15 which constitutes a violation of the motor vehicle laws contained  
16 in section fourteen, article fourteen, chapter seventeen-c of this  
17 code.

18 (3) If any litter is placed, deposited, dumped, discharged,

11 designated by the court, for not less than eight nor more than  
12 sixteen hours, or both.

13           (5) Any person who violates the provisions of this section by

14       (7) Any person convicted of a second or subsequent violation  
15 of this section is subject to double the authorized range of fines  
16 and community service for the subsection violated.

17       (8) The sentence of litter clean up shall be verified by  
18 environmental inspectors from the Department of Environmental  
19 Protection. Any defendant receiving the sentence of litter clean  
20 up shall provide, within a time to be set by the court, written  
21 acknowledgment from an environmental inspector that the sentence

15 placed, deposited, dumped or thrown in such location that high  
16 water or normal drainage conditions will cause any such materials  
17 or substances to wash into any waters of the state, it is prima  
18 facie evidence that the owner, renter or lessee intended to violate  
19 the provisions of this section: *Provided*, That if a landowner,  
20 renter or lessee, private or otherwise, reports any placing,  
21 depositing, dumping or throwing of these substances or materials  
22 upon his or her property to the prosecuting attorney, county  
23 commission, the Division of Natural Resources or the Department of  
24 Environmental Protection, the landowner, renter or lessee will be

1 presumed to not have knowingly permitted the placing, depositing,  
2 dumping or throwing of the materials or substances.

3 (b) Any indication of ownership found in litter shall be prima  
4 facie evidence that the person identified violated the provisions  
5 of this section: *Provided,* That no inference may be drawn solely  
6 from the presence of any logo, trademark, trade name or other  
7 similar mass reproduced things of identifying character appearing  
8 on the found litter.

9 (c) Every person who is convicted of or pleads guilty to  
10 disposing of litter in violation of subsection (a) of this section  
11 shall pay a civil penalty in the sum of not less than \$200 nor more  
12 than \$1,000 as costs for clean up, investigation and prosecution of  
13 the case, in addition to any other court costs that the court is

15 The clerk of the circuit court, magistrate court or municipal  
16 court in which these additional costs are imposed shall, on or  
17 before the last day of each month, transmit fifty percent of a  
18 civil penalty received pursuant to this section to the State  
19 Treasurer for deposit in the State Treasury to the credit of a  
20 special revenue fund to be known as the Litter Control Fund which  
21 is hereby continued and transferred to the Department of  
22 Environmental Protection. Expenditures for purposes set forth in  
23 this section are not authorized from collections but are to be made  
24 only in accordance with appropriation and in accordance with the

1 provisions of article three, chapter twelve of this code and upon  
2 fulfillment of the provisions set forth in article two, chapter  
3 five-a of this code. Amounts collected which are found from time  
4 to time to exceed the funds needed for the purposes set forth in  
5 this article may be transferred to other accounts or funds and  
6 designated for other purposes by appropriation of the Legislature.

7 (d) The remaining fifty percent of each civil penalty  
8 collected pursuant to this section shall be transmitted to the  
9 county or regional solid waste authority in the county where the  
10 litter violation occurred. Moneys shall be expended by the county  
11 or regional solid waste authority for the purpose of litter  
12 prevention, clean up and enforcement. The county commission shall  
13 cooperate with the county or regional solid waste authority serving  
14 the respective county to develop a coordinated litter control  
15 program pursuant to section eight, article four, chapter twenty-  
16 two-c of this code.

17 (e) The Commissioner of the Division of Motor Vehicles, upon  
18 registering a motor vehicle or issuing an operator's or chauffeur's  
19 license, shall issue to the owner or licensee, as the case may be,  
20 a summary of this section and section fourteen, article fourteen,  
21 chapter seventeen-c of the code.

22 (f) The Commissioner of the Division of Highways shall cause  
23 appropriate signs to be placed at the state boundary on each  
24 primary and secondary road, and at other locations throughout the

1 state, informing those entering the state of the maximum penalty  
2 provided for disposing of litter in violation of subsection (a) of  
3 this section.

4 (g) Any state agency or political subdivision that owns,  
5 operates or otherwise controls any public area as may be designated  
6 by the secretary by rule promulgated pursuant to subdivision (8),  
7 subsection (a), section three of this article shall procure and  
8 place litter receptacles at its own expense upon its premises and  
9 shall remove and dispose of litter collected in the litter  
10 receptacles. After receiving two written warnings from any law-  
11 enforcement officer or officers to comply with this subsection or  
12 the rules of the secretary, any state agency or political  
13 subdivision that fails to place and maintain the litter receptacles  
14 upon its premises in violation of this subsection or the rules of  
15 the secretary shall be fined \$30 per day of the violation.

16 (h) The secretary shall propose rules for legislative approval  
17 in accordance with the provisions of article three, chapter twenty-  
18 nine-a of this code to implement procedures under which county  
19 commissions and municipal governments are granted a limited  
20 exemption to the provisions of this article to undertake timely and  
21 efficient removal or burning of litter, trash and debris resulting  
22 from storms and other weather related events causing extensive  
23 property damage.

NOTE: The purpose of this bill is to provide for a limited exemption to litter laws to allow county and municipal governments to undertake timely and efficient removal or burning of litter, trash and debris resulting from storms and other weather related events causing extensive property damage.
