 verdict by any amounts received by a plaintiff in settlement of
60 the action. When any defendant's percentage of the verdict
61 exceeds the remaining amounts due plaintiff after the manda-
62 tory reductions, each defendant shall be liable only for the
63 defendant's pro rata share of the remainder of the verdict as
64 calculated by the court from the remaining defendants to the
65 action. The plaintiff's total award may never exceed the jury's
66 verdict less any statutory or court-ordered reductions.

67 (f) Nothing in this section is meant to eliminate or diminish
68 any defenses or immunities which exist as of the effective date
69 of this section, except as expressly noted in this section.

70 (g) Nothing in this article is meant to preclude a health care
71 provider from being held responsible for the portion of fault
72 attributed by the trier of fact to any person acting as the health
73 care provider's agent or servant or to preclude imposition of
74 fault otherwise imputable or attributable to the health care
75 provider under claims of vicarious liability. A health care
76 provider may not be held vicariously liable for the acts of a
77 nonemployee pursuant to a theory of ostensible agency unless
78 the alleged agent does not maintain professional liability
79 insurance covering the medical injury which is the subject of
80 the action in the aggregate amount of at least one million
81 dollars.

§55-7B-9a. Reduction in compensatory damages for economic losses for payments from collateral sources the same injury.

1 (a) In any action arising after the effective date of this
2 section, a defendant who has been found liable to the plaintiff
3 for damages for medical care, rehabilitation services, lost
4 earnings or other economic losses may present to the court,
5 after the trier of fact has rendered a verdict, but before entry of
6 judgment, evidence of payments the plaintiff has received for
7 the same injury from collateral sources.

8 (b) In any hearing pursuant to subsection (a) of this section,
9 the defendant may present evidence of future payments from
10 collateral sources if the court determines that: (1) There is a
11 preexisting contractual or statutory obligation on the collateral
12 source to pay the benefits; (2) the benefits, to a reasonable
13 degree of certainty, will be paid to the plaintiff for expenses the
14 trier of fact has determined the plaintiff will incur in the future;
15 and (3) the amount of the future expenses is readily reducible
16 to a sum certain.

17 (c) In the hearing pursuant to subsection (a) of this section,
18 the plaintiff may present evidence of the value of payments or
19 contributions he or she has made to secure the right to the
20 benefits paid by the collateral source.

21 (d) After hearing the evidence presented by the parties, the
22 court shall make the following findings of fact:

23 (1) The total amount of damages for economic loss found
24 by the trier of fact;

25 (2) The total amount of damages for each category of
26 economic loss found by the trier of fact;

27 (3) The total amount of allowable collateral source pay-
28 ments received or to be received by the plaintiff for the medical
29 injury which was the subject of the verdict in each category of
30 economic loss; and

31 (4) The total amount of any premiums or contributions paid
32 by the plaintiff in exchange for the collateral source payments
33 in each category of economic loss found by the trier of fact.

34 (e) The court shall subtract the total premiums the plaintiff
35 was found to have paid in each category of economic loss from
36 the total collateral source benefits the plaintiff received with
37 regard to that category of economic loss to arrive at the net
38 amount of collateral source payments.

39 (f) The court shall then subtract the net amount of collateral
40 source payments received or to be received by the plaintiff in
41 each category of economic loss from the total amount of
42 damages awarded the plaintiff by the trier of fact for that
43 category of economic loss to arrive at the adjusted verdict.

44 (g) The court shall not reduce the verdict rendered by the
45 trier of fact in any category of economic loss to reflect:

46 (1) Amounts paid to or on behalf of the plaintiff which the
47 collateral source has a right to recover from the plaintiff
48 through subrogation, lien or reimbursement;

49 (2) Amounts in excess of benefits actually paid or to be
50 paid on behalf of the plaintiff by a collateral source in a
51 category of economic loss;

52 (3) The proceeds of any individual disability or income
53 replacement insurance paid for entirely by the plaintiff;

54 (4) The assets of the plaintiff or the members of the
55 plaintiff's immediate family; or

56 (5) A settlement between the plaintiff and another tortfea-
57 sor.

