13 A BILL to amend the Code of West Virginia, 1931, as amended, by
14 adding thereto a new section, designated §17B-3-14; and to
15 amend and reenact §17B-4-3 of said code, all relating to the
16 suspension or revocation of driver's licenses; making
17 legislative findings; establishing a driver's license
18 restoration program; waiving certain reinstatement
19 requirements to restore driving privileges; reducing the
20 period for suspension upon receipt of notice of driving while
21 suspended for nondriving under the influence offenses; and
22 granting rule-making authority.

23 *Be it enacted by the Legislature of West Virginia:*

24 That the Code of West Virginia, 1931, as amended, be amended

1 by adding thereto a new section, designated §17B-3-14; and that
2 §17B-4-3 of said code be amended and reenacted, all to read as
3 follows:

4 **ARTICLE 3. CANCELLATION, SUSPENSION OR REVOCATION OF LICENSES.**

5 **§17B-3-14. Legislative findings; license restoration program;**
6 **rulemaking.**

7 (a) The Legislature finds:

8 (1) That a growing number of drivers in West Virginia have
9 their driver's licenses suspended or revoked each year;

10 (2) That a majority of the suspension and revocation actions
11 undertaken by the Division of Motor Vehicles are for nondriving-
12 related reasons including the nonpayment of citations and a variety
13 of other nonsafety-related reasons;

14 (3) That there is a clear relationship between citizens having
15 a valid driver's license and the ability to gain and maintain
16 stable employment and other important matters affecting the quality
17 of life of citizens throughout the state; and

18 (4) That there are many areas within the state that are not
19 adequately served by public transportation that provide a
20 reasonable alternative to transportation by means other than a
21 privately owned vehicle requiring the operator to have a valid
22 driver's license.

23 (b) The division is hereby required to establish a driver's
24 license restoration program for state drivers who have driver's

1 licenses suspended pursuant to section three-a of this article upon
2 notice of a state court for failure to resolve a citation or unpaid
3 tickets. The program shall consist of the waiving of any fees or
4 other requirements for the reinstatement of a drivers's license or
5 the privilege to operate a motor vehicle based on an unresolved or
6 unpaid nondriving under the influence citation file and any driving
7 while suspended or revoked for a nondriving under the influence
8 offense related to an unpaid ticket more than ten years from the
9 effective date of the suspension. Any offense or file waived in
10 accordance with this section may not appear on the licensee's
11 driving record.

12 (c) Notwithstanding any other provisions of this code to the
13 contrary, for the period from July 1, 2012, through and including
14 June 30, 2013, the Division of Motor Vehicles shall close the
15 unpaid ticket file and any driving while suspended or revoked for
16 a nondriving under the influence offense, created by an unpaid
17 ticket license suspension of any person whose driver's license or
18 privilege to operate a motor vehicle has been suspended or revoked
19 who presents verification of satisfaction and pays a reinstatement
20 fee of \$25 in lieu of the reinstatement fee required by section
21 nine of this article. The division may waive any remaining time on
22 a suspension or revocation reinstated in accordance with this
23 subsection. The Division shall remove any unpaid ticket file from
24 the person's official driving record and shall waive any

1 reinstatement fee, provided that the information about the tickets
2 shall remain part of the driver's history in the division's
3 records. The division shall not revoke or suspend for any
4 conviction of driving while suspended or driving while revoked
5 unless the underlying offense was for a driving while under the
6 influence-related offense. The conviction shall be recorded and
7 two points will be assessed for each conviction.

8 (d) This section may not be construed to waive any requirement
9 for the retesting of a driver's vision, written or road skills if
10 an offender's driver's license has expired for more than six
11 months.

12 (e) Notwithstanding any other provision of this section, the
13 division may not waive any requirements or fees if the waiver:

14 (1) Violates any federal laws or federal rules pertaining to
15 commercial drivers or other licensees;

16 (2) Disqualifies or jeopardize the ability of this state to
17 receive federal highway funding or highway safety funding; or

18 (3) Places this state in noncompliance with any interstate or
19 reciprocal agreements that may be in effect now or in the future.

20 (f) The commissioner may propose rules for legislative
21 approval, in accordance with the provisions of article three,
22 chapter twenty-nine-a of this code, to implement this section.

23 (g) Unless otherwise provided in this section, a suspension
24 under section three-a of this article will continue until the

1 person provides proof of compliance from the municipal, magistrate
2 or circuit court and pays the reinstatement fee as provided in
3 section nine of this article. The reinstatement fee is assessed
4 upon issuance of the order of suspension regardless of the
5 effective date of suspension.

6 **ARTICLE 4. VIOLATION OF LICENSE PROVISIONS.**

7 **§17B-4-3. Driving while license suspended or revoked; driving**
8 **while license revoked for driving under the influence**
9 **of alcohol, controlled substances or drugs, or while**
10 **having alcoholic concentration in the blood of eight**
