 4 associations, insurance companies or related corporations, partnerships, foundations, nonprofit
 5 organizations or other institutions, to develop and advance the business prosperity and economic
 6 welfare of the State of West Virginia; to encourage and assist in the location of new business and
 7 industry; to stimulate and assist in the expansion of all kinds of business activity which will tend
 8 to promote the business development and maintain the economic stability of this state, provide
 9 maximum opportunities for employment, encourage thrift and improve the standard of living of the
 10 citizens of this state; to cooperate and act in conjunction with other organizations, public or private,
 11 the objects of which are the promotion and advancement of industrial, commercial, tourist or
 12 manufacturing developments in this state; to borrow moneys and to issue its bonds, notes,
 13 commercial paper, other debt instruments and security interests as well as creating an insurance
 14 fund for credit enhancement purposes; to furnish money and credit or credit enhancement to
 15 approved industrial development agencies or enterprises in this state or for the promotion of new
 16 projects or to retain existing projects or to financially assist projects by insuring bonds, notes,

17 loans and other instruments, including, but not limited to, the insuring of financing of working
18 capital or the refinancing of existing debt of an enterprise, thereby establishing a source of credit
19 and credit enhancement not otherwise available; to review state procurement policies and
20 practices to assure that they meet federal and state requirements and that they effectively
21 encourage meaningful participation of African-Americans and other minority persons in the
22 process of competing for and awarding of state contracts for goods and services; to encourage
23 the state to continue to support and expand small business incubator programs, including the
24 program at institutions of higher education in the state; to encourage new and minority small
25 business development; to undertake initiatives to encourage minority business ownership similar
26 to those efforts used to encourage greater rates of business ownership among women; to assist
27 community and economic development corporations to provide effective technical and business
28 advisory services to minority-owned and -operated enterprises; to encourage industry, banks and
29 other private businesses to hire African-Americans and other minority persons; to encourage
30 governmental agencies and bodies and businesses to be more aggressive in establishing
31 diversity-conscious practices as employers and for their operations; to enlist traditional and
32 nontraditional lending institutions to be more creative and favorable to lending in minority
33 communities and to minority persons, especially for business enterprises; to encourage small
34 business start-up and expansion and provide funding to assist minority vendors to meet bid
35 bonding requirements; and to encourage workforce investment boards to be accountable for
36 educating poor and minority persons for jobs better than low-paying service jobs. These purposes
37 are hereby declared to be public purposes for which public money may be spent and are purposes
38 which will promote the health, safety, morals, right to gainful employment, business opportunities
39 and general welfare of the inhabitants of the state.

40 (b) It is the further purpose of this article to:

41 (1) Review, revise or establish state procurement policies and practices to assure that
42 they meet federal and state requirements and that they effectively encourage meaningful
