15 The Legislature finds that the above moral obligations and the appropriations made in
 16 satisfaction thereof shall be the full compensation for all claimants and that prior to the payments
 17 to any claimant provided in this bill, the Court of Claims shall receive a release from said claimant
 18 releasing any and all claims for moral obligations arising from the matters considered by the
 19 Legislature in the finding of the moral obligations and the making of the appropriations for said
 20 claimant. The Court of Claims shall deliver all releases obtained from claimants to the department
 21 against which the claim was allowed.

NOTE: The purpose of this bill is for the Legislature to find and declare the existence of a moral obligation to pay, with public moneys, each of the claims herein against specified state agencies and the State of West Virginia, by the named claimants, payable from the specified funds, and in the amounts of the awards made.

A second and separate bill (either supplementary appropriation bill or a section of the budget bill) will actually appropriate the moneys herein awarded and permit payment in current fiscal year 2015 and through 2016.

The totals, as to type of funds and amounts of awards in the bill, are:

- (1) General Revenue Funds of \$ 29,594.65
- (2) Special Revenue Funds of \$ 747,869.92
- (3) State Road Funds of \$ 730,432.58
