AN ACT to amend and reenact §14-2A-3 of the Code of West Virginia, 1931, as amended, relating to increasing the allowable expense under the Crime Victims Award Program; increasing the amount that may be paid for the clean-up of real property damage by a methamphetamine laboratory; increasing allowable reimbursement for funeral expenses; and making technical revisions.

*Be it enacted by the Legislature of West Virginia:*

That §14-2A-3 of the Code of West Virginia, 1931, as amended, be amended to read as follows:

**ARTICLE 2A. COMPENSATION AWARDS TO VICTIMS  
OF CRIMES.**

**§14-2A-3. Definitions.**

1 As used in this article, the term:

2 (a) "Claimant" means any of the following persons,  
3 whether residents or nonresidents of this state, who claim an  
4 award of compensation under this article:

5 (1) A victim, except the term "victim" does not include  
6 a nonresident of this state where the criminally injurious act  
7 did not occur in this state;

8 (2) A dependent, spouse or minor child of a deceased  
9 victim or, if the deceased victim is a minor, the parents, legal  
10 guardians and siblings of the victim;

11 (3) A third person, other than a collateral source, who  
12 legally assumes or voluntarily pays the obligations of a  
13 victim or a victim's dependent when the obligations are  
14 incurred as a result of the criminally injurious conduct that is  
15 the subject of the claim;

16 (4) A person who is authorized to act on behalf of a  
17 victim, dependent or a third person who is not a collateral  
18 source including, but not limited to, assignees, persons  
19 holding power of attorney or others who hold authority to  
20 make or submit claims in place of or on behalf of a victim, a  
21 dependent or third person who is not a collateral source and  
22 if the victim, dependent or third person who is not a collateral  
23 source is a minor or other legally incompetent person, their  
24 duly qualified fiduciary;

25 (5) A person who is a secondary victim in need of mental  
26 health counseling due to the person's exposure to the crime  
27 committed whose award may not exceed \$1,000; and

28 (6) A person who owns real property damaged by the  
29 operation of a methamphetamine laboratory without the  
30 knowledge or consent of the owner of the real property.

31 (b) "Collateral source" means a source of benefits or  
32 advantages for economic loss otherwise compensable that the  
33 victim or claimant has received or that is readily available to  
34 him or her from any of the following sources:

35 (1) The offender, including restitution received from the  
36 offender pursuant to an order by a court sentencing the  
37 offender or placing him or her on probation following a  
38 conviction in a criminal case arising from the criminally  
39 injurious act for which a claim for compensation is made;

40 (2) The government of the United States or its agencies,  
41 a state or its political subdivisions or an instrumentality of  
42 two or more states;

43 (3) Social Security, Medicare and Medicaid;

44 (4) State-required, temporary, nonoccupational disability  
45 insurance or other disability insurance;

46 (5) Workers' compensation;

47 (6) Wage continuation programs of an employer;

48 (7) Proceeds of a contract of insurance payable to the  
49 victim or claimant for loss that was sustained because of the  
50 criminally injurious conduct;

51 (8) A contract providing prepaid hospital and other health  
52 care services or benefits for disability; and

53 (9) That portion of the proceeds of all contracts of  
54 insurance payable to the claimant on account of the death of  
55 the victim which exceeds \$25,000.

56 (c) “Criminally injurious conduct” means conduct that  
57 occurs or is attempted in this state, or in any state not having  
58 a victim compensation program, which poses a substantial  
59 threat of personal injury or death and is punishable by fine,  
60 imprisonment or death or would be so punishable but for a  
61 finding by a court of competent jurisdiction that the person  
62 committing the crime lacked capacity. Criminally injurious  
63 conduct also includes criminally injurious conduct committed  
64 outside of the United States against a resident of this state.  
65 Criminally injurious conduct does not include conduct arising  
66 out of the ownership, maintenance or use of a motor vehicle  
67 unless the person engaging in the conduct intended to cause  
68 personal injury or death or committed negligent homicide,  
69 driving under the influence of alcohol, controlled substances  
70 or drugs, leaving the scene of the accident or reckless driving.

71 (d) “Dependent” means an individual who received over  
72 half of his or her support from the victim. For the purpose of  
73 making this determination there shall be taken into account  
74 the amount of support received from the victim as compared  
75 to the entire amount of support the individual received from  
76 all sources including self-support. The term “support”  
77 includes, but is not limited to, food, shelter, clothing, medical  
78 and dental care and education. The term “dependent”  
79 includes a child of the victim born after his or her death.

80 (e) “Economic loss” means economic detriment  
81 consisting only of allowable expense, work loss and  
82 replacement services loss. If criminally injurious conduct

83 causes death, economic loss includes a dependent's economic  
84 loss and a dependent's replacement services loss.  
85 Noneconomic detriment is not economic loss, however,  
86 economic loss may be caused by pain and suffering or  
87 physical impairment. For purposes of this article, the term  
88 "economic loss" includes a lost scholarship as defined in this  
89 section.

