42 That a licensee qualifying for the foregoing alternate tax is excluded from participation in the fund
43 established by §19-23-13b of this code: *And provided further,* That this exclusion shall not apply

110 according to the ratio of points earned by an accredited greyhound to the total amount earned in
111 races by all accredited West Virginia whelped greyhounds for that month as a percentage of the
112 funds dedicated to the owners' purse supplements. The point value at all greyhound tracks shall

138 a bonus purse supplement shall be established in the amount of \$50,000 per annum, to be paid
139 in equal quarterly installments of \$12,500 per quarter using the same method to calculate and
140 distribute these funds as the regular supplemental purse awards. This bonus purse supplement
141 is for three years only, commencing on July 1, 1993, and ending June 30, 1996. This money
142 would come from the current existing balance in the greyhound development fund.

144 whelped greyhounds: *Provided*, That each pari-mutuel track shall have one juvenile and one open
145 stake race annually. Each pari-mutuel dog track shall provide at least three restricted races for

150 number of accredited West Virginia whelped greyhounds that greyhound racing kennels at West
151 Virginia dog tracks must have on their racing active list during the calendar year following such
152 action. The minimum number may vary from dog track to dog track. The minimum number shall
153 be established after consultation with the West Virginia Greyhound Owners and Breeders
154 Association and kennel owners and operators. Factors to be considered in establishing this
155 minimum number shall be the number of individually registered accredited West Virginia whelped
156 greyhounds whelped in the previous two years. The number of all greyhounds seeking
157 qualification at each West Virginia dog track, the ratio of active running greyhounds to housed

158 number of greyhounds at each West Virginia dog track, and the size and number of racing kennels
159 at each West Virginia dog track. Any greyhound racing kennel not having the minimum number
160 of accredited West Virginia whelped greyhounds determined by the West Virginia Racing
161 Commission on their active list shall only be permitted to race the maximum allowable number on
162 the active list less the number of accredited West Virginia whelped greyhounds below the
163 established minimum number. Consistent violations of this minimum requirement may be
164 reviewed by the Racing Commission and may constitute cause for denial or revocation of a
165 kennel's racing license. The Racing Commission shall oversee and approve racing schedules
166 and purse amounts.

167 Ten percent of the deposits into the Greyhound Breeding Development Fund beginning
168 July 1, 1993 and continuing each year thereafter, shall be withheld by the Racing Commission
169 and placed in a special revenue account hereby created in the State Treasury called the
170 Administration, Promotion, Education, Capital Improvement and Greyhound Adoption Programs
171 to include Spaying and Neutering Account. The Racing Commission is authorized to expend the
172 moneys deposited in the Administration, Promotion, Education, Capital Improvement and
173 Greyhound Adoption Programs to include Spaying and Neutering Account at such times and in
174 such amounts as the commission determines to be necessary for purposes of administering and

187 section without strictly following the requirements in the previous paragraph.

188 (e) All daily license and pari-mutuel pools tax payments required under the provisions of
189 this section shall be made to the Racing Commission or its agent after the last race of each day
190 of each horse or dog race meeting, and the pari-mutuel pools tax payments shall be made from
191 all contributions to all pari-mutuel pools to each and every race of the day.

§19-23-12b. Televised racing days; merging of pari-mutuel wagering pools.

1 (a) For the purposes of this section:

2 (1) "Televised racing day" means a calendar day, assigned by the commission, at a
3 licensed racetrack on which pari-mutuel betting is conducted on horse or dog races run at other
4 racetracks in this state or at racetracks outside of this state which are broadcast by television at
5 a licensed racetrack and which day or days have had the prior written approval of the
6 representative of the majority of the owners and trainers who hold permits required by §19-23-2
7 of this code; and

8 (2) "Host racing association" means any person who, pursuant to a license or other
9 permission granted by the host governmental entity, conducts the horse or dog race upon which
10 wagers are placed.

11 (b) (1) A licensee conducting not less than two hundred twenty live racing dates for each
12 horse or dog race meeting may, with the prior approval of the State Racing Commission, contract
13 with any legal wagering entity in this state or in any other governmental jurisdiction to receive
14 telecasts and accept wagers on races conducted by the legal wagering entity: *Provided*, That
15 effective July 1, 2018, and thereafter, a licensee that was licensed prior to January 1, 1994, to

16 conduct dog racing is not required to conduct a minimum number of live racing dates to contract
17 with a legal wagering entity in this state or in any other governmental jurisdiction to receive
18 telecasts and accept wagers on dog and horse races: *Provided, however,* That at those
19 thoroughbred racetracks the licensee, in applying for racing dates, shall apply for not less than
20 two hundred ten live racing dates for each horse race meeting: *Provided, however further,* That
21 at those thoroughbred racetracks that have participated in the West Virginia Thoroughbred
22 Development Fund for a period of more than four consecutive calendar years prior to December
23 31, 1992, the licensee may apply for not less than one hundred fifty-nine live racing dates during
24 the calendar year 1997. If, thereafter, for reasons beyond the licensee's control, related to adverse
25 weather conditions, unforeseen casualty occurrences or a shortage of thoroughbred horses
26 eligible to compete for purses, the licensee concludes that this number of racing days cannot be
27 attained, the licensee may file a request with the Racing Commission to reduce the authorized
28 live racing days. Upon receipt of the request the Racing Commission shall within seventy-two
29 hours of the receipt of the request notify the licensee and the representative of a majority of the
30 owners and trainers at the requesting track and the representative of the majority of the mutuel
31 clerks at the requesting track that such request has been received and that if no objection to the
32 request is received within ten days of the notification the request will be approved: *And provided*
33 *further,* That the commission shall give consideration to whether there existed available
34 unscheduled potential live racing dates following the adverse weather or casualty and prior to the
35 end of the race meeting which could be used as new live racing dates in order to maintain the full
36 live racing schedule previously approved by the Racing Commission. If an objection is received
37 by the commission within the time limits, the commission shall, within thirty days of receipt of such
38 objection, set a hearing on the question of reducing racing days, which hearing shall be conducted
39 at a convenient place in the county in which the requesting racetrack is located. The commission
40 shall hear from all parties concerned and, based upon testimony and documentary evidence
41 presented at the hearing, shall determine the required number of live racing days: *And provided*

