25 by court order;

26 (2) The department has documented in the case plan made available for court review a
27 compelling reason, including, but not limited to, the child's age and preference regarding
28 termination or the child's placement in custody of the department based on any proceedings
29 initiated under part seven of this article, that filing the petition would not be in the best interests of
30 the child; or

31 (3) The department has not provided, when reasonable efforts to return a child to the
32 family are required, the services to the child's family as the department deems necessary for the
