

1 under the provisions of this article may not be sold, given,
2 transferred or otherwise made available directly or indirectly to
3 any person, institution, corporation or other entity for use in
4 educational or scientific research or related activities.
5 Disposition of impounded dogs or cats may only be by adoption as
6 pets or humanely destroyed. Any person who violates the provisions
7 of this section is guilty of a misdemeanor and, upon conviction
8 thereof, shall be fined not less than \$450 nor more than \$2,000.

9 (b) Notwithstanding any provision in this section, a public
10 school in this state with an animal and veterinary science program
11 may obtain dogs and cats impounded under the provisions of this
12 article for humane use by the students and facility in furtherance
13 of the school's animal and veterinary science curriculum, and may
14 provide any appropriate attendant care and adoption assistance for
15 the animals.

NOTE: The purpose of this bill is to provide that a state public school with an animal and veterinary science program may obtain impounded dogs and cats for humane use in furtherance of the school's curriculum, and may provide any appropriate attendant care and adoption assistance for the animals.

Strike-throughs indicate language that would be stricken from the present law, and underscoring indicates new language that would be added.