42 *further*, That the commission shall not reduce the number of live racing days below one hundred
43 eighty-five days for a horse race meeting unless the licensee requesting such reduction has: (i)
44 Filed with the commission a current financial statement, which shall be subject to independent
45 audit; and (ii) met the burden of proving that just cause exists for such requested reduction in live
46 racing days. The telecasts may be received and wagers accepted at any location authorized by
47 the provisions of §19-23-12a of this code. The contract must receive the approval of the
48 representative of the majority of the owners and trainers who hold permits required by §19-23-2
49 of this code at the receiving thoroughbred racetrack.

50 (2) A facility that was licensed prior to January 1, 1994, to conduct dog racing is required
51 to hold a racing license to receive telecasts and accept wagers on dog and horse races,
52 regardless of whether the facility continues to conduct live dog racing.

53 (3) The commission shall have authority to promulgate rules, including emergency rules,
54 in accordance with §29A-3-1 et seq. of this code, as it deems necessary to implement and
55 efficiently administer the requirement of subdivision (2) of this subsection: *Provided*, That the rules
56 are to be consistent with the rules promulgated for pari-mutuel wagering on televised races at live
57 racetracks.

58 (c) The commission may allow the licensee to commingle its wagering pools with the
59 wagering pools of the host racing association. If the pools are commingled, the wagering at the
60 licensee's racetrack must be on tabulating equipment capable of issuing pari-mutuel tickets and
61 be electronically linked with the equipment at the sending racetrack. Subject to the approval of
62 the commission, the types of betting, licensee commissions and distribution of winnings on pari-
63 mutuel pools of the sending licensee racetrack are those in effect at the licensee racetrack.
64 Breakage for pari-mutuel pools on a televised racing day must be calculated in accordance with
65 the law or rules governing the sending racetrack and must be distributed in a manner agreed to
66 between the licensee and the sending racetrack. For the televised racing services it provides, the
67 host racing association shall receive a fee to be paid by the receiving licensee racetrack which

68 shall be in an amount to be agreed upon by the receiving licensee racetrack and the host racing
69 association.

70 (d) The commission may assign televised racing days at any time. When a televised racing
71 day is assigned, the commission shall assign either a steward or an Auditor to preside over the
72 televised races at the licensee racetrack.

73 (e) (1) From the licensee commissions authorized by subsection (c) of this section, the
74 licensee shall pay one tenth of one percent of each commission into the General Fund of the
75 county, in which the racetrack is located and at which the wagering occurred and there is imposed
76 and the licensee shall pay, for each televised racing day on which the total pari-mutuel pool
77 exceeds \$100,000, the greater of either: (i) The total of the daily license tax and the pari-mutuel
78 pools tax required by §19-23-10 of this code; or (ii) a daily license tax of \$1,250. For each televised
79 racing day on which the total pari-mutuel pool is \$100,000 or less, the licensee shall pay a daily
80 license tax of \$500 plus an additional license tax of \$100 for each \$10,000, or part thereof, that
81 the pari-mutuel pool exceeds \$50,000, but does not exceed \$100,000. The calculation of the total
82 pari-mutuel pool for purposes of this subsection shall include only one half of all wagers placed
83 at a licensed racetrack in this state on televised races conducted at another licensed racetrack
84 within this state. Payments of the tax imposed by this section are subject to the requirements of
85 §10-23-10(e) of this code.

86 (2) From the licensee commissions authorized by subsection (c) of this section, after
87 payments are made in accordance with the provisions of subdivision (1) of this subsection, the
88 licensee shall pay, for each televised racing day, one-fourth of one percent of the total pari-mutuel
89 pools for and on behalf of all employees of the licensed racing association by making a deposit
90 into a special fund to be established by the Racing Commission and to be used for payments into
91 the pension plan for all employees of the licensed racing association.

92 (3) From the licensee commissions authorized by subsection (c) of this section, after
93 payments are made in accordance with the provisions of subdivisions (1) and (2) of this

94 subsection, thoroughbred licensees shall pay, one-half percent of net simulcast income and for
95 each televised racing day on or after July 1, 1997, an additional five and one-half percent of net
96 simulcast income into the West Virginia Thoroughbred Development Fund established by the
97 Racing Commission according to §19-23-13b of this code: *Provided*, That no licensee qualifying
98 for the alternate tax provisions of §19-23-10(b) shall be required to make the payments unless
99 the licensee has participated in the West Virginia Thoroughbred Development Fund for a period
100 of more than four consecutive calendar years prior to December 31, 1992. For the purposes of
101 this section, the term “net simulcast income” means the total commission deducted each day by
102 the licensee from the pari-mutuel pools on simulcast horse or dog races, less direct simulcast
103 expenses, including, but not limited to, the cost of simulcast signals, telecommunication costs and
104 decoder costs.

