HB 4176

WEST VIRGINIA LEGISLATURE

2016 REGULAR SESSION

ENROLLED

Committee Substitute

for

House Bill 4176

(BY DELEGATES STANSBURY, HOWELL, HOUSEHOLDER,
ELLINGTON, SUMMERS, ROHRBACH, WELD, MILLER,
HANSHAW, WESTFALL AND B. WHITE)

[Passed March 12, 2016; in effect ninety days from passage.]

1 AN ACT to amend and reenact §62-15A-1, §62-15A-2 and §62-15A-3 of the Code of West
2 Virginia, 1931, as amended, all relating to the addiction treatment pilot program; defining
3 terms; permitting the Regional Jail and Correctional Facility Authority to participate in the
4 pilot program; establishing criteria for participants authorizing inmates to receive good time
5 credit for successful completion of the program; and including the Director of the Regional
6 Jail and Correctional Facility Authority and the Secretary of the Department of Military
7 Affairs and Public Safety in the list of recipients of the report required to be made by the
8 Department of Health and Human Resources.

Be it enacted by the Legislature of West Virginia:

1 That §62-15A-1, §62-15A-2 and §62-15A-3 of the Code of West Virginia, 1931, as
2 amended, be amended and reenacted, all to read as follows:

ARTICLE 15A. ADDICTION TREATMENT PILOT PROGRAM.

§62-15A-1. Definitions.

1 As used in this article:

2 (1) "Addiction service provider" means a person licensed by this state to provide addiction
3 and substance abuse services to persons addicted to opioids.

4 (2) "Adult drug court judge" means a circuit court judge operating a drug court as defined
5 in subsection (a), section one, article fifteen.

6 (3) "Adult Drug Court Program" means an adult treatment court established by the
7 Supreme Court of Appeals of West Virginia pursuant to this article.

8 (4) "Authority" means the Regional Jail and Correctional Facility Authority.

9 (5) "Circuit court" means those courts set forth in article two, chapter fifty-one of this code.

10 (6) "Court" means the Supreme Court of Appeals of West Virginia.

11 (7) "Department" means the Department of Health and Human Resources.

12 (8) "Division" means the Division of Corrections.

13 (9) "LS/CMI assessment criteria" means the level of service/case management inventory
14 which is an assessment tool that measures the risk and need factors of adult offenders.

15 (10) "Medication-assisted treatment" means the use of medications, in combination with
16 counseling and behavioral therapies, to provide a whole-patient approach to the treatment of
17 substance use disorders.

18 (11) "Prescriber" means an individual currently licensed and authorized by this state to
19 prescribe and administer prescription drugs in the course of their professional practice.

§62-15A-2. The Department of Health and Human Resources Pilot Program.

1 (a) The secretary of the department shall conduct a pilot program to provide addiction
2 treatment, including medication-assisted treatment, to persons who are offenders within the
3 criminal justice system, eligible to participate in a program, and selected under this section to be
4 participants in the pilot program because of their dependence on opioids.

5 (b) In the case of the medication-assisted treatment provided under the pilot program, a
6 drug may be used only if it has been approved by the United States Food and Drug Administration
7 for use in the prevention of relapse to opioid dependence and in conjunction with psychosocial
8 support, provided as part of the pilot program, appropriate to patient needs.

9 (c) The department may invite the Court, the Authority and the division to participate in the
10 pilot program.

11 (d) The department may limit the number of participants.

12 (e) (1) If the Court's Adult Drug Court Program is selected to participate, it shall select
13 persons who are participants in the Adult Drug Court program, who have been clinically assessed
14 and diagnosed with opioid addiction. Participants must either be eligible for Medicaid, or eligible
15 for a state, federal or private grant or other funding sources that provides for the full payment of
16 the treatment necessary to participate in the pilot program. After being enrolled in the pilot
17 program, participants shall comply with all requirements of the Adult Drug Court Program.

18 (2) Treatment may be provided under this subsection only by a treatment provider who is
19 approved by the Court or Adult Drug Court Program consistent with the policies and procedures
20 for Adult Drug Courts developed by the Court. In serving as a treatment provider, a treatment
21 services provider shall do all of the following:

22 (A) Provide treatment based on an integrated service delivery model that consists of the
23 coordination of care between a prescriber and the addiction services provider;

24 (B) Conduct any necessary additional professional, comprehensive substance abuse and
25 mental health diagnostic assessments of persons under consideration for selection as pilot
26 program participants to determine whether they would benefit from substance abuse treatment
27 and monitoring;

28 (C) Determine, based on the assessments described in paragraph (B), the treatment
29 needs of the participants served by the treatment provider;

30 (D) Develop, for the participants served by the treatment provider, individualized goals
31 and objectives;

32 (E) Provide access to the non-narcotic, long-acting antagonist therapy included in the pilot
33 program's medication-assisted treatment; and

34 (F) Provide other types of therapies, including psychosocial therapies, for both substance
35 abuse and any disorders that are considered by the treatment provider to be co-occurring
36 disorders.

