1 (a) A PROMISE scholarship annual award shall meet the following conditions:

2 (1) For a student enrolled in a state institution of higher education, the annual award is
 3 equal to the lesser of the cost of tuition or \$4,750, except that a student who was awarded and
 4 used a PROMISE scholarship annual award prior to January 1, 2010, shall continue to receive
 5 the annual award calculated under the same terms and conditions that applied on the day before
 6 the effective date of this article;

7 (2) For a student enrolled in an eligible institution other than a state institution of higher
 8 education, the annual award is equal to, but may not exceed, the lesser of the cost of tuition or
 9 \$4,750, except that a student who was awarded and used a PROMISE scholarship annual award
 10 prior to January 1, 2010, shall continue to receive the annual award calculated under the same
 11 terms and conditions that applied on the day before the effective date of this article;

12 (3) The annual award may exceed \$4,750, if the commission determines that adequate
 13 funds are available, but in any case, may not be greater than the actual cost of tuition;

14 (4) The annual award shall be used by an eligible institution to supplement, but may not
 15 supplant, a tuition and fee waiver for which the individual is eligible pursuant to section five, six-a,

16 seven or seven-b, article ten, chapter eighteen-b of this code.

17 (b) The total cost of all scholarships awarded by the commission in any year may not
18 exceed the amount of funds available to the commission during that fiscal year.

20 (1) Submit a scholarship award application to the commission:

21 (A) Within two years of graduating from high school or within two years of acquiring a
22 general equivalency degree if provided instruction in the home or other approved place pursuant
23 to subsection (c), section one, article eight, chapter eighteen of this code; or

30 education at the associate and baccalaureate degree levels as determined by the commission, if
31 the individual has completed not more than one semester or term at an institution of higher
32 education, excluding credits earned in advanced placement, international baccalaureate, dual
33 credit and comparable courses while the student is enrolled in high school;

34 (4) Maintain appropriate academic progress toward the completion of a degree at the
35 undergraduate education level as determined by the commission if the individual has completed

44 her undergraduate education at that institution or any other eligible institution under the following
45 circumstances:

46 (A) The institution at which the student is enrolled loses its status as an eligible institution
47 pursuant to the provisions of subdivision (1), subsection (b), section three of this article; and

49 rules.

50 (8) Reside in West Virginia, with his or her parent or legal guardian, for twenty-four
51 consecutive months preceding the final date of application for a PROMISE Scholarship, unless
52 the applicant is a full-time member of the armed services or a military dependent. An applicant
53 who is a full-time, active duty member of the armed services must have entered military service
54 from this state, and not have established domicile in another state during the twenty-four
55 consecutive months preceding the application. A military dependent must have resided with his

57 stationed outside this state, and maintained legal residence in West Virginia during the twenty-
58 four consecutive months preceding the application.

59 (d) It is the intent of the Legislature that the commission shall strongly encourage
60 prospective candidates for the PROMISE scholarship to perform at least twenty hours of unpaid
61 community service while in high school to help prepare them for success in post-secondary
62 education. The community service may include, but is not limited to, participation with nonprofit,
63 governmental or community-based organizations designed with any or all of the following

64 purposes:

65 (1) Improving the quality of life for community residents;

70 (1) The rule shall include at least the following provisions:

71 (A) The amount of a PROMISE scholarship award in combination with aid from all other
72 sources may not exceed the cost of education at the institution the recipient is attending. This
73 provision does not apply to members of the West Virginia National Guard, recipients of an
74 Underwood-Smith teacher scholarship and recipients of a West Virginia engineering, science and
75 technology scholarship;

76 (B) Additional objective standards the commission considers necessary:

77 (i) To promote academic excellence;

78 (ii) To maintain the financial stability of the fund; and

79 (iii) To operate the program within the limits of available funds.

80 (C) Provisions for making the highest and best use of the PROMISE Scholarship Program
81 in conjunction with the West Virginia College Prepaid Tuition and Savings Program Act set forth
82 in article thirty, chapter eighteen of this code;

83 (D) A provision defining the relationship of PROMISE scholarship awards to all other
84 sources of student financial aid to ensure maximum coordination. The provision shall include
85 the following:

86 (i) Methods to maximize student eligibility for federal student financial aid;

87 (ii) A requirement that PROMISE scholarship awards not supplant tuition and fee waivers;

88 and

89 (iii) Clarification of the relationship between the PROMISE Scholarship Program, tuition
90 savings plans and other state-funded student financial aid programs;

91 (E) A method for awarding scholarships within the limits of available appropriations,
92 including circumstances when program funds are not sufficient to provide awards to all eligible
93 applicants. The commission may not use any of the following methods:

94 (i) Providing for an annual PROMISE scholarship award that is less than the amounts
95 provided for in this section; or

96 (ii) Eliminating any current recipient from eligibility; and

99 (A) Requiring repayment of the amount of the scholarship, in whole or in part, if a
100 scholarship recipient chooses to work outside the state after graduation. The rule may not
101 require a recipient to repay a scholarship, in whole or in part, unless the prospective recipient has
102 been informed of this requirement in writing before initial acceptance of the PROMISE scholarship
103 award;

104 (B) Targeting a portion of the scholarship funds to be used for applicants enrolled in an
105 engineering, science, technology or other designated program;

106 (C) Determining what other sources of funding for higher education are to be deducted
107 from the PROMISE scholarship award; and

108 (D) Providing additional criteria as determined by the commission.

109 (3) The Legislature finds that an emergency exists and, therefore, the commission shall
110 file a rule to implement the provisions of this section as an emergency rule pursuant to the
111 provisions of article three-a, chapter twenty-nine-a of this code. The rule is subject to the prior

112 approval of the Legislative Oversight Commission on Education Accountability.

113 (4) Any rule promulgated by the commission pursuant to previous enactments of this
114 article in effect on the effective date of the amendment and reenactment of this article in the year
115 2009 remains in effect until amended, modified, repealed or replaced by the commission.