90 (f) "Allowable expense" includes the following:

91 (1) Reasonable charges incurred or to be incurred for  
92 reasonably needed products, services and accommodations  
93 including those for medical care, mental health counseling,  
94 prosthetic devices, eye glasses, dentures, rehabilitation and  
95 other remedial treatment and care but does not include that  
96 portion of a charge for a room in a hospital, clinic,  
97 convalescent home, nursing home or other institution  
98 engaged in providing nursing care and related services which  
99 is in excess of a reasonable and customary charge for  
100 semiprivate accommodations unless accommodations other  
101 than semiprivate accommodations are medically required;

102 (2) A total charge not in excess of \$10,000 for expenses  
103 in any way related to funerals, cremations and burials;

104 (3) A charge, not to exceed \$10,000, for cleanup of real  
105 property damaged by a methamphetamine laboratory or a  
106 charge not to exceed \$1,000 for any other crime scene  
107 cleanup;

108 (4) Victim relocation costs not to exceed \$2,000;

109 (5) Reasonable travel expenses not to exceed \$1,000 for  
110 a claimant to attend court proceedings conducted for the  
111 prosecution of the offender;

112 (6) Reasonable travel expenses for a claimant to return a  
113 person who is a minor or incapacitated adult who has been  
114 unlawfully removed from this state to another state or  
115 country if the removal constitutes a crime under the laws of  
116 this state which may not exceed \$2,000 for expenses to  
117 another state or \$3,000 to another country; and

118 (7) Reasonable travel expenses for the transportation of  
119 a victim to and from a medical facility.

120 (g) “Work loss” means loss of income from work that the  
121 injured person would have performed if he or she had not  
122 been injured and expenses reasonably incurred or to be  
123 incurred by him or her to obtain services in lieu of those he  
124 or she would have performed for income. “Work loss” is  
125 reduced by income from substitute work actually performed  
126 or to be performed by him or her or by income he or she  
127 would have earned in available appropriate substitute work  
128 that he or she was capable of performing but unreasonably  
129 failed to undertake. “Work loss” also includes loss of income  
130 from work by the parent or legal guardian of a minor victim  
131 who must miss work to take care of the minor victim.

132 (h) “Replacement services loss” means expenses  
133 reasonably incurred or to be incurred in obtaining ordinary  
134 and necessary services in lieu of those the injured person  
135 would have performed for the benefit of himself or herself or  
136 his or her family if he or she had not been injured.  
137 “Replacement services loss” does not include services an  
138 injured person would have performed to generate income.

139 (i) “Dependent's economic loss” means loss after a  
140 victim's death of contributions or things of economic value to  
141 his or her dependents but does not include services they  
142 would have received from the victim if he or she had not  
143 suffered the fatal injury. This amount is reduced by expenses  
144 avoided by the dependent due to the victim’s death.

145 (j) "Dependent's replacement service loss" means loss  
146 reasonably incurred or to be incurred by dependents after a  
147 victim's death in obtaining ordinary and necessary services in  
148 lieu of those the victim would have performed for their  
149 benefit if he or she had not suffered the fatal injury. This  
150 amount is reduced by expenses avoided due to the victim's  
151 death but which are not already subtracted in calculating a  
152 dependent's economic loss.

153 (k) "Victim" means the following:

154 (1) A person who suffers personal injury or death as a  
155 result of any one of the following:

156 (A) Criminally injurious conduct;

157 (B) The good faith effort of the person to prevent  
158 criminally injurious conduct; or

159 (C) The good faith effort of the person to apprehend a  
160 person that the injured person has observed engaging in  
161 criminally injurious conduct or who the injured person has  
162 reasonable cause to believe has engaged in criminally  
163 injurious conduct immediately prior to the attempted  
164 apprehension.

165 (2) The owner of real property damaged by the operation  
166 of a methamphetamine laboratory which operation was  
167 without his or her knowledge or consent.

168 (l) "Contributory misconduct" means any conduct of the  
169 claimant or of the victim through whom the claimant claims  
170 an award that is unlawful or intentionally tortious and that,  
171 without regard to the conduct's proximity in time or space to  
172 the criminally injurious conduct, has a causal relationship to  
173 the criminally injurious conduct that is the basis of the claim

174 and includes the voluntary intoxication of the claimant, either  
175 by the consumption of alcohol or the use of any controlled  
176 substance, when the intoxication has a causal connection or  
177 relationship to the injury sustained.

178 (m) "Lost scholarship" means a scholarship, academic  
179 award, stipend or other monetary scholastic assistance which  
180 had been awarded or conferred upon a victim in conjunction  
181 with a post-secondary school educational program and which  
182 the victim is unable to receive or use, in whole or in part, due  
183 to injuries received from criminally injurious conduct.