37 (f) (1) If the Division of Corrections is selected to participate, the division shall select
38 persons, within the custody of the Division of Corrections, who are determined to be at high risk
39 using the LS/CMI assessment criteria into the pilot program. Participants must either be eligible
40 for Medicaid, or eligible for a state, federal or private grant or other funding sources that provide
41 for the full payment of the treatment necessary to participate in the pilot program. After being
42 enrolled in the pilot program, a participant shall comply with all requirements of the treatment
43 program.

44 (2) A participant shall:

45 (A) Receive treatment based on an integrated service delivery model that consists of the
46 coordination of care between a prescriber and the addiction services provider;

47 (B) Submit to professional, comprehensive substance abuse and mental health diagnostic
48 assessments of persons under consideration for selection as pilot program participants to
49 determine whether they would benefit from substance abuse treatment and monitoring;

50 (C) Receive, based on the assessments described in paragraph (B), the treatment needs
51 of the participants served by the treatment provider;

52 (D) Submit to the treatment provider, individualized goals and objectives;

53 (E) Receive the nonnarcotic, long-acting antagonist therapy included in the pilot program's
54 medication-assisted treatment; and

55 (F) Participate in other types of therapies, including psychosocial therapies, for both
56 substance abuse and any disorders that are considered by the treatment provider to be co-
57 occurring disorders

58 (g) (1) If the Regional Jail and Correctional Facility Authority is selected to participate, the
59 authority shall select only persons who are serving a sentence for a felony or misdemeanor who
60 are determined to be at high risk using the LS/CMI assessment criteria for the pilot program.
61 Participants must either be eligible for Medicaid, or eligible for a state, federal or private grant or
62 other funding source that provides for the full payment of the treatment necessary to participate
63 in the pilot program. After being enrolled in the pilot program, a participant shall comply with all
64 requirements of the treatment program.

65 (2) A participant shall:

66 (A) Receive treatment based on an integrated service delivery model that consists of the
67 coordination of care between a prescriber and the addiction services provider;

68 (B) Submit to professional, comprehensive substance abuse and mental health diagnostic
69 assessments of persons under consideration for selection as pilot program participants to
70 determine whether they would benefit from substance abuse treatment and monitoring;

71 (C) Receive, based on the assessments described in paragraph (B), the treatment needs
72 of the participants served by the treatment provider;

73 (D) Submit to the treatment provider, individualized goals and objectives;

74 (E) Receive the nonnarcotic, long-acting antagonist therapy included in the pilot program's
75 medication-assisted treatment; and

76 (F) Participate in other types of therapies, including psychosocial therapies, for both
77 substance abuse and any disorders that are considered by the treatment provider to be co-
78 occurring disorders.

79 (3) A participant who is incarcerated pursuant to a misdemeanor conviction or convictions
80 and successfully completes this treatment pilot program may, at the discretion of the Authority,
81 receive up to five days off of his or her sentence.

82 (4) If a participant begins participation in the treatment pilot program while in the custody
83 of the Commissioner of Corrections, but is confined in a regional jail, and transferred to a Division
84 of Corrections facility before completing the pilot treatment program the Division of Corrections
85 shall ensure that the participant's treatment under the program will continue and that upon
86 successful completion the participant shall receive credit off his or her sentence as would have
87 occurred had he or she remained in the authority facility until successful completion.

§62-15A-3. Report.

1 (a) The department shall prepare a report.

2 (b) The report shall include:

3 (1) Number of participants;

4 (2) Number of participants successfully completing the program;

5 (3) Offenses committed or offense convicted of;

6 (4) Recidivism Rate;

7 (5) Potential cost saving or expenditures;

8 (6) A statistical analysis which determines the effectiveness of the program; and

9 (7) Any other information the reporting entity finds pertinent.

10 (c) The Court and the division should provide any information necessary to the department
11 to complete the report.

12 (d) The department shall submit the report to:

13 (1) The Governor;

14 (2) The Chief Justice of the Supreme Court of Appeals of West Virginia;

15 (3) The Joint Committee on Government and Finance;

16 (4) The Commissioner of the Division of Corrections;

17 (5) The Director of the Regional Jail and Correctional Facility Authority; and

18 (6) The Secretary of the Department of Military Affairs and Public Safety.

19 (e) The report shall be submitted by July 1, 2017 and shall include twelve months of data
20 from the beginning of the administration of the program.

The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
