

1 (b) A person licensed under this article must carry a copy of
2 the license on any job in which plumbing work is being performed.

3 (c) This article does not apply to:

4 (1) A person who personally performs plumbing work on a single
5 family dwelling owned or leased by that person or by a member of
6 that person's immediate family;

7 (2) A person who performs plumbing at any manufacturing plant
8 or other industrial establishment as an employee of the person,
9 firm or corporation operating the plant or establishment;

10 (3) A person who performs plumbing work while employed by an
11 employer who engages in the business of selling appliances at
12 retail, so long as ~~such~~ the plumbing work is performed incidental
13 to the installation or repair of appliances sold by the employer;

14 (4) A person who, while employed by a public utility or its
15 affiliate, performs plumbing in connection with the furnishing of
16 public utility service;

17 (5) A person who performs plumbing work while engaging in the
18 business of installing, altering or repairing water distribution or
19 drainage lines outside the foundation walls of a building, public
20 or private sewage treatment or water treatment systems including
21 all associated structures or buildings, sewers or underground
22 utility services;

23 (6) A person who performs plumbing work while engaged in the
24 installation, extension, dismantling, adjustment, repair, servicing

1 or alteration of a heating ventilation and air conditioning (HVAC)
2 system, air-veyor system, air exhaust system or air handling
3 system;

4 (7) A person who performs plumbing work at a coal mine that is
5 being actively mined or where coal is being processed; ~~or~~

6 (8) A person who performs plumbing work at manufacturing,
7 industrial and natural gas facilities; or

8 (9) A person employed by a county board of education who
9 performs plumbing work on board of education property.

NOTE: The purpose of this bill is to exempt individuals employed by a county board of education from plumbing licensing requirements while performing plumbing work on board of education property.

Strike-throughs indicate language that would be stricken from the present law, and underscoring indicates new language that would be added.