105 (f) After deducting the tax and other payments required by subsection (e) of this section,
106 the amount required to be paid under the terms of the contract with the host racing association
107 and the cost of transmission, the horse racing association shall make a deposit equal to fifty
108 percent of the remainder into the purse fund established under the provisions of §19-23-9(b)(1)
109 of this code. After deducting the tax and other payments required by subsection (e) of this section,
110 dog racetracks shall pay an amount equal to two-tenths of one percent of the daily simulcast pari-
111 mutuel pool to the West Virginia Racing Commission Special Account-West Virginia Greyhound
112 Breeding Development Fund: *Provided, That effective July 1, 2018, and thereafter, the amount*
113 *required to be paid to the West Virginia Greyhound Breeding Development Fund by this*
114 *subsection shall instead be paid to the state Excess Lottery Revenue Fund pursuant to §19-23-*
115 *10a of this code.*

116 (g) The provisions of the Federal Interstate Horseracing Act of 1978, also known as Public
117 Law 95-515, Section 3001-3007 of Title 15, U. S. Code, as amended, controls in determining the
118 intent of this section.

§19-23-13. Disposition of funds for payment of outstanding and unredeemed pari-mutuel tickets; publication of notice; irredeemable tickets; payment of past obligations.

1 (a) All moneys held by any licensee for the payment of outstanding and unredeemed pari-
2 mutuel tickets, if not claimed within ninety days after the close of a horse or dog race meeting or
3 the televised racing day, as the case may be, in connection with which the tickets were issued,
4 shall be turned over by the licensee to the Racing Commission within fifteen days after the
5 expiration of the ninety-day period, and the licensee shall give any information required by the
6 Racing Commission concerning the outstanding and unredeemed tickets. The moneys shall be
7 deposited by the Racing Commission in a banking institution of its choice in a special account to
8 be known as West Virginia Racing Commission Special Account - Unredeemed Pari-Mutuel
9 Tickets. Notice of the amount, date and place of each deposit shall be given by the Racing
10 Commission, in writing, to the State Treasurer. The Racing Commission shall then cause to be
11 published a notice to the holders of the outstanding and unredeemed pari-mutuel tickets, notifying
12 them to present their unredeemed tickets for payment at the principal office of the Racing
13 Commission within ninety days from the date of the publication of the notice. The notice shall be
14 published within fifteen days following the receipt of the outstanding and unredeemed pari-mutuel
15 ticket moneys by the commission from the licensee as a Class I legal advertisement in compliance
16 with the provisions of §59-3-1 *et seq.* of this code, and the publication area for the publication
17 shall be the county in which the horse or dog race meeting was held and the county in which the
18 televised racing day wagering was conducted in this state.

19 (b) Any outstanding and unredeemed pari-mutuel tickets that are not presented for
20 payment within ninety days from the date of the publication of the notice are thereafter
21 irredeemable, and the moneys theretofore held for the redemption of the pari-mutuel tickets shall

22 become the property of the Racing Commission and shall be expended as provided in
23 subsections (c) and (d) of this section. The Racing Commission shall maintain separate accounts
24 for each licensee and shall record in each separate account the moneys turned over by the
25 licensee and the amount expended at the licensee's track for the purposes set forth in this
26 subsection.

27 (c) In the fiscal year beginning on July 1, 2010, the Racing Commission shall keep
28 separate the unredeemed pari-mutuel tickets received from each of the two licensee horse
29 racetracks.

30 (1) The unredeemed pari-mutuel tickets attributable to each licensee horse racetrack
31 together with funds distributed pursuant to §29-22-18a of this code shall be used for claims
32 received pursuant to this subsection by the Racing Commission each calendar quarter: *Provided,*
33 That the first distribution after the effective date of amendments to this section made during the
34 2010 regular legislative session shall not occur until February 2011 and then each calendar
35 quarter thereafter. Any claims made pursuant to this subsection must be submitted to the Racing
36 Commission no later than fifteen days after the race where the funds are awarded. The funds in
37 the two special accounts - unredeemed pari-mutuel tickets shall be distributed based on claims
38 received from each horse racetrack as follows:

39 (A) To the owner of the winning horse in any horse race at a horse race meeting held or
40 conducted by any licensee: *Provided,* That the owner of the horse is at the time of the horse race
41 a bona fide resident of this state, a sum equal to ten percent of the purse won by the horse at that
42 race: *Provided, however,* That in the event there are more than ten races in any performance, the
43 award to the resident owner of the winning horse will be that fractional share of the purse with a
44 numerator of one and a denominator representing the number of races on the day of the
45 performance. The commission may require proof that the owner was, at the time of the race, a
46 bona fide resident of this state. Upon proof by the owner that he or she filed a personal income
47 tax return in this state for the previous two years and that he or she owned real or personal

48 property in this state and paid taxes in this state on real or personal property for the previous two
49 years, he or she shall be presumed to be a bona fide resident of this state; and

