11 Research Division of the Office of the Legislative Auditor
12 shall submit a report, and such supporting materials as may
13 be required, to the Joint Standing Committee on Government
14 Organization, as set out in this section.

15 (c) For an application proposing the regulation of an
16 unregulated professional or occupational group or organiza-

18 findings as to:

19 (1) Whether the unregulated practice of the occupation

22 is easily recognizable and not remote or dependent upon
23 tenuous argument;

24 (2) Whether the practice of the profession or occupation
25 requires specialized skill or training which is readily
26 measurable or quantifiable so that examination or training
27 requirements would reasonably assure initial and continuing
28 professional or occupational competence;

29 (3) Whether the public can be adequately protected by
30 other means in a more cost-effective manner; and

6 applicants for regulation may introduce legislation during

7 each of the two successive regular sessions without having to
8 make reapplication.

9 (b) If the Joint Standing Committee on Government
10 Organization does not approve an application for regulation,
11 establishment, revision or expansion of the scope of practice
12 of a professional or occupational group or organization, any
13 party who continues to propose the regulation, establish-
14 ment, revision or expansion must reapply in accordance with
15 the provisions of this article.

§30-1A-6. Article construction.

1 (a) Nothing in this article shall be construed as limiting
2 or interfering with the right of any member of the Legisla-
3 ture to introduce or of the Legislature to consider any bill
4 that would create a new state governmental department or
5 agency or amend the law with respect to an existing one.

6 (b) Notwithstanding the provisions of subsection (a) of
7 this section, the recommendations of the Joint Standing
8 Committee on Government Organization are to be given
9 considerable weight in determining if a profession or
10 occupation should be regulated, or if the scope of practice of
11 a regulated profession or occupation should be established,
12 revised or expanded.

The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
