10 A BILL to amend the code of West Virginia, 1931, as amended, by  
11 adding thereto a new section, designated §18-2-5h, relating to  
12 creating the student data accessibility, transparency and  
13 accountability act; providing definitions; state, district and  
14 school responsibilities for data inventory; providing for data  
15 governance officer and responsibilities; establishing parental  
16 rights to information and providing for policies on security  
17 and access; requiring state board rules; and establishing  
18 effect on existing data.

19 *Be it enacted by the Legislature of West Virginia:*

20 That the code of West Virginia, 1931, as amended, be amended  
21 by adding thereto a new section, designated §18-2-5h, to read as  
22 follows:

23 **ARTICLE 2. STATE BOARD OF EDUCATION.**

24 **§18-2-5h. Student Data Accessibility, Transparency and**  
25 **Accountability Act.**

26 (a) Title. - This section shall be known and may be cited as

1 the "Student Data Accessibility, Transparency and Accountability  
2 Act."

3 (b) Definitions. - As used in this section, the following  
4 words have the meanings ascribed to them unless the context clearly  
5 implies a different meaning:

6 (1) "Board" means the West Virginia Board of Education;

7 (2) "Department" means the West Virginia Department of  
8 Education;

9 (3) "Student Data system" means the West Virginia Department  
10 of Education statewide longitudinal data system;

11 (4) "Aggregate data" means data collected that is reported at  
12 the group, cohort, or institutional level with a data set of  
13 sufficient size that no information for an individual parent or  
14 student is identifiable;

15 (5) "Redacted data" means a student dataset in which parent  
16 and student identifying information has been removed;

17 (6) "State-assigned student identifier" means the unique  
18 student identifier assigned by the state to each student that shall  
19 not be or include the Social Security number of a student in whole  
20 or in part;

21 (7) "Student data" means data collected or reported at the  
22 individual student level included in a student's educational  
23 record;

24 (8) "Provisional student data" means new student data proposed  
25 for inclusion in the student data system; and

1       (9) "School district" means a county board of education, the  
2 West Virginia Schools for the Deaf and Blind and the West Virginia  
3 Department of Education with respect to the education programs  
4 under its jurisdiction that are not in the public schools.

5       (10) "Directory information" means the following individual  
6 student information that is subject to disclosure for school-  
7 related purposes only: Student name, address, telephone number,  
8 date and place of birth, major field of study, participation in  
9 officially recognized activities and sports, weight and height of  
10 members of athletic teams, dates of attendance, indication of  
11 "graduate" or "non-graduate," degrees and awards receives, most  
12 recent previous school attended, and photograph.

13       (c) Data Inventory - State Responsibilities. - The Department  
14 of Education shall:

15       (1) Create, publish, and make publicly available a data  
16 inventory and dictionary or index of data elements with definitions  
17 of individual student data fields in the student data system to  
18 include, but not be limited to:

19       (A) Any individual student data required to be reported by  
20 state and federal education mandates;

21       (B) Any individual student data which has been proposed in  
22 accordance with paragraph (A), subdivision (7) of this subsection  
23 for inclusion in the student data system with a statement regarding  
24 the purpose or reason and legal authority for the proposed  
25 collection; and

1 (C) Any individual student data that the department collects  
2 or maintains with no current identified purpose;

3 (2) Develop, publish, and make publicly available policies and  
4 procedures to comply with all relevant state and federal privacy  
5 laws and policies, including, but not limited to, the Federal  
6 Family Educational Rights and Privacy Act (FERPA) and other  
7 relevant privacy laws and policies. The policies and procedures  
8 specifically shall include, but are not limited to:

9 (A) Access to student and redacted data in the statewide  
10 longitudinal data system shall be restricted to:

11 (i) The authorized staff of the department and the contractors  
12 working on behalf of the department who require access to perform  
13 their assigned duties as required by law and defined by interagency  
14 data-sharing agreements;

15 (ii) District administrators, teachers and school personnel  
16 who require access to perform their assigned duties;

17 (iii) Students and their parents; and

18 (iv) The authorized staff of other West Virginia state  
19 agencies as required by law and defined by interagency data-sharing  
20 agreements;