50 (B) To the breeder (that is the owner of the mare) of the winning horse in any horse race
51 at a horse race meeting held or conducted by any licensee: *Provided*, That the mare foaled in this
52 state, a sum equal to ten percent of the purse won by the horse: *Provided, however*, That in the
53 event there are more than ten races in any performance, the award to the breeder will be that
54 fractional share of the purse with a numerator of one and a denominator representing the number
55 of races on the day of the performance; and

56 (C) To the owner of the stallion which sired the winning horse in any horse race at a horse
57 race meeting held or conducted by any licensee: *Provided*, That the mare which foaled the
58 winning horse was served by a stallion standing and registered in this state, a sum equal to ten
59 percent of the purse won by the horse: *Provided, however*, That in the event there are more than
60 ten races in any performance, the award to the owner of the stallion will be percentage of the
61 purse based upon the fractional share represented by the number of races on the day of the
62 performance.

63 (2) If in any calendar quarter insufficient funds are available in each licensee horse
64 racetrack's special account - unredeemed pari-mutuel tickets administered by the Racing
65 Commission for payments pursuant to subdivision (1), payments shall be made on a pro rata
66 basis pursuant to paragraphs (A), (B) and (C), subdivision (1) of this subsection of the claims
67 submitted from races won at each horse racetrack. Once payments on each claim are made,
68 whether in full or on a pro rata basis, no further obligation for payment is created by this
69 subdivision. Claims received after the deadline are not valid.

70 (3) If after paying any claims pursuant to this subsection and funds remain in the accounts,
71 those funds shall carry over to the next calendar quarter. If in any quarter the surplus in either
72 account reaches a balance of \$1 million, then that surplus balance shall be placed in to the regular

73 purse fund of that licensee horse racetrack whose unredeemed pari-mutuel account achieves the
74 surplus.

75 (d) Any unredeemed pari-mutuel tickets received from licensee dog racetracks shall be
76 combined into a single balance and distributed quarterly to the West Virginia Racing Commission
77 special account - West Virginia Greyhound Breeding Development Fund: Provided, That effective
78 July 1, 2018, and thereafter, the balance shall instead be distributed to the state Excess Lottery
79 Revenue Fund pursuant to §19-23-10a of this code. The deposit made pursuant to this subsection
80 does not create a continuing obligation of payment except to the extent that there are unredeemed
81 pari-mutuel tickets from the licensee dog racetracks.

82 (e) The amendments to this section made during the 2010 regular legislative session shall
83 become effective July 1, 2010.

84 (f) The Racing Commission shall satisfy obligations of the prior enactment of this section
85 for all claims received on purses won on or before June 30, 2010. Claimants must submit all
86 claims on or before July 15, 2010, for verification by the Racing Commission. Claims received
87 after July 15, 2010, are not valid.

88 (1) A transfer of \$2.5 million from the State Excess Lottery Revenue Fund available on the
89 last day of the fiscal year which began July 1, 2009, shall be made to the nonappropriated fund
90 with the State Treasurer known as the Unredeemed Pari-Mutuel Tickets Fund. The Racing
91 Commission shall also transfer to the account with the State Treasurer moneys from the Racing
92 Commission Special Account - Unredeemed Pari-Mutuel Tickets for deposits received in each of
93 those accounts that have been credited with unredeemed pari-mutuel tickets for races completed
94 at any licensee racetrack as of June 30, 2010, and any other moneys appropriated by the
95 Legislature. Unredeemed pari-mutuel tickets for races completed after June 30, 2010 must remain
96 in the special accounts - unredeemed pari-mutuel tickets to satisfy future payments pursuant to
97 this section.

98 (2) The Racing Commission is authorized to pay claims received for races completed on
99 or before June 30, 2010, without regard to date of deposit or date of claim. Claims shall be paid
100 in date order, with the oldest claims being paid first, until all claims have been satisfied. All
101 payments made pursuant to this subsection for claims received on purses won on or before June
102 30, 2010, shall extinguish any further obligation by the state with respect to those claims.

103 (g) The commission shall submit to the Legislative Auditor a quarterly report and
104 accounting of the income and expenditures in the special account created by this section known
105 as the West Virginia Racing Commission Special Account - Unredeemed Pari-Mutuel Tickets.

106 (h) Nothing contained in this article shall prohibit one person from qualifying for all or more
107 than one of the aforesaid awards or for awards under §19-23-13b of this code.

108 (i) The cost of publication of the notice provided for in this section shall be paid from the
109 funds in the hands of the State Treasurer collected from the pari-mutuel pools' tax provided for in
110 §19-23-10 of this code, when not otherwise provided in the budget; but no such costs shall be
111 paid unless an itemized account thereof, under oath, be first filed with the State Auditor.

112 (j) The Racing Commission is authorized to promulgate emergency rules, prior to
113 September 1, 2010, to incorporate the revisions to this article enacted during the 2010 regular
114 legislative session.

2 determined that the applicant satisfies all of the following qualifications:

3 (1) An applicant for a video lottery license must hold a valid racing license granted by the
4 West Virginia Racing Commission under provisions of §19-23-1 *et seq.* of this code: Provided,
5 That effective July 1, 2018, and thereafter, an applicant that held a valid dog racing license prior

7 license.

8 (2) An applicant must be a person of good character and integrity.

