(By Delegates Fragale and Iaquina)  
[Introduced January 14, 2014; referred to the  
Committee on Education.]

A BILL to amend the Code of West Virginia, 1931, as amended, by adding thereto a new article, designated §5-30-1, §5-30-2 and §5-30-3, all relating to the creation of the Governor's Committee on School Board Unification; explaining the purpose for creating the committee; establishing the committee; naming the committee's members; listing the committee's reimbursable expenses; setting a quorum for the committee; establishing the committee's meeting schedule; planning for the committee's termination; and specifying what the committee must include in its report to the Governor.

*Be it enacted by the Legislature of West Virginia:*

That the Code of West Virginia, 1931, as amended, be amended by adding thereto a new article, designated §5-30-1, §5-30-2 and §5-30-3, all to read as follows:

1 **Article 30. Governor's Committee on School Board Unification.**

2 **§5-30-1. Legislative purpose.**

3 (a) The Legislature finds that the fifty-five county school  
4 boards across West Virginia face challenges related to  
5 accessability, funding, population and topography. In many cases,  
6 the challenges county school boards face are shared by bordering  
7 county school boards. With this knowledge, the Legislature  
8 recognizes the need to study:

9 (1) The feasibility of unifying and consolidating county  
10 school boards;

11 (2) The possible benefits and detriments that may come with  
12 unifying and consolidating county school boards;

13 (3) The challenges and political realities that would be  
14 encountered when unifying and consolidating school boards; and

15 (4) How the county school boards could be unified and  
16 consolidated into no more than twenty-seven districts.

17 (b) The Legislature therefore declares that creation of the  
18 Governor's Committee on School Board Unification will enable the  
19 study of the possibilities for and implications of school board  
20 unification.

21 **§5-30-2. Governor's Committee on School Board Unification;**

22 **establishment of committee; members; expenses;**

8 provisions of section seven, article two-a, chapter four of this  
9 code.

10       (f) The State Superintendent of Schools and appointed members  
11 of the committee are not entitled to compensation for service on  
12 the committee but may be reimbursed by the West Virginia Department  
13 of Education for all reasonable and necessary expenses actually  
14 incurred in the performance of their duties in a manner consistent  
15 with guidelines of the Travel Management Office of the Department  
16 of Administration.

17       (g) A majority of the members constitutes a quorum for the  
18 purpose of conducting business.

19       (h) The committee shall meet at least once per month between
