AN ACT to amend and reenact §17A-6-10c of the Code of West Virginia, 1931, as amended, relating to authorizing the commissioner to issue no more than ten additional special demonstration plates, upon a showing of need, to new and used motor vehicle dealers engaged in the business of selling trailers, truck-tractors, road-tractors or trucks and that demonstrate the motor vehicles under actual work conditions to potential purchasers; and setting fee amount for additional plates.

Be it enacted by the Legislature of West Virginia:

That §17A-6-10c of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

**ARTICLE 6. LICENSING OF DEALERS AND WRECKERS OR
DISMANTLERS; SPECIAL PLATES;
TEMPORARY PLATES OR MARKERS.**

PART III. FEES AND DEALER SPECIAL PLATES
GENERALLY.

**§17A-6-10c. Special demonstration plates for dealers in
trailers, truck-tractors, road-tractors and
trucks; application; fee.**

1 (a) Notwithstanding any other provisions of this code, a
2 new motor vehicle dealer or used motor vehicle dealer
3 engaged in the business of selling trailers, truck-tractors,
4 road-tractors or trucks that demonstrates the motor vehicles
5 under actual work conditions to potential purchasers shall
6 obtain a special demonstration plate from the Division of
7 Motor Vehicles. The motor vehicle dealer may obtain special
8 demonstration plates without first titling or registering each
9 vehicle.

10 (b) The commissioner shall prescribe the application form
11 for these special demonstration plates and shall require the
12 applicant to submit proof of the applicant's status as a bona
13 fide dealer in motor vehicles and to certify that the applicant
14 needs special demonstration plates in the ordinary course of
15 business.

16 The commissioner, upon approving an application, shall
17 issue to the new motor vehicle dealer or used motor vehicle
18 dealer up to four special demonstration plates which display
19 the term "demonstration" or "demo" and a distinguishing
20 number assigned to the motor vehicle dealer. The
21 commissioner may issue no more than ten additional special
22 demonstration plates to a licensee upon a showing that the
23 licensee has sales or potential sales justifying additional
24 plates. This showing may include, but is not limited to, the
25 dealer's on-site inventory of the applicable type of vehicles,
26 previous sales of applicable vehicles or the geographical
27 divergence of the dealer's customer base.

28 (c) The annual fee for special demonstration plates is
29 \$100 for the first plate and \$50 for each additional special
30 demonstration plate that is issued, not to exceed a total of
31 fourteen plates per dealer.

32 (d) Each motor vehicle dealer who is issued special
33 demonstration plates shall keep a written record, on a form
34 approved by the commissioner and open to inspection by a
35 police officer or employee of the division, containing the
36 following information:

37 (1) Identification of the motor vehicles upon which the
38 special demonstration plates are used;

39 (2) The times and dates during which each special
40 demonstration plate is used;

41 (3) The name and address of the company or individual
42 using a motor vehicle on which a special demonstration plate
43 is used; and

44 (4) Other information considered necessary by the
45 commissioner.

46 (e) Each motor vehicle operated under the provisions of
47 this section is considered to be registered at the maximum
48 vehicle weights allowable under article seventeen, chapter
49 seventeen-c of this code.

50 (f) A motor vehicle dealer shall not:

51 (1) Use a special demonstration plate issued under the
52 provisions of this section on a motor vehicle which is not
53 being demonstrated;

54 (2) Use a special demonstration plate to demonstrate a
55 single motor vehicle for more than seven calendar days in a
56 calendar year for a single customer;

57 (3) Use a special demonstration plate on a motor vehicle
58 leased or rented to a customer; or

59 (4) Use a special demonstration plate in any way other
60 than to demonstrate the on-the-job capabilities of a motor
61 vehicle to a potential purchaser.

62 (g) The motor vehicle dealer is required to furnish a
63 certificate of insurance in the amount required by regulations
64 of the West Virginia Public Service Commission or the
65 United States Department of Transportation for the class of
66 motor carrier for which the motor vehicle is to be
67 demonstrated.