9 (3) An applicant must be a person whose background, including criminal record, reputation
10 and associations, does not pose a threat to the security and integrity of the lottery or to the public
11 interest of the state. All new applicants for licenses and permits issued by the commission shall

18 Identification Bureau of the West Virginia State Police and the Federal Bureau of Investigation. A
19 person who has been convicted of any violation of §29-22-1 *et seq.* of this code or of this article
20 or of any crime related to theft, bribery, gambling or involving moral turpitude is not eligible for any
21 license or permit. The commission shall revoke the license or permit of any person who is
22 convicted of any such crime after a license or permit is granted.

23 (4) An applicant must be a person who demonstrates the business ability and experience

26 (5) An applicant must be a person who has secured adequate financing for the business
27 for which a video lottery license or permit application is made. The commission shall determine
28 whether financing is from a source which meets the qualifications of this section and is adequate
29 to support the successful performance of the duties and responsibilities of the licensed racetrack
30 or permit holder. An applicant for a video lottery license shall disclose all financing or refinancing
31 arrangements for the purchase, lease or other acquisition of video lottery terminals and
32 associated equipment in the degree of detail requested by the commission. A licensed racetrack
33 shall request commission approval of any change in financing or lease arrangements at least
34 thirty days before the effective date of the change.

35 (6) A horse racetrack applying for a video lottery license or a license renewal must present
36 to the commission evidence of the existence of an agreement, regarding the proceeds from video
37 lottery terminals, between the applicant and the representative of a majority of the horse owners
38 and trainers, the representative of a majority of the pari-mutuel clerks for horse racing
39 associations and the representative of a majority of the horse breeders ~~or the representative of a~~

46 terminals, or the cabinet in which it is housed. Once filed with the commission, the agreement is
47 a public document subject to the provisions of §29B-1-1 *et seq.* of this code.

48 (b) No video lottery license or permit may be granted to an applicant until the commission
49 determines that each person who has control of the applicant meets all applicable qualifications
50 of subsection (a) of this section. The following persons are considered to have control of an

51 applicant:

52 (1) Each person associated with a corporate applicant, including any corporate holding
53 company, parent company or subsidiary company of the applicant, but not including a bank or
54 other licensed lending institution which holds a mortgage or other lien acquired in the ordinary
55 course of business, who has the ability to control the activities of the corporate applicant or elect
56 a majority of the board of directors of that corporation.

57 (2) Each person associated with a noncorporate applicant who directly or indirectly holds
58 any beneficial or proprietary interest in the applicant or who the commission determines to have
59 the ability to control the applicant.

61 power to exercise significant influence over decisions concerning any part of the applicant's
62 business operation.

63 (c) Applicants must furnish all information, including financial data and documents,
64 certifications, consents, waivers, individual history forms and other materials requested by the
65 commission for purposes of determining qualifications for a license or permit. No video lottery
66 license or permit may be granted to an applicant who fails to provide information and
67 documentation requested by the commission. The burden of proving qualification for any video
68 lottery license or permit is on the applicant.

69 (d) Each applicant bears all risks of adverse public notice, embarrassment, criticism,
70 damages or financial loss which may result from any disclosure or publication of any material or
71 information obtained by the commission pursuant to action on an application. The applicant shall,
72 as a part of its application, expressly waive any and all claims against the commission, the State
73 of West Virginia and the employees of either for damages as a result of any background
74 investigation, disclosure or publication relating to an application for a video lottery license or
75 permit.

76 (e) All application, registration and disclosure forms and other documents submitted to the

77 commission by or on behalf of the applicant for purposes of determining qualification for a video
78 lottery license or permit shall be sworn to or affirmed before an officer qualified to administer
79 oaths.

80 (f) An applicant who knowingly fails to reveal any fact material to qualification or who

§29-22A-10. Accounting and reporting; commission to provide communications protocol data; distribution of net terminal income; remittance through electronic transfer of funds; establishment of accounts and nonpayment penalties; commission control of accounting for net terminal income; settlement of accounts; manual reporting and payment may be required; request for reports; examination of accounts and records.

1 (a) The commission shall provide to manufacturers, or applicants applying for a
2 manufacturer's permit, the protocol documentation data necessary to enable the respective
3 manufacturer's video lottery terminals to communicate with the commission's central computer
4 for transmitting auditing program information and for activation and disabling of video lottery
5 terminals.

6 (b) The gross terminal income of a licensed racetrack shall be remitted to the commission
7 through the electronic transfer of funds. Licensed racetracks shall furnish to the commission all
8 information and bank authorizations required to facilitate the timely transfer of moneys to the
9 commission. Licensed racetracks must provide the commission thirty days' advance notice of any
10 proposed account changes in order to assure the uninterrupted electronic transfer of funds. From
11 the gross terminal income remitted by the licensee to the commission:

12 (1) The commission shall deduct an amount sufficient to reimburse the commission for its
13 actual costs and expenses incurred in administering racetrack video lottery at the licensed
14 racetrack and the resulting amount after the deduction is the net terminal income. The amount