58 (h) After determining the amount of the adjusted verdict,
59 the court shall enter judgment in accordance with the provisions
60 of section nine.

§55-7B-9b. Limitations on third-party claims.

1 An action may not be maintained against a health care
2 provider pursuant to this article by or on behalf of a third-party
3 nonpatient for rendering or failing to render health care services
4 to a patient whose subsequent act is a proximate cause of injury
5 or death to the third party unless the health care provider
6 rendered or failed to render health care services in willful and
7 wanton or reckless disregard of a foreseeable risk of harm to
8 third persons. Nothing in this section shall be construed to
9 prevent the personal representative of a deceased patient from
10 maintaining a wrongful death action on behalf of such patient
11 pursuant to article seven of this chapter or to prevent a deriva-
12 tive claim for loss of consortium arising from injury or death to
13 the patient arising from the negligence of a health care provider
14 within the meaning of this article.

**§55-7B-9c. Limit on liability for treatment of emergency condi-
tions for which patient is admitted to a designated
trauma center; exceptions; emergency rules.**

1 (a) In any action brought under this article for injury to or
2 death of a patient as a result of health care services or assistance
3 rendered in good faith and necessitated by an emergency
4 condition for which the patient enters a health care facility
5 designated by the office of emergency medical services as a
6 trauma center, including health care services or assistance
7 rendered in good faith by a licensed EMS agency or an em-
8 ployee of an licensed EMS agency, the total amount of civil
9 damages recoverable shall not exceed five hundred thousand
10 dollars, exclusive of interest computed from the date of
11 judgment.

12 (b) The limitation of liability in subsection (a) of this
13 section also applies to any act or omission of a health care
14 provider in rendering continued care or assistance in the event
15 that surgery is required as a result of the emergency condition
16 within a reasonable time after the patient's condition is stabi-
17 lized.

18 (c) The limitation on liability provided under subsection (a)
19 of this section does not apply to any act or omission in render-
20 ing care or assistance which: (1) Occurs after the patient's
21 condition is stabilized and the patient is capable of receiving
22 medical treatment as a nonemergency patient; or (2) is unre-
23 lated to the original emergency condition.

24 (d) In the event that: (1) A physician provides follow-up
25 care to a patient to whom the physician rendered care or
26 assistance pursuant to subsection (a) of this section; and (2) a
27 medical condition arises during the course of the follow-up care
28 that is directly related to the original emergency condition for
29 which care or assistance was rendered pursuant to said subsec-
30 tion, there is rebuttable presumption that the medical condition
31 was the result of the original emergency condition and that the
32 limitation on liability provided by said subsection applies with
33 respect to that medical condition.

34 (e) There is a rebuttable presumption that a medical
35 condition which arises in the course of follow-up care provided
36 by the designated trauma center health care provider who
37 rendered good faith care or assistance for the original emer-
38 gency condition is directly related to the original emergency
39 condition where the follow-up care is provided within a
40 reasonable time after the patient's admission to the designated
41 trauma center.

42 (f) The limitation on liability provided under subsection (a)
43 of this section does not apply where health care or assistance
44 for the emergency condition is rendered:

45 (1) In willful and wanton or reckless disregard of a risk of
46 harm to the patient; or

47 (2) In clear violation of established written protocols for
48 triage and emergency health care procedures developed by the
49 office of emergency medical services in accordance with
50 subsection (e) of this section. In the event that the office of
51 emergency medical services has not developed a written triage
52 or emergency medical protocol by the effective date of this
53 section, the limitation on liability provided under subsection (a)
54 of this section does not apply where health care or assistance is
55 rendered under this section in violation of nationally recognized
56 standards national standards for triage and emergency health
57 care procedures.

58 (g) The office of emergency medical services shall, prior to
59 the effective date of this section, develop a written protocol
60 specifying recognized and accepted standards for triage and
61 emergency health care procedures for treatment of emergency
62 conditions necessitating admission of the patient to a designated
63 trauma center.

