CHAPTER 31. CORPORATIONS.

ARTICLE 15. WEST VIRGINIA ECONOMIC DEVELOPMENT AUTHORITY.

§31-15-16d. Lottery revenue bonds for state park projects.

1 (a)(1) The Economic Development Authority shall, in accordance with the provisions of
2 this article, issue revenue bonds, in one or more series, from time to time, to pay for all or a portion
3 of the cost of constructing, equipping, improving, or maintaining capital improvement projects
4 under this section or to refund the bonds issued for such purposes, at the discretion of the
5 authority. The principal amount of the bonds issued under this section shall not exceed, in the
6 aggregate principal amount, \$80 million. Any revenue bonds issued on or after the effective date
7 of this section which are secured by lottery proceeds shall mature at a time or times not exceeding
8 30 years from their issuance dates. The principal of, and the interest and redemption premium if
9 any on, the bonds shall be payable solely from the State Parks Lottery Revenue Debt Service
10 Fund established in this section.

11 (2) There is hereby created in the State Treasury a special revenue fund named the State
12 Parks Lottery Revenue Debt Service Fund into which shall be deposited those amounts specified
13 in §29-22-18e of this code. All amounts deposited in the fund shall be pledged to the repayment
14 of the principal, interest, and redemption premium, if any, on any revenue bonds or refunding

15 revenue bonds authorized by this section. The authority may further provide in the trust agreement
16 for priorities on the revenues paid into the State Parks Lottery Revenue Debt Service Fund as
17 may be necessary for the protection of the prior rights of the holders of bonds issued at different
18 times under the provisions of this section. The State Parks Lottery Revenue Debt Service Fund
19 shall be pledged solely for the repayment of bonds issued pursuant to this section. On or prior to
20 May 1 of each year, commencing upon issuance of the bonds, the authority shall certify to the
21 State Lottery director the principal and interest and coverage ratio requirements for the following
22 fiscal year on any revenue bonds or refunding revenue bonds issued pursuant to this section, and
23 for which moneys deposited in the State Parks Lottery Revenue Debt Service Fund have been
24 pledged, or will be pledged, for repayment pursuant to this section.

25 (3) After the authority has issued bonds authorized by this section, and after the
26 requirements of all funds have been satisfied, including coverage and reserve funds established
27 in connection with the bonds issued pursuant to this section, any balance remaining in the State
28 Parks Lottery Revenue Debt Service Fund may be used for the redemption of any of the
29 outstanding bonds issued under this section which, by their terms, are then redeemable or for the
30 purchase of the outstanding bonds at the market price, but not to exceed the price, if any, at which
31 redeemable, and all bonds redeemed or purchased shall be immediately canceled and shall not
32 again be issued.

33 (b) The authority shall expend the bond proceeds, net of issuance costs, reserve funds,
34 and refunding costs, for certified capital improvement projects at any state park. The Division of
35 Natural Resources shall submit a proposed list of capital improvement projects to the Governor.
36 Thereafter, the Governor shall certify to the authority at any time prior to the issuance of bonds
37 under this section, a list of those capital improvement projects at state parks that will receive funds
38 from the proceeds of bonds issued pursuant to this section. At any time prior to the issuance of
39 bonds under this section, the Governor may certify to the authority a revised list of capital
40 improvement projects at state parks that will receive funds from the proceeds of bonds issued

41 pursuant to this section. The Governor shall consult with the Division of Natural Resources prior
42 to certifying a revised list of capital improvement projects to the authority.

43 (c) Except as may otherwise be expressly provided by the authority, every issue of its
44 notes or bonds shall be special obligations of the authority, payable solely from the property,
45 revenues, or other sources of, or available to, the authority pledged therefor.

46 (d) The bonds and the notes shall be authorized by the authority pursuant to this section,
47 and shall be secured, be in such denominations, may bear interest at such rate or rates, taxable
48 or tax-exempt, be in such form, either coupon or registered, carry such registration privileges, be
49 payable in such medium of payment and at such place or places and such time or times, and be
50 subject to such terms of redemption as the authority may authorize. The bonds and notes of the
51 authority may be sold by the authority, at public or private sale, at or not less than the price the
52 authority determines. The bonds and notes shall be executed by manual or facsimile signature
53 by the chairman of the board, and the official seal of the authority or a facsimile thereof shall be
54 affixed to or printed on each bond and note and attested, manually or by facsimile signature, by
55 the secretary of the board. In case any officer whose signature, or a facsimile of whose signature,
56 appears on any bonds, notes, or coupons ceases to be such officer before delivery of such bonds
57 or notes, such signature or facsimile is nevertheless sufficient for all purposes the same as if he
58 or she had remained in office until such delivery; and, in case the seal of the authority has been
59 changed after a facsimile has been imprinted on such bonds or notes, such facsimile seal will
60 continue to be sufficient for all purposes.

The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