15 deducted for administrative costs and expenses of the commission may not exceed four percent
16 of gross terminal income: Provided, That the commission shall transfer fifteen percent of the
17 amount deducted, generated from racetrack video lottery at licensed thoroughbred racetracks, to
18 the West Virginia Racing Commission's General Administrative Account created in §19-23-11 of
19 this code: Provided, however, That any amounts deducted by the commission for its actual costs
20 and expenses that exceeds its actual costs and expenses shall be deposited into the State Lottery
21 Fund. For the fiscal years ending June 30, 2011, through June 30, 2020, the term "actual costs
22 and expenses" may include transfers of up to \$10 million in surplus allocations for each fiscal
23 year, as calculated by the commission when it has closed its books for the fiscal year, to the
24 Licensed Racetrack Modernization Fund created by subdivision (2), subsection (b) of this section.
25 For all fiscal years beginning on or after July 1, 2001, the commission shall not receive an amount
26 of gross terminal income in excess of the amount of gross terminal income received during the
27 fiscal year ending on June 30, 2001, but four percent of any amount of gross terminal income
28 received in excess of the amount of gross terminal income received during the fiscal year ending
29 on June 30, 2001, shall be deposited into the fund established in section eighteen-a, article
30 twenty-two of this chapter; and

31 (2) A Licensed Racetrack Modernization Fund is created within the lottery fund. For all
32 fiscal years beginning on or after July 1, 2011, and ending with the fiscal year beginning July 1,
33 2020, the commission shall deposit such amounts as are available according to subdivision (1),
34 subsection (b) of this section into a separate facility modernization account maintained within the
35 Licensed Racetrack Modernization Fund for each racetrack. Each racetrack's share of each
36 year's deposit shall be calculated in the same ratio as each racetrack's apportioned contribution
37 to the four percent administrative costs and expenses allowance provided for in subdivision (1),
38 subsection (b) of this section for that year. For each two dollars expended by a licensed racetrack
39 for facility modernization improvements at the racetrack, having a useful life of three or more years
40 and placed in service after July 1, 2011, the licensed racetrack shall receive \$1 in recoupment

41 from its facility modernization account. If the licensed racetrack's facility modernization account
42 contains a balance in any fiscal year, the unexpended balance from that fiscal year will be
43 available for matching for one additional fiscal year, after which time, the remaining unused
44 balance carried forward shall revert to the lottery fund. For purposes of this section, the term
45 "facility modernization improvements" includes acquisitions of new and unused video lottery
46 terminals and related equipment. Video lottery terminals financed through the recoupment
47 provided in this subdivision must be retained by the licensee in its West Virginia licensed location
48 for a period of not less than five years from the date of initial installation.

49 (c) The amount resulting after the deductions required by subsection (b) of this section
50 constitutes net terminal income that shall be divided as set out in this subsection. For all fiscal
51 years beginning on or after July 1, 2001, any amount of net terminal income received in excess
52 of the amount of net terminal income received during the fiscal year ending on June 30, 2001,
53 shall be divided as set out in §29-22A-10b of this code. The licensed racetrack's share is in lieu
54 of all lottery agent commissions and is considered to cover all costs and expenses required to be
55 expended by the licensed racetrack in connection with video lottery operations. The division shall
56 be made as follows:

57 (1) The commission shall receive thirty percent of net terminal income, which shall be paid
58 into the State Lottery Fund as provided in §29-22A-10a of this code;

59 (2) Until July 1, 2005, fourteen percent of net terminal income at a licensed racetrack shall
60 be deposited in the special fund established by the licensee, and used for payment of regular
61 purses in addition to other amounts provided in §19-23-1 *et seq.* of this code, on and after July 1,
62 2005, the rate shall be seven percent of net terminal income;

63 (3) The county where the video lottery terminals are located shall receive two percent of
64 the net terminal income: *Provided, That:*

65 (A) Beginning July 1, 1999, and thereafter, any amount in excess of the two percent
66 received during the fiscal year 1999 by a county in which a racetrack is located that has

67 participated in the West Virginia Thoroughbred Development Fund since on or before January 1,
68 1999 shall be divided as follows:

69 (i) The county shall receive fifty percent of the excess amount; and

70 (ii) The municipalities of the county shall receive fifty percent of the excess amount, said
71 fifty percent to be divided among the municipalities on a per capita basis as determined by the
72 most recent decennial United States census of population; and

73 (B) Beginning July 1, 1999, and thereafter, any amount in excess of the two percent
74 received during the fiscal year 1999 by a county in which a racetrack other than a racetrack
75 described in paragraph (A) of this proviso is located and where the racetrack has been located in
76 a municipality within the county since on or before January 1, 1999 shall be divided, if applicable,
77 as follows:

78 (i) The county shall receive fifty percent of the excess amount; and

79 (ii) The municipality shall receive fifty percent of the excess amount; and

80 (C) This proviso shall not affect the amount to be received under this subdivision by any
81 other county other than a county described in paragraph (A) or (B) of this proviso;

82 (4) One percent of net terminal income shall be paid for and on behalf of all employees of
83 the licensed racing association by making a deposit into a special fund to be established by the
84 Racing Commission to be used for payment into the pension plan for all employees of the licensed
85 racing association;

86 (5)(A) The West Virginia Thoroughbred Development Fund created under section §19-23-
87 13b of this code and the West Virginia Greyhound Breeding Development Fund created under
88 §19-23-10 of this code shall receive an equal share of a total of not less than one and one-half
89 percent of the net terminal income. Effective July 1, 2018, the requirements of this paragraph are
90 discontinued.

