10 deployment, resulting in many unique issues and challenges in their
11 pursuit of higher education.

12 (b) *Legislative intent.* -- It is the intent of the Legislature
13 that state institutions of higher education provide adequate
14 services and facilities for student veterans in order to better
15 serve their unique issues and needs and to make West Virginia's
16 state institutions of higher education veteran-friendly.

17 (c) The commission and council each shall establish and
18 implement measures in the state institutions of higher education
19 under their respective jurisdictions to assure that veterans
20 enrolled in the institutions receive services and are provided
21 facilities appropriate for their unique needs, that student
22 veterans complete programs of study and earn degrees, and that the
23 institutions become veteran-friendly by actively and effectively

1 providing academic and social support and assistance to student
2 veterans. The measures shall include, but are not limited to, the
3 following:

4 (1) Establishing veteran-friendly community and technical
5 college degree programs which recognize and award academic credit

20 Degree program to student veterans and potential student veterans;

21 (7) Coordinating existing disability services on campus with
22 veteran disability services available from the United States
23 Department of Veterans Affairs, other federal and state agencies,

3 effectively respond to the unique needs of veterans and to provide
4 services or provide referrals to services to fulfill these needs
5 for student veterans;

6 (9) Developing training materials on responding to student
7 veteran needs to be available for continued professional
8 development of counselors to student veterans;

9 (10) Facilitating regular statewide meetings for all personnel
10 at state institutions of higher education who regularly provide
11 specific services to student veterans to discuss and develop best
12 practices, exchange ideas and experiences, and hear presentations
13 by individuals with generally accepted expertise in areas of the
14 various needs of student veterans;

16 appropriate state and federal agencies of the status of student
17 veterans in West Virginia;

22 student veterans; and

23 (13) Developing and facilitating communications between state

1 institutions of higher education and various veteran organizations
2 in the state to advance veteran causes that benefit student
3 veterans.

4 (d) Veterans Advocates. -- Each state institution of higher
5 education shall appoint or designate and train a person to serve as