21 (B) Use only aggregate data in public reports or in response  
22 to record requests in accordance with this section;

23 (C) Unless otherwise prohibited by law, develop criteria for  
24 the approval of research and data requests from state and local  
25 agencies, the Legislature, researchers working on behalf of the

1 department, and the public. Unless otherwise approved by the State  
2 Board, student data maintained by the department shall remain  
3 redacted; and

4 (D) Notification to students and parents regarding student  
5 privacy rights under federal and state law;

6 (3) Unless otherwise provided by law or approved by the State  
7 Board, the department shall not transfer student or redacted data  
8 that is confidential under this section to any federal, state or  
9 local agency or other organization, public or private, with the  
10 following exceptions:

11 (A) A student transfers out-of-state or a school or school  
12 district seeks help with locating an out-of-state transfer;

13 (B) A student leaves the state to attend an out-of-state  
14 institution of higher education or training program;

15 (C) A student registers for or takes a national or multistate  
16 assessment;

17 (D) A student voluntarily participates in a program for which  
18 a data transfer is a condition or requirement of participation;

19 (E) The department enters into a contract that governs  
20 databases, assessments, special education or instructional supports  
21 with an in-state or out-of-state contractor for the purposes of  
22 state level reporting;

23 (F) A student is classified as "migrant" for federal reporting  
24 purposes; or

25 (G) A federal agency is performing a compliance review.

1       (4) Develop a detailed data security plan that includes:  
2       (A) Guidelines for the state board to authorize access to the  
3 student data system and to individual student data including  
4 guidelines for authentication of authorized access;  
5       (B) Privacy compliance standards;  
6       (C) Privacy and security audits;  
7       (D) Breach planning, notification and procedures;  
8       (E) Data retention and disposition policies; and  
9       (F) Data security policies including electronic, physical, and  
10 administrative safeguards, such as data encryption and training of  
11 employees;  
12       (5) Ensure routine and ongoing compliance by the department  
13 with FERPA, other relevant privacy laws and policies, and the  
14 privacy and security policies and procedures developed under the  
15 authority of this act, including the performance of compliance  
16 audits;  
17       (6) Ensure that any contracts that govern databases,  
18 assessments or instructional supports that include student or  
19 redacted data and are outsourced to private vendors include express  
20 provisions that safeguard privacy and security and include  
21 penalties for noncompliance; and  
22       (7) Notify the Governor and the Legislature annually of the  
23 following:  
24       (A) New student data proposed for inclusion in the state  
25 student data system. Any proposal by the Department of Education

1 to collect new student data must include a statement regarding the  
2 purpose or reason and legal authority for the proposed collection.  
3 The proposal shall be announced to the general public for a review  
4 and comment period of at least sixty days and approved by the state  
5 board before it becomes effective. Any new student data collection  
6 approved by the state board is a provisional requirement for a  
7 period sufficient to allow schools and school districts the  
8 opportunity to meet the new requirement;

9 (B) Changes to existing data collections required for any  
10 reason, including changes to federal reporting requirements made by  
11 the U.S. Department of Education and a statement of the reasons the  
12 changes were necessary;

13 (C) An explanation of any exceptions granted by the state  
14 board in the past year regarding the release or out-of-state  
15 transfer of student or redacted data; and

16 (D) The results of any and all privacy compliance and security  
17 audits completed in the past year. Notifications regarding privacy  
18 compliance and security audits shall not include any information  
19 that would itself pose a security threat to the state or local  
20 student information systems or to the secure transmission of data  
21 between state and local systems by exposing vulnerabilities.

22 (8) Notify the Governor upon the suspicion of a data security  
23 breach or confirmed breach and upon regular intervals as the breach  
24 is being managed. The parents shall be notified as soon as  
25 possible after the suspected or confirmed breach.

1 (d) Data Inventory - District Responsibilities. - A school  
2 district shall not report to the state the following individual  
3 student data:

4 (1) Juvenile delinquency records;

5 (2) Criminal records;

6 (3) Medical and health records; and

7 (4) Student biometric information.