91 (B) Effective July 1, 2018, and thereafter, the West Virginia Thoroughbred Development
92 Fund, created under §19-23-13b of this code, shall receive one and one-half percent of the net

93 terminal income originating at licensed thoroughbred racetracks.

94 (C) Effective July 1 2018 and thereafter, the State Excess Lottery Revenue Fund, created
95 under §29-22-18a of this code, shall receive one and one-half percent of the net terminal income
96 originating at licensed dog racetracks;

97 (6) The West Virginia Racing Commission shall receive one percent of the net terminal
98 income which shall be deposited and used as provided in §19-23-13c of this code;

99 (7) A licensee shall receive forty-six and one-half percent of net terminal income;

100 (8)(A) The Tourism Promotion Fund established in §5B-2-12 of this code shall receive
101 three percent of the net terminal income: *Provided*, That for the fiscal year beginning July 1, 2003,
102 the tourism commission shall transfer from the Tourism Promotion Fund \$5 million of the three
103 percent of the net terminal income described in this section and §29-22A-10b of this code into the
104 fund administered by the West Virginia Economic Development Authority pursuant to §31-15-7 of
105 this code, \$5 million into the Capitol Renovation and Improvement Fund administered by the
106 Department of Administration pursuant to §5A-4-6 of this code and \$5 million into the Tax
107 Reduction and Federal Funding Increased Compliance Fund; and

108 (B) Notwithstanding any provision of paragraph (A) of this subdivision to the contrary, for
109 each fiscal year beginning after June 30, 2004, this three percent of net terminal income and the
110 three percent of net terminal income described in §29-22A-10b (a) (8) (B) of this code shall be
111 distributed as provided in this paragraph as follows:

112 (i) 1.375 percent of the total amount of net terminal income described in this section and
113 in §29-22A-10b of this code shall be deposited into the Tourism Promotion Fund created under
114 §5B-2-12 of this code;

115 (ii) 0.375 percent of the total amount of net terminal income described in this section and
116 in §29-22-10b of this code shall be deposited into the Development Office Promotion Fund
117 created under §5B-2-3b of this code;

118 (iii) 0.5 percent of the total amount of net terminal income described in this section and in

119 §29-22A-10b of this code shall be deposited into the Research Challenge Fund created under
120 §18B-1B-10 of this code;

121 (iv) 0.6875 percent of the total amount of net terminal income described in this section and
122 in §29-22A-10b of this code shall be deposited into the Capitol Renovation and Improvement
123 Fund administered by the Department of Administration pursuant to §5A-4-6 of this code; and

124 (v) 0.0625 percent of the total amount of net terminal income described in this section and
125 in §29-22A-10b of this code shall be deposited into the 2004 Capitol Complex Parking Garage
126 Fund administered by the Department of Administration pursuant to §5A-4-5a of this code;

127 (9)(A) On and after July 1, 2005, seven percent of net terminal income shall be deposited
128 into the Workers' Compensation Debt Reduction Fund created in §23-2D-5 of this code: *Provided,*
129 That in any fiscal year when the amount of money generated by this subdivision totals \$11 million,
130 all subsequent distributions under this subdivision shall be deposited in the special fund
131 established by the licensee and used for the payment of regular purses in addition to the other
132 amounts provided in §19-23-1 *et seq.* of this code;

133 (B) The deposit of the seven percent of net terminal income into the Worker's
134 Compensation Debt Reduction Fund pursuant to this subdivision shall expire and not be imposed
135 with respect to these funds and shall be deposited in the special fund established by the licensee
136 and used for payment of regular purses in addition to the other amounts provided in §19-23-1 *et*
137 *seq.* of this code, on and after the first day of the month following the month in which the Governor

140 that an independent certified actuary has determined that the unfunded liability of the old fund, as

146 The moneys shall be deposited in the State Treasury in the Division of Culture and History special
147 fund created under §29-11-3 of this code: *Provided*, That only after sufficient moneys have been
148 deposited in the fund to complete the veterans memorial and to pay in full the annual bonded

150 income provided in this subdivision shall be deposited into a special revenue fund in the State
151 Treasury, to be known as the John F. "Jack" Bennett Fund. The moneys in this fund shall be
152 expended by the Division of Veterans Affairs to provide for the placement of markers for the
153 graves of veterans in perpetual cemeteries in this state. The Division of Veterans Affairs shall
154 promulgate legislative rules pursuant to the provisions of §29A-3-1 *et seq.* of this code specifying
155 the manner in which the funds are spent, determine the ability of the surviving spouse to pay for
156 the placement of the marker and setting forth the standards to be used to determine the priority
157 in which the veterans grave markers will be placed in the event that there are not sufficient funds
158 to complete the placement of veterans grave markers in any one year, or at all. Upon payment in
159 full of the bonded indebtedness on the veterans memorial, \$100,000 of the one percent of net
160 terminal income provided in this subdivision shall be deposited in the special fund in the Division
161 of Culture and History created under §29-11-3 of this code and be expended by the Division of
162 Culture and History to establish a West Virginia Veterans Memorial Archives within the Cultural

165 *however*, That \$500,000 of the one percent of net terminal income shall be deposited in the State
166 Treasury in a special fund of the Department of Administration, created under §5A-4-5 of this
167 code, to be used for construction and maintenance of a parking garage on the State Capitol
168 Complex; and the remainder of the one percent of net terminal income shall be deposited in equal
169 amounts in the Capitol Dome and Improvements Fund created under §5A-4-2 of this code and
170 Cultural Facilities and Capitol Resources Matching Grant Program Fund created under §29-1-3

171 of this code

172 (B) For each fiscal year beginning after June 30, 2004:

173 (i) Five hundred thousand dollars of the one percent of net terminal income shall be

176 the State Capitol Complex; and

182 \$1,500,000 is deposited into the Cultural Facilities and Capitol Resources Matching Grant
183 Program Fund; thereafter, the remainder shall be deposited into the Capitol Dome and Capitol
184 Improvements Fund.