64 (h) In its discretion, the office of emergency medical
65 services may grant provisional trauma center status for a period
66 of up to one year to a health care facility applying for desig-
67 nated trauma center status. A facility given provisional trauma
68 center status is eligible for the limitation on liability provided
69 in subsection (a) of this section. If, at the end of the provisional
70 period, the facility has not been approved by the office of
71 emergency medical services as a designated trauma center, the
72 facility will no longer be eligible for the limitation on liability
73 provided in subsection (a) of this section.

74 (i) The commissioner of the bureau for public health may
75 grant an applicant for designated trauma center status a one-
76 time only extension of provisional trauma center status, upon
77 submission by the facility of a written request for extension,
78 accompanied by a detailed explanation and plan of action to
79 fulfill the requirements for a designated trauma center. If, at the
80 end of the six-month period, the facility has not been approved
81 by the office of emergency medical services as a designated
82 trauma center, the facility will no longer have the protection of
83 the limitation on liability provided in subsection (a) of this
84 section.

85 (j) If the office of emergency medical services determines
86 that a health care facility no longer meets the requirements for
87 a designated trauma center, it shall revoke the designation, at
88 which time the limitation on liability established by subsection
89 (a) of this section shall cease to apply to that health care facility
90 for services or treatment rendered thereafter.

91 (k) The Legislature hereby finds that an emergency exists
92 compelling promulgation of an emergency rule, consistent with
93 the provisions of this section, governing the criteria for designa-
94 tion of a facility as a trauma center or provisional trauma center
95 and implementation of a statewide trauma/emergency care
96 system. The Legislature therefore directs the secretary of the
97 department of health and human resources to file, on or before
98 the first day of July, two thousand three, emergency rules
99 specifying the criteria for designation of a facility as a trauma
100 center or provisional trauma center in accordance with nation-
101 ally accepted and recognized standards and governing the
102 implementation of a statewide trauma/emergency care system.
103 The rules governing the statewide trauma/emergency care
104 system shall include, but not be limited to:

105 (1) System design, organizational structure and operation,
106 including integration with the existing emergency medical
107 services system;

108 (2) Regulation of facility designation, categorization and
109 credentialing, including the establishment and collection of
110 reasonable fees for designation; and

111 (3) System accountability, including medical review and
112 audit to assure system quality. Any medical review committees
113 established to assure system quality shall include all levels of
114 care, including emergency medical service providers, and both
115 the review committees and the providers shall qualify for all the
116 rights and protections established in article three-c, chapter
117 thirty of this code.

§55-7B-10. Effective date; applicability of provisions.

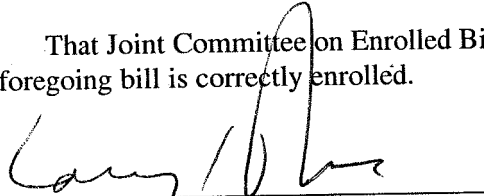

1 (a) The provisions of House Bill 149, enacted during the
2 first extraordinary session of the Legislature, 1986, shall be
3 effective at the same time that the provisions of Enrolled Senate
4 Bill 714, enacted during the Regular session, 1986, become
5 effective, and the provisions of said House Bill 149 shall be
6 deemed to amend the provisions of Enrolled Senate Bill 714.
7 The provisions of this article shall not apply to injuries which
8 occur before the effective date of this said Enrolled Senate Bill
9 714.

10 The amendments to this article as provided in House Bill
11 601, enacted during the sixth extraordinary session of the
12 Legislature, two thousand one, apply to all causes of action
13 alleging medical professional liability which are filed on or
14 after the first day of March, two thousand two.

15 (b) The amendments to this article provided in Enrolled
16 Committee Substitute for House bill No. 2122 during the
17 regular session of the Legislature, two thousand three, apply to

18 all causes of action alleging medical professional liability
19 which are filed on or after the first day of July, two thousand
20 three.

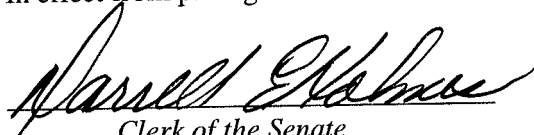

That Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