8 (e) Data Inventory - School Responsibilities. - Schools shall  
9 not collect the following individual student data:

10 (1) Political affiliation and beliefs; and

11 (2) Religion and religious beliefs.

12 (f) Data Governance Officer. - The state superintendent shall  
13 appoint a data governance officer, who shall report to and be under  
14 the general supervision of the state superintendent. The data  
15 governance officer shall have primary responsibility for privacy  
16 policy, including:

17 (1) Assuring that the use of technologies sustain, and do not  
18 erode, privacy protections relating to the use, collection, and  
19 disclosure of student data;

20 (2) Assuring that student data contained in the student data  
21 system is handled in full compliance with the Student Data  
22 Accessibility, Transparency, and Accountability Act, FERPA, and  
23 other state and federal privacy laws;

24 (3) Evaluating legislative and regulatory proposals involving  
25 collection, use, and disclosure of student data by the Department

1 of Education;

2 (4) Conducting a privacy impact assessment on proposed rules  
3 of the state board and department in general and on the privacy of  
4 student data, including the type of personal information collected  
5 and the number of students affected;

6 (5) Coordinating with the general counsel of the state board  
7 and department, other legal entities, and organization officers to  
8 ensure that programs, policies, and procedures involving civil  
9 rights, civil liberties, and privacy considerations are addressed  
10 in an integrated and comprehensive manner;

11 (6) Preparing a report to the Legislature on an annual basis  
12 on activities of the department that affect privacy, including  
13 complaints of privacy violations, internal controls, and other  
14 matters;

15 (7) Establishing department-wide policies necessary for  
16 implementing Fair Information Practice Principles to enhance  
17 privacy protections;

18 (8) Working with the Office of Data Management and Analysis,  
19 the general counsel, and other officials in engaging with  
20 stakeholders about the quality, usefulness, openness, and privacy  
21 of data;

22 (9) Establishing and operating a department-wide Privacy  
23 Incident Response Program to ensure that incidents are properly  
24 reported, investigated and mitigated, as appropriate;

25 (10) Establishing and operating a process for parents to file

1 complaints of privacy violations;

2 (11) Establishing and operating a process to collect and  
3 respond to complaints of privacy violations and provides redress,  
4 as appropriate; and

5 (12) Providing training, education and outreach to build a  
6 culture of privacy across the department and transparency to the  
7 public.

8 The data governance officer shall have access to all records,  
9 reports, audits, reviews, documents, papers, recommendations, and  
10 other materials available to the department that relate to programs  
11 and operations with respect to his or her responsibilities under  
12 this section and shall make investigations and reports relating to  
13 the administration of the programs and operations of the department  
14 as are necessary or desirable.

15 (g) Parental rights regarding child's information and  
16 education record. - Parents have the right to inspect and review  
17 their child's education record maintained by the school and to  
18 request student data specific to their child's educational record.  
19 School districts must provide parents or guardians with a copy of  
20 their child's educational record upon request. Whenever possible,  
21 an electronic copy of the educational record must be provided if  
22 requested and the identity of the person requesting the information  
23 is verified as the parent or guardian.

24 The state board shall develop guidance for school district  
25 policies that:

1 (1) Annually notify parents of their right to request student  
2 information;

3 (2) Ensure security when providing student data to parents;

4 (3) Ensure student data is provided only to the authorized  
5 individuals;

6 (4) Detail the timeframe within which record requests must be  
7 provided;

8 (5) Ensure that school districts have a plan to allow parents  
9 to view and access data specific to their child's educational  
10 record and that any electronic access provided is restricted to  
11 eligible parties;

12 (6) Ensure compliance in the collection, use and disclosure  
13 of directory information and providing parents or guardians with a  
14 form to limit the information concerning their child in directory  
15 and subject to release; and

16 (7) Informing parents of their rights and the process for  
17 filing complaints of privacy violations..

18 (h) State Board Rules. - The state board shall adopt rules  
19 necessary to implement the provisions of the Student Data  
20 Accessibility, Transparency, and Accountability Act.

21 (i) Effect on Existing Data. - Upon the effective date of this  
22 section, any existing student data collected by the Department of  
23 Education shall not be considered a new student data collection  
24 under this section.