185 (d) Each licensed racetrack shall maintain in its account an amount equal to or greater
186 than the gross terminal income from its operation of video lottery machines, to be electronically
187 transferred by the commission on dates established by the commission. Upon a licensed
188 racetrack's failure to maintain this balance, the commission may disable all of a licensed
189 racetrack's video lottery terminals until full payment of all amounts due is made. Interest shall
190 accrue on any unpaid balance at a rate consistent with the amount charged for state income tax
191 delinquency under chapter eleven of this code. The interest shall begin to accrue on the date
192 payment is due to the commission.

193 (e) The commission's central control computer shall keep accurate records of all income
194 generated by each video lottery terminal. The commission shall prepare and mail to the licensed
195 racetrack a statement reflecting the gross terminal income generated by the licensee's video
196 lottery terminals. Each licensed racetrack shall report to the commission any discrepancies

197 between the commission's statement and each terminal's mechanical and electronic meter
198 readings. The licensed racetrack is solely responsible for resolving income discrepancies
199 between actual money collected and the amount shown on the accounting meters or on the
200 commission's billing statement.

201 (f) Until an accounting discrepancy is resolved in favor of the licensed racetrack, the
202 commission may make no credit adjustments. For any video lottery terminal reflecting a
203 discrepancy, the licensed racetrack shall submit to the commission the maintenance log which
204 includes current mechanical meter readings and the audit ticket which contains electronic meter
205 readings generated by the terminal's software. If the meter readings and the commission's
206 records cannot be reconciled, final disposition of the matter shall be determined by the
207 commission. Any accounting discrepancies which cannot be otherwise resolved shall be resolved
208 in favor of the commission.

209 (g) Licensed racetracks shall remit payment by mail if the electronic transfer of funds is
210 not operational or the commission notifies licensed racetracks that remittance by this method is
211 required. The licensed racetracks shall report an amount equal to the total amount of cash
212 inserted into each video lottery terminal operated by a licensee, minus the total value of game
213 credits which are cleared from the video lottery terminal in exchange for winning redemption
214 tickets, and remit the amount as generated from its terminals during the reporting period. The
215 remittance shall be sealed in a properly addressed and stamped envelope and deposited in the
216 United States mail no later than noon on the day when the payment would otherwise be completed
217 through electronic funds transfer.

218 (h) Licensed racetracks may, upon request, receive additional reports of play transactions
219 for their respective video lottery terminals and other marketing information not considered
220 confidential by the commission. The commission may charge a reasonable fee for the cost of
221 producing and mailing any report other than the billing statements.

222 (i) The commission has the right to examine all accounts, bank accounts, financial

223 statements and records in a licensed racetrack's possession, under its control or in which it has
224 an interest and the licensed racetrack shall authorize all third parties in possession or in control
225 of the accounts or records to allow examination of any of those accounts or records by the
226 commission.

§29-22A-10b. Distribution of excess net terminal income.

1 (a) For all years beginning on or after July 1, 2001, any amount of net terminal income
2 generated annually by a licensed racetrack in excess of the amount of net terminal income
3 generated by that licensed racetrack during the fiscal year ending on June 30, 2001, shall be
4 divided as follows:

5 (1) The commission shall receive forty-one percent of net terminal income, which the
6 commission shall deposit in the State Excess Lottery Revenue Fund created in §29-22-18a of this
7 chapter;

8 (2) Until July 1, 2005, eight percent of net terminal income at a licensed racetrack shall be
9 deposited in the special fund established by the licensee and used for payment of regular purses
10 in addition to other amounts provided in §19-23-1 *et seq.* of this code; on and after July 1, 2005,
11 the rate shall be four percent of net terminal income;

12 (3) The county where the video lottery terminals are located shall receive two percent of
13 the net terminal income: *Provided, That:*

14 (A) Any amount by which the total amount under this section and §29-22A-10(c)(3) of this
15 code is in excess of the two percent received during fiscal year 1999 by a county in which a
16 racetrack is located that has participated in the West Virginia Thoroughbred Development Fund
17 since on or before January 1, 1999, shall be divided as follows:

18 (i) The county shall receive fifty percent of the excess amount; and

19 (ii) The municipalities of the county shall receive fifty percent of the excess amount, the
20 fifty percent to be divided among the municipalities on a per capita basis as determined by the
21 most recent decennial United States census of population; and

22 (B) Any amount by which the total amount under this section and §29-22A-10(c)(3) is in
23 excess of the two percent received during fiscal year 1999 by a county in which a racetrack other
24 than a racetrack described in paragraph (A) of this proviso is located and where the racetrack has
25 been located in a municipality within the county since on or before January 1, 1999, shall be
26 divided, if applicable, as follows:

27 (i) The county shall receive fifty percent of the excess amount; and
