Be it enacted by the Legislature of West Virginia:

 4 seven years after the date of the order of the court authorizing the distribution of the funds, shall
 5 be paid to the Oil and Gas Reclamation Fund established pursuant to §22-6-29 of this code. The

ARTICLE 12A. LEASE AND CONVEYANCE OF MINERAL INTERESTS OWNED BY MISSING OR UNKNOWN OWNERS OR ABANDONING OWNERS.

§55-12A-7. When special commissioner may convey title in mineral interest to surface owner; form of deed; payment to surface owner; final report of special commissioner; unknown owners; transfer of funds; rule-making.

1 (a) (1) If an owner of any mineral interest leased under §55-12A-6 of this code remains
 2 unknown or missing, or does not disavow the abandonment, for a period of seven years from the
 3 date of the special commissioner's lease, the special receiver shall report the same to the court,
 4 whereupon the court shall enter an order naming those who then appear to be surface owners as
 5 additional parties and giving notice to them, pursuant to the West Virginia rules of civil procedure,
 6 of an opportunity to appear and present proof of ownership in fee of the surface estate. If the
 7 interest leased was included in a unit or pool for the drilling of a horizontal well, the surface owners
 8 named shall only be the surface owners of the tract upon which there was some surface
 9 disturbance for the drilling of the well or wells in the unit according to the operator's permit for the
 10 wells. If a surface owner who was not initially named appears and presents proof of ownership in
 11 fee of the surface estate and, in the case of a horizontal well, that his or her surface was disturbed,
 12 whether or not shown on the permit, then that surface owner shall also be a named surface owner.
 13 Upon a finding by the court of the present ownership in fee of the surface estate of a named
 14 surface owner, the court shall: (i) (A) Order the special commissioner to convey to the proven
 15 named surface owner, subject to the special commissioner's lease, the mineral interest specified
 16 in the motion, by a deed substantially in the form specified in §55-12A-7(b) of this code, and (ii)
 17 (B) order the special receiver to pay to the named surface owner the funds which have accrued

18 to the credit of the mineral interests specified in the motion to the date of his or her report after
 19 payment of all allowable fees, expenses and court costs, including special commissioner's fees
 20 paid or to be paid in amounts determined by the court. After the date of the special commissioner's
 21 deed, the named surface owner grantee shall be entitled to receive all proceeds under the lease
 22 attributable to the mineral interests specified in the deed. If the proceeds payable for other mineral
 23 tracts drilled or included in a unit or pool for the drilling of a horizontal well have not been claimed
 24 by the unknown, missing or abandoning owner within seven years as provided in §55-12A-6(g) of
 25 this code, then the special receiver shall pay those proceeds currently in his or her possession
 26 and that come into his or her possession pursuant to the special commissioner's lease into the
 27 Oil and Gas Reclamation Fund established pursuant to §22-6-29 of this code.

28 (2) If the boundaries of the mineral tract subject to the special commissioner's lease
 29 encompass two or more surface tracts, a separate deed shall be made for the mineral interest
 30 underlying each surface tract. If a surface tract is ~~owner~~ owned by more than one person, the
 31 deed respecting that surface tract shall convey the mineral interest according to the surface estate
 32 and interest of each surface owner.

33 (b) The special commissioner's deed may be made in the following form, or to the same
 34 effect:
