24 (a) The Legislature finds and declares that:

1       (1) Disabilities and deaths of children resulting from

9       (3) By minimizing head injuries from skateboarding accidents,  
10 the state can experience a reduction in medical and rehabilitative  
11 services costs.

12       (b) The purpose of this article is to reduce the incidence of  
13 these disabilities and deaths by requiring all skateboarders wear  
14 approved protective skateboard helmets while using skateboards on  
15 public roads, public skateboard paths and other public rights-of-  
16 way of this state.
